As you find an area you want to pursue be sure to review the steps in how to start your own business.

"Step out of the history that is holding you back. Step into the new story
you are willing to create." Oprah Winfrey, media proprietor.

How can I start my own business with no money, I know this is the question in your mind ??

You don't need money to become a small business owner. The first step in starting a business with no money is to keep your current job and launch your small business as, for now, a side pursuit. Then, develop your business plan and analyze your consumer base, market, and potential challenges.

Near the final stages of this planning, you'll better understand how much money you need to start your business. You can find this money through crowdfunding platforms and investors . Consider taking out loans only as a last resort...let continue.

Business ideas for creative people are ample simply because creative people are blessed with some sort of creative talent. There is only a need to identify and nurture that talent. There are loads of business ideas for creative people mainly because they just have to put their talent to use. They do not need to do anything much, as, it is just application of what they already like doing, and which would give

them mental sattisfaction along with decent money.

"Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time." Thomas Edison, inventor of the light bulb.

Home Based Business Ideas for Creative People (Artists)

Some of the profitable business ideas for Christmas include the following:

Music Lessons

Music has no age, people old and young enjoy it alike. If you have a musical background and are blessed with a good voice and rythm, you could start up a studio with some musical instruments and impart lessons in music to others. This could be a very revenue generating business idea in the modern day as people are taking up music as a career extensively these days.

Jewelry Business:

Beaded Jewellery is becoming a fashion statement especially with college going students. Hence making beaded jewellery at home with your own ideas and innovations could result as a good business for creative people.

“If you can't fly then run. If you can't run, then walk. If you can't walk, then crawl, but whatever you do, you have to keep moving forward.” Martin Luther King Jr., leader of the civil rights movement.

Sewing & Knitting

If you are good at sewing and knitting it could result in a very profitable business venture. People love to wear hand knitted woolen clothes and are also ready to pay any amount of money for this kind of labor as nothing can actually replace handmade items. People good at sewing can sew clothes, curtains and quilts for people in their neighborhood.

Art Studio

If you like painting or sketching you can set up an art studio in your house. Children nowadays are extensively indulging into extra curricular activities to take a break from the daily monotonous routine of studies. Hence teaching paining and sketching could be a good business idea for artists.

“If you can dream it, you can do it.” Walter Disney, founder of the Disney Brother Studio and Disneyland.

This business idea is mainly meant for people who are good at craft works. Making soft toys is a very profitable business venture in India. People who have the talent should take their talent further by trying and making different soft toys and selling them not to their clients.

Making handicrafts

Handicrafts is a big market in India. People still love traditionally painted pots, wall hangings and photo frames. It you are good at pot painting, glass painting, and spray painting you could take it up as a full time business venture.

Cooking

If you are a good cook and know how to stir up a variety of different cultural cuisine then you surely have it in you to make it big. You could churn out a few recipes of your own and even write a book. This is a good business idea for creative homemakers. You could even start a food blog and put up your recipes on display there, which may eventually lead to a catering business too.

“If you can push through that feeling of being scared, that feeling of taking a risk, really amazing things can happen.”...Marissa Mayer, president & CEO of Yahoo!

Dance Teacher:

If you do have some kind of professional training in any form of dance you could open your own dance classes and teach others who are interested.

Cleaning service

If you like to clean, you can easily turn it into a business. With a few staff members, a host of cleaning supplies and transportation, you can offer cleaning services to homeowners, apartment complexes and commercial properties. Most cleaning services charge up to $30 or $40 per hour. Cleaning services are straightforward businesses that require relatively little overhead; you simply need planning, dedication and marketing to get your business noticed.

If you're looking to differentiate yourself from other cleaning services, consider adding premium options like floor waxing or exterior power washing for an additional fee. These services could be the deciding factor between your new cleaning service and seasoned companies that maintain too large a client list to provide that level of cleaning.

In Conclusions for today, and Recommendations

$. Ideas are the biggest assets of your business.
$. Allow free flow of ideas at all levels in your business.
$. Be open to ideas that coming from outside of your business.
$. Put the ideas on paper. You can use the business ideas book template for
this purpose.

$. All business ideas as everything else in your business can be subject to
improvement .
$. Communicate with your customers to extend the ideas for your business.
Only they can give you really high-quality ideas that can immediately be
applied in your business. Ask questions whose answers will give you new
business ideas.

$. A business idea to be a good business idea, there must be the existence of
the market need . The business idea is evaluated from the market, not from you as an entrepreneur. So, first make market research for each business idea.

$. Stay focused on what happens in the environment . Sometimes the best business ideas or business solutions are right next to you, but you simply don't see them. Follow everything and ask questions like Why and How. In this way, you will be able to see the difference in something that is obviously and clearly. These differences probably will not be seen from your competitors.

$. The business idea is a creation of your mind, mind of an entrepreneur, and nothing else. Everything else represents a tool that helps you to create the idea.

Let me share the greatest gain of all time is the gift of the Holy Spirit……..

You cannot have the Holy spirit without being born again. If you are not yet born again and you desire to do so right now, please pray this prayer with faith in your heart: Dear Lord Jesus, I come to You today. I believe You died and rose again for my sake. Forgive me my sins, take over my life, make me Your child and let Your peace reign over my life. Thank you for saving me. Now I know I am born again!

Congratulations, you are now born again! I believe that you will begin to experience the reality of the price that Jesus paid for your sins at Calvary. All-round rest and peace are guaranteed you, in Jesus name! Call or write, and share your testimonies with me our What'sApp link +2347083334473…or ethicsm09@gmail.com or boyede98@gmail.com….
