THE TRIANGLE OF THE END

1

The closing days of the sixth millennium

seem to have accelerated prophetic events causing them to be compressed together. We have entered the triangle of the end, in which both the time allotted and prophetic events are both being compressed to maximum density to fulfill all the prophetic Scriptures.

Time is reacting much the same as liquid flowing through a funnel, being drawn into the narrow end and released into a larger dimension. It seems that there is not enough time to go around, and time itself controls us. We are being drawn by the vortex of time spiraling faster and faster through the narrow end of the triangle of time. We will soon be released into a new millennium that will forever change planet Earth.

What an exciting time it is to see prophecy being fulfilled almost daily, right before our eyes! God has allotted a specific time for prophetic end-time events, and they

must transpire in His timing to fulfill all prophetic Scriptures concerning this age. Their fulfillment will usher in a glorious end-time harvest just before the Rapture of the Church. The 70th week of Daniel will follow, which is seven years of Tribulation. This will

be the transition that will usher planet Earth into the last millennium before eternity. Christ will return from Heaven with the saints at the end of that seven year period; and there will be a thousand years of peace.

The end of that thousand years of peace will bring about the appointed end of the wicked and rebellious of all ages. They will receive their just recompense of reward, with Satan and all of his emissaries being cast into the lake of fire.

Then the righteous of all ages will be enveloped into eternity with a new Heaven and

a new Earth, as the Holy City, the New Jerusalem, descends out of Heaven from God. What a glorious eternity we face!

PROPHETIC ILLUMINATION

Several years ago, while teaching a series of satellite meetings, the spirit of prophecy came upon me. The prophecy pertained to the triangle of the end. “As you approach the triangle of the end, time shall grow faster and closer, faster and closer... until the wicked shall be cut off.”

As those words came forth, I saw in my spirit, as it were, a large acute triangle. It was standing on end, looking somewhat like an inverted pyramid, with a line drawn down the center line from the wide top to the narrow point at the bottom, which resembled a funnel. Inside this triangle was light, but outside was

darkness.

LINE UPON LINE, PRECEPT UPON PRECEPT

The prophetic word continued, “There was a time when you could be off from the center line at the top of the triangle and still be inside the triangle of light. But as you approach the triangle of the end, you must move to the center line, for line must be upon line, precept upon precept.”

I could see that if you were to one side of the center line, at the bottom end of the triangle you would be outside the triangle of light and in darkness. Even though you were to one side of the center line of God’s Word at the top of the triangle of time, you would still be in the light. But at the narrow end, which represented the end of the age, everyone who was not on the center line (precept of God’s Word) at the end of the age would be in darkness.

THE LEASE IS ABOUT TO EXPIRE

Regardless of whom you approach on the streets today, whether sinner or saint; they are conscious of the fact that time is about to run out for planet Earth. They know that events of major proportion are about to take place; but without the light of God's Word, they really don't have a clue as to what they are, or when they will take place.

5

The Triangle of the End

Yet, from the beginning, God has revealed the events of the end time. This has been done two ways: through His prophetic Word and by past events recorded in the Scriptures that reveal the future in a very unique way.

There is a sequence of events that must transpire in God's timing to fulfill the prophetic Scriptures of all ages, and usher in the seventh and last millennium before eternity. The Scripture states that Jesus opened

His mouth in parables and spoke things that had been kept secret from the foundation of the world (Matthew 13:35). So we, who are of this last generation, should not be caught by surprise or be confused as to God's timing concerning these Earth-shaking events. Yet, Jesus said that men's hearts will fail them for fear and for looking after those things which are coming on the Earth (Luke 21:26).

There are chaotic times immediately ahead for the inhabitants of planet Earth who refuse to heed God's prophetic warning and walk in their own darkness. They have defied the God Who created them and have blasphemed His Holy Name. They have passed laws that take the God-given right to life from unborn children and delivered it into the hands of mortals who can terminate that life at their own will.

The prophet Malachi 4:1 gives a glimpse of their judgment:

The Triangle of the End

For, behold, the day cometh,

that shall burn as an oven; and

all the proud, yea, and all that do

wickedly, shall be stubble: and

the day that cometh shall burn

them up, saith the LORD of

hosts, that it shall leave them

neither root nor branch.

The Prophet Jeremiah also sounds a warning for such a wicked generation in Jeremiah 13:16:

Give glory to the LORD your

God, before he cause darkness,

and before your feet stumble

upon the dark mountains, and,

while ye look for light, he turn it

into the shadow of death, *and*

make *it* gross darkness.

But there is good news for the righteous,

even in the same time frame. Solomon really puts it into Biblical perspective with these words in Proverbs, **“But the path of the just *is* as the shining light, that shineth more and more unto the perfect day. The way of the wicked *is* as darkness: they know not at what they stumble.”** (Proverbs 4:18-19)

It is evident from many prophetic Scriptures that greater darkness is coming upon the wicked who dwell on planet Earth. They have been caught in the vortex of this triangle of the end and are about to be thrust

into gross darkness, because they refuse to follow the guidelines of the Bible, the Creator’s Handbook.

There is great darkness and deception ahead for those who find themselves outside the triangle of light. However, there will be brilliant light and revelation for those who are

willing to repent and respond to God's warning.

The Prophet Isaiah gives us a glimpse into this matter when referring to the time of Israel's restoration, at which time their blindness departs, and they recognize Christ as their Messiah.

Arise, shine; for thy light is come, and the glory of the LORD is risen upon thee. For, behold, the darkness shall cover the earth, and gross darkness the people: but the LORD shall arise upon thee, and his glory shall be seen upon thee. (Isaiah 60:1-2)

It is evident from these verses that during the same time frame in which gross darkness covers the wicked of the Earth, great light will come by the revelation of the Holy Spirit to those who will follow God's precepts and worship Him.

Let’s look once again at Solomon’s statements from Proverbs:

But the path of the just *is* as

8

The Triangle of the End

the shining light, that shineth more and more unto the perfect day. (Proverbs 4:18)

I believe that Perfect Day for the Church begins when the Earth lease expires, and God turns up His power and anointing on the Body of Christ for the great end-time harvest. When that harvest is finished, Christ will appear and resurrect the bodies of the righteous dead of all ages and catch them up to Heaven, along with the righteous who are alive at His appearing (1 Thessalonians 4:16-17; 1 Corinthians 15:5-52).

This event will leave the wicked of the Earth groping in their own darkness for the seven years of the Tribulation, which

immediately follows this event we call “the Rapture.” There will then be wars, pestilence, troubles, and chaotic conditions in a measure which man has never experienced, even from the beginning of time.

But the Apostle Paul said that God has provided better things for us who are the children of light.

But ye, brethren, are not in darkness, that that day should overtake you as a thief. Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness. (I Thessalonians 5:4-5)

9

The Triangle of the End

Yet many today are asking the same question as Daniel when he saw and heard the prophetic vision in his day.

And I heard, but I

understood not: then said I, O my Lord, what *shall be* the end of these *things*? And he said, Go thy way, Daniel: for the words *are* closed up and sealed till the time of the end. (Daniel 12:8-9)

God's message to Daniel set a time for these things to be revealed. That revelation is being released to the Body of Christ in this generation.

When God spoke through His prophets of old, His prophetic words established these events and the sequence in which they would transpire. It seems that God caused those prophetic utterances to be fused together with time, so that they could not be separated from the segment of time to which they were assigned for complete fulfillment.

Some of these events could not be totally understood until the time of the generation to which this assignment was made. Time itself is

prophetic and has released that revelation to this generation.

God has established a timetable for prophetic events. Yet it has been partially veiled by time itself, until the segment of time allotted for their fulfillment. Then that

revelation immediately precedes the actual event itself. This could be better described as time-released revelation. Time has veiled the Word for the simple reason that much of the prophetic Word could not be completely understood until knowledge and technology had increased.

Knowledge of God's Word has increased with technology, because we now have instant access to every word and Scripture in the Bible. This has made it easy to compare the prophetic Scriptures throughout the whole Bible. We now have technology in place that

will allow all the nations of the world to see Christ as He descends with the saints on the Mount of Olives at the end of the Tribulation period.

THE LAST MILLENNIUM

The Earth and its inhabitants are caught in a vortex of time and are being thrust toward the seventh and last millennium before eternity.

The transition into that millennium will bring joy and happiness to those who are prepared for the Rapture. But those who are unprepared will be hopelessly confused, fearful, and perplexed by the traumatic changes that will take place after the Church is taken from the Earth.

When the pieces of the prophetic puzzle are placed in the right time slots, they reveal a

vivid Scriptural composite (pictorial) of end-

time events. These events will happen in God's timing and bring about a complete fulfillment of Bible prophecy. Their total fulfillment will usher in a new Heaven and a new Earth, wherein dwelleth righteousness forever (2 Peter 3:13).

And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea. And I John saw the holy city, new Jerusalem, coming down from God out of heaven, prepared as a bride adorned for her husband. And I heard a great voice out of heaven saying, Behold, the tabernacle of God *is* with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, *and be* their God.

(Revelation 21:1-3)

What a truly glorious eternity that we face

if we are prepared for His coming Kingdom.
