Before God

Before God

Many people don't believe in God, but they believe in themselves. You, cannot remember your days in your mother's womb, you cannot remember your days as a one day old baby, you just suddenly find yourself living life as if you came out of nowhere..., if you're asked to remember your beginning, of course you can't, because the Angels of The Lord of Host made you forget; all you know is that: you just find yourself living. If you can't remember your beginning, if you suddenly find yourself living as though you had no beginning, then you should also believe there's God Who has no beginning and end. God made it this way so you shall be without excuses. Yes! No matter how much you try to think back, you can never remember your beginning. This is the Lord's doing and it is marvellous in our eyes

You! you have beginning, but you have no end, and yet you cannot remember your beginning; it is similar to God whom has no beginning and end. Nothing created by God has end, because they are all product of God (The Word "Jesus" and Spirit of God), all things created by God has no end, they can only change state of being, but they have no end. All of God's creation teaches you about God and so you are without excuses. To deny "The Lord Jesus" The Creator of Life, is the same as rejecting Life and accepting destruction and so you are deserving of what you have received, you who deny God; when you become aware of your other state of being then you'll know what true destruction is.

If you believe water when heated can change to vapour and if you believe crude oil can change into different state when heated, then you should also believe, man can change, yes, both his body and his inner being, the unseen force which we call the "spirit" or the "soul." The life you live here, your heart towards God will determine your change, your heart towards God will determine your Eternal state of being which have no end. You believe electrons appear and disappear and appear again and continue the same cycle. All these are telling you there is a realm beyond natural science.

- Science students; According to quantum mechanics, electrons do not move like tiny hard balls from point A to point B. Instead, during processes like a quantum leap or quantum tunneling, an electron can vanish from one energy state or side of a barrier and show up in a new one without ever being detected in the space between. Electrons do not have a single, fixed path.

- Quantum Leaps: When an atom absorbs or loses energy, its electron changes orbits. It does not cross the middle distance; it transitions instantly from one state to another, emitting or absorbing a packet of light called a photon.

- Quantum Tunneling: An electron wave can mathematically extend to the other side of a physical barrier, meaning it can "appear" on the opposite side without breaking through the middle space. Do They Actually Cease to Exist? No, the electron itself is not destroyed and recreated out of nothing.

There's a scientist who became more like Jesus; "John G. Lake,"
A Healing Evangelist. Go to Healingrooms.com, and read what he has written, He merged science and the spirit realm into one. He used his relationship with Jesus to understand science better. Science will continue to create death and destruction unless they depend on the One "The Lord Jesus" Who Is The True Father and Creator of science. Your ancestors like Albert Einstein, and all your earlier ancestors of science, many of them had relationship with God that's why they could do what you could never do till this day, they created foundations.., you are merely building on the foundations they created or discovered, you can't invent anything new, all because you forgot God. Einstein knew God, and He said; "I'm trying to beat God at His game," they knew God that's why they didn't bother researching for some of the things you spend money researching for because it was not given to them to discover

- Russian chemist Dmitri Mendeleev saw the layout of the periodic table in a dream in 1869 after working for days without sleep. Mendeleev allegedly claimed that he saw an entire table in a dream where all elements fell into their correct places, woke up, and wrote it down immediately

But when your science ancestors speak of God, you immediately say they are all lying, you try to change history to cover your shame, you say it's either they're lying or it was an alien that helped them, yet you can't do what they did

You can never see the end of the big bang, because this physical realm is like an expanding ball, surrounded by the spiritual realm which also is like an expanding ball, if you want to cut across to the other side, then you must change into spirit. Scientist and those who hate God, Be more prepared for the realm which you chose not to be aware of. When you focus so much more on this realm, you shall be at loss in that realm.

Not everyone is created by God to carry a microphone, some people are sent to this earth to connect with God, walk closely with God and then being used by God to unlock the hidden mysteries in the earth and to use them to

make life much easier, better and beautiful. Some people are called to depend on God to use their gifts of communicating with nature and understanding nature to create different kinds of medicines that doesn't just cure sickness but also restore life. If the plantain leaf can cut off your DStv signal.. think about it... Spend time with God, build your relationship with God, become more like God and then, He will bring you to walk in the path He has created for you

Every plant have a purpose; when the man whom God created to discover those purpose fails to walk with God, men will begin to use what God created to destroy themselves just as we see people using leaves to create destructive drugs, drinks and medicines. Plants are living creature, they also communicate, but those whom God created to interact with these plants many of them especially in Africa are busy using it to do evil, because they chose to contact a spirit of darkness not God. I tell you the Truth, any god that cannot change your character into a beautiful character, such is not a God but a gods of darkness.

When you refuse to depend on God to know why He create what He created, you will find yourself using God's creation to destroy what God has created. We'll say again; if you don't depend on God to know why God create what He created, you will use what God created to destroy creation

This world will only be a better place when everyone seek The Lord to know the purpose He created them for and also to walk in that purpose. Stop doing what God does not want you to do, do what He wants you to do!

Westerners and the so called developed world who say they're developed, yet they're not sensible enough to know that everywhere should not be turned into concrete, but rather nature mixed with human civilization and not human civilization taking over nature.. stop taking advantage of other countries; why are you deceiving others and why are you stealing what you cannot properly use. You steal only to get rich, you never use what you take to make life better. If you're not created to use that which you selfishly desire, you will only misuse it and the gain or outcome will be for evil. And this goes to all; why do you destroy others just to get what you want?

There are hidden resources that can never be unlocked, even if you see them at your backyard, you can never recognize their value, how much more to unlock them; unless you're connected to God, you can't. This is why we are fighting over money and selfish interests because we don't know the true value of what God created, and we can't know because we don't value God. Any nation that takes advantage of other nations, they shall all bow before the very nations or people they take advantage of. Economic jealousy, nations shall become jealous of nations and

this will lead to a great war amongst themselves. This also God will use to take the lives of many. Yes, more than half of the world population will be wiped out through different means, because they refuse to repent

There are those whom are created by God to discover the hidden treasures of nature and unlock their ability and use them to make life more better and for men to easily connect with God. Always remember; any god that cannot change your character into a beautiful character, such is nothing but a gods of darkness. When you stop using nature or creation to get what you want to get, then The True God "The Lord Jesus" will pay attention to you. When you begin to live your life for God, then He will visit you. And how do we live for God; paying more attention to make our nature and character become more beautiful as God and also relationship with God, this is living for God. The True God only visit those who want to become pure. If you do not desire to become pure and you say you're connected to God, check properly, might be an evil spirit pretending to be a spirit of Light

Walk with God and you'll see that even that grain of sand at your backyard is worth more than money. Doctors, you don't need to butcher a person for study before you can understand the human body, why not connect with the One Who created the human body. Just desire to be like Jesus in whom no sin, and then desire also to know the specific purpose He created you for

Everything you need in life both spiritually and physical are all in the path God created for you, if you chose to walk outside that path, you'll become misery and sorrow. Whatever you need, not what you want, but whatever you need in life is in the path God has chosen for you. All you need to become a success in the Eyes of God are all in the path God has chosen for you. Only you can walk that path. But many do not care, and even the few who cares, many are not patient. If God put you in a bush, fine, that bush will become Heaven to you, you'll never find peace anywhere else apart from that bush. Be in the place God wants you to be, ask The Lord to bring you to the place where He wants you to be. And as you've asked, make your heart love enough to pay the price to know God personally for yourself

Everybody wants to live according to their own ways and ideas, not knowing that you'll only continue in more suffering. Man will continue in misery until he walk with God and discover the purpose God created him for and to live according to that purpose. God Is Love, seek to become Love. Sop imitating others, imitate God, imitate The Word and The Spirit of God. Stop thinking how to survive, spend your life in relationships with God, then you'll live as God and not like mere men.

You have beginning and no end: But God has no beginning and end. You have beginning and no end, this is similar to God who has no beginning and no end. Since you have beginning and no end, better you begin preparing for your end which have no end. You don't believe in God who created your body perfectly, but yet you believe in your body. You don't think about eating, you just eat, you don't even care to know how the food digest or what happens to the food or what the food does, yet you believe without a shadow of doubt you need to eat and that whenever you eat, your body will do the works and the food with work for your body to give you more days as Grace, opportunity to become more like Jesus.

The creation of God lay down their lives to serve you so you can see more days. If you do not eat for more than a month, if you do not drink water for a week, you're gone. The creation of God serves you by laying down their lives for you to see more days, not to continue in madness and evil but to use each day to become more like Jesus

Each days is not Grace to survive like an animal, rather, each day is Grace to become like Jesus. You believe so much in your body, you trust your body without a shadow of doubt when eating, you just eat, and even the poison you eat as a result of the nonsense way of planting, growing, processing and manufacturing food, your body removes the poison.. you don't think about how it happened, because you so much believe your body which is created by God, but you don't believe in that God who created your body.

If you believe in your body, you also believe in God Who created that body, the only thing is that you hate God and you hate yourself. Always remember: your heart towards God does not change Who He Is, but rather changes who you are. Everyone believes in God, the only difference is that; some love God, others hate God. There's no such thing as "I don't believe in God" it's either you love God or you hate God. And your heart towards God, becomes God's Heart towards you. What you give to God is what God gives to you. How you see God, the same way God sees you, the eye you use to look at God, is the same Eye God uses to look at you, it's a parable. How you feel towards God, is the same way God feels towards you, and if God feels bad towards you, your life will become bad..?

Pay attention; what you give to God, will rain down upon you; the kind of life you give to God is what will rain down on you. The kind of heart you give to God is what will rain down on you; what rains down on you is what you'll experience here and forever. Man plants, so that what he plants will go up. However, your Spirit (inner being, unseen force, the real you) plants so that something will come down.

We'll say again; what you give to God is what God will give to you.., you're now beginning to understand why the people of the earth are experiencing what they're experiencing in their personal life. And you see why the whole world is experiencing what she's going through. However, those who stand out to please God shall not be affected by what is going on in the world. The only way to please God is simply to return back to being a little baby, when your heart returns back to being a little baby, then your heart, your spirit will become mature 'more like God.

When the Earth as a whole Gives to God Thick Darkness, It rains down destruction, sorrow, misery, calamity upon the Earth. This is why God say to repent and pray because of the judgement upon the earth, only your repentance will save you. Your prayers will not save you, even God will not save you, only your repentance will save you. When the ways of men become more evil, when men become more rebellious to God, great darkness is created in them and this darkness goes up like a rain cloud, and God allows great sorrow, death and destruction to rain down upon the earth. However, only those who are found pure in the eyes of God shall escape. The trouble will not affect them, it's as if they're not here. The Lord said

And the Lord said, “Because the outcry against Sodom and Gomorrah is great, and because their sin is very grave, I will go down now and see whether they have done altogether according to the outcry against it that has come to Me; and if not, I will know.”
[Genesis 18:20-21]

And it is written in the Book of Enoch;

- 9.1 And then Michael, Gabriel, Suriel and Uriel, looked down from Heaven and saw the mass of blood that was being shed on the earth and all the iniquity that was being done on the earth.
  9.2 And they said to one another: "Let the devastated Earth cry out with the sound of their cries, up to the Gate of Heaven.
  9.3 And now to you, Oh Holy Ones of

Heaven, the souls of men complain, saying: "Bring our complaint before the Most High."

9.4 And they said to their Lord, the King: "Lord of Lords, God of Gods, King of Kings! Your glorious throne endures for all the generations of the world, and blessed and praised!

9.5 You have made everything, and power over everything is yours. And everything is uncovered, and open, in front of you, and you see everything, and there is nothing that can be hidden from you.

9.6 See then what Azazel has done; how he has taught all iniquity on the earth and revealed the eternal secrets that are made in Heaven.

9.7 And Semyaza has made known spells, he to whom you gave authority to rule over those who are with him.

9.8 And they went into the daughters of men together, lay with those women, became unclean, and revealed to them these sins.

9.9 And the women bore giants, and thereby the whole Earth has been filled with blood and iniquity.

9.10 And now behold the souls which have died cry out and complain unto the

Gate of Heaven, and their lament has ascended, and they cannot go out in the face of the iniquity which is being committed on the earth.
9.11 And you know everything, before it happens, and you know this, and what concerns each of them. But you say nothing to us. What ought we to do with them, about this?"
10.1 And then the Most High, the Great and Holy One, spoke and sent Arsyalalyur to the son of Lamech, and said to him:
10.2 "Say to him in my name; hide yourself! And reveal to him the end, which is coming, because the whole earth will be destroyed. A deluge is about to come on all the earth; and all that is in it will be destroyed.
10.3 And now teach him so that he may escape and his offspring may survive for the whole Earth."

And The Lord said to Noah after Enoch and Methuselah have departed the world; Go into the Ark which you have prepared, for I shall not spare all who rebelled against me.

- Then the Lord said to Noah, “Come into the ark, you and all your household, because I have seen that you are righteous before Me in this generation.
  So those that entered, male and female of all flesh, went in as God had commanded him; and the Lord shut him in.
  Now the flood was on the earth forty days. The waters increased and lifted up the ark, and it rose high above

the earth.
The waters prevailed and greatly increased on the earth, and the ark moved about on the surface of the waters.
And the waters prevailed exceedingly on the earth, and all the high hills under the whole heaven were covered.
The waters prevailed fifteen cubits upward, and the mountains were covered.
And all flesh died that moved on the earth: birds and cattle and beasts and every creeping thing that creeps on the earth, and every man.
All in whose nostrils was the breath of the spirit of life, all that was on the dry land, died.
So He destroyed all living things which were on the face of the ground: both man and cattle, creeping thing and bird of the air. They were destroyed from the earth. Only Noah and those who were with him in the ark remained alive.
And the waters prevailed on the earth one hundred and fifty days.
[Genesis 7:1,16-24]

- Then God remembered Noah, and every living thing, and all the animals that were with him in the ark. And God made a wind to pass over the earth, and the waters subsided.
  [Genesis 8:1]

And it is written;

- “Son of man, when a land sins against Me by persistent unfaithfulness, I will stretch out My hand against it; I will cut off its supply of bread, send famine on it, and cut off man and beast from it.
  Even if these three men, Noah, Daniel, and Job, were in it, they would deliver only themselves by their righteousness,” says the Lord God.
  “If I cause wild beasts to pass through the land, and they empty it, and make it so desolate that no man may pass through because of the beasts,
  even though these three men were in it, as I live,” says the Lord God, “they would deliver neither sons nor daughters; only they would be delivered, and the land would be desolate.
  “Or if I bring a sword on that land, and say, ‘Sword, go through the land,’ and I cut off man and beast from it,
  even though these three men were in it, as I live,” says the Lord God, “they would deliver neither sons nor

daughters, but only they themselves would be delivered.
"Or if I send a pestilence into that land and pour out My fury on it in blood, and cut off from it man and beast, even though Noah, Daniel, and Job were in it, as I live," says the Lord God, "they would deliver neither son nor daughter; they would deliver only themselves by their righteousness."
For thus says the Lord God: "How much more it shall be when I send My four severe judgments on Jerusalem—the sword and famine and wild beasts and pestilence—to cut off man and beast from it?
Yet behold, there shall be left in it a remnant who will be brought out, both sons and daughters; surely they will come out to you, and you will see their ways and their doings. Then you will be comforted concerning the disaster that I have brought upon Jerusalem, all that I have brought upon it.
And they will comfort you, when you see their ways and their doings; and you shall know that I have done nothing without cause that I have done in it," says the Lord God.
[Ezekiel 14:13-23]

And it is written;

- After these things I saw four angels standing at the four corners of the earth, holding the four winds of the earth, that the wind should not blow on the earth, on the sea, or on any tree.
  Then I saw another angel ascending from the east, having the seal of the living God. And he cried with a loud voice to the four angels to whom it was granted to harm the earth and the sea,
  saying, "Do not harm the earth, the sea, or the trees till we have sealed the servants of our God on their foreheads."
  And I heard the number of those who were sealed. One hundred and forty-four thousand of all the tribes of the children of Israel were sealed:
  [Revelation 7:1-4]

So when many of you were busy misbehaving, ignoring he Truth of God, God was busy searching the heart of men to know those whom have a pure heart and also those who will genuinely repent and He has marked them already

And it is written;

- And while they went to buy, the bridegroom came, and those who were ready went in with him to the wedding; and the door was shut.

"Afterward the other virgins came also, saying, 'Lord, Lord, open to us!'
But he answered and said, 'Assuredly, I say to you, I do not know you.'
Watch therefore, for you know neither the day nor the hour in which the Son of Man is coming.
[Matthew 25:10-13]

He has come as a destroyer to destroy the disobedient as it is written of Him

- Now I saw heaven opened, and behold, a white horse. And He who sat on him was called Faithful and True, and in righteousness He judges and makes war.
  His eyes were like a flame of fire, and on His head were many crowns. He had a name written that no one knew except Himself.
  He was clothed with a robe dipped in blood, and His name is called The Word of God.
  And the armies in heaven, clothed in fine linen, white and clean, followed Him on white horses.
  Now out of His mouth goes a sharp sword, that with it He should strike the nations. And He Himself will rule them with a rod of iron. He Himself treads the winepress of the fierceness and wrath of Almighty God
  And He has on His robe and on His thigh a name written: KING OF KINGS AND Lord OF LORDS.
  Then I saw an angel standing in the sun; and he cried with a loud voice, saying to all the birds that fly in the midst of heaven, "Come and gather together for the supper of the great God,
  that you may eat the flesh of kings, the flesh of captains, the flesh of mighty men, the flesh of horses and of those who sit on them, and the flesh of all people, free and slave, both small and great."
  And I saw the beast, the kings of the earth, and their armies, gathered together to make war against Him who sat on the horse and against His army.
  Then the beast was captured, and with him the false prophet who worked signs in his presence, by which he deceived those who received the mark of the beast and those who worshiped his image. These two were cast alive into the lake of fire burning with brimstone.

And the rest were killed with the sword which proceeded from the mouth of Him who sat on the horse. And all the birds were filled with their flesh.
[Revelation 19:11-21]

The rider on the white horse is already here, and I who is writing to you, I Am He. I Am also the golden lamp stand, I Am also the Lamb that was slain, I Am also the woman clothed with the sun, I Am also the New Jerusalem, And

the Tree of Life and The Lamb. The throne of God [God who came as Jesus] and the throne of the lamb [the man who became God] are the two trees on both sides of the river of Life, these also are the two olive trees. We'll not say much. The sword of His mouth is the Word of His mouth, and that sword was given when He conquered the great red dragon, by simply bowing only to the Truth. Yes, My Robe is dipped in blood, because I have died enough to become what He has made Me. All who do not love the Truth, both great and small, young and old, whatever you are, whoever you are, all who do not love the Truth shall be destroyed..

The beast pastor Chris oyakhilome and the false prophet (the servant of God prophet Amos of Jesus Christ Temple Ministry), both of them truly were called by God, but Chris loved the flesh and taught the people the ways of sin, Babylon Jezebel, worldliness. While prophet Amos is called the false prophet, because many a times he speaks a lie, and forces the people to believe the lie, by telling them it is God in him speaking the words. Causes many to blaspheme by saying many servants of God do not have the Holy Spirit when of a Truth they have the Holy Spirit only that they were corrupted. God still sees His corrupted servants of God as His servant, only that He will cast them into the lake of fire if not repent.

And by many other lies he deceived the people into blasphemy. Prophet Amos the second beast caused fire to fall down from heaven in the sight of all, and this made many to believe him. In other words, there is not popular servant of God as him who always causes the Holy Spirit (Fire of God) to manifest in every church service. God is still using him, but pay more attention to know if what you're receiving is Truth or a lie. Their body is still alive but they are not aware their soul has been cast into the lake of fire already

And the rest were killed, all who refuse to accept the Truth, all we're killed, yes by the words that proceeds out of Me. Whatever I say, and whatever I write is a sword that goes forth to save, to judge and to destroy

Now when the thousand years have expired, Satan will be released from his prison
and will go out to deceive the nations which are in the four corners of the earth, Gog and Magog, to gather them together to battle, whose number is as the sand of the sea.
They went up on the breadth of the earth and surrounded the camp of the saints and the beloved city. And fire came down from God out of heaven and devoured them.
The devil, who deceived them, was cast into the lake of fire and brimstone where the beast and the false prophet are. And they will be tormented day and night forever and ever.
[Revelation 20:7-10]

Now is not the time to say much. This thousand years is not a thousand years in man's calendar, it is a mystery. A thousand years is like a day before the Lord. I told you, the book of revelation is already completed and it is like a taps of water switched on. The devil "Lucifer" has been cast into the lake of fire, all that is left are the reminder of evil spirits (including men) and darkness. The world is presently in a state of judgement, presently all are standing before The Great White Throne Judgment. And anyone who has crossed the line of no forgiveness, are being cast into the lake of fire, but presently their body can still alive and not aware until the day God has set for their body to be killed, then they'll suddenly find that they have been in the lake of fire long before their body died.

This is why it says "day and night their soul was tormented." In the new world, there shall be no more night and so for the Bible to say "day and night, they were tormented: He is telling you that presently, people are being judged and cast into the lake of fire. When you reject Jesus to a certain extent, it won't take time, you'll never be forgiven even though you genuinely repent later, because you cannot mock God. As long as you cross that line of no forgiveness, your are gone, condemned forever. This generation are not aware of what's going on. Anyone who delays in following Jesus wholeheartedly, even if they later repent, they might not be forgiven

Men continue in evil and the darkness can be so much like a thick cloud and God allows it to rain down destruction and all suffers for it except those who have a pure heart, who truly walk in the ways of God. This is not wickedness it is a corrective measure to save the creation. It is sowing and reaping. If the people are not destroyed, the darkness will only get much worse. And if the darkness continues to increase, the creation cannot be restored to perfection. And you people of the Earth who love misbehaving, continue! The more you misbehave, the more sorrow, loss, death, destruction come upon you. But those who love the Lord, those who truly fear (Love) The Lord; in the midst of it all they will flourish Like the palm trees

The righteous shall flourish like a palm tree, He shall grow like a cedar in Lebanon. Those who are planted in the house of the Lord Shall flourish in the courts of our God.
[Psalms 92:12-13]

What you give is what will rain down on you, even if you give good, if your motive is selfish, it will rain down negativity upon you. And you are a tree, the rain that falls upon you (the tree) is what will determine what you (the tree) will become, but what you put as manure in that tree, I mean, the life and the heart you give to God is what will determine the kind of rain that will fall upon you.

We'll say again, man is a tree, what rains down on the tree is what makes the tree grow and to become what it shall become. However, what you put as manure in the roots of the tree is what will tell which kind of rain will fall on the tree, and the kind of rain that falls on the tree (your soul or spirit), will become what you will experience here and forever, "suffering or Heaven." Every tree is different, how you condition your heart is what matters. Everyone started on the same condition, but we all condition, configure, rearrange our heart differently like a Rubik's Cube or a child's toy building block

I can show you the way, but I cannot force you to love what I love, I cannot force you to believe as I believe, because God gave all of us the same building blocks and the same pattern was given to us all, but many of us choose to arrange the block our own way. Your life from day one till this very day is a building block, everything you do, all your thoughts, feelings, desires and experience, are all building blocks, you choose to arrange and configure and condition your heart the way it is. That's why some people, no matter what you say..

Man is a tree and every tree was the same at the beginning, but later became different. Every tree is different, how you condition your heart is what matters. Everyone; Minus 5, minus 4, minus 3, minus 2, minus 1, zero, plus one, plus 2, plus 3, plus 4... Are all different, so is man. The condition for planting is the same, everyone started at zero, but no body will be the same, (we are not talking about your human achievement but the state of being of your spirit, your soul, your unseen force).

Everyone started at zero, no one will say 'I was born in this place or that place,' no one will say 'this was the condition I was born in,' no! People make excuses for their wrong decision. People who do not want to change, always or often blame others. Before you blame others, before you blame life, before you blame God, look at yourself.. God has given you all you need to find Him but you refuse. Your situation is created for you to find God and to live only for God and to live the life of God. But we go on creating situations God never wanted. God is not unjust. Is it not written

"God, who made the world and everything in it, since He is Lord of heaven and earth, does not dwell in temples made with hands.
Nor is He worshiped with men’s hands, as though He needed anything, since He gives to all life, breath, and all things.
And He has made from one blood every nation of men to dwell on all the face of the earth, and has determined their preappointed times and the boundaries of their dwellings,

So that they should seek the Lord, in the hope that they might grope for Him and find Him, though He is not far from each one of us;
for in Him we live and move and have our being, as also some of your own poets have said, ‘For we are also His offspring.’
[Acts 17:24-28]

Your situation is designed to make you give up on yourself and focus only on God, to find God, to have the Spirit of God, to live like God, to walk in the steps of God and to create the future God wants to create in and through you. Unless man walk in the steps of God, he's lost forever. Adam was in a perfect world yet he forgot God and became imperfect, that's enough to tell you man.. every situation good or bad reveals what is inside you. The blessing of God can also become a curse, because when God blesses you, how you use that blessing and also your heart towards Him, can become a sin. Many of you, it would be better if you had no legs, so you wouldn't go to places of sin, if you had no legs, you wouldn't walk up to that man you have sex with, if you had no hand, you wouldn't be able to steal or kill, if you had no speech, you wouldn't be able to destroy with your words. God blessed you so much and you no longer have time for God, some of us, we love the works of God more than God.. see, the blessing of God has become a curse to many, because they made it a curse.

Men are good at making excuses here on earth, but when you stand before God in your heart, you'll see that you are without excuses, because every second of your life is meant and can be used to make you become all God wants you to be and not what you want to be. If you stand before God in your heart, you'll know, how much more to stand before God face to face. Honesty is the only key to stand before God in your heart, be honest with yourself, stop lying to yourself, if you can not be honest with yourself to stand before God in your heart, you will not be forgiven when your life here Is over. Judge yourself now, so you won't be judged.

Some people were born as little children and from the age of four, they already have uncontrollable sexual desire because of the dark forces against them, but because they fear God, even though they have uncontrollable sexual desire, it only ended in masturbation which of course also is darkness, but I tell you the Truth, giving your body to another person to have sex when the person is not your husband or wife, such is greater darkness and have an eternal consequence. Yes! You can be forgiven and be with Jesus forever, but that mark, there is a mark of contamination left in your spirit when you had sex for the first time with someone who is not your husband or wife. And as we say your husband is a man who gave something to your parents in exchange for you. While as a man,

your wife is a woman whom you have something to her parents in exchange for her, if not you're not husband and wife, you're prostitutes. Jesus gave His Life, His blood in exchange for you, think about it.

Wrong sex is having sex with someone who is not your husband or wife or with some creature that is not your husband or wife, and I tell you, only a man can be the husband of a woman and only a woman can be the wife of a man, and not some animal. When you have wrong sex, that mark of contamination in your spirit prevents you from becoming amongst the number of the pure who shall become so much like God. No matter how much you love God, that mark of contamination will draw a line you cannot cross. If you doubt My words, ask the Lord Jesus why He chose the virgin "Mary." God choosing the virgin "Mary" is enough to silence your foolishness and stubbornness.

Even if you don't know God, there's a fear God placed in the heart of every person, a fear that tells you this you're about to do has a great consequence. Before you had sex with that person for the first time, that person who is not your husband or wife; before you had sex for the first time with that person, there was a fear in your heart, why was your heart beating fast, even if you can't remember, it happens to all; there is a fear God placed in the heart of all, when it comes to the thought of having sex for the first time with someone who is not you husband or wife. But we just deceived ourselves and choose to ignore it. You won't say it's because you don't know God, no, it's because you don't love yourself. No matter how forces of darkness takes over you, they can never force you to give your body to another person for sex, they can force you to masturbate but they can't force you to have sex with someone, you went ahead and cross the line yourself.

No one can overcome masturbation (self sexual satisfaction) unless by the word of God, because it is a force that controls. Overcoming masturbation is not by human efforts, it is by the Word of God. There Is Power in the word, the spirit of God in the Word is that power over sin and darkness. The more you spend time with the Word of God, not to read or preach but to stay with Jesus, knowing that staying with Jesus changes you into Jesus; because the more you stay, the more He gives you Himself. Only feeding on the word of God, staying with the word can destroy that uncontrollable urge for sex, because as you become more of Jesus, His spirit in you controls your body. It is not easy at the beginning, it is never easy to spend time with the Bible at the beginning, this is to tell you that satan knows the value of the Word of God.

The more you continue the more natural it will be to spend even hours in the word, not to preach or as a task, no, but just to stay with Jesus. And as you do, He builds more of Himself in you, this is how darkness is erased in the

heart of men, as the Spirit of God takes over, you'll find that spirit of sin vanish, yes you will still be tempted, but the desire will not be there. As Jesus begins to increase in you, you'll find yourself naturally thinking, speaking, acting and living more like Jesus. Do not think about your sin, only acknowledge your sin and then focus on Jesus, as it focus on Jesus, that sin will eventually vanish

There are people from the age of four who had uncontrollable urge for sex because of the destiny satan saw God has given them. Yes, the world of darkness monitor the star of everyone coming into this world just as they did Jesus. Because they know the star of the child is great, if they tried death and death did not work, then they'll try other means and so they want them to have sex by all means to destroy or to contaminate that destiny so God won't use them or even if He did, He wouldn't be able to use them fully as He wants. But these people, being tormented greatly by satan from age four only ended in masturbation, they refuse to have sex with anyone and they depend on God and were set free at last. Meanwhile, some people, they never had any uncontrollable urge for sex, yet they on their own went out to have sex with someone who is not their husband or wife, this is what you call foolishness at a highest order

Some people were born in great poverty, yet they chose not to give their body to any man, they chose not to do any wrong, they chose to work hard and in the process of working hard without stealing or lying, they became tired and they said to themselves, instead of walking in my own way, why not walk in the plan of God. And they sought God, with all their heart and walked in the path He has for them, people like David. But many of you, even in your abundance, still you became evil, a liar and full of wickedness

There are people who grew up in a terrorist camp, they grew up in a place of so much hatred, they were taught hatred from childhood, brainwashed into hatred, but they chose to say no! I refuse to hate, "'if I die, I die!' I chose Love.'" Yes, there are people as this, but you, you grew up in love, yet you become a heartless beast. Before you blame others or situations, look at yourself. No one have right to blame anyone except God, only God who is pure has the right to blame someone. You! You are what you are because of your desires, your desires made you who you are and what you are and who you shall be.

We live in a generation where people laugh at you for saying you masturbate, but they praise you when you're having wrong sex. Masturbation has is own darkness, but it doesn't contamination your spirit after Jesus have destroyed that spirit out of you. But wrong sex! Even though you become more like Jesus, you cannot go far to become so much more like Him, because the mark of contamination is there and God cannot join himself with

impurity, that is: you cannot get that far as God wants you to become. There's a position in God, where A certain level of purity is needed, and for God to give you so much more of Himself, you need to become one who have not have wrong sex in his or her entire life. God wants to bring us to a place in Him were we become so much exactly as Him, but many have stained themselves, they have contaminated their spirit with wrong sex.

Yes you can become like Jesus, but to get to that extent where He gives you Himself so you become so much exactly as Him, I tell you the truth, purity is needed, and one of the most important purity is to keep yourself from having wrong sex. Now you're understand why satan is trying so hard to promote and to push people into wrong sex. As we said, no satan can force you to have wrong sex, all who did willingly gave their body. Those who were raped, as long as they have not willingly given their body to any man who is not their husband, they are still pure in the Eyes of God. You're no longer a virgin when you willingly give your body to a person

We'll say again, ask God why He chose virgin Mary. He so much value virgin, there is a purity in men and women who keep themselves from wrong sex. And for this stubborn generation will keep repeating words. wrong sex is; is having sex with someone who is not your husband or wife or with some creature that is not your husband or wife, and I tell you, only a man can be the husband of a woman and only a woman can be the wife of a man, and not some animal.

A generation where people are ashamed to confess they are masturbation,. But they are so bold to confess they have wrong sex, what a twisted and foolish people, do you not know that wrong sex is a greater sin. Even God did not command any masturbator to be stoned to death, but He said anyone who have wrong sex should be stoned to death, think about it. Remember, masturbation is a sin and it has its own consequences, but wrong sex is a greatest sin. This generation don't just know the irreversible consequences of wrong sex, you can be forgiven and be with Jesus forever, but there's an irreversible bad reward, a mark of contamination in your spirit that will make you to lose greatly in Eternity. Satan is not a fool when he began deceiving the whole world into wrong sex, God never called Lucifer fool, but He call His own children fools. He even commended Lucifer saying;

- Be wise as a serpent and harmless as a Dove

Everyone are planted by God in the same ground and with the same condition, we all simply made different choices. If you fear God and if truly you love yourself, whether you have heard about Jesus or not, still you will make the right decision. Whatever conditions you were born into, God prepared you for it, as it is written;

- temptation has overtaken you except such as is common to man; but God is faithful, who will not allow you to be tempted beyond what you are able, but with the temptation will also make the way of escape, that you may be able to bear it.

In other words, whatever you face in life whether it is designed by God or it is caused by you, God can use that situation to make your spirit and your life become beautiful as God Is. If you don't believe ashes can turn into gold, you cannot be saved. When you believe ashes can turn into gold, this is what salvation is. Whatever you're going through do not think you are special. Is it not written, your brothers all over the world go through the same

We all drinking Fanta drink from different bottles, because your Fanta was put in a coke bottle, that doesn't make it coke. Everyone go through different things, yet everyone go through the same thing according to their class level in the spirit . Whether you're a satanist or not as long as your are in this life, this life is a School, then you have the school of God; not everyone who believes in Jesus are in the school of God, they just forget about their heart and living their own life because they have the Mark of the beast.

The mark of the beast is not a microchip, the Mark of the beast is a revelation of the flesh. Beast refers to animal, animal refers to flesh. The mark of the beast is a revelation of the flesh, it is love for self. "Anyone who have the Mark on their hands," this refers to those who follow God because of what they want to get. And "anyone who have the Mark on their forehead," refers to those whom have given themselves completely to the pleasure and satisfaction of the flesh, that is; they love their own life more than God. While those whom have the mark on their hand, this is a revelation saying, these people believe in God because of what God can do for them, yes some of them have the spirit of God but they follow God for what they want to get, and the bible say;

Then a third angel followed them, saying with a loud voice, “If anyone worships the beast and his image, and receives his mark on his forehead or on his hand,
he himself shall also drink of the wine of the wrath of God, which is poured out full strength into the cup of His indignation. He shall be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb.
And the smoke of their torment ascends forever and ever; and they have no rest day or night, who worship the beast and his image, and whoever receives the mark of his name.”
[Revelation 14:9-11]

.

So many of you who believe in Jesus you have the mark of the beast already and you know it not, anyone who follows Jesus not because he wants to be like Jesus but rather because of what Jesus can do for him or her, anyone who does not desire to be like Jesus more then anything, such a person have the Mark of the beast.

Yes, we were saying, We all drinking Fanta drink from different bottles, because your Fanta was put in a coke bottle, that doesn't make it coke. Everyone go through different things, yet everyone go through the same thing according to their class level in the spirit. However, at the beginning, everyone started at zero, but some chose to become better in the eye of God by moving to plus 1 and some chose more better plus 2 and so on, but some chose to become worse minus one, and some more worse minus 2… you must understand life

Before you think about Jesus, think about yourself. Jesus is not a religion and life is not a religion, even you who say you don't believe in God, that also is a religion. What you experience inside you, take note, one can be in an isolation prison of torment and torture, yet inside Him he feels so sweet like Heaven. And one can be a president and have access and everything, yet inside his feels like hell fire. The inside of you is the real person and the real person is what you experience. Having everything in this earth but feeling like hell fire or unrest inside you shows that your real self is bad, and when your time here is finished you'll awaken to even more suffering.

One can experience pain in body but inside is sweeter than anything sweet because he has become more like God, it's a mystery. This life is just a… cover, a tool to determine your stats of being that have no end. What you experiencing in the body is temporary, but what you experience inside you is just a shadow of your inner eternal state of being that have no end. The lack of peace is telling you the real you is suffering

Pay attention, we'll say again; man is a tree, what rains down on the tree makes the tree to grow and become what he is, but what you allow and also what you put in the root determine the kind of rain that falls on the tree. And I tell you, your character nature behaviour habit and your motive desire and heart towards God is what is in the root, if you want rain of sweetness rain of God to fall on you, then depend on God to how to make your heart like Jesus, become more like His. Then your tree will become sweetness and more and more sweetness. Also plant more.. If you want rain of bitterness and darkness to fall on you then ignore your heart and continue to make you char behind because even more worse..

God is more interested in your foundation, God is more interested in your root. Pay more attention to everything, if David cannot give his life for a sheep, if David cannot kill a bear and lion just for a sheep, God would not have

chosen him as king. If Samuel was not have a pure heart which hate sin, God would have not used him to rebuke Eli and God would have not used him.. what about Moses.. now what about you? If you cannot keep your environment clean, don't even think about it, because if you cannot keep your environment clean, how can to take care of your heart which you cannot see. If you cannot wash the dishes or your wicked master clean as though you are doing it for God, how can you have a heart of love like Jesus. If you cannot strive to make sure that what you do is perfect, God also will say, this one will not be able to give his heart and his all for My will. Whatever thing good, give your heart to make it perfect as though you're doing it to God. When you have a heart that does everything as if doing it perfectly to God, then God will pay more attention to you and reward you greatly

Pay attention to your foundation, what is in the root is seen in the tree,.. the tree is like a bundle of palm frond broom.. if there's yellow in the root, it will be see at the top, if there's red at the root it will be seen at the top. God allows man to go through a lot to prepare the man to have a character like His that will be able to carry the burdens of His Heart plan and to create the future He wants to create. God allows man to go through a lot to reveal what is inside the man so the man can depend on God to replace what is inside Him with that of God.

If you are not patient at the root, you cannot be patient in the future. The Bible says;

But those who wait on the Lord Shall renew their strength; They shall mount up with wings like eagles, They shall run and not be weary, They shall walk and not faint..
[Isaiah 40:31]

It is difficult to run, but easier to walk. The beginning of your journey with Jesus is one of the most painful and difficult, because it is your foundation, let the foundation be strong, God have no problem with the building. But when the foundation is bad, if you build the building will surely come down. God loves you so much.. He does not want you to destroy yourself that why He allows you to go through a lot so you'll depend on Him to learn His ways to become more like Him, when you become more like Him and when you understand His ways, His Heart, then He can entrust His Heart to you he future He wants to create, He can entrust you with the power to reveal love to other.

Love does not exist for the sake of power, power exist for the sake of Love

If you follow God because of rewards, you might end up becoming a bad reward To God. But, If you follow God because you want to be without sin And also because you wants others to be without sin; You will become a Great

reward, a Crown Of God. Don't focus on rewards, rather focus on becoming without sin. Focus on becoming like God in whom there is no sin. Focus on becoming perfect and you will become Greatest Reward here and forever. What's the point In having reward If your heart is not perfect? What's the point in having reward When there's darkness (sin) in your heart? What's the point in having reward when your heart is not pure? You will only become a gods of darkness Just like Lucifer.

Whatever you going through, your present state of being, your present feeling, your present mood, your present state of being is revealing to you what is inside you, if only you pay attention. Whatever you going through, your present state of being, your present feeling, your present mood, your present state of being is revealing to you what you truly are, when you know what you truly are, then you'll depend on God to use what you truly are to become Whom God truly Is. Use what is inside you, use everything about you to become Whom God Truly Is. It is written of Jesus

Therefore, when He came into the world, He said: “Sacrifice and offering You did not desire, But a body You have prepared for Me.
[Hebrews 10:5]

In other words I used this fallen nature of mine, I used this body of mine and I used all things, all of creation to become Whom The Manifestation of Perfection

God will allow things to reveal who you are, to reveal your heart towards God. And your heart towards God will determine how serious God will be towards you, if your heart is not love, God will not be serious with you, but if your heart truly is love He'll pay more attention to you, and do everything to help you to become all He wants you to be. God knows the heart of men and He weighs the heart of men. How you respond towards God in your heart is how God will respond to you. If your response of love is "1" God will take you to "1', but if yours is hundred, He'll take you to hundreds. God can test two people with the same thing, but yet one will be one mark out of 100, and the other 100 mark out of hundred. Do not ignore your beginning. Your foundation is what God uses to judge you.

God will test you, if you cannot be patient in the root, you will have problems with patients in the future, but when you have so much patience in the root, I tell you, you will be more patient in the future. If you're not consistent and faithful in the root, I tell you the Truth you also will not be consistent and faithful in the future. You understand God, God uses your beginning to determine your end, God uses your beginning to determine how far He'll take you.

Some people will say "sin and repent," no! Every time you wilfully sin, you are telling God that you're useless, and every time you wilfully sin, especially sexual sin, something is taken out of you which is very difficult to regain and even if it is regain your value in the eyes of God is becoming less.

God will only Trust you according to your love for Him

When the Bible says a righteous man will fall seven times, He is not saying, you should fall.., seven means "perfect," He was simply saying that the weakness of a righteous man makes him to become more perfect as God Is, understand your scriptures. Do not joke with your beginning. When you newly accepted Jesus, the joy and the Grace given to you is not for you to enjoy watching movies and whatever, it is meant for you to spend more time with God. That Joy, that peace, that sweetness you experience is strength of God, it is not for enjoyment, it is strength of God for you to use it to spend more time with God, and the more you do, the more you'll find yourself spending hours in the word of God and as you do, you'll find yourself naturally living like Jesus, your desire will change into His desire..

The one who spends more time with God will begin more like God faster. Like two vehicle and like a plant. The vehicle that often stops along the way will take a long time to get to the destination, but the one that didn't stop, will get this destination on time. Then you know that Christianity is not length of days, but rather how much of Jesus you have become. And how much of Jesus you have become is a result of Love (sacrifice). We'll say again how much of God you have become is a result of Love (Sacrifice).

A plant often times uprooted in the garden will not grow on time and might eventually die and even if it does grow, It won't look healthy like the one always deep rooted in the ground. The one always deep rooted in the ground will grow faster and healthier. Be consistent in your obedience, be consistent in your Love. Following Jesus is not a joy ride, life itself is not a joy ride, it is a battle field. Following Jesus is "Love" and Love is sacrifice. If you truly love Jesus, you'll make greatest sacrifice. And if truly you love Him, your greatest desire will not be what you can do for Him, but rather to become as He Is. Do not claim what you're not.. when the Apostle said

- "as He Is, so are we in this world"
  [1 John 4:17]

You must also remember he first of all said

- "Love has been perfected among us in this: that we may have boldness in the day of judgment;"

In other words, Love (God).. few of us became so much like God, and because we became so much like Him, we lived almost exactly as Him in this world. He was not talking to everyone, He was talking to the few whom has become so much like God. And yet, even he was wrong, because they become so much like God but they didn't become God. Only the man whom has become God has the right to say "as He Is so I am in this world."

God also allow pain and suffering to make us to recognise Him. And more importantly to use it to learn how to become more like Him so we can be prepared for the future He has for us, because God will only commit to you according to how much of Himself He finds in you. God uses temporary pain to create sweetness, man uses pain to create zombies, robots and even more injustice and suffering.

Use all things to make your spirit become beautiful. Whatever you're going through, whatever your experience, all is not an excuse, all things are meant to draw you closer to God. This present life is allowed by God to make you give up on your own strength so you can depend on God to carry you to that beautiful tomorrow. As a young man, I said to myself "I will only do what Jesus wants me to do!" Even if He said I should toilet for the rest of my Life, I will do it, I only want what He wants.

Life it's supposed to make you to desire only to become Love (God) and to be guided by Love. Sin is supposed to make you to desire to become Love (God) in whom there's no sin. While Life is supposed to make you to depend more on God to be guided by God so you can live the life of God

Men without God are like ants who build a nest here, not knowing it will become flooded that very day. Why are you building what you cannot secure. Men plan for tomorrow as if they're God who can create tomorrow. Why are you planning for tomorrow when you are not following God's plans. Do you not know whatever is not God's plan will definitely fade away? If your life is not God's plan, if your life is not according to the story He has written concerning you, you also will fade away. We all have a personal book of life, unless you draw closer to God, your book of life will not be opened by God. But when you draw closer the God, the pages of your book will be opened for you to fulfil all that is written in that book. If you must know God's plan, you must spend more time with God (His Word and Spirit) for Him to reveal Himself and your True identity (the purpose He created you for) to you

Nothing made you to live the life you're living, the life you're are living simply reveals what is inside you. The situation men find themselves did not make them to become what they are, their situations simply revealed what

they truly are which was hidden inside of them, … it truly reveals what was inside them. When your situation reveals what is inside you, it becomes like a seed, then you'll decide either to kill that seed or to make that seed grow into a tree.

When your situation reveals what is inside you, its either you choose to bend to the Light or you bend towards the dark side. Everyone knows right and wrong, there's none who does not know. You'll choose either to love that which satisfy your body and your mind but can never beautify your heart, your spirit or not. Whenever you say you feel bored, whenever you feel bored, whenever you experience boredom or whenever you feel tired of life know then that your inner being is empty. Life is miserable without purpose of God. Pay attention, many people have their own purpose, but not God's purpose. Life is miserable without purpose of God, life is boring without living in the purpose of God. If truly you're a follower of Jesus, the feeling of being bored will disappear completely from your life. Yes! This also is a way to know if truly you're serving God. If you want to know you're truly following God, the feeling of being bored will vanish completely out of your life.

This generation knows it well and so they distract themselves from this reality by occupying themselves with temporary goal and satisfaction, in the end when time is wasted, they'll regret how they spent their time here on earth. Time is investment into eternity. Your every breath count. How did your use your breath, did you use it to become more like Jesus? Did you use it to become more of Love and to reveal Love?.. The more you satisfy your body and your mind with pleasure and goals which you want to achieve, the more you inner being becomes empty and darkness. That's why you say "I feel bored." Today is not boring, your friend is not boring, you are the one who is empty. Being bored is not a feeling, it is an alarm, it is a siren, It is a voice, a cry from your inner being telling you that he's becoming more miserable and is sinking more and more deeper into darkness.

Don't misinterpret that voice which you call "boredom," the feeling of boredom is not for you to go find something to satisfy yourself with no! It is telling you how empty you truly are. Don't misinterpret that voice which you call "boredom," If you misinterpret it, as many do, you'll find more ways to take away that feeling, and if what you find is not relationship with Jesus and to live according to His plan for you, I tell you the Truth, you will only become even more empty and miserable and destruction. This is why, whatever you do to satisfy yourself, only ends up killing time, when you're done, you still find yourself bored and empty. Man will always feel bored unless they live according to the plan of God. Don't misinterpret that.. Whenever you feel bored be sincere to yourself; you are not

living in the plan of God. And when you not, you'll only end up misbehaving more and more, because the inside is getting more rotten

It's a choice, many allow the bad seed to grow into a tree, and I tell you the Truth, it is more difficult to destroy a tree than a seed. And that tree can also bear more fruits witch of course all have a reward

There is a tree in man and there is a seed in man. You must choose to destroy completely the tree of darkness and pay the price for the seed of God to grow into a tree bearing great fruits. The more you destroy the tree of death in you, the more the tree of life grows in you

“The kingdom of heaven is like a mustard seed, which a man took and sowed in his field,
which indeed is the least of all the seeds; but when it is grown it is greater than the herbs and becomes a tree, so that the birds of the air come and nest in its branches.”
[Matthew 13:31-32]
