7 DAYS MIDNIGHT PRAYERS AGAINST SATANIC ALTARS

7 DAYS MIDNIGHT PRAYERS AGAINST SATANIC ALTARS

2 Kings 1:9-10, **Then the king sent unto him a captain of fifty with his fifty. And he went up to him: and, behold, he sat on the top of an hill. And he spake unto him, Thou man of God, the king hath said, Come down. And Elijah answered and said to the captain of fifty, If I be a man of God, then let fire come down from heaven, and consume thee and thy fifty. And there came down fire from heaven, and consumed him and his fifty.**

1 Kings 18:37-39, **Hear me, O Lord, hear me, that this people may know that thou art the Lord God, and that thou hast turned their heart back again. Then the fire of the Lord fell, and consumed the burnt sacrifice, and the wood, and the stones, and the dust, and licked up the water that was in the trench. And when all the people saw it, they fell on their faces: and they said, The Lord, he is the God; the Lord, he is the God.**

Gideon destroys **Altar of Baal in Judges 6:28-32 (ESV)**

When the men of the town rose early in the morning, behold, the altar of Baal was broken down, and the Asherah beside it was cut down, and the second bull was offered on the altar that had been built. And they said to one another, "Who has done this thing?" And after they had searched and inquired, they said, "Gideon the son of Joash has done this thing." Then the men of the town said to Joash, "Bring out your son, that he may die, for he has broken down the altar of Baal and cut down the Asherah beside it." But Joash said to all who stood against him, "Will you contend for Baal? Or will you save him? Whoever contends for him shall be put to death by morning. If he is a god, let him contend for himself, because his altar has been broken down." Therefore on that day Gideon[a] was called Jerubbaal, that is to say, "Let Baal contend against him," because he broke down his altar.

It is not an easy thing to pull down satanic altars of the father's house. It is also not an easy thing to destroy the evil altar, but as a fire person, you should be able descend on them. When an altar is formed against a person or family, the spiritual aspect of a person will be targeted upon and the person would be hindered.

The fire of God has the capacity to pull down the structure and **altar of the father's and mother's house**. The fire of God is the only formidable power that can **shake altars** and destroy its foundation. Every child of God must possess the raw fire of the Holy Ghost in order to destroy **satanic altars** holding them in bondage.

With the fire of God, you can bind the strongman administering the **evil altar.** With the fire of God, you can command heaven to open and rain fire on the **altar of your enemies**. With the fire of God in you, **satanic altars** cannot have access to penetrate into your life. When you have the strong fire of God, everything will work in place for you. People who possess the fire of God always attracts formidable demons but at the end, they would always reclaim total victory through Christ Jesus.

Today, very few people are willing to pay the price to soak their altar with the fire of God. Commanding the fire of God on your prayer altar is the wiseth thing to do. It is becoming sad that many people have no power of God and what is remain on their altar in chaff. This is reason why the devil is always attacking them despite their big Bible under their pillow.

So when you have the fire of God to challenge **satanic altars**, the fire of God becomes the habitation of the enemy. When you have the fire of God, no arrows of the wicked can affect you. When you have the fire of God, you will be protected by God. If you do not possess the fire of God and you went about challenging satanic altars, though you may record some testimonies, but the rage of the enemy would always be against you.

Devil has drawn a battleline against victims. Unfortunately most people do not know about it or perhaps there is no knowledge about the danger of satanic altar. That is why you see them migrating themselves from one problem to a more difficult ones. When God activates His fire upon you, you will become untouchable and whatever that is representing you in the kingdom of darkness would be delivered to you in Jesus name. **Psalm 105:15**

WHAT IS SATANIC ALTAR?

Satanic altar is a place where the wicked gather together to carryout their operations against their victims. It is an altar where they conclude the case of their victims.

Dr D.K Olukoya puts it this way:

"An altar is a place of slaughter to something that is worshipped.
"An altar is a spiritual dining table where you offer food to some spirits."

It is an altar where they decide on what to do to people who are under their custody. They can easily summon the spirit man of a person to an evil altar without the full knowledge of the person. His spirit will be commanded and whatever they programmed into that spiritman would be the problem of that person.
