ASSIGNMENT 2: LEARNING UNIT 2

QUESTION 1: BEING A PROFESSIONAL TEACHER (MARKING GUIDELINE)

1.The student should be able to provide a definition, that include three concepts of a professional teacher. (3)

The total mark awarded for the definition should not exceed 3 marks.

The motivation should touch on twelve characteristics and attributes of a professional teacher.

NB: The student should be able to respond any characteristics of a professional teacher even if not listed here but supported by a reputable source. (12)

QUESTION TWO: TEACHER ROLES AND COMPETENCES

1. The **'**Norms and Standards for Educators' suggest seven key roles for teachers. Reflecting on the seven roles, and the impact of the current global pandemic (Covid-19) these roles have shifted and often, deferred if not neglected. What are the challenges today's teachers face in trying to fulfil these roles during the pandemic? Identify at least five (5) roles and discuss possible challenge(s) and solutions.

The answer should cover the following:
1 mark for the role, 2 marks for correctly identifying the possible challenge and 2 marks for the intervention. Each role with the identified challenge and solution should not be awarded more than 5 Marks. (25)

Total: 40
