

The book cover features a close-up, profile view of a woman with long, wavy, reddish-brown hair. She is looking slightly to the right with a soft, hopeful expression. The background is dark, and several large, vibrant pink flowers are scattered around her head, some in focus and others blurred. The title 'IT ENDS WITH US' is written in large, bold, white capital letters, with 'A NOVEL' in smaller text below it. The author's name 'COLLEEN HOOVER' is positioned above the title, and a promotional line at the bottom mentions a movie adaptation starring Blake Lively.

From the #1 *New York Times* bestselling author of *It Starts with Us* and *All Your Perfects*, a “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, *New York Times* bestselling author) about a workaholic with a too-good-to-be-true romance who can’t stop thinking about her first love.

Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true.
