Dear Friend,

I want to thank you for downloading this e-book.

Spiritual spouses also known as spirit wife or husband subject is very personal and deep spiritual matter that is hidden from many Christian today. God says in His word in Isaiah 5:13-14

Therefore my people have gone into captivity, because they have no knowledge. Their honorable men are famished, and the multitude dried up with thirst. Therefore Sheol has enlarged itself and opened its mouth beyond measure. Their glory and their multitude and their pomp. And he, who is jubilant, shall descend into it.

This is what ignorance has cost so many, it has cost them their eternal life, and I pray that you will not be one of them. God said of His own people, '*they perish for lack of knowledge*' (Hosea 4:6). That is not the heart of our Father to hide knowledge from you and me. That's why He has given us His word and His Spirit. Refuse to be ignorant. **Knowledge belongs to the seeker.** You qualify for knowledge if you seek for it. The bible teaches us to ask, seek and knock in Matthew 7:7 you cannot get anyway by ignorance or sitting down. You have to be a teachable person who is eager to learn and to know more. Proverbs 18:15 ***says Intelligent people are always ready to learn. Their ears are open for knowledge (NLT).*** The devil cannot harvest Gods people, we need to stand up, be equipped and be knowledgeable and use the weapons at our disposal for victory. Jesus died for our freedom.

Declare this prayer out load;

Hell fire shall not harvest my life in Jesus name.

God promises in Isaiah 49: 25-26***: Yes the captives will be taken from the warriors, and plunder retrieved from the fierce; I will contend with those who contend with you, and your children will I save.***
I will feed those who oppress you with their own flesh, and they shall be drunk with their own blood, as with sweet wine. All flesh shall know that I the Lord am your savior, and your Redeemer the mighty one of Jacob.
Stand on this word, God will fight for you, He will deliver you.

'Lord Jesus forgive me of my sins, I confess with my mouth that Jesus Christ is Lord and believe in my heart that God raised Him from the dead, I accept you Jesus, come and live in my heart. In Jesus name I pray. Amen.'

If you are already born again, depart from any form of sin, live a holy life, be in submission to God and spiritual authority and let God do the rest.

CHAPTER 1

DAY 1
WHAT ARE SPIRITUAL SPOUSES?

Spiritual spouses are; **strategically designed by Satan to destroy, trouble and scatter good and godly homes. They are assigned to destroy the institution of marriage or to prevent it from even happening**. **They are demonic spirits from the marine kingdom who marry and sexually bind people and ultimately destroy them through sexual dreams.**
John 10:10(a) is their assignment. ***To kill, steal and destroy***. **They use sex in the dream to form soul and spiritual ties with their victims and once they sleep with you, you are one with them unless you break that tie.** The devil knows scripture and understand that whoever sleeps with a harlot becomes one with them (1Cor 6:16). They attack both Christians and unsaved. **They are illegal disembodied spirits that are not allowed to sleep with human beings;** they originated in the Old Testament, I will discuss this shortly. They are very stubborn spirits to get rid of. But the name of Jesus has all power. Often people who have spiritual spouses are ashamed to talk about it as it involves sexual relations in their sleep.

They are also known as **succubus (which means to *lie under*, Latin origin) and incubus (which means *nightmare*, Latin origin)**

Succubus/ spiritual wife: is a female demon believed to have sexual intercourse with sleeping men.
Incubus / spiritual husband: is a male demon believed to have sexual intercourse with sleeping women.

It is a believed however that this spirit is one spirit but can take different forms to sleep with either male or female.

These demons are believed to be an offspring of Nephilim (which means *rejects* or Fallen angels) From Gen 6: 4; ***There were giants (Nephilim) on the earth in those days and also afterwards- when the sons of God went to the daughters of men and had children by them. They were the heroes of old, men of renown.*** This was an evil, illegal seed that God was not pleased with, Hence verse 6, the saddest verse in the Bible ' ***And the Lord was sorry that he had made man on the earth, and he was grieved in His heart***.' But Noah found grace in the eyes of the Lord. God decided to destroy this evil seed and all evil men on the face of

the earth by a flood. So we all know the story the flood destroyed everything except Noah and his family and all that was in the ark. But this spirits did not die. They continued their mission by sleeping with human beings in their sleep to promote their agenda. We hear of Nephilim later in the scriptures, when Moses sent spies to spy on the land of Canaan they saw these giants, descendants of Anak of which Goliath was one of them. So we can see that they did not cease to exist. They kept on pushing their agenda until today; they are operating as spiritual spouses. **They sleep with man to collect their sperm and changes into a woman to deposit the sperm into her as they sleep with her, as to produce more of themselves.**
We have heard reports of demonic pregnancies, peoples wombs tied or closed and people who sleep with this spirits to be possessed by them. This spirits are cruel and the Church needs to expose them.

Statistics have shown that 70% Christians are believed to have had a spiritual spouse encounter in their life. So you can see that the devil is targeting the Church. Due to the level of holiness that is so compromised in this last days, this spirits have access and as much as we are the Bride of Christ, but open doors give this spirits a right into a believer's life.

I remember a story of a lady who was Christian who fantasist a lot about a brother in the church. It didn't take long she started to see the brother appear in her dreams. She had invited the spiritual husband who took a face of a brother in church. Not long. She found her life trapped, not being able to marry.

I know people who have been married and divorced because of these spirits, **once these demon owns you, it devourers you and make your life miserable**. Even your finances, possessions belongs to it. But you belong to God; you are the temple of the Holy Spirit of the Living God and therefore do not entertain these spirits. Get rid of them. ***During this Fast and prayer close every door as the Spirit leads you. It's time to have victory.***

AND YOU SAY HOW CAN SPIRITS HAVE SEX WITH HUMANS AND WHY ARE THEY CALLED HUSBAND OR WIFE?

The reason is simple; the devil is a copycat. **Even as Christ was born by the Holy Spirit who came upon Mary. The devil or these spirits can illegally**

come upon and lie with humans in their sleep.
The agenda is to destroy the seed of the woman, whom the devil was told in Genesis that her seed (woman) shall bruise his head (devil),
(Gen 3:15) So the devil has been trying since to corrupt the seed of a woman through these evil spirits ever since.
A lot of people don't want to believe that's these spirits exist, since there is no exact verse that clearly states them, but there are there. Spiritual spouses are in the Bible and this is how they originated.

DAY 1 CLEANSING & PREPARATION

Before you start praying, confess and repent of all sin according to 1John 1:9; *if we confess our sins He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness.*

Confession: Psalm 18:50 *Great deliverance giveth He to His king and showeth mercy to His anointed, to …… (put your name here), and to my seed* forevermore. (Emphasis added)

CHAPTER 2

DAY 2

HOW THEY OPERATE?

In Matthew 13:25, the Bible says; "***But while men slept, his enemy came and sowed tares among the wheat, and went his way***." The most dangerous part of your day is when you lie down to sleep. That is when the enemy does the most damage to the majority of people**. A dream where you see yourself sleeping or having sex with someone else is not from God**. This someone can take a face of anyone, in most cases it's a face of someone you fantasy about, or admire it can be anyone, your pastor or your neighbor. What is important to mention here is that this dream **when it comes you won't see a demon saying here I am to sleep with you, no**! The enemy is too clever for that so he uses a face or human body.

BUT WHAT GIVES THE DEVIL A RIGHT TO SLEEP WITH ME?

In some instances, I have found that these spirits have entered in through open doors such as masturbation, generational curses, fantasy lust, demonic manipulation etc. I will discuss this part more in details. **What you need to understand is that Christians cannot be possessed by demons, but they can be attacked, oppressed or obsessed by demons, the more ignorant they are the more the devil can take advantage of them.** It's true that one can have this dream while born again and if they know who they are they can wake up pray and destroy the attack. So that's where we want to get you. To a place where you can be free, even if the attacks come it has no power over you because you are free and you know who you are. There is deliverance available for you, it's your responsibility to close every door that the enemy can use and I want you to pray these prayers now:

> ***Lord every open door that the enemy is using to molest my life, be closed now in Jesus name.***
>
> ***Every fantasy lust, evil habits, generational curses that are a doorway for demons to harass me I close them know with the blood of Jesus.***
>
> ***I renounce every sin, iniquity from my parents that gives the devil a right to torment me.***

THEIR ENTRY POINTS

1. **They can enter through sexual immorality**; Sexual sin is one of the most effective ways that the enemy is using to destroy lives, a sexually immoral person is a big open door for demons to operate through. Do not allow the devil to trick you in this area, seek deliverance today in Jesus name.

2. **They can enter through pornography**; the eye gate is effectively used by the enemy to lure man into lust. Pornographic pictures are demonic and having almost 60% of internet sites filled with porn it's so easy to get these demons through to men. Its time to guard your eye gate. Make a covenant today weather man/woman not to look at lustfully at the opposite sex

3. **Spirit wife/husband can be inherited**; Generational spiritual spouse is a spiritual spouse that owns the family. This spirit is popular amongst women who cannot get married in the family. You find that every marriage in that family is blocked or if at all someone gets married they don't last. It's a curse and demons use curses and legal binding contracts to tie people and families. You can be saved but as long as you don't break or destroy the marriage certificate that your grandmother/ grandfather had with a spiritual spouse, you will struggle and not get a breakthrough. Take time if you are not married to pray this powerful prayer:

> ***Lord every covenant or marriage certificates that bind my blood line to a spiritual spouse I call down the fire of God to destroy them now in Jesus name.(PRAY FERVENTLY)***

4. **They can enter through rape**; the enemy can use rapists to deposit a spiritual spouse. Any sexual encounter outside of marriage is sin and can be an open door for the enemy to use. If you sleep with anyone you inherit all the demons that are in them and those they have collected from sleeping around. So deliverance and healing is needed for all victims of rape or sexual abuse.

5. **They can enter through evil dedication**; a new born or even mature adult can be initiated into a spiritual marriage. Be careful of places you go, what you listen to, friends that surround you. We hear stories of how people are recruited into these relationships through receiving of gifts from strangers. I always advise people to pray over everything that they do, places they go to and relationships

you they have. Most people are married ignorantly to spiritual spouses. I know movies that are used by the devil to initiate people even children into spiritual spouse's dedications. Be watchful at all-time especially over your children.

6. **Through tattooing and piercing**; most tattoos are demonic and are used as contact points, the devil will use anything even an earring on your tongue or private part to bind you. Born again Children of God are not to have any of these in their bodies.

SIGNS OF THEIR OPERATION IN YOUR LIFE

They cause late marriage or no marriage at all; the main agenda of a spiritual spouse is to own you, so these spirits will make sure that you struggle to get married. I know people who we have prayed for, who had several engagements cancelled because they were married in the spirit. Until we dealt with the spiritual marriage there was no breakthrough.

Rejection by opposite sex; is the opposite sex finding you unattractive or you can't seem to get their attention. The enemy can use an evil veil on ones face that makes them unfavorable. If this veil is upon your life you can't progress because everywhere you go people dislike you and no matter how beautiful you are, or handsome you can't find anyone to marry you.

Constant sex in the dream; this is one obvious sign that you are being recruited into marriage, as I said this is not of God and must be dealt with. Sometimes the enemy deletes this dream in the mind of the victim. Whenever you seem to forget about your dreams and sometimes wake up with a funny feeling as if you were compromised sexually, it's time to pray and God will expose the devil.

I was counselling a woman the other day, who seem to struggle with remembering her dreams, the devil uses this method to keep his victims bound, after we prayed she saw a clear dream of what had actually happened in the past, she saw a man who was familiar face, well known and rich man propose to her for marriage in the dream, she was amazed by the proposal and attended a celebration where she was intended to be married to this spirit disguised in a face of this well-known man. Thanks be to God she managed to resist the sexual intercourse that this man wanted, and she managed to speak her way out of the trap. All that you need in a dream is consciousness of who you are in Christ, and today in the name of Jesus I declare you will not be unconscious of the enemy, you will stand up and rebuke the spirit in the dream in Jesus name.

Pray out Loud:

Lord I refuse to be a playground for spiritual spouses; today I command them to be exposed and to not manipulate my mind in

Jesus name.

Marital troubles and lack of sex in marriage; if you are married but you can't enjoy your spouse or you find yourself argue over nothing, fight a lot and feel like you are trapped in your marriage, then that is a sign of the spiritual spouse. Any displeasure to sleep with your husband or wife can be a sign that there is a third member involved.

Miscarriages after sex in the dream; you were supposed to conceive and suddenly you miscarry it can be medically explained, but these sprits are after your womb, demons are homeless or disembodied spirits looking for a habitation. And will do whatever it takes to occupy your womb. Women have been reported to have carried snakes and had their wombs tied by demons not to have children. Pray out loud:

Every spirit assigned to cause miscarriage in my life I command judgment Fire upon it now in Jesus name.

Inability to make love to your wife; men who can't get it up, they simply can't get an erection. It can be that, they are bewitched or the spirit spouse can tie their male sex organs so that they can't enjoy sex with their wives. But when this spirit comes or another woman except their wife they can have an erection and normal sex. Remember this spirits promotes fornication and sex outside of marriage. A man can enjoy sex elsewhere but when he is supposed to sleep with his wife, he has no erection or interest in sex.

Serious pain when about to make love; for a married woman, if you feel unbearable pain before or during intercourse with your partner it can be not a good sign. Seek deliverance today.

All decision to stay single; any strong desire not get married is not natural, no matter your past, seek healing and deliverance in this area. Marriage is a blessing from God, and yes we not all supposed to get married but if it's your desire or has been your desire to get married, it's probably from God. Do not quit, God can still sent you the right partner. Make sure you pray about it and get completely free should there be a presence of a spiritual spouse.

Missing your menstrual period in the dream; menstrual cycle is very important for women, should you notice any signs of abnormality or dreams of missing your cycle, don't dismiss the sign.

Having prolonged pregnancy; witches are popular for fighting pregnancies or the unborn babies. This can lead to many serious medical conditions.

Physical disappearance of marriage ring; have you lost your ring for no reason, rings are a symbol of a covenant you have with your spouse, it however provokes and annoys this spirits, if they have access in your life they will try anything to frustrate you.

When one is pregnant in the dream; you perhaps see yourself with a baby in a dream or literally pregnant, yet you are single that can be a sign of these spirits.

Inability to conceive; no matter how you try you can't have babies. Your womb is closed and occupied by this spirit.

Fake pregnancies; you have been to the doctor and they can't confirm that you are pregnant, they scan your womb and see nothing, but you have all the symptoms of a pregnant person, sometimes even the stomach looks bigger. This is due to a spiritual spouse deposit in the womb. I personally heard of a case where a sister in Christ had children before marriage, but as soon as she got married and was ready to have children then she had this case. Its demonic must be dealt with**.**

Having evil or bad body odor; demons are nasty and if left unchecked can make your life a living hell, a bad odor is demonic and should not be accepted.

Constant wet dreams; you keep seeing yourself having wet dreams over and over.

Wedding in the dream; you see literally a ceremony where you get married in the dream.

Inability to maintain holy life; your life is filled with lustful thoughts, you constantly thinking about sex and often aroused.

Feeling tired every morning; you wake up feeling like you have been somewhere.

There is so many other ways the devil can be exposed, these signs are not the alpha and omega but are a guidelines, remember a dream from God carries with it peace and Gods presence, while a dream from the devil is evil and unpleasant. So watch your dreams pray over them, no matter how insignificant they can be. Ask God to rule in your dreams.

TYPES OF SPIRITUAL SPOUSES

1. ***Hidden spiritual spouse; This are people who don't know they have a spouse in the spirit, as soon as they finish dreaming the demon deletes the dream in their minds. Have you ever dreamed and you woke up having forgotten what you dreamed; pray about it, it is not normal. This is a very dangerous place to be because you are not sure what's going on, but in the name of Jesus every hidden dream will be exposed tonight in Jesus name.***

2. **Camouflaged spirit spouse**; this is a spirit spouse that uses someone's face to trick you into sex in a dream. This person can be innocent and know nothing about your experience. The realm of fantasy is demonic and can often lead into these kind of dream, so it's important to not entertain fantasy thoughts, even if you are engaged to be married to someone, you are not permitted to fantasy about having sex with them until you are married. Your mind controls your world. You are in control of your mind so use it for the glory of God.

3. **Manifest spirit spouse**; this spouse is literally a man or a woman. A woman once visited a pastor for counselling and immediately started to have dreams about this pastor. She reports as seeing the pastor appearing in her dreams to sleep with her and telling her that he swims inside of her every night. It didn't take long the lady actually started an affair with the same pastor, she was married and her marriage collapsed suddenly. She ended up bound to this ungodly man day and night, only to find out that he wasn't really a pastor but was a Satanist. So people can have real human beings spirit spouses. Satanist can astral project and sleep with people in their dreams. In Africa there are stories of '*tokoloshe'* (a dwarf- like water spirit manifest as a man) is known to rape and molest woman. This spirit also acts as a spouse.

4. **Generational spirit spouse**; through parents these spirits can be passed on to the next generation. In most African countries these spirits are acknowledged and worshiped, they are the gods over families and own those families; no matter who gets born they are

initiated and married to this demon from birth.

5. **Territorial Spirit spouse**; places have been reported of being owned by these strongman, every woman in that village is married to this one spirit spouse and in most cases this women are very immoral or filled with prostitution.

CHAPTER 3

DAY 3
CHARACTERISTIC OF SPIRIT WIFE/HUSBAND

In conclusion today you are going to level the ground; every spirit that has laid claim over you will depart forever. It was never your spirit spouse in the first place, so begin to change even your language. I thank God who gives us triumph in Christ Jesus. Let's speak a little about the character and nature of these spirits.

They are very stubborn demons to get rid of; as you might have noticed this is one area where you really have to fight hard. Sexual ties are powerful and its only persistent prayers that will help. It is neither by might, nor by power but it's by the Spirit of the Lord. With man it is impossible, but with God all things are possible.

They are enemies of Gods people; spirit spouses amongst many things hates Gods children and seems to target them the most, they know that's the only gate they can use if given permission by their victim to destroy godly marriages, or prevent marriage because the devil hates marriage, joy and peace in relationships.

They are no respecter of person; it doesn't matter your race, color, age or position you have they are after you. They are not spirits for certain peoples group they are all over the world.

They can win you with physical gifts; be careful of gifts that come your way, many strong men of God have been destroyed because of this. Pray over everything, develop a habit of depending on God and not man.

Hardly do they miss their target; due to their careful study and understanding of their victim they can strike and win if you are not aware of them. Sex is a human need and involves two people that are married to be in unity and agreement. So if you are married know each other well, especially sexually, don't deprive each other. Understand your spouse's strengths and weaknesses

and don’t allow the enemy in between you. Don’t give the devil room in your sexuality.

They may disguise by a familiar face; in most cases they will use the face of the person you know. As I already mentioned be careful of fantasy lust, any man or woman that you are not married to have no business occupying your mind.

They empower lust and immorality; they are behind all the pornography and lustful culture that is promoted on our T.V’s and internet. They are behind the media, together with the marine kingdom they control fashion and entertainment and pollute society with lust.

They use sex or prostitutes to get their targets; he who sleeps with a harlot is one with the harlot. Most prostitutes are from the kingdom of darkness and are used a lot to destroy lives.

Their main channel is through dreams; but they can also enter through the mind and other open doors such as ears, eyes, mouth, sexual organs.

They are very jealous; they hate to be shared that’s why they will try to separate you with your earthy spouse or make sure you don’t get married.

They can cause disaster on the day of your wedding; if left unchecked they will cause disaster on your weeding day, things will just go out of hand. Everyone planning to get married needs deliverance and counselling in this area.
