01 Vision - 24 07 2026

Message 01

24th July, 2026

Proofread: 2nd September, 2026

Vision, is simply seeing what Love (God) Is seeing. We'll say again: Vision, is seeing what God Is seeing, vision is seeing exactly as God sees: to see how Love (God) would think, to see how God would speak, to see how God would act, to see how God would respond within without - to see how God would Love, to see how God would live life, if He were in your place living your very life. This is vision.

Vision also is knowing the very Heart of LOVE [God Himself]. Vision is knowing God exactly as God knows Himself. Vision: is seeing what God Is seeing; to know (see) how God will speak - to see how God would act (how to dress, how to present your body… and how to respond outwardly). Vision is to see how God would live your very life, to see how God would feel, to see how God would respond in every situation; to see how God would respond in every experience or situation within without. Vision, is to know the purpose God created you for, to know the mind of God, the plan of God, to seek how to become Love [God], to become perfect as God Is. This is Vision.

In all, Vision is desire and seeking to know God exactly as God Knows Himself. Unless we become Love (God), we cannot know Love (God). Unless we all have vision of God, we all will continue to sink into destruction. God Who created all, has a vision for His creation, we must pay more attention to God by paying attention to our heart where God connects with a man (person), then we'll begin to see as God sees and restore ourselves and the world (creation) back to the very beginning (God's perfection). In the beginning it was perfect and so it shall be.

The first vision given to every person, is a vision, a desire to become a pure and beautiful nature and character of God; deep within, everyone wants their behaviour, nature and character to become pure and sweet because that Is Love [God]. This is why nobody wants anyone to hurt them or cause them pain; even the most evil person on earth still desires love from others, this is telling you that the very beautiful and sweet character you so much desire others to give to you, it is also your purpose and responsibility to become that and unless you become that, no matter the love you receive from others - even though men worship you as god - you yourself will still experience destruction inside of you, because you're not Love.

Only Love can end the ongoing destruction in man, it is this destruction man has become within that naturally overflows from him to destroy others [creation]. A man without Love is destruction, a man without Love is darkness and only Love can put an end to destruction

- What is Love? Love Is God

  Love Is not a feeling

  Love Is God

  God Is Love

And Love (God Himself) Is His very nature. If you say you love others and you don't know God, where does the love flows from? That's why you confess love today and then tomorrow you confess rejection. You try to act love, but inside you is a nothing but a lie. If you want to become Love (God), you must know God, and as you begin to know God more and more, your very nature, your very being will begin to change into that which is beautiful and sweet, you'll find yourself becoming the very Creator of Life, you wouldn't destroy life to create nonsense, you will naturally create Life.

If truly you want to become God, you must know God and if you want to know God, you do not necessarily need to have a bible, because paying attention to your heart makes you to know Who God Is. When you pay more attention to your heart, when you pay more attention to your inner being (your spirit), you'll know what is negative and bad, and you'll find out that every negative and bad nature, character, habit in you needs to be changed into the beautiful nature of God, you will know! You need no man to tell you. If truly you pay attention to your inner being, you will know the opposite of Love (God) and man. And also, you will desire to become Love (God), not man. And as we said, God Himself Is His beautiful nature and character; the beautiful nature and character of God is God. If God can create beautiful things, and create things that makes you feel good is that not enough telling you His nature Is Beautiful.

And unless man's nature becomes beautiful, the world can never be a better place. Creation will become Heaven, only when men (people) choose Love over what they want. Unless you want what God want, you'll continue to go through greater suffering in your inner being.

You don't need the Bible to know God, the people whom God used to write the Bible, they never had a Bible, yet they spoke and wrote God's Word because they were connected to God. They had a good relationship with God.

The Bible is given to make it easier and quicker for us to connect to God, to understand God and to change us into God Himself. We'll say again: the main purpose of the Bible is to make it easier and quicker for us to become God's perfection. You don't need the Bible to know God, because men knew God when there was no bible... pay attention, we'll say again: You don't need the Bible to know God, but yet you also cannot ignore the Bible (The very words of God) because it is given to make it easier and quicker for you to become Perfection (God Himself).

The Bible is unique, you must be able to depend on the Spirit of God to understand why the word or sentence is spoken or written; if not you can do a great damage to yourself and also to others. So many people make The Book become their god, so many people make the letters become their god and so many people make the people whom God used to write the Bible - they made these people become god and so they cannot know the Heart of God behind the Word and also they cannot know why the word is given that way. This has become one of the greatest disasters amongst those who desire to know God

When you don't have the heart of love to forget yourself (your ideas, and feelings) and pay more attention to know the very mind of God behind His Word, you will misinterpret and use that very letters to destroy yourself and you will go about destroying others also by your wrong and corrupted interpretation or perception. When you cannot have the heart of love that pays attention to depend on God so you can know the very motive, intentions and Heart (mind) of God behind His very word, you'll make the bible become your God instead of making the Spirit "God Himself" behind every word your God.

This is why you see many people say "it is written," they just say "it is written and so it must be as it is" and they don't bother to know why it is written. If you only take the written word and you forget to depend on God to know why it is written, I tell you the Truth, you will use the word to destroy yourself and others and you will also create a life of deception out of that very word.

And also, if you don't depend on God to see clearly as God sees, you can misinterpret the reason why the people spoke or acted the way they acted in the stories of the Bible. This also is another great disaster amongst those who desires to know God

For example some people say that women should not preach in the church, all because Apostle Paul says so. As it is written;

Let a woman learn in silence with all submission.
And I do not permit a woman to teach or to have authority over a man, but to be in silence.
For Adam was formed first, then Eve.
And Adam was not deceived, but the woman being deceived, fell into transgression.
Nevertheless she will be saved in childbearing if they continue in faith, love, and holiness, with self-control
[1 Timothy 2:11-15]

The last words he spoke where he listed the nature women should have, is enough answer telling you he is speaking only to women who don't have a pure heart like Jesus. The bad and corrupted heart of many women is why he gave this command. No man has any right to tell God how to go about His perfect plan.

Your love the letter more than the Heart of God behind the letter. The question is: Do you know why He gave that command? You must first of all understands why Apostle Paul gave that command. He gave that command because of the pride in the hearts of women who so easily become corrupt with the little position given to them. And who also are so easily corrupted because they refused to become more like Jesus. Women are so easily corrupted with pride and wrong behaviours that can so easily destroy silently. Apostle Paul said "women should not have authority over men."

First and foremost, you must know He is saying a female is supposed to naturally have a nature of kindness, sweetness and respectfulness. Any woman who has the nature is a woman who can be trusted by God and man, yes, even by man. A man can give anything for a woman who is kind, sweet and more especially respectful. I'm not talking pretentious, you cannot pretend to have these nature of God. And when he said woman should not have authority, you should know he was also saying, the husband is the Lord and Master of the wife

Apostle Paul also said "women should not preach," but you should know this command is not for women whom God has given the Divine Assignment to preach or teach in the church. There are women whom truly God's Divine purpose for them is to have their own ministry where people gather In a physical building or online. God knows how to work with these women, but this is very rare because God knows the heart of many women are easily corrupted with pride, this is why He gave many of them Divine Assignment that doesn't have anything to do with them being a leader over all

You must understand that there are two or more women in the Bible who are pastors, leaders over people as it is written;

Deborah

- Now Deborah, a prophetess, the wife of Lapidoth, was judging Israel at that time.
  And she would sit under the palm tree of Deborah between Ramah and Bethel in the mountains of Ephraim.
  And the children of Israel came up to her for judgment.
  Then she sent and called for Barak the son of Abinoam from Kedesh in Naphtali, and said to him, “Has not the Lord God of Israel commanded, ‘Go and deploy troops at Mount Tabor; take with you ten thousand men of the sons of Naphtali and of the sons of Zebulun;
  and against you I will deploy Sisera, the commander of Jabin’s army, with his chariots and his multitude at the River Kishon; and I will deliver him into your hand’?”
  And Barak said to her, “If you will go with me, then I will go; but if you will not go with me, I will not go!”
  [Judges 4:4-9]

Now pay attention, and you'll see the pure Heart of Deborah;

So she said, “I will surely go with you; nevertheless there will be no glory for you in the journey you are taking, for the Lord will sell Sisera into the hand of a woman.” Then Deborah arose and went with Barak to Kedesh.
And Barak called Zebulun and Naphtali to Kedesh; he went up with ten thousand men under his command, and Deborah went up with him.
[Judges 4:9-10]

Deborah was a leader, one used by God. For her to seat under a tree in other for people to come see her, is the same as she having her own church and altar. It was even called "The Palm Tree Of Deborah," this is exactly as the ministry of a servant of God, it is the same as having a church with a Name given by God. In the unseen realm, all true churches or ministry of God came from Above. Even the New Jerusalem descended from Above (The New Jerusalem is a person, and the person is that ministry of God. And I writing to you, I am He!). So if you did not see God giving you any ministry, if it did not come out of God and you're claiming what you're not or doing what God did not want of you - sorry

Deborah was given the office of a leader and a judge, yet her heart was so pure, there was no pride and lust in her heart. And when Barack asked her to go with him in battle, she said, "ok, I will go with you, but because you have doubted The Lord God Almighty and because you also are seeing me as God by allowing me to go with you, the Lord God Almighty shall give the victory into the hands of another woman, not my hands, but that hands of another woman." What a pure heart:

A prophet or prophetess is an office of God and in that office God can give you the free will to decide as you want and whatever you decide, so it shall be. Although this has limits because you are not become exactly as Jesus. Now here is the dangerous part: even The Lord Jesus knew this; this was why He said "all power in every realm has been given to Me." Take note - Jesus could do anything, yet He lived a life that says: "I will not do what I want, I will only do what My Father wants." HE even went as far as saying; "The words I speak are not Mine, My Father teaches Me what to say and how to say it.

When Deborah said the victory will be given to another woman - Majority of women will definitely say the victory will be given to themselves and not another. And many men also, if they were in the shoes of Deborah they also will say the victory will be given to them and not another.

So you see, it's not even all about the woman, it's about the heart. Apostle Paul commanded the women not to take positions God never gave them because those women are doing what God did not tell them to do and also they are so much easily corrupted than men. Now if a woman is genuinely called by God, if God has given a woman the Divine Destiny to have a church or to lead others, Apostle Paul will not speak Against this woman, because He always asks God "why?" Before concluding, he always search the Heart of God, but many of you, you would fight against Deborah saying she is of the devil because a woman is not supposed to lead. And I tell you, if you speak wrong against the spirit of God by saying the Spirit who gave the person the Divine Assignment is not of God when in actuality it is God, you have sinned against the Holy Spirit and this will not be forgiven if you continue or refuse to acknowledge your wrong

When a person is genuinely doing what God wants, if you say that person is doing wrong; it is the same as calling the spirit of God an unclean Spirit. And also many of you who say no woman should preach, you will be cast into the lake of fire, because there are women whom God truly wants them to be leader over all, but because you have told them that God did not call any woman to lead, they listened to your voice and now they have denied the Divine purpose God created them for, and many souls have been lost. Now you! You shall pay for your sins, because you

are the cause of the whole thing, the blood of many is in your hands. This is what happens when you make the letters of the bible your god rather that making the Spirit Who wrote the Bible your God. Every word in the scripture, you must ask "why?" If not you might destroy yourself

Why are we revealing this, firstly to correct your sins, and secondly for you to learn how to depend more on God to search His Heart so you can know His opinion before concluding. Many who have the spirit of God shall be destroyed forever all because of the pride, they don't desire God's point of view, they are driven so easily by their feelings or ideas. If you make final conclusions without carefully searching the Heart of God, you can be very wrong and that is very destructive. Do not allow your feelings to get involved, seek God with a heart that also desires to know if you are wrong. If you seek God because you want to know if you're right, you will remain blind and a spirit of darkness can speak to you or show you a wrong vision and you'll think it is God. I am telling you reality, many great prophets of God has fallen prey for this.

Here is a nameless woman spoken of by Apostle John at the end of his letter.

- Having many things to write to you, I did not wish to do so with paper and ink; but I hope to come to you and speak face to face, that our joy may be full.
  The children of your elect sister greet you. Amen.
  [2 John 1:12-13]

This was the end of the letter. At first, at the beginning of the letter, he writes to the woman who is leader over many. And then at the end of the letter he was writing of another woman, telling them that the children, "the followers" of another lady (your sister in the kingdom of God) greets you. So you see, John spoke of two women whom God gave them the Divine Assignment to be leaders over a people to bring them in the way and Truth of the Lord as John said;

And now I plead with you, lady, not as though I wrote a new commandment to you, but that which we have had from the beginning: that we love one another.
This is love, that we walk according to His commandments. This is the commandment, that as you have heard from the beginning, you should walk in it. Beware of Antichrist Deceivers
For many deceivers have gone out into the world who do not confess Jesus Christ as coming in the flesh. This is a deceiver and an antichrist.

Look to yourselves, that we do not lose those things we worked for, but that we may receive a full reward.
Whoever transgresses and does not abide in the doctrine of Christ does not have God. He who abides in the doctrine of Christ has both the Father and the Son.
If anyone comes to you and does not bring this doctrine, do not receive him into your house nor greet him;
for he who greets him shares in his evil deeds.
[2 John 1:5-11]

Here also, you'll see the first woman he spoke of at the beginning of his letter;

- The Elder, To the elect lady and her children, whom I love in truth, and not only I, but also all those who have known the truth,
  because of the truth which abides in us and will be with us forever:
  Grace, mercy, and peace will be with you from God the Father and from the Lord Jesus Christ, the Son of the Father, in truth and love. Walk in Christ's Commandments
  I rejoiced greatly that I have found some of your children walking in truth, as we received commandment from the Father.
  And now I plead with you, lady, not as though I wrote a new commandment to you, but that which we have had from the beginning: that we love one another.
  [2 John 1:1-5]

Apostle John said; "To the elect lady" (that is: she is walking in Her God given Divine Assignment). "and her children" (that is: she has people whom she is leading, bringing them in the way of the Lord, this is not children of her own blood, these are followers just as you would say Prophet Elijah and his sons or children even when he is not married). Then Apostle John went on saying: "rejoice greatly that I have found some of your children walking in Truth, the very Truth we have received as a commandment from the Father." So you see, she had followers everywhere, some of whom are not with her, and she preach the Truth to them, what a woman! Do you know what it takes for a woman to stand for the Truth, this is something even many men cannot do.

Pay attention also to what John spoke concerning the corrupt heart of a man, then you'll know it's not only about a woman but rather it's all about people doing what God does not want and also people with corrupt heart, pay attention to what John wrote;

I wrote to the church, but Diotrephes, who loves to have the pre-eminence among them, does not receive us. Therefore, if I come, I will call to mind his deeds which he does, prating against us with malicious words. And not content with that, he himself does not receive the brethren, and forbids those who wish to, putting them out of the church.
Beloved, do not imitate what is evil, but what is good. He who does good is of God, but he who does evil has not seen God.
[3 John 1:9-11]

In these scripture you see the bad characters of a man. This is the character of a man, which you can find very common in majority of women. So you see, Paul was not telling woman not to preach, he was simply saying, do only what God told you to do, and whist at it, have a pure and perfect heart.

So you've seen, why then are you fighting. If the woman is doing what God did not tell her to do, leave her alone, God will definitely destroy her forever if she continues. But if she really is doing what God tells her to do and you're fighting God by fighting against her or speaking against her, I tell you the truth, your end shall be the lake of fire whether you're Moses or Elijah. God taking the Life of Moses, is a message to you that: no matter how much of God you have become, God will not look at your face if you make a deadly mistake that was not corrected, He can throw you into the lake of fire.

Moses repented and He was taken to be with God forever, what about you, standing in your pride, have you repented? God not allowing Moses to enter into the physical promised land, is a message telling you that if you make a deadly mistake you refused to correct, you will not be with God forever, no matter how much of Him you've become. Unless you have become God, and you cannot become God - you can only be like God because someone else has already taken that position. And even the one whom has become God, he also examines His own Heart in fear and trembling to see if he has caused God pain in any way just as Jesus also examined His Heart and say: "Father, forgive me for doubting! You are always with Me, into Your Hands I commit My Spirit."

Palm trees also represents "Elders." And people of God, whenever the Apostle speak of elders, they not talking about the ones you know in your church which were appointed by men, true elders is a spiritual status like the Ancient of Days - your soul (the real you) must have become so much like God before you are given the status of an Elder in the kingdom of God. It is this spiritual status the Apostles see in a person, before calling the person an elder.

A young man of 29 years old can be an elder, even a young woman of the same age can also be an elder because in the spirit, they have so much become like God - But many of you, you call people "elders" who are not even elders - they were merely appointed by men, yet you call them elders. "Elder" is not a sit in the church, it is a position in God. Even the tile Pastor," is an office of God. People can call you pastor, but God and Heaven and even demons do not know you as a pastor because you are not in that office, God must put you there, no man can.

If God finds the heart of the woman to become pure without pride and if God knows she cannot be corrupted through any means, He can give her the Divine Destiny to preach in the church or to be a leader over all. If many women find it hard to let go of things that corrupt their heart such as lipstick or trousers, this is telling you that it is very easy for women to be corrupted, this is why God does not give many of them the Office of a leader. You whom the Divine Destiny God gave to you is not to preach, if you go and preach, whether you're a man or a woman you have sinned against God, but if your God given Divine Destiny as a woman is to preach in the church and then you are saying you will not do it, you have sinned against God. Who is your God, the letter or the Spirit God Who Is The Spirit behind the letter?

And also, if a woman is given Authority by God to preach in a church just like Deborah who did something similar - if that is her Divine destiny and you are there condemning her, preaching against her, believe and confessing that she is not called by God; I tell you the truth, you have committed a great sin of blasphemy because to say that one is doing the wrong thing when in actuality what that person is doing truly is of God, such is the same as calling the spirit of Truth (God) a spirit of lie, and your sin will not be forgiven if you continue ignoring the Truth by having a heart that publicly stands against that person.

Now when Peter had come to Antioch, I withstood him to his face, because he was to be blamed;
for before certain men came from James, he would eat with the Gentiles; but when they came, he withdrew and separated himself, fearing those who were of the circumcision.
And the rest of the Jews also played the hypocrite with him, so that even Barnabas was carried away with their hypocrisy.
But when I saw that they were not straightforward about the truth of the gospel, I said to Peter before them all, “If you, being a Jew, live in the manner of Gentiles and not as the Jews, why do you compel Gentiles to live as Jews?
We who are Jews by nature, and not sinners of the Gentiles,
[Galatians 2:11-15]

Apostle Paul was wrong when he confronted Peter and challenged him for eating with the gentiles and then stopped eating with them when his fellow Jews were around. He was wrong of calling Peter a hypocrite, because he was so full of zeal - and I tell you, zeal is love, but zeal can easily be corrupted, because zeal gives you a burning desire for something, but true Love makes you to become calm, to pay more attention to God. When you have zeal for God it can make you to do anything for God, but that love (zeal), your heart can be corrupted and you'll do the wrong thing thinking it is love because zeal gives you a burning desire and it makes you not to be calm enough to look deep and pay more attention to the Heart of God to know His Heart.

Zeal can make you do anything, and it can make you do something wrong and you'll think it is right. The Apostle has so much zeal for God that he went about killing those who truly are of God and he thought he was serving God. So zeal is strong emotional desire that drives you almost uncomfortably to do something, you can't rest until you do it, and I tell you, you can have zeal for God but you're doing the wrong thing. But love, true love is self-control, it makes your heart to become calm and still, so you can depend on God to know how He wants you to respond or express His Heart, just as Jesus did when He flogged the people selling at the temple and destroyed their market and properties

Many a times, God wants you to be angry because the spirit of God in you is angry to do what He wants, but you thought it was the devil and you suppressed Him. And many times He wants you to be calm, but you have so much zeal (emotions) and you went ahead and exploded. And because you exploded, your ways were not pleasing to Him

You see, True Love makes you to know when to explode and when not to. And if you explode, even whilst you're still exploding, you're are still calm like still waters and very conscious of your heart and the heart of God. And even after you have finished exploding, still you’re calm with a heart of love. Pay attention, Jesus took His time to weave the cane/whip - do you know what that means? He was boiling in anger of God, but that act of weaving the cane/whip which took time before acting, tells you that the anger of man is for selfish satisfaction and does not create any beauty, but the anger of God, Is love, still and calm even when angry and this also creates life because it is for a purpose of Love - to create beauty and not destruction.

Jesus took His time to weave the cane, yet there's was no sin in Him, His purpose was still love and even after He finished, He was still calm enough to immediately teach the people the ways of God and the very mind of God behind what He did

True love makes you to know when to explode and also when not to, it makes you.. God is not controlled by anger, this is why His anger Is Pure. Every anger of God is a motive and purpose of Love to create beauty not destruction. Yes, He can destroy you to save many, yes, He can! And that also is Love because you're the one who chose to be destroyed.

Do you understand? So Apostle Paul had so much zeal, he exploded without staying calm to seek God to know why perter did what he did and you know what? Apostle Paul also did the very same thing Peter did when he (Paul) said

For though I am free from all men, I have made myself a servant to all, that I might win the more;
and to the Jews I became as a Jew, that I might win Jews; to those who are under the law, as under the law, that I might win those who are under the law;
to those who are without law, as without law (not being without law toward God, but under law toward Christ), that I might win those who are without law;
[1 Corinthians 9:19-21]

Take note: he was not saying he copied or imitated or practiced the lifestyle of the ungodly. Many people use this as an excuse to sin or rebel against Truth (God). So you see, he was not mature then, but now he is mature, he did what Peter did. So you see, many believers use what Apostle Paul did against Peter, they used it as a tool to hate Peter.

Till this very day, Peter is still being misunderstood and misinterpreted by many because of the evil and hatred in their heart, yes! Anyone whom you see speaking wrong of Peter know then that such a person is simply revealing to you: the evil and hatred inside of him or her. I tell you the Truth, the more humble a person is, the more deadly they become to you when you don't have a heart of love that always depend on God to know His mind. Is it not written of Jesus

Then Simeon blessed them, and said to Mary His mother, “Behold, this Child is destined for the fall and rising of many in Israel, and for a sign which will be spoken against
(yes, a sword will pierce through your own soul also), that the thoughts of many hearts may be revealed.”
[Luke 2:34-35]

The more humble a person is the more you can easily blaspheme and sin against God greatly because their gentleness, calmness and humility and their ways of God which seems strange to many can make you to see the spirit of God as a spirit of darkness, because you misrepresented misunderstood all because you refuse to depend on God to know the mind of God. Apostle Peter was rebuke by Paul, even though he knew Paul was wrong, he still kept quiet listening to the heart of God to learn the ways of God more and to understand how to become more like God through the very actions of Apostle Paul. Many of us will be too quick to defend ourselves, and many will be greatly offended and angry even if they said nothing, but the heart of Peter… a pure heart...

This is why God gave Him the keys of the kingdom, because His Heart was so much beautiful than them all, yes! Peter became so much like God more than them all, Peter became so much like God than Apostle Paul. This is to tell you it is not all about what you suffer in the body… Apostle Paul also realised this when He said "if I give myself to be brunt alive and I have not Love in my heart, then I am nothing." The desire to become pure, perfect, this is what True Love really is. And the greatest darkness is not Lucifer but your very self, you must fight yourself and conquer self. The greatest suffering is not what you experience in your body, but what you experience in your mental state and conscience when you are erasing yourself to embrace more of God.

It's not all about what you do or what you go through it's all about how much perfection you desire to become and to live as perfection. Perfection is not attained by brute force, perfection is attained mainly by still waters, you're walking in still waters yet the battle inside of you is greater beyond any. Perfection is not attained mainly by what can be seen, it is attained by the unseen battle between your soul (the real you) and your body (your mind, feelings, desire, motive, nature character, lifestyle) can you enter yourself and fight yourself? Can you reject yourself completely to accept all of God? This is the greatest battle. Jesus did not only say He Is perfect, He also walked in Perfection as He said "I do only what I see My Father do, I live exactly as He wants me to."

This is an illustration of the Heart and actions of Peter when He withdrew from the gentiles; if reading your bible with a particular person can lead to the death execution of many when you are discovered doing so by wicked men, I tell you the Truth, you will stop reading your bible in the public with that person so you will not cause the unnecessary death of many. So it was, yes, he might have been afraid, but his motive were pure, because he knew the kind of people that were coming.

Before this has happened, Peter had already ate with Cornelius the Roman soldiers and the Apostles were not happy, but later they all believed and rejoiced. If James already knew Peter ate with Cornelius the Roman soldier

and now Peter does not want to seat with gentles when those men were sent by James to meet Peter at Antioch, then you should know Peter knew the sate of heart of these men are carnal and can result in damages to the heart of the gentiles if they saw him eating with them.

At beginning those in favour of a man being saved only when circumcised were very troubled and offended at Peter when he was with the gentle, (non-Jew). But then later they are greatly praised God. Why would Peter withdraw from eating with the gentiles when already the Apostles had already accepted the gentiles? This is telling you the kind of men who came to visit. If it were only the Apostles who came to visit, Peter would have still continue eating with the gentiles because they had already accepted them, but these men coming, can misbehave seeing Peter doing so, this was why Peter withdrew not for himself, but for the sake of the gentiles. See for yourself;

Now the apostles and brethren who were in Judea heard that the Gentiles had also received the word of God.
And when Peter came up to Jerusalem, those of the circumcision contended with him,
saying, “You went in to uncircumcised men and ate with them!”
But Peter explained it to them in order from the beginning, saying:
[Acts 11:1-4]

The Apostles weren't even offended, they only could not yet believe, but the other followers were angry until Peter explained

If therefore God gave them the same gift as He gave us when we believed on the Lord Jesus Christ, who was I that I could withstand God?”
When they heard these things they became silent; and they glorified God, saying, “Then God has also granted to the Gentiles repentance to life.”
[Acts 11:17-18]

Now you see, After Peter had finished explaining, they all believed and rejoiced. They no longer had any problems with being with the gentiles. All these happened long time ago. This is to tell you that the Disciples of Jesus had no problems being with the gentles, but those men whom James sent, still have a corrupted heart and can create problems with the gentiles if they see Peter eating with them.

So you see why you must depend more on God

So these are two of few examples we have given why you should depend more on God to know His Heart and to know why the people in the stories of the bible spoke or acted as they did. It is beyond this, but this is given so you can know how to pay more attention.

Here, another example, king David wore jewellery, the priest of old wore precious stones, but now I am saying to you that wear jewellery is a sin, the question is, do you know why it is now become a sin? Foolish people who don't fear God and who do not love their souls will always be too quick to act out of emotions and will also be to quick to sink deeper into their own ideas and feelings rather than sinking deeper into the Heart of God to understand His Heart.

Even the Apostle Paul and Peter both wrote that jewellery is a sin, because they knew why it is. And Enoch also knew jewellery and make up is a sin as He wrote in His book, because he knew where it came from and also why it is a sin, but many of you don't even bother to ever know "why," because truly you are demons, evil and unclean spirits who are driven by theirs own ideas, feelings, appetite and satisfaction. Your life is not all about love, but yourself and this is the creation of darkness in you which then overflow to creation and this is the very reason why I shall destroy you without Mercy.

And they even wrote about nonsense hairstyles and the nonsense you do to your head, they wrote about it because they knew why it is sin.

The stupidity of many female especially African female is very high when it comes to hair. Today you do a hairstyle and it's not even up to two weeks or even a week, you've already done another hairstyle. Today you make your hair and tomorrow you have done another hairstyle. What is this restlessness and dissatisfaction in you, if it is not lust. What is this wrong desire in you that makes you never to have rest until you've done something to your hair? You think lust or wrong desire is all about sex? Why do you so much have urge to change hairstyles, why are you so obsessed with your hair? You're never satisfied and you don't have rest until you do something with to your hair or head.

Hair style or rather taking care of your hair is not to feel confident or to feel good, no! You take care of your hair so you can become and look neat. If your purpose of taking care of your hair is more than just being neat, if you take care of your hair with the purpose of looking good or to feel confident, then your heart is wrong. You don't take care of your hair to look good, you take care of it because you have to. Do you understand.

The Apostle Peter and Paul knew this, this is why they spoke the same Words, because they are one with My Heart. Is it not written;

Do not let your adornment be merely outward—arranging the hair, wearing gold, or putting on fine apparel—
rather let it be the hidden person of the heart, with the incorruptible beauty of a gentle and quiet spirit, which is very precious in the sight of God.
For in this manner, in former times, the holy women who trusted in God also adorned themselves, being submissive to their own husbands,
as Sarah obeyed Abraham, calling him lord, whose daughters you are if you do good and are not afraid with any terror. A Word to Husbands
[1 Peter 3:3-6]

In like manner also, that the women adorn themselves in modest apparel, with propriety and moderation, not with braided hair or gold or pearls or costly clothing,
[1 Timothy 2:9]

There are also those who say men should not cover their head when In the church or whenever they're praying. Before we go into that, first and foremost: If a woman is to cover her hair, then she should always cover her hair all the days of her life, and if a woman is to cover her hair, then God would have not given her hairs on her head. God put hair in the armpit and in the private region, making you feel ashamed as a sign telling you that you should cover your nakedness. God put hair in the armpit telling you to cover your armpits because wearing dress that expose your armpits causes sexual desire because it is the same as uncovering your chest.

But this generation that wants to be naked are now shaving their armpits all in the name of roll-on/deodorants or whatever, the fact that majority of you feel shame when you exposed your armpits without shaving it tell you that God put it there so you will cover your nakedness because He knows that a generation is coming who will not be ashamed of exposing their body, and so He put armpit hair there, but still they go ahead and invent what they'll use to remove it so they can be naked. Even science tells you that the hair in your body all have a great benefit to your body, why then are you removing what God has placed

The hair on your head has it's purpose, but it is also for beauty. Now styling your hair in a way that draws attention to yourself has become self worship, a sin.

…. Is the presence of God only in the church? Was Moses not the very carrier of the presence of God, because He become so much like God. If you have the spirit of God, the presence of God is always with you as long as you still have His Spirit. And that presence will be in measure of how much of Him you've become.

Now, if the presence of God is always with you - whenever you are reading your bible or even thinking thoughts of God, do you not also know this is prayer? Because in actuality prayer is relationship with God, so when you put on your helmet at your work place or a face cap and you are thinking about God in your heart or even speaking to others with Love, do you not also know this is prayer? If you don't remove your cap when you are thinking about God, but you always take it off in the church or when you're about to open your mouth to pray, are you not a hypocrite for removing your cap only when you're in the church or when about to open your mouth to pray. The hair of a man and a woman is a covering for their head. If you have the Spirit of God, you have become the temple of God, and so whatever thought of God and words pleasing to God - all are the same as prayer, why then didn't you cover your hair in the bathroom when you were thinking about God, you hypocrites.

The hair of a person is like a crown on their head. Do not go about speaking against those who have no hair on their head because according to God they still have hair because He originally created them so. All because you don't see a hair on their head… If you look down on them, you have looked down on God. Because the hair is like a crown, if you look down on someone all because you see no hair on the head, it is the same as looking down on the KING of kings "The Lord God Almighty" Whom placed that crown on them even before they were born.

And also if you admire the hair or a person all because of how the person styled it or because of what the person added to it, you who made your hair to cause others to desire you, you also have sinned because the 24 Elders all have crowns of gold, yet they cast their crowns of gold on the ground to worship God and they themselves are not being worshipped - who then are you to force others to desire (worship) you by styling your hair or doing to your hair in such a way that will make others to desire (worship) you. Drawing attention to self, is in actuality "self-worship."

Since the hair of your head is like a crown, adding artificials and whatever, and also adding to your hair - another human's hair, or changing the texture of your hair also is the same as corrupting the crown of God and also wearing a wig to hide the crown of your head, using a wig to replace that hair is the same as causing others to bow to another god. People should see your hair and say he or she is beautiful, but when people begin to say that you have beautiful hair, it's either because you have done something to it to draw attention, or that person is just

admiring what God created if you didn't do anything to draw attention. That person's admiration is between the person and God, because some Africans admire the hair of their foreigners and now they are desiring to be like them, this is sin, this is why I said the admiration is between the person and God if you did nothing to draw attention to your

I am not saying this for you to start wearing cap in the church, I am saying this to open the eyes of your Heart, to truly know the Heart of God always. Now a woman or a man can choose to cover their head with a cap or a cloth for a reason known to them, but if this cap or cloth draw attention of others to desires, then you have also sinned.

If God commands you to wear a cap, who AM I to speak against you? And if God commands you not to wear a cap who AM I also to speak against you? I am not speaking against you; I am here to open your eyes to the Truth and there is no Truth greater than knowing the Heart of God. Because God can do this and do that and if you don't know why He does this and that, you will end up fighting against God by fighting against or rejecting His will.

Pay attention, Apostle was speaking about order of Authority, that a woman is subject to the Husband and the Husband is her Master. After saying all these using hair as an illustration, then he said;

But if a woman has long hair, it is a glory to her; for her hair is given to her for a covering.
[1 Corinthians 11:15]

How plain were his words! He said, the hair of a woman is the covering of her head, not to cloth or a material, no, the hair of a woman is the covering of her head, these were his exact words. Why then are many of you misbehaving, saying that Apostle said women should always cover their head with a cloth. Your hair is your covering, if you have lost your hair, it's also no problem, and if you want the cover your hair with a cloth, before as you do so.

You are good at picking the letters but you don't even know why the same Apostle Peter and Apostle Paul says no one should wear jewellery, if you cannot know the reason why they say so, if you cannot know why jewellery is a sin, you also cannot understand many words of the Apostles of Jesus. They all spoke one Voice, in different ways. Here I am revealing your heart to you that you're like the Pharisees who love the letter, but does not love the God who inspired those words. Because if truly your heart is love, you will not only see the letter, but you also will depend on God to know the Heart of God behind all things

One of the problem with the church is "imitation." There are somethings you should not imitate unless God commands you to, because some things are a command from God to a certain person or a certain people. In the days of old, monks shave the centre of their head, but you don't want to shave your head and so you put a small cap. Why don't you shave your heads? The shaving of head, it is between them and God not you. If God commanded a person to wear Carmel skin and leather belt like John the Baptist, that is a command from God, it is between the person and God. if you go on to copy the person, you have sinned and if you speak against the person you also have sin.

Now if God commands a person to wear the robe of a bishop as you see today, that is between the person and God but you who is copy it, did God told you so? This is where you have sinned against God because you are copying, imitating a command that was not meant for you, these kinds of special commands of God all representative something in the unseen realm and if you imitate or copy when God did not command you, your are simply claiming what you are not, in other words you are a liar, and because it is a sin against the spirit of God to represent an office of God in a way God does not want you to or to pretend as if God has given you that offer by dressing or acting in such manner this is s great sin.

You love to copy what is fine and what gives you a good feeling in society just like the Pharisees, but why can't you copy John the Baptist by wearing camels skin and leather belt. Then you'll you, your sinful heart. Elijah wore a Animal skin and a belt and John the Baptist who came far later in the future and wore the same, without copying Elijah, it was a command of God. So if today I dress in precious stones like the priest of old, if God commands me to do so, if you speak against me to fight against God and if you imitate me, you also have sinned, because: wearing Jewellery is a sin (pride) and secondly you are imitate a position God never gave to you, a liar

Do you understand your sins? If you understand your sins, this is time for repentance, because so many of you are guilty of sin against the Spirit of God, you on your way to the lake of fire and you think you're in the way to heaven all because you still have the spirit of God or because God speaks to you face to face. Do not preach against People preach against sin, preaching against darkness, preach against people only when God has told you their sin. If I say wearing of ring is a sin which of course it is, I am preaching the Truth, but when I began to directly preach against a man whom God commanded to wear a ring for according to His Divine Purpose, then I have committed a great sin. Do you understand?

If God commands you, every act of God Is Love which creates Life, but the ways of men are easily corrupted because of the fallen nature. So be careful, preach against sin, preach against the lie, but preach against a person only when there is a sin God has shown you in that person, and be careful to know it is God who made it known to you, because if it is God He will also tell you why it is a sin

Pertaining to jewellery - It's not all about the jewellery, it's all about the sin (darkness) of self which your desire for the jewellery created in the heart. The only purpose of many wearing Jewellery is for self satisfaction, and to boost their confidence, to feel good and accepted or special… whatever it is, all is self satisfaction, this is not the main purpose of jewellery. Only God has the right to decorate a person with precious stones or jewellery, because it is a reflection of love He has for the person and it is also a reflection of how much of Him the person has become, you your spirit can be decorated by God, but the jewellery you accepted, who told you to wear it? You did so for self satisfaction, this is the sin.

God commanded the priest to wear precious stones because they all have meaning and represent something to God - not to man, but to God. But yours is "self," even your marriage ting is also self satisfaction, you just wear it because people are wearing it. Rings, jewellery are not for man (humans), because men (people) do not know the real purpose behind them.

The people who use dark powers, they wear rings and jewellery for the use of dark powers, they don't just wear it. if these people know that jewellery represents spirit (unseen forces) and connects you to them like a bond so they can use you to unleash their powers and control in this realm, if they know this, why then do you think jewellery is for fashion or to feel good or for marriage, no! In the unseen realm, every jewellery have their purposes, and there is a purpose behind every precious stones the priest of Israel wore. God's purposes Is Love, creating life, But yours is for self satisfaction, this satisfaction of self is the darkness in you.

Every form of jewellery is a bond, keeping you chained to a spirit (unseen force) be it light or darkness. Every form of jewellery is bond they connects you and makes you become merged with a spirit (unseen force) be it light or darkness. This world is not neutral, if you accept a jewellery as your property and it is not a direct command from God for you to do so, they jewellery will become a chain, keeping you chained by darkness and it will become a bond, merging your soul (the real you) with a force of darkness.

Nothing is meaningless in this world, everything represents something, and so because your wearing of jewellery is not commanded by God just like the priest of Israel, yours is a sin, because it is self and not love. Every act of God Is Love [a purpose that creates life, this is why your wearing of jewellery only causes self adoration (worship) and envy, jealousy greed because it is not of God]

Your purpose of wearing Jewellery is for "self," drawing attention to self, or to feel good and confident, whatever it is you do in this body to draw attention of others to desire you, you are actually receiving glory to yourself from men (people), you are actually allowing men (people) to worship you when you know you are not God. You are not God, why should you give Glory to yourself by loving your own idea and feelings more than God and why should others give glory to you. This darkness in you overflows and corrupts the creation like a poisons substance flowing out of a vessel, this darkness in the heart corrupt the creation, the second coming of Jesus is to clean the creation of every corruption. And those who do not repent shall be destroyed, so that there shall be not more darkness. Every darkness have a source; "The hearts of a person," is the source of all darkness

Remember, every jewellery represents a bond, even if it is something you bought from the candy store, as long as God did not directly command you to wear it, you will definitely become chained and bound to darkness, because you can not be neutral, as long as it is not God's command, darkness will take that place. Darkness has not been completely destroyed from the realm, and so anything you do or whatever desire of your, easily attracts dark forces, that desire or motive of yours is not pleasing to God

Yes, we were saying: the Bible is God's Word because it is put together by God through men, and because this can only be the act of God, every word in that book carries the Spirit of the True God (The Lord Jesus) who puts it all together through men. God spoke through His people and to His people and men also wrote, but because God Is the one who preserved and put all the books together through men, it makes the Books to carry the very Spirit of God. And the Spirit in every word can only become real in you when you stay with the word of God, not 'read,' but rather 'stay,' this is relationship.

To 'read,' is 'information' and information does not change a person, but to 'stay,' is relationship with the Spirit 'Jesus' Who Is 'The Word' and it is His Spirit that changes a man into Love (God). Like a pregnant woman with a child, when you give attention to that spirit, (not the words), when you give attention to that Spirit behind the Word (God who came as Jesus), the very Word will give birth to the Spirit of God in you and as you continue to give more attention, as you continue to stay in the word, the Spirit will grow in you, and change you into the very Spirit

of Love (God Himself). To stay in the word is to have a heart which knows that; staying in the word is in reality taking in the very Life of God.

To stay in the word is to have a heart which knows that; giving your full attention to the word also is giving attention to God and as you give attention to God, He draws you closer and closer to Himself and as you're drawn closer to Him, you're being changed into His very likeness because you can't draw closer to God unless you become more of God.. it's like fire and paper. As a paper, for you to experience God you must change into that Fire

Many people read the bible but they don't stay with the Bible. To stay, is Love, even if you don't know how to read, if you stay with the Bible with a heart of love that knows staying with God's Word is staying with God and staying with God changes you into His very being, you will become and experience Love (God). And that God, The Lord Jesus will reveal Himself to you

Love creates life, Love does not destroy, Love only destroys evil, when evil refuses to become Love; this is not the work of man, but of God. When you see man destroying man all in the name of a better tomorrow, then you know these men, such people have become destruction itself and they shall be destroyed by God. There are so many evil spirits (evil forces) in the earth, and these are they who do not have love and also hate the very ways of God and the Truth

The first vision every person has is to become Love (God), the more you ignore this vision by ignoring your conscience or your inner being, the more it will no longer look real to you. And what is not real to you cannot become possible. This vision to become Love (God) is given to every man by God, that's why if you refuse to become Love, you will want to become God in your own way and wherever you find yourself you will want to act as god, even In that little place or position of yours, you will want to act as god, but because your heart is not love, you will always create more problem and destruction.

We'll say again: the first vision every person has is to become Love [God], the more you ignore this vision by ignoring your conscience or your inner being, the more it will no longer look real to you and also the more evil, wicked and destruction you'll become; this is why as little babies grow into adults, many of them become more like wicked beast, demons, evil spirits (beings) without feelings, emotions or conscience, this is because they are not shown the ways of God and also they wilfully gradually distract themselves from their inner being and began

focusing on the outside. When you begin to focus more on the outside and only about how to satisfy your body and your selfish pleasure and desires, I tell you the truth, you will become like a machine which can never love.

When you choose to forget God Who Is your Creator and when you choose to forget your inner being, you will become more like a machine of destruction because the more you ignore your inner being, you can no longer be corrected by God, and where there's no correction, there's destruction. Look around you and also look inside of you and you'll know these words are Truth.

Parents, giving your children to programs and medias that can never teach them about God, be careful. When you distract your children from God, a time will come when they'll rise up as heartless beasts to destroy you, unless they wilfully choose to become like Jesus. If not you'll reap what you sow.

The human body is a machine, the inner being Is your spirit… for the sake of those who don't believe in God, we'll use different terms in reference to the Spirit for them to understand

Yes, The human body is a machine, while the inner being, that unseen force which you call your 'will..,' the one who makes decisions is your 'will' and your 'will' is that unseen force which is called your Spirit. That unseen force or being which is called your "spirit' is the 'real you.' The unseen being will remain unseen to you unless you believe in the unseen or when this body of a machine is dead, then you'll know what reality really is..

This life that looks so real to you is only a shadow of reality, is like a man in a machine, the machine is not the real man, He only uses it to complete a task. Same way, this life that looks so real to you is only a place to prepare for your True reality which have no end. Your heart towards God in this realm of day and night will determine your Eternal state of being of your spirit (unseen force). The human body is a machine prepared by God for your Spirit to use as a tool to determine your future which of course has no end. Everything you go through and everything you experience and everything around you and in you will either make you become more of Love (God) or more of darkness, the choice is yours.

The inner unseen being is the real person, this is the one who makes decisions whenever choices are presented in the mind by the forces of God (God's spirit) or the forces of darkness (satan and yourself, your body). Your thoughts are not your own, but your choices, your decision is yours. Your thoughts are not your own, but you, your inner being is the decision, the real you is what you call "decision,' the 'will." The unseen inner being is what people who believe in God call 'spirit.' Your thoughts are not your own, the spirit makes the decision, the Spirit you give

more attention to will be the one that'll take over more and become the loudest in your thoughts and in your heart. The more you think of purity (God) the more your thoughts become pure, the more you ignore God, the more your thoughts become something else not God, you'll be driven and controlled by dark forces.

When you begin to pay more attention to this machine called 'the human body' and when you begin to pay more attention to the outside and you forget your inner being.. when you begin to focus more on what you want to achieve more than what God wants your inner being to achieve (become), I tell you the Truth, gradually this machine and also dark forces will take over your inner being (the real you), and as it does, your inner being, your unseen force, your spirit will become more darkness and destruction, then you'll find yourself with bad habits, more bad characters and also you'll become more like a terminator machine with no love, no emotion, all you want is to satisfy this machine and your pride (self) which can never be satisfied.

The more you focus on satisfying this machine called the human body, the more you'll find yourself become more of suffering and misery. But the more you satisfy your spirit with God, even this your body will also benefit and be at peace.

When we begin to see as God sees, when we begin to see what God is seeing and not what we want to see, then the world will become a better place. Many think only of themselves and they claim they're thinking for the better of tomorrow. They are so much focused on their own ideas more than God, they love their own ideas more than people, that's why they are ready to sacrifice people for the sake of their own ideas, if the lives of people have to be sacrificed for the sake of your own idea, if innocent lives have to be lost for the sake of your own idea which can never come to pass or which can never last, then you know your heart is not Love.. everything will vanish, even you, you yourself will vanish, but only Love shall remain, if you must remain, then make your heart Love.

A wicked person is the one who says 'let's sacrifice others for the sake of the greater cause.' But I tell you the Truth; the one who is 'love' will sacrifice Himself for the greater cause just as God did when He came as the man 'Jesus Christ of Nazareth.' If truly your ways are pure and Love, you will sacrifice yourself not others. And I tell you the Truth, the one who sacrifices Himself is the one who shall make all things beautiful, but the one who sacrifices others shall only create more destruction, because already he or she has become destruction, and shall be destroyed by God in the end.

You don't need to spill your blood before you become a sacrifice, Love is sacrifice. Love does not come with sacrifice, Love is sacrifice, Love is a ruler, yet a servant, Love is selfless, Love lives for the other, not self. All who lives only for themselves, prepare! For your days are not long. It takes people to make the world a better place and yet you are destroying people for the sake of your own idea. You're like a man who wants to make a House stand, yet He's destroying the very pillars of that house, I tell you the truth the building will come down on him and he will be destroyed by the works of his own hands and by the evil living inside of him.

If it takes people to make the world a better place and you're destroying people, how then can the world become a better place. If God created people to make the world a better place and you're destroying them whom have done nothing deserving of the pain you give to them, how then can the world become a better place. Human beings are like pillars, Human beings are trees planted by God, only God have the right to remove and destroy because He will replace with another who will bear good fruit.

You! You destroy and you cannot even create a mosquito, you yourself have no beauty in you yet you want to create beauty, it's impossible! You cannot give what you don't have. God Is the foundation, any pillar that chooses to crumble shall be replaced, and any tree that refuses to remain in the foundation, any tree that refuses to depend on God and live only by God and for God, such tree will be cut down and destroyed by unquenchable fire and replaced by another. Is it not written;

"Therefore bear fruits worthy of repentance, and do not think to say to yourselves, 'We have Abraham as our father.' For I say to you that God is able to raise up children to Abraham from these stones. And even now the ax is laid to the root of the trees. Therefore every tree which does not bear good fruit is cut down and thrown into the fire."
[Matthew 3:8-10]

God created every body for purpose, all must depend on God to know why God created them, then the world will become a better place. You're here to make the world a better place by first making your heart, your spirit, your inner being better.

You who is destroying all for the sake of your own Idea, you shall be destroyed, because you are the destroyer of the earth, you are the destroyer of God's creation, every innocent person your destroy, you are shifting creation out of balance, because every innocent person is a pillar, the world you're sacrificing so much to build, will not stand

and you too will not stand because you the wicked, those who think only about themselves shall be destroyed by God, for they are the destroyers of creation. For the sake of creation they shall be destroyed by God and so it shall be…. Already you're experiencing that destruction gradually in you and you know, you know! You can never deny it. God made your destruction to be gradual so you can change your ways, but if you refuse, your destruction shall be complete and without end.

People begin to increase in the earth because it is the Lord's doing to raise those who will take the place and do what others fail to do. If you fail to create the beautiful future God wants you to create, He'll raise others to take your place.

You are here to make creation better, this is why generation comes and goes, because God is finding someone who will do what He has created him or her to do, and also do what others failed to do. When you live your own life, you'll become miserable in this life and in the life of the unseen forces. But when you live as God wants, I tell you the Truth, even in this life, this body of a machine will have peace and the unseen force, your spirit will become as God.

Unless the unseen force becomes Peace (God), your body can never ever! Have peace. Rest is different from peace, even though you have not experienced peace, deep within, you long for it as an astronaut longs traveling into space, he knows it's out there but He has to pay the price to know how to get there.

Always remember, the spirit, the unseen force controls the physical world. Those who must be in control must become Love (God) Whom cannot create darkness (destruction) but only Love. Every act of God is Love, when God kills, it's an act of Love for both His creations and also for the one He killed. If God destroys, it's also an act of Love to create beauty. Are you love? Why did you do what you do? As a security or military personnel why did you kill? Whatever you are, whoever you are, what is your motive?

You who wants to become like a god in the earth, you want to control men and creation, but you yourself you don't want to make your inner being a place where everyone can find love, you want to be like God, but you yourself don't want to become a servant who gives his life for others. If you cannot give your life for the sake of others, you are not worthy to be a ruler. Till this day and till forever God Is always a servant serving His creation, but He can never be controlled and influenced by the creation to become evil and corrupt, because God Is Love and Love can never be corrupt. Every act of God is Love, Every act of God is Love! What about you, are you?

Repent!
Change your heart into the Heart of God
Change your spirit into the Spirit of God.

The only way to become like God is to have the spirit of Jesus (God Himself) who came as man. And the only way to have His Spirit is simply to genuinely desire to become like Him, in whom there is no sin, fault or errors.

When you genuinely believe it is possible to be without fault, and when you genuinely desire to become God, then He will give you His spirit (unseen force) to help you. He only gives His Spirit to those whom genuinely desire to become Him. You don't need say any prayer, only believe, the thief on the cross did not say any prayer of repentance, he only believed (desired) and if truly you believe (desire), you'll believe Jesus is God Who came as man to show you the way to the Better Life and you also will believe it is possible to become exactly as He Is in whom no sin, and you also will genuinely desire - you will not have rest until you become perfect as God Is.

Man can never have rest until they become God, for this is what they're created for, any god that cannot create life of beautiful nature and character, such is not god but a being of darkness.

You can deny God, but you cannot run from yourself. God has created every man to become God. And you can never have rest until you become Love (God). No matter what you do, no matter the life you live, as long as you ignore this desire of God, as long as you refuse to become Love, you will never have peace, never, ever! You can do everything to kill time, you can do everything to keep yourself busy, you can occupy yourself and distract yourself with pleasure and achievements, but you can never run away from yourself. You can never run away from Truth, you cannot run, and if you refuse to do what God wants you to do, you must do the opposite, and this will be the beginning of you becoming destruction.

When you genuinely desire to become Love (God), He'll give you His spirit to help you, to teach you, to show you the way, to perfect your inner being. Pay more attention to your inner being, for that is where the spirit of God shines His light to correct every darkness (nature, character not of or less of God) in you and that also is where He speaks, making you understand purpose of life, the mind, the Heart of God.

If you do not desire, He will not come to you, this is why many say 'there's no God!' and this is why many who believe in God still remain the same and even become worse, because they do not truly believe it is possible to become exactly as God who Is Love and in whom no fault. God will not show Himself to you because you want to

see Him, no, God reveals Himself to those whom genuinely desire to become perfect, and He also gives them His Spirit to dwell in them. This is how the old (bad)nature of person is erased and replaced with God's

Almost everyone wants to get something from others, True love pays attention to others, not to get something from them, but to reveal love and to make their spirit and their life more beautiful. When you give attention to others all because of what you want to get from them or what you want to use them for, I tell you the Truth you can never get what you want and you will always remain a slave to a force of darkness. You can get, but you will never get, think about it.

When you have the Spirit of God, He'll give uncontrollable love, hunger for the word of God and for the Heart, desire and mind of God. Every breath of your life will be spent desiring to know how to become more of God. And you'll get what you desire.

A man of purpose, a man who truly knows God, his entire heart and his entire life is focused on how to become Love (God) and how to reveal Love to others (creation). And when you truly seek 'how' God will put you in a special class and teach you His ways and take you on a journey to become perfection (God Himself), He will use every situation, He will design and pattern your life, He will use every creation and He will use your own body and your entire being to teach you, to change you into Love (Himself). This is a personal journey.

You can see me quiet or doing something, you can see my face, but on the inside am on a journey with God, "I and God." And I'll see God in everything that I may become as He Is, I will see God in everything - I mean, every second of my life is used by God to change my inner being into God as I learn His ways. I will focus on the inside, pay more attention to see what God Is using to speak to me, to teach me, to reveal Himself to me and how He wants to change me into Himself (perfection)

You see me smiling, but on the inside; I'm lost in God.

The questions going on in my heart is not a question but it is in actuality a life, to the human body it is a question of words, but to the heart, to the spirit, it is not a question, it is a life. I only put them in human words to try communicate this to your mind, but those who truly love God will pay attention and their spirit will know and experience that which is in my heart. My entire life is focused on these questions life

- What
  Why
  How
  When
  Which

The one who constantly asks God these questions to know God more, such will become more like God. Always ask God in your heart:

What are You saying? What do you see or what is Your Perspective?

Why is it so? The one who asks 'why' will be used more by God to save other. Jesus did not die on the cross because He knows we are sinners, no, Jesus came, showed the way and died on the cross because He knows why we are sinners. To know "why" is greater than just knowing. To know 'why,' is true love, the one who desire to know 'why' truly loves much and shall become so much like God and shall be used by God to restore others (creation).

To know 'what' is very shallow, but to know 'why' is deeper and such is Love. To know 'why' is to dig deeper, to have full understanding and the root of all things. For instance: I can tell you to give me a cup, but yet you don't know why I told you to give me the cup. I tell you the Truth; to know why I told you to give me the cup is far greater than your obedience in giving me the cup. To know 'why' is to dig deeper. We'll say again: to know 'why' is to dig deeper. This is Love

How: When you know 'why,' you'll ask how? First it must begin with you; what am I truly created for? Why am I created? Why I'm I in this current position? How can I become all God wants me to become? How can I become perfection? As you begin to seek 'how' God will show you how. Pay attention, pay attention to your heart and your conscience always, always, at all time, for God speaks to the heart, and He's always speaking to the conscience.

These words are coming from my Heart where God speaks, but my conscience, my conscience, is the place where God always shines His light to guide me and to correct me, unless you're corrected, you will be lost, completely lost. Pay attention to your conscience. So many Christians are lost, they pay so much attention to Jesus but they ignore their conscience, the place of correction and guidance. You can be following Jesus, yet you're lost because you ignored your conscience

When: has to do with time, don't ask God 'when' so often, so He will not become angry at you and discipline you, because whenever you ask 'when' too much, you are becoming selfish, your desire is now beginning to create an urge, a restlessness because of your impatience and impatience is a sign of wrong desire or wrong motives in a person. Your desires have now become your god, instead of God. When you are so much concerned to know when, it is a voice telling you that you love your desire more than God.

Which: is directions.

Change yourself first, then as love begin to grow in you, you'll find yourself beginning to become like Jesus who came and saw and was greatly moved by love to restore His creation. Then you begin to ask the question 'what went wrong?' Why is men and creation like this? If one does something bad, you will not just point out the bad, but instead you will be so much focused to know why he or she did such a thing. You'll ask 'why did he do it?' It is easier to call a criminal a criminal, but not everyone bothers to ask why he is a criminal. It is easier to point out sin, evil and mistakes in a man, but not everyone wants to know the root. If we know 'why,' there I'll not be so much evil, because we'll become a perfect tool in Hands of God to save, to restore.

Do not rest only on this, these are but shallow words, for human language cannot communicate perfectly the Heart, the mind, the will of the unseen being (the Spirit). But if truly you love God, I can speak or write just a word, and just that word will take you deeper in God. If truly you love God and pray and pay attention, I tell you the Truth, you also can know what is in My Heart, you also can know My Heart, my ways and my life without me physically communicating to you.

The main purpose of the way (the Word the Spirit "Jesus"), the Holy's spirit, (The Spirit of the Holy God) and that being, that spirit which Jesus called "the Life," is not for you to enter Heaven, but for you to become perfect as He Is. When you become more of God, your life will naturally become heaven.

Heaven flows from the heart, if God Is not Pure, there'll be no heaven, think about it. You can make your heart become Heaven or hell fire, the choice is yours. The earth is becoming more like hell, because the hearts, the inner being, the spirit of many already is hell fire. The main purpose of the Holy spirit is to help you become God… not to win souls or whatever, when we become more like God, naturally we will create the perfect will of God, we will become the creation of His will. Our rewards for following Jesus is not mansion, our rewards for following Jesus

is how much of God we have become. A house does not make a president into a president, what makes him a president is the president he has become

The Holy spirit is given to help you become perfect as God Is, He'll teach you, guide you, correct you, protect you, He'll teach you His ways, He'll help you to think, speak, act, live as God. He'll give you a purpose, what He wants you to become, He'll help you to draw closer to Jesus for Him to reveal Himself to you and what He wants you to be in Him. Think about it, you are not the creator of yourself, what then makes you think what you want to become is what's best for you, you don't even understand yourself, that's why you will always be confused, only God can make you understand yourself.

You're not God who creates tomorrow, yet you live as though you're God, what make you think you'll see tomorrow when you're not following the plan of God, those who are in the plan of God are not blind, but those who follow their own plans are blind even though they claim to see and they will definitely fall into an endless pit if they refuse to accept they are blind. Those who acknowledge they're blind, these are the ones who truly see. Because they live in God and through God. Every child wants to become something, the same way Jesus wants us to become what He wants us to be, even you, you want others to become something to you, for your own selfish desires just to use them or gain from them and dump them, but Jesus wants you to become what He wants you to be for your own good.

God does not want us to become what our parents wants us to become, He does not want us to become like the cartoon we watch, He does not want us to imitate men, but to imitate His word and His Spirit. Do not imitate the world, rather imitate the Word (Jesus). God - He wants us to become what He wants us to be in Him, He wants you to become God so you can save and create Life and above all - to have a perfect relationship with Him. God created man to become God, so that God can have perfect relationship with God. As He said "let us create God."

When the vision of every man becomes this as it is written in this book, then creation will become a better place Heaven. When My vision becomes your vision, then creation will become Beautiful

You can not make the world a better place if you yourself cannot make yourself, your heart, your inner being a better place where all can find love and rest… not security, but love and peace. You cannot give what you don't have, even nature tells you that. If your heart, your inner being is not beautiful and sweet, you can never create a world of beauty and sweetness, never! Stop deceiving yourself. If you reject The true God "The Lord Jesus," you

also can never become like God Who creates perfection, never! Because to create perfection, you must first become perfect. If you cannot depend on God to change your nature, character, behaviour and habit into that which is sweet, beautiful and pure, you can never make creation a better place.

Make your inner being the better place, then God
will use you to make His creation a better place. Make your heart, your inner being beautiful then God will use you to make His creation become beautiful. Because those who are seeking a better tomorrow are not willing to bow to God so He can help them become perfect, He will have to destroy them, because their presence here on earth is corruption and destruction to His creation.

For the sake of My creation, I shall destroy all who destroys the creation, because their heart, their inner being is not beautiful. And that ugly, wicked, rebellious and destructive force inside them, flows out of them to corrupt and destroy My very creation.

This is why the ancient days are more better than these days, because their inner being is more pure than that of those in this present generation. Life is not created to expire, because life came out of God and God cannot expire, when you see Life expiring know then it is the dark forces in the heart of men destroying the forces of Life in the creation. Life cannot expire, it will only become worse, and because life cannot expire, to prevent Life from getting worse, all who refuse to depend on God to change their inner being to become sweet and beautiful, they shall be destroyed, then the creation shall be restored back to perfection as the pure forces of Love in the inner being of those who love God flows out to bring life back to creation. This is the second coming of Jesus.

The inner being of a man can be like an industry creating bad and poisonous forces in My creation, However, the heart, the inner being of those who Love Me, the inner being of those who depend on me to become Pure as I Am, they are like beautiful garden that overflows with Life, erasing death and restoring life

If you don't know why God create what He created, you'll continue to use what He creates to destroy what He has created. Yes, you also are a creation of God, and if you don't know why God created you, you will continue to use yourself to destroy yourself and others (creation)

You don't know who you are, because you're not staying with God for Him to show you who you are, unless He shows you who your are, you cannot know who you are. And when He shows you who you are, you'll be just like God Who Is The Saviour of the world and The Creator of Life

You can never change creation by the works of your hands. The works of your hand will only destroy creation the more, because they are not of God (perfect), you can only make creation a better place, you can only make creation become Heaven, you can only make creation become beautiful by depending on God to change your heart, your spirit, your inner being into the sweet and beautiful nature of Love God (Himself) then that pure force of love in you, that Spirit.. Love in you will flow out and restore the creation back to perfection. God created all things perfect, it is the dark forces in the inner being of men that changed everything. The only way out is for pure forces of Life and love to flow out of men, then the earth will become like a dying plant which returned back to life and grows into a tree unbelievably beautiful and full of life

This is the only way.

I Am The Life; I shall restore My creation by changing the hearts of men and turning them to the Truth. All who refused to be changed, all who refuse to become Truth shall be destroyed because their presence here on earth is a corruption and destruction to My creation. Yes I shall destroy even My own people who have the Holy spirit, but hate or ignores the Truth.

Anyone who rejects or ignores even a dot of the Truth, anyone who rejects even a dot of My desires, I shall destroy them all, even though they believe in believe in My Name "Jesus" or have The Holy spirit. I shall destroy them because the presence of darkness in their inner being as a result of their wrong motive and desires which are not mine are destroying My creation... then they shall know My Word Is Truth when I said "I know you not, you who have My Spirits but hate My life style and My desires.

Anyone who is ashamed of My life style, I shall be ashamed of them. Anyone who rejects or ignores even a dot of My Truth and My desires has become My enemy and I shall fight against all who fight against My will, I shall destroy all who reject Love, Yes! For the sake of My creation I shall destroy them, then my creation shall be restored back to perfection as it was in the beginning and all things shall become new and beautiful

This is not religion
This is Love (God)
