DEDICATION

This book is dedicated to the **HOLY GHOST** for inspiring me to write this eye opening book.

APPRECIATION

My appreciation goes to my dedicated wife, **MRS NGOZI OLAYERI,** who typed the manuscript of this book and designed the cover page. My darling wife I say thank you. My appreciation equally goes to my lovely children, **MISS IBUKUN, DAVID, MICHAEL COMFORT and MERCY.** They encouraged me day and night as I write this book

Respect and honor should be given to who is due. Favor comes from God and men as well. My calling (writing evangelism) met the timely support of a particular man of God, preacher, teacher, prophet and General Overseer. He awakes my inner man and gave me sound spiritual support. Without his earlier support for my first book, **Fire for Fire Prayer Book** and subsequent ones, I may not be where I am today in Christian literature writing. He gallantly stood by me in fulfillment of my calling.

This book you are holding is a testimony of my claim. This book wouldn't have seen the light of the day, if not for the spiritual encouragement I gathered from my father in the Lord who served as spiritual mirror that brightens my hope to explore my calling.

I am talking of no any other person than the **General Overseer of MOUNTAIN OF FIRE AND MIRACLES MINISTRIES WORLD WIDE, DR. D. K. OLUKOYA.**

Once again, I say thank you sir. Your support has yielded yet another earth shaking book.

THANKS.
Evangelist Tella Olayeri.

PREFACE

Strange women are monsters that reduce marriages to the valley. They pretend to be good but are wolves in sheep clothing. They are desperate, set to unseat legal wives from homes. They are heartless women in search of marriage to consume. They are dangerous fellows that specialize in breaking homes. They seize men with diabolic powers, only for such men to develop strange behavior to their wife at home.

The fact is, no man goes to strange woman and come back the same. He either loses spiritual strength, finance or both. Whenever a man goes to strange women, loses are recorded. Home front is affected while he is fed with false laughter and smiles from women outside.

Often our greatest times of disappointment come when someone fails or hurt us deeply. Such person may be a known or unknown person to us. Sometimes the strange woman in the life of your husband may be a known person like your friend or someone that live in the neighbourhood, while most times you don't know her. At times, the person who hurts you may be your in-law, who arranges women for your husband.
No woman prays for strange women to come into her marital life, the fact is, it often happens. Therefore as a woman, learn how to stand in the midst of overwhelming circumstance that come without warning, strange women inclusive.

Whenever you battle through marital crisis and won, you felt relieved, pressure is off, worries subsided, wounds are healed while pains and sadness are gone. Hence, you pray for permanent comfort to replace past worries.

Many marriages are sinking and falling apart because they tread in the hands of diabolic powers and personalities. Such marriage eventually experience pains,

uncertainties, strives and frustrations. The fact is, challenges and miserable times teach you a lesson or the other. This time you shall experience the Lord's presence in a deeper way.

Our God is a Redeemer who redeems all things including marriage which you think is going sour. Marriage exposes one to multiple life flows. In it you experience difficult, physical, spiritual, mental and emotional challenges. It is high time you pray to God for vision and right step to take from stepping into darkness.

Our God is marvelous and wonderful. He straightens our walk to right destination, if we trust in Him. If you are on a crooked path, He will make it straight. If you head for a wrong direction, He will turn you back from evil. At last, you shall see light at the end of the long, terrible dark tunnel troubling your marriage. I pray that every darkness, depression, fear, anxiety and despair troubling your marriage shall be cleared by the heavenly light. Amen.

Life can never consistently live up to expectations, there will be times we experience disappointment, so is marriage. Imagine when your husband chooses another woman outside marriage; the feelings shall be degusting and frustrating. At such time, it may flash through your mind to go into alcohol, pick up quarrel with him, nurse revenge or seek other man's hand. The fact is, all these won't solve issues except you seek God's face as your comforter. Therefore, seek Jesus who gives relief in the face of complex situation.

It is high time you pray like a mad prophetess or like a wounded lioness aiming at building solid home. Pray and transform yourself to a dreaded woman in the spirit against powers holding your marriage captive. Save your husband from hands of strange women as delay may be dangerous. Hence, use this book to liberate your home from dark women with dark intention

This book shall give answer to multiple questions about prayer needed to clear marital coasts of unwanted guests called strange women, mistress, concubine etc. It gives solution to how to dissolve stony heart of so called strange women. Thus, relief is finally found after a long search for solution, as strange women shall hands off your marriage.

The prayers raised in this book are not ordinary; they are raised to address each chapter for result. I advise you read through the book first, praying the prayer points written at the end of each chapter. Thereafter, you shall pray ALL PRAYERS in part two of the book.

It is better to set some days apart to pray prayers in part two of this book. Part two has five hundred (500) prayer points divided into sub-headings. It is good you go into the prayer with fasting. Your length of fasting depends on the seriousness of the issues at hand.

I pray, as you read through, whatever may have caused challenge in your marriage shall seize, while you fall back on track of marital bliss. Amen.

We must not fold arms in the midst of battle. The life is battle itself. We need to pray and cancel decisions of darkness against us. We are born to win not to lose. Many times we lose out because we don't know how to pray or go about challenges we face.

Also, you must know how to claim and retain what God gives you, called destiny. You must not be robbed!

Brethren, your case is not close until you decide to close it. Don't give up, fight on in faith, you are born to win. Be violent in prayer. The degree of your violence in prayer determines the victory that awaits you. It is time you count spoils not loss, triumph not defeat.

I have some free books for you to put fire to your prayer zeal. Pick them and inform others. Try and share your experience with five to ten people. You may be the one God sent. Don't leave them outside prayer war room.

THANKSGIVING AND PRAISES.

In everything you do, give thanks to the Almighty. Let thanksgiving fill your mouth, give thanks in every breathe you breathe; give thanks every moment. In thanksgiving praise God. Praise God in words of mouth or in songs, so is thanksgiving. You can thank God while on seat, on stand or on your knee. The same applies to praises. Praise the Lord! Open your mouth wide and praise Him.

THANKSGIVING

Thanksgiving is closely allied with praise to God. Thanksgiving is an important element in Christian prayer. Let your entire life be a sacrifice of thanksgiving in gratitude to God for his mercy and his daily provision.

Give thanks to God for his goodness and love, his perfect righteousness and just character, the new life he gave to you and your marriage; his deep personal care for your life; his provision of strength and necessities for each day, his guidance upon your life etc.

In the light of the Holy Bible, we thank God for following reasons:-
- For God's goodness and love. 1Chronicle 16:34.
- For God's wonderful deeds. Psalm 75:1.
- For God's protection. Psalm 56:12-13.
- For Salvation. Psalm 118:21.
- For daily provisions. Mathew 14:19
- For Faith, hope and love. Romans 1:8.
- For God's grace. 1Corinthians 1:4.
- For healing Luke 17:16.
- For victory over sin and death. 1Corinthians 15:57.
- For all people. 1Timothy 2:1.
- For everything. Ephesians 5:20.

In sum, we ought to be thankful to God in all circumstances.

PRAISES

With praise you talk of the greatness and goodness of God. Praise is an important element of Christian prayer as we focus our attention on God and tell Him how awed we are at his majesty and glory. One common way to praise God

is to burst forth in music and song using the medium in our possession, our voice singing and dancing with open heart to God. Praise God with what you say and by how you live. Praise God by witnessing to unbelievers. Praise God as you acknowledge his greatness, his holiness and his wonderful acts and saving love to mankind.

There are reasons to praised. They include:-
- God's greatness. Psalm 145:3
- God's splendour and majesty. Psalm 96:4-6.
- God's glory. Psalm 66:1-2.
- God's holiness. Psalm 99:3, Isaiah 6:3.
- God's acts of power. Psalm 150:2.
- God's marvelous deeds. Isaiah 25:1.
- God's glorious grace. Ephesians 1:6.
- God's benefits to his people. Psalm 103:1-18.
- God's deliverance of us. Psalm 40:1-3.

In your marriage give thanks to God. Thank Him for sparing your life, husband and children. It is because you are alive you know of the existence of a strange woman or strange women in the life of your husband. If the arrow fired against you materialized you may be in the grave by now. But for God, you are alive, therefore praise Him and give thanks to Him.

Give praise and thanksgiving for what He did in your life in the past, today and what He will do in future. Praise Him in advance, I say praise Him. Thank God for the wonderful expectations in your life, your marriage and your household. Thank God for victories you recorded so far in your marriage. Name them one by one as a sign of appreciation and thanksgiving. Thank God for preserving your marriage from collapse. Praise God for disgracing strange women out of the life of your husband. Thank God and praise Him for making you to be above and not beneath. Thank God for His love and grace.

Praise him all day long, in public and secret places. In the midst of people and when alone praise him. The Lord is happy concerning your praises. With praises, Satan and his cohorts shall turn their back and fled. You are a champion, Praise Him, give thanks unto the Lord.

Let's go into praises and thanksgiving in prayer. Now let's pray.

PLEAD THE BLOOD OF JESUS AGAINST STRANGE WOMEN.

Blood of Jesus is a generational spiritual weapon Christians seldom use. Spiritual efficacy behind blood of Jesus is tremendous. There is power in the blood of Jesus. If the blood of Jesus has not been shed there would be no deliverance from the grip of the devil and his agents, and we would all have to live and die in bondage and be lost forever. Blood of Jesus speaks of deliverance; it delivers if marriage is at stake. Blood of Jesus can bring peace unto it.

There is spiritual significance in the blood of Jesus. It doesn't give cosmetic solution but spiritual fundamental solution. Blood of Jesus goes to the root of a problem. It is difficult to be defeated if applied to situation. To what extent can it be used, and how can it be applied to situations?

Blood of Jesus can be used as immunity against forces of darkness.
Blood of Jesus can be used to bind powers assigned against a marriage.
Blood of Jesus can be used to loose bondage of any form.
Blood of Jesus can be used to scatter evil gang up against your marriage.
Blood of Jesus can be used to deliver your marriage from evil grip fashioned against it.
Blood of Jesus can be used to blindfold principalities and powers assigned against your marriage.

Every pronouncement of strange women against your career shall be nullified. With proper use of blood of Jesus, strange women shall flee your marriage. With the use of blood of Jesus, every imbalance in your marriage shall disappear. Blood of Jesus has power to cleanse face of spouse of satanic blindness. A wife in prayer can drink blood of Jesus in gap for her husband to deliver him of evil deposit. The use of blood of Jesus can cause barricade against strange women initiated into the life of a man.

When you cover or soak yourself in the pool blood of Jesus and live in righteousness any curse issued against you shall boomeranged against your adversary. The fact is, you are dwelling in the secret place of the Most High, under the shadow of the Almighty where Satan cannot reach you. By this, no weapon formed against you shall prosper and every mouth assigned against you in judgment shall be condemned by the blood of Jesus.

Peace is a scarce commodity in our world today, marriage inclusive. There are peace talks all over the world, but it is the blood of Jesus Christ alone that makes peace. ***"And having made peace through the blood of his cross"Colossians 1:20.*** When Jesus shed his blood on the cross of Calvary he made peace available for all who trust Him. Your marriage is not exempted. Plead the blood of Jesus on your marriage, no one have peace with God outside the blood of Jesus. When blood of Jesus is sincerely applied there will be peace because His is the Prince of Peace.

PRAYER FOR FAVOUR

Favour is a divine power that changes situation. It has magnetic power of love, greatness and unity. Favour means blessing of God upon a man and his destiny, upon a woman and her destiny, upon a marriage and the family. Favour of God means when God decides to look in your direction. It is the grace of God revealed upon a man. It is favour of God that can pull you out of wilderness, where no one would have rendered help. You need to pray for divine favour that is not vain or deceit.

When anointing for favour manifests, it paralyses natural law. It opens every closed gate of blessings, open gate of love, open gates closed against your marriage etc. It is favour of God that grants you access to the inaccessible.

Pray for mercy of God and of men. Favour is not automatic; you must work for it. Really, many receive favour they don't merit. Favour is given to whom God wants, it is not by strength or might you get it. It was favour Abraham received, he was from idolatry background; God defied law of menopause and made him father of many nations. It was favour Moses received, he was a murderer, yet God used him to lead children of Israel out of Egypt. It was favour Jacob received, he was a cheat and a sup planter yet twelve tribes of Israel came out of him. It was favour David received, he was a peasant shepherd, he occupied Kings Palace as a King. It was grace Esther had, she was a girl—orphan, she rode on the wings of favour to king's palace and became first lady. The list is on and on.

It was favour Mary received, she was not the only virgin in Israel, she gave birth to our Lord and Saviour – Jesus Christ. It was favour Peter received, he was a common fisherman, he became the leader of the Apostles. It was favour Paul received, he was a persecutor of the disciples of Jesus, he got converted and wrote the highest number of epistles in the New Testament.

When favour of God locates a person, it takes him from being nobody to somebody. Favour is kindness or goodness done to someone which does not come by right. You need to pray yourself into favour before God because we are sinners. When favour of God is upon a woman, her husband will have no choice but to love her with all his heart.

If you want anointing for favour, don't fold your hands or close your mouth. Pray for it and be a winning ticket in your marriage. With showers of anointing upon your life, helpers shall locate you; your husband shall have no cause to regret having you as wife. When you secure favour, pains of the past shall disappear. With favour of God upon your marriage you shall not experience marital warfare. When favour of God locates you, every strange woman troubling your marriage shall make a U turn from your spouse. Anyone with favour of God seeks and found.
With divine favour, mountains and obstacles shall melt away. Everything moves in proper direction as you expect. Without God's favour a marriage may be grounded. When marriage experience stagnation, it means it is bombarded by strangers, opposition and barriers. But with favour of God, obstacles will be converted to miracles.

When the cripple man got attention of Peter and John at the Beautiful gate he was made whole. Therefore, any cripple spirit assign against your marriage shall die and rise no more. With favour of God, you become a challenge to your foes. Favour upturns mountain by the root. When you flow in the favour of God, you become bank of wisdom.

Close friends, relations and others may hate you, but divine favour of God sweep such under carpet. You may look up and down and wish you were never born, God by his favour shall bring smiles and laughter into your life. You shall triumph over strange women oppressing and humiliating your marriage.

There is hope for you, the challenges you are facing today are for your good, because every challenge will always bring a change. How you handle your situation determines what change you will experience. A challenge in marriage does not arise to consume you or make you mad. Good turn outs shall soon come for you to celebrate.

I prophesy into your life today, no matter how you are forgotten, written off or neglected, I say you shall arise and shine. You shall be a candidate of public attraction and envy of people. Your story shall change. Amen.

When you need to excel in your undertaking.
When you want to enlarge the coast of your marriage.
When you want wilderness to disappear in your marriage.
When powers are busy planning to chase you out of your husband's house.
When occult powers combat your soul.
When peace seize to reign in the home.
When efforts put in place is not recognized.

There are facts you need to know in wisdom. They are tools you work with to excel in life. You can go through them below to equip yourself.

Wisdom is an invaluable gift of God. It is better than gold and silver.

Wisdom is one of the most important virtues in life. It is better than strength or weapons of war.

Wisdom or the lack of it can make the difference between success and failure, victory and defeat.

Wisdom begins with a fear (reverence, respect) of the Lord. It is said, the fear of the Lord is the beginning of wisdom.

Wisdom is the ability to see matters as the Lord sees them, in order to judge them correctly. Therefore, judge not according to appearance but judge righteous judgment.

Wisdom is to rightly apply and then follow the Word of God. It is built upon knowledge andunderstanding of God's Word. We behave wisely when we prayerfully look to the Lord for guidance.

Wisdom can be gained through godly counsel, correction etc; personal experience teaches wisdom as well. Remember the days of old, ask parents and elders. This is wisdom.

Wisdom is a gift of the Spirit, which we can receive by petition to God. The Lord gives His wisdom to those who do not trust in their own.

Wisdom of this world is not the wisdom of God.

Wisdom and obedience to God go hand in hand.

Wisdom connotes prayerfulness and caution. Therefore, seek wisdom.

Every relationship requires sacrifice, your marriage inclusive. Every sacrifice (wisdom) you exhibit has a reward. You must dig deep into the hall of wisdom, warehouse of wisdom and get to its fountain for the best. Let the wisdom you apply be a godly one. Lay down pride in you, surrender your needs to God. It is true you need to be loved, cared for, valued and respected, but you never get those needs met when you demand them. You get them when you give them up! Humbling yourself and putting the other person's needs before your own can resurrect a relationship that has suffered mortal wounds. This is wisdom for you.

When cracks appear in a marriage loss are counted; loss of love, joy, understanding, finance, trust etc. How large or big the crack is, determine steps to take to bring normalcy into the marriage and build fence against intruders. Nothing can turn a marriage back except the restoration of what was lost. Such lost leaves a vacuum in the heart of marriage. Restoration of peace in the home can be aided by power of Holy Spirit; who can soothe our pain, heal our wounds and fill the empty places in our marriage with love and hope.

In the midst of this, don’t lose hope but forge ahead and acquire more wisdom. You can acquire more, if you study living books. Buy and read books that improve knowledge and understanding. It is the fountain of knowledge.

Have fellowship with wise people. Wise discussions deepen knowledge about issues and broaden understanding. The Bibles says, ***“He who walks with wise men will be wise but the companion of fools will be destroyed” Proverbs 13:20.***

Cry for heavenly wisdom for vision. Pray for vision that will move your marriage forward; visions and dreams that reveal tact of strange women against your marriage; visions that will excel you in life. Pray for wisdom. Pray fire prayers to handle situations. Your marriage is paramount. I say pray for wisdom and practice wisdom. I say pray, so that strange women don’t scatter your marriage. Amen.

PRAYER FOR HUSBAND TO DISCOVER SELF.

Your husband is the head of the house. He is the closest person to you of all people. On the day you married, you left your parents and family to a particular man, your husband. Both of you were together before you start procreation. You understood yourself better daily in marriage.

Whatever affects your husband affects you. If he is attacked, it affects you as well. You are directly attached to him. If arrow is fired against his destiny, you shall bare it with him. Things will not go well in the family. Thus, whoever curses your husband indirectly curses you; whoever blesses your husband blesses you as well. If your husband is popular in town, people will point at you wherever you go. If darkness over shadow your husband, it shall affect you as well. If your husband lives a righteous life, you shall have share of it. Whatever he does affects you. If he chooses to be a drunkard, you shall share of the shame and penury of drunkenness. If your husband is afflicted, you are afflicted as well. You are the one that will go around going about for solution, in prayer and consultation. If your husband lives a peaceful life, you will know peace in the house. If he is the troublesome type, you may not have rest in the house. It shall be Police Station today, court tomorrow.

This is the reason you should arise to the situation at hand. Your husband's destiny must not be rubbished by strange woman. There are men whose hearts were 'stolen' by strange women. Such men can best be described as moving corpse. They are not dead neither do they suffer health in balance but dead to wisdom. It is as if such man is out of mind. He hardly co-ordinates issues. Home front is not settle, there is a mistress somewhere that re-motes him. He doesn't listen anymore to domestic issues. The mistress outside home is now in charge. The strange woman in the corridor of his life is in custody and signatory to his cheque book. Before he withdraws money from his account she must know about it. Thus, strange the woman knows in and out of his account.

In the midst of this, his children at home are lamenting. They don't enjoy daddy's companion anymore. He seldom comes home, and when he does,

fatherly care is not felt. He doesn't inspect class tests or report cards of his children. "Even daddy doesn't smile to mummy as before" Junior often lament. Junior is young, he don't know exactly why the aroma that comes from the kitchen suddenly seized. Before now everyday was like Christmas in the house, but now to feed on three square meal is a mirage. When mummy cooks, she complains bitterly of daddy's attitude because home responsibilities have been shifted to her. All her pleas fell on deaf's ear, as daddy refuse to have a change of leaf.

Mummy! Mummy!! Mummy!!! How many times do I call you? It is three times. I pray you arise to safe daddy from this predicament. Complain is not the answer. Quarrel with him won't yield solution. Fear of strange women in the corridor of your marriage, will only harden her mind to dominate your husband. Stop that secret cries! Clean your face; go into spiritual battle to lose your husband from captivity. You can only do this if you clear the land and plant the seed. By how you may ask? The answer is, there is a particular weed in your marriage, which is, the strange woman. First pray her out of your marriage and then possess your husband. In as much she has interest on your husband, your marriage may be on a sandy foundation, which is delicate.

After praying the strange woman out your marriage, pray for your husband and family at large. Pray for him to discover himself. Pray for him to know where he came from, it is your home, wherever both of you live with the children. I mean 'our home' if you want me to use this word.

Strange women! Strange women! Strange women! No one goes to her and come back the same. Therefore, pray against, evil baptism upon your husband as he lost out to strange women. Pray to God to open his eyes. Tell God to show him visions, let him be warned in the dream.

Strange women are dangerous; they break homes and seize men with diabolic powers. It is this diabolic power you must pray against. That strange behaviour of your husband is not ordinary. You need dangerous prayers, loaded with violent words, which you shall apply below. You need to fast, dry fasting of course. Do two or three days dry fasting using the prayer below or any book that suits you. Pray like a mad prophetess; pray like a wounded lioness dreaded in the spirit against powers holding your marriage and husband captive.

Do this my sister. Save your husband from the hands of strange women. He is no more himself. Delay may be dangerous. Use dangerous prayer to liberate him. I say fire the prayers below.

PRAYERS FOR HEAVENLY FAMILY RE-BIRTH.

When we talk of heavenly re-birth we mean heavenly touch that bring changes in a family. Thus, heavenly family re-birth means divine visitation upon a family. It means when God speaks into the life of a family or speaks to the lives of people in a family. Heavenly re-birth connotes heavenly attention in the home. It signifies a home loaded with treasures of wisdom. Heavenly re-birth means, God changing your situation for good. It means a change from old order to a new order and a change from sorrow to happiness. It means Satan taking reverse step from pursuing you. It means change in situation as a result of effective prayer.

Heavenly family re-birth speaks volume. It means experience of heavenly revival in a family, when vision becomes bright. Marital re-birth means when God deprogram the evils enemies programmed into a marriage. It means when dead sexual intimacy gives way to strong intimacy of love. It means when sexual 'supplies' become normal with satisfaction in couples. When physical display of affection among couples improve. When there is promising harvest in marriage that was once labeled desert. It means when works and smiles co-exist in a marriage. It means where adversity stagnancy, poverty, frustration etc disappear in a marriage.

Heavenly re-birth addresses tough times. It is difficult to speak of re-birth where there is no existence of pain, negatives, deprivations, sickness, hurt, poverty, quarrel, assaults etc., in a marriage. These situations make one cry and wonder what is wrong with a family. The fact is, heavenly family re-birth comes with changes. Just when you suspect things are winding down in your life, God does something new. God may call you to re-work details of your present walk, or He might set you out on a complete new birth. He knows how to go about the re-birth and call you to a new time, a new assignment and a new work of grace. God wouldn't just do that. You must open to let Him in and do what He wants. Hence, you must stay attentive to His leading, with willingness to move according to His instructions.

A home that experience re-birth is said to have special love, wisdom and favour

from God and men to handle family issues. When you experience heavenly re-birth, hostile environment suddenly welcomes you. In-laws that hate your face suddenly turn around to apologize of their previous misdeeds. Heavenly re-birth welcomes angels of God into your home to dine and guide you. With heavenly re-birth, they shall be on guard 24 hours a day in your going out and coming in. When your home experience heavenly re-birth, powers that neutralize effects of evil arrow shall give special attention. They shall neutralize the effects and destroy the arrows. When your home experience heavenly rebirth, your husband that shows little concern on home front before, shall suddenly have a change of mind to take up his responsibility. When your family experience heavenly re-birth, the heart of your children shall be far from acts of waywardness. When your family experience heavenly rebirth, your family shall smile, smile and smile. They shall have cause to laugh, laugh and laugh, thanking God for what He did to uplift the family.

The presence of strange women in the life of a man is dangerous. It can best be described as an affair loaded with calamity. This is the reason every woman should rise up against atmosphere that may encourage their husband pick tent with strange women. Details of this are enumerated in part one of this book titled **STRANGE WOMEN, LEAVE MY HUSBAND ALONE!** Every woman must draw battle line against strange women. They have hidden agenda which must not be allowed to manifest.

There is no situation that happens behind God's knowledge. Before that strange woman makes her move, or your husband went into love hunting outside marriage, God knew it. It is not that God is in support of it, but gives everybody choice to choose between good and bad. It may look strange that God may allow it to prepare your family to a new ground. Really, you should act fast, but the how fast you act may not solve it. Again look at it this way. It is not a matter you should treat as killing, but as one God will use to steer the ship of your marriage to a good destination.

Your cry should not be, "O Lord, bring an end to this affair' I call this half measure prayer. Let it be, "O Lord bring an end to this affair and let good things come out of it". Among good things to call for shall include, your husband learning his lessons, get back what he lost in the process and at the end turn back

and serve God. Therefore, pray for his heart to be arrested to God. Tell God to create permanent wall of separation between him and strange women. Tell God to return virtues stolen from him in the course of his dare sojourn in the territory of immorality. Tell God to let every ugly situation end now, because new beginnings don't happen without something ending.

Heavenly family re-birth is full of promises of faith and forward match in life. It capitalize on God's Word. Heavenly family re-birth says you are an over comer (1 John 4:4). It says you are above and not beneath (Deuteronomy 28:13). It says you are blessed in your going out and blessed in your coming in (Deuteronomy 28:6). This shall be your situation when your family experience heavenly re-birth. Therefore, confess these into your life, into the life of your husband and children as well.

If you find your family struggling with hopelessness, loss, sickness, or temptations make God's word an ongoing presence in your family. To read scripture loud out, loud in the house brings victory and affect them all. Anytime you feel like you are in the dark or on shaky ground, ask God to shed light of His Word in your heart.

Now let's pray.

PRAYER AGAINST ARROW OF SUDDEN DEATH.

Sudden death means sudden end of life. No family bargains for such. It brings tears uncontrollable to whoever it affects. It is death that comes suddenly un - announced. Sudden death refers to death of a young person or of a fairly elderly person. It is death that separates the living from the non-living. Thus death means returning to the dust, breathing ones last breath or going down to the grave.

There are facts about death. They are as follows: - Death comes through poison, the Holy Bible recorded an incidence of death in the pot, 2King 4:40. Death is imminent; no one can live without it. The Psalmist ask question, ***"What man can live and not see death, or save himself from the power of the grave. Psalm 89:48.*** Such death may be sudden or untimely.

Whoever pursues evil shall experience untimely death. Men of immorality are prone to untimely death. The Bible says, ***"There is a way that seems right to a man, but in the end it leads to death". Proverbs 14:12.*** Untimely death signifies punishment. ***"Death and destruction lie open before the LORD – how much more the hearts of men! The tongue has the power of life and death. Proverbs 18:21.*** Discipline your children so that they don't fall victim of untimely death. ***"Punish him with the rod and save his soul from death" Proverb 23:14.***
Death is the destiny of every man, Ecclesiastes 7:2. Unrepentant souls shall die. Ezekiel 18:24. The wages of sin is death, Romans 6:23. Death has plagues**.** ***"Where O death are your plagues"?*** Hosea 13:14. Death can sting. **"Where O death is your sting?"** 1Corinthian 15:55.

The aim of arrow of sudden death is to terminate life. Any woman that loses husband in a mysterious way doesn't find it easy to cope with life. Every problem borne by her husband automatically shifts to her. She will bear the brunt. She may find it difficult to face reality of life as situation becomes difficult. This invariable affects her children.

Sudden death is what every woman should pray against. It can arise as a result of husband going out with a strange woman. Strange women are desperate to take possession of men they believe can dish out cash. It is his money they love and not him. To achieve their aims, strange women can go extra mile. They can employ occult means, deceit, boldness, molestation and threat etc. to achieve their aims. They can poison the food they serve the man in question to get rid of him and take over his possessions. Strange women are tactful and criminally minded. They know what they are after and how to achieve it.

Arrow of sudden death is not only aimed at men alone but the children and wife of the man as well. The enemy of your marriage wants you dead. They hate seeing your face. They want you eliminated for replacement. If you are tough for them, your children may be the target. They know once your children are eliminated one after another, you will think twice staying in the house.

Enemies are desperate, this is the reason you must be prayerful and tactful in whatever you do. Take steps of wisdom, speak with wisdom and act like a wise woman. Don't allow enemy pierce against your marriage. Don't go about with reports of your husband or children, your listeners may be your enemies, not friends. Who knows, the next person you reveal your home to may be the arch enemy of your marriage? I plead with you; don't open the door of your marriage to intruders.

Arrow of sudden death shortens span of joy, pray against it. Arrow of sudden death create fertile ground for hunger and poverty, pray against it. Arrow of sudden death bring shame and disgrace, pray against it. Arrow of sudden death exposes marriage to abrupt end, return such arrow back to sender.

Learn the act of praying violent prayers to scatter plans of the enemies. Pray to loose grip of the enemy upon your marriage and household. Pray to bind activities of darkness to experience marital breakthrough in life.

Know the Word, marry yourself to it. Know the Word to apply after bad dreams or word to use to cancel bad thoughts. Apply the Word when you pray as well.

Where is your armour? If you have armour-put it on! If you have armour- use it! If you have it packed in a trunk in the closet, get it out and put it to use. You are being shot at just like me and everybody in the Body of Christ. Let fear be far

from you. Get up on your feet and stand tall, like the child of God that you are! Arrow of death is not what you should handle lightly, you must fire back while armour of God is on you.

Fight until you are a winner. If you are not a winner, don't ever tell anybody that you know Jesus. And certainly don't tell them you are filled with the Holy Spirit.

Now let's pray.

PRAYER THAT SCATTER GANG UP AGAINST MARRIAGE.

A gang up is the coming together of two or more people against a person, something or situation. Gang up is done to register complaints. It may come about as a result of envy or conspiracy against a person. Gang up can be organized to pull a person, career or institution down. Gang up means hatred against a person. Hence, there can be gang up against a person, against a career, against a destiny, or against a marriage.

Every gang up foretells activities of the enemy. It shows one is surrounded by enemies. It foretells there is fire on the mountain and one should arise to situation. Where there is gang up against a marriage, it ends up in fiasco as such marriage suffers setbacks and stagnation. Suspicion, hatred, brawl and fights become the order of the day. Fear grips the woman as opposition multiplies. Accusing fingers are pointed at her at intervals. She is hated by all except her children who may console her of good seasons ahead.

Anti-marital gang up is treacherous and wicked. People with common interest against a marriage often gang up and fight hard to scatter marriage to announce its obituary. Those who gang up act in unity and love to dissolve a once blossom marriage. They don’t care how the wife feels or what befalls the future of her children. Gang up against a marriage goes with vengeance, deceits, jealous, torture, hatred and every form of evil intentions. They ridicule and threaten to chase the woman out of her matrimonial home.

Gang up spans from racial discrimination, tribal sentiments, religion differences, jealousy, attitude to work, differences in family background, attitude to issues etc. Gang up against a marriage can be orchestrated by in-laws, strange women, house maid, friends of husband, neighbours etc. Once gang up exists, they look for ways to flog the marriage to death or apply dark hammer to scatter the marriage.

Gang up can be carried out in the spirit or in the physical. Spiritual gang up is witchcraft and demonic. It is carried out without victim’s knowledge. A member of spiritual gang up may eat, dine and laugh with you in the day, but carry out

heinous attack against a person at night. On the other hand, physical gang up is what you see with your eyes. They come in person to speak against you and your marriage without fear or favour.

Gang up can be the coming together of mother-in-law, father-in-law and their son (your husband) against you. It can be a gang up of neighbours and unfriendly friends against you, enforcing you to answer queries, or defend yourself why you should stay and not pack out of your husband's house. Every trivial issue is expanded to blackmail you. Tense atmosphere is created to demoralize and show you the way out.

Questions that readily come to mind are, why do people gang up against marriage? Can the break of marriage bring solution? What are the motives of evil gang up against a marriage? Let's look at a number of effects of evil gang up against a marriage below.

PRAYER THAT END MARITAL CONFLICTS AND HOSTILITIES.

In every matter that involves conflict and hostility, I advise you cool down, think deep and apply wisdom to iron it out before it gets out of hand. Enemies don't want your marriage hold in the first place. They are furious when they see your husband's head is above water. They are mad at the blossom of your marriage. It makes them bitter and uncomfortable. Hence, they apply arrow to scatter your marriage. Dividends of such arrow include among others, non- cooperation with your husband in all issues at home. By this, you will see yourself picking offence at whatever your husband does. In your mind it is as if he offends you in every step he takes. To him your attitude and that of your children becomes unpalatable. Wrong people you associate with called friends and or maid servants are not left out as they create cracks in the wall of your marriage and now you are involved in a mess you never bargain for. These and other factors cause him to look for strange women outside.

Whatever may be your differences, summon courage to reason together with your husband so that strange women don't take all. The 'all' is your husband and what belongs to him. Borrow a leaf from the Lord Almighty who forgives and forget. He said to the children of Israel to come over to Him even when they went astray into sins. He considered reconciliation as best option. He wants them to be his children once again.

The Bible records it. ***"Come now, let us reason together" says the LORD. "Though your sins are like scarlet, they shall be as white as snow, though they are red as crimson, they shall be like wool" Isaiah 1:18.*** If God, who creates everything and can destroy at will can come in terms with children of Israel, what do you think of yourself. Come down, cool down and reason towards sincere love and forgiveness, keep old things away from your heart. Resolve every conflict and hostility amicably with your husband.

Let your home be a home of peace, home of love, home of righteousness, home

of the Lord and home of breakthroughs. The book of ***Proverbs 3:3*** says, ***"Let love and faithfulness never leave you, bind them around your neck, write them on the tablet of your heart"***

Madam, what are you waiting for? Strange women and her collaborators in terms of mother-in-law, maid servants, unfriendly friends and evil neighbours, are bent to scatter your marriage. They decided to put darkness for light in your marriage and put off lights that make your marriage shine. It is this darkness that metamorphosis into conflict and hostility in your marriage. These faceless agents are marriage breakers looking for marriage to consume. They roar like wild lions looking for prey to consume. What is this prey here? It is your marriage. Lets look at what the Bible says ***"Their roar is like that of the lion, they roar like young lions, they growl as they seize their prey and carry it off with no one to rescue" Isaiah 5:29.***

Yes, they want to extinct your marriage. They want it dead. They want to frustrate you out of your home but you need to be violent in the spirit and stubborn to resist conflicts that may engulf your marriage. The Bible says, they roar like young lions, meaning they have strength in them. Such strength includes strength of beauty, strength of talk to convince your husband into their laps, strength in juju power and voodoo, strength in charisma etc. These young ladies are charming in all facets of life. The fact is, they are satanically violent, loaded with tricks and resilience to get what they want. They are battle ready to snatch your husband from you.

The above Bible passage concludes by saying, 'They seize their prey and carry it off with no one to rescue". The prey is your marriage which is now in the mouth of the lion who happens to be the strange woman. When she seized your husband, you are confused. There is no one to bail you out of it. Your mother-in-law is against you. Your housemaid may add fire to the conflict while your friends make jest of you. Yet the conflicts grow to your detriment. Who will rescue you out of this? It is God, through the wisdom he gives you. You need to pray violent prayers and change your attitude for good.

It is high time you apply wisdom and capture the heart of your darling once again and for ever more. You are the right woman of the house and not the

strange woman. This battle does not need going into physical battle with the strange woman. First, put an end to hostility and conflict raging at home and apply tips in chapter four of my book, **STRANGE WOMEN LEAVE MY HUSBAND ALONE!**

PRAYER TO SILENCE OCCULT POWERS OF STRANGE WOMEN.

Occult power connotes dark sacred influence or power exhibited against a fellow. To approach, use or believe in the act means dwelling in darkness, act of wickedness, anti-Christ spirit or killer spirit. Cultism means faceless gang up to carry out wickedness. Anyone so involved do patronize herbal homes or secret cults for power. Such people don't think good but evil.

Occult powers empower a person with un-orthodox means to react or fight an issue. It involves dark power banks. Most people that use occult powers are cultists. They are anti-Christ and evangelist of dark powers that believe in wicked movement. They are dark arrow shooters and fierce in nature. They launch attacks at will and are fearless and uncompromising.

This is what many marriages are passing through today. They pass through physical and spiritual marital bondage. Many lost out in marriage as a result of fear and intimidation, bad attitudes at home, hatred from in-laws, whips of poverty etc, and above all occult arrows fired at their marriage by strange women and their allies.

No strange woman wants legal wife to have peace of mind. She prays for chaos, brawls and pandemonium to reign in such home so that she might take over. She wants to pack in by all means, and so she works towards it through any means within her reach. She is desperate to visit herbal home for power to humiliate and destabilize marriage. She believes in, "No peace, no rest, until I unseat this woman". Thus strange women issue is not what one should handle with light hand; you must be serious about it. Therefore, don't fold your arms as if nothing is happening.

It is high time you deal with every occult related problem. It is a battle you must fight and win. You must challenge and fight it with prayer. That occult power fashioned against you and your marriage must die. But then, you need to know if in actual sense occult power is applied against you. Here, you may ask, how can I know when oppressed or being fired by arrow of darkness. Below are signs you may see or experience.

When you have bad dreams where your loads are thrown out by your husband or by unknown faces.

When a strange woman ordered you to release your wedding ring to her in the dream.

When your wedding gown is taken from you in the dream.

When ordered by a strange woman to clean the house and do all domestic outfit while she supervised you in the dream.

When you dream of being flogged out of your husband's house by in-laws, husband or strange woman.

When you dream of serving corporal punishment in your husband's house.

When you are fired arrow constantly in the dream.

These dreams must not be taken lightly. Pray yourself out and ensure you have meanings to the dream. Really, it boils down the fact that your marriage is at stake. There are other facts you should note in your marriage. These include:-

When no one associate or like you in your matrimonial home; in this wise check your attitude and character first before you shift blames.

When your husband picks quarrel with you without any just cause.

When your husband starts behaving strangely e.g. he doesn't come home to sleep, he doesn't eat food served him etc. Read more on this in my book **STRANGE WOMEN LEAVE MY HUSBAND ALONE!**

When your husband boast of better women outside.

When panic and heartbreak become the order of the day in your life.

When you labour much but harvest little.

When problem expanders handle your matrimonial crisis.

When people that surrounds you are not co-operative.

To experience above points tells of powers that sink marriages. It speaks of strange women knocking at the door which you must not open to usher them in. It is telling you to arise and handle your home with care, zeal and wisdom.

The fact that the going is bad doesn't mean you should lose hope. Your marriage

shall experience revival, built on Rock of Ages. Angles of God shall guide your marriage from collapse. Madam note this and take it from me, you are not an ordinary wife but a soldier in the home, ready to protect her marriage from invaders (strange women) that want to turn it into a battle field thereby create warfare between you and your husband. As a soldier, you must protect your marriage not with gun, but with diplomacy, wisdom and actions. Read more of this in my book titled **STRANGE WOMEN, LEAVE MY HUSBAND ALONE!**

You shall not lose out to strange women or pack out of your husband's house in the name of Jesus. You are the legal wife, not the strange woman. Don't load your heart with fear of any woman outside there. When you do so, you become a run-away soldier. Don't forget, soldiers that run away from battle are not honoured or given medals. As a soldier, you must not pack out or else, you will not be honoured as wife of the house. If you pack out, that strange woman may pack in!

Therefore, rise up and protect your marriage. Pray right prayers, know the prayers to pray, how to pray it and when to pray it, so that your problems can be unravel and solution found. Going into marriage is one thing, knowing how to handle and maintain it is another. Therefore, rise up to situation in prayer and win your husband to your heart. Now let's pray.

PRAYERS TO CALL BACK RUN AWAY HUSBAND.

Many homes are in disarray today. Family set up is not complete. One particular person is missing. It is the head of the house, the husband of a wife. Really he is alive but not seen. His bed is vacant all day and all night, no one sleeps on it. Something happened of recent that account for this ugly incident. Did he travel? Was he involved in motor accident or is he hospitalized? Was he arrested by the police for one offence or the other? Does he own someone making him run away from his creditors? Has he become an emergency criminal as police search for him? The answer to above questions is no, capital NO.

This is a gentleman known among neighbours as one. He left home unannounced. He took a number of his clothes, shoes and books and left. He came one day and pack out of the house. The man fled, he ran away!

His wife is at home pondering what must have happened. She remembered the first day she met her husband. That quiet day, that promising day, that day they shared love of words. As if this was not enough, she remembered that day they went to bed together. In fact, they committed fornication that day, even they promise marriage, it was on pipe line. Yes, because they are not legally married when the man ‘tasted’ her, it was fornication. They both committed fornication. It was sex outside marriage. To this, they both prayed for forgiveness, old things have passed away, they are now new creatures, happily married. This sister pondered, why her ‘sweety’ should take this step when she most needed him. She sat on a chair in the parlour and burst into tears.

What exactly is the picture you may ask? This man left his wife in the cold arms of no one. He ran to a new wife, a mistress called strange woman. The legal wife is at home, counting ceiling expecting her husband to knock at the door so that she might open and hug him. But her expectation is not forthcoming. It is a mirage!

A strange woman has taken over. She smiles at her “husband” and concluded in her mind, “This is a big cash, a big exploit indeed; I won the battle at last”. The new lover man, look right into the face of the strange woman and call her by

name ‘Sweety’, I plead with you, forgive me, I don’t know you are so sweet like this. I don’t know the hell that made me know that ugly, senseless, useless good for nothing woman”. This is the woman, this run-away man call, “sweety” “lover” “honey” “the only sugar in my tea” etc. some years back. Now he describes her as a useless woman. What a pity, how time changes.

This man fell into wrong hands unknowingly. He thought it was an escape running from his legal wife. He never knew he just settled in a deadly snare of a strange woman. Alas! there is problem far away at home. His children keep asking their mother, “Where is daddy?” Right answer was not forthcoming as expected. Mummy tell lies sometimes, “Your daddy traveled” is the common answer. But the elderly boy knew something is wrong. He was recently shown the way out of school for his overdue school fees. The children perceived food on the dining table is not rich as before. Sometimes it is food without pieces of meat, it is now bones with little flesh on the bone!

Mummy is trying, but it wasn’t enough. Mummy wanted daddy back. Daddy sometimes thinks of his yester year lover. He sometimes query himself. “How would Junior feel now”? “If there are differences between me and my wife, can’t we settle”? “Is it not a shame to run after a woman, called strange woman”. “Does it mean I will be a polygamist at last”? “My new mistress is good, but what if she boots me out at old age”. “What—what—what if——”, and the mistress came in. “Anything wrong darling”, she queried her new catch. “Nothing in particular, my honey”, the man replied.

Something strange is happening there is a sudden re-arrangement in the spirit. The wife who lost her husband to a strange woman has gotten a focus. What is her focus? It is focus to pray, focus to discover follies of her past and a change of mind. Her prayer has arrested her husband. Last night he dreamt of an angel came saying “Pack your load right now and join your wife at home”. He has a change of mind to his new mistress. He doesn’t want her again.
At this junction, I pray that any woman holding on to your husband shall release him right now in the name of Jesus. Any occult power, any chain of darkness or incantations used to lure your husband out of your life, out of home, out of your environment shall break, and back fire in the name of Jesus. Amen. Your husband that left home or sleep outside home with strange women shall be arrested by the power of the Holy Ghost in the name of Jesus. Sister, don’t lose hope. Pray as you have not pray before and get your husband back. Now let’s

pray.

PRAYER TO HEAL WOUNDS IN THE HEART.

Strange news just filtered into her ears, some women are running after her husband. She got particulars of one of them but of others she couldn't. She is confused not knowing what to do. Her behaviour suddenly changed in the house. A strange woman is competing for the love she shared with her husband. This woman caused her sleepless night, and now she experience ache all over her body. The sister is nursing what is called wound in the heart.

Let's, look at the two words, wound and heart. The word wound mean to hurt, or injury to the living tissue of the body, caused by cutting, shooting, tearing, etc. especially as the result of attack. On the other hand, heart is that part of the body which pumps blood through the system. It is a delicate part of the body. When heart stops beating the person dies. Thus, heart means life. Literally, when the heart is wounded it leads to sickness or untimely death. A wounded heart needs urgent attention. It needs balm of Gilead for healing. The heart needs to be saved.

When we say wound in the heart it means a number of things as follows:-

When a person experience sudden failure for breakthrough.

When a person experience disappointment where he builds hope.

When friends suddenly become foes.

When every imagination to succeed fails.

When the mind cannot co-ordinate correctly.

When darkness overtakes one's life un-announced.

When there is crack in the wall of a marriage.

When thoughts of the heart is dirty.

When you are offended.

When you got shock of life.

When all hope is lost.

When one is mocked by neighbours.

Wounds are of two types: - negative and positive wounds. Negative wound is the physical injury enumerated above i.e. hurt or injury to the tissue of the body, and or, injury caused due to offence or evil deed against a person. The person so affected develops shock in his or her soul. This is what is called wound in the heart.

Positive wound on the other hand is the one demonstrated by Jesus on the cross which was prophesied by prophet Isaiah years back. It is a wound that brings hope, a wound of liberty, a wound of deliverance, and a wound of healing. The wound here promises assurance of victory and hopes from the Lord.

Thus, with assurance our Lord Jesus is able to heal our heart. He died for us on the cross of Calvary and heal us through the blood he shed for us all. It is written, ***"But he was pierced for our transgressions, he was crushed for our iniquities, the punishment that brought us peace was upon him, and by his wounds we are healed" Isaiah 53:5.***

Wound in the heart of a woman may not be caused by the death of her husband, her only honey and darling, but the broken covenant of love they entered into on the day of wedding. One of such covenant is, "Till death, do us part, I, the husband and you my wife, shall be one flesh". But suddenly, something happened, her husband broke the covenant, by having an affair with a strange woman. The step this man took broke the heart of the woman.

Also, wound in the heart may come as a result of threat from strange women threatening the marriage of legal wife. It can emanate from in-laws that want her to go by all means. It can be from neighbours that mock her on streets. It can be her in person, taking wrong steps not expected of a decent woman. When she sits and audit herself, she felt dejected and weak. "What a mistake" she says, "What an error", she laments.

To nurse wound in the heart is not the best. It can lead to fall from one problem to another. Whenever the heart is wounded the Centre could not hold. There won't be close relationship between couples. Children go about in the house with fear while mothers become suspicious of everyone around her. She is bitter with everyone because she has a wound in the heart. She goes about with banner of problems and complaints. She seldom laughs and where one is done, it is not

from the bottom of her heart. She frowns all the time not happy. With thoughts of one thing or the other that befell her in the past she finds it difficult to co-ordinate issues. Her morale falls and become unproductive. Her heart is filled with vengeance and hatred. She becomes semi mad woman in the house. Her health deteriorates as years go by. She experience heart heats at intervals and murmur words to herself. When you call her by name, her mind flies. She experience high temperature and complain of high blood pressure. This is the situation with a woman with wound in the heart.

This woman needs attention and prayer to discover herself before it is too late. She needs to pray. This is the bottom line of the matter. The wound must be healed.

Sister, are you troubled in the mind? Does your husband give you psychological torture, going about with strange women, causing you to think and think and think?

Wake up, I say wake up, leave thinking alone. Let's go to spiritual battle field to oust this strange woman. She is a trespasser. A husband thief! You shall pray her out of your life, receive your healing and hug your husband with smiles by fire!

Now let's pray.

PRAYER TO NULLIFY WICKED ARROWS AGAINST CHILDREN.

An arrow is a thin, pointed stick (to be) shot from a bow. It is primarily designed to pierce down something or a person. In the spirit, enemies use it as demonic weapon against something or person. They fashion it for destruction. Arrows are dark instruments used by dark agents to hurt and kill. Arrows can be fired by day or at night. Arrows can pierce the body with aim to kill. Arrows are sharp and deadly. They are weapons of war. When fired against a person, it is said, it is drunk with blood, meaning it kills.

Arrows fall into different categorizes and types. There are arrows of death, which kills. There is what is called arrow of famine, this causes drought and scarcity of farm products. There is arrow of lust, which causes backsliding, promiscuity and immorality in a person. There is arrow of fear, it makes victims un-coordinated in mind, causing him to fear anywhere he goes. There is arrow of bareness, which causes infertility in a person. There is arrow of poverty, which brings poverty to a life. There are arrows of disgrace and shame. This makes a person fall into mistakes that leads to shame. There is arrow of destruction which causes destruction whenever it is shot. There is arrow of the valley, which makes one remain in the valley of life. There is arrow of devourer which eats up whatever you have. There is arrow of sickness and diseases which inflicts sickness and diseases in a life. There is arrow of stagnancy which makes a person stagnant in a point, such life doesn’t experience forward march of life. There is arrow of delay, which cause delay in whatever a person does. There is arrow of disaster, which causes every form of disaster in a situation. There is arrow of untimely death which causes premature death. All these arrows and others are collectively called arrows of wickedness or arrows of darkness.

In the case of strange women they are not left out, as they can fashion wicked arrows against children. When they try all means and failed, your children may be the target. They either scatter the lives of the children, hurt or kill them. A strange woman is desperate and faceless. She is like a mad woman ready to fight whoever comes her way. She is determined, ready to go into warfare against your marriage and children. She positions herself against your marriage, your

children being her main target. The Psalmist says, "***Though they plot evil against you and devise wicked schemes, they cannot succeed" Psalm 22:11.*** This is an assurance for you from God. Though, strange women may use different schemes and techniques, they shall fail. Amen.

It is time you draw your bow, the bow of God. Shot at her! Spare no arrow, apply arrow of God. Shout against her on every side! Let her experience defeat. Vengeance of the Lord is on her: she commits sacrilege against God's injunction, which is your marriage. She sowed evil seed which she must harvest. She is like a lioness hoping to chase you from shepherding your children. She wants to scatter your flock (children) and set traps for you to fall in.

It is time you go into battle with her, it is time you fire back evil arrow. Therefore, fear not, fight back and equip yourself with warrior's sharp arrows. Though, ***"They sharpen their tongues like swords and aim their words like deadly arrows" Psalm 64:3,*** they shall fail. The Lord is on your side, only be brave and courageous to match forward by fire.

God has arrow as well, called Arrow of God. This is the arrow you shall apply against principalities and powers waging war against your marriage. The book of 2 Kings 13:15-19 gives account of God's arrow when Elisha ordered Jehoash King of Israel to shoot the arrows in verse 17. ***"The LORD'S arrow of victory, the arrow of victory over Aram!"*** When you apply such against your detractors they will shout in the like of Job, ***"The arrows of the Almighty are in me, my spirit drinks in their poison, God's terror are marshaled against me" Job 6:4.*** Sister, fire back with arrow of God. Pray the prayer of, I fire back with arrow of God, '***the arrows that flash back and forth'. Psalm 77:17.***

Sister, your children are your mirror which enemies want to consume. With arrow of God in your hands, you can go extra mile to get a heritage from the LORD, your children are reward from him. ***"Like arrows in the hands of a warrior are sons born in one's youth" Psalm 127:3-4.*** My sister, your children are young and promising, don't play with their future. Fire back every arrow fired at them. They must not be left in the cold arms of poverty, suffering or

death.

Sharpen your arrows; take up the shield to counter every attack of strange women. Their aim is to destroy the destiny of your children and take over your home. Arise, with vengeance in the spirit. Have a match for match, a sword for a sword, a tooth for a tooth, an arrow for an arrow etc. Fear not, I say again, fear not, set an ambush, and catch her unaware.

Your marriage is oppressed by this woman, called strange woman. She goes after false prophets and prophetess in other to scatter your marriage. She is terror at night, wicked in the day. She fashion swords and arrow against treasures, even against your children, the glory of your tomorrow. This woman is cruel, without mercy. She sounds like a roaring sea ready to consume your children. Arise, blow the trumpet of your marriage to the heavenly, seal your marriage with blood of Jesus. Shout a shout of joy in respect of your children.

The Lord shall shatter her plans against your children. The Lord shall stretch out his hand against her and keep your children in safety. I prophesy into your life now, by the power of the living God, before your eyes the strange woman shall surrender in the name of Jesus. Never, I say never shall she fire arrow of darkness against your children any more. Every arrow she fire against you in the past till this day, shall backfire upon her and consume her. Amen.

PRAYER TO RECOVER LOST VIRTUES AND GLORIES.

It is said you must discover before you can recover. Many are living in clouds this day because they don't know they lost anything. Many destinies are in shamble while many marriages are collapsing, even at the verge of collapse. In the midst of these, virtues were lost while glories fade away. People who are affected often say "Things are not moving on as expected. I know this is not the position I should be". Yes they are correct, her assertion is not false. They knew something is wrong, but how wrong it is, they can't say. The glory of such women is not shinning as expected while virtues have left there. It is this condition woman bombarded by strange women found themselves.

It is better we know what is meant by virtues and glory. It is also good to know how both can be lost and how they can be recovered, before we go into prayers. Virtues mean any particular kind of goodness or excellence. Patience is a virtue. In theological circle virtue means faith, hope, charity etc. They are goodness that promotes wellbeing. Talents in you are virtues, they add value to life. The book of Philippians 4:8 gives more account on virtues.

"Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report, if there be any virtue, and if there be any praise, think on these things" Philippians 4:8.

To live a just life is a virtue; purity, honesty, love, good reports etc are virtues. You live by them and they add value to life. A woman of virtue is a glory to her husband. The book of Proverbs 31:10 says***, "Who can find a virtuous woman? For her price is far above rubies"*** A virtuous woman is un-estimate jewel in the hands of her husband. She is respected and adored. Her husband loves her. This is what strange women want you to lose. When you lose your virtues, it becomes easy for her to penetrate your marriage and scatter it.

Close to virtue is glory. What is glory? It means high fame and honour won by great achievements. Your achievements make you to be honoured, while honour

given speaks of your achievements. The two goes hand in hand. There are women of emptiness. They struggle to recover so that they may re-discover themselves for honours.

Sister, your glory and virtues may have been lost as a result of strange women that bombarded you with evil arrows. Such arrow may cause you to lose your feet in your husband's house. Definitely, you are confused, not knowing what to do. You are on the cross road contemplating which step to take. The strange woman is in charge, boasting 'what can you do'? She cornered you, but you need to react. You must fight back to recover your virtues and glory messed up by her. Your virtue makes you a virtuous woman before your husband. To this, strange women hate you. You must wake up and turn down every challenge that rob you of your virtues and glory.

Why do enemy fights virtue and glory? Why does she aim at pulling you down? The fact is she knows what virtues and glory entail in the spirit.

Glory and virtues brings joy to the family at large.

Glory and virtues bring connections that lead to breakthrough

Glory and virtues speak goodness for you in your absence.

Glory and virtues gives you respect where ever you go.

Glory and virtues brings honour

Glory and virtues confirms actualization of destiny.

The glory and virtue in you is a gateway to coast expansion.

The glory and virtues in you advertises you everywhere you go.

Your glory and virtues can be lost as a result of evil arrows fired at you. They can be lost through sin. When you dip your hands into sin, God may turn his face elsewhere, while enemies feed on your virtues and glory. You can lose your virtue and glory ignorantly if you reveal the secret of your power to the enemy. Samson did it and regretted his action. Delilah was a strange woman in the life of Samson. Lust and immorality rob him of his glory and virtue.

You can recover your glory and virtues by living a holy life. Keep away from sin and ask God to protect you from the hands of enemies. You can recover them mostly through prayer. Anytime you discover your glory is tampered with, rise up to the situation in prayer. Tell God to re-load you with virtues that will

advertise his name in your life. Also, place the strange woman in bondage through prayer. Command power of God to exhume and return your glory and virtues buried by dark powers. Doing this, you shall excel.

May God bless you. Now let's pray. Amen.

PRAYER THAT SENDS BACK EVIL ARROW.

It is written, ***"Whoso diggeth a pit shall fall therein: and he that rolleth a stone, it will return upon him" Proverbs 26:27.*** This is what shall be the portion of strange women that fire evil arrow against you, your husband and children. It is not only strange women that send evil arrow; others may include in-laws, house maid, neighbours and every form of enemies of your marriage. Arrows from in-laws are dangerous. They fire arrow against you and your career at a time. If they succeed at this, they will get rid of your children with wicked bombardments both within and without.

You must not place total trust on friends. Really, it is good to trust, but with caution. The bible says, ***"Trust ye not in a friend, put ye not confidence in a guide: keep the doors of the mouth from her that lieth in thy bosom"Micah 7:5.*** Thus, you should apply caution with what you discuss with friends, for example, you should not discuss how good your husband is on bed with your friend. The fact is, that your friend, that your bosom friend may pick interest on him! When she strikes, you shift blames on her, saying, "Look at what my bosom friend did to me", but you caused it!

By now you can see that arrow can be fired from many quarters, friends, neighbour, strange women, housemaid and people you least expected. What we are after here is that whoever fires an arrow, wherever the arrow may come from, such arrow must go back to the sender and consume the sender.

Once an arrow is fired, the shooter expects results. She will say, "I have pierced her marriage with weapon of destruction". Anytime she sees you, she shakes head at you for war. Senders of evil arrows are bent at laying waste your marriage, waiting to laugh you to scorn. They are mad at your marriage; hence they are referred to as mad fellows. I pray, mad fellows shall not pitch tent with you. Amen.

Evil arrow is what should be handled with all seriousness. Evil arrow connotes

death, anyone fired with evil arrow may fall victim of untimely death. Evil arrow connotes stagnancy and poverty. By this, anyone fired with such arrow may find it difficult to excel in life. Hence, he or she is denied breakthrough. Evil arrow connotes marital turbulence or marital failure. This is the major arrow a strange woman fires at her opponent. She doesn't want your marriage hold. To corroborate it to a saying in my country, 'she wants sand-sand in your gari', meaning, she doesn't want smiles in your face.

It is better we broaden our knowledge in respect of evil arrow, by asking the question, what are the characteristics and effects of evil arrows? The aims of evil arrow are many and can be summarized below.

To scatter blossom marriage.

To scatter destiny of a person.

To scatter good plans of people.

To cause misunderstanding among couples, people or friends.

To cause destiny to dwell in the valley.

To cause bareness in the life of people.

To cause disaster in a place.

To cause untimely death.

To cause confusion and disarray in a peaceful environment.

To cause poverty in a life.

To plant seeds of wickedness in a person.

To afflict people with insanity.

To afflict victim with nakedness.

Evil arrow has power to paralyze good activities and plans of a person. Evil arrow is fired to accomplish evil. Evil arrow obeys the voice and commands of its sender. If it is commanded to go and kill, it will kill. If it is commanded to go and scatter a place or a thing, it will scatter it before you know it. If it is sent to go and administer, dryness on a thing or a person, the execution is carried out within seconds. Evil arrow is spiritual and deadly. It turns fertile ground into emptiness. It introduces famine into a life or situation. This is the reason you must not play with evil arrow.

Evil arrow may emanate from the mouth. Let's look into the Holy Bible. The book of Proverbs 5:3 says, ***"For the lips of a strange woman drop as an honey comb, and her mouth is smoother than oil"*** What drops like honeycomb from her mouth doesn't contain sweetness in the like of honey but bitterness. It may be dangerous, full of wickedness. It is with this mouth she pronounces incantations against a marriage. It is with same mouth she lures men into captivity. It is with the same mouth she curses. It is with the same mouth she brought the mighty down.

She is a first class pretender. She pretends a lot. In fact, when your husband first came across her, she pretended and said "No, I am not interested in love with you" But before you knew it, she changed style and said, "O.K, let's give it a trial" Trial now turns to war. It became, "I must snatch this man by all means". My sister, are you there sitting with legs crossed? There is fire on the mountain.

Arise to the situation right now. Enough is enough. Don't look other side when there is fire on the mountain. I always counsel, when marriage suffereth violence, it must be saved with violence. The violence I am talking here is not going into fight or brawl, doing this makes you lose from beginning. The violence we are talking about here is prayer which should be violent and acidic. Learn the attitude of praying dangerous prayer of elevation in the like of prayer of victory, prayer of restoration, prayer of love, prayer of breakthrough and prayer of righteousness. To escape evil arrows you must live a righteous life. For evil arrow to go back to the sender you must not dip your hands into sin.

It is time for you to pray back to sender prayers. Pray below prayers with all your strength. Entertain no fear as you pray. Be violent in the spirit. Now let's pray.

PRAYER TO BREAK FAMILY EVIL PATTERN.

Family evil pattern occurs when same occurrence happens repeatedly in a family. In such situation, the family is greeted with same destructive indices that caused problems in the past. Such indices include brawl among couples, anger, quarrel and misunderstanding that leads to marital breakup.

Family evil pattern is what tradition in a lineage becomes. It is a conduct that flows in the lineage of a family. It happens to the father in the past, and now it is the son or daughter. Father inherited it from his biological father, who is the grandfather of present son. Such can be in the life of the woman as well.

There are families whose marriage doesn't know peace. The marriage of granny met waterloo and were separated. The marriage of daddy and mummy ended in fiasco, they later died. The ball of marriage rolled to the son, he married but couldn't find his feet in marriage. He ran after a strange woman. His children are not focused as they lack strict hands of a father. The children lives are now in disarray as they live wayward lives. With the marital search light in hand promising marriage may not be feasible as his daughters are now lay about. His sons are into alcohol and drug, and are noted for hooliganism by neighbours. With this picture on ground, mummy is at cross road not knowing what to do.
Family evil pattern may occur as a result of a curse pronounced against such family. It becomes apparent to break such curse if you find yourself in such lineage. The curse should be broken, or else, the marriage may break. Evil family pattern may occur as a result of parental lackadaisical attitude to situations. Evil family pattern come as a result of inheritance. From great grandfather to grandfather, from grandfather to father, and from father to son, facing same problem now. If it is not addressed now, it may go on to future generation.

The problem of evil family pattern is that it happens before you know it. If deceit is the problem of a lineage, they will be noted for lies. The lies they tell may lead to frequent divorce in such family. If the family pattern is quarrel and misunderstanding, this shall be the bedrock of such marriage. Evil family pattern

give birth to deep rooted evil tree that supervise marital activities of a family. If the spiritual tree is not rebuked or uprooted in the spirit, this lineage shall continue in marital crisis.

Family evil pattern is a monster of generational watch. Monsters supervise and control the family in the spirit. Where others are rising such family experience stagnancy and falls. When other families see rainbow of hope, a family under evil pattern dwells in the cloud. Such family is noted for complaints, stagnancy and weeps. It is like such family is captivated in Egypt never to see Canaan and sees itself as grasshoppers before giants. Such family doesn't see God as in charge but Satan. Such family occupies the valley instead of mountain top.

But then my sister, there is hope for you as rivers shall flow in your desert. People that despise you shall have cause to praise you very soon. One thing I will like you to do is to speak to the mountain before you, that mountain is the evil pattern that destroy marriage. Through interview and observations, you may notice divorce as a tonic in your family. You may observe no woman in the family stay without thought of divorce, quarrel or fights, and or, see women pack out only to come back years later. These are patterns such family experience. But today, I implore you to say, 'This is not my portion, I reject it by fire'!

The fact is, you can live above such circumstance if you wish. The best step to take is to speak to the mountain. Instead of crying about it, speak to the mountain; get it out of your way, out of your marriage and out of the family system of your husband. This is what Jesus taught us.

You can't fold your arms this way and have a successive marriage. You must pray yourself out of the mess and handle the situation with wisdom. You must do it and walk in peace and liberty. I say you must do it, because it is your problem. Don't wait for someone to pat you on the back, it won't help or pat you on the head and say, "Things would soon be alright" This won't help you. Arise to the task and speak to the mountain.

To stop evil pattern in your marriage, apply 'break and scatter' prayer approach with fasting and prayer. Also, nullify its occurrence in your family line. You can apply power of reversal against every evil pronouncement tormenting your marriage.

To make this work, be close to God and be a born again Christian. Know the

word and marry yourself to it.

PRAYER TO OVERCOME BAD HABITS.

Your habit is your character, an established state of mind, customary manner or practice. The way you behave dictates what people say of your habit. Habits, of course, can be good or bad, helpful or harmful. It is the study of your habit that makes people distance or close to you. Good habit attracts while bad habit keep people at a distance from you.

It is your habit, in-laws, relatives and people judges you. If you are the hostile type, they shall distance themselves from you. In everything you do, be moderate. If people praise you be careful, they don't plant evil in your life. If you have hard-to-break bad habit, soften your dealings, you can be fired with no one to sympathize with you. Shun bad habits for your sake and the sake of others. You should avoid every questionable attitude that may speak against you.

The people you associate with may determine your habit. When you associate with good people, their influence may be felt in you. When you associate with bad people, they will definitely influence your life. When you associate with illiterates your knowledge may dwindle if you don't put fire in your knowledge power. To associate with knowledgeable people signals package of understanding in a life.

My sister, your habit at home can make him stay back, while not engaged with anything meaningful outside. His persistent stay outside home gives room for strange women to engage him. That your husband you call names, that your husband you don't respect, is like gold outside. That your husband you call poor church rat because you expect him to buy you a car which he couldn't afford now, may be snatched by strange women. That your husband you think cannot perform on bed, is a master at it outside. Why? Your harsh attitude and wickedness put him off. Anytime he makes love with you, his mind wondered away. He keep his mouth off you because he doesn't want to contact "word of disease" and 'saliva of hatred' from you. But immediately he is able to 'escape' from home, he felt happy and display above expectation with strange women outside there. Sooner or later, he may 'fly away' leaving you with your bad

habit.

There is no much to say than to change your attitude for good. Learn how to smile, laugh and be warm in the house. Keep your bed warm, hug your husband and kiss him as well. God deposited power of love, not hatred in you. He deposited in you power to associate with meaningful people. Don't be a thorn in the flesh of your husband. Pray hard for a change.

Bad habits may push you far away from people thereby introduce you into a lonely life. You may find yourself in a dangerous territory of life as helps from people may not come. It is like a riptide taking you far away into the sea, from where you shall be and can't get back without help. Such bad habit may include anger, cares of the world, influence of the ungodly, laziness, arrogance, dirtiness etc. At times you don't need to be in open rebellion to go off course. All it takes is neglect in one small area of way of life, and a subtle drift begins without you even noticing.

Biblical meaning of bad habit is, people who do not love God and who willfully do things their own way, for their own pleasure and with no regard for what she does to others or what God says about it. The result is, such person will find herself under darkness. When you don't live in the light of God due to bad habit, light seizes to shine upon you and you dwell in darkness. When you swim in bad habits you will drift further and further away from the shores of safety and blessing. Bad habit, leads one to wrong places at wrong times. A drunkard that fell into gutter at midnight may die drinking bad water. He fell into gutter at midnight (wrong time), inside a deep gutter full of dirt (wrong place).

The Bible says ***"Woe to those who call evil good, and good evil, who put darkness for light, and light for darkness" Isaiah 5:20.*** What you passionately devoted to in life will mold and control you because you will be overly influenced by the things you do. When we continually live in bad habits, confusion enters and disturbing things happen which shouldn't be.

My genuine advice is, keep companies with good right thinking people. Read the Word for a change. Be a professional in domestic affairs. Cook well, dress well, speak well and do well on bed. For better understanding of this topic buy my book titled **STRANGE WOMEN LEAVE MY HUSBAND ALONE!**

With prayer, things shall change for good. By the power of the living God you shall dance a new dance with your husband. Amen.

MY HUSBAND SHALL POSSESS HIS POSSESSIONS.

Possession is what belongs to a person in terms of riches and wealth; goodwill and talent. Many are denied their possessions as a result of intruders who either forcefully or by deceit collect them. When one lost possession, it signals nakedness and loss. This is the reason; a woman should rise to unveil what went wrong and how to handle it. As a woman, watch how things fare with your husband. You know him in and out, up and down. You know much of his financial journey and when leakages affect his finance.

At times men fall victim of strange women and ‘others’ which may affect his finance. Strange women are noted to suck men dry. People we call ‘others’ here include neighbors, landlord, landlady, co-tenants, housemaid or friends. Really, ‘others’ may add value to life one way or the other, but when they choose to do evil, hell may let loose against your marriage, affecting him to bone marrow. There are cases of landlords that fired evil arrows against tenants to cause them joblessness or kill them out rightly. If your husband lost his job, his finances shrink while his estate crumbles.

Many lost out this way without finding their feet. They look stagnant, emaciated and poor. They reap nothing after hard work. It seems like every door is closed against them and no one to open it. As a woman, pray your husband out of strange women and financial mess. Stop him from occupying valley of life.

May I ask, who is the man said to lost possessions? He is the one that lost dreams God put in his heart. He is the man that fish in the ocean of failure, a fisherless fisherman. He is faced with defeated agenda, counting losses instead of gains. His vision is blurred by dark powers activities. He is controlled by invisible hands. Before such a person can succeed, he must do away with strange women troubling his soul. Thereafter, he may discover himself and possess his possessions. The fact is, you can’t be in Egypt and Canaan same time. You either leave Egypt for Canaan or leave Canaan for Egypt.

To succeed or fail is your choice. You are to rise to situation. Be bold enough to take step of elevation and step of a winner which brightens hope and endorse

destiny for breakthroughs. The strange woman troubling your home is a candidate of pit of hell. She is a woman like you, but diabolic, faceless and deceptive. She is the type you should handle with wisdom and prayer. The possessions of your husband is supplied by God. The bible says, ***"God shall supply all your needs according to His riches" Philippians 4:19.*** Every needs God provides are yours including your husband's possession. But suddenly strange women came into his life to takeover, scatter or do away with his riches. This is an act you should rebuke. You must not fold arms thinking she would soon go. No, it is not so, her trade mark is to ruin wealth of unsuspecting men. Cry to the Lord, pray against her moves. Seek the face of the Lord for, they that seek the Lord don't lack good things. Let the Lord be your shepherd and not a strange woman.

In your prayer, command the strange woman to surrender possessions of your husband in her hands. Command every remote control used against your husband to become obsolete and useless. Command evil arrow she might fired after she lost out to backfire upon her. Command every evil meeting place they meet to turn against them. Command spirits of hatred that scatter immoral people to scatter them by fire. Command barriers and wall of confusion to appear and separate them by fire.

Don't doubt of answer as you pray, no matter the harm done by strange women to your husband's finance. The era of leaking pocket is gone, feeding on crumbs shall not be your portion. Wasters shall not feast on his finance. Have better marital focus. Your marriage is forward ever, backward never.

What can you do in gap for your husband to possess his possessions? The answer is, your greatest breakthrough shall come when your family surrender everything to God. You must surrender your dreams to God for Him to see you through. Just as a violent thunder storm suddenly stops and sun comes out, so shall it be if your family surrender their dream to God. He is able; he can turn wilderness to fertile ground and famine to surplus.
The hard work of your husband shall not be in vain. His store house shall not empty. Famine shall not locate your house. What he lost to strangers he shall recover. The little he planted, God shall bountifully bless. The riches and wealth of your husband which strange women fed on shall become acid in their mouths. They shall vomit the riches they swallowed.

Let your family stay in God's word and keep learning about Him. Ask the Lord to show your family and your husband in particular talents and abilities in him and how to develop and use it.

With prayer you shall be a conqueror and a winner. The Prayer you shall pray now, shall go a long way for breakthroughs. Now, let's pray.
