

Family Treasure Map

Treasure Point: God Calls Us.

Bible Story:

The Burning Bush, Exodus 2:23-4:17

Memory Gem:

Those who know your name trust in you for you, Lord, have never forsaken those who seek you.

- Psalm 9:10

Cooking Together

Ingredients:

unfrosted cupcakes or plain cookies

green frosting

red tube of frosting or red candies

(For a healthy option consider using your favorite green food such as broccoli and placing a red food like red bell pepper around it.)

Frost the cupcakes or cookies with the green frosting. This represents a bush. Use the tube of red frosting or red candies to create flames coming from the top of the bush. This represents the burning bush. As you "consume" the snack, discuss how it must have felt to see a bush burning but not being consumed by the flames.

Family Fun

Invite each family member to write a fun or silly action on individual pieces of paper. For example: "say the alphabet backwards," "sing a silly, fun song together while hopping on one foot," "do a handstand," etc. Place the slips of paper in a container. Take turns choosing a piece of paper and following the instructions on the paper. Help one another accomplish the tasks.

Read the Memory Gem: Those who know your name trust in you for you, Lord, have never forsaken those who seek you. Psalm 9:10. Discuss what this means.

Read the Bible story. Talk about how God told Moses he would send his brother, Aaron, to help him speak to the people. How do you help each other?

Discussion for You and Your Child

What are some ways that God talks to us?

Why do you think God wants to have a relationship with us?

What are some ways that our family can learn more about God?

What do you think God might be calling your family to do to help others?

Pray together and thank God for always providing the help we need. Thank him for always being close to us and calling us to come close to him.
