Wealth and Riches

“Money is like a sixth sense - and you can't make use of the other five without it” - William Somerset Maugham

***

“But thou shalt remember the LORD thy God: for [it is] he that giveth thee power (attraction) to get wealth, that he may establish his covenant which he swore unto thy fathers, as [it is] this day.”

Deuteronomy 8:18
Chapter One
Wealth and Riches

Many people ask me, ‘Does God want us to have riches and wealth?’ My answer to them is a big, ‘Yes.’ God used people all through the word of God that had money. God is not threatened nor intimidated by those who have money. The bible even says, *‘Money answers all things.’* Which means that if we want the answers in this life, we will have to have money.

‘A feast is made for laughter, and wine maketh merry: but money answereth all things.’ – Ecclesiastes 10:19

It is interesting that so many people in the body of Christ have a lack of money, things, riches, wealth, etc. when God has told us numerous amounts of times that He is Jehovah Jireh, our Provider. If God is our provider, what will he supply us with in this life? Everything we need to live successful and be overcomers.

‘A gracious woman retaineth honour: and **strong men retain riches**.’ - Proverbs 11:16

Kingdom of God

The word tells us to *'seek ye first the kingdom of God and His righteousness and all these 'things'; shall be added unto us.'* When we seek things, that is all we will ever have are things. Things hold no power of their own. They are only empowered by what we feed into them. In other words, if we seek things only, we are not aligning ourselves with the protocol of God and we find ourselves knocked off the 'straight path.' Once a person seeks merely things and not the kingdom of God first, these 'things' become more of a burden than anything. If you seek the kingdom of God first and foremost, then things will be added unto you automatically. And when things come to you from the kingdom, it means they will not prematurely tear up. Because they are manufactured FIRST from the kingdom of heaven before they come to the earth realm. So when kingdom things such as cars, homes or furniture enter into your life and need to be repaired, they will have to go to the original manufacturer first which is the kingdom of God. God then takes responsibility for what came from Him. He will either replace it or give you something better.

Principle to remember:

'If 'Money answers all things,' then we need the 'answer' to all the things in life. When you hold money in your hands, you hold a power that people listen to.'
- Dr. Jeremy Lopez

'We go from glory to glory, faith to faith……' 11 Corinthians 3:18

Most of the time people who are born again and have some level of understanding of God's word can figure out that life is a progression, an evolution and a roller coaster ride. God has positioned us to be successful and to have an 'abundance of' but many of us find ourselves not prospering or either praying to win the lottery, 'if it's God's will' ,but either way, we have our focus wrong because of the paradigms and mindsets that have been placed in us since birth.

'In this life you will have tribulation but be of good cheer for I have already overcome the world.' John 16:33

The Processes of God

You see, you will go through hard times, valleys, ups and downs while on the earth but theses things make us who we are and teaches us how to deal with

small and large situations in our lives. Do we really think God will give us a million dollars if we have not gone through the 'processes of God?' Basically, are you going to respond or react when things of life hit you between the eyes? We have to learn how to respond instead of react because things will come up in our lives and how we look at the situation will determine if we can be trusted to handle millions of dollars or not.

Paradigms are set up in our brain to hold us and steady us to keep us exactly where we are right now, and that is the 'barely getting by realm'.

Winning the Lottery

If we were to win the lottery or handle a million dollars today, many of us would freak out with happiness and go spend it quickly, invest it unwisely, buy a bigger house or car, or simply spend it on 'things' that we really don't need. Why is that? How come statistics tell us that 90% of people who win the lottery blow it in less than a year? Simply because they never learn through hardship, valleys, ups and downs how to respond and learn something from everything they have been through. Instead, they just prayed harder and 'believed God' that He would get them through the situation. God has entrusted us with His mind to be a co-creator with Him and to learn our role as a king and priest and to multiple our finances that has been given to us.

When we go through situations of life, we must grow threw them. The word says, *'I wish above all things that you would prosper and be in good health even as your soul prospers'* but for many of us since the paradigm in our brain tells us, 'I must prosper more in the spirit than in the natural because this is more important to God'.
But can I tell you that that statement is not correct. For this reason, many people never prosper because they have set it up in their mind that spirit is first then the natural is second but the bible tells us very clearly in 1 Corinthians chapter 15 *'that which is first is natural and afterwards that which is spirit'*. So is one more important than the other? Absolutely not. God wants you to prosper in both realms EQUALLY. Now before you get mad, let me make you glad through showing you what the word says about this subject. Ecclesiastes reads, 'A false balance is an abomination before the Lord.' Wow! Did you read that? Yes, the Lord says, 'as much as you prosper in the spirit and as much as I want you to prosper in the natural and visa versa. You see the Lord does care about even the number of hairs on our head and every little tiny thing in this life as well.

Principle to remember:

‘Get rid of the paradigms of poverty in your mind before they get rid of you.’
- Dr. Jeremy Lopez

Your Mind and Body must Balance Out

You see, many people don’t prosper simply because their mind never prospers as they grow in life. When your finances increase, your mind must grow as well. If you are handed a big lump sum of money and you are use to handling just thousands, you will never survive in the corporate world because your mind can only handle what it has been stretched too by you. This is why people loose money quick after winning the lottery because their mind could not handle or deal with it since it had not grown to that level yet.

‘You can only attract how you act’
How important is Your Thinking?

If you are still thinking and acting like a thousandaire, you will never attract the millions.

‘As a man thinketh in His heart, so is he’. Proverbs 23:7

‘But thou shalt remember the LORD thy God: for [it is] he that giveth thee power (attraction) to get wealth, that he may establish his covenant which he sware unto thy fathers, as [it is] this day.’ Deuteronomy 8:18

You see, according to Deuteronomy 8:18, God gives you the attraction. So every man has the attraction to something and that something is whatever frequency your mind is focused on. In other words, whatever you’re thinking, you will attract to your life. Science tells us that we only use 10% of our brain but what if the other 90% was activated? What would happen if we began awakening to more knowledge and wisdom? I believe the mind of Christ opens up the other 90% of your brain to start using it to get to the place you need to be in life.

You will only attract what you have thought and are presently thinking. God created the heavens and the earth and they will only obey the sound of His voice. If you are acting, thinking and sounding out small amounts of money, guess what you will attract and be surrounded by, small amounts. The bible says in

Psalms 23:6, *'surely goodness and mercy will follow me all the days of my life….'* You see, if you believe it, act like it and throw your thoughts out there, from a disciplined mind and life, you will attract goodness and mercy. If you think small amounts, you will only attract small amounts.
What are You Worshipping?

People tend to worship money more than God. Why is that? Because, you see, the bible says, *'The Lord giveth and the Lord taketh away…'* which means, if you are allowing Him to lead your life and you have decreased and are now moving in His DNA and creativity then when He takes from you, you won't go to pieces and fall apart because you were not in love with your money just a friend to it. Many people are lovers of money so that is why they tend to fall apart when anything is taken from them. The Lord has called us to not be lovers of money but we are called to be friends with it. How many know that if you befriend someone, they tend to hang around in your life but if you are constantly putting someone down, pushing them aside and treating them as if they were evil, they will not stay around you for long.
If money answers all things, we all need money, lots of it. So if I am always putting it down and have my mind made up that it is evil, it will not stay around me at all. Money only hangs out with those who are its friend, not its enemy.

Attract in your life what it is the Lord has placed in you to attract and BE in this life. Each one of us are called to different things and different missions but all of us are called to be prosperous, successful, more than conquers, the head and not the tail, above and not beneath. So in your journey of success whether it be in the marketplace or the church, do it with vision, purpose and a goal to reach towards the stars and never look down. You have one life to live so make it count! Press towards the mark of whatever the Lord has set high in your life to reach. Notice He said to 'press towards the high calling' and not the low calling? Meaning His aim for you is always high. It's always deep and it's always wide. So stretch the border of your imagination and soar in your life. 'Choose ye this day' and fulfill it. Make it known clearly to yourself and stick to it. Don't waver in reaching high and being successful. God sees you as a millionaire. God sees you as a champion. God sees you as an overcomer. God sees you BEING Him in the earth and He is and has 'more than enough.' Is your mind and lifestyle living the 'more than enough' life? Is your mind prospering and stretching to go further and higher?

"He who is on the housetop let him not come down.' Matthew 24:17

Taste of the Finer Things of Life

Once you have had a taste of a good steak, you will never settle or be satisfied with fast food again. Once you have tasted of the finest, you will always compare it to everything else you put in your mouth. Even our taste buds are programmed to know the difference between quick and cheap and quality meat. Is it not true that even your body responds to different 'feels' of material such as cotton, polyester, silk, etc? All of these have different feels to your skin. Your body has even been programmed to respond to what you put against it. Trust me, no one likes burlap as oppose to silk against their skin, do they? Why? Because there is nothing cheap at all about you. You are wonderfully and fearfully created from head to toe. Everything about you is top quality – EVERYTHING! You only make yourself 'feel and think' cheap because of what you have been taught and come into agreement within yourself about you.

'***No one can ever count you out or put you out except yourself'.*** – Jeremy Lopez

So what are the keys or secrets to being successful and having a blessed life? 'The secret lies in the sauce' as an older Italian lady once put it. The 'sauce' is the word of God. Let's take a look at the three key elements to what the Lord has shared with us in His word about the power of money. Remember, you are made in His image and His likeness so partake in His divine nature.

'…..that by these ye might be partakers of the divine nature….' - II Peter 1:4

The Mystery of the Three-Fold Realms of God

If I were to guess, I would say that the number three is God's favorite number. The number three signifies union, approval, co-ordination, and completeness. Consider just a few of the ways that God has used three, or groups of three.

There is the Trinity (Father, Son, and Holy Spirit). Jesus is the Way, the Truth, and the Life. In fact, when we come to Jesus we begin to see Him as the Way; The Savior of the world. Then we begin to be full of His word as we learn from the things He says. So we then see Him 'change forms' if you will to be the Truth. Truth is not a substance, it is a person called Christ. As we progress in our Christian walk, we then see Him, still as the Savior and Truth, but then He reveals Himself to us as Life. You see, God not only does things in threes but He wants us to live, move and have our being in Him. Did you get what I just said? Did you see the three-fold realm again in this scripture? Live, move and have our being. You see in Christ, there are progressions. Not in the realm of salvation but in the realm of our lives in Him. We are also body, soul, and spirit. Can you see the progression here as well? We first come to Christ and move in our flesh because we are new babes in Christ. Then we begin to move in Him, grow in Him and discover the treasure in us because of Him. We start moving past the body (flesh) and discover our expression of emotions for Him, in other words, the soulish realm. God is getting His people ready to mature, grow up in Him, to occupy and live in the spirit realm. Even the temple was made up of the outer court, the inner court, and the Holy of Holies. He wants to inhabit the Holy of Holies place within us. In the Holy of Holies, only the priest could enter in, no one else. This is the place the Lord wants us to transition into. This is the place where it is just you and the Lord, in other words, the priest with the High Priest, the king with the King and the lord with the Lord. Jonah was in the belly of the great fish for three days and three nights, which signified the three days and nights that Christ was in the tomb. He was crucified at the third hour and the sign above His head was written in three languages. There are the offices of Christ showing His perfection: Prophet, Priest, and King. There was the inner circle of Jesus' disciples: Peter, James, and John. There are many more groupings of three depicted throughout the Bible, but I think you get the picture. However, there is another grouping of three that deserves emphasis. This is what our study's really all about: the 30-fold dimension (or realm), the 60-fold dimension, and the 100-fold dimension of money, wealth and riches.

Everything important in our lives seems to revolve around this three-fold

dimension principle.

Scripture plainly tells us that one alone is not wise. Two are better than one and three is the best of all.

‘Proverbs 22:20 says that ‘God does things in excellent ways.’ This word ‘excellent’ means three-fold. God does things in three’s.’ - Dr. Jeremy Lopez

Ecclesiastes 4:9-12
9 Two are better than one, because they have a good reward for their labour, 10 For if they fall, the one will lift up his fellow; but woe unto to him that is alone when he falleth; for he hath not another to help him up. 11 Again, if two lie together, then they have heat; but how can one be warm alone? 12 And if one prevail against, two shall withstand him; and a three-fold cord is not quickly broken. (KJV)

It is fairly obvious to this writer that if you do things in threes you will be better off for having done so. If God does it that way, that’s good enough for me.

The scriptures bring out some mysteries about the number three. In Psalms it records, ‘God does things in excellent ways.’ That word ‘excellent’ in the Hebrew means, ‘three-fold’. So God does things in threefold ways. There are secrets in God that He locks up not from us but for us to discover. The bible says in Proverbs 25:2, *‘It is the glory of God to conceal a thing: but the honour of kings to search out a matter.’* God wants the king in us to arise and begin to be a seeker for Him and for the things He has placed in the earth realm for us to find. Kings are wealthy. Kings have authority. Kings take dominion over what belongs to them. So does God want us to have money? Absolutely! The bible says in Proverbs

8:17-21, *‘I love those who love me, and those who seek me find me. 18 With me are riches and honor, enduring wealth and prosperity. 19 My fruit is better than fine gold; what I yield surpasses choice silver. 20 I walk in the way of righteousness, along the paths of justice, 21 bestowing wealth on those who love me and making their treasuries full.’*

Kings know how to seek Him. Remember, ‘Wise men still seek Him.’ God says in verse 18, ‘*With me are riches and honor, enduring wealth and prosperity.’*Why does God have riches, wealth and prosperity? Does He need it? Does He use it? No. He has it for kings to discover, invest and multiply it for

Him.

The parable of the talents in Matthew 25:14-29 says, ‘14 *For it is like a man going on a journey, who summoned his slaves and entrusted his property to them. 15 To one he gave five talents, to another two, and to another one, each according to his ability. Then he went on his journey. 16 The one who had received five talents went off right away and put his money to work and gained five more. 17 In the same way, the one who had two gained two more. 18 But the one who had received one talent went out and dug a hole in the ground and hid his master’s money in it. 19 After a long time, the master of those slaves came and settled his accounts with them. 20 The one who had received the five talents came and brought five more, saying, ‘Sir, you entrusted me with five talents. See, I have gained five more.’ 21 His master answered, ‘Well done, good and faithful slave! You have been faithful in a few things. I will put you in charge of many things. Enter into the joy of your master.’ 22 The one with the two talents also came and said, ‘Sir, you entrusted two talents to me. See, I have gained two more.’ 23 His master answered, ‘Well done, good and faithful slave! You have been faithful with a few things. I will put you in charge of many things. Enter into the joy of your master.’ 24 Then the one who had received the one talent came and said, ‘Sir, I knew that you were a hard man, harvesting where you did not sow, and gathering where you did not scatter seed, 25 so I was afraid, and I went and hid your talent in the ground. See, you have what is yours.’ 26 But his master answered, ‘Evil and lazy slave! So you knew that I harvest where I didn’t sow and gather where I didn’t scatter? 27 Then you should have deposited my money with the bankers, and on my return I would have received my money back with interest! 28 Therefore take the talent from him and give it to the one who has ten. 29 For the one who has will be given more, and he will have more than enough. But the one who does not have, even what he has will be taken from him.’*

Kings do not hide money nor bury it, they invest it. It is time for us to wake up to the ‘investor’ that is deep on the inside of us and put him to work for our lives.

Let’s take a look at what God says about the three-fold realms of wealth and how they get us from poverty to divine prosperity. But first let’s look at some other examples of the three-fold realms used in the bible.

Three Fold Ways in which God moves in:

Chapter Three Fold Realm of Tithing: The Blessing

"…try Me now in this, says the Lord of hosts,
If I will not open for you the windows of heaven and pour out for you such blessing that there will not be room enough to receive it."

Malachi 3:10

"You have not lived a perfect day, even though you have earned your money, unless you have done something for someone who will never be able to repay

you." - Ruth Smeltzer
Chapter Three
The Mystery of the 30-Fold Realm of Tithing - The Blessing

First, there is the 30-fold realm or what I like to call 'the law of tithing.' This is what we consider the outer court experience. It is the place of abundant blessing and a place where God has rebuked the devil for your sake.

Malachi 3:8-11
8 "Will a man rob God? Yet you have robbed Me! But you say, 'In what way have we robbed You?' In tithes and offerings. 9 You are cursed with a curse, for you have robbed Me, even this whole nation. 10 Bring all the tithes into the storehouse, that there may be food in My house, and try Me now in this," says

the LORD of hosts, "If I will not open for you the windows of heaven and pour out for you such blessing that there will not be room enough to receive it. 11 And I will rebuke the devourer for your sakes, so that he will not destroy the fruit of your ground, nor shall the vine fail to bear fruit for you in the field," says the LORD of hosts. (NKJ)

These are great promises; however, they must first be received by faith. God has established laws in the universe that work for the just and the unjust. But coming to a place of divine understanding of these laws help us to get them to work for us and not against us. For example, the law of gravity will work regardless of who you are but if you are ignorant of how the law works, it can be to your destruction. We must learn to work with the law by having an understanding of the things that God has placed in motion around us.

Through the realm or law of tithing, we can work it properly to get a blessing from the open portal or window of heaven. If we learn to work the system of this law, we can be blesses and not cursed. Malachi records for those who do not obey this universal law of tithing, we are 'cursed with a curse.' A lack of understanding can hurt or even bring destruction upon a person's life. Through the avenue of this realm or law, God will rebuke the devourer for our sake. Tithing is what I like to call our 'reasonable service'. The devil can not stop your blessing because you are a faithful tither. In this area of tithing, people seem to misunderstand the scripture at times. I find them saying most of the time, 'I don't understand, I pay my tithe but I can't seem to get the job I want' or they say, 'I tithe, but it seems I am still never receiving an abundance of the things I need in my life'. The only reason why is because tithing does none of those for you. Tithing is a tenth, which already belongs to God and He rebukes the devourer on your behalf and then blesses you with a 'blessing' (note here it is not plural) there is no room enough to contain. There is a big difference between a 'blessing' and a 'harvest'. A harvest does not and never come off your tithe. It is not suppose to. Many of us think if we give God a tenth of all we have, it puts Him in the place of David Copperfield to perform His magic and bless us with fine homes, cars and luxuries naturally and spiritually but this is not accurate according to the ministry of the tithe. It's like going to an investment firm and telling them you're putting in $10.00 and expecting $1,000.000 back soon. They would laugh you right out of that place because everything is 'line upon line' 'precept upon precept.' This is how the kingdom works. Once the law is obeyed and 'entered into,' it shifts you to a place of an open heaven and starts the flow of the Zoe of God in your life. 'Zoe' is the 'God kind of life.' This realm of

tithing jump starts you on a journey in wealth and begins your evolution from glory (light)to glory (light). The Greek word for ‘glory’ is light. Light means ‘illumination.’ You start your process where your eyes begin to twinkle with revelation. That revelation will bring forth a manifestation soon of the things you want to have in life. Learn to master the laws of the universe that God has set into motion for you and then nothing shall be impossible for you to have. *‘Obedience is better than sacrifice.’* - I Samuel 15:22

Everything in Life is A Progression

Everything in life is a progression. Since we live in a ‘microwavable world’, we expect over night success and money but that is not the way the Lord blesses. Yes, he will sometimes in certain cases causes thousands to come in ‘a moment in a twinkling of an eye’ but that is only because he is doing it for a certain reason. We must realize the bible says, ‘A man that does not work, does not eat.’ So we see the Lord wants us to move as kings, earn an honest wage, stir up the power of creativity and go as far as we want to go because it is His will since ‘no good thing will He withhold from those that walk up rightly.’ The sky is the limit for us and all he ask is that we firstly pay our tithes and give back to Him what rightfully belongs to Him in the first place. Malachi tells us that when we pay out tithe, their will be meat upon the table. In other words, we will see the door of revelation open up us to us. Our daily meal will be that of divine revelation. Naturally and spiritually, it will be an unlimited supply of fresh manna from on high. So you see, giving to the Lord what belongs to Him in the first realm, tithing, it will guarantee you the door and table of fresh revelation, rebuke of the devourer, and cause a blessing to flow down to you. Remember, this is a blessing, not a harvest. We will touch on the harvest a little later in the book.

Get thee behind Me Satan

So why is the devil rebuked when we pay our tithe? It is because it is the enemy’s job is to go after that tithe. He wants what belongs to God! You see, when you do not pay your tithe to the Lord, the devil has every legal right to go after that tithe! So wherever that tithe goes, is where the enemy will go. Where the tithe leads, he will follow. Most people think the Lord will ‘understand’ if I do not pay my tithes because there is something pressing for me to do with that money this week. We easily forget that money does not even belong to us, but it belongs to Him in the first place. So we are actually using stolen money to make our purchases, pay bills and do other things ‘we’ feel are more important to do

during that time. Then everything we do with that stolen money will have a sense of destruction added with it because it is no longer the tithe that we 'borrowed,' it then becomes a 'seed of destruction' because it is now stolen money and the devourer is then in control to destroy whatever it touches. This is why the word says, 'obedience is better than sacrifice.' God wants us to obey Him by simply giving to Him what belongs to Him.

I always love to share with others that our tithe is a weapon of warfare. It has the power to rebuke, devour, bring blessings, and even have a fresh portion of manna (revelation) waiting for us to eat daily. And all we have to do is simply, give it away or better said, send it back home where it belongs. Place it back in our father's hands. That's it.
Chapter Four

Tithing: The Curse

"Will a man rob God? Yet you have robbed Me!
But you say, 'In what way have we robbed You?'
In tithes and offerings. You are cursed with a curse, for you have robbed Me, even this whole nation."

Malachi 3: 8-9
Chapter Four
Tithing: The Curse
Robbing God

If a person doesn't tithe, the Bible tells us that he robs God and that is not a good thing.

Who else do you know that would reward someone for not committing a crime? Try going down to the police station and telling them that you deserve an award because you didn't rob anyone today. What kind of response do you think you would get? Yet that is what God does for us. If we tithe (do not rob Him), He will open Heaven's window and pour out a blessing and He will rebuke the devourer. However, if we do not tithe (rob God), He will curse us with a curse. WOW! That's a double-portion curse; to be cursed with a curse.
The Tithe Belongs to God

How will not paying tithes be seen as robbing God? Because the Bible tells us that the tithe belongs to God. It is His already. Be grateful that He allows us to

keep ninety percent. If you are faithful to tithe the ten percent then God will make the ninety percent go farther than it would have gone had you not tithed. He will always cause it to be totally sufficient. God is always faithful to bless us with more much more than we expect. So if you do not want to be a thief and you do want to be abundantly blessed, then be a tither. Remember, the book of Revelations talks about *'thieves and robbers do not enter in….'* I believe if the Lord sees you and calls you a thief and robber in Malachi because we do not pay our tithe to Him then we are destined to not enter into anything in our lives. If you are like me, I can't afford not to pay my tithe to the Lord. I have to enter into my destiny that he has prepared for me in my life. When people come to me and say, 'Dr Lopez, I can not afford to pay my tithes right now.' I always tell them, 'you can't afford not to.' You see, everyone has a seed to sow, a tithe to give and a heart to love, I always say. You have to set your priorities in order and find out what means more to you; being blessed or being cursed? Being a thief or a son of God? Obeying God or stealing from Him? You see when you read all of the things I have written about stealing from God, being a thief and being cursed, you begin to have a sense of legalism and feeling like God is a mean God. But on the contrary, He does these things in our lives not because He is looking for an excuse to 'get us', 'curse us' or come down hard on us. It is because he loves us and wants us to be responsible with everything in our lives. You see, if you have an appointment at 10:00am with a very important client and you don't feel like going, don't think that client will put a lot of stock in you? And somewhere down the road, he will choose someone else to deal with and guess who will pay the price for it, you will. God wants us to be a people of our word. This is why He says, *'A good name is to be chosen among riches.'* –Proverbs 22:1 This has nothing to do with the Lord not wanting you be rich but it has everything to do with integrity, honesty and excellence in your life.

Setting Boundaries

Did you know that having boundaries is very healthy for us in every area of life. God expects us to set up our own boundaries and walk by them. This is the realm of discipline. He as well sets up boundaries with us and even with Himself! Yes, I said it, He sets up boundaries even with Himself. Not because He needs responsibility like us but because He is our example. The scripture says, that the Lord, 'Honors His word above His name.' Which means, He has set up a 'rule of thumb' to put His word first even before His own name. God can do anything He wants to do but He chooses to operate in patterns and boundaries as an example and a sign for us to follow.

We need to learn to be content in every state of our lives. Not staying there but learning to be at peace while stretching towards the heavens. When we give, it is almost like a cleansing for us. We are called to be channels or distribution centers in the earth. So we will constantly be giving and receiving. There should always be a flow in us that allows things to enter into our lives and exit our lives. This makes us detached from things and keeps us attached to the Lord; the foundation that never ‘leaves us nor forsakes us.’

Disease or dis-eased?

So the curse from not tithing will leave us dis-eased; better known as “dis-eased”. It leaves you in condemnation, fear, doubt and worry. Why? Because when you steal or rob from someone, subconsciously it will haunt you until you correct the problem. You will always have an uneasiness (diseased) feeling about you because you know you have robbed from the only one who loves you more than anyone in your life. Remove the sting of death today from your life. The chose is up to you. You can choose blessing or cursing, life or death. It is not up to God, the power is in your hands. If the devil is on your back and the sting of death has brought in the canker worm and the locust eating away at everything you have. Stop for a moment and realign yourself in God’s economy by giving to Him what rightfully belongs to Him. Not out of legalism but out of a heart of thankfulness and love. God loves a cheerful giver. He will see to it that the universe treats you kinder, that the atmosphere will begin to turn to you and not from you. Favor will quickly come upon you and your heart will feel lighter because you remembered to be honest and faithful to ‘that which belongs to another man.’ This is what the word says. Always take care of someone else’s things and that person will take care of what belongs to you. There will be no curse or unkindness from anyone if you always treat the things of others like you would want them to treat your stuff as well. Chapter Five

Chapter Five
The Mystery of the 60-Fold Realm of Offerings

Next, is giving offerings - the inner court experience. Here, we have to turn loose of a little more of our money and give offerings to the poor and to other special needs. Paul addressed this in 1 Corinthians 16:1-2.

1 Corinthians 16:1-2
1 Now about the collection for God's people; Do what I told the Galatians to do. 2 On the first day of every week, each one of you should set aside a sum of money in keeping with his income, saving it up, so that when I come no collections will have to be made. (NIV)

These verses are not to prove that the tithe was for the Old Testament only. Today we lay by as we have prospered, as some suppose. Oh no! The Bible makes it perfectly clear that the subject is offerings given for the saints that are in need. It is the same reason that Phil 4:19 was written. Practically everyone can quote this verse of scripture, but are they aware of the qualifying previous verses?

Philippians 4:15-19
15 Moreover as you Philippians know, in the early days of our acquaintance with the gospel, when I set out from Macedonia, not one church shared with me in the matter of giving and receiving, except you only; 16 For even when I was in Thessalonica, you sent me aid again and again when I was in need. 17 Not that I am looking for a gift, but I am looking for what may be credited to your account. 18 I have received full payment and even more; I am amply supplied, now that I have received from Ephaphroditus the gifts you sent. They are a fragrant offering, an acceptable sacrifice, pleasing to God. 19 And my God will meet all your needs according to his glorious riches in Christ Jesus.

Paul is acknowledging and exhorting the Philippians for their selfless giving to him and his ministry, and as a result he says, *"And my God will meet all your needs according to his glorious riches in Christ Jesus."* – Philippians 4:19

You can claim that scripture only if you are a giver of offerings.

There are also times when the church or other organizations may need a special offering. This could be an offering or perhaps sowing into a ministry. We can also give offerings of time and effort. Proverbs tells us that when we give to the poor we are lending to God, and that He will repay. The good news is: God always pays back far more that what was given. He will not allow Himself to be outdone by His creation. Remember, He is the Creator. It is He that makes it possible for us to have what we have in the first place, so He knew that you would have enough to help meet that need. If you will choose to do so, He can repay you (multiplied).

Giving our time, money and our lives to help others is not just rewarding but it is a good feeling too. Jesus gave of Himself to everyone that came in contact with Him. In it interesting that even in areas of other religions, there is the same common denominator you will find in all of them, helping those in need. In Buddhism, helping others in need by feeding them, clothing them and just loving them is very essential to their beliefs. God has given that same power in each person on planet earth, and that is to take care of others in need. The bible says, *'how can the arm say to the hand, I have no need of you.'* We are part of the human race. We all have a desire to be touched and loved by people. The realm of offerings is so important because it is the realm of not just 'doing it as unto the Lord' but it connects back to humanity. We are all kings and priests unto the Lord. This means, the king in you ministers to the earth realm and the priest in you ministers to the heavens or the High Priest, who is the Lord almighty. You are called to minister in both realms; the earthly and the heavenly. You have keys in both realms to bind and loose or to put it another way, to feed, cloth and take care of the Lord (spiritual) and the people of earth (natural). One with out the other is a false balance. Remember what we said previously about being in false balance, it is an abomination to the Lord or just not acceptable. I desire to be like Abel and not Cain in the book of Genesis by giving to the Lord what He desires and not what we want to bring to Him.

Getting Out of Old Testament Law

Giving offerings is a package deal with tithing according to the book of Malachi. It says to 'bring our tithes and offerings to the Lord that there may be meat on the table.' Offerings are on top of the tithe. Why? Because it takes us out of the realm of the law of just paying our 'required' amount to God which is the 10%, it takes us to glories we have never tapped into because it shows that we have 'come out from among them and be ye separate.' Come out from among who

you may ask? Those who just live by the law and have not left that ‘region’ and run into the land of ‘milk and honey’ or better known to you as His wondrous realm of agape love. I give my tithes and offerings no matter what the cost. No matter how much or how less because I love Him! I always share with people, ‘tithes are set as to how much we should give but offerings are not.’ Why? So God can see just how much we love Him if there were no boundaries in giving.’ If I told you to ‘give according to as the Lord has prospered you’ what would you give? Would you need someone to tell you how much to give or would your heart give because you want to.

I will never forget when I purchased my new Audi. I loved it. The Lord will always tell you, ‘I have no problem at all if you have nice things because I want you to have the best in life just as long as the things do not have you.’

Principle to remember:

‘God said, ‘I have no problem at all if you have nice things because I want you to have the best in life just as long as the things do not have you.’

The Mystery of The 100-Fold Realm of Sowing Seed

Chapter Six
The Mystery of the 100-Fold Realm of Sowing Seed
Naming Your Seed

The next realm or dimension of giving is the 100-fold realm. This is the realm of

sowing seed; a very unique dimension in that when one sows seed, he can name his return. Someone who sows his seed (in good ground) can name whatever he desires to get back (reap).

If, for instance, someone is destitute - his house has recently burned down, he has no lunch money to give his children, he is unable to work and cannot give his family even the basics, you do not want to sow into that person's life. You want to give him an offering. What's the difference? Remember strategically, you are sowing to reap a harvest.

What does that person have that you want as a return from your sowing? What is it that you are going to name that you want to reap back in return? What you want to do is find someone who is successful in what they do, and sow into that person. You always want to sow into someone or a business. This is what I like to call, 'proven ground.' Someone who is steady, foundational and is constantly investing and going higher. This is the roller coaster ride you want to get on and ride the waves to success. It is a guarantee that when you sow into someone who is a victor and knows what he or she wants in life; that you will reap a good return. Sow into someone who has not just a vision but many visions to last them for years to come. In other words, someone who is out running the chariots of life. Someone who knows what they want and they go after it. Many people suffer from a lack of knowledge and we feel 'compelled' to give to them because our heart and emotions got in the way to feel sorry for them. Our heart is wonderful but it can also be pulled upon by the wrong people in every area of our lives. If you feel led to give to someone who needs help, great! Give them an offering to help them out along the way. But when it comes to sowing my seed, I will not sow into anyone's life that is not proven ground. Because I can not afford to 'scatter my seed to the wind' like the bible talks about. What or who you sow into is what you will become pregnant with at the end of the day. Look at your life and examine what you are producing. Are you producing things that are leading you to a better future or do you find yourself producing things that keep you handicapped and bound? Look back into your life and see what ground your seed went into. There you will find what you are living in today.

Co-Creators with God

The book of Genesis says that in the beginning, the earth was void and without form as God began to bring things into existence. He called things that were not as though they were. He spoke what He wanted to see into existence. The things

that were in His heart, He began to call them out from inside of His ‘deep’ and made it happen.

We, being in Christ, the body, who dwells in Him and He in us, are therefore co-creators with God. Not equal with God but we are what He created us to be. We are conformed to the image of Christ and He is God. Therefore, as co-creators we also can “call things that are not as though they were” and name the seed we sow. Your money may be void but you can speak life into it and name the expected return on it and it will prosper in the thing for which it was sent. God names His seed and it never comes back void.

Isaiah 55:11
11 So shall My word be that goes forth from My mouth; it shall not return to Me void, but it shall accomplish what I please, and it shall prosper in the thing for which I sent it. (NKJ)

But God says, *“I’m not going to name it for you; you will have to name it yourself.”*
Principle to remember:

‘Someone who sows his seed (in good ground) can name whatever he desires to get back (reap).’ – Dr. Jeremy Lopez

We are the Elohim of God

Remember, we are the Elohim with God. Elohim means ‘Co-Creators.’ We have inherent creatorial powers because we are bone of His bone and flesh of His flesh. Let me give you an example. When a man and woman have intercourse to produce a baby and nine months later they birth forth a beautiful baby girl or boy, that is Elohim. The creatorial powers in us can and will cocreate anything we put our minds to. This is why it is so important to keep a watch over your thoughts. Your thoughts are seeds that are constantly sowing into someone or something’s ground. Think about it for a moment. How many of you have thought or pondered on someone for a while and you just ‘happen’ to run into that person or they end up calling you out of the blue? Because your mind is so powerful that it will attract whatever you are thinking about. Your thoughts were sowed as a seed and you began to reap back what you ask for or thought about. So the seed was planted as a thought of what you wanted and it came back to you. This is also called the law of attraction.

“Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap” - Gal. 6:7.

The Law of Attraction

This is also called the law of attraction. The law of attraction says that ‘like attracts like.’ When you ponder on something it will draw back to you the same exact thing. This is not some new age tale, this is bible.

“As a man thinketh in his heart, so is he.’
- Proverbs 23:7

Whatever you think about you become. In other words, it is drawn to you and becomes a part of your life.

You Need a Harvest

The tithe opens the windows of heaven for you, but you need more than a blessing, you need a harvest; something to sustain you for the long haul. Therefore, if you take the abundant blessing received as a result of your tithes and offerings and you also sow your seed into good ground, naming what you expect to reap, you can begin a cycle of constant harvest. You will truly be a blessed blessing.

God wanted many sons and daughters, so He sowed His one and only Son. Three days later Jesus Christ arose and since that time there have been, and still are, hundreds and thousands of sons and daughters added to the Kingdom every day. God sowed His Son and reaped back many sons unto glory. The bible mentions as long as this earth remains, there will be a constant cycle of sowing and reaping (seedtime and harvest). You live a lifestyle of either sowing or reaping everyday. My question to you would be, ‘are you constantly sowing and constantly reaping of things you want in your life?’ Your life should never be one stronger than the other. Because of you find yourself reaping back a plentiful harvest than you should do the best you can do to give more. Giving is an awesome avenue for God to set the universe and creation in motion to bless you back. We give because we want to bless others. This should be an automatic ‘knowing’ in our lives.

“For God so loved the ***world*** *(cosmos) that He gave….’* John 3:16

The word ‘world’ in the Greek means ‘kósmos’– an "ordered system" the universe and or creation. So God loved not just planet earth but the cosmos or universe.

All of creation has an input and an output. Plants, trees and everything alive has cycles of life and death, blooming and withering. Even Ecclesiastes speaks of *‘to everything there is a season to live and a season to die…’* everything has a cycle. Your life is a cycle but many people see it as a rut. Change the course your life is on by strategically getting the correct mindset of prosperity and start sowing!

The attraction of Wealth and Riches

If we look at the story of Jesus at birth, we find He began to see things attracted to Him because He knew who He was. As the King of kings, he began to attract to Himself other kings from afar. As ‘our provider’ and the God of ‘more than enough,’ He attracted to Himself gold, silver and myrrh. As the ‘Good Shepherd,’ shepherds from afar while watching over their flocks by night began to be drawn to the Good Shepherd. You see, life is all about who you think (know) you are. If you know that you know that you are full of abundance, the ‘treasure in these earthen vessels’ will begin to be opened up to you. If you know you are co-creator with God, witty inventions will begin to be poured out of you from the mind of Christ that you possess. If you think it, you will become it! Wealth and riches are two totally different things. Riches are gold and silver. We need riches in this life to succeed. Wealth is a state of being, a lifestyle. To be truly wealthy means that you are secure in who you are, naturally and spiritually and are mindful of the treasure in your earthen vessel.

vessel. *‘But we have this treasure in earthen vessels…..’*

Your vision is strong and you are activating the Christ Conscious mind in you with no limitations. It basically means you are whole in every area of your life. In Ecclesiastes 5:19, it discusses there are riches and wealth that the Lord gives to us. He desires for us to have both! Filled and complete in both realms.

Are You A Sower?

The bible tells us it is, ‘God who gives seed to the sower.’ In other words, do you see yourself as a sower or just one who’s life is a ‘barely getting by’ kind of life? If that is you and you have that kind of mentality, you will never enter into the realm of being a sower. Therefore, the Lord will never give you seed to sow. He

only gives seed to the sower. Change your direction and become a sower today. Become the master of you life and get a plan.

'If you fail to plan, then you plan to fail.'
- Harvey MacKay

You never stand still you are always either going forward or backwards, but never really standing still. Creation never stands still for one moment. It is in constant motion. Twenty-four hours a day, seven days a week.

Mount Up with Wings

Even in the bible it talks about 'those who wait upon the Lord. They will mount up with wings as eagles.'

*'But they that **wait** upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.'*
– Isaiah 40:13

The word, 'wait' in the Aramaic means to 'bind and twist together.' It does not mean to sit still or as I like to call it, stagnate. So you see, even when you need an answer from God, you still have to put corresponding action behind your faith by doing something. 'Draw nigh to God and He will draw nigh to you.' He wants you to draw to Him first then He will draw night to you. So start creating today your future by repositioning yourself. Let the Lord redefine you as a sower and then start casting your bread out on the water and it will come back on every wave… guaranteed.

'Whatever you think about you become.' – Dr. Jeremy Lopez
Call it Forth with your Voice

When you are a sower, you have to name your seed so it will bring back to you what you want. Science teaches us that in the atmosphere, there are frequency waves. And these waves connect to only other waves that it 'relates to' or finds a common denominator with. Everything in creation has a frequency wave or a vibration. So when you cast your bread upon the water, it brings back to you that same frequency wave that it relates to or finds the same pattern code within it. So this is why it is so vitally important for you to 'name your seed.' You have to prophesy to it; speak the breath and life of God into it. You are cocreator with

God so speak life into it. A seed is like the earth was in Genesis. It is full of void and has no form to it. It is the 'masters' job to speak life into it and give it form. You are that master over the seed, speak to it! What you want to see back in your life is what you will get. Don't just scatter your seed to the wind, but give it form, creativity and life. Send it out with a purpose and mission to bring back to you what you want and need.

Sowing Properly - Not Foolishly

It is important that you sow into the right thing with the proper motive. This means don't sow just to get something back while the ministry of God goes lacking and neglected. I'll let Haggai explain it –

Haggai 1:5-9
5 Now therefore, thus says the LORD of hosts: "Consider your ways!" 6 You have sown much, and bring in little; you eat, but do not have enough; you drink, but you are not filled with drink; you clothe yourselves, but no one is warm; and he who earns wages, earns wages to put into a bag with holes. 7 Thus says the LORD of hosts: "Consider your ways!" 8 "Go up to the mountain and bring wood and build the temple, that I may take pleasure in it and be glorified," says the LORD. 9AYou looked for much, but indeed it came to little; and when you brought it home, I blew it away. "Why?" says the LORD of hosts. "Because of my house that is in ruins, while every one of you runs to his own house." (NKJ)

Do not neglect the things of God (physical as well as spiritual) while you are seeking your blessing and your harvest. Seek the wisdom of the Lord before you make any financial decisions. Do not become enslaved to money, but be the master of your own money.

Two Masters

Many people are foolishly deceived. Jesus warns us of serving money in Matthew's gospel.

Matthew 6:24
24 "No one can serve two masters. Either he will hate one and love the other, or he will be devoted to the one and despise the other. You cannot serve both God and money." (NIV)

The scriptures that follow go on to talk about not worrying for anything. I don't

think that it would be presumptuous to conclude that when one worries about what he doesn't have or what he may not have tomorrow, he will become consumed with money or the lack thereof, at which point money becomes his master. Some people find themselves 'sleeping' with their money (or loving it more than they should) to where when the Lord takes it from them for a certain reason, they go crazy and depressed because money was not called to be our lover but it is called to be our friend. Friends hang out with other friends who treat them good. If money is your enemy, it will quickly leave you alone.

You need to learn to rule over your world and not let your world rule over you. You have the keys over your metron or 'sphere of influence.' Rule and reign over your kingdom like a king. The Lord loves it when we 'act like Him' or in other words, 'become Him in the earth.' Everyone knows a father always loves for his son to be like him. Our Heavenly Father wants us to rule like Him, be 'more than enough' in the earth like Him and even speak life to creation like Him. Use the keys He has given you and make life happen for you.
Principle to remember:

'You need to learn to rule over your world and not let your world rule over you. You have the keys over your Metron or 'sphere of influence.' Rule and reign over your kingdom like a king.' – Dr. Jeremy Lopez

"Bring all the tithes into the storehouse, that there may be food in My house, and try Me now in this"

Malachi 3:10
Chapter Seven
Strategic Giving
Discerning What It Is and How to Give It

We must know how to strategically handle our giving. Is it a tithe, is it an offering, or are we sowing seed and naming our harvest? Are we giving and

therefore receiving in the 30-fold realm, the-60 fold realm, or the 100-fold realm?

Sowing seed is neither tithing nor giving offerings. Tithing is not sowing seed nor giving offerings and giving offerings is not tithing nor is it sowing seed.

God has a specific way of doing things and that's the way it is, period!

First we tithe, then we give offerings, then we sow seed. That's the protocol. That's the way God set it up. That's the way it is. Fresh Revelation in the Storehouse

Tithes are for meat (food/revelation) in the storehouse of God.

Malachi 3:10
10 "Bring all the tithes into the storehouse, that there may be food (meat) in My house, and try Me now in this."

We would say, today, "Bring all the tithe into the storehouse that there may be fresh revelation from heaven, in my house."

If your pastor or teacher is teaching and preaching the same thing week after week and there is never a fresh word of revelation from God, then maybe it's time to rethink why you're there - much less why you're paying your tithes there. A church with no fresh revelation in it tends to be religious and filled with legalism. It is not a church after the order of Melchizedek. As a king, you should always fill your world with others who have life in them, who are prosperous, who have daily manifestations of God's favor, who are champions, and who know who they are in Christ. When you go to a church that is dry and full of 'dead man's bones,' you will become the same way if you do not reposition yourself.

There is a big difference in having compassion for others, walking the extra mile with them than allowing them to affect you with that same mentality of walking in the 'low calling' of God when we are called to walk in the high calling of God. Remember, if there is a high call their will always be a low call as well. The choice is all up to you of which one you choose to walk in.

*'I press toward the mark for the prize of the **high calling** of God in Christ Jesus.'* – Philippians 3:14

When you are light and everyone knows light always drives out darkness when the switch is turned on.

'A poverty mindset is a dangerous mindset.' – Dr. Jeremy Lopez
Poverty is A Deadly Poison

In the book of Proverbs 10:15, it reads: *"The rich man's wealth is his strong city: the destruction of the poor is their poverty.'*

God sees poverty as a deadly poison and destruction. Why? Because it distorts your view of life. It limits your purpose to what you're called to do on earth. It is amazing since we know that drugs can be a destructive lifestyle but the bible does not even mention it. But it does mention poverty being destructive to the poor. Remember, poverty and sin go hand and hand. Do not allow yourself to entertain that poison or it will get into your blood system and lower you down to its level. Principle to remember:

'As a king, you should always fill your world with others who have life in them, who are prosperous, who have daily manifestations of God's favor, who are champions, and who know who they are in Christ.'

The Melchizedek Priesthood Releases The Unlimited Realm

"And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit

before the time in the field," saith the LORD of hosts.
Malachi 3:11

"Many people take no care of their money till they come nearly to the end of it, and others do just the same with their time."

- Johann Wolfgang von Goethe
Chapter Eight
The Melchizedek Priesthood Releases the Unlimited Realm
Abraham Paid Tithes

Abraham, upon his victorious return from the battle with Chedorlaomer and the kings of the North, met Melchizedek (king of Righteousness, king of Salem, meaning king of peace - without father and mother, without beginning of days or end of life). There Abraham paid tithes to Melchizedek.

Abraham understood the order of God. He first paid tithes before he sowed seed for Isaac.

This is why he could take the boy to the mountain to offer him as a sacrifice as God had so commanded him to do, with confidence that they both would return. He knew and understood that the principle of tithing was a covenant, and he was a man who paid his tithes, and as such he knew that God would honor his promise of making many nations and peoples from the descendants of Isaac.

Malachi 3:11
11 "And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field," saith the LORD of hosts. (KJV)

Isaac was Abraham's seed, the fruit of his loins. The devil couldn't destroy his seed. But it was God who told Abraham to sacrifice his son, not the devil. Yes, and Abraham knew God. He surely knew that his God was not in the business of killing the promised seed of a covenant man.

The Order of Melchizedek

God said to His son Christ Jesus, "*You are a priest forever after the order of Melchizedek.*" – Hebrews 7:17

We must be a part of (and pay tithes to) churches that are after the order of Melchizedek, the priestly order that teaches fresh revelation, that reveals our place as priests and kings, and co-creators with God, and as more than conquerors in Christ Jesus.

God says, "I am raising up a company of kings and priests and therefore I must have an anointing of Melchizedek in the house." If you are in a church and are tithing to a church that is not following the priestly order of Melchizedek, instead of getting revelation truth you will most likely get legalism and harshness; teaching constantly on sin when they should be teaching grace and the love of God. That's the real gospel (good news.)

The priestly order of Melchizedek is a mantle or a set order that God is setting into motion and wants His church to go by. The Melchizedek order is not of this world. It is from the unlimited realm of the spirit. This is the order we are called after. In the bible you had the two priesthoods called the Levitical priesthood and the Melchizedek priesthood. Many churches follow the wrong pattern or order. Many follow the pattern of the earthly priesthood which is the Levitical priesthood. The order of the Melchizedek priesthood is not from this realm.

Two Trees in the Garden

In the garden of Eden you had two trees. One was the tree of life while the other was the tree of the knowledge of good and evil. Both would represent the two priesthoods. One was the eternal order while the other was only meant only for this earth, from the limited realm. The earthly realm represents the Levitical priesthood and the heavenly realm was the Melchizedek priesthood. So if your church is following after the Levitical priesthood, you will have to endure legalism, do's and don't and other things that are of works and not faith.

'Faith is substance of things hoped for the evidence of things not scene.' - Hebrews 11:1

Wherever you pay your tithes you will have or develop the same mentality. Why? Because like attracts like. The same mentality preached will affect you and you will dry up. I encourage others to go to a good church where love, grace, hope, joy and life are being preached. Then you know your pastor is being fed by the tree of life and not by the knowledge of good and evil and do's and don'ts. Slavery and bondage will not help you to go higher and prosper in the unlimited realm.

Melchizedek is limitless

When you wake up to being part of the Melchizedek priesthood, you realize he had no father, nor mother, nor beginning nor end. Which means that flesh and blood did not hold him back nor hold him down. You also are limitless because you are not from this earth realm but from God!

The scriptures tell us we are born of God not after flesh and blood. There is nothing in this life that holds you back except yourself. Not even flesh and blood.

‘You are a spirit having a human experience not a human having a spiritual experience. ‘

Your mentality will make you or break you. See things from a universal point of view and not an earthly point of view. You are seated in heavenly places not in the lowlands or the valley. Reposition yourself!

You have the breath of God in you of life, prosperity, success, wealth, health and everything is handed to you from the unlimited realm. Now is your time to rise and move in the realm of witty inventions.

Inventions are in You

Proverbs 8:12 says, *‘I wisdom, along with prudence, and find out knowledge of witty inventions.’*

You have the mind of Christ to move in the ‘exceedingly, abundant’ realm of God! Your brain tells your legs, arms and body when to move, what to do and how to do it. Your mind has the power to think, add, subtract,

divide and other things that no other creature on planet earth can do. You have it in you to create and invent things that the world has never seen before.

Principle to remember:

‘You are limitless because you are not from this earth realm but from God!’ – Dr Jeremy Lopez

Shifting Orders Of the Priesthood: A Change in the Law

“Money will come when you are doing the right thing.” - Mike Phillips
***

“... You are a priest forever, in the order of Melchizedek. The former regulation is set aside because it was weak and useless (for the law made nothing perfect), and a better hope is introduced, by which we draw near to God.”

Hebrews 7:17-19

Chapter Nine
Shifting Orders of the Priesthood: A Change in the Law

Hebrews 7:11-12
11 if perfection could have been attained through the Levitical priesthood (for on the basis of it the law was given to the people), why was there still need for another priest to come - one in the order of Melchizedek, not in the order of Aaron? 12 For when there is a change of the priesthood, there must also be a change of the law. (NIV)

Hallelujah! When the priesthood shifted from Levi to Jesus, the law had to change. The old law of do's and don'ts and the religiosity of it had to go in order to make way for the royal law of love (James 2:8) and God's goodness and grace, based on the power of the blood of Jesus.

Hebrews 7:15-19
15 And what we have said is even more clear if another priest like Melchizedek appears, 16 one who has become a priest not on the basis of a regulation as to his ancestry but on the basis of the power of an indestructible life. 17 For it is declared: You are a priest forever, in the order of Melchizedek. 18 The former regulation is set aside because it was weak and useless 19 (for the law made nothing perfect), and a better hope is introduced, by which we draw near to God. (NIV)

Praise the Lord! We are no longer under the bondage of the old testament law, but we are bound to Jesus (a bond-servant of love). He is now our high priest. He who lives forever and has redeemed the saints from destruction unto eternal life. The same Jesus who taught that the Kingdom of God is now and is within you, is our high priest.

Kings and Priests

We have been made kings and priests unto God.
Revelation 1:5-6
5 And from Jesus Christ, who is the faithful witness, and the first begotten of the dead, and the prince of the kings of the earth. Unto him that loved us, and washed us from our sins in his own blood, 6 And hath made us kings and priests unto God and his Father; to him be glory and dominion for ever and ever. Amen. (KJV)

Revelation 5:10
10 And hast made us unto our God kings and priests: and we shall reign on the earth. (KJV)

I have never heard of a king who was just barely making it. Kings have it all and the entire kingdom belongs to the king. Wake up church! God desires that you prosper and be in health even as your soul prospers.

The I Am Realm

Quit living in the past and the future. They are not guaranteed nor do they even exist right now. What does exist is the here and now. Now is the time for true faith! Now is your moment to make it happen! The Lord's name is I Am not I was or I will be. 'Even as he is, so are we in the earth.' Many of you would say to me right now, 'but Jeremy, I am waiting to get that bonus check to start my business' or 'I am saving my money in case something happens. That's wisdom, right?' No! Wisdom says 'invest it,' 'multiply it' 'make your money work for you instead of you working for it. If you keep on putting your life on hold, then when tomorrow comes, you will still be on hold because you can not have the power or the authority to release your life in the tomorrow realm because God never gave us the power over tomorrow but He did in the now. Faith is the key and the authority that causes us to activate the now. Use your key to move in the now and watch things begin to happen for you now. I am rich now! I am prosperous now! I have abundance and no lack now! Why? Because I am that I am now! I am anything I need now. I don't have to look for it, wait to get it or reach out for it. It is mine now for the taking. All I have to do is reach from within and be who 'I Am.'

The bible says, *'let the weak say, I am strong.'* – Joel 3:10

What are you saying right now about you? Skip tomorrow, because tomorrow will never happen for you because tomorrow does not exist, only the NOW exist. Line yourself up with God as the I Am and things will be drawn to you now! Perception is everything. How you see yourself is how others (and things) will see you.

'Multitudes, multitudes in the valley of decision….' – Joel 3:14

Get out of the valley and make up your mind. Life or death, poverty or riches, sickness or health. Many people today are in the valley of decision. They are

doubleminded going back and forth with what they want in their lives. The bible for those who are double-minded that they are *'unstable in all of their ways.'* – James 1:8 *'**Be ye strong** therefore, and let not your*

*hands be weak: for your work **shall be rewarded.'*** - 2 Chronicles 15:7

Chapter Ten
Barely Enough Is Not Enough
"Money is usually attracted, not pursued."
- Jim Rohn
***

"... God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work."

2 Corinthians 9:8
Chapter Ten
Barely Enough
Is Not Good Enough
Have Faith and Believe For a Harvest

2 Corinthians 9:8
8 And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work. (KJV)

2 Corinthians 9:11
11 Being enriched in every thing to all bountifulness, which causes through us thanksgiving to God.

When there is a "barely" mentality, you are never living up to what God had planned for your life. There is no faith present and no confidence in God to ever bless you. Your situation gets worse and worse. Do not settle for barely getting by. Begin today to tithe and sow seed. If you have little, you still have something. Give what you have. Yes, it takes faith to tithe and give offerings and especially to sow into someone or something. It's not always easy to give when

you hardly have enough yourself. Faith in God to do whatever He said He would do will carry you through to the promised blessing. Prepare for your harvest today and sow your seed for a better tomorrow.

“Barely” is a Dangerous Word
Principle to remember:
‘Barely getting by will never take you to your destiny.’ - Jim Lopez

The word “barely” means ‘uncovered, undisguised, only, just, scarcely, scantily.’ This can be a dangerous word in the Kingdom. Kingdom thinking leaves no room for that kind of mentality. When you are barely making it, you are uncovered before the enemy because you are living far below God’s best for you. God is just not into scarce, or just enough, or scantiness. He owns it all. There is no a lack of anything in His economy. You are His child and heir to everything that your Father has.

We don’t have to be concerned about the economy because God has no economic crisis.

I close this book with this thought: The financial problems that most of us have are because we don’t know how to get rid of our money. Be a distributor in the earth realm of give and take and your life will always be on top of things.
