WHATSAPP +2332085124

NB: (i) All specimens can be provided as group specimens for **five** (5) to **ten** (10) candidates;

(ii) All specimens **must** carry individual labels (e.g. **A**, **B**, **C**, **D**, **E**, **F**, **G**, **H**, **J**, **K**, **L**, **M**, **N**, **P**, **Q**, **R** and **S**).

(*b*) It is essential that **each** candidate should be provided with the following materials:

(i) hand lens/magnifying lens;
(ii) scalpel/razor blade/knife;
(iii) pair of forceps;
(iv) hand gloves;
(v) match box.

REPORT FORMS

4. Report Forms are provided separately on which you are required to:

(*a*) supply the necessary information about the specimens;

(*b*) report any difficulty in the conduct of the examination;

(*c*) report any particular difficulty experienced by any candidate during the conduct of the examination, especially if the examiner would be unable to discover this from the scripts;

(*d*) carry out and record experimental observations as directed in the Report Form.

5. You **must** enclose a completed Report Form in **each** envelope of scripts.
