TRANSLATED VERSION

My hiding place, hiding place
You are a gift from God the creator
I feel so blessed
I feel so loved
You have honoured me
You have given me life

I left my Parents, Daddy and Mummy
I have followed followed followed you
As has been instructed from above

Baby, to you I have arrived
Never, never will I be shaken
Either by neighbors' words
or by intriguers words
They will never separate us

If the dish is hard porridge with sardines
We shall eat
Even though we spend the day without food
We shall sleep

I give you my heart
I give you my soul
Baby, you have excelled above all

I give you my heart
I give you my soul
Baby, you have excelled above all

My hiding place, hiding place
My hiding place, hiding place
You are a gift to me from God the creator
I feel so blessed
I feel so loved
You have honoured me
You have given me life

My hiding place, hiding place
You are a gift from God the creator
I feel so blessed

I feel so loved
You have honoured me
You have given me life

What I ask you my love
Give me your heart
And I give you my heart
Let us stick together
As ordered by God

Yeah! Yeah! Say!
Let’s pray for each other
Let’s correct each other in love

My hiding place, hiding place
You are a gift from God the creator
I feel so blessed
I feel so loved
You have honoured me
You have given me life

My hiding place, hiding place
You are a gift from God the creator
I feel so blessed
I feel so loved
You have honoured me
You have given me life
