THE FAMILY OF SIN
Bible text: Isaiah 14:12-14

Prayer
Our heavenly Father we exalt you, we bless you for you are good. Lord, as we go into your word tonight, minister unto us in Jesus Christ name, amen.

Introduction
Today, we will be learning about a family. Don't be surprised to hear that it's a family we will be learning about today. This family is one of the most united family in history. What I mean by this is that they are united within the family and they work together as one. This family has been existing since ages and they have produced a lot of children. The family is common in this our generation and people often visit this family. For some of us here, we have once visited this family before whether intentionally or unintentionally.

Some people happily visit this family day after day while some visit this family sometimes unhappily. This family has imparted so many lives across the world and keeps imparting lives day after day. By now, I know the question that keeps ringing in your heart is that; what is this family and what kind of family is this? Do you want to know this family that keeps imparting many lives day by day across the world? The name of the family is **The Family of Sin** That is our topic for today. Are you ready to hear the truth about this family?

Study
If you are ready, kindly follow me in the Spirit as we journey through this teaching by the inspiration of God. Just the way we have a family with father, mother and the children, so do we have

the family of sin which consists of the Father, mother and the children. But, just as we all have or had grandfathers through whom we got our surnames from, so does the family of sin have a grandfather through whom the family of sin was birthed. And, the grandfather is the devil! It was through him that the family of sin was birthed. But unlike the case of natural families, this grandfather birthed both the father and the mother. Then, the father and mother birthed the children. Now, let's go down to the family since we have known the grandfather that birthed them. According to the roles of individuals in the home, the Father is the head of the home and in most cases, fathers are the oldest in the family. This also relates to the father in the family of sin.

One distinct thing about this family is that despite the devil being their grandfather, the family is referred to as the family of sin. While, the whole lineage or generation of the family of sin is known as the generation of the wicked one called "the devil". So, who is the head of the family of sin? Who is the first to be birthed out of this sin family? The head of the family of sin is "**Pride**". Father pride is the head of this family and why is he regarded as the head? It is simply because it has been existing since a very long time even before the foundation of the world. It is the same father pride that sent its grandfather (the devil) out of heaven.

Isaiah 14:12-14 (KJV):
"How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the most High."

So, what is pride?
Pride means when a person is full of himself or herself. It is when a raises his or her shoulders up and believes he or she is greater than everybody else. It is when a person believes he or she can do anything by himself or herself without even the help of God.
Pride is a sin and God really detests it. God can not dwell in a proud vessel because He repels them. **James 4:6:** "But he giveth more grace. Wherefore he saith, God resisteth the proud, but giveth grace unto the humble."Anybody who walks in is in synchrony with this family of sin. You can't claim you are not in agreement with this family and still bear one of their fruits in you, it's not possible.

Pride has destroyed marriages, scattered relationships, destroyed people, separated people from God, caused a lot of people to miss golden opportunities, closed the doors of breakthrough against many and done a lot of things. This father pride is so hard working that it has implanted itself even in some ministers of God. Being the head of the family, it works so hard to create opportunities for other members of its family to gain access into people's lives, homes and even churches. And, it has succeeded over many Christian families. May it not gain access into your life, ministry and career in Jesus Christ name. So, who is the mother in this family of sin?

The mother is **Lust**. Just the way we know that the mother in a family is the one with the womb that houses the children before they are born. So, does mother lust also have the womb that houses the baby of the family of sin. Through the coming together of Father pride and mother lust, mother lust gives birth to other sin children. **James 1:15:** "Then when lust hath conceived, it bringeth forth sin: and sin, when it is finished, bringeth forth death."It is through lust that all other sin-children

are birthed. So, what is lust? Lust is a strong and intense desire, usually for something that brings physical or sensual pleasure, most commonly sexual desire. You should never underestimate the effects of lust, especially in this generation. Children are consumed in lust, teenagers are not left out, the youths are worse while the adults too are also battling with this mother lust. And, for as many that are battling with lust, lust has successfully given birth to other sin-children in them. The children of lust are numerous as lust gives birth to as many children as possible. It's a pity that many people have allowed the family of sin to gain entrance into their families and this has made a lot of things go wrong. Any church or ministry where this family of sin gains entrance, such church or ministry becomes a playing ground for the devil and the children of the family of sin.

I cannot finish telling you about the children of the family of sin, but I will do well to tell you the notable ones and the roles they play in our next lecture. Also, I will tell you how to eradicate the family of sin wherever you see them functioning because as long as you see them in a territory, the people in that territory find it so hard to serve God. Therefore, we will continue the teaching next time and where we will go deeply into what this family has caused a lot of people, even children of God, inclusive. Till then, I pray that may the Father and mother of the family of sin not gain entrance into your life in Jesus Christ name, amen.

The Children of Pride and Lust

Since we know pride is the father and lust is the mother, they have produced a lot of children. Some of their children are;

1. Fornication/adultery
2. Sexual perversions
3. Lies
4. Hatred

5. Jealousy
6. Malice
7. Untimely Death
8. Wickedness
9. Murder
10. Witchcraft
11. Masturbation
12. Pornography
13. Envy
14. Idolatry
15. Strife
16. Stealing
17. Smoking
18. Drunkenness
19. Indecent dressings
20. Covetousness
21. Greed etc

These are just few out of the children that both Pride and Lust have birthed. Apart from these children, some of these children also come together to give birth to their own children. The children they give birth to become the grandchildren of pride and lust. The family of sin has been causing damages to the world ever since the world began. They have always tried to separate humans from God because God is too holy to behold them. Let's quickly look at few damages they have caused even in this generation and how we can overcome this family.

Some damages caused by the family of sin

1. They are causing disunity even amongst brethren in the body of Christ. Pride has dealt with a lot of ministers. They see themselves greater than those around them. Because of pride, some of them have lost access to the presence of God because God resists the proud but gives more grace to the humble.

James 4:6: "But he giveth more grace. Wherefore he saith, God resisteth the proud, but giveth grace unto the humble."As long as a person keeps allowing pride in him or herself, the farther God moves away from such a person.

2. People are now committing different atrocities. As a result of lust, people are finding themselves in situations that warrant them to commit more sin. Young men and women now fornicate, married men and women now commit adultery. Different perversions everywhere now as a result of sin. I saw a video today about a foetus that was aborted even though the baby was already developing. The video was showing the aborted dead baby on the ground. This is how far wickedness has gone. This is the extent the family of sin has worked. People now see abortion as the usual thing not minding that they are commiting murder. People are now doing anything because of money. Youths are now engaging on different activities as long as it fetches money. That's how far this family has imparted a lot of people. It is such a pity!

3. People now dress half naked and are not ashamed of it.
Due to this family of sin, people now dress half naked even in the public without shame. That's how bad it has been. Lust is spreading like wild fire and many people are partnering with this family of sin.

4. People smoke, drink, steal, lie, backbite and do a lot of things just because of how hardworking the father and mother of sin are. They have implanted and fixed their children into numerous homes, various families and a lot of lives. May you not be a victim in Jesus Christ name, amen. Many of us (if not all) know the effects of this family of sin, so I won't stay on it. I will move now to how to tackle this family of sin if you find them active in your life, ministry or family. The most important thing is to be able to

tackle this family so that they won't have a hold over you and that's what we will do now.

But, why is it important to fight against this family?
1. God loves righteousness
2. The wages of sin is death **(Romans 6:23)**
3. The Lord strictly warns us to stay away from them

Galatians 5:21:"Envyings, murders, drunkenness, revellings, and such like: of the which I tell you before, as I have also told you in time past, that they which do such things shall not inherit the kingdom of God."

4. Only those who stand with God and stay away from this family of sin can inherit the kingdom of God.

Are you with me?

How to battle this family
This is a big family and you cannot overcome them by your physical strength. It's like say you want fight against 30 people when it's not that you possess some kind of superpower. Only Samson and few powerful men of war would have done that in the Bible. Therefore, if you notice any of the family of sin at work in your life, follow carefully as we look at how to battle them.

1. You MUST be born again
This family can never be overcome with the flesh. They are works of the flesh on their own, so to battle them, you can't also use the flesh weapon. You have to connect to a greater power. You have to connect to someone who has conquered this family and that is Jesus Christ.

Romans 6:6: "Knowing this, that our old man is crucified with him, that the body of sin might be destroyed, that henceforth we should not serve sin."

2. You must be dead to be free from this family

This is not the normal physical death, it is dying to the flesh and alive in Christ. **Rom 6:7-8:** "For he that is dead is freed from sin. Now if we be dead with Christ, we believe that we shall also live with him:"Anyone whose flesh is still very much active will always find the family of sin active in his or her life too. You must be dead to the flesh. This is why Apostle Paul said "I die daily". It is important to always crucify the flesh daily else, such a person won't be able to overcome this family.

3. Walk in the Spirit at all times

Another way is to always be sensitive and walk in the Spirit. Anyone who walks in the Spirit at all times will not fall into the trap of this family. **Galatians 5:16:** "This I say then, Walk in the Spirit, and ye shall not fulfill the lust of the flesh." Walking in the Spirit simply means being connected to God, discerning and doing His will at all times. This will make the family of sin not overcome such a person. Please, stay with me as we round up.

4. Flee from every appearance of evil

Temptations will always come this is why we are to flee. Don't be too overconfident in your self. If the family of sin could bring Samson down despite his strength, don't boast in your strength!
1 Thessalonians 5:22: "Abstain from all appearance of evil."I have seen and heard of how this family of sin dealt with people, even ministers of God just because they felt they could never fall and played around temptations. Wisdom is profitable to direct. Whenever you see the activity of the family of sin in play, run far away to avoid being lured or tempted into it. You are courting as a Christian brother and sister and yet, you tell the sister to sleep

over at your place so that you can have enough time to discuss the plans of the wedding. That's not wisdom, you are inviting the family of sin into your abode and lust will be the first to do her work.

And, the last but not the least,

5. Be spiritually guided and armed
A lot of Christians have lost their weapons and arms. They have lost the power of prayer and neglected the weapon of the word of God. This is why the family of sin easily penetrates into their lives. How often do you engage in prayers? How often do you study your Bible and even memorize scriptures? Some claim they are too old to memorize the scriptures just because they are more than 50 years of age. It's never an excuse! This is a weapon that every Christian should arm themselves with regardless of age, marital status or even shoe size. **Ephesians 6:11:** "Put on the whole armor of God, that ye may be able to stand against the wiles of the devil."The more loose you are in the day of battle, the more likely it is for you to lose the battle. Always be armed spiritually and do not lose your fire because the family of sin is always on the watch to pull every unsuspecting Christian down. May you and I not be victims in Jesus Christ name, amen.

Pray this prayer

"I destroy the effects of the family of sin in any part of my life in Jesus Christ name"

Therefore, on this note, we close the curtains of the teaching. Do have a lovely night rest, beloved. Thanks for your time and God bless you all.

Invitation

If you know that you are still living in sin and you are ready to repent and begin to live your life in strict obedience to God so that you can overcome every sin in your life to make heaven, please place your right hand on your chest and say this prayer with your mouth.

Say,

"Lord Jesus, I accept You as my personal Lord and Savior. I believe that You died for me and took away my sins so that I will not face the penalty of them. I surrender my life to You today, and I make a decision to obey and follow You. Come into my life now and accept me as Your child. Thank You for saving me, in Jesus Christ's name I pray, Amen."

Congratulations, now you are saved. If you prayed this short prayer, please WhatsApp **+2347067511039** and let me know that you have just been saved. I want to have a word with you. God bless you!
