How to Use this Book

IMPORTANT INFORMATION

This quiz book is designed to be used on a kindle device or any tablet using the amazon kindle app.

To get the best user experience out of this game it is strongly suggested that you follow the instructions below:

1) Hold your kindle or table as though it were a normal book so that the page is taller than it is wide.

2) Maintain the default font size, which is font size 3.

3) DO NOT use the scroll functions of your kindle or tablet. To work correctly you will need to select the hyperlinks to answer the questions, which will take you to the next question when you have successfully answered the previous question. Or the hyperlinks with give you a chance to attempt the question again.

There are 101 questions in the quiz. Each correct answer will reveal an interesting fact about the city or country in question.

To begin the quiz, select the hyperlink below:
