DEDICATION

This book is dedicated to the **HOLY GHOST** for inspiring me to write this eye opening book.

APPRECIATION

My appreciation goes to my dedicated wife, **MRS NGOZI OLAYERI,** who typed the manuscript of this book and designed the cover page. My darling wife I say thank you. My appreciation equally goes to my lovely children, **MISS IBUKUN, DAVID, MICHAEL COMFORT and MERCY.** They encouraged me day and night as I write this book

Respect and honor should be given to who is due. Favor comes from God and men as well. My calling (writing evangelism) met the timely support of a particular man of God, preacher, teacher, prophet and General Overseer. He awakes my inner man and gave me sound spiritual support. Without his earlier support for my first book, **Fire for Fire Prayer Book** and subsequent ones, I may not be where I am today in Christian literature writing. He gallantly stood by me in fulfillment of my calling.

This book you are holding is a testimony of my claim. This book wouldn't have seen the light of the day, if not for the spiritual encouragement I gathered from my father in the Lord who served as spiritual mirror that brightens my hope to explore my calling.

I am talking of no any other person than the **General Overseer of MOUNTAIN OF FIRE AND MIRACLES MINISTRIES WORLD WIDE, DR. D. K. OLUKOYA.**

Once again, I say thank you sir. Your support has yielded yet another earth shaking book.

THANKS.
Evangelist Tella Olayeri.

PREFACE

Spirit of dog has become cancer that eats deep into the flesh of the society, a merciless spirit that drags names in the mud. As a result many find themselves in wrong places. While many are counting loses, others are in cell or in prisons they least bargain for.

This spirit dragged many into lust and immorality unknowingly, caged not knowing how to go about it. Those who thought they stand firm gradually lost spiritual balances and fell. Trigger for sexual satisfaction often pull them down. Their mad interest for sex graduate from sex terrorism, masturbation, rape, emergence of spirit husband or spirit wife, and counts of losses in monetary value.

Spirit of dog has become spiritual catalyst in human development and transparency, causing absence of sound and efficient mind. It has driving force of lust that erodes human dignity. People affected, claim to walk in the path of love with clarity of a child's eye and the innocence of a saint, alas it is a lie.

The spirit cuts across strata in the society, from the unemployed to employed, people with gentle look to harsh looking ones. The rich and the poor are involved; singles and married are not left out. Parents, guardians, instructors, etc. find themselves hooked in the mouth of dog spirit, kings, priests, pastors, general overseers, evangelist, ministers of God, church members, teachers etc. become easy prey to spirit of dog.

It unleashes untold terror and attacks on men and women alike. Signals and features of spirit of dog are rampant. To those who are hooked, don't seek as priority what pleases the Lord for their lives. They go for

what is right in their eyes, rather than what is pleasing to God. Self now override will of God. As spirit of dog takes over churches and individuals, it becomes difficult to say, “No” to flesh in order to obey God.

It is high time you rise against this spirit and engineer your mind from being a victim. Monitoring power of this spirit must be put in check. It must be stopped before it stops you from advancement of life. It is dangerous to accommodate fatal arrows and afflictions of this evil spirit.

This book gives details of the way out and how to avoid swimming in immorality. It is high time you have songs of joy in your mouth and avoid weeps. Rise to glory, walk in the direction of the Lord, avoid every form of delay and confusion. Don’t wonder about the earth aimlessly as a result of wicked deeds of spirit of dog.

This book is loaded with scriptures that liberate the mind from immoral engulfment. They tell clearly and simply that impure living and un-repented way of life will keep you out of heaven.

Let it be of note here that you owe people duty to save souls. Your evangelism can start right now. By how do you show or promote godly love to others. You can do this by buying one, two or many of this and share it as gift to others. You are doing good as it is recorded for you in heaven. Start it today and see what God shall do. He is waiting patiently for you to take action.

It is time you are set free, setting others free as well. Power and spirit to do it shall locate you by fire, in the name of Jesus. Amen.

FREE BOOKS

We must not fold arms in the midst of battle. The life is battle itself. We need to pray and cancel decisions of darkness against us. We are born to win not to lose. Many times we lose out because we don't know how to pray or go about challenges we face.
Also, you must know how to claim and retain what God gives you, called destiny. You must not be robbed!
Brethren, your case is not close until you decide to close it. Don't give up, fight on in faith, you are born to win. Be violent in prayer. The degree of your violence in prayer determines the victory that awaits you. It is time you count spoils not loss, triumph not defeat.
I have some free books for you to put fire to your prayer zeal. Pick them and inform others. Try and share your experience with five to ten people. You may be the one God sent. Don't leave them outside prayer war room.
Be your brother/sister keeper. Good-luck

SPIRIT OF DOG

Spirit of dog is a spiritual term for lust and immorality. It means to be incapacitated, influenced, dominated, and or, being under control of mad interest for sex. The fact is, spirit of dog is going round the world like a volcanic eruption. Time is fast running as there is no medical help at sight, except prayers, strong will and moral values.

Love for sex is high in the society this day as many are captivated with dog spirit. Anyone under its influence has unsatisfactory appetite for sex. The Bible describes it in the book of ***Isaiah 56:11*** this way; ***"They are dogs with mighty appetites, they never have enough"***. Appetite for sex lures people into multiple mad interests for illicit sex. Hence, they have interest for sex uncontrollable; it is sex, sex and sex. They do things on their own and never listen to advice, until they are captivated with shame.

Spirit of dog is a spiritual catalyst in human development and transparency, causing absence of sound and efficient mind. It has lust driving force that erodes financial resources of victims and degradation of human dignity. People affected by this spirit, claim to walk in the path of love with clarity of a child's eye and the innocence of a saint. Alas it is a lie!

CASE STUDY

BEATEN BY UNKNOWN SOLDIERS

A man under the captivity of dog spirit may leave his pretty wife and go after ladies outside marriage and damn the consequence. This reminds me of a brother who wedded a woman soldier (army) but forgot to know the meaning of nuptial cord. Not quite long after the marriage, her wife conceived and put to bed twins, a baby boy and a baby girl. Before you know it, his wife had another pregnancy came calling. This time a baby boy was added to the family.

This brother changed gear, he preferred going out with strange girls in the neighbourhood. His wife was told of it but never believe it. She asked her husband, rather than say the truth he swore by heaven and earth that nothing of such happens in the corridor of their marriage. Since there is no concrete evidence to proof him wrong or right, his wife took to fate.

At this time came civil crisis or war in one of the African countries. This sister happens to be one of the soldiers sent as peace keeping contingent. Her journey to foreign mission gave her husband every liberty one may think of to sleep about with his newly found Juliet without resistance.

But as his wife left the country, she kept some watchers behind. His wife got the shock news of her life when she learnt that the new Juliet is three months pregnant for her husband. To her husband, everything was in top secret, but his wife took drastic action even from far away country. She phoned her colleagues to take action and save her marriage. She ordered them to trace the duo, inquire of the name of the girl in question and if it tallies with what she gave them, it means the news is true.

Her colleagues went into action, got wind of where they do meet, monitor their movements for one week and were convinced to the letter. On the day of revelation, seven hefty soldiers went into operation. While just three of them faced the lady beating her black and blue, the other four soldiers faced the Romeo. The lady was beaten to a comma, with bleeds coming out of her private part. The brother had a good touch as well, as he was only turned back at the gate of heaven to go back into the world for restitution!
The deed is done. Juliet lost her three months pregnancy unannounced by drastic forceful miscarriage through beating of unknown soldiers. The brother who never knew where the attack came from called his wife six days after the incident saying some unknown soldiers beat him to a comma. But that he was alive and his wife should help him thank God. His wife kept mute.

The spirit never hands off this man's life as he wanted to take to lust again. But his wife cautioned him, saying "beware of unknown soldiers, leave your concubine 'Terry' (not real name) alone. Spirit of dog is bad, learn your lesson". Her husband was shocked but later knew his wife was behind the veil!

Despite the fact that the book of Proverbs rebukes illicit sex, sex maniacs never listen. ***Proverbs 26:11*** says, ***"As a dog returns to its vomit, so a fool repeats his folly".*** Here, going back to its vomit means refusal to leave bad habits for good, and or, persistent swims in sins.

Dogs are reared for domestic and commercial purposes. The **Guinness World Records has a 250 pound blue Great Dane dog, named Giant George, from Tucson owned by David Nasser.** It is the **tallest dog** ever on record. Guinness said that it stands 3 feet 7inches tall from paw to shoulder, which is three – quarters of an inch taller than its closest rival-Titan, a white Great Dane from San Diego.

"Dog" is a term of contempt and derogatory. Goliath in his infamous battle against Israel said to David, "Am I a dog that you came at me with sticks?" Here, dog is represented as an animal looked down upon by people. It has no recognition or value in the society. Also, the book of Deuteronomy 23:18 mention "price of a dog", meaning earnings of male prostitute detested by God. Dogs can also be used as reference point to lust, lasciviousness and wickedness.

People afflicted with dog spirits often have sex uncontrolled, believing they are untouchable or unreachable of sex vices. They lately experience being incapacitated with sex enslavement at the end of the tunnel. At last, they are often left with toxic assets and moral deficit balance sheet.

What then can be given as broad definition of spirit of dog? Which word, statement or phrase can best be used to describe this wicked spirit? It means someone who believes in unstrained sex. His/her emotions are directed to sex.

What do we mean by spirit of dog? It means someone who promotes or believes in excesses. Their School of thought is immorality and nothing more. They are preachers in the school of immorality. They are acquainted in loose talks and are happy to discuss it.

What do we mean by spirit of dog? It means a spirit that makes one sexually uneasy until one involves himself or herself in illicit sex affair with opposite sex.

Which better way can we define spirit of dog? It means the spirit that arrests a man to anything call skirt. Anytime a man under dog's influence sees a girl or woman his body charges for sex.

What facts are behind spirit of dog? It is a spirit that makes one persistently dream of dogs. Such dreams trigger sexual feelings. Not until one has sex with opposite sex, he/she feels uncomfortable.
Can we know what is meant by spirit of dog further? Yes, it is a spirit that commands the mind for sexual immorality.
What is spirit of dog? Spirit of dog is a spirit that makes one squander his/her finance on immoral acts.

I ask again, what do we mean by spirit of dog? It is a spirit that makes men masturbates.

What is spirit of dog? It is a spirit that commands men to visit prostitutes. If he doesn't visit one a day his sex drive vibrates while his body charges for sex.

What is spirit of dog? It is a spirit that influences spirit being to spirit husband or spirit wife.

For a better understanding, what do we mean by spirit of dog? It is a power that influence and make one naked before someone low in status?

How does a person under spirit of dog think? Anyone under arrest of spirit of dog thinks nothing but sex, sex and sex and sex.

What is Spirit of dog? It is a spirit that sponsors moral deficit in ones life and makes people look down on one because of his/her looseness.
I ask again, what do we mean by spirit of dog? It is a spirit that spreads spiritual pollution as a result of sexual atrocities.

What is the meaning of spirit of dog? It is a power that turns a giant to dwarf in the spirit. It is a power that brings one from mountain top to the valley.

What do we mean by spirit of dog? It is a power that closes gate of heaven against a person.

What do we mean by spirit of dog? It is a power that reduces mighty nation to the background.

I ask again, what do we mean by spirit of dog? It is a spirit that makes a grandfather run after little girls on the street.

What is the meaning, spirit of dog? It is a spirit that makes little girls believe in the pursuit of elderly men for sex and money.

What is spirit of dog? It is a spirit that makes young girls and ladies take into prostitution.

What do we mean by spirit of dog? It is a spirit that makes ladies dress half naked in public.
What do we mean by spirit of dog? It is a spirit that makes land lady living in affluence that goes after her tenants for sex.

I ask again, what do we mean by spirit of dog? It is a spirit that makes a person journey into den of odious debt with calamitous end of sickness and frustration. Before you know it, victims plunged into sea of debts.

To some extent one may ask, why is power of dog so dangerous?

It is dangerous because it directs, pushes and makes victims mad for sex.

It is dangerous because it has power to bury glowing talents, ending in the cemetery.

It directs souls through broad way to hell fire.

Spirit of dog has power to sap and create permanent holes in the pocket of victims.

Spirit of dog exposes lives of victims to spirit husband or spirit wife.

Spirit of dog distances victims from God and makes them spiritually weak.

Spirit of dog exposes victims to unforeseen dangers.

It is a power that turns victims from the head region to the tail region.

Anyone so afflicted or troubled by spirit of dog never get tired. A dog may walk thirty kilometers and never get tired, while its owner that treks half such kilometer find it difficult to bear. Dog has a peculiar tireless spirit. With this trait, dogs have ugly aspect of life. They are shameless animals that mate in public with zeal for sex. They have sex anywhere, anytime and any hour of the day. To them, they prefer having sex in public at day time before glaring look of people. This makes it safe to describe anyone who has sex without check as a dog. Thus, he is said to be under the influence and captivity of dog spirit.

Anyone under the arrest of dog spirit doesn't have thought of decency or shame. With such people, sex is publicly done with no regrets or remorse. They make mess of their body without second thought. They lack moral and sex management. Girls and women troubled by spirit of dog don't sex for money alone, but to satisfy their urge for sex. Their primary food of thought is sex. It is this spirit that drives them into prostitution. Other categories of spirit of dog are party boys and girls,

and party men and women. They love attending parties to get attention of new faces that give thorough sex whip they needed. They are sexually insatiable.

It is this same spirit that lure girls into dressing half naked. There response always is, “I dress to kill”. Thus, her inviting dress makes men look at her with lust and ever ready spirit to win new lovers. She is all time ready for sex jamboree. A man may not speak much before she falls in love. She knows anytime a new lover falls in love with her, it is like signing his death warrant. She is the type that goes about with death certificate. Judgment is passed in the spirit against any man that sleeps with her.

Anyone afflicted with spirit of dog is demonically caged. Dog spirit manipulates victims in the spirit and makes them wayward in real life. As a result, victims are sexually controlled and manipulated against their wish. Anyone so captivated finds it difficult to determine his/her sexual taste and become inconsistent in sexual principles due to demonic manipulations. Such people move from one ‘lover’ to another for sexual desire. They become slaves in the spirit and wallow under perpetual bondage of demons.

There is what I call ***“mad-mental dog spirit”*** It strikes when a young man who is not under influence of alcohol or psychiatric rape his mother or grandmother. Also, when a father rapes his daughter or his granddaughter, he is said to be under the influence of “mad-mental dog spirit”. When a brother sleeps with his sister, he is said to be captivated by this spirit as well. Thus, spirit of dog in people mention above, has gone mad, making them mad for sex as well.

In Nigeria, sexual scandals involving rich, powerful men abound. They prefer maidens between ages of 16 and 18. These men are old enough to be fathers or grandfather to these young, sometimes innocent girls they call ‘sweetty’ on bed. It is not a surprise as children of dog grows up to have sex with their mother.

Dog spirit is what overtakes them. Widespread of such spirit abounds in our society today. A once Head of State was rumoured to die in the hands of imported prostitutes in the villa. It is unfortunate that, most magistrate courts are loaded with divorce cases involving high net worth individuals. These cases are hinged mainly on allegations of infidelity. Can a father have sex with his daughter-in-law? This is rear but may not be ruled out. The case of a former president of my country Nigeria, whose son accused of having affair with his wife, is still fresh in memory. How far it is true, is not known. But then, I leave further comments on this pending when the accuser is able to prove before the court that he either caught the accused in the act or he planted someone who held torchlight when the sexual acts were going on. Nothing is new on the surface of the earth. King David was captivated by dog spirit in his palace when Bathsheba pulls off her underwear for immoral sex in the palace. This is spirit of dog having good time in the palace.

ARE MEN OF GOD SAVE?

There is high level of illicit sex going on in the world today. Spirit of dog is digging deep in Christendom as revelations appeared of priests violating their oath of celibacy in the Catholic Church.

From Ireland to Chile, Germany to the United States, Catholic priests were fingered as having sex, when they should not, according to the doctrine of the church. The most damning aspect of the revelations is that priests have even become pedophiles-adult men sleeping with children and young girls, which often resulted in pregnancy (Sunday Punch, April 18, 2010)

It is disheartening to hear of priest operating under the oath of celibacy laying with children for sex. My point of view here is, sex is a natural human expression, which is perfectly legal in marriage. Hence, to counter spirit of dog the church has to look at how it can legally give fillip to priests to vent their natural sexual rights in legal unions, and not artificially curtail this expression since the Bible does not prohibit marriage for anybody (whether you are a priest or a Christian).

Many men of God have betrayed the confidence reposed on them as a result of sexual immorality. Churches now swallow doses of woes as a result of news of sexual immoralities going on in the church. Their mentors in the Lord have suddenly become preys in the hands of strange women. Pulpits now share pastors into half pastor – half immorality. Ministries fold up as a result of dirty sex games in the church. Sexual immorality sow seeds of shame, afflictions, captivity, woes and agonies in the church. It leaves ministers of God vulnerable to perpetual bruising by the enemy.

Most pastors have stories to tell of married women and singles deliberately throwing themselves at them. Such terrible stories are rampant this day. The fact is, such men of God do not have to be physically good-looking, charming, or financially well-off. Women behind such acts are seduced by spirit of dog to carry out sexual war. Their primary aim is to plot the fall of ministers of God and ruin their career.

Satan knows that ministers of God are the apple of God's eye. They are God's minister on earth. He knew unless he enforces a means to break the hedge that surrounds them, he may not operate. He therefore sends beautiful ladies after them, to defile and destroy their calling. Once this is achieved, their greatness is gone, later if the fallen minister launches a comeback it is full of suspicion.

Spirit of dog has unleashed untold terror and attacks on people and men of God alike. Signals and features of spirit of dog are rampant. Men and women don't seek as priority what pleases the Lord for their lives. They go for what is right in their eyes, rather than what is pleasing to God. Self now override will of God. As spirit of dog takes over churches and individuals, it becomes difficult to say "No" to flesh in order to obey God.

Many great men are caught by nothing but women and ladies. They are easily fascinated by the appearance, dressings, make-ups and hair dos of ladies. They are particularly interested in beauty looks, neck twisting and body shaking tricks of ladies. Once a lady shows up they never

concentrate again. They fall under captivity of lust and become almost useless to themselves. At such material time, spirit of dog takes control, as all discussions are suspended until they either touch or caress the lady. Such is the situation of anyone under the captivity of spirit of dog.

Spirit of dog is no respecter of anyone, age, sex, or religion inclusive. It strives hard to cause uproar even among the learned. Recently, a former Sharia governor in the northern part of my country aged fifty years took to wife, a thirteen year old Egyptian girl. The bearded former governor now a senator in my country's highest legislative assembly, had to divorce one of his existing four wives to satisfy Islamic law which allow a Muslim to marry up to four wives at a time. In his mathematical marital calculation of elimination by substitution, one wife was subtracted through divorce from his existing four wives, for "a new blood" girl of 13 years old, coughing out $100,000 dollars as dowry!

Spirit of dog will make sure victims kick against moral, medical and constitutional rights. It is morally wrong to take an under-age girl as official sex partner. Such marriage is sheer exploitation of a minor who should be in school. Medical experts say a thirteen year old girl is physiologically, emotionally and psychologically immature and cannot fully understand the implication of marriage.

SPIRIT OF DOG AND THE CONSTITUTION

The issue of legality and constitutionality can be visited here. Child Rights Act 2003, section 21 of the Act declares: ***"No person under the age of 18 years is capable of contracting a valid marriage, and accordingly, a marriage so contracted is null and void and of no effect whatsoever"*** Section 22(1) states: ***"No parent, guardian or any other person shall betroth a child to any person. (2) a betrothed in contravention of sub section (1) of this section is null and void".*** Section 23 goes on to specify that ***"A person (a) who marries a child, or (b) to whom a child is betrothed, or (who) promotes the marriage of a child, or (d) who betroths a child, commits an offence and is liable on conviction to a fine of 500,000***

Naira, or imprisonment for a term of five years or to both such fine and imprisonment"

When I read the news in the dailies, I heaved with surprise and concluded, "This man is a sex mathematician in disguise, very versed in quadratic marital equation who substituted his last wife for a thirteen years old girl. This is nothing worth than elimination by substitution method". Since his faith allows four wives at a time, and my country constitution is there, I fold my arms.

The fact is, when spirit of dog grips a person, the constitution of the land becomes secondary or meaningless to him. But we thank God who saved the situation. If this Sharia brethren was dragged to court and eventually fined or jailed, it might result to religious riot which may lead to maiming, looting and killing of innocent people in the northern part of my country, making dog spirit score more than enough marks. After much outcry against the unholy marriage, the little innocent girl we heard was flown back to her country, Egypt.

It wasn't his fault anyway as spirit of dog makes victim look down on problems associated with under-age marriage. Really, marriage to a minor of 13 years old girl beat imagination of right thinking person. It is not only wicked but unholy, an unholy union indeed.

The next marriage of man of his shoe may be a girl of three years old, later we may hear of a marriage of fetus which after birth may turn out to be a baby boy! Hence, spirit of dog graduating to lesbian! Man marrying man.

There are problems associated with minor of her age trying to have baby. Because most of their organs are not mature, they may have obstructed labour, and probably deliver the baby through Caesarian section, ending up as a living vegetable.

Under-age girls who went into marriage resulting in early pregnancies are exposed to a grave health hazard called **Vesico Vaginal Fistula (V.V.F.).** This pathetic health condition is pervasive in areas where little

girls are drafted into marriage. VVF is an abnormal fistulous tract running between the vaginal and the bladder that causes involuntary discharge of urine into the vagina. Victims emit a very offensive smell and are in pain, shunned by relative and neighbours! What a mess.

We are living in a world pre-occupied with lot of questionable happenings. The order of the day is illicit and craze for sex. Morality has gone to the dogs. Men allegedly defile underage girls at will. This is how far spirit of dog captivates them. Most times it is difficult to read conducts of such men. They look so gentle and harmless but behind their gentle nature and outlook are wild inhuman traits nobody can identify in them.

The daily newspapers came up with stories difficult to believe. In recent time, a man of 35 years old was arrested over an alleged defilement of a four year old girl. The story said, on this particular day, the unsuspecting little girl was lured into the room of this man, who asked her to come close and put her on bed.
The young girl told Sunday punch reporter (June 20, 2010) in Yoruba language (one of Nigeria major languages) "He first put me on his lap and later put me on bed. Then he asked me to close my eyes and I screamed as he tried to insert his penis into my virginal. He used his organ to push my pants aside and tried to force his thing in. It was painful so I shouted" You can see how this wicked spirit, called spirit of dog can harass and disgrace its victim. The question that may readily come to mind is, how will the mother of this girl feel? Shocking and devastating you may say. Ever since then, her mother confessed, the memory has stayed guided on her mind like a festering wound that never cures.

In the same newspaper, a twelve year old girl alleged her teacher assaulted her at various time by inserting his finger into her virginal. He was said to have attempted it on a few occasions in the past. When quizzed by the police, the suspect confirmed the allegation. He said, he promised to marry the girl! Spirit of dog is full of lies; after all, his

master Satan is father of lies. The wicked spirit that controls this brother is a spirit that defiles little innocent girls.

The fact remains, men who slept with underage girls are victims of mental illness. They should be taken for medical checkup, be he a governor, senator, pastor, general overseer, minister of God, military personnel, a worker or a student. The act is evil. Those suffering from it are pedophiles or people that have head injuries. They often lose their sexual control. Thus, their discretion as to whom they may have sex with, may have been lost in the process.

Any brother that goes after opposite sex unchecked is said to be under arrest of spirit of dog. To such a brother, counting seven to fifteen girlfriends and woman friends at a time has no meaning. Sometimes he may find it difficult to recognize them by names. A sister who doesn't believe in simple reply of "No, I am not interested in love for now" but believe in, "Yes, I am free to go out with you" is mostly trapped by spirit of dog.

A brother once told me the story of a sister so trapped this way. He said anytime this sister is under "arrest of sex", she walks all over the street looking for emergency lover. He said at such material time, anyone who comes her way, old or young, ugly or handsome, tall or short in stature, sane or insane doesn't matter. All she needs at such time is sex. Once she finds one, she is relieved and relaxed! Such is the situation of someone underdog spirit captivity. She is in bondage and needs deliverance.

Many who are trapped this way find it difficult to be delivered because they find themselves back doing what they vowed never doing. They are like dogs returning to their vomits. Such are under sex captivity and are sexually reckless and shameless with set mind for sex. Hence, they have sex, on and on and on, until they harvest woes along the line.
Spirit of dog brings shame and disgrace on victims. It is a destiny quencher that cultivates struggles without success, as it makes victim experience financial misappropriation and failures. It is a spirit that makes victim remains in perpetual bondage. They experience

misplacement of priority, misdirection of mind and inability to develop good ideas for solid fruitful plans in life.

It is spirit of dog that makes woman pack from a husband house to another. Many years back a woman was pointed at as putting to bed to six different husbands! Anytime her baby is one year old, there will be quarrel that will make her pack to another man's house. As at that time, the woman looked young enough to have more babies if she so wished. As at now it is difficult to say if she still lives with her sixth husband, or in the house of the seventh, eighth or ninth husband! The basic question is, how can a sane person give birth to six children to different fathers? She is most likely engulfed with spirit of dog. This woman can be said to live an unstable and upside down life. A home with six children of same mother but different surnames can't be regarded as a settled home.

I use to know of a brother, anytime he is out of cash and feeding is difficult, friends will distance from him. But anytime story changes for good and money finds way to him, he becomes emergency Father Christmas of sort. Different faces troops to his house as if it is announced in the radio and television houses. It is then girls of sizes and shapes run after him. If the money vanishes, the sisters will disappear. Such is the life of anyone engulfed with spirit of dog.

The causes of spirit of dog are many. There are those roped into it by inheritance or lust. Such evil connections come from different directions like, evil foundation, power of father's house or power of mother's house. It can be as a result of curse pronounced on a person, personal afflictions suffered as a result greed; ladies who believe they can siphon men do experience this as well. Other sources include, keep of wrong association, loose talk or evil covenant.

WATCH YOUR DREAM LIFE.

It is said, dreams are spiritual photographs of the past, present and future. Dreams speak in parables with meanings. Sometimes we are hooked or warned in the dream of an impending ravage of dog spirit. We

fall prey when we couldn't interpret dreams. The fact is, we don't take dreams serious, thinking, "it is part of life"

Your dreams sometimes determine your spiritual level. It is good to guide self from an impending ruin than fold arms. In area of sex pollution, when you dream any of the under listed dreams, know that your sexual balance sheet is wanting.

1. When you see dog in the dream, it foretells spirit of lust, and or, casual sex.
2. When you dream of dogs mating, it foretells warning against riotous sex life.
3. To play with dog in the dream foretells lust and immorality.
4. To dream of dog wagging tail before you suggests lust and seduction.
5. When you back dog as baby in the dream, it suggests spirit of lust and promiscuity.
6. When you eat in the same plate with dog in the dream, it suggests inability to control urge for sex.
7. When you hold dog with rope on the neck in the dream, it portrays lust and seduction.
8. When you see dog tied to a spot in the dream; the dog represents you as being under sexual captivity.
9. When dream of dog sitting on your table or chair in office, it foretells warning against sex outside marriage. You may be a target of familiar spirit girls in the office. If you involve yourself in illicit sex jamboree, it is good to stop it.
10. To dream of little dogs on a bed suggests warning to keep watch of your children against immorality.
11. When a man dream of nude of opposite sex it foretells spirit wife, or seduction which may lead to spiritual pollution and introduction of dog spirit in your life.

12. When a man dream of opposite sex with pointed breast to lure him into sex, it foretells spirit wife on rampage or seduction. If lured into sex, he may develop lust for women in the physical.
13. When a female dream nakedness of a man, it foretells spirit husband or seduction, which may develop to lust and immorality.
14. When a person is romanced by opposite sex in the dream, it suggests arrow of dog spirit that leads to lust and immorality.

Hence, when you dream any of the above check your sex life. Audit your attitude, passion and urge for sex. Pray against evil calendar which dog spirit may introduce into your life.
Spirit of dog is a dangerous spirit that breeds yokes of various degrees. For example, a yoke in the neck empowers victim to turn neck 360 degree on opposite sex. A yoke in the leg takes victims to places of atrocities. A yoke in the blood has evil transfer power from parents to children. Thus, the adage, like father, like son, like mother, like daughter, becomes the slogan. A yoke in the hand makes one touch sensitive parts of opposite sex unrestricted.

It is good to ask question, ***what are the traits of spirit of dog?*** From our discussion so far, they have both friendly and wild characteristics. Anyone under dog spirit may end up as the bully type, wild or arrogant. A wild child possessed by dog spirit may tongue lash his/her parents if rebuked of immorality. If caution is not applied, he/she may "tore his/her parents in pieces" as said in the book of ***Mathew 7:6***, ***"Do not give dogs what is sacred, do not throw your pearls to pigs. If you do, they may trample them under their feet, and then turn and tear you to pieces"***. Sacred advice can thus be an abomination in the ears of victims captivated by spirit of dog.

Immorality is their watchword, while sexual pollution becomes their food. A person may be hated if he is against their mode of life. Whatever may be the situation try as much as possible to sound warnings into their ears. The fact is if you are sexually polluted and refuse to have a

change of heart, your coming to the house of God is a waste of time. You may dress neat, look humble, pay tithe, give offerings but have heavens closed against you, simply because you are sexually unrighteous.

The effect of spirit of dog is a chain event. ***Many children born outside wedlock often suffer in the hands of legal wife at home.*** Such child, mostly if he is a male child, have battles to fight, as the wife at home will have it at the back of her mind, that the male child from the first wife, stands better chance to inherit his father's property. The boy may be poisoned with effect of ending up in Motor Park as tout or notorious arm robber in the society. He may experience brain attack as well. The fountain of the price is sexual promiscuity committed by his parent years back.

BLIND COVENANT

Sex between a man and a woman is not just a physical thing but 95% in spirit if not 100%. The reason is, both parties discharge emotionally and spiritually during sex. The stimulus is basically spiritual because the thoughts and emotions of both were involved. At this point a covenant is made. The question now is, how many covenant do you entered into when you flirt with over fifty girls before proper marriage? Do you follow the rules and norms of the covenant? Do you know that any covenant broken has repercussion? All these, need spiritual and physical attention. Question of spirit spouse come to play here. In as much you are not a virgin the day you marry the possibility of having spirit partner is bright. The simple reason is you have covenanted your spirit with others outside marriage.

The moment you enter into illicit sex, you exchange blood, having your system mixed with others. ***A covenant is entered into which binds you as one spirit.*** As a result, spirit spouse is within and around you. Spirit spouse may fight both parties involved in marriage until they become

poor or divorce. Spirit spouse fights source of livelihood of such marriage, cause rancor and disharmony, hardship and lack, with efforts to break the marriage. Each time you have sex with a person who is not your legal spouse you are either encouraging spirit of dog to have foothold in your life or dig grave of your marriage.

Therefore brethren, stop opening wide gate to spirit of dog in your life. Stop the sayings, "We shall marry very soon". "He or she is my future partner" "All preparations to our marriage are in full gear". "She is my Lilly, not a concubine". "Sooner or later, we shall become husband and wife". A man can even say "She is my "property", so I can have a taste of what I want to buy. Property in did! Purchase in did! You may pay $1,000,000 as dowry later that is not the issue. The issue is, she is not betrothed to you yet. If really she is your property as you claim, why not exercise patience until after wedding, not before wedding? Yes, it is well said but many are prey to it. This error has become spiritual chain in the body of Christians. Brethren, I'm not talking about 'getting married', I'm talking about 'being married'. If you are not married, that is, joined together as husband and wife, and you sleep around you are breaking the hedge and the serpent will bite you.

Spirit of dog breeds polygamy spirit. The spirit of polygamy has taken over many homes today. Most Christian marriages joined at the altar don't keep to monogamy faith anymore but fall victim easily. They are discovered after death to have concubines elsewhere without the knowledge of the first wife. Unknown faces of wives and children storms his last rites.

Such occasion witness confusion, jealousy, distrust, hatred, abuse as the WILL of the deceased is read. In the absence of the will on ground, frustrations often rent the air. Complaints of, "We don't know these people" "Daddy never one day mention it to us" "Why should daddy do this" "Is daddy all-right at all", are complaints that often come from first wife and her children. But the 'strange' children and their mothers often stood their ground saying, "We are legal children and wives of the deceased. These are our identification card (I.D. card) in school and around. We bear same surname" as they made their claims.

The deceased is not to be blamed. He fell victim of spirit of dog and swim along till death departs them. The fact is, spirit of dog have done its worst. What can be done in this situation, than to sound it to the ears of children of the deceased than to watch and pray, so that such spirit may reverse its step from the family line? Spirit of dog has no other equivalent name, it is bad!

Any man or woman captivated by dog spirit experience mind disorder, troubles, limitations and failures at the edge of breakthroughs. It is not uncommon to see them sell personal effects to end up in suya and pepper soup spots, brothels and beer parlours. There are cases of brothers yoked with dog spirit who sold their cars to meet immediate needs of concubines. Some exchange their deeds for sex, loosing landed properties to 'sweet heart'. Such brothers end up financing one debt after another to satisfy sweet heart! Alas, marital disaster and incomplete victory shares his destiny while miracle delay, lame prayer and frustration become his testimony. His band wagon problem doesn't stop here, as anti-promotion spirit and anti-breakthrough become his C.V.

The book of ***Revelation 22:14-15*** makes us to understand one thing; anyone attacked with this wicked spirit may find it difficult to make heaven. ***"Blessed are those who wash their robes, that they may have the right to the tree of life and may go through the gates into the city. Outside are the dogs, those who practice magic arts, the sexually immoral, the murderers, the idolaters and everyone who loves and practices falsehood"*** The dogs are outside the paradise city. If you die with such spirit, the spirit of dog outside this city shall not allow you entrance, as the spirit resides in you. You are his property!

Many walk into illicit affair unconsciously. Within a twinkling of an eye they are master of the game. Spirit of dog has taken over. This is the more reason you should be conscious of your associates; or carried away by the speaking in tongues of sister Nice or brother Nice. Beware, as

such labeled Christians are many in the house of God today. They attend prayer meetings, dress moderately, cool and calm in outlook and see visions. Before you call one prayer point, you see them falling or speak in tongues. In secret they fornicate and involve in all forms of uncleanness and perverseness. The fact is, there are lots of Christians, pastors, ministers of God and General Overseers trapped by this spirit.

This reminds me of a ministers' prayer meeting I attended in one of the mountains I use to pray some years back. The prayer meeting was a Wednesday meeting, tagged "for Pastors and men of God". The man of God that led the prayer that day said, "The Lord is ministering to me now, there are a number of ministers here both Pastors and General Overseers who fornicate or commit adultery recently. They should come out now for remission of their sins or be counted worthless before God. 'Don't feel ashamed" the speaker continued, "this is only men affair. Be fast and come out".

Believe me brethren, what I witnessed shocked me. Both young and old men qualify to be grandfather of children came out. To be candid I was full of surprise. The questions in me are, 'Do these people know they are Pastors or men of God? Where do they commit such atrocities? What is the age bracket of women they fornicate with? How do they climb pulpit and preach without feelings of self-condemnation? Are these truly called?' Really, many unprinted questions flashed through my mind. The simple reason why they fall prey of circumstance is that their spirit; soul and body are captivated by spirit of dog. What I believe is that they are not focused, prayerful, disciplined or serious with their calling. I pray, any spirit assigned to supervise, monitor or lure you into sin shall die in the name of Jesus. Amen.

Lust, fornication, adultery and immorality are serious matter before God. When God gave the Israelites the Ten Commandments, illicit sex was mentioned twice. Exodus 20:14, says, ***"You shall not commit adultery"*** while Exodus 20:17 says, ***"You shall not covet your neighbours wife".*** God took it serious and never twisted the word. God knew the Israelites saw the way of life of the Egyptians while in Egypt. God also

knew in advance the life styles of Gentiles, they will soon closely settle with in the next few years to come. God knew there is a spirit called spirit of dog troubling these infidels. He knew such spirit kills and closes gate of heaven against a person. To save them from pitfalls of sex, He gave them black and white rules of safety.

It was on this premise God gave them Ten Commandments, to live a pure and steady way of life; and a fulfilled life. The consequence of not abiding with this rule is grave. The book of Ecclesiastes 10:8 says***, "He that diggeth a pit shall fall into it, and whoso breaketh an hedge, a serpent shall bite him".*** The situation doesn't matter, whether you know the serpent is there or not. What will happen is, the moment you break the hedge (commit adultery or fornication) the desperate serpent waiting to strike will bite!
Brethren, today is a day of warfare against wicked spirit called spirit of dog. It is a merciless and wicked monitoring spirit that must be put to check. I advise you to stop this monitoring spirit before it stops you from advancement in life. It is advisable to stop it before it ruins you. Fatal arrows and afflictions are its trade mark.

This is the more reason you should put on the full armour of God to fight this wicked spirit that pull down giants in style without mercy. You need to take your stand against their schemes and advancements. ***"Therefore put on the full armour of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand" Ephesians 6:13.*** This same chapter, verse 18, says ***"And pray in the spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints"***

Hence, I say stop this wicked spirit, called spirit of dog in warfare prayers. Stop it! I say stop it, before it stops you. We shall soon go into prayers to stop it, kill it, destroy its powers and destructive effects it may have caused us.

THE WAY OUT

1. Surrender yourself to Jesus. When I say surrender, I mean total surrender to Jesus. He is the one that have power over all powers in heaven, in the earth and underneath the earth. No matter where the arrow or attack may come from, He is equal and even above the task of saving you.

2. Repent from all sins. Meaning you must call sin, sin. Don't play with, don't smell the aroma, don't think it, don't hear it, don't sit beside it, and don't stand by it. Don't talk it; don't reserve it in your mind. Flush it out of your system. You don't need it. Sin is sin. No sin is big, no sin is small. I repeat again sin is sin.

3. Raise a battle cry against spirit of dog in you. The Bible says in Ephesians 6:12, ***"For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms"***. Spirit of dog is an unseen power controlling you. It rules you in the dark and as well in the open. It is a spiritual force sent from the seat of Satan to torment children of God that sold out. Satan has authorities to do evil and harm people, so does his agents, spirit of dog commands you speak to her, and commit immorality with her. Some time you may regret your actions while at times you encourage yourself do it. It was all because you are lost to the power and authority of Satan.

4. Speak destruction to the spirit. That spirit of dog in you needs to die. Your body is a temple of God, not temple of Satan. Therefore, any contrary spirit in you must find its way out or die by fire. Every destroyer in your body must be destroyed. Any power that puts you in bondage of lust must be captivated. You must arrest the arrester delegated against you. Speak woe to them, speak destruction upon them. They must die.

5. Plug yourself into socket of purity. The socket of purity means holy life devoid of every form of atrocity, sin and spiritual omissions. The right plug is you missing up with right people, reading the Bible, emulating preaching that can make Jesus laugh and not sad with you. The right plug is you telling your eyes thou shall not commit "lookery". Doing these, makes you fit in to socket of purity.

6. Barricade yourself with blood of Jesus and fire of the Holy Ghost. Blood of Jesus is a very powerful weapon and protective armoury against every form of arrow shot from pit of hell. If Satan sees the blood he will pass over you. He becomes harmless and powerless. The blood of Jesus often brings confusion into the camp of the enemy as they cannot withstand it. When covered with blood of Jesus, arrows of lust and immorality find it impossible to penetrate a life.

The fire of Holy Ghost play almost same role. The fire makes it impossible for Satan and its agent move close to you. It burn out any evil attachment in you or in your body. The fire of Holy Ghost give clear indication you are close to God and so no power can move you or attack you.

Now let us pray

THE SPIRIT OF HOMOSEXUALITY

There is a spirit behind homosexuality. It is a spirit that makes one lose natural sense to un-natural. It graduates one from ordinary sexual relationship to extra- ordinary sexual relationship

Basically, there are four types of sexual orientations. Homosexual is one of them. The picture of sexuality is incomplete without the mention of other three. In this discourse, we shall mention the four and define them. The four are heterosexuality, bisexuality, asexuality and homosexuality.

1. HETEROSEXUALITY. This means any form of sexual attraction or behavior that is directed towards a person of the opposite sex; or sexually attracted to persons of the opposite sex. Such sex is between males and females.

2. BISEXUALITY. This means someone of two sexes; having both male and female sexual organs; sexuality attracted to either sex. For our discussion, we shall say it is sexual behavior that is oriented towards both men and women.

3. ASEXUALITY. It means without sex or sex organ. It also mean of a person showing no interest in sexual relations. People that fall into this group have no sexual feeling or attraction of any sort.

This sexual orientation is not the same as celibacy. The act of celibacy is a state of living unmarried, especially as a religious obligation. They are unmarried person, especially a priest who has taken a vow not to marry.

4. HOMOSEXUALITY. This can be defined as the sexual attraction or sexual behaviour directed at someone of the same sex. It is the act where one is sexually attracted to persons of one's sex. It is the practice where a female make passes or sexual feelings, or love to a female counterpart. It is when sister A takes sister B as lover. This act makes them homosexual. It also applies to males making love with his

counterpart as a wife. This is the evil people of Sodom practiced in the old before they were wiped out of the surface of the earth.

From ancient till date, homosexuality wasn't encouraged. It is regarded as debase to humanity. In ancient Greek, it was considered "unnatural", and this is what it is.
Of the four listed categories, homosexuality is the most controversial because of its antecedence of being outlawed by God – the Sodomy School of thought. Homosexual practices are against nature and against revealed truth. Homosexual indulgence is something which God condemns as the ultimate sign of decadence and degradation in any culture.

Homosexuals behave as husbands and wives. They confided much for each other and cared about other's welfare. They trust each other, had eyes for each other and no one else. The one who behaves the husband buy brands of fashions like jewelry, fragrance, clothes, eyewear, shoes and other home collection his/her lover demands. They choose to be celebrity of a sought, looking luxurious and sophisticated.

When they shop, they don't settle for less. They believe and abide by their mad race against God's injunction, which says, ***"Therefore shall a man leave his father and his mother, and shall cleave unto his wife. And they shall be one flesh" Genesis 2:24.***

The man referred to here is a male, while the wife is female. This is the foundation set for marriage. By this a male and a female shall join together as husband and wife. Adam was a man while Eve was a woman. Hence, marriage should be between a man and a woman, or a boy and a girl. Anything outside this, where a woman marries a person of her sex, or a girl marries a girl, it is homosexual. Also, where a man marries a man as wife, or a boy marries a boy as wife is homosexual, such marriage is biblically wrong, naturally wrong and culturally wrong.

What more? They deceive themselves with saccharine tone to accept each other as true lovers. They forge ahead in the midst of public

rejection and claim fundamental human rights of a sought. They sit tight together in public as if glued by in-separate power.

What shall be said of the way they kiss in public? They kiss as if heaven is within their reach, but it is gate of hell that is inviting them. Satan is patiently waiting for their last breath on earth, so that he might usher them into his domain-hell fire.
The debates and attitudes of people towards homosexuals can sometimes be ferocious, and at other times deadly. The thought of gayness sets mind on fire, as it is believed, an affront to manhood and womanhood.
The question is, is homosexual foreign to us? The answer is no, it is not foreign to us. Homosexual is not as foreign as people view it. It is African as it is American, British, Canadian or Australian. In Nigeria, if we look at our environment, we know that in certain parts of the country, homosexuality is thriving as older men use young boys for sex because their women are "safely" hidden away behind closed doors. Also, anyone who has ever attended a same-sex boarding school is familiar-directly or indirectly, with "amorous acts" between people of the same sex.

In Africa the practice had been traced to pre-colonial period and mostly rejected this day. In Lesotho, women engage in culturally endorsed relationships called ***motsoalle***. Amongst male Azande warriors in the northern region of Congo, young men, between the ages of 12 and 20, were sometimes taken as lovers. In pre-colonial Angola, homosexuals were referred to as ***Chibados.*** The coming of Portuguese criminalized the practice. In Uganda, sexual orientation debates have turned deadly: members of the gay community have been killed or have their civil rights violated, other countries with pre-colonial homosexuality are Burkina Faso, South Africa, Cameroun, Gabon and Benin Republic.
In western countries, unconventional sex habits such as lesbianism and homosexuality are a popular reality. They have become so entrenched that vital institutions, including some churches, now recognize gays and lesbians, rights to be what they chose to be.

But in most parts of Africa, the practice is still largely regarded as a taboo. Africa is a continent that has been hostile to its ***Lesbian, Gay, Bisexual, Transgender and Intersex (LGBTI)***

In Nigeria, for instance, it is believed that there are people who practice homosexuality and lesbianism but such have neither gained institutional recognition nor have they been able to summon courage to come out and dare popular sentiments.

Nigeria as a country frown at it of recent when same sex marriage bill was passed, making it criminal to engage or support it. Thus, Nigeria doesn't want it to gradually become staple of the Nigerian sexual dish.

The human face most countries, and men and women of other school of thought gave homosexual is not encouraging. When Nigeria passed the bill against same sex in November 29, 2011, it aggravated into international political face-off with our Western benefactors. What more? Threats came like bomb shells from America, Britain, Canada, Germany and other civilized nation. They argued, criminalizing same sex amounts to abuse of fundamental human rights. They believe few homosexuals and lesbians around have no opportunity to express their social orientation freely.

But then, we must not look down on God's injunction to satisfy man made law. To me, where there is conflict between human law and law of God, that of God should prevail. We must not allow education, and or, politics to blindfold us into ideas that disrespect God.

As earlier said, when Nigeria legislators passed the bill against same sex, there was uproar, both within and outside the nation. The question is what is the summary of the bill? What was its face value? Specifically the Senate, on Tuesday, November 29, 2011, passed a bill prohibiting same sex marriage. By this, the upper chamber passed a bill criminalizing homosexual relationship.

Section 5, of the Same Sex Prohibition Bill asserts that: ***"Persons who entered into a same sex marriage contract or civil union commit an***

offence and are each liable on conviction to a term of 14 years in prison" Sub-sections 2 and 3 also proclaim the **fines** any individual that conducts or participates in gay marriages and stipulate penalties for witnesses. ***For aiding, abetting or witnessing the solemnization of same sex marriage, the offender's, if convicted, will be in jail for 10years, whereas any person who registers or operates gay clubs, societies and organizations or directly or indirectly makes public show of same sex amorous relationship in Nigeria commits an offence and is liable upon conviction to 10 years imprisonment.*** The bottom line is that, same sex is gross indecency and sexually immoral. While others look at it as "Talibanic bill", others welcome it with joy.

There have been heated arguments on both sides of the divide. While some congratulate law makers on the righteousness and cultural integrity, those opposed to the anti-gay bill are incensed, calling for the respect of fundamental human rights. In the war of words, it seems that voice of the anti-gay movement seems to be louder, than that of the rights protagonists.
This should be true and so. A man with no cut, and or, one that saves himself from cut doesn't shout. The bill is like a sharp cut, and whoever shouts is affected.

THE SOCIO-SCIENTIFIC SCHOOL

From the health angle, students of socio-scientific school don't reason along spirituality attached to homosexuality neither do they believe that homosexuality is a psychological disorder. They believe there is no consensus among scientists and psychologists on the reasons why individual develop homosexual orientation.

They base their reasons on scientific development, relying on scientific point of view. It is argued, homosexuality is not a psychological disorder as it is not included in the list of psychological disorders contained in either **Diagnostic Statistical for Manual Disorders, or International Classification of Disease. (I.C.D.)** These two instruments are the

classification instruments used by psychologists, psychiatrists and other mental health professionals in the world.

The debates regarding the status of homosexuality have received ample empirical attention and no study has found conclusive evidence that homosexuality is a psychological disorder. Based on this, the American Psychiatric Association removes homosexuality from the list of psychological disorder as far back as 1973. The action of American decision to de-list homosexuality from the list of psychological disorders, was further supported by the ICD, published by World Health Organization (W.H.O), when in 1992, homosexuality was removed from ICD's list of psychological disorders for want of empirical evidence.

This School of thought believes that the possible factor causing homosexuality in some individuals include genetic, hormonal, developmental, social and cultural influences. They believe, homosexuality is a deviation and should be seen more of as a social problem than a spiritual or cultural problem. They claim, homosexuality is not at variance with our culture because it is not a new phenomenon, and what we are doing now is merely popularizing it.

By and large, some studies have found considerably higher incidences of psychological disorders among homosexuals than heterosexuals! What then does the studies foretells? It quietly concludes that homosexuality is not good, as most who argue in support of homosexuality are not gay themselves.

To me, what is not biblical is not good. Gay movement is un-biblical, hence it is bad. Also, in any setting where the tendency is to place personal feelings above the scriptures is an insult to God. Nobody ever outgrows the scriptures, hence nobody should challenge it.

REASONS THE LAW SHOULD BE SUPPORTED

Our society is not ready and may never be ready to embrace gay and lesbian activity. No matter how hard people try to argue they are born that way, or have made a choice to live that way, is not tenable.

In Nigeria, our two major religions are Christianity and Islam. Both deem homosexuality as wrong. I don't believe the two religions, though both worshippers don't see face to face atimes, will never betray their God by embracing gays and lesbians. Also, when we take issues of our social and cultural perception into consideration, it is a shame to be a gay or a lesbian. This is why people don't openly admit it.
Why cry against homosexual set up? When we look at it critically and view how a normal family setting is desirable especially if children are to be brought up within them, a law prohibiting same-sex marriage may be necessary in order to prevent emotional violence against possible offspring.

To be on the safe side, many people across the world oppose idea of same sex couple bringing up a child. They believe such environment would be confusing to such a child and will definitely set him up for ridicule in school, which might damage him emotionally and psychologically for life.

The wrongness of ***same sex couple "fertility" or child bearing is sometimes confusing.*** This is clear in the marriage of celebrity musician **Elton John and David Furness**. They had a child in 2010 through a secret deputy mother. Apparently, their sperms were mixed up, fertilized by the woman to bring out a child. Ever since, it has been reported they are yet to know which one of them is the father. The child is thus placed on a confused state.

HOW TO CURB HOMOSEXUALITY

Crusade against same sex marriage shouldn't be left alone in the hands of legislators. A lofty way to go expressing ones reservations about homosexuality could be by preaching and persuasive propagation of anti-gay values in family, religious and social circles. This will go a long way to end discrimination, harassment and criminalization opponents seem to hide under.

It is believed cultural values are best imparted to members of a society through positive socialization and education process, rather than by legal or political repression. This is a way of telling the world, they need more evangelism and crusades. Our evangelism/crusades are not loaded with fire enough to arrest and discourage minds of people involved in same sex marriage. They are lost to the wind of Satan and need to be called back. There bones have gradually turned to straws, and can't carry weight of righteousness need of them. They are righteously weak and sinking.

We need more fire in our tongues to preach good news to them. We need righteous legs to stand before them to condemn all acts of unrighteousness. That leg must not be one used to perfect acts of fornication, lust, adultery or immorality. Anyone who campaign against gayism should not support or practice related acts.

Can you be tried on fire for sex righteousness? This is the condition you need before you can be bold enough to speak against gayism. Be sexually refined before you speak against homosexuality. Everyone should be sexually righteous. By this, your eyes must be refined of sexual molestation, so your mouth, talks and discussions; your body, legs and hands must be spiritually and physically refined of homosexual atrocities as well.

If you still fall into lust, cry to God for help. Let Him refine you in fire of holiness and righteousness. It is a promise He shall keep. He said in the book of ***Zechariah 13:9, "And I will bring the third part through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on my name, and I will hear them, I will say, it is my people, and they will say, the Lord is my God"*** Hence, no one should stand in a corner calling homosexuals names, while he/she is wolf in sheep clothing

Satan has a commando style of operation. Most people that supports gay movement or lesbianity are not gay or lesbian. Satan wants to apply divide and rule among us to score a point. As soldiers of Christ before

the wall cracks or fall, and expose innocent souls to gay movement, we must stand to defend it.

How many sand make up to build a wall? They are too many to count. How many people stand to promote gayism? They are too few to make the wall of safety from gayism break. Ask those men and women who criticize Nigeria bill against gay movement, if they are lesbians or gay. They will tell you they are not. Why plant seed of melancholy in the garden of life? The fact is, those who support anti-gay law are not doing it in the face of religious hypocrisy or cultural evangelism, but of truth.

Therefore, believe in Jesus, believe in him who never preaches gayism, but marriage between opposite sex to procreate. The Bible says, ***"He that believeth on him is not condemned, but he that believeth not is condemned already, because he hath not believed in the name of the only begotten son of God" John 3:18.***

To say the least that, we don't have to legalize homosexuality in deference to any Western blackmail or neo-liberalism ideal, neither should we criminalize it is a wrong assumption, which is null and void, and of no effect.

Here, I say God bless you. Amen.

PERSONALITIES IN THE BIBLE

JOSEPH, A POSITIVE EXAMPLE

It is good to study Joseph to know how desire for sex can kill and how its avoidance can elevate one. Joseph the dreamer was one of the children of Jacob sold by his blood brothers to strange hands. He was a boy rejected and betrayed by his brothers, abandoned to hopeless life of slavery in a foreign land. After the sale, one thing followed him wherever he went, it was discipline and vision.

As he sojourned in foreign land, the eyes of the Lord departed not from him. He can best be described as the apple of God's eye in the wilderness of life. His diligence brought him promotion. This is the point where most people err in the cause of their ministry. You can't expect good things when you swim in sin. Your desire and act speaks for you. The promotion you need may hinge on the direction of your desire. It is good to audit your desire if you want God to take you and or your ministry to higher level.

Joseph had favourable conditions on his side to commit sexual sin, but never went into it. On the day Potiphar's wife lured him into sex he would have done it without been caught in the act. If the woman became pregnant no one would have suspected him, afterward he was dutiful at work. It was an evil opportunity, woman ran after him, not him running after her. This time around, Joseph was lonely as a young lad and this woman could have kept him good company. From biblical record, Joseph had no family to hurt if he went into the act as his family was not around. He was as free as bird in the air. Despite the fact that he knew the grave consequence of hatred that may follow if he refused, he never gave in to temptation.

Joseph never traded his destiny to vanity but rather choose to be a duty conscious slave boy to his master. He refused to be interested in her mistress – Mrs. Potiphar. He refused to appreciate her appearance as a beautiful woman.

Joseph never mess up in his first place of contact as slave in the house of Potiphar, the chief superintendent of Pharaoh's guard. A man who has sword of death in his hand in the rank he occupied in Pharaoh's palace. Joseph never stayed long in Potiphar's house before his quality came out glaringly and was made administrator and confidant of Potiphar. The arrays and aroma of divine favour and mercy of God upon him caught the attention of Potiphar's wife, who lust for Joseph. She showed 'love' through every possible signal, gesture, laughter, good food, rolling buttocks etc. but Joseph never gave in. He was a complete gentleman, a novice and innocent to lust or spirit of dog. Here I suspect Joseph. He may not be far from putting on two pants at a time instead of one, instead of one belt it is most likely he applied double belt! But with all this, Mrs. Potiphar will not let him go.

The bible says, ***"And it came to pass after these things, that his master's wife cast her eyes upon Joseph, and she said, lie with me— And it came to pass, as she spake to Joseph day by day, that he hearken not unto her, to lie by her, or to be with her— and she caught him by his garment, saying "Lie with me: and he left his garment in her hand, and fled, and got him out" Genesis 39:7, 10, 12.***

Joseph took bold step. He did not keep quiet but clearly protested saying you are not my wife but my boss, how then can I do this great wickedness, and sin against God. He followed this with action. He spent no time with her but ran away, even as Mrs. Potiphar struggled his clothe with him. He left his garment behind having at the back of his mind, "I need my body for heaven. If my eyes will push me to hell I better pluck it out. My clothe represents my eye, I leave you behind by fire". And so, he did. At this junction Joseph had two facts to face. Firstly, he was thinking about long term effects of his action not just short term. Secondly, he knew righteousness cannot come out of sin.

The bible says flee fornication. This phrase went into Joseph's head as he fled. He ran from the woman that represented temptation. He never imagined his head lying on the laps of Mrs. Potiphar. He feared God.

Although, he was unjustly punished, he got his promotion at the end. It is the end that matters. After all, it is said whoever laughs last laugh best.

The success Joseph recorded for not sleeping with Potiphar's wife was enormous. What then are the reasons for his success? The first was, he succeeded because he never manipulated situations to suit himself. If it were another person, he will yield and say, "This is an opportunity to secure more liberty in this house. Let me do it". But he never did. Joseph believed in God than man. He believed his greatness will come from God, not man. Another reason was, he knew his God and feared Him. He could not afford to offend Him. Joseph chooses righteousness at all cost.

The life history of Joseph is unique. From being a slave boy in Potiphar's house to prison in chains and from this same prison to ruler ship in Egypt. Had he yielded to Potiphar's wife, he might have been used and dumped or best become a stabilized glorified slave. The worst that may have happened to him if he yielded, was that, he will never rise beyond been a slave. He would have been spared imprisonment and no one would have interpreted the butler and baker's dreams.

Consequence chains of problems would have followed. Firstly, no one would have interpreted Pharaoh's dreams. Two, no food storage would have been made. Three, Egypt may have perished of starvation as a result of famine. Four, Joseph's family may have perished in famine. Five, Joseph wouldn't have set eyes on his family again. And lastly, God's revelation to him through dream may not have come to pass.

A WORD OF KNOWLEDGE

The summary of this act is this: Many lost spiritual wings to escape in time of trouble as a result of immorality. Many lost strength to walk out of troubles. Many are virtually caged by Satan as a result of promiscuity. Many lost their glory as well. King David's kingdom almost collapsed because of Bathsheba. King Solomon lost his kingdom as a result of women. Samson lost his eyes for Delilah's sake; he forgot to understand you cannot sleep in the laps of Delilah and expect to wake up in the bosom of Abraham.

In all brethren, know this, anyone who swims in immorality shall dine in confusion. The high power of satanic conspiracy shall catch up with him. He shall experience satanic exile, baptized with evil marks and labels of rejects. Prophecy shall seize in his mouth while mourning and agony shall be in his doorstep. Songs of joy in his mouth may suddenly seize while weeping takes over his home. Instead of rise to glory, he sinks, instead of daylight and good direction; it shall be darkness, delay and confusion. Vision shall elude him while famine shall ravage him. ***"Not a famine of food or a thirst for water, but a famine of hearing the words of the LORD" Amos 8:11c***. It shall not end here, for he shall stagger from sea to sea, wander from north to east, from east to south, from south to west, and from west to north without result. Why?, because of disobedience to the Word of God and rejection of God's instruction.

This is a terrible consequence, therefore guide yourself against it. Is your house affected with this shameful act? Take bold step of faith. The Bible says, ***"Declare a holy fast, call a sacred assembly. Summon the elders and all who live in the land to the house of the LORD your God and cry out to the LORD" Joel 1:14.*** Women! Women! Women! I say women; you are not left out in this battle. Do not sit with legs crossed, saying "I am less concern, after all I am not the head of the house" You are wrong. Pray for your husband, pray for your children, pray for your cousins and uncles, pray for your neighbours as well. Have you read my book titled ***MY MARRIAGE SHALL NOT BREAK?*** You need it, your husband needs it. There are counsels and fire prayers in the book that shall set your husband free from any form of immorality and set the home free from every form of captivity. There are fire prayers in this book that can set your children free from clouds of confusion and paralysis. Purchase a copy today, you shall not regret it.

DEFINITION OF JOSEPH

Who is Joseph? He is one of the twelve sons of Jacob, popularly known as Joseph the dreamer. He is not only a dreamer but interprets dream as

well. The two dreams he dreamt came to pass.

Who is Joseph? He was a man that contended with power of his father's house. His brothers hated him more because of his 'shining' dreams.

Who is Joseph? He was a man that wrestled with sin and won. Attempts of Potiphar's wife to lure him into illicit sex failed as he refused to dance to her moves.

Who is Joseph? He was a man that fought with pit of hell and won. If he died inside the pit where his brothers dumped him he may not have fulfilled his destiny.

How can we best describe this man called Joseph? He was the sacrificial lamb that went ahead to prepare a place for a race called Israel in the land of Egypt. Thus, he was a divine opener of God's prophecy as recorded in ***Genesis 15:13-14 "Then the LORD said to him (Abraham), "know for certain that your descendants will be strangers in a country not their own, and they will be enslaved and mistreated four hundred years. But I will punish the nation they serve as slaves, and afterward they will come out with great possessions"*** God knew what will happen in years to come. Joseph went ahead to prepare a place for his family.

Who is Joseph? He was a man with no secret. He suffered from "wide mouth" problem. Anytime he dreamt he said it openly.

Who is Joseph? He was a man whose father wept openly and bitterly, and whose mother bleeds inwardly on hearing news of his untimely death.

There should be something greater than these qualifications in Joseph. Then, *who is Joseph?* Yes, Joseph was a man full of spirit of forgiveness. When he saw and recognized his brothers, as a Prime Minister in Egypt, he never treated them as enemies. He was fed with spirit of disappointment, sorrow and depression but repaid it with joy.

Who is this man called Joseph? He was a man who enjoyed special favour within and without. When he was with his parents, his father sew him garment of multiple colours. When he arrived in Egypt, he headed Potiphar's house-helps. He received God's favour in prison and marched from prison to palace as Prime Minister of Egypt. Thus Joseph was a man whose multiple scars led to multiple stars and blessings. This is Joseph for you!

THE HISTORY OF FORNICATORS AND ADULTERERS IN THE BIBLE

SHECHEM VERSUS DINAH

The fornication perpetrated by Shechem with Dinah resulted to death and blood birth. The Bible recorded how Shechem a Hivite raped Dinah an Israelite damsel. Taking this as a disgrace to the race of Israel, Simeon and Levi; Dinah's brothers revenged. They took their swords and came upon the city unaware, killed all the males including Shechem the fornicator, his father Hamor and all the males that were tricked to circumcision.

The mistake of Shechem was that he fornicated with Dinah before going to Dinah's parents to have her as a wife. What this mean is, it is wrong to have sex with a girl before going to altar with her. Thus, the simple rule is, a man should love a girl, seek her parents approval, pay her dowry, go to altar, that is, marry her before going to bed with her. As I say this, many will say "body no be wood", but that same body shall become wood in hell fire someday!

REUBEN VERSUS BILHAH GENESIS 35

Bilhah a maid of Rachel who later became Jacob's wife was lured into adultery by Reuben the first born of Jacob also called Israel. The Bible records it. ***"While Israel dwell in that land Reuben went and lay with Bilhah his father's concubine, and Israel heard of it" Genesis 35:22.*** The passion of Reuben, his weakness for sex and committed incest with his father's wife brought fatal consequence upon him.

At old age, his father Jacob cursed him, he will not have pre-eminence. Spirit of dog pushed him to lose his birthright. That right eventually went to Joseph who resisted temptation from Potiphar's wife years ago. It does not end there. After Reuben's death, his great grandchildren reaped the fruit. The tribe of Reuben settled on the other side of Jordan. They did not cross over to the Promise Land! They settled for the second

best. This was part of the consequence of Reuben's sin, adultery with his father's wife. He first went in for "forbidden" sex and later settles for forbidden property. Brethren, you can see, how few minutes' pleasure brought lifetime sorrow to the lineage of Reuben.

JUDAH VERSUS TAMAR

Unfaithfulness and falsehood played vital role in the life of Judah. The story had it that after Judah married Shua, she bore him three sons, Er, Onan and Shelah. And Judah took a wife for Er his first born and her name was Tamar. But Er, was wicked in the sight of the Lord and the Lord slew him. Judah looks round according to Jewish custom and gave Tamar to Onan his second son. But Onan knew what the tradition of Israel says of children born to him by Tamar. They shall not bear his name but Er, his late senior brother; hence he decided to be smart. Anytime he slept with Tamar he didn't release sperm in her but rather spilled it on the floor. What he did displeased God and slew him also. Since the last son, Shalah was too young to be waited for, Tamar preferred to leave Judah's house and dwelt in her father's house.

Tamar on hearing of his father-in-law's presence in her domain, disguised before him, put off her widow's garments, and put on a veil, wrapping herself up and sat at the entrance she could get Judah. She captured Judah in her ploy. He went in with her and she conceived through adultery. The scepter never departed from Judah as his descendants fell into same sexual history and degradation. The truth is that each act of adultery or fornication is a kind of suicide. It is also the destruction of future generation.

THE LIFE OF SAMSON

Samson the power man grew as a boy raised in a godly home. He lived a set apart life with a clear destiny for his life. He was a child of miracles, massively built hero of Israel and was good looking. As a child of miracle, power of God followed him from childhood into manhood.

With these credentials and C.V. of Samson he faced fundamental problem created by him. He lost to the territory and zone he shouldn't have. He had no interest for Israel's damsels but his arch enemy the Philistines. He went into a Philistine woman and almost fell into trap. This same Samson fell in love with a wrong woman in the valley of Sorek. The Bible records it.

"And it came to pass afterwards, that he loved a woman in the valley of Sorek, whose name was Delilah. And the lords of the Philistines came up unto her, and said unto her, 'Entice him, and see wherein his great strength lieth, and by what means we may prevail against him, that we may bind, him to afflict him: and we will give thee every one of us eleven hundred pieces of silver" Judges 16:4-5.

The great strength of Samson made him a terror before the Philistines. Samson broke the commandment of God not to marry a heathen woman when he took the woman of Timnath as his wife against the advice of his godly parents. It is on record, Samson continually harass and defeat them. This doesn't go well with them. When the spirit of the Lord came upon him, he was able to do amazing things and no man could withstand him. For example, one day he killed a thousand Philistines with the jawbone of an ass. By this, because he was able to withstand any physical enemy, he thought he could withstand spiritual forces of the Philistines. Delilah deliberately seduced him in his weak area to destroy him. The problem with Samson was that he didn't realize that his supernatural physical strength cannot sweep his spiritual weakness under the carpet.
The sad thing about Samson was, he would not learn. Folly laid hold of him and he was sinking. Samson went into harlot that nearly caused him his life at Gaza, yet he never learnt a lesson. His ability to uproot the two posts of the gate, put them on his shoulders and carry them away deceived him. He never knew he had sunk into moral bankruptcy only waiting for its manifestation. He did not realize the extent to which he had fallen, because the power of God was still with him. His escape from the Gazites deceived him. He never knew God was only showing him mercy while the Holy Spirit waited for him to repent. He was blinded by the spiritual power which he polluted against Holy Spirit. He failed to

realize that the power came from a spiritual gift and not from spiritual character.

Brethren, are you a man of God? The fact that miracles are still manifesting in your ministry cannot compensate for the sexual sin in your life. The fact is, the manifestation of spiritual gifts does not say that God has approved your sin.

What more for Samson? The laps of Delilah dealt a deadly blow in his life. No sooner he gave away his secret he was reduced to being like any other man. He allowed Delilah to touch his head, his hands and much further, until he finally fell. Beware of yourself. There is always an enemy in the corridor, either within you; in your heart, around you or in your environment, struggling to lure you into immorality. Balaam in the Bible told King Balak that with the women of Moab, Israel can be led into sin through immorality to make God turn His back at them. It was hatched and Israel fell prey. They went into immorality and eventually paid dearly for it.

Samson, who was set apart by the Lord before he was conceived, fell in love for enemy's daughter. His eyes were closed to the daughters of his people but open to the daughters of the uncircumcised. Samson was moved by his passion and could not bring to reason. Samson lust for Delilah not because of the content of her character, but the beauty of her face and form. And this is what made many lose senses after wrong partners! Many lost into marital traps either for beauty, or height, set of teeth, riches, big buttocks etc. In the case of Samson beauty made him lose every sense of reason. He was bent on loving what pleased him. He would not think about the consequence of his choice. He lived for here and now. The Philistine girl who Samson wanted had charm and beauty, but Samson did not investigate the depth and breadth of her character. He ate the forbidden and shamefully died of the forbidden in a forbidden land.

Samson allowed lust to enslave him. He refused to do every necessary marital research. Spirit of dog held him bound. While the equivalent of

Samson is "Shimshown" ***meaning*** **"Sunlight",** that of his girlfriend ***Delilah means "languishing, to slacken, of be feeble, figuratively to be oppressed; bringing low, dry up, be emptied, be not equal, fail, be impoverished, be made thin"*** This is the lap Samson laid his head. Delilah is every married woman's nightmare and everyman's fantasy. She was the kind of woman who could make a man give up his kingdom. This she actually perfected in the life of Samson. She was a woman full of deceit and cunning. Delilah placed Samson's head on her laps and forced word out of his mouth. She was a power investigator and career killer. She knew how to use her words and buttocks to get what she wants. Delilah the languisher finally languish the "Sunlight" of Samson. Samson ran into the arms of a wrong woman and it cost his name "Sunlight" any chance of ever seeing sunlight again. What a tragedy. I pray your head shall not fall prey to Delilah.
This is how the story of Samson, a Nazarene, a deliverance minister, and an anointed man from the womb ended his career. He fought most of the battle for himself because his mistakes often lead him to problems he faced. His chosen wife led to his blindness. His going into harlot led to him being tied. **Samson forgot to realize that a man who is lost to lust is like one whose sun and moon are darkened, whose stars no longer shine.**

I know you will learn one or two lessons in the life of Samson. I pray you will not fall victim of wrong spouse in the name of Jesus. Amen.

KING DAVID AND WOMEN

The book of Proverbs 6:29 says, ***"So is he who sleeps with another man's wife, no one who touches her (i.e. commit immorality with her) will go unpunished"*** If this is so, why do men embrace the bosom of another man's wife? One major discipline that cannot be overlooked in the military is the offense of a soldier sleeping with fellow officer's wife. Anyone caught in the act will face court martial. If found guilty, it is dismissal from the force. It may look disastrous but that is the law there

is nothing one can do about it. What a loss if he served up to retirement age or retirement service year in the force? You will understand me better if you are a regular reader of Nigeria Army Magazine called SOJA, you will see things yourself. There such an erring military personnel holding placard facing the camera with inscription "DISMISSAL" This is not a good way to end one's career. The evil is done. Satan had his way. Five minutes enjoyment turns to everlasting sorrow. What a great loss.

King David was a soldier from childhood. He killed Goliath in the warfront at a very tender age. For him, it was war after war before he finally settled down in the palace. Yet he never followed military law. The fall of David into the hand of adultery was not sudden. He had problems with women before the sin with Uriah's wife. In his early days, Saul nearly ensnared him to Merab her daughter in other to kill him. He escaped it. Second time, Saul gave Micah to him as wife for an exchange of a hundred foreskins of the Philistines, thinking that David might be killed in such dangerous venture. David again escaped. Then, came the episode of Bathsheba who played vital negative role in his life. Nabal's wife, Abigail became his wife soon after the death of Nabal. Even at old age, Abishag the Shunamite a beautiful maiden came to play nursing role in his life. From youth down to old age it was women, women, women!

The trouble with David was that of idleness. He stayed in the palace when he should be in the battle field against Israel's arch enemy; the Philistines. His idleness made him to walk in his balcony where he sighted Bathsheba bathing in her house. He called for her and committed adultery with her. The rape of power and determined valour to take Bathsheba as wife later led to regret. He took her as wife and killed his husband in order to keep secret, a secret. The secret which never be as Nathan blew it open.

There are lots of lessons to learn from the act of David's adultery. David's sin with Bathsheba opens our eyes to several things. First is, the sin of adultery cannot be committed alone. The second is, the sin spread and affect even innocent ones!

Let's look at how the adultery David committed with Bathsheba affects others. Now let's see six classes of people involved.

1. The primary sinners that committed the very act here were David and Bathsheba.

2. The messengers who were sent to bring Bathsheba to David in the King palace.

3. Uriah who was lured into drinks while he should be in the war front.

4. The servants who made Uriah drunk.

5. The messenger who was sent by Bathsheba to tell the king of his emergency pregnancy.

6. Joab the executor of the ill-fated death of Uriah.

Brethren, you can see that you may not have committed adultery physically but use someone to promote your sexual impurity. Therefore, don't allow you to be used to advance sexual immorality. Don't take a message, letter or gift that is of immoral act. Don't be a master planner by moving away in order to leave someone alone so that he may commit sin. If you do any or all of these, you have committed adultery and fornication!

The consequence of David's sin was much. It never ended only in the death of Uriah and the curse pronounced against his house. See things yourself.
1. Uriah innocently lost his life because of his wife.

2. Soldiers drafted to the hot zone of war front died along with Uriah.

3. The son conceived in the sin died.
4. There was lineage curse that led to the followings.
i. Amnon committed fornication with his half-sister-Tamar.
ii. Absalom killed Amnon for raping his sister- Tamar
iii. Absalom rebelled against his father, a curse from God

iv. Absalom committed adultery with his father's concubine openly.
v. Absalom was killed.

5. Many Israelites died in the rebellion of Absalom.

6. Solomon, David's son introduced idolatry into Israel as a result of evil inheritance, acquiring harem of wives and concubines like his father.

7. The most painful of it all is that up to this present day, the sword pronounced by God never departed from David's house. Many Jews died as a result of the curse, while many were killed by Jews as well. Their death can be traced to David's adultery!

AMNON VERSUS TAMAR

The person you associate with in life matters. This is what happen in the life Amnon and Jonadab. Prince Amnon had a friend called Jonadab who taught him how to trick or lure his sister to bed. Jonadab knew it is an abomination for a brother to have sex with his sister, yet he went ahead to teach Amnon how to go about it. He counseled Amnom as one sick that needs help, so that Tamar his sister could attend to him. Tamar fell victim and was raped by her blood brother, Amnon.

Amnon did not love Tamar. He was only infatuated with her. Amnon drove her away in disgrace as soon as he had his way. Many girls are treated this way. As soon as a boy or man had his way they are turned back.

The consequence of Amnon's act was bad. Firstly, he lost glory in the land of Israel. He was the king's first son with possibility of becoming King in his father's stead, never came to pass. Really, he remains the King's son but was a son without glory.

On the day of his death, when Absalom invited him along with other brothers for an occasion, they were together in one place. To him, he was like the rest but never knew he was apart. His attendance was that of a moving corpse. He got himself drunk with wine and the command came, 'strike Amnon'. Before he knew it or could think, he was caught

and killed. Act of fornication killed him. The question many passerby may ask his corpse is "Poor Ammon why did you do that which is sacrilege in the land of Israel"?

The consequence of Amnon sin was enormous. Not only did Amnon's life wasted but ruined other lives. His life style ruined Tamar. He made the King angry. He caused his brother Absalom to become a murderer and a fugitive.

ABSALOM VERSUS DAVID'S CONCUBINES

Absalom was David's son who killed Amnon his brother for raping Tamar, his blood sister. Absalom who knew the implication of adultery did worst by sleeping with his father's concubine. The book of ***Leviticus 18:8*** says ***"You shall not uncover the nakedness of your father's wife, it is your father's nakedness"*** This he did. He defied the rule and without shame openly committed incest. His ambition to become King of Israel blindfolded him to commit grave state offence. He carried out adultery in the open after listening to the foolish counsel of Ahithophel.

What has never happened in the history of Israel was openly done that day. The sex drama took place on the roof between the earth and the sky. It was prophetic of how he (Absalom) shall die. Not long afterwards, nemeses catch up with him as he hanged in the air between the earth and the sky on the day of his death. What a spiritual judgment. He had sex between sky and the earth while his death was between sky and earth! What baffled everyone is, a king to be displayed adultery to the entire nation. Absalom died a shameful death. What he killed his brother for, he did. He murdered his brother Amnon and was eventually murdered. A man who claimed to be a man of integrity eventually died of unrighteousness. Was it not written in the book of adultery, "Absalom committed adultery by destroying himself and was destroyed"!

KING SOLOMON

King Solomon, the Bible says was the wisest man in the surface of the earth. But the mystery behind sex and immorality never spared him. It is on record that his father David brought Israel into power, but Solomon brought her into prominence. He not only built the nation to unequaled economic greatness, but constructed the temple of God. Soon, pride found way into him seeing his achievements. This gave Satan opportunity to slip in with his time-proven lie "You deserve to have some fun now". He used Solomon's pride to by-pass his wisdom.

King Solomon allowed lies into his life which eventually ruined his achievement. Before you knew it, the world wisest man began to tell himself, "I deserve a reward for all that I have done and endured" This made Solomon to commit two vital mistakes. His first mistake was taking credit for God's accomplishment while the second was doing what is forbidden in Israel; taking to foreign wives. Solomon felt since he was a King and an achiever, he had automatic authority to change the moral law of Israel. His pride made him to forget that the greatest laws are handed down to man from God Himself, and that man has no power or right to nullify what God establish.

The step taken by Solomon cost him his kingdom and doomed Israel. Sex trap and immorality paved way into his palace. He allowed spirit of dog to dwell and control him. Solomon couldn't handle it. He forgot to realize one thing that whoever messes with one or a dozen ungodly men or ungodly women will have his/her heart turn from God. The problem with us is that we choose to be "better authors" before God, trying to "re-write" His plans and rules in order to suit our wishes. Before Solomon married his harem of wives, God ordained one man, one wife. But Solomon's desire to bring pleasure to himself brought demise of Israel as a unified nation; it split Israel into two and falls out with God.

The attitude of King Solomon further crowned Israel as a slave nation before idols. His urge for sex with foreign women and flair for luxury carried him away before pagan women. The pride of Solomon can be likened to many Men of God today. They believe in, "I have arrived, my vision is great, I am filled with the Holy Spirit". They parade themselves

about with “I can’t fall attitude” Alas, you see them fall from one pit to another, struggling to remove one garment of shame but soon find themselves wearing worst they can think of. Some turn themselves to masquerade on the pulpit, telling members, they are difficult to see.

When you manage to see them for counsel and prayer, they will tell you to buy specially prepared anointing oil for a high price. These “spiritual anointing oils” are of grades. They are of, high price grade, medium price grade and low price grade. You are to choose what you can afford. If asked why it is so, they will answer you in proverbs “Ibi ti owo eni ba mo, ni oogun eni mo” Literarily meaning, ‘Your purchase power dictates your medicinal strength’. That is, your purchasing power determines the quality of anointing oil you need. To them they say high price anointing oil gives quick answer, compare to low price one.

Such Pastors are not far from fake men of God that rub anointing oil in their palms to apply it on private parts of women! They are fakes. They can tell girls to be naked and stand on Holy Bible so that every anointing in the Bible can pass through from the feet unto the head! Nemeses often catch up with them as they fall flat never to rise again. They dig their graves themselves. Is there any portion in the Bible that says you must take X-ray of opposite sex? If you are involved, members demand an answer to this question. Heaven is watching you. Desist from satanic acts. They are un-biblical. You will fall and never rise again. Do not say, I do not tell you. You are warned!

The Bible made us to understand that later in life, Solomon became king of “variety”. The fact is, love for varieties often drive one into obsessive behaviour and addiction. Once addicted to variety they become insatiable with every woman they meet but seek for more. It was such destructive appetite for love ecstasy that saw King Solomon kneeling before foreign gods and thereby parted way with God. How are the mighty fallen.

The book of first King chapter eleven verses 1-4 have this to tells of King Solomon. ***“But King Solomon loved many strange women, together with***

the daughter of Pharaoh, women of the Moabites, Ammonites, Edomites, Zidonians, and Hittites, of the nations concerning which the Lord said unto the children of Israel, Ye shall not go in to them, neither shall they come in unto you: For surely they will turn away your heart after their gods: Solomon cleave unto these in love. And he had seven hundred wives turned away his heart. For it came to pass, when Solomon was old, that his wives turned away his heart after other gods: and his heart was not perfect with the Lord his God, as was the heart of David his father"
Spirit of dog finally found place in the life of Solomon. To wrestle with it becomes problem. Many gods of sex and immorality are there in him and around him. 'It is what you love that will kill you' so they say. Solomon loved women and it ruined him. He ended up with deficit credentials.

The fame of Solomon had effects. His fame made queen of Sheba paid him visit with gifts of various kinds. Since Solomon loved women, as ants like sugar, it may not be ruled out that he didn't sleep with this beautiful queen of Sheba. This is more so when most Ethiopian claim their root to Jews. A once Ethiopian Emperor, Hellia Sellasiea claimed his origin to David. He believed and maintained his origin was of the Jew. Through whom? Through queen Sheba, it was suspected. If this is true, it means the attitude of Solomon still hunt him after passing away several years back!
The history of King Solomon is dramatic. He who was wiser and had more understanding than any other man that ever lived, disobeyed God's command by marring heathen wives. He eventually partook of their sins and sacrificed to their strange gods. With all his wisdom, he was deceived and could not withstand the influence of his wives.

Arrow of sex eventually caused sudden break of Israel as a united nation after his death. This was a king who God gave the name 'Solomon' which means 'lovely'. He was so much loved by God, but the Bible says 'outlandish' women led him to sin against God. Though God promised

David, his lineage will ever rule Israel; the dynasty break along the line because of the sins committed by his son, Solomon.

The book of Nehemiah 13:26 summarize it all. ***"Did not Solomon King of Israel sin by these things? Yet among many nations was there no King like him, who was beloved of his God, and God made him King over all Israel: nevertheless even him did outlandish women cause to sin"***
Solomon with a thousand varieties can tell it all, how he was able to cope with numerous wives at a time! The split of Israel into southern and northern Israel was costly. It is said, a house divided against itself cannot stand, the fall and enslavement of Israel into foreign land can be traced to King Solomon. A man who won the eyes of God in the beginning of his reign, saw himself sowing seed for future trouble.

FIRE IN THE SCRIPTURES

It is time to fasten our spiritual belt against every form of immorality. The only way one can escape from spiritual death is spiritual birth; being born again through Christ Jesus. When we believe in Jesus, we are raised from death to a new life in him. Our Lord Jesus paid too high a price for our redemption to leave us in the enemy's hand. The soul that is shaped into the image of Christ will remain forever.

The scripture is a book of life that brought us from darkness to light, from deep valley of confusion to mountain top of peace and glory. It is a spiritual standard above every other standard. The scripture in its entirety supports holiness void of immorality. Purity and obedience is the watchword of God.

If you believe the Bible is correct, if you know the Holy Bible in its entirety set moral standard, if you can marry your life and destiny to the Holy Bible, then you have no option but to hearken to what the Bible says. Holy Bible is not a literature book. It is never a concordance of history. It is a book of life; a book of progressive reasoning.
This we believe, when we first begin to believe, that we ought not to believe anything beyond Scripture. Believing and reading Scripture means that we hear the word from Christ's mouth.

Christ is figured in the law, foretold in the prophets and fulfilled in the gospel. Scripture is the Royal Chariot in which Jesus rides. What does not agree with Scripture does not come from God.

It is for the Bible to form and reform the church... it is for the church to keep and keep to the Bible. The Word is more credible than a visitor from the dead. The Word is an ocean, without bottom or banks. We can never exhaust all the treasure and worth that is in the Word.

Neglect the Word and you neglect the Lord. The Christian who is careless in Bible reading is careless in Christian living. Ignorance of the

Scripture is the root of all error. We must read our Bible like men digging for hidden treasure. Read it to get the facts, study it to get the meaning, meditate on it to get the benefit. What makes the difference is not how many times you have been through the Bible, but how many times and how thoroughly the Bible has been through you.
Brethren, whatever keeps you from your Bible is your enemy however harmless it may appear to you. Therefore lay hold on the Bible until the Bible lays hold on you.

No wonder the Lord Almighty says in Isaiah 1:18, ***"Come now, let us reason together, says the LORD". Though your sins are like scarlet, they shall be as white as snow; though they are red as crimson, they shall be like wool".***

God tells me and you, "I am not far from you. I am ready to forgive. I AM is with you. I AM is your father, you are my children. Why riot in mind and attitude against me? Can a father rebel against his children and the house remain at peace? Can children rebel against the father and the house remain at peace? No, not at all".

They are decrees we must abide with. God's decree is the very pillar and basis on which the saint's perseverance depends. We shall study a number of scripture warnings in the Bible that forbids immorality and purity. These verses from the Old and New Testaments teach without doubt that impurity is sin. Also, it reveals to us wrath of God that shall fall upon unrepentant sinners. Hearken to what we shall discuss here, for the Bible says, ***"Let the Word of Christ dwell in you richly"*** Colossian 3:16. Let's search through the Bible and see what some verses say concerning warnings, and repercussions for those involved in adultery, fornication and every manner of sexual immorality.

1. ***Exodus 22:9. "Anyone who has sexual relations with an animal must be put to death"***

This is a serious matter. For God sake why should men have sex with animals? Is it for power, for money or fame? Such attitude is rampant in the circle of those whose religion permits it. The primary is to have riches. They belief in 'sleep with donkey and become rich' this is evil in the sight of God.

If they hate Holy Bible, what about Christian sisters that give in cheaply for dogs to sleep with them in order to earn hard currency? How can someone leave the shore of her country for Europe only to end up sleeping with dogs? Do you want to use the money derived from it to bribe angels through heaven? If you are not put to death here on earth, you are spiritually dead; physically alive for diseases and shame. Fine buildings and structures you aim to build cannot save you. Stop it, it's a condemned act.

2. Leviticus 18:6. "No one is to approach any close relative to have sexual relations. I am the LORD"

This is simple and direct law against nucleus and close relatives that involve in illicit sex. There are girls around you; there are good looking boys around you as well to choose as spouse. Not for casual sex, anyway. I have heard cases where twins of the same mother have sex together! I have heard cases upon cases where cousins sleep together for sex and never feel ashamed of it. Any act of illicit sex with close relative is bad.

3. Leviticus 18:20. "Do not have sexual relations with your neighbour's wife and defile yourself with her"

When we say neighbour it speaks much. Our neighbour includes your tenants if you are a landlord or a co-tenant's wife if you are a tenant; and or your master's wife. Don't forget Joseph's experience. It includes the wife of co-workers in office, the wife of your employee, the wife of anyone close or far from you. What baffle me most is that some men advertise the shameful act by boasting; "What can he do, he is but a church rat" Please don't take advantage of your neighbour's situation

and sleep with his wife. David did it and received curse. Are you inviting curse upon your head? It is better you desist from it now.

4. Leviticus 20:10. "If a man commits adultery with another man's wife- with the wife of his neighbour-both the adulterer and the adulteress must be put to death"

The message is straight forward and clear. Such offense demands death penalty. Even if you are not put to death when caught in the act; if you are not jailed or mercilessly beaten when caught in the act, or did it but wasn't caught in the act, you have received judgment of death. You are condemned already, says the LORD.

5. Proverbs 6:29. "So is he who sleeps with another man's wife, no one who touches her will go unpunished"

The Bible says, punishment awaits anyone who sleeps with another man's wife. The Bible condemn the act of touching a married woman's body, hand, buttocks, crossing hand in her neck or hugging her with intention to stimulate her. Every act of committing "touchery" is a punishable offense. Hence, thou shall not touch!

6. Proverbs 6:32. "But whoso committed adultery with a woman lacketh understanding: He that doesth it destroyeth his own soul".

Two things are established here against any man that commits adultery. First, such man lacketh understanding of what he did. Meaning he is a fool. Two, such person destroyeth his soul. Meaning he kills himself with his act. Therefore, brethren, don't kill yourself and never play the role of a fool.

7. Proverbs 31:3, "Giveth not thy strength unto women, nor thy ways to that which destroyeth kings"

Who are Kings? You and I are kings and priests. Brethren, don't ever give your strength to evil that saps strength and later destroy. The Bible says such is a path that twisted and destroys many lives. Many

relationships, many lives, many destinies that would have blossomed to a pinnacle of glory and success are either suddenly terminated or satanically attacked against positive manifestation due to sexual immorality. Many promising men and women are satanically veiled; they lost the course of life. Their great talents and abilities that would have been used to glorify God suddenly become pawns in the game of life.

8. Ecclesiastes 12:14. "For God shall bring every work in judgment, with every secret thing, whether it be good, or whether it be evil".

The Bible says every secret thing you do shall be brought to book. You may travel with your adulterer or adulteress, or fornicator far from where you are known, it is not a secret before God. It is an open secret. Therefore, thou shall not commit any act of immorality either in secret or in the open; the Lord shall surely judge thee.

9. Mathew 5:8. "Blessed are the pure in heart: for they shall see God".

To make heaven, purity is a major condition to salvation. Therefore, to see the face of God, purification of the heart, your dedication to God and seriousness with the Word of God are essential. Do you need salvation of your soul after death? If yes is your answer, purity is the major answer to it.

From the heart come diverse motives both good and bad. You need heart purification from adultery. Let your heart be far from immorality. Be pure in the heart so that you might be blessed.

10. Mathew 5:27-28. "You have heard that it was said by them of old time. You shall not commit adultery. But I say to you "That whosoever looks on a woman to lust after her has committed adultery with her already in his heart"

The bible says whosoever, meaning young or old, rich or poor, tall or short, fat or slim, literate or illiterate, black or otherwise, pastor or member of the church, a soldier or a civilian that looks lustfully at

woman commits adultery. One way or the other you fall into a class mention above. Therefore you are seriously warned not to commit adultery with your "eyes".

11. Mathew 15:19-20a. "For out of the heart proceed evil thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies: These are the things which defile a man"

Our heart needs cleansing against immorality. Watch what your heart communicates to you. Diagnose and filter it before you talk. Words when said cannot be retrieved. The moment you voice words that leads to illicit affair, it is recorded against you in heaven. The Bible says, ***"For by thy words thou shalt be justified and by thy words thou shalt be condemned" Mathew 12:17.***

12. Acts 15:20. "Instead we should write to them, telling them to abstain from food polluted by idols, from sexual immorality, from the meat of strangled animals and from blood"

The Bible says abstain, be far from it, don't be close to sexual immorality. To abstain means to hold yourself back from it. To refrain from the act. To apply a reverse gear from it. Not to create likeness to an act. It is a warning against dangers ahead that might harm you. The danger is enormous. Therefore, you are warned to abstain from it.

13. Romans 2:1-2. "I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. And be not conformed to this world. But be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect will of God"

The Bible says; don't pollute your body it is a living sacrifice to God. Make your body holy. Avoid every form of sexual pollution. The quality of service you render determines the quality of payment you receive.

Here, the best service you can render is NOT to use your body for sexual immorality.

14. First Corinthians 3:17. "If any man defile the temple of God, him shall God destroy, for the temple of God is holy, which temple ye are"

The verse tells us to keep our body clean and pure of immorality so that God can make His abode in us. Whatever God hates, He shall destroy If He hates us as a result of immorality, we shall be destroyed.

To defile is to make dirty. By going into sexual immorality you dirty your body spiritually and physically. It is through illicit sex you contact venereal disease. Through sex outside marriage impurity infiltrates into the body. The body opens wide gate to germs and pollution that weakens the cell in the body, with aftermath effects of sickness and diseases, infertility bareness, nightmares and bad dreams.

15. First Corinthians 5:9-11 says, "I have written you in my letter not to associate with sexually immoral people – not at all meaning the people of this world who are immoral, or the greedy and swindlers, or idolaters. In that case you would have to leave this world. But now I am writing you that you must not associate with anyone who calls himself a brother but is sexually immoral or greedy, and idolater or a slanderer, a drunkard or a swindler. With such a man do not even eat"

Here, Paul has specific message to all and sundry, saying 'Do not eat with anybody who says he is a child of God but fornicates'. The Bible says don't have anything to do with him or her. Stay clear; therefore be on your heel, run. I say flee from such a person for no one who do such thing shall inherit the Kingdom of God. If you break the hedge, serpent shall bite.

The sum and substance of the preparation needed for a coming eternity is that you believe what the Bible tells you and do what the Bible bids you. It is time you pray the prayer; **O Lord, stamp eternity on my eyeballs!**

16. First Corinthians 6:9-10 says "Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God"

The goal of anyone in Christ is to make heaven. This verse makes it clear that fornicators, adulterers etc shall not make heaven simply because they involve themselves in sexual immorality.

Christ is preparing saints for heaven and heaven for saints. Heaven is not a lease which soon expires, but an inheritance. Whatever makes you good Christian makes you good citizen. Refrain from immorality here forever more. This world is the land by the dying; the next is the land of the living.

17. First Corinthians 6:18. "Flee fornication. Every sin that a man doeth is without the body, but he that committeth fornication sinneth against his own body".

The Bible says, flee. Speak to your legs with the instructions, "carry me and take me away. Leave here for safety, spirit of immorality is around. Don't allow it catch up with me" The scripture says "flee fornication". The Bible says, "Resist the devil and he will flee from you", but when it comes to fornication, you should flee from it"

Without a firm commitment to resist temptation, we risk becoming spiritual captives, bound to our pattern of sin and bound to the devil to do his will

When immorality is spoken to you from the mind reject it. Such suggestion is from pit of hell. When Satan borrows sense to speak one thing, let faith borrow scripture to speak the contrary.

18. First Corinthians 6:13 "The body is not meant for sexual immorality, but for the Lord, and the Lord for the body".

It is a simple message. The Lord who is pure needs pure body. Many lost their prophetic gifts as a result of sexual immorality. The spirit of prophecy which is of God finds its way out of them. If you are for God, He will dwell in you.

Don't build lust in you. It is bad habit to indulge in immorality. The chains of habit are generally too small to be felt until they are too strong to be broken. Habit is a shirt made of iron. The best way to break a habit is to drop it.

19. First Corinthian 10:8. We should not commit sexual immorality, as some of them did – and in one day twenty – three thousand of them died"

The effect of sexual immorality can be dangerous, claiming lives at will. We must deal with the carnalities if we desire the spiritualities. A worldly Christian is spiritually diseased. Pray to God to light his candle of purity around you. If God lights the candle no one can blow it out.

20. Galatians 5:19,21 "Now the works of the flesh are manifest which are these, adultery, fornication, uncleanness lasciviousness— they which do such things shall not inherit the kingdom of God"
Check works of the flesh that leads one to sin and loss of paradise. The nearer we come to God, the more gracious will he reveal himself to us. To walk with God you must walk in the direction in which God goes. Therefore make covenant with purity, our God is pure. The covenant is a rocky foundation to build on for life and eternity.

We cannot always control what happens to us. We will be tempted to sin, but we must take personal responsibility for our feelings and behaviours. Don't blame God. He tempts no one. Don't blame the devil. He doesn't make you do anything. And don't blame others. Don't blame yourself, so that you don't sink, rather restrain yourself and resist the devil.

21. Ephesians 5:5-6. "For this yee know, that no whoremonger, nor unclean person, nor covetuous man, who is an idolater, hath any

inheritance in the Kingdom of Christ and of God. Let no man deceive you with vain words: for because of these things cometh the wrath of God upon the Children of disobedience"

A whore means a prostitute. Therefore, a whoremonger is a professional prostitute. When you practice such the wrath of God shall descend upon you. No sinful act desecrates the body like fornication and sexual abuse. In this sense, fornication has a deadly eminence.

Lust leads to sin. Of all trades sin is the most unprofitable. Sin has turned the world from a paradise into a thicket. Sins are like circles in the water when a stone is thrown into it; one produces another until it spreads uncontrollable. From this stage it becomes cancer of sin!

22. Colossians 3:5-6. "Mortify therefore your members which are upon the earth, fornication, uncleanness, inordinate affection, evil concupiscence, and covetousness, which is idolatry: for which things sake the wrath of God cometh on the children of disobedience"

We can see how impurity is described as idolatry. Idolatry itself is witchcraft and no witchcraft can make heaven. The right way to put out the fire of lust is to withdraw the fuel of excesses.
There are no incurable cases under the gospel. Any sinner may be healed if he will only come to Christ. All you need to do is to ask for grace and forsake sin. With grace you shall be favoured, not knowing when spirit of lust vanishes in you. With grace comes oil of gladness. Grace is the oil of gladness, and the more of this oil, the more of gladness. Grace in God is his compassion on the unworthy.

23. Ephesians 5:3-4 "But fornication, and all uncleanness, or covetousness, let it not be once name among you, as becometh saints, neither filthiness nor foolish talking, nor jesting, which are not convenient but rather giving of thanks"

Remain mute and dumb to negative ways of life. This passage is so explicit in respect of purity void of all uncleanness. Saints look forward to New Jerusalem as inheritance. They hate fornication and all

uncleanness like plague. Arise and embrace purity of heart and purity of life.

Heavenly Jerusalem awaits everyone that makes heaven. Lusts destroy such chance. In the New Jerusalem there is no a torment or sorrow. It is everlasting joy. Do you want to make New Jerusalem? Avoid immorality and the likes. Those who have the New Jerusalem in their eyes must have the ways that lead to it in their heart.

Here on earth, joy begins to enter into us; there, in New Jerusalem, we enter into joy. In heaven there is no warfare but all-fare.

24. Hebrews 12:14. "Follow peace with all men, and holiness, without which no man shall see the Lord".

This scripture calls for holiness, an equivalent of purity. By it one can gain access to heaven, it is a condition. Salvation comes by faith through the shed of the blood of Jesus. Inside the will of God there is no failure. Outside the will of God there is no success. It should be the aim of every Christian to have his will directed by the will of God revealed in Scripture.

Peace of the heart is the natural outcome of purity of heart. If we lose inward peace, we lose more than a fortune can buy. The peace of God will keep us from sinning under our troubles and from sinking under them. When we follow peace with all men our record is straight with God.

25. Hebrew 13:4-5. "Marriage should be honoured by all, and the marriage bed kept pure, for God will judge the adulterer and all the sexually immoral. Keep your lives free from the love of money and be content with what you have, because God has said.
"Never will I leave you;
never will I forsake you"

The message is plain and straight. Honour your marriage with all sincerity and don't be carried away by things of the world. Materiality can cost you heaven. The marriage rooted in God cannot break. The love

rooted in God cannot be uprooted. It is better to have division with an adulterer than an evil uniformity. Are you a Christian? Know this; purity is the watch word of Christians. All Christians are saints and he who is not a saint is not a Christian. Hate adultery with perfect hatred. Heaven is waiting your arrival. You shall arrive in heaven not hell in the name of Jesus. Amen

26. First Thessalonians 4:3-5. "It is God's will that you should be sanctified: that you should avoid sexual immorality, that each of you should learn to control his own body in a way that is holy and honourable, not in passionate lust like the heathen, who do not know God".

The Bible says whosoever lust after flesh is like the heathen idolater. An idolater is an enemy of God. Do you choose to be God's enemy or be on His side? As the soldier follows his general, as the servant follows his master, as the scholar follows his teacher, as the sheep follows its shepherd, just so ought the professing Christian should follow Christ and his teaching.

Jesus preached against lust, fornication and adultery and every form of immorality. He told us to build our spirit for heaven and avoid sin. The first work of the spirit is to make a man look upon sin as an enemy and to deal with sin as an enemy, to loathe it as an enemy and to arm against it as an enemy.

27. First Peter 2:11. "Abstain from fleshly lusts, which was against the soul".

If the soul be lost, the man is lost. As the man is nobler than the house he dwells in, so is the soul nobler than the body. Let your soul and body go for Christ. To possess what Christ would not have us to possess is waste; to possess anything instead of Christ and his will is waste.

The flesh and soul must positively unite to serve God not Satan. The fall of one determines the existence of other. They are in-separate twins in the spirit. The soul must always caution the flesh if it wants to survive test of time. Carnal desire is a gulf that never filled up.

28. James 1:14-15. "But every man is tempted, when he is drawn away of his own lust, and enticed. Then when lust hath conceived, it bringeth forth sin: and sin, when it is finished, bringeth forth death".

The book of James gives vivid steps of lust and immorality unto death. See it. Enticement through lust leads to temptation for sex which is sin. And when you commit sin, it leads to death. Don't forget that the same bible says. ***"For the wages of sin is death" Romans 6:23.***

Our Lord Jesus, the High Priest understands what we are facing. He understands our temptations and is touched by the feelings of our weaknesses. ***"He was tempted just as we are, and because he himself suffered when he was tempted, he is able to help those who are being tempted" Hebrews 2:18.***
Immorality leads to sudden death. You know death is strong; it is the king of terrors and the terror of kings. Death shortens our way to heaven, but grace sweetens our way to heaven.

29. First John 1:9. "If we confess our sins, he (God) is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness"

When sex is deformed, cheapened and exploited than the potentiality of life and the whole social fabric of society deteriorates. No sinful act desecrates the body like fornication and sexual abuse. We are involved. Confess your sins and abide by it.

Brethren, do you know that unrighteousness of the body is a sin before Lord Almighty? Such include sexual immorality. We give unreserved thanks to Jesus who died for us on the cross of Calvary. The power and fruit thereof is immeasurable. The unpolluted blood of Jesus does perfect cleansing of sins.

Without the breastplate of righteousness, we stand naked before the devil. God's Law is an order of life. The root of the Greek term ***dike,*** which is translated "righteousness" or "justice" means literally to give direction and establishes it on the Rock of God's character. In other

words, doing what is right is good for you. You are the beneficiary of right living.

30. Jude 1:7. "In a similar way, Sodom and Gomorrah and the surrounding towns gave themselves up to sexual immorality and perversion. They serve as an example of those who suffer the punishment of eternal fire"

The Bible gave vivid reasons for destroying Sodom and Gomorrah with fire. The inhabitants of the region were paid with lake of fire. It was a horrible visit of condemnation. How are the immoral fell!
The fire that consumes Sodom and Gomorrah is like child play to fire in hell. The greatest and the hottest fires that were ever on earth are but ice in comparison of the fire of hell.

31. Revelation 2:14. "Nevertheless, I have a few things against you: you have people there who hold to the teaching of Balaam, who taught Balak to entice the Israelites to sin by eating food sacrificed to idols and by committing sexual immorality".
The killing character of Balaam was visited here to the church in Pergamum. The spirit of Balaam is to entice people to sin through sex so that God can turn against the person. God hates sin, so when you commit sin, He hates you unless you turn around for good.

The seed of all sins are in our heart, and perhaps all the more dangerously that we do not see them. The flesh has not been refined, yet it is a powerful enemy with which we have to live. But with Christ on our side we shall be able to live above flesh.

32. Revelation 2:20-24. "Nevertheless, I have this against you: You tolerate that woman Jezebel, who calls herself a prophetess. By her teaching she misleads my servants into sexual immorality and the eating of food sacrificed to idols. I have given her time to repent of her immorality, but she is unwilling. So I will cast her on a bed of suffering, and I will make those who commit adultery with her suffer intensely, unless they repent of her ways. I will strike her children dead. Then all the churches will

know that I am he who searches hearts and minds, and I will repay each according to your deeds".
The statement is against the church of Thyatira. Be yourself, be alert against corrupting influence that leads to immorality and idolatry.

There is this scriptural warning in the book of Revelation 17:6. ***"And I saw the woman drunken with the blood of the saints, and with the blood of martyrs of Jesus: and when I saw her, I wondered with great admiration"*** This is telling us, our society is taken over by the mother of harlotry, that mighty spirit filled with the blood of the saints and killing more people each day. But how do these evil powers kill? Is it by cutting off heads? No, not at all. It is by rendering them useless to themselves and eventually lose their identity and destiny to Satan. He will make sure you don't find favour wherever you go. Such spirit will make sure he fights you to a standstill everywhere you go.

33. Revelation 21:8. "But the fearful and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone which is the second death"

The message is clear and simple, commit sin and find your way to hell fire.

No one can change God's law. God rules the universe and no mere man or nation can usurp His power or change His laws. Immorality closes door to heaven.
How point and clear these scriptures are! They cannot easily be misinterpreted. As we can see, they tell clearly and simply that impure living un-repented of, will keep one out of heaven. Immorality is a common practice today. But that will not excuse you and me on God's reckoning day.

Does it mean, it is only the scripture that condemns immorality? Can we learn to desist from immorality through any other source? The answer is simply, YES, immorality is a condemn sin on four major counts.

The first count is the **Holy Bible**. The Holy Bible condemns immorality to the core. The scriptures quoted earlier are good testimonies to this. The quoted scriptures were written by different inspired persons; at different times and places. They out rightly condemn immorality. The summary of their warnings against immorality is whosoever indulges in it either black, brown or white, tall, short or of average height, poor or rich, and who fail to repent shall not inherit the kingdom of God.

The second institution that condemns immorality is **the Church**. From the inception of the church in the early days, immorality was condemned in its entirety. The church knew its implications and it wasn't encouraged. In the book of First Corinthians 5:1-5, Apostle Paul wrote to the Corinthians to expel from fellowship any brother who committed immorality with his father's wife! He knew immorality is a cancer that spread uncontrolled. And so it has to be nub at the bud.

Fornication in the church among brethren is no news. Physical quarrel and clashes among brethren that pollute church are all over the places. They are 'dead members' in the church only occupying seat. How far shall they rubbish the church? Why should a choir master have three, four, five girlfriends among choir sisters? Why should a pastor fornicate at will with girls and with married women in the church? Mr. Pastor Tastee, why taste anything underneath the skirt? Are you building the house of God or you are a satanic representative in the church?

You members of the church, leaders, elders, evangelists, deacons and pastors, better read the books of Numbers chapter twenty five very well. It revealed how the Israelites started sleeping with Moabite women, the forbidden race God warned them not to marry or copy. But a furious judgment came to play here. It told us how an Israelite man who had just picked a new midianite woman brought her right into the courts of Israel (church) with radiance of enjoyment in his face! An angry Israelite man who knew the implication took his spear and thrust two of them to

death. The plague of adultery killed about 24,000 souls. The Bible records it. ***He drove the spear through both of them- through the Israelite and into the woman's body. Then the plague against the Israelites was stopped, but those who died in the plague numbered 24,000., Numbers 25: 8-9.***

The third group is a **respectable society**. An ideal society that focus on purity and excellence never compromise with immorality. They know it is a killer disease that shouldn't be encouraged. They knew that impurity is a curse to discipline minded people as it breeds injustice and so it is never encouraged.
Many of our so called leaders often fall before the time because of sexual promiscuity. Sexual immorality has created room for deep fall in our moral value. It also cause fall in moral justice allowing injustice to reign here and there. An immoral manager supports his girlfriend to thwart justice, because they see in corners. At the end such actions brew anarchy, hatred, shame and sack in office. Such manager is said to sow seed for future trouble. He himself will actually eat and lick what he sowed in future crisis waiting to burst. Because the manager refuses to embrace moral value in office, crisis is bound to abound. No wonder it is said, a life without Christ is a life full of crisis.
The last segment that condemns immorality is the unseen person – **your conscience and my conscience**. Our conscience judges us as soon as we are involved in one immoral act or the other. Regrets and non-comforts are always the fruit of it. This is why immorality is done in secret or in the dark, at least for a while.

Who is to blame in this act of atrocities? Is it men or women? The simple answer is that most of us are too far quick to judge and too slow to seek the truth. We often form habit of throwing stones and rocks more than speak words of forgiveness and restoration. Most times accusation of atrocities is hauled on women while men claim innocence.

When we look at the woman caught in the act of adultery in the book of John chapter eight, all blames went to her. But what baffled me is that

“it takes two to tango”. It’s strange and unfortunate that only the woman was brought bruised, awkward, embarrassed and naked. Where is the naked man? He was nowhere to be found. Only God can save women from the hands of men. When a child is bad mannered its mummy’s own but when the child is excellent in career its daddy’s own. What a partiality.
Don’t forget the drama in the Garden of Eden. Adam shifted the blame to God and Eve. But God who never acts partial didn’t spare him. Then why shift blame on women?

One thing is certain and that is, whoever wants to make heaven must be clean of immorality. You must be pure to enter heaven. It is a divine condition. I have never yet met either young or old person who look back with regret on the fact that he had kept himself pure. Purity brings no regrets, leaves no remorse and helps one to live a noble and worth-while life. It is always a song of victory, speech of victory and scores of testimonies to hear virgins given thanks to God both in public and in secret. There is no shame in it. Your record is pure there is no sin in purity. The Bible supports this in the book Psalm chapter 24:3-4. It first asks the question, ***“Who shall ascend into hill of the Lord? Or who shall stand in his holy place?*** Answer follows in the next verse, ***“He that hath clean hands and a pure heart, who had not lifted up his soul unto vanity, nor sworn deceitfully”*** You can see yourself as a winner not a loser if you keep yourself holy of immorality.

Churches in the New Testaments that Paul wrote were in Gentile nations. They have the background of free and cheap fornication. This made Paul to keep on reminding them the danger in fornication.

We have seen, read and heard of fornication, adultery and lust. We must find ways out of every form of immorality. What we shall do now is to pray. Prayer is the acid test of devotion. When a good man or woman falls, he/she falls on his/her knees. Now let’s go into prayer.

POSSIBLE WAYS OF CONTACTS

"I made a covenant with my eyes not to look lustfully at a girl" says Job 31:1. The eyes act as first contact point in immorality. This is why this verse reminds us not to keep covenant of lust in our eyes. The question is where have you been looking lately? Are you on the street walking but not concentrating as a result of half-naked girls on the streets? Are you on your balcony gazing at every girl that passes by? Are your eyes and desires wandering to forbidden half open breasts outside clothes? Are you clinging to un-forgiveness and bitterness toward your spouse and winking at someone else in the office? Or do you preach and get carried away as a result of women that look at you with lustful eyes?

Exercise little constraint with your eyes. The road you walk each day is littered with dangerous snares and seductive enticements engineered to accomplish one purpose; to trap you down. For the Bible says, ***"Whosoever looketh on a woman to lust after her has committed adultery with her already in his heart". Mathew 5:28.*** Brethren, this is to tell you, every unclean imagination toward opposite sex is as a result of evil signal of eyes contact. If you always fall short of this, your eyes need better attention. If you always fall short of this, your eyes need deliverance.

The sin that men commit, whether in thought or in act proceeds from the heart. It is established in Mathew 15:18-19, ***"But those things which proceed out of the mouth come forth from the heart, and they defile the man. For out of the heart proceed evil thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies"*** Thus, a man is likely to do things he thinks about. To do the things that he meditates on and do most of the things that he has resolved to do. Thou men, the Bible warns, ***"Do not desire her beauty in your heart" Proverbs 6:25.***

Power of evil flow and inheritance is vital in sexual contact. Evil flow means, transference of negative attitude, act, trait and behaviour of parents to children. A man of God was confessed thus, “Some years back when I was in the world, I was a “baptized womanizer” It is yellow woman today, black lady tomorrow; short lady today, tall sister tomorrow. It was on, and on, and on this way before I knew Christ. I was so happy when I became born again when I realize dangers that evade me while in the world. I have no option but claim the Bible verse that says old things have passed away and conclude it by saying ‘new era of no fornication or adultery has set in. But to my surprise I never knew that the spirits have not totally departed from my family. One day I ask my ten year old biological son, “My son what prayer do you want me to pray for you?” To my surprise he said “Daddy pray for me to be released from women captivity. My eyes follow girls all about as if to hijack them and have fun with them”! This man who is now a Pastor was shock and asks himself, “What does this boy know of women, he is not mature enough. Has he received arrow of fornication? All these and many questions flashed through him before he realized the saying, ‘like father, like son’. The boy’s father knew what was wrong. It was the problem of evil flow; it was problem of evil inheritance. It was what he was good at while in the world his son inherited. Spirit of dog torments the boy.

This man of God never waste time as he prayed for his son like he never prayed before. He cast out the evil power tormenting his son; speak woe on evil seed of immorality dwelling in him; bind powers of lust oppressing the boy and break power of evil inheritance.

It is what you sow you reap say the adage. This is the basic law of sowing and reaping. As a result of sex trap your children can inherit it, possess it and practice it as he grows. Habit is easily transferred when parents do it. This is the reason a father should ponder over his secret acts, for he will find them clearly and openly manifested in his children. Also, every mother too, must ponder over her secret acts, for she will find them manifested in her children. I warn again, you reap what you sow.

Past experience of many in their youths ensnared them into sex trap. They saw their parents in the act. There are parents who send their children on errand to their concubines for one help or the other. Don't think they don't know anything. The scar is there. Such children often survive torture of an abusive childhood only to enter a tormented adulthood wrecked by shameful memories of sexual abuse, spiritual betrayal and mental torture. A brother confessed thus, "I inherited this (fornication) from my parents because what my mother did in those days, my father equally do. I never saw my father doing it but I knew he was in the act because he was a trailer driver, who slept sometimes once in two weeks at home! But that of my mother, he continued, was glaring. Anytime my father went on tour, and left us under the care of our helpless mother, fear grips me. My mother was fond of sleeping outside her matrimonial home such whenever my father is away, and I knew she went to her man friend. The rule is, I must not tell my father when he is back from tour or else I will pay dearly for it. In fact anytime my father travels, I use to entertain fear because my mother will vanish to thin air. It was a painful experience, but little could I do" The story of this brother is pathetic. Many as a result of similar experience fell into sexual immorality.

Another vital way of immoral contact is **evil association.** Many who were raised in godly ways find themselves doing what is wrong as a result of people they associate with. Many are besieged with sex epidemic as a result of excitement found in party scene, night clubs, drinking circles and association with worldly men and women. They succumb to Satan's pounding temptation and lure of worldly friends. Sooner or later they become carnal and sensuous. When they fall victim, they transfer traits to others. From experience, I observed over the years that where you find an individual with strange behaviour, unproven and unorthodox doctrines, or rebellion in his heart, those in his cluster of association possess same character.

Another way of contact is when one **'sit' under a wrong ministry** of person that consistently commit adultery or practice homosexual. Birds

of the same feather flock together. If you know you don't want to be affected by immorality, be wise and avoid such gathering.

Soul tie is another way of contact. Soul tie is the knitting together of two souls either for blessings if godly used or destructive if made with wrong person. An example of Godly soul tie was the one between David and Jonathan, son of King Saul, or between Ruth and Naomi. Soul ties that develop between singles of opposite sex often lead to immorality, manipulation and abuse of each other. Ungodly soul ties are not always in divine order. In fact, there are men and women who after marriage have soul ties with their parents or ex-lovers. Soul tie to parent is worst. If the soul tie to parents are not broken it may bring marital problem. Rather, stronger tie must be to your spouse.

Any soul tie formed can actually bind someone for life. Distance cannot kill soul tie. You can be married and still think of your ungodly years with that man or woman you mess up around with. This is soul tie. Sometimes, it may take several years before such person can be fully restored emotionally, mentally, and physically from the trauma of destructive and binding relationship.

Transference by impartation. Laying hands on you, is one of the ways transference of immoral spirit can come to play. The tragic part of it is, when you are not filled with Holy Spirit to counter such demon. Laying on of hand is not evil but the personality of the person who does it matter a lot. The Bible recorded it that after Moses laid hand on Joshua, his wisdom and counsel came upon Joshua. When Moses laid hands on the seventy men, they supernaturally receive same spirit Moses had, so they could minister to people with wisdom, vision and mind. So if your parent often lay hands on you as he/she pray, his/her spirit may pass unto you. Likewise, a pastor that anoints another under him will pass some of his anointing unto him. If the anointer is a womanizer, his ministers may equally follow suit.
Don't allow people touch you anyhow. Demon transfer is common this day. It is not uncommon seeing old men and women of age, or family members from your father's house or your mother's house, praising you,

caressing you, touch and rub your head and body with evil hands. Their 'orikis' i.e. praises are of Satan. Such evil contact always sow seed of immorality and failure in a life.

In the Old Testament, God destroyed the cities of Sodom and Gomorrah because the ruler spirits of homosexuality, prevision and greed took over the land like cancer. It was recorded, not even ten righteous people could be found living there who had not been corrupted with the spirit ruling over the cities. God knew what will eventually happen in the nearest future and decided to wipe them off the planet earth. He knew sooner or later the children of Israel would become polluted by their sins and idolatries. He knew evil spirits will transfer such to Israel so He decided to apply quick medicine of 'destruction by fire'.

Pornography, nude pictures and pasting of such in your room can lure you into immorality. It is an evil contact. Let me tell you this, even though you are a Christian that attends church, read Bible and spend time in prayer, the spirit of the world is still able to seduce you, if you give space to pornography, sensual movies, or violent television programs. Never buy the idea or common deception among Christians who believe they have reached certain level of maturity or responsibility and so they are immune from such effects. This is a lie, we are human being, nobody is perfect. Therefore give Satan no room in your life.

There are occasions when spirit of carnality and promiscuity is transferred to a person through **stage play, hard rock music or rock concerts**. Suddenly such person may change his appearance by fire, the type of clothes he wears, become rebellious to parents and refuse to take to profitable corrections. The simple reason is that he is lost to lust spirit. The book of Proverbs 13:20 says, ***"He that walketh with wise men shall be wise: but a companion of fools shall be destroyed"*** Also, the environment you live may affect you. For example, self-promotion, false glamour and sexual promiscuity are all over the city of Hollywood. Thus, it is only by walking in the spirit of God can a person be protected from transfer of negative power and spirits.

In the church of today, lust can be contacted through **negative activities and attractions** posed by gospel singers, chorus leader, choir master and preachers. Sometimes their voices, eyes, body gestures etc are centre point for sex appeal.

Many openly worship hard rock music and its god, Satan. **Movies, television, music and magazines full of violence, waywardness** to the person who fills his mind and time with such activities can be traped. The Bible decently warns in Proverbs 4:23, ***"Keep thy heart with all diligence, for out of it are the issues of life".*** A striking effect of an environment occupied with lust spirits is that it becomes difficult to preach in such oppressive atmosphere because of prevailing anti Christ spirits there.

In fact, Satan has cleverly and masterfully ensnare, enslave and influence many Christian with the spirit of this world through the **eye and ear gate.**

Anyone from an **occult or idolatry home or environment** is usually exposed to spirit of immorality. Sexual immorality gets rampant when certain festivals take place in towns and villages. Sex trade and merchandize is a common thing. It is always a period when promises from both sides fulfill immoral acts. Sex is the price paid in such occasion. Immorality is always on the high side as a result of the spirit behind such idol. Even after such festival, the spirits behind it refuse to go.

Contact of immorality and sex trap can be likened to evil farmer that sow evil seed while men slept. Our Lord Jesus gave us this parable in Mathew 13:24-25***, "Another put he forth unto them, saying, the kingdom of Heaven is likened unto a man which sowed good seed in his field. But while men slept, his enemy came and sowed tares among the wheat, and went his way"*** The field here represent our heart while the sower of the good seed is the preacher of the Word of God. The tares represent evil seeds and if permitted shall germinate into evil giants. The evil planter

is Satan, whose mission is to steal, to kill and to destroy. He plants such evil seed into peoples mind through movies, television programmes, pornographic magazines, communication with unserious friends etc. When one is carried away this way, Satan has fertile ground to trade.

Mind of men is spiritual battle ground. The Bible says beware of the devices of the devil. Every serious minded person should be on the lookout and be watchful to escape from tact that gives Satan opportunity to knock you out.

The question is how can one know **when a believer is no more on the track of purity?** How can one know when backsliding sets in, in a life? The under listed point although not exhaustive, shall serve as ground for guidance.

1. When you **lose interest reading and meditating on the Word of God.** This includes inability to read the word of God freely as before or sudden stop of reading areas that affect you for good. Such areas include portions in the Bible that encourage keeping away from immoralities and evil. There are Christians who hate where adultery, lust, fornication and the likes are mentioned. If you are such a person, know you are sexually trapped.

2. Close to above is **when Word of God has no meaning to you.** Word of God represents light, an encourager, a faith builder, a sword. It has healing power. So when one neglects word of God, he or she is far from what it can give. In its absence, satanic influence flourishes.
3. **When you do abominable things,** such as masturbation, kissing opposite sex in the office, hugging opposite sex all about, making love in office during or after closing hours etc. Doing these mean lusts has taken better part of your life. What you will expect is doom, unless you have a change of mind.

4. **When you build habit of calling bad good and call good bad.** Anyone that sees nothing bad in adultery swims in palace of lust. He is ravaged by spirit of dog.

5. **When appetite for sex take over your life.** People in this category think of nothing but sex. They talk sex and are crazy for it. To Patronize prostitutes become a daily affair. Dating multiple boyfriends on parent's bed becomes rampant. No shame or fear is entertained. A woman who own a beer parlour shop once confessed there is much joy in sex when she have sex with her man friend (concubine) on the same bed, with her daughter by her side having sex with another man. She said, she love hearing how her daughter scream on bed! In fact when this sister said it I felt dazed. I couldn't believe her but she is not a baby. She meant what she said. Any woman in her shoe needs counsel. The question is can she desist from such scandal?

6. Another sign is **when your life cannot preach to people** or people see it in you that your life style or dress chases Christ away. For example, when a born again Christian shave punk hair style, when a boy or a man weaves his hair, when a man put on ear-rings or a sister paint her mouth with decorative colours or eyelashes to impress men, know that such a person is out of track.

7. **When you associate often with opposite sex.** It is the smell of what you perceive that draws you. Mingling with opposite sex without control is signal to flirt, adultery and fornication.

8. **When you follow other gods**. We are not talking of idolatry here but going to parties, and or, believe in use of jewelry and clothing. Such believe may make you lose concentration in serving God. What you believe in is party today, party tomorrow; it is party every weekend. As a result you form habit of borrowing clothes or rent one; you beg for jewels and shoes to match your tastes. All you think is what is in vogue. People you associate with have no time for word of God.

They are the types I call the "Moni-ises", which literally mean 'I have party to attend'. In Lagos, the Yorubas that practice such will tell you "Moni ise ni weekend" meaning I have party to attend this weekend. Any time you see people in this shoe will often say, moni ise ni Ijebu, moni ise ni Abeokute, moni ise ni Ondo, moni ise ni Ilesha. Every time it is 'moni ise, moni ise, moni ise. Sometimes it is said for pride. You

hardly find them not having one party or the other weekends. They wouldn't mind to borrow money with interest to hold party! Sometimes it becomes difficult to pay up, thereby leads to fornicating about to meet situations.

It is common in party seeing married women dancing to music of the world, while men paste money on their breast, buttocks and cheeks. Such men and women believe they are enjoying. They call it surplus 'igbadun' that is surplus enjoyment. They least realise arrow of lust has catch up with them

9. ***When you twist word of God to meet your desire.*** You don't need to be surprise seeing Christians quoting bible passages to buttress evil acts and misdeeds. When you catch a brother in the act of adultery he may quickly tell you he wants to practice polygamy as did David, so that he might be 'a man of God's heart'

10. ***When you have the thought of killing yourself.*** Lust and immorality are dangerous twins. Anyone influenced by lust tell lies. For example, he may tell a sister, "I am sick, come and take care of me" In such situation, rape may come in. Since the sister hardly expects it, the brother may be arrested, from arrest to court and then jail. There and then Satan may witness to him "take your life to avoid this mess and disgrace". If nothing have transpired between them in term of casual sex, this wouldn't have happen.

11. **When you allow room for evil thoughts and imaginations.** It was satanic question from the serpent that brought Eve to her kneels in the Garden of Eden. He (Satan) said to the woman, ***"Did God really say, 'you must not eat from any tree in the garden" Genesis 3:1.*** The fact is, devil will give you thoughts like, Is she not beautiful? Look at her breast, her shape, her legs, her colour, her height. Don't you like her? He may say, "Brother Peter, peep through the window". "Brother Andrew, ask her questions", "Brother John, join the system it is sweet", "Brother Paul, polish your language". Instead of rebuking the spirit, you fall into it.

Whenever the devil suggests an idea to you, cast it down. Don't allow it to stay or sink in your heart, rebuke it and cast it down.
The consequence of it all is each time a man has sex with a woman; he transfers something (spirit) into her, and receives from opposite sex her own kind of spirit. So, if you have been sleeping with multiple partners, you are sure to have all kinds of spirits around you. I wonder how many spirit husbands or spirit wives many Christians are fighting over today!
