Study

Colossians 3:25 KJV: But he that doeth wrong shall receive for the wrong which he hath done: and there is no respect of persons. Just as there is a penalty for anybody who does things that are contrary to the laws of a particular country, so also will anyone who does wrongs receive the reward of his wrong doings. It's something that has already been programmed in the course of life. Being a Christian does not negate this fact at all, whatsoever you do, you will definitely reap its fruits. Whether you do good or bad, you will reap its fruits, but the painful thing about this already established rule of life is that, it doesn't acknowledge the fact that a wrong was done either ignorantly or mistakingly. When a wrong is done, its consequences comes whether a person likes it or not and this has caused a lot of people's lives to be destroyed because they didn't think well before taking some steps and the consequences came to destroy their lives.

A quite number of times, christians grumble and complain that since they have given their lives to Christ and have been forgiven, the sins they committed before giving their lives to Christ should not work against them or stand against them neither should they feel the repercussions of the sins. But this is what they don't understand; The moment a sinner comes to Christ, he becomes justified and to God, such a person has not even sinned before because God now sees the righteousness of Jesus on such a person and not the sinful life. But there is what is called the CONSEQUENCES of sin.

The consequences of sin is the physical results of some sins that a person engaged in when he/she was in the world. The consequences of sin has nothing to do with God, it comes automatically due to how life has been programmed.

It's normal for someone who stands for a very very long time to have an aching leg at some point, does that mean it's God that makes such person's legs ache? No, it's the result of what the person did!

There are some sins that do not really have come with a physical consequences after one has accepted Christ but imagine someone who continued to abort times without number and after giving her life to Christ realizes her womb got destroyed the last time she aborted. This wasn't orchestrated by God but came naturally as a result of constant abortions though God can heal such a person after the person is born again, but we would see that the consequences of such sin came naturally without God causing it. There are some evil that one can bring upon one's self if care is not taken. Another example is someone who does not take care of his/her body often, in no time, such person will likely fall sick. The consequences of not taking good care of the body is falling sick and it comes naturally. When such a dirty person now gives his/her life to Christ and still refuses to quickly amend by taking good care of the body, the consequences of such sin will come and when it finally hits the person, it looks as though the person does not serve God.

This is not because God doesn't watch over His children, no! It's only because the person refused to observe simple personal hygiene and which made its consequences tell on such person. Therefore, we should always take note that reaping the consequences of sin is natural and does not mean one's salvation isn't

intact. But God is always there to help relieve us of the consequences, if it's that which you should correct yourself, please do! But if it's above your power and it's only God that can solve, cry unto Him and beg Him to have mercy and He will hear you to answer you.

What is a Mistake?

A mistake is a wrong action, statement or judgment. I believe we have all done some certain things at some point in time which we regretted but later tried to amend. There are mistakes that are amendable and correctable while there are mistakes that will cost you your whole life. There are certain mistakes that when made, they can never be corrected or amended, these mistakes will badly reshape the lives of those who make them and it will leave a scar on them forever.

A Day mistake can cost you a thousand years to amend and we know that no one has ever lived a thousand years. The highest a person has ever lived was 969 years old and that was Methuselah. Which means some mistakes cannot be corrected throughout one's lifetime and you wouldn't love to make such deadly mistakes.

As I was preparing this particular teaching, I didn't include some things actually but The Holy Spirit had to let me hear those things I didn't remember to include just for it to be complete so I know this teaching is particularly for some people here. You have to open your heart to receive it before you can know if it's for you or not. We are going to look at some biblical examples of those who made a Day mistake and how it affected their lives. We are also going to look at some of those mistakes we shouldn't make in life, which can cost us a lot.

Biblical examples of those who made "A Day Mistake" In The bible and what we should learn from their mistakes

1. **Dinah: Genesis 34:1-2 KJV** And Dinah the daughter of Leah, which she bare unto Jacob, **went out to see the daughters of the land** **[2]** And when Shechem the son of Hamor the Hivite, prince of the country, saw her, **he took her, and lay with her, and defiled her.** We know how Dinah, the daughter of Jacob went out to see the daughters of the land and because of not being able to stay where she

was to stay, she was raped and defiled. That was the most shameful thing that could have happened to a female back then, being raped!

The virginity she had been keeping for so long, she made a mistake by going out to see what did not concern her and her jewel and pride was taken from her. That mistake can never be corrected once it happens to a female child. This is why every female and male children and youths should be careful of who and where they move with inother to avoid a day mistake that will cost them their pride. Dinah was defiled because she was too forward and kept friends. If she was in her house or moved to godly places, she wouldn't have been raped. It means she walked in the valley of temptations, which made Shechem to have seen her.

Whether a male or female child, the mistake of moving aimlessly without a concrete reason should not be encouraged to avoid defilement in any way.

2. Shechem: Genesis 34:13-15,24-27 KJV And the sons of Jacob answered Shechem and Hamor his father deceitfully, and said, because he had defiled Dinah their sister: **[14]** And they said unto them, We cannot do this thing, to give our sister to one that is uncircumcised; for that were a reproach unto us: **[15]** But in this will we consent unto you: If ye will be as we be, that every male of you be circumcised**; [24]** And unto Hamor and unto Shechem his son hearkened all that went out of the gate of his city; and every male was circumcised, all that went out of the gate of his city**. [25]** And it came to pass on the third day, when they were sore, that two of the sons of Jacob, Simeon and Levi, Dinah's brethren, took each man his sword, and came upon the city boldly, and slew all the males. **[26]** And they slew Hamor and Shechem his son with the edge of the sword, and took Dinah out of Shechem's house, and went out. **[27**] The sons of Jacob came upon the slain, and spoiled the city, because they had defiled their sister. Shechem raped Dinah and because he couldn't control his lustful desire and he couldn't keep himself, he brought destruction upon a whole city.t because of the mistake he made, he was killed, his father and all the males in the city and their city became desolate.

The inability to control one's desire can bring a great mistake which will cause a lot of destruction to one's life. The moment one's desire pushes one to make a mistake, such mistake might bring destruction upon such person and the person's

household. We should learn to control our desire and urge, do not allow it control you but you should be the one controlling it.

3. Michal: 2 Samuel 6:16,20,23 KJV And as the ark of the Lord came into the city of David, Michal Saul's daughter looked through a window, and saw king David leaping and dancing before the Lord ; and she despised him in her heart. **[20]** Then David returned to bless his household. And Michal the daughter of Saul came out to meet David, and said, How glorious was the king of Israel to day, who uncovered himself to day in the eyes of the handmaids of his servants, as one of the vain fellows shamelessly uncovereth himself! [**23]** Therefore Michal the daughter of Saul had no child unto the day of her death.

Michal had a bad mouth and allowed hatred in her so even when her husband, David was dancing to God, her bad mouth and hatred took toil on her and she made the greatest mistake of her life. Being barren is what every woman wouldn't wish for and because Michal could not control her tongue, she made the greatest mistake of sinning against God and became the only barren women till death in the bible.

This means our tongues can lead us into commiting mistakes that can never be corrected. A lot of people have received curses which they got delivered from after several years of punishments, if as a parent, you do not know how to say good words to your children, you are always abusing and cursing them. You are making a very great mistake which if you do not stop making now, will make you regret by the time your curses and idle words start coming to pass upon your children.

4. Samson: Judges 16:18-20 KJV.And when Delilah saw that he had told her all his heart, she sent and called for the lords of the Philistines, saying, Come up this once, for he hath shewed me all his heart. Then the lords of the Philistines came up unto her, and brought money in their hand. **[19] And she made him sleep upon her knees; and she called for a man, and she caused him to shave off the seven locks of his head; and she began to afflict him, and his strength went from him. [20]** And she said, The Philistines be upon thee, Samson. And he awoke out of his sleep, and said, I will go out as at other times before, and shake myself. And he wist not that the Lord was departed from him. Even the strongest

man made a single mistake and it brought destruction upon him despite his strong power, Kai. He would have wished that day that he made the mistake didn't come at all but unfortunately, the deed was done. He made the mistake of telling all his heart to someone who he had not married fully, he opened his heart to a strange woman, the greatest mistake he now made was laying on the laps of a strange woman and his strength was sucked.

No matter how strong or spiritual you are, if you are not careful enough and you make some mistakes, you will end up becoming a thread which can be cut easily. Avoid the mistake of revealing secrets that should be meant for your personal self to others and be careful of making the mistake of lying comfortably in a strange woman's bosom. To the females, following a man because he has material things to offer you might be a mistake you won't be alive to correct after he has used you for rituals. May we not be used for rituals in Jesus name.

5. Ananias and Sapphira: Acts 5:1-5 KJV But a certain man named Ananias, with Sapphira his wife, sold a possession, **[2]** And kept back part of the price, his wife also being privy to it, and brought a certain part, and laid it at the apostles' feet**. [3]** But Peter said, Ananias, why hath Satan filled thine heart to lie to the Holy Ghost, and to keep back part of the price of the land**? [4]** Whiles it remained, was it not thine own? and after it was sold, was it not in thine own power? why hast thou conceived this thing in thine heart? thou hast not lied unto men, but unto God**. [5]** And Ananias hearing these words fell down, and gave up the ghost: and great fear came on all them that heard these things. The husband, ananias could not amend his mistakes because he received the reward instantly but his wife could have amended her mistake and have lived because she was asked but she lied too and died. This also means, there are mistakes that can be made when one lies or deceives. This is why truthfulness is needed at all times, we shouldn't lie as christians and also be time conscious.

If Sapphira had come in earlier probably after few minutes her husband died, she would have feared and said the truth but she came in after hours. She made the mistake of going late. A lot of christians have missed their blessings because they have always gone late to church services, when they should have received their blessings and made it in life, they keep missing their blessings due to going late to

church and because every blessing has a time attached to it, it keeps eluding them. May God not let us miss our blessings due to lateness in Jesus name.

6. Judas Iscariot: Matthew 27:3-5 KJV Then Judas, which had betrayed him, when he saw that he was condemned, repented himself, and brought again the thirty pieces of silver to the chief priests and elders, **[4]** Saying, I have sinned in that I have betrayed the innocent blood. And they said, What is that to us? see thou to that. **[5] And he cast down the pieces of silver in the temple, and departed, and went and hanged himself.** You might have been thinking he made the greatest mistake of betraying our Lord Jesus, yes, you are right but I also want you to know that it's not only that mistake. He made the mistake of not repenting and asking for forgiveness, instead, he went to hang himself which means a greater destruction lies in store for him in hell. Why? He killed himself, suicide is a sin and also, he didn't beg for forgiveness, he only felt remorseful and hanged himself. Feeling remorseful is not enough but genuine repentance and pleading for forgiveness. So, the mistake he made is an eternal one, Kai, that is the greatest mistake ever. That is the mistake we shouldn't make even if we make other mistakes. We should not make the mistake that will cost us our eternal life.

7. **The forty two children killed by bears: 2 Kings 2:22-24 KJV So the waters were healed unto this day, according to the saying of Elisha which he spake. [23] And he went up from thence unto Beth-el: and as he was going up by the way, there came forth little children out of the city, and mocked him, and said unto him, Go up, thou bald head; go up, thou bald head. [24] And he turned back, and looked on them, and cursed them in the name of the Lord. And there came forth two she bears out of the wood, and tare forty and two children of them.** These children made the mistake of dishonoring a man of God and 42 out of them could not amend their mistake or regret it before they got killed. The rest of the children would have learnt their lessons not to dishonour men of God next time. This tells us that dishonoring men of God is a mistake which can sometimes be amended and sometimes not possible to be amended.. we should always honour men of God to avoid them being angry with us. Receiving curses from añy man of God is dangerous and deadly and it takes a greater and higher anointing to erase such. In all, let's learn to honour men of God who are truly men of God.

These are some of the biblical examples of those who made grievous mistakes in the bible and which cost them a lot. Let's look at some other common mistakes that should not be made because they can cost one a lot

Other mistakes that should not be made

1. **Marrying wrongly:** This mistake once made, haaa, it's hell on earth for such family. This is why every child of God must seek God's consent on whomever they want to marry because once a person marries wrongly, that mistake can cause one eternal loss if one is not careful. Do not be carried away by beauty more than what God is saying! If he or she is not The will of God for you but because of his/her beauty, you force yourself to marry him/her against God's commands. This kind of mistake will cause such marriage to be hell for such person. If you are still single and not married, please do not marry wrongly! If you are in courtship and you didn't hear from God before Venturing into it, please break up and seek God's direction first. A broken courtship or relationship is better than a broken marriage.

2. **Aborting a baby or rejecting the baby you had when you were in the world:** You never can tell the number of babies God has given you, if you end up aborting that pregnancy, it might be the only baby you have been destined to give birth to that you are losing. Also, it could be the baby that would be so great and make you proud that you are aborting. Heard a story of a sister who aborted her pregnancy and always dreamt of 3 people in white beating her in the dream. She went for deliverance and it was told her that she aborted triplet and they would have been great men of God if she had given birth to them. So they were always beating her in the dream for cutting their visions short. Also, if you have given birth before and you are rejecting the baby or child, you might not know the mistake you are making. Someone gave birth that way and rejected the child, they begged him but he said never. Later on, he married another person but the person didn't give birth at all and that was when he remembered he had a child. But then, the child had become a great Engineer in canada and was highly esteemed there. He had changed his father's name to the name of his mother's husband already. Which means he had forgotten his biological father since he deserted him when he was little. Please do not make the mistake of aborting any baby or rejecting any!

3. **Missing an opportunity;** Missing a golden opportunity because of lack of diligence, laziness and idleness can cause you a lot. Such opportunity might never come again in life. Therefore, make use of godly opportunities that you come across. I said godly because some opportunities are just snares from the devil and should not be grabbed at all. Therefore, with the teaching tonight, I believe you have seen some mistakes that might cost you a lot and why you shouldn't make such mistakes. **Some** mistakes are amendable and can be corrected so far you are still alive while some cannot be corrected or amended even if you are still alive. You just have to be careful not to make mistakes that you won't be able to amend. A way to avoid making mistakes that are costly is by studying and being the doer of The Word and serious prayers. Though, sometimes in life, we make little mistakes which enables us to learn more but we should be careful and not careless so that we don't make mistakes that will cost us so much in life. We have come to the end of tonight's teaching, if you have any question, kindly ask but if there is none, I wish you all pleasant night rests ahead brethren. Thanks for your time.

QUESTION

A sister in my fellowship...was faithful in serving God ...due to all the happenings around her she got discouraged and decided to return to her old ways.. while she was still faithful with God, she decided not to collect money from her ex guy but now she's discouraged she decided to run back To the guy and even surrender her body to him,(fornicate) but a little while she listened to a message which made her to change her mind sir

1. She is scared of asking God for mercy? What should she now do

2. She's yet to make the mistake, but can she still be restored

3. Do you consider her previous actions as a greivous mistake

Answer

1. Since she has repented and come back to Christ, she has amended her mistakes. Though she has defiled herself by commiting fornication but she corrected herself by coming back to God. She should ask more for mercy and forgiveness

and after which she should continue living the life of Christ. Changing her mind is not enough but asking for forgiveness, moving close to God and doing His will.

She should never be scared to ask God for forgiveness if she has truly repented, she should pray that God should have mercy and she will be forgiven.

2. It's a mistake too and lack of spiritual sensitivity but it is a mistake which could be amended and corrected if she is ready to ask God for forgiveness and come back to Him. God would forgive her and accept her back.

QUESTION

No she didn't commit fornication, she was about going to the guys house before a message

But, she turned her self on by watching ungodly movie(Porn) that's it sir.

Answer

Then, she should delete the porn, ask for forgiveness and continue to serve God, God will gladly forgive her and accept her back. But she should be very careful not to go to watch that ungodly movies again because the devil will tempt her too.
