How to contact company customer service

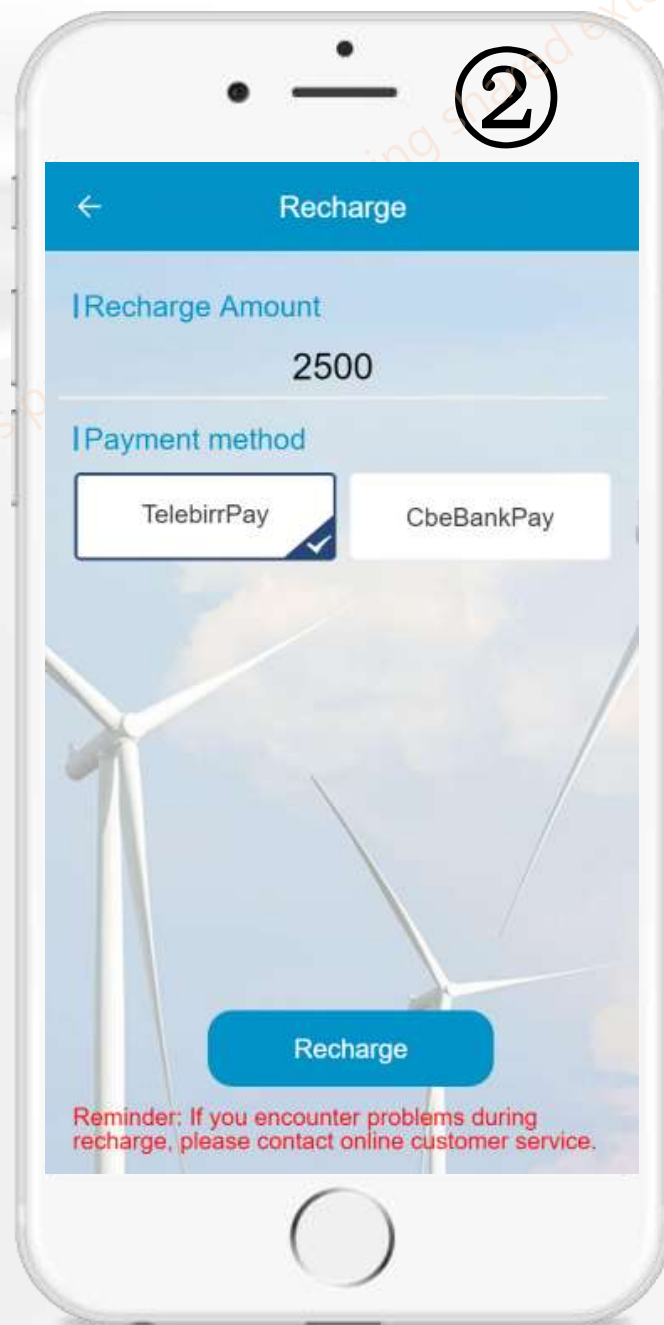

A screenshot of a mobile application registration screen. The screen has a white background with a blue header bar containing the INP logo. Below the header, there is a blue-bordered box containing several input fields. The first field is for a phone number, with a dropdown for the country code (+251) and a text box for the number (XXXXXXXXXX). The second field is for a security code, with a dropdown for the code (23736) and a text box for the code (23736). The third and fourth fields are for passwords, each with a text box and a toggle icon. The fifth field is for a MIMGC code. Below the blue-bordered box, there is a red-bordered box containing a blue "Register" button and a blue "LOGIN" link.
