I am a little kitten. I am soft. I can smell, but I cannot see yet.

My home is in a box. I need to drink milk to grow.

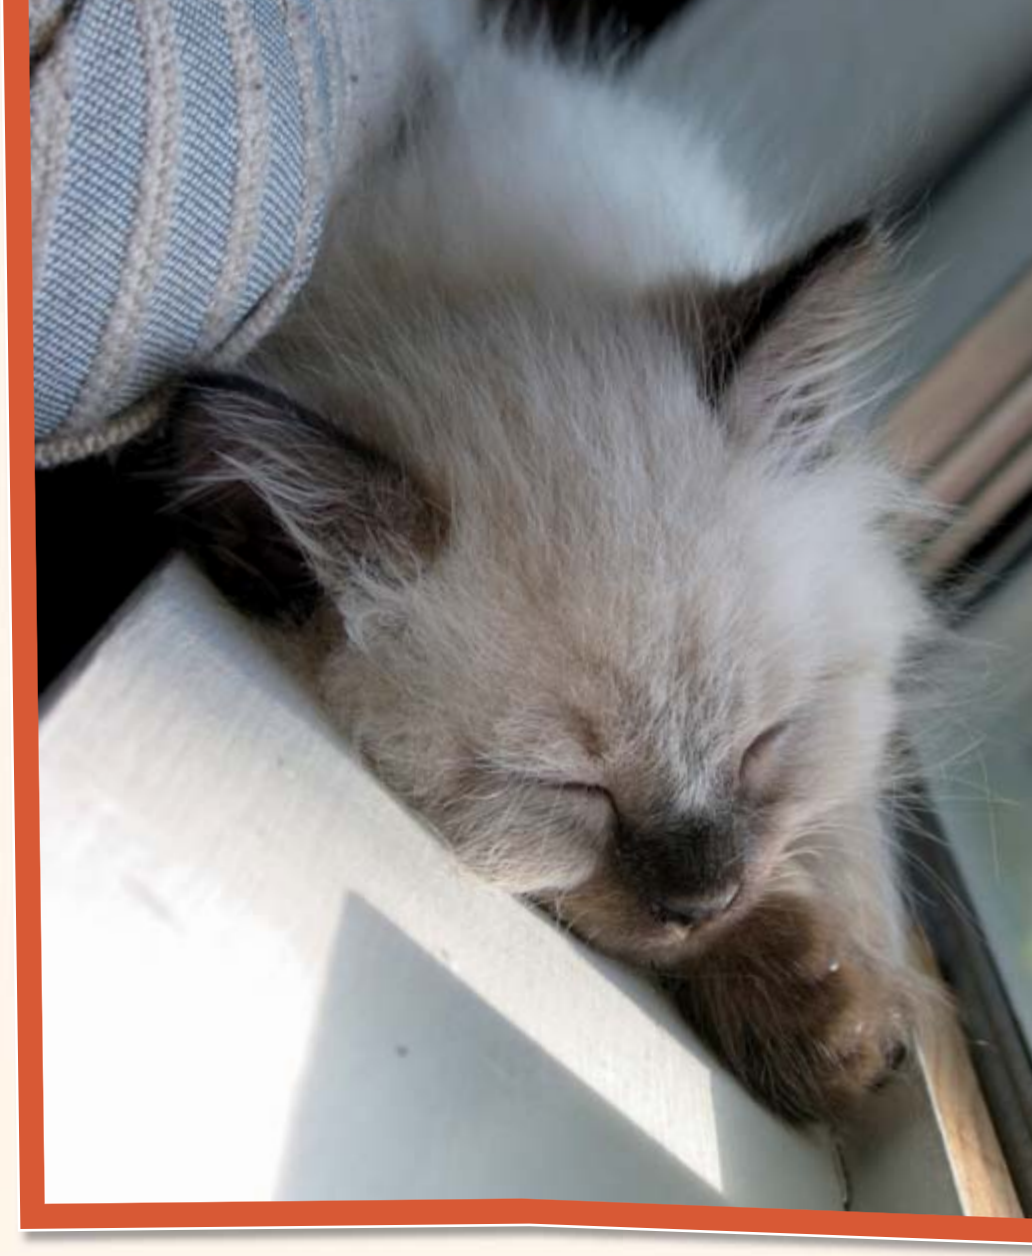

Look how much I grew.
Now I can see.

I lap up my water. I eat as much food as I can.

I like to play with my friends. We watch the ducks fly in the air. We watch the dogs and the hens.

I like to sit in the sun.

Now the rain falls. It's time to go back to my box!

Teacher Read-Aloud

Think Critically

1. How did the kitten change as it grew?
2. What does the kitten do when it begins to rain?
3. How do you know this book is about things that are real?
4. What did the kitten need to grow bigger?
5. What games do you like to play with your friends?

Science

Draw and Write Draw a picture of a kitten when it is born and when it has grown bigger. Write a sentence under each picture.

School-Home Connection Talk about *A Kitten Grows* with a family member. Then talk about things you need to do to look after a pet.
