Topic:
ABATTOIR OF THE WOMB
Bible Text: Psalm 139:13-16

Prayer
Thank You Jesus for the grace given to us to gathered at Your feet today, we say be Thou exalted righteous Father. Lord we're going into Your word, we pray that Your presence go with us, let us be the doer of Your word in Jesus name, amen.

Introduction
It is important that we go into a study such as this so that many would understand the ripple effect of the decisions they choose to make in life. There is nothing as precious to the Lord as the soul of a man, and that is who is part of the life of a man. This is because God, who is the Creator of all things, knows what He used to make man above all other creatures. No animal on earth can take the position of a man before God. This is why it is declared that all souls are His.

Bible Texts: Psalm 139:13-16 KJV
For thou hast possessed my reins: thou hast covered me in my mother's womb. [14] I will praise thee; for I am fearfully and wonderfully made: marvellous are thy works; and that my soul knoweth right well. [15] My substance was not hid from thee, when I was made in secret, and curiously wrought in the lowest parts of the earth. [16] Thine eyes did see my substance, yet being unperfect; and in thy book all my members were written, which in continuance were fashioned, when as yet there was none of them.

Study

Ezekiel 18:4 KJV – Behold, all souls are mine; as the soul of the father, so also the soul of the son is mine: the soul that sinneth, it shall die. God provided all animals for food but not the flesh of man, for He alone reserves the right to kill and make alive. But today, Satan has reduced the value of men's lives to that of animals, which is why we see that the rate at which murder is committed is so alarming. One would not help but wonder if those who do so are actually human beings or not.

But let me tell you the spiritual truth—not everyone you see is a human being created by God. Many are demon incarnates, but they have the form of humans. In fact, it is possible for them to have parents, and you can know their families too because they were also born into the world through a man. Most times, an exchange was done while they were in the womb. Satan cannot create humans; it is only God who can. This is why he makes an interchange of children whose parents are spiritually careless from the womb.

When this set of people grows up, they become cruel and heartless and can commit different kinds of atrocities that true humans find hard to commit. But many humans have ignorantly followed these ways, counsels, and methods, which are definitely leading to eternal destruction and separation from God. It is through this that abortions started.

Are you still there?

As we go further,

What is an abattoir?
It is a place where animals are butchered. It is also called a slaughterhouse. If we then look at what the womb is, we would say that it is the uterus. This is a muscular organ of the female mammal, containing and usually nourishing the young during development prior to birth. This is where the baby lives until it is born into the world. From these definitions, we can see that an abattoir is a place where animals are killed, butchered, and slaughtered—not humans. No one is given the license to own an abattoir where humans are butchered, and God has not given such a license to any man either. What then happens in the abattoir of the womb? It is a slaughter—a butchering—of innocent souls.

Our Bible text:

Psalm 139:13 KJV – For thou hast possessed my reins: thou hast covered me in my mother's womb. We can see David speaking here. He said God formed his inward parts and weaved him in his mother's womb. This proves that God is the one who supervises the formation of a child in his mother's womb. The moment the semen fertilizes the egg, the formation of a baby starts, and there is already human blood involved in the formation. The Word of God says life is in the blood.

Leviticus 17:11 KJV – For the life of the flesh is in the blood: and I have given it to you upon the altar to make an atonement for your souls: for it is the blood that maketh an atonement for the soul.Whenever such formation is deliberately interrupted by humans at any stage, it results in murder because blood is life. Today, there are many women whose bodies have become a mobile abattoir where children are being slaughtered, and they are less concerned about this. The world has made it so normal, and even Christians are already moving in that strange trend.

This is not supposed to be! Abortion has been legalized in some countries where murder is a crime. Humanity fails to admit that both the newly formed baby and the already matured one are the same before God, and stopping the existence of either is equivalent to murder.

Are you still here?

The rate at which sexual immorality is on a rampage today is simply the major cause of unwanted pregnancy. Satan has introduced many things to ensure that humans continually sin against God. He then provides a so-called solution, which only entangles them in more sin. For instance, Satan introduced pornography, then introduced masturbation and fornication to quench the desires aroused by lustful, graphic content planted into the hearts of men. Instead of abstinence, which the Lord recommended, he presents protection during the act of sexual immorality as a solution. Many have fallen into this trap because it is promoted on social media, radio, TV, and every other means, with even governments propagating this so-called gospel of protection from sexual diseases and unwanted pregnancy instead of abstinence. This has led to family planning methods, which God frowns upon.

Sometimes, these methods fail and lead to unwanted pregnancy. Then Satan gives them another solution—abortion. Therefore, you can see that one sin leads to another, all in an attempt to provoke God to anger. The level at which abortion is committed today is very alarming. If you have a daughter who is no longer a virgin, there is a high percentage that she has aborted before. It is pitiful that parents no longer take proper care of or give attention to their female children, who then grow up to become teenagers and youths living in immorality, making them agents that butcher innocent souls.

Sadly enough, most parents claim that they trust their children when reports are given to them about their wayward lifestyles. Yet, even these children do not trust themselves because of the lifestyle they are living. One of the major centers where this butchering of innocent souls takes place is in the school environment. The number of children that have been slaughtered in the abattoir of the wombs of students in school is countless. It is now sad to see parents take their children to commit abortion, claiming that they cannot live with the stigma.

They failed to train these children well in the first place so that they would not become a source of disgrace to them in the future. This is why they keep bringing shame to them through their immoral lifestyles. People need to recognize that blood does not die when it is shed; it continues to speak because it has a voice. **Genesis 4:10 KJV** – And he said, What hast thou done? the voice of thy brother's blood crieth unto me from the ground.

It is a very serious thing when the blood of the innocent, whom you thought to silence in the abattoir of your womb, keeps crying against you. How many children have you murdered? How many have you buried in the cemetery of your body? Some teenagers have aborted more than four children without the knowledge of their parents. As a parent, it is advisable that you take your children for virginity tests. When they know that you do this once in a while, they would be afraid to partake in any form of sexual intercourse when it is not appropriate. But the best thing to do is to teach them the ways of the Lord.

Proverbs 22:6 KJV – Train up a child in the way he should go: and when he is old, he will not depart from it. It is unwise as a parent not to bother about the friends your children keep, as you will give account concerning them.

Psalm 139:15 KJV – My substance was not hid from thee, when I was made in secret, and curiously wrought in the lowest parts of the earth. No aspect of the formation of a child in the womb escapes God's supervision. Why then should you abort? There is no reason you should kill a child. Some married people make the mistake of aborting the babies they did not plan for. This is a sin before the Lord. You have made your womb an abattoir! The sin of abortion is not only committed by the lady but also by those who support it—maybe the parents, friends, the father of the baby, or even the person who carried it out. God will not spare those who do so.

Truly, you committed abortion to cover your sins, and now you are happy that they are well covered. **Proverbs 28:13 KJV –** He that covereth his sins shall not prosper: but whoso confesseth and forsaketh them shall have mercy. The Word of God says **you shall not prosper.** This is the Word of God. If you want to prosper on earth and in heaven, you cannot cover that sin. Have you ever butchered a child in the abattoir of your womb before? There is a solution for you so that you will not regret your eternity. Remember, if nothing is done about this, the blood will keep crying against you. The blood of the innocent is crying over many men too, and this is why they do not prosper.

Why should you have sex outside marriage when you know that you are not ready to have a child? Every child formed in the womb has a destiny to fulfill. Slaughtering them makes you guilty before God. Imagine if Jesse had butchered David in the womb—he would have killed a man after God's own heart. No matter how common and unserious the world makes it seem, abortion remains a grievous sin against God that leads men and women to hellfire.

There are two types of abortions:
1. Spontaneous abortion
2. Induced abortion

Spontaneous abortion, also known as miscarriage, is not caused by any external influence. It can come in the form of threatened abortion, inevitable abortion, and missed abortion. Induced abortion is what has made many women's wombs an abattoir—they kill innocent souls. **Revelation 21:8 KJV** – But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.

The Word of God says murderers shall have their part in the lake which burns with fire and brimstone. Many murder innocent souls in the womb for only one reason—unwanted pregnancy. This is the major reason in our world today. Many have turned their wombs into an abattoir.

Unwanted pregnancy can come in different ways, such as:
- Couples who do not want more children or pregnancies that occur at a time they do not desire them.
- Teenage pregnancies—many parents and teenagers see getting pregnant outside marriage as something shameful, so they choose to commit abortion.
- Pregnancy outside wedlock—this includes pregnancies conceived as a result of rape, adultery, or fornication.

In all these, there is no justified reason to abort, even if it is a result of rape. Some would say that God will understand, but God does not understand why killing a child is necessary.

It is so surprising to see people committing sexual immorality yet getting shocked and unprepared for pregnancy. The result of having sex is pregnancy—it is just like a man cutting his flesh with a blade and not expecting to see blood. The only way to avoid pregnancy as an unmarried person is to abstain from it so that you do not find yourself committing abortion.

Are you following?

And for the married, there are two ways to do family planning accepted by God. Those who have the Holy Spirit will be able to discern this truth. God does not permit any of His children to make use of condoms or contraceptives, as these are also methods introduced by Satan to abort innocent souls. God already has plans for every couple concerning the number of children they should give birth to. If God has decided to give you seven children, and you use condoms and contraceptives to abort them—resulting in having only five—God is not pleased because you have stood against His will.

Therefore, the first method of family planning you can use as a child of God, even as God plans for you, is the application of faith. This is most effective when both couples are born again and agree together. The Word says if you both agree concerning a thing, it shall be done. **Matthew 18:19 KJV** – Again I say unto you, That if two of you shall agree on earth as touching any thing that they shall ask, it shall be done for them of my Father which is in heaven.

When you hold your hands together to pray in agreement that you do not want more children, the Lord shuts the womb because He has the power to do so. If God could shut Hannah's womb,
1 Samuel 1:5 KJV – But unto Hannah he gave a worthy portion; for he loved Hannah: but the LORD had shut up her womb.

and later opened it when she prayed at Shiloh, then He would also do the same for you. This requires faith, for without faith, no one can walk with God and please Him. **Hebrews 11:6 KJV** – But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him. Therefore, Christian couples should have faith. At the same time, they should understand that God answers prayers according to His will. If He does not want to give you many children, then you will not have them. But if the Lord has plans for more children—because of purposes only He understands—you should let His will be done. When couples do not agree together to pray, then God's will shall be done as He chooses to give them children or not.

The second way is to calculate the safe period—days when fertilization of the egg is most unlikely to occur. This method requires self-control, and couples can abstain when the woman is most fertile to conceive. However, if God plans for a child, the child will come, but if not, she is safe. Now we can see that everything depends on God. As children of God, everything about our lives depends on Him, and we must trust Him always.
Some might argue that there is no family planning in the Scriptures—just as there are no mentions of sexual positions in the Bible. However, there are many things not explicitly stated in the Bible, such as "**Do not drink palm wine**," "**Do not smoke,**" or **"Do not take hard drugs."** But because we have the Holy Spirit in us, we can discern truth from falsehood.

Let everyone go to God in prayer to confirm these things so that it will not be too late for them when they die, because eternity is too long to suffer. Do not turn your womb—or your wife's womb—into an abattoir.

In Order to Avoid Abortion

- Let the teachers and preachers of Christ's Word teach the church, so they would know that God is against every form of killing.

- Christian couples should be ready to obey God, even when a pregnancy is not wanted.

- Teenagers must be taught about the consequences of abortion and must be well guided by the church, because the world is filled with immorality.

- Parents should teach their children the ways of the Lord right from childhood—that premarital sex is a great sin against God and should be totally avoided.

- Those who are mature enough to get married should do so instead of sleeping around.

Eternal Consequence of Allowing One's Womb to Become an Abattoir

1. The Word of God says the wages of sin is death. This sin leads to death, both physical and eternal. Therefore, no one should die in this sin without repentance. **Romans 6:23 KJV** – For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord. If you have committed abortion and have not seen it as a sin, you need to acknowledge your sins now. If you have supported anyone in aborting a child, tell the Lord to wash you with His blood so that you will escape hell.

Health workers who have joined hands in aborting pregnancies should also repent.

Conditions for Couples Seeking God's Help in Spacing Their Children

- They must be faithful to God and to each other.
- They must live in holiness and righteousness.
- They must have faith in God.
- They must be in agreement with each other on their request.
- They must pray in faith, and the Lord, who is faithful, will answer their prayers.

Here's a poem that calls for sober reflections, you may read, copy it and share with others.

Dedicated to all those who give themselves to sexual immoralities

Suddenly, I hear stark silence,
After the argument fades away.
I did not know what this was about,
But now I'm beginning to understand—
Dad and Mum are confused about me.

I never knew I was not wanted,
Never loved, never expected.
Why then did you call me in,
Only to cast me out again?

"**Get rid of that thing!"**
I heard his voice—sharp as a blade.
I thought I had a right too,
I was thinking of fulfilling my destiny.
When there's life, there's hope, I suppose.

I am lost in my thoughts, buried in them,
Then I hear—"Take this and swallow it."

What did I hear Dad say? Swallow what?
I don't know. Oh! In less than seconds,
I saw it coming, accompanied by a flood of water.

This is soothing... but **ah!** What's wrong?
I can feel burning—my unformed flesh hurts so much.
I feel like dying. Mum, why?
Why did you listen to Daddy?

Why did you choose to end me,
Without giving me a chance to see the world?
Ohh, I'm stuffed, I'm choked!
What have I done to deserve this?

Dad, Mum, I love you and wished to see you,
But you are butchering me, you are killing me.
Oh! I'm dying.

This is unfair, this is inhumane!
You took away my chance of sunshine.
I will not forget how you have treated me.
I know my Creator will hold you accountable for this.

Ah! My last words to you—
My blood will continue to speak for vengeance!
