Abide In Love [God]

Be conscious always of the One whom has always been in you and with you. Living your Life; every breath by [in] His Voice. Abiding always in Love [God], constantly praying without ceasing; hearing, not rejecting, and in obedience to His Voice. For He is Light [Life], your correction, your restoration from darkness to Light, from death to Life. He alone and the Word can keep you in this Journey of love to become Love [God].

I Thank You Lord Jesus, for Your spoken word, our very Lives [Your word], we all shall return back to You completely fulfilled in Jesus Name, Amen

Become Love
Shalom
