🔵 Job Vacancy Announcement
Addis Hiwot General Hospital

📍 **Location**: Addis Ababa, Ethiopia
📅 **Deadline**: July 25, 2025

Addis Hiwot General Hospital is seeking qualified and motivated professionals to join our dedicated team as part of our commitment to delivering high-quality, patient-centered care. We are pleased to announce the following career opportunities:

---

1. Quality Officer

Position Type: Full-Time
Department: Quality Management

Minimum Qualifications:

- Doctor of Medicine (GP) or Health Officer (HO)
- **Master's Degree** in **Healthcare Quality**, **Health Services Management**, **Public Health**, or related field
- Strong understanding of healthcare quality standards, quality improvement methodologies, and data analysis
- Excellent communication and report-writing skills

Key Responsibilities:

- Lead and monitor quality improvement initiatives across the hospital
- Conduct audits, analyze patient feedback, and generate reports
- Ensure compliance with national and international healthcare quality standards
- Collaborate with clinical and non-clinical teams to enhance service quality
- Provide training and support to staff on quality improvement tools and processes

---

2. Social Worker

Position Type: Full-Time
Department: Patient Support Services

Minimum Qualifications:

- **BA in Social Work** or **Master's Degree in Psychology**
- Strong interpersonal and counseling skills
- Experience in hospital or healthcare setting is an asset

Key Responsibilities:

- Provide emotional, psychological, and social support to patients and families
- Facilitate communication between medical teams and patients regarding care and resources
- Coordinate with community and government support systems for patient needs
- Support vulnerable patient groups including those with chronic illness, trauma, or mental health conditions

---

3. Marketing Officer

Position Type: Full-Time
Department: Marketing and Communication

Minimum Qualifications:

- **BA Degree in Marketing Management**, Business Administration, or related field
- Strong understanding of digital and traditional marketing strategies
- Excellent communication skills and creative thinking

Key Responsibilities:

- Develop and implement marketing campaigns for hospital services
- Manage and grow the hospital's presence on social media platforms
- Coordinate public relations activities and promotional events
- Support internal and external communication strategies
- Monitor market trends and competitor activities

💼 Application Procedure:

Interested applicants who meet the above qualifications are invited to submit the following documents:

- Updated CV
- Cover Letter
- Educational Credentials
