Examination Rules - Remote Exam

1. Candidates are not allowed to block the computer cameras without authorization. The exam system will automatically capture the images of the computer cameras during the exam and detect any violations.

2. Do not install any software irrelevant to the exam. Answer the questions in strict accordance with the exam system. If you fail to answer the questions as required, you will be liable for any loss incurred.

3. The maximum number of screen switch times is 3. After three screen switch times, the exam automatically ends.

4. Candidates must complete the exam by themselves. During the exam, they must keep quiet and must not peek at any materials (such as mobile phones and books) except the test computer screen.

5. Candidates are not allowed to leave the exam for any work or other reasons irrelevant to the exam. The exam can be ended only after the answers are uploaded.

6. Huawei will strictly keep the exam content confidential. It is prohibited to record the exam content through audio recording, screen recording, or taking notes. It is also prohibited to discuss, communicate, or disclose the exam questions after the exam.
