ST. PATRICK'S HIGH SCHOOL – ITEN,

P.O BOX 310 - 30700 ITEN.

Dear Sir/ Madam,

RE: INVITATION TO ITEN CHEMISTRY-PRACTICAL CONTEST (ICC) (5th Ed.)

St. Patrick's high school invites your school to the 5th Edition of the ICC on 23RD, July 2022 starting from 8:00 am. The ICC is an annual contest in Chemistry Paper 3 (Practical) in which all participating students individually perform a practical set/marked out of 30. Thereafter the students will be taken through the expected responses by **KNEC examiners**.

The students will also be involved in a guided **discussion on selected topics in Chemistry theory**.

Our unique practical approach gives the candidates an opportunity to sharpen their **Manipulative, Observatory, Recording and Analytical** skills in the chemistry paper.

Students will register in teams of (ten) 10 at a fee of KShs. 3,000 per team. Your school will be allowed to register a maximum of (six) 6 teams for logistical reasons.

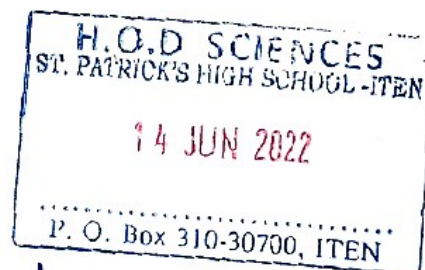

Kindly call 0725-956 077/0723-148 777 ON or BEFORE TUESDAY 20TH JULY 2022 to confirm the number of teams to enable us prepare the chemicals and apparatus. Examiners in Chem. pp3 are requested to register with 0725 956 077 or 0728- 850330. **Marking is strictly by KNEC examiners.**

Kindly organize your packed lunch.

We look forward to seeing you in the contest. **Kindly observe time.**

Yours faithfully

MBISHEI M.H
CONTEST CO-ORDINATOR.

KIMELI J.C
