Introduction

About Arjun

It was late nite around 2am and the party was still soo happning vth lots of youngsters cheering for the performance of the day...

Yes.. its Arjun varma, of age around 24, the rockstar himself who is blessed vth a voice that makes every song gets into hearts of people..

He writes his own songs and composes music himself...

.....

Being born in a rich family he has everything in life bt he lacks love..

His parents are busy vth their business and had nt taken care of him and not showed parental love to him..

He is very lonely since childhood and tana aayamma eh tanani care chesedi.. so he always loves her aayamma(parvatamma) and thinks of her as his mom

And tanu chinnappatnunchi em adigina ventane dorikedi.. soo he has became soo arrogant and careless and always gets himself into fights..

But due to luck he has good voice and he got awrded as the most desirable singing youth icon in this year

.....

And then he came to the stage and started singing vth such ease and playing his guitar..

Girls at the event there are shouting his name.

....Arjuuuunn... we love you.... arjun... arjun....

And then in that event there is a girl who is different frm the crowd and just smiling and looking lovingly at arjun from the corner of the floor... she is around 22 years old wearing a full length long skirt vth black top and a scarf vch revels that she is traditional...

S

Arjun started singing vth passion and then he is looking over the crowd that are cheering and shouting his name..

And then suddenly he saw this girl at the corner and saw that she is nt evn shouting or cheering his name...

But her looks clearly said smethng differnt and they had a spark in them that Arjun even tried to look on otherside bt failed and kept staring at her...

"Who iz this girl..."??? <3

Arjun and tanmaya .

Part 2

It was 2.30am and still the performance is rockng and people are clappng and girls are behaving crazy seeing their "Arjun" sing to his best song that was awrdded this year...

The "bornyet" club in mumbai has recently startd and the stat evnt was his prfrmnce which got huge followng and the organisers of the club are yet happy and thankful for Arjun..

Bt the thing that is unknwn is Arjun is dng the evnt taking 2 crores per prfrmnce which is huge and his friend cum P.A shravan sees all his financial business and he is a gud guy..

....

Arjun is still staring at the girl in skirt and felt that she has smething in her face that maked him hooked to her and her eyes are conveying soo many things which Arjun wanna hear since childhood...

Arjun otherthan being a rockstar is 6' feet tall vth havng hefty muscles and tatoos all over his body and his eyes are the one that has to be given special mention..

He can make any girl fall for him jst by looking in her eyes and most girls around the club had became fans just by his eyes and his body and thn his songs are an added advantage..

He is a complete package for looks and voice...

.

Wen he finally finishd his song.., girls all over there rushed to him for his autograph..

He jst got busy in givng n thn wen he focussed on the corner for the girl in skirt..

She had alrdy left and his eyes searchd for her all over the floor..

Shravan came to him and said "arjuu.. its tym that u shld leave the place or these girls vil nt leave the place and smiled at him..

Arjun on the other hand was still searchng for her but she had nt shown up..

He thought he would wait for the skirt girl bcz her eyes said that she wanted to say smetng bt was frightned by the crowd..

And so he waited for that unknown girl for sbout 15 minits and still she had not came to him..

he thn thought " why am i evn waiting for a girl whoz nt botherd of my autograph.. i am a rockstar and i have to show my ego " and thn got frustrated about waiting for an unknwm girl and thn left in

his car vth shravan to his villa in bandra in which he and parvatamma lived...

.....

" amma... finally naku arjun shw ni live lo chuse chance vachindi... iam soo happy amma.. mumbai naku chala lucky.. bcz ikkadiki vachina one week lone arjun ni chusaa "

Antuu tana mom tho phn lo cheptundi tanmaya..

She lives in a hostel room and recently shifted to numbai as she got a job here..

Tanmaya is a huge fan of arjuns songs even before seeing him and she googled about arjun years ago and found out his lonely life and she always admired him..

She always feels the pain in his songs and soo she had became fan of him..

She likes him the way he feels nt by the way he looks...

....

Part 3 twist

(arjun dragged a girl into the stage without even looking at her.. his face seemed soo angry bt and then holding the girls hand tightly vth one hand and announced that " frm this moment onwards shez my official girlfriend and iam happy to announce this to u all"

He said all these vth an angry yet terrified look in his eyes as if he is making some one jealous by this announcement... hez nt even looking into the girl..

....

The girl is trying to free her hand frm his grip which is becmng tight now.. its nt a sweet gesture for her.. its a fainful one)

. He then left the stage vthout evn caring to look at the girl.. the girl is now in tears of wat had happnd in few minutes...

The girl is none other than tanmaya)

Part 3 (a)

Arjun and tanmaya .

Arjun is now in his room in his villa n jst thn parvatamma entered and askd him "Arjuu babuu.. ee roju ela gadichindi.. chala tired ga unnav.. rest teesko.." and was abt to leave and she suddnly

remembred smethng and said " Arjuu baabu.. indaka riya call chesindi nee kosam.. nv shw ki vellav ani cheppanu "..

Arjun whoz till now laid on his bed vth his eyes closed thinking abt the evnt., the crowd and abt the GIRL in the corner had sudnly came to reality as he heard abt Riya..

....

Riya, whoz his family friends daughter had been vth him since 2 years..

Arjun even started liking her as she always cared abt him.. he is always possessive abt her .. on the otherhand riya also knws that arjun has feelings for her bt they didnt said this to each other... she had recently went to U.S for some project as shez a leading business analyst and shez gud in her own way.. trendy and posh..

...

Arjun realizes that this day riya had askd to pick her up in the airport and he had totally forgot abt it thinkng of that GIRL

He immediately took his car keys and saud parvatamma that he will be bck in an hr n reaches airport and picks riya there..

..

"Heyy Arjuu... i missed u soo much.. i hope u had a blockbustr lauch at nightborn... " says riya and they both hugs...

Arjun smiles and again remembers abt all the evnts there and abt the Girl too..."

Arjun says that he had missed her lot these days bt is hapy for her return..

....

Arjun drops riya to her apartmnt.. and riya before leavng says that she has smethng important to tell him...

....

Arjun asks abt it and riya continues lyk this...

" Arjun, u knw that i like u soo much.. bt we cant have a future together...

U are a rockstar now and people are crazy abt you.. bt wat after few years.. ? U had discontinued ur studies and otherthn singing u have ntng vth u so that u can have a gud future...

And u often get into fights and u evn had made enemies... remember how badly u were hurt by ur rival singer whose place u r taking now as a rockstar... im afraid to think of our future with all the mess u had made in ur lyf...

And i had met someone in my head office in U.S .. his name is amit.. and hez in the same field as mine and my parents had alrdy strtd lykng him... i hope u understand....

.....

Arjun all this tym prayng tht riya is joking.. bt then he realized its true... he felt lyk his childhood loneliness had entred his lyf again..

Riya, who used to be his only hope in future had thrown him in a deep dark sea... he stood thre lyk a rock.. he felt lyk his world has shattered.

..

Riya was abt to say smethng bt arjun gestured her to stop and vthout evn sayng anythng he left in his car and drove as fast as he can..

.....

Tanmaya was lost in his thoughts.. the way he sang and the way he stared at her was nt making her to sleep.

Tanmaya who has been a week in mumbai has alrdy gained hearts of her fellow mates in her hostel.. she helps them when they are in need and mostly she makes delicious food..
She had givn her scholarship mny to a orphanage right beside her hostel and spends everyday vth thm and makes them listen arjuns songs... she had even made them fans of him by sayng lots of gud things abt him...she makes the children there taste her delicious food items and everyone loved her there... shez one of a kind...

.....

Arjun came to his villa and went right to parvatamma and placed her head on her lap and started crying his heart out... for the world outside hez rich arrogant.. talented and egoistic guy and for parvatamma hez jst a kid who had lost her way home and crying....

She without askng anythng startd consoling him and said evrtythng will be alright..

For him riya is everytng.. bt what he cant get is that he didnt cried in front of her... he had broken again... every word of her is piercing his heart and his heart is bleeding...

.....

He thn stood up and hugged parvatama and rushed to his room... he remembered of every gud memory he had vth riya....

.....

....

His angered look is back again.. the egoistic spoiled arjun is back again.. he called shravan and said something to do to wich shravan shockd and said its nt the right thing...

Arjun arrogantly said "if u cant do this u may quit the job"

Shravan finally agreed....

Part 3 (b)

Arjun and Tanmaya .

Arjuns eyes has swollen by his constant crying and now he is looking in frnt of the mirror and seeing himself weak..

His face seemed tired and he no longer looked cute if any of his girl fans would see him now..

He went back to his bed and called up shravan to confirm that his plan had executed or not... shravan said that things had happened as he planned..

And arjuns devilish smile is back again.. his eyes even though swollen are saying a lot of unsaid things but the difference is there is no more riya in his life to hear him...

....

Next morning riya had got a parcel at her door step from Arjun..

She eagerly opened it and found 2 vip entry passes for arjuns next show which is held on 'infinity mall' in mumbai on the occasion of its silver jubilee.. and the performance of the day is Arjuns one. And people are getting crazy to get these passes which riya had got for free...

There is also a note saying that

"lets start again riya.. and the other pass is for Amit who has just landed mumbai. I came to know this from shravan.. see u at the event.. "

Riya happily thought that things are getting back again and informed amit about to be happened this evening and he too agreed..

.....

Tanmaya woke up late that night and thanked god for yesterday for making her see arjun and then went to her office and completed her project there... she is a gem in her team and always supportive.. people easily find her company comfortable... when she entered her room again she found her fellow hostel mate mona and hugged her.. they had met just few days here but became good friends.. both are from vizag and hence their bonding became even strong..

Mona said to tanmaya "hey i have a surprise for u.. my brother akhil had recently got passes of arjuns show but due to health problems he can't go there.. so i thought of u and took the passes for u.. so are u going or should i throw them out" she teased her.

Tanmaya's jaw dropped listening to all this.. she still can't believe that she has been offered arjuns show passes and that too vip passes which she can't even afford even spending her half a month salary... she quickly hugged mona and thanked her tons for being so kind to her..

Mona on the other hand said i would be also coming with u as we are having 2 passes.. both are celebrating their lucks this evening..

....

At infinity mall.. people had already gathered there as the show would be starting at 7 and it's already 6.45. Mona and tanmaya are still in auto and were about to reach there.. the mumbai traffic is so high this evening as arjuns show has got few foreign fans too and due to this they reached there at 7.05 wishing the show had not started...

Tanmaya wore a long skirt with pink top and she's looking differently beautiful in her attire.

....

Arjun got on to the stage with his rockstar blazer and looking painfully handsome.. he has some new attitude in his face and his eyes are smirking addressing the audience.. he smiled at the crowd waving his hands and his dimple is so revealing and making him look even more handsome...

...

Riya and amit had already present there and arjun smiled at them.. tanmaya and mona were standing on the left corner in vip side..

....

Arjun started playing his guitar and he started to sing his new love song which he had composed just before the event... everything seemed perfect for tanmaya.. she felt the lyrics of his song and felt the

pain in it and is jst admiring him by watchng him sing.. other girls are jst cheering and shoutng his name including riya...amit was standing beside her smiling at riya.. Amit has certain charm in him that every girl would have a crush on him...

....

The sng was finally over and before anythng would happen..

Arjun in his mike said tht " ladies and my pretty ladies i hav smetng to announce you... by singing all these love songs i finaly found my girl and shez right between us in the crowd.. lemme introduce my official girl friend to u.. " he said and step down the stage and went to vip side...

...

Tanmaya was shocked by this statement and is happy for him.. shez curious to knw how his choice would be.. she is pretty sure that she will be soo beautiful and and soo good that is y she stole the great Arjuns heart...

On the other hand riya and amit are confused as arjun is looking straight to riya snd coming towards her.. she expected that arjun is cmng towards her and held amits hand tightly...

....

Arjun stopped right infrnt of riya and extended his hand sideways towards the left and caught hold of a girls hand vthout evn looking at the side.. his eyes are focussed only towrds riya..

...

He dragged the GIRLS hand tightly so that she cant free herself.. he thn along vth the girl entered the stage again leaving shravan riya and amit in a shock..

He then announced in his mike that from today onwards shez my official girlfriend and every song that i would be writing and singing from now will be dedicated to her..

Meet miss. ... (he dont evn knw her name and he quickly saw her id pass which she wore as an id and saw her name vthout evn looking at her face)

And said meet Miss. Tanmaya, my official girl friend and the crowd startd clappng fo them.. though most of the girls were sad and some were even crying he didnt cared much abt them.. and hez still holding the girls hand as tightly as he can... he devilishly smiled at riya and amit and his main motive is to make riya jealous of what she had lost in her life...

....

Part 4 (the slap and a kiss)

Tanmaya had lost all her patience listng to the words that arjun had said abt her and her family.. she has nt expctd this.. he is further sayng smetng and thn

slap

tanmaya had slapped Arjun. (that arjun whom shez crazy abt since her teenage and now she had slapped him..)

He disrespected her family and herself and moreover her selfrespect..

Arjun cnt take this any longer.. " how dare a girl slap me"

His anger is now in peaks and he went forward to her holded her tightly in his arms making her unable to move and kissed her angerely and forcibly..

Its nt a kiss.. Arjun is showing his authority to a girl whom he dnt evn knw...

Soo here it is part 4(a)

Arjun and tanmaya .

Everyone is clapping for the couple and among the couple there is riya whoz shockd by this revealatn abt this new GIRL in arjuns lyf...

...

Arjun whoz till nw holding tanmayas hand has nw left it n calld shravan to arrange his vanity car so that he can take sme rest there.. shravan is shockd by wat arjun is sayng bt then he has no other choice so he went to look aftr arjuns vanity car and arjun vthout any thought of looking the GIRL nxt to her has left to his vanity car leavng HeR in the middle of the stage to face peoples attention...

Tanmaya was still in shock and thinking abt wat has happnd jst nw and she came into reality by the flashes of cameras vch were focusd on her and media prsns askng wen all it has started... right now she is blank.. if she remained at the stage for jst a minute she will faint right on the stage itself...

Just thn mona came to her rescue and helpd her step out of the stage protectng her frm all the attention shez getting.. she has become a celebrity in few minutes..

.....

Mona took tanmaya out of the mall and they reachd a lonely dark street so tht they dnt get any attention there.. its around 8.30 pm.

...

Tanmaya is still in a deadly shock and she iz nt evn responding.. mona started shaking tanmaya so that she comes back into her senses...

...

Tanmaya all of a sudden looked at mona and startd crying.. mona was nt sure of wat to say and so huggd tanmayaand consoled her...

...

I dont knw what is happng.. y had arjun holded my hand n announced me as his gf? Im seeing him for the secnd tym. And he had nt even cared her as his hold is hurting my hand.. he dnt evn knw my name n y he has to do all this.. i have to knw what is he thinking of himself.. why me and y all this to me.. i need to get answers for all this.. " said tanmaya in an angered yet crying tone and covered her face vth her scarf and said mona " pls leave mona.. otherwise media vil targt u frm nw.. i wont leave

until i get answers from Arjun.. im going to meet him in his vanity.. u pls take care and leave to the room" and tanamaya startd heading towards Arjuns vanity.. she is blank now wth lots of questns in her mind..

....

Arjun reachd his vanity and sat on a couch and closed her eyes smiling that riya would now knw his worth and comes back to him.

Breaking his thoughts he got a call frm riya.

He smiled and lifted the call and said "so riya.. wat have u decided?"

Riya in , a frustrated tone " i had nt thought that u would do smethng stupid so that u can make me yours.. how could u do this.. im now in a committed relatnship vth amit and u being in a relatnship vth an other girl will nt affct my bond vth amit.. get this clear.. i always thought u r gud bt u were lonely so u are possessive abt me.. bt this is heights of stupidity arjun.. jst get lost frm my life and iam gettng engaged to amit the nxt week. I hope u wont cause any trouble there or lse i wil frgot that u were once my friend... gud bye."

Arjun was now staring blankly on the walls and this is nt what he xpectd to happn.. he started throwng all the things in his sight and had even broked his phn.. he is in a full raging mood now.. if any one would disturb him in that moment... god knows what he will do to them..

....

Outside the vanity, shravan is stoppng tanmaya frm entrng arjuns vanity bcz he came to knw frm riya wat she had talkd to him through the call.. so he very well knw if tanmaya would enter the room she has to regret that decisn for her lyf.. so hez stoppng her for her own good..

..

Tanamaya is in no mood to stop and pushd shravan and entered the vanity..

part 4(b)

Arjun and Tanmaya .

Tanmaya pushed shravan and entered into the vanity to talk to Arjun and get things cleared frm him.

..

Tanmaya closed the vanity door and she is now in His vanity facing him.. both Arjun and Tanmaya are looking into each other now.

Arjun was confused seeing the skirt girl here in his vanity bt moreover he is frustrated and nt in mood to give any autograph..

....

He askd her "wat are doing here.. its my vanity and i dnt want to gve any autograph nw"

Tanmaya : see mr. Arjun, im nt here to take ur autograph as one of ur crazy fan. Im here to ask u why the hell u have announced as ur gf vthout evng my concern. What are ur intentions? And we have a private lyf too.. dnt u evn knw how people are askng me questns there on the stage.. i want answers frm u now.

And i want u to take back ur statemnts right now.. do u understand mr. Arjun varma.

...

Arjun was lost in her as shez speaking angrily to him.. he thn came to his senses and said in an angered tone

" how dare u to talk to me in tht tone.. who the hell had sent u here.. and i came to knw abt u girls now.. u jst want attention frm guys like us. And at the end u leave us in the middle and get going vth ur lyf as nothng has happnd.

And wait i got ur point.. im writing a check of 25lakhs for u so that u dnt bother me again.. jst think that ntng has happnd and enjoy the atention u r getting for few days.. and i will announce nxt week tht v broke up and that's it.. everythng bcmes normal then .." and handed over the cheque of 25L to her

...

Tanmaya was soo lost of wat his ideal frm her teenage is sayng to her and seeing the cheque vth teared eyes

Tanmaya : u knw wat frm past 6 years u have been my ideal and i had always admired u for what ur songs make me feel.. whenever i get sad and depressed i would sit at a corner and listn to ur snags.. which gvs me a hope to lyf again.. since then i always wanted to meet u.. bt seeing u n listng to ur harsh words im feeling lyk y i had evn got a chance to meet a basterd lyk you.. you are nt worth to sing or write those snags which has lots of meaning in it. God really do some mistakes.. givng u a divine voice he had forg't to give a good heart...

I can earn my living and i dnt need money frm a egoistic prsn lyk u " and she tore'd the chque into pieces and flew it in the air looking fiercely into Arjuns eyes.

...

Arjun cant take all these words frm a so called girl who had jst entrd his vanity..

He immediately held her hand and said

" soo u dnt need money..?? so u want me to be ur bf and u want to enjoy this celebrity attention forever..?? I know this.. girls are always greedy.. infact ur parents would hav said all this to u so tht u can get a rich handsme guy lyk me ... !! Huhh.. these girls and their low class standerd families.. u will never... (*slap)

....

Arjun had nt evn cmpleted sayng his word and then he sudnly felt a tight slap on his cheek by Tanmaya.

...

Tanmaya : stop ur non sense mr. Arjun. How dare u to evn talk abt my family.. who the hell u think of urself.. i thought u r stupid bt no u r a moron who cant be changed.. i wish u knw the value of a family in future... and nxt tym before talking non sense abt a girl think abt u were also born to a woman.. if u cant respect a girl then u dnt evn have any right to talk bad abt her..." she said vth a tearful eyes yet vth anger and raging eyes.. and was abt to leave

...

Arjun grabbed her hand tightly and pinned her to the wall soo tightly that tanmaya cant move..

....

How dare u to slap me.. u slapped Arjun varma.. now see what i will do to u and vth a authority filling eyes he lowered further and kissed her..

Tanmaya is trying her best to free herself frm Arjuns grip. Bt he held her so tightly that she cant even move..

He startrd kissng her forcibly vthot caring her..

Its nt a kiss.. its their war showing their authority and hatred towards both of them.

He kissed her for about a minute and half and thn left her..

Both are looking each other as if they were going to kill each other..

....

That's wen shravan enterd the vanity along vth mona.. mona immediatly went to tanmaya and took her out of the vanity coverng her face vth scarf as media persns were alrdy outside the vanity knwng tanmaya and arjun are inside it and wanted to interview this new couple... all this tym Arjun cant help bt staring at tanmaya who is going out of his sight.. his eyes are nt angry now.. he is lookng at her intensely...

...

Mona and shravan protectd tanmaya frm media and took her to a cab in whichthey left to their hostel...

.....

Part 5

Arjun and tanmaya .

Arjun is intensely looking at tanmaya who is now leavng... there is no angriness in those looks.. his eyes are silntly wishing her to stay inftrnt of him.. bt he will nt say this out. never and ever.. bcz his ego and attitute stops him frm dng so..

....

He thn dialed mr. Charavarty (the media head)

And warned him that no single pic or any news shld be scrolled on media and all that had happnd in the evnt shld remain as an opn secret..

Chakravarty : but Arjun sir, this news will bring us a lots of trp and attention.. and y would u dnt want to opn up ur relatnshp status to the world..

Trust us we will make sure u n mam will nt get negatv cmnts through our media.

Arjun : oh really, jst now im thinking to cancl the 1 year media bond vch my dad and mom had signed vth u.. trust me, if that has happnd then u have to look for some temple steps to live your life further.. n i also wil make sure that u wont get any positv response from any of our business chains..

Arjun said it without evn stopping and in such an authorized tone that has surely made mr. Chakravarty sweat and shake by his response.

Arjun : JUST DO wat i said. And no more news on this matter. Or lse i will make sure i keep my word and i wil surely meet u nxt tym on temple steps.

Chakravarty : sorry sir. I will make sure no piece of this news will be telecasted anywhere.. and please dont cancel the bond ..

...

Arjun quickly cut the call and headed towards his Audi car vthout gvng much attentn to the media and drove his villa.

.....

Mona and tanmaya finally entred their room as it was alrdy 9.30 at night.

Mona saw tanmaya staring blnkly at wall and she thought that smethng bad must hav happnd in the vanity..

She quickly called tanmayas office and took a leave on her name sayng her health is nt fine.

.....

Tanmaya all this tym is totally lost and thinking abt how arjun had behavd vth her his dangerously angry eyes, his harsh words, and the KISS. She slwly touchd her lips and she felt the kiss again.. she always wanted to make her first kiss as a gud memory vth smeone spcl in her life.. BUT this is nt wat she wanted. Her first kiss was surely like an accidnt and a wild one.

A tear dropd frm her eys again and jst thn mona came and huggd her..

Tanmaya said everythng to mona and mona is now totally angry by wat Arjun did..

Mona : how dare he even behave vth u in such way... tomorw lets file a case on him as this is a molest case.. u have to be strong tannu.. dnt become weak now.

Tanmaya : bt wat i wil say my parents afr tomorw.. the media alrdy thinks abt me as his gf and god knws if they had alrdy strtn gvn breaking news of that issue. My career, my life, my dreams, everythng are in dark now.. how will my parents face the world afr tomorw..

She said all this and startd cryng badly.. mona has no other option nw. She quickly mixd a sleepng pill in sme watr and made tanmaya drink it vthout making her knw abt the pill..

...

After few minutes tanmaya finally slept and mona looked at her and said angrily " wat do u think of u Arjun. U hav spoiled an innocent girls lyf vth ur stupid ego.. u will hv to pay for ths"

.....

Arjun came to his room and hez struggling to sleep.. he has some guilt building in him bt his ego is stopping to show his guilt. Jst thn parvatamma entrd and gave food to arjun.

She came to knw abt riyas engagemnt and so she thought arjun would nt be fine by this matter. So she came to console him.

But she dnt kw that its nt abt riya tht Arjun is feeling for right now. Its abt the GIRL Tanmaya who he had kissd an hour ago.

Parvatamma said "u have to sleep for a while "

And arjun listnd to her and strtd sleepng.

.....

He only saw tanmaya cryng wenevr he closed his eyes.. parvatama started caressing arjuns hair n arjun slwly wnt to sleep...

....

Twist in nxt part 6

" i want u in my life.. i dnt want to lose you. For u i can do anytng. Please dnt leave me" said arjun holding a Girls hand and hugged her tightly.

"You are not my last choice, u r my only choice, " said arjun while huggng the girl and he smiled like he had never before.

And he broke his hug frm the girl and he holded the girls face in his hands lovingly...

The girl is none other than tanmaya "

.....

Part 6

Arjun and Tanmaya .

" please dont leave me. I cant live vthout you..

For the world u may be just a girl but u r the world for me.. " Arjun then huggd the girl tightly and said " u r my only choice"

And he broke the hug and holded her face in his arms and was abt to kiss her.. he thn saw her in the lights of the dawn .. tanmaya is smiling at him. Both were looking soo happy together. Just then there was a loud noise vch is becoming more more audible.

....

Arjun vth a suddn force got up frm his bed and the sound hez hearing is cmng frm his mobile.

Its a call from her mother mrs. Shanti varma.

He pickd up the call and his mother was the first person to speak.

Shanti varma : wat have done, arjun. Do u even know how badly it can affect ur craze vch is bcmng high these days. Ur one wrong step, and ur career is totally done.

Arjun : mom, hold on wat are u talkng.. iam nt gettng a single word.

... he said by placing his hand on his head.. his head is aching and he cant focus on anythng....

Shanti varma : wat have u dne last nite. Riyas father told me evrythng.. and whoz the new girl in ur lyf and since wen r u both dating.. n watever it is jst dnt get things prsnl. U have a reputation in society. Dnt spoil by doing such silly things.

... she paused and then continued..

And yes, ur dad had recently signed a contract vth Mr. Shekar murty who runs a big multicuisine hotels all over India.

And he had organised an evnt in Vizag tomrw, in which the main part is ur live concert.

Soo iam sndng u the air tickts and mailing u the adress.. just get thm and rush to vizag by this eveng...

Soo that u can divrt media to this event and nt the one vch u had spoild yestrday. Are u listng to me..??

Arjun : yes, mom i will be there by night and cut the call

He then laid on bed again and strtld thinkng abt the dream in which he saw HER.

" what am i thinkng.. y did this so calld girl is affectng my daily routine. I have to sought it out. I have to take sme tym to do other evnts. So thst this GIRL will nt bother me."

...

He stood up and freshnd up n calld shravn to cnfrm that the media has nt telecastd abt the 1st night evnt.

His warning workd. No media has shwn abt the evnt.

...

Tanmaya woke up late the nxt working vth a smilng mona infrrt of her wishng her gd mrng.

Mona made sure tht tanmaya shld nt be again reminded of 1st night.

Mona said that evrythng is under cntrl and no media is shwng abt the 1st night and said tht things are getting gud again..

..

She then advised tanmaya to start again frgtng abt evrythng..

..

When tanmaya was sleepng 1st night mona quickly collctd every album of Arjun frm tanmayas closet and all tored his posters on the walls and placed thm in the store room.

...

Tanmaya finally agreed to mona and called her parents in vizag. Both her mom and dad were happy hearing her voice and askd abt her return to vizag durng any leave.

....

She finally felt happy after all this mess and suddenly she realized that she had lost her chain vch was gifted by her parents on her 22nd birthday. It has a locket vch opns shwng her mom and dads pics in it.. its nt just a chain for her its the blessing of her parents...

...

"Mona, my chain is missing" said tanmaya in a terrified voice.

Mona : wat are u sayng ... i jst cleaned the room n i didnt find any chain here.

Tamnaya : i knw im wearng it 1st nite and evn touchd it during the evnt bt later" she stopped remembering smethng..

Mona : oky wait relax. I knw wat were u thinkng right now. But dnt panic. I will call shravn and ask him to look for ur chain in Arjuns vanity. U jst relax.

.....

Shravan had given his number to mona and asked her to call whenever there is a problem.

Finally mona confirmed from shravan that

Both Arjun and shravan are leaving to vizag this evening. And his vanity will be there in his villa.

....

So mona planned that at night they can go there and can look for tanmaya's chain in arjun's vanity.

Tanmaya agreed immediately. She just wants her chain back at any cost.

Part 7

At vizag central mall

Time : 6.30 pm

In front of hundreds of people cheering his name.,

Arjun finally took his guitar and was ready for one more performance.

Arjun has a habit that whenever he sings a new song in a concert he always closes his eyes and thinks of smiling Riya in front of his eyes.. that makes him sing with such an ease and passion.

He did the same now. But the only difference is he is now seeing a different face in front of his eyes smiling at him and admiring him.

Yes, he is seeing tanmaya in his thoughts..

He started singing with the same added passion but the difference is the song is more passionate now.. people till now shouting and screaming his name started to listen the song and were very much pleased....

.....

All thanks to TANMAYA

Part 7

Arjun and tanmaya .

It's 12 noon

Tanmaya and mona are still planning on how to enter into Arjuns house and reach his vanity as there are security guards all over watching out.

.....

Mona by profession is a fashion designer and want to live an independent life. So she is living here in mumbai and planning to start a boutique.

...

Tanmaya and mona had finally planned to go to arjuns house premises by 10 pm that night..

Tanmaya was soo stressed that she cant focus on anythng. So she visited the orphanage and had spent sme tym playng vth children there..

Mona also wentout and brought several dvds of jamesbond movies and started watchng thm..

When tanmaya returned the room at evng, she saw that mona had alrdy cmpleted watchng a dozen movies.. she confusedly askd her " mona, what is all this.. do u evn knw we had plnnd smetng this night...??"

Mona quickly paused the movie and said " haa yaar.. iam watchng all this bcz wat v r dng tonight is nt less than adventure. So iam searchng for any tricks in bonds movies wich cn hlp us.." she said proudly..

Tanmaya sat down beside her and placed her hand on her head and said " I'm feeling pity for the guy who'll marry u " . Mona just laughed in response.

...

And the time has finally arrived.. its 10 pm

Both tanmaya an mona went to arjuns house in a cab and stopped the cab at his neighbours house.. the cab had left and they were the only people present through out the street..

..

Mona took her binoculars and saw that there is a connectng wall for the two houses. So that by jumpng thru it thy can easily get into arjuns house vth the notice of the guards outside.

...

" tannu, u just jump the wall and thats it. We are done vth our plan.. i wil come vth u and help u vth climbng the wall. " said mona.

Tanmaya agreed vth her.

There were two gates present in the neighbours house. Both of them entrd the house in silnt steps and tanmaya climbed the wall and sat on it. jst then a dog came frm the neighbours house and thats it.

Mona made her eyes as wide as possible and staring the dog vthout moving an inch.

" tanmaya, do something.. please do something. She said in a quivered voice. If it bites me thn i cnt handle 21injectns around my belly.. "

Tanmaya was also shockd by the suddn entrance of it.

The dog is just staring at mona and as shez nt movng she felt its as a statue.

Tanmaya wantd to laugh hard seeing monas expressions.. bt she controlld it somehow and then threw a stone in the opposite dirctn. The

Dog quickly ran towards the opposite dirctn to knw whoz makng the sound. And thats it.

Both of them jumped out of the house as and started running as if they are practicing for the nxt Olympic race..

The next second they reachd the end of the street and looked at each other and started laughing for about a minute.

.....

Tanmaya : u hav watchd a dozen of bonds movies and u cant able to handle a dog.. how funny Mona..

Mona : "hold on yaar.. jamesbond had dealed vth villians using his gadgets bt how can u think i cn handle a dog by jst a binoculars "

....She said feeling sad..

Tanmaya : what should we do now. How can i get my chain.

Mona : u just dnt worry. We will buy some dog biscuits and will come again tomorrow.

.....And winked at her

They started laughing again thinking abt the incidnt and headed towards their hostel..

.....

Part 8(a)

Arjun and tanmaya .

Arjun has reachd vizag by eveng itself and and there are few youngstrs mostly girls waiting for him to welcome him by carryng name boards vth messages which mostly has "Arjun we love . you", " hearty welcome to the most desired rockstar" and so on.

Arjun thn finally came there vth his security protecting him frm being touched and hez wearng black shades so that people cant find wer hez looking. He wore a black tshirt and a blazor vth black pants.. his hair looked messy. Bt that is adding him more charm.

People say that guys look dangerously handsome in black attire. Now Arjun is the visible proof for the statemnt.

....

Mr. Vinay varma was alrdy waiting outside. for Arjun in his brand new BMW he had bought a month back.

Arjun vthout any delay enterd it and said

, " dad, i need to freshup. And i will be there at the evn by 6"

Vinay varma : ok arjun. Will drp u at dolphin hotel and dnt forget to greet mr. Shekar bfore the concert..

..

He said and droppd him at the hotel.

Arjun took a quick shower and is getting ready for the event.. he wore a grey t shirt with rockstar image this time. And left for the central mall for his concert.

...

At the mall Vinay made Arjun meet Mr. Shekar and Arjun greeted him so politely.

Mr. Shekar is pleased by this gesture of Arjun and the fan base Arjun is having at this early age.

....

The show is about to start. And people had already gathered there.

Arjun just looked at his lyric paper and adjusted his guitar. And he is all ready to start

...

He just closed his eyes before starting..

He always does this in every concert and sees Riya in his thoughts..

It boosts his energy levels and makes the lyrics heartfelt.

....

But this time it's different.

He is seeing a smiling Tanmaya in front of his thoughts.

He opened his eyes and stared at the audience.

He again tried closing his eyes. But that is of no help. He is seeing Tanmaya admiring him in his thoughts.

....

He started singing now without any delay. He is now singing with such a passion that gave life to the lyrics...

People there started to concentrate on the lyrics and they too flew in the passion by which Arjun is singing.

...

All thanks to Tanmaya.

..

The concert is finally over and Mr. Sekhar appreciated Arjun for making his event a grand success and also signed another contract with Mr. Vinay Varma.

...

Every one including Shravan has come to him and said that this was his best performance till now..

All this time Arjun is only thinking about how can he sing in such a way thinking about a girl who he doesn't even know anything about, yet kissed her. All this is making him lost in his own thoughts and just then a voice which came from behind had broken his thoughts.

....

Arjun quickly turned around and saw Mr. Shekar

Holding a gift in his hands.

Mr. Shekar : hai Arjun . I think you are enjoying the gathering here.. I just need a minute.

Arjun : yes Mr. Shekar, please continue

Shekar : this gift is specially imported from UK and open it when you feel stressed and confused

..... and handed it to him

.....

Just then Shravan came and said him to leave to the hotel because of some security issues.

..... without any delay he went to his hotel by giving autographs to few fans coming in his way.

He is nt in a mood for all this.. his head is aching by all the thoughtsand he needs rest badly...

...

After entering his room he immediatly laid down and slept for a gud 13 hours.

Wen he woke up its alrdy 12 noon the nxt day.

He got up and freshnd up vth in 15 minutes and opned his twitter in his ipad.

He rplyd to few messages frm his fans in which people are praising his for the concert last night and stating it as his best till now prfrmnces. He also saw his album hitting 1 million lykes in youtube in jst 12 hours.

.....

This again reminded him of tanmaya and her smiling face is again back..

...

He stood up immediately.. he cant take this any longer.. A girl is now controling his emotions.. that made him evn more restless..

He thn calld shrvn and askd him to book the nxt flight to mumbai and askd him to join too.

...

Shravan : bt arjun, v have a week left here and the media had organised ur interview tomorrw.. wat would i say thm.

Arjun : jst say anythng.. bt i dnt want to gv any intrview regarding this concert and that's final. I want my tickts in my doorstep vth in a hour shravan.

..... said arjun in a serious tone and cut the call.

.....

Shravan has no other option now. He made excuse to the media that arjuns health is nt gud and he has to leave this aftrnun.

Finally the tickets are made and they both reachd mumbai by 5 pm that day.

.....

Here tanmaya and mona planned an other trail to visit arjuns house as they are still unaware abt Arjun return to mumbai.

.....

Arjun and tanmaya .

Finally its the secnd day now. And mona, this tym has evn prepared a plan chart and started xplaining to tanmaya.

Mona : tannu, come here now and see my plan now.

Tanmaya : yea, just a minute, mona i have to call my colleague.

....she called her colleague and said her to mail her the pending work. As she iz gng to complete it by staying here itself.

.... she finally got her mails and startd working on her project for a while. And it took her 2 hours to finish it.. its alrdy 6 in the eveng.

As she took leave for 2 days, she has to go gt updated vth her work. Soo she choosed to finish it up.

....

And tanmaya now went to mona whoz now applying a spray like thing to the biscuits.

Tanmaya curiously askd wat it is and mona said

Mona : its a mild chloroform which i bought frm a pet medical store this morning. Dogs easily get this smell appealing and will initially fall asleep for an hour after eatng them.

Tanmaya : oh, dnt u think u r risking, mona. Is it safe for the dogs.

Mona : ha yaar, i had conformed it twice frm the store manager and evn googled abt it. Soo no worries.

..... said mona, knowing her friends concern abt pets.

.....

Arjun is now in his room listng to sme peppy songs in his room and tryng his best to ignore HER.

He then suddenly remembered abt the gift vch mr.shekar had givn him last eveng, and went to his closet to check it out.

Its lyk an wooden box and he cnt guess what is in it.

He saw an opng at one side of the box and opnd it and found huge odour fill his room at once and its an imported 30 year aged scotch bottle.

...

He smiled of mr. Sekhars thought to gift him such a thing and he remembered his words to opn it wen in stress or in confusion.

....

Arjun looked at the bottle for some time and went to past memories again which are 2 years older.

Riya : arjun, pls quit drinking. People say that rockstars spoil their career by this dreadful thing and i dnt wanna see u too get into tht list.

Arjun : but riya, im not addicted to drink. I just drink aftr my evry concert to celebrate and that's it. U pls dnt worry abt it. I will nt make u hurt.

.... he said smiling and hugged her.

Riya : arjun, whatever it is, u just promise me tht u r nt going to touch any sought of alchohl frm now on.

Arjun was yet shocked and surprised by the care and concern riya is shwng towards him and he jst cant deny her. That's his biggest weekness. And agreed vth her. Frm thn he didnt even smelled alcohol and kept his promise truly.

.....

He came back to his senses again nd thought " now for whom i have to keep that for. There's no riya

in my life and i jst cant hold her promise vth me" and startd drinking it vthout stoppng and completed half the bottle in one go. He want to get every thought of the 2 girls who are running his mind to disappear somewhere.

....

Its alrdy 10.5 and by thn both tanmaya and mona reachd the neighbours house again fully prepared fo the circumstances.

...

They entered the house again and mona quicky made tanmaya to climb the wall.

Tanmaya : mona, pls take care and keep th biscuits ready ...

..... said her and climbed down the wall and now finally shez in arjuns huge lawn.

She is now searchng for the vanity that is parked in the otherside of the lawn vth slow steps.

....

Mona, took her biscuits ready and jst thn dog entrd there. Though she had biscuits vth her, she is still in fear. She jst throwed all the biscuits to it and the dog cant hlp bt ate it due to the appealing smell of it.

And by the nxt minute it fell asleep near mona and mona is fully happy now and waitng for her frnd to cme soon so tht she cn hlp her in climb ng down the wall.

.....

Just then there arrived 3 more dogs frm other side of the house.

....

Looking 3 dogs of the breeds which she dnt evn knw, nearing her she widned her again even big this tym and stayed there as a statue again.

This tym there is no tanmaya to hlp her.

Mona : iam such a stupid. I could have throwed 1 biscuit to it. Y the hell i emptied the full packt and once

.... the dogs are staring in monas eyes now.s they cnt see a move frm her they thought its a statue too..

...

Mona is now cursing her fate. "Girls at this age make boys to follw thm and look thm. But im here stared by 3 dogs and i dnt knw how will i get frm here." She is silently prayng for a miracle to happen.

There is a pair of eyes watching this whole thing frm arjuns house and its none other than shravan. He is laughing lyk hell now. "How can a girl make things soo worse vth her" he thought and headed towards the neighbours house.

He reachd outside the neighbours house and said

Shravan: i dnt knw that u also do part tym job at night. Girls are becomng brave these days.

.... he teased her

Mona vthout movng said " shravan pls get me out of these dogs. Pls pls"

Shravan : ok fine and called the dogs name and said to go as hez seeing thm frm 2 years.so the dogs went inside quickly and mona jumped outside the house and started breating heavily.

...

Shravan askd her the reason to cme there at this odd tym bt mona made an excuse that shez jst wanderng around, but shravn clearly understood that shez lying.

Mona thought for a while and said " wait, what are u dng here. U r supposed to be in vizag na. And is

arjun alsi came back vth u.??! Is he here???! "

.... she askd vthout stoppng.

Shravn calmed her and said " yes, we both are back and shravan is now sleeping in room"

..." i hope tannu cmes back soon vth her chain."

thought mona and both shravan and mona sat on a bench there talkng.

.....

Arjun is now in his room and he wanted a long drive to calm him frm the things vch is bothering him a lot now.

He cant find his car keys. He thn remembered that he forgot thm in the vanity and started to leave vthout making a sound as parvatamma would see him in such state, she will nt allow him to drive.

....

He went into the vanity and found the keys there and took an another t shirt and went into the changing room in the vanity.

.....

Tanmaya after a minute search, finally found the vanity and prayed god to get her chain back and went inside the vanity..

.....

Part 9

Arjun and tanmaya ..

.....

Arjun went inside the vanity to find his car keys n he quickly found it at his dressing table and though hez drunk his brain is still working a little and he smelled a mild fragrance in the vanity and that is

different from his perfume.

...

"It's a girl's perfume," he felt that he had already known this smell closely and remembered that's the same fragrance which he felt when he was close to Tanmaya and when he accidentally kissed her.

....

The effect of her perfume is fading now but the effect of Tanmaya has started again in him.

.....

He pulled another t-shirt and went inside the changing room so that he can leave for a drive soon.

.....

Tanmaya prayed God for the final time and entered inside the vanity unknown of the fact that Arjun is already inside.

She looked all over the vanity for a second and started searching all over the ground.

....

Arjun inside has finished changing and opened the door and came out.

As Tanmaya is now searching at the corner he didn't see her.

....

But the fragrance which is mild till now has become strong now. Arjun quickly felt the difference but not sure of anything.

...

He just neared his closet once again and he saw a GIRL sitting in the ground and is totally engrossed in searching something.

....

Arjun is in a state of shock now. He thought he is dreaming for a second but then cleared his thoughts and said

Arjun : YOU...???!

Tanmaya jolted back by this sudden voice and stood immediately and started shivering completely.

Tanmaya : I.. I... (@#%\$&#)

She is short of words now seeing Arjun in front of her.

She wanted to just disappear from the place if she knew any magic. That's her inner feeling now.

All this time Arjun can't help but just imprinting her in his eyes and heart. She looked like a puppy soaked in rain to him.. cute and damn innocent.

....

Tanmaya's brain started working now and she started running from there by pushing Arjun.

But God knows what's going on in Arjun's mind.

....

He just grabbed her hand and pulled her towards himself. Tanmaya can't compete with Arjun's pull.

Arjun is now holding her in his embrace as if he's holding a fragile glass piece.

His eyes are only focussed on her and he's feeling her perfume stronger in his arms now.

....

Without breaking his eye contact he asked in a very soft tone which is even surprising to him.

Arjun : what are you doing here..??! What do you want from me.??!

She's now looking into his eyes which has longingness in them. She felt that he badly needs

someone to stay vth him

Arjuns breath is now tickling her face.. hez is soo close to her.

Tanmaya : i... my.. lost...chain..(@#&%#@)

..... she is just stammering.

....

Arjun : shhh.. calm down.

..... he said it by placing his finger on her quivering lips.

Tanmaya is nw looking deep in his eyes. He felt that the person in frnt of her now is far different fr the person he met at the same place a couple of days ago.

His softness is making her melt fr inside and her breathing has now reached to normal level.

...

Arjun is still in noo mood to leave tanmaya. She is still in his embrace and they are evn more close now.

....

Her innocent looks are making him stare her even more.

He had stopped blinking now and her pebble back eyes, her little nose and her lips are making things even more hard for him. Hez just imprinting her every detail in his heart.

.....

He jst leaned to her further and grabbed her face in his hands and touched her lips so gently, as if hez touchng a rose petal vth his lips.

...

Tanmaya was surprised by this sudden move of Arjun .

Arjun kissed her so gently that tanmaya had now started feeling the kiss and she too gave in to him and closed her eyes.

...

This is soo different fr the last tym, wer both are tryng to shw their angriness to each other.

...

Arjun is now kissing her passionately. Both of them gave in to their inner feelings and he pulled her even closer this tym.

....

They are kissing for about a good 3 minites.. that's a longing kiss. Arjun want to show her, how badly shez affectng him by the kiss.

.....

Just then tanmaya came to the reality and opnd her eyes and is now wanting to get out of him. But Arjun is holding her soo firmly that she cant move and they are still kissing...

....

Just thn tanmaya searchd for a thing on a table and shez now holding a knife in her hands.

...

She tried to free herself fr his grip bt that didnt helpd her.

...

She just stabbed the knife in his arm in all of a suddn and tht surely worked this tym.

.....

Arjun had now broked the kiss and moved far fr her wincing in pain.

Hez now bleeding.

Tanmaya was all in shock now. She doesn't wanted this happn evn in her biggest nightmare. She wanted to fear him by the knife bt she instead stabbed him..

....

As arjun is alrdy drunk he is nt able to stand this pain n fell on the floor. He raised his hand towards tanmaya as if he wanted to say something.

Arjun : Tan..Tanmayaaaa..... d..ont ... lee...ve ...meee...

..... he struggled and said and fell unconscious leaving tanmaya in a terrified and shocked state..

....

Part 10

Arjun and Tanmaya .

Tanmaya is now standing still see Arjun in unconscious state before her.

" what have i done.?! I'm supposed to harm anyone and i jst stabbed Arjun...!! What am i going to do now..." she is thinking in such a way and right now she is nt able to focus on anything.

....

Arjun is now saying something in his semi unconscious state.

Tanmaya searched all the cabins there and atlast she found a first aid kit. She quickly neared arjun and sat beside him and slwly placed his head on her lap. She started cleaning the cut vth cotton and applied some antiseptic spray and started aiding him vth a bandage. All is tym Arjun is just stammering something bt tanmaya didnt understood a thing.

She finally made him get frn n she used all her energy to lift him. After all he is a 6' feet stout figure vth fully framed body. Soo she used all her effort and made him sit on the couch there.

....

Mona looked at her watch. Its alrdy 10.45 and still Tammaya has nt arrivd at the wall till now.

She thn looked at shravan whoz sitting beside her and said

"Shravan, i need to tell u something. actually i came here vth tanmaya and"

.... she said everythng abt the chain and their trail to the house twice.

Shravan looked at her surprisingly and said

Shravan : soo girls these days has now started to imitate bonds movies now

... and laughed.

Mona : haha.. nothing funny. Now will u pls look for tanmaya.

..... she said showing fake anger to shravan

Just then mona got a call from tanmaya and she quickly pickd it up.

Tanmaya : hello mona, i had stabbed arjun and he is lying unconscious in the couch now. I cant come leavng him like this.

Mona : waatt...!!?? Hold on. U stabbed him. And ok ok. I'm coming there vth shravan. U jst stay there.

... she cut the call and said shravan abt the call and shravan got up immediately and started running towards the vanity.

Mona quickly followed him.

.....

Inside the vanity, now all three are present there.

Shravan : what is all this. How is it all happened.

Tanmaya : actualy we both...(#@\$%)

... she remembered their passionate kiss.

Mona understood tht sme thing odd had happnd and so tanmaya is nt sayng anythng.

Mona : ok fine, tanmaya u have firstaided him na. Shravan will now take care of him

...and looked at him.

Shravan : yes. I will call the doctor and u girls pls leave now. Its alrdy late.

...

He calld the driver and askd him to drop the girls to their hostel.

....

Tanmaya when leaving the vanity turned her back and watched Arjun on the couch for once and they both left.

.....

Next morning Arjun got up from his bed and is abt to rub his head and thats wen he felt pain in his hands.

His head is aching lyk hell now. After all he had touched alcohol after 2 long years. And this is the affect.

" what happened to me..??? Y am i bandaged??? " .. he looked at his hand.

Just then shravan came there vth a lemon tea and gave it to him wishng him gudmrng.

..

Arjun : what happnd to me.

Shravan : i too dnt knw. U have to say that. What happend in the vanity between u both?

Arjun : both??! Whoz the other one??

... he asked vth a puzzled face still holding his head.

Shravan : i cant believe this. How can u frget everything. Thats y people say us to stay away frm alcohol. Arjun, u were with tanmaya, in the vanity last night and her and mona said that she has came there to look for her lost chain.

Arjun : tanmaya... is she vth me.?? And who the hell is this mona..??!

.... shravan gave a look to arjun and narrated every thing tht mona said to him.

.....

Arjun cant concentrate on anythng now he just drank the tea in one go and asked shravan to look for parvatamma and conform that she ate her break fast or not..

.....

When shravan left, arjun went to take a quick shower and started thinking abt all the incidents by closing his eyes.

He remembered only some bits and the first thing that came in his mind is their KISS.

....

He opned his eyes suddenly and started thinking abt it.. slwly he remembered how he felt during the kiss.

Her quivering lips, during the kiss and his tight hold around her waist, pushing her towards himself, her fragrance and finally her equal response to him to the KISS and her moaning during the kiss, ... everything has came in his

Mind in detail now.

He then remembered the way she stabbed her.

....

He came to his senses now and came outside frm the shower and dressed up vthout making his bandage wet.

Arjun : what she must be thinking of me now. I behaved soo gross yesterday. This is nt done. and why am i soo effected by her presense that iam evn losing my senses infrnt of her.

" This is heights now. I have to distnce myself frm her or else things wil end up even more worse."

He thought and left downstairs to meet parvatamma at breakfast table.

.....

Tanmaya woke up late that mrng and sh has nt told mona abt the kiss which she and arjun shared. Bcz this tym, its differnt. This tym she too responded to it and she dnt knw y. So she cant xplain to mona abt it as she too dnt knw the reason.

She got up and prepared breakfast for both and saw that mona is still sleeping. She dont want to disturb her as she has worked a lot these two days for her chain. She called her parents and asked abt the things there and talkng for sbt half an hour. She is felling calm now. She had lost hopes for her chain.

.....

Arjun is now in the kitchen and touched parvatammas feet for blessing. He does tat every morning. Shez everything to him.

Parvatama smiled and said " i have made your fav breakfast poha today. Taste it and say hwz it and put him a spoonful of poha in his mouth.

She then observed his bandaged arm and asked " what happnd arjuu, y is ur hand bandaged. Did u fell anywhere.??! "

...she strtcd touchng his hand lightly and looked worried.

Arjun : nothing had happnd to me amma. U just dnt worry. N poha is just awesme. U r the best cook he said smiling and ate his breakfast along vth shravan.

.....

After the breakfast, he wanted to go for a photoshoot session which shravan has alrdy informed to him. And for the car keys, he went to vanity again.

...

He started searchng for his keys trying nt to think abt the memories inside the vanity vth HER

He found his keys and was abt to leave and just thn he found a glitterng object on the floor and took it up.

...

Its a chain, which has a love pendent n he opnd it and saw 2 pictures of a male and female who r in their middle ages and he remembered abt the thing vch shravan said thst morning.

" So this is HER chain and she came here in search of this yesterday " he thought and found that the chain is broken at its hook.

.....

He looked at it for a while and called shravan in his phn and said to make the chain repaired and polished.

Shravan wad first shockd abt y arjun is bothering for a chain vich is nt his own but then he agreed.

Arjun again said " and return it to tanmaya tis evng and rememer, dnt say anythn abt this thing.

Shravan agreed and cut the call and arjun left fr the shoot now.

.....

Part 11

Arjun and tanmaya .

This day tanmaya has to attend a meeting in her office, so she got up early and seeing mona sleeping, she thought tht she cant say abt the thing that happnd yesterday and so she prepared breakfast for both of them and talked to her parents for half an hour, And finally left for her office.

Mona got up late that day, by the mouth watering smell frm the kitchen and thanked tanmaya in her thoughts for the yummy breakfast and started eatng after freshng up.

.....

Shravn is now busy in dng the task vch shravn had told this mrng. It took xctly 3 hours for the chain to become new again vth added polishing.

He then went to the hostl where these 2 girls stay and knockd the door.

Mona is now in full on eatng mode and kept 3 spoonful of poha vch tanmaya made and is enjoyng its taste.

Hearing the doorbell she thought it must be tanmaya and vthout caring to swallow she jst enterd the door chewing.

....

Shravan saw mona infrrt of her vth big cheeks n e thought that she must have put on a plate full of thing in her mouth and strted laughing.

Mona is nt ready for this sudden guest in her room and she swallowed immediatly making her eyes wide.

Shravan : do u mind if i cme in??!

....he askd politely

Mona still in surprise " yes, pls cme in "

Shravan : i think i came here in a wrong tym

.. he said and the smell of poha is now hitting his nose

Shravan : wow, the smell is soo good. So u knw cooking too..

... he askd looking at her

Mona : oh pls. I dnt evn knw , how to boil water.

Tannu made it. She is an awesme cook. U must taste it

... she said and offerd one more plate to him

Shravan : ohh.. i had alrdy had brajfast at arjuns house and guess wat, it is also poha and Arjun loves it a lot.

Mona : ohh..ok . And u here??!

Shravan : yea. I had found tanmayas chain in the vanity this mrng and polished it further.

Mona : omg..!! U found the chain... thank god...!! Tanmaya has been looking all lost these days due to this chain. And thanku so much, shravan

.... said vth a wide smile on her face.

Shravan, too smiling at her seeing happy and then he remembered of sme meetng vth media officials thst day and said

Shravan : ok fine. Mona. I have to leave now, and thanks fo the poha. Tanmaya is really awesme in cooking, i must say.

Mona : yea.. she is soo gud in everything, bt people like Arjun will dnt knw her worth.
... said mona and dropped shravan till the door step, and shravan left.

.....

Arjun had a hectic day, today vth constant changng of dressess and posing for the shoot. He reached his villa by 6 pm and confirmed frm shravan abt his return of chain to tanmaya. He freshd up and took a quick nap for abt 15 minits and got up wen he heard parvatammas voice calld him to eat sme snacks downstairs.

.....

He thn observed that the climate has became soo dense and were clouds all over covering the sky and it seems lyk its going to rain.

....

Tanmaya too had a boring meeting at office and wen she returned frm office she found mona smiling lyk a child.

Tanmaya : is everythng ok vth u, mona.??!

Mona : haa yaar.. look at this. Ur chain is back and see its looking lyk a new one.

Tanmaya jumped vth happiness and went to mona and enquired abt how the chain has come to her and mona explained her abt everything in detail.

Tanmaya : iam soo happy, mona.. finally god has shwd his mercy on me.

... and they both started smiling.

Mona : look at the climate, tannu. I think its gonna rain now. And its the first rain in this year..

Tanmaya : woww.. i'm feeling excited. N u knw wat, i heard frm my collegues that

Mumbai s first rain is divine and wen v really enjoy wetting in this rain and make any heartfelt wishes or confessions in this rain, thn god will surely listen to us and make thinks good vth us.

I donno how much it is true bt i cant wait for the rain anymore.

.... said tanmaya excitingly.

Mona : stop it yaar. U still believe in such petty things.. well, i dnt want to wet on rain bcz i immediatly get cold and u cant bear my sneeching and my running nose ...

... and winked at tanmaya.

Mona : i'm going to take a shower, and u go on vth ur first rain

.....

Parvatamma is now sitting next to arjun in a sofa and said

Parvatamma : arjuu, u remember, u used to always wait for the first rain and u used to wish for smethng by wetting in rain, in ur childhood.

Arjun : i remember amma. Bt since riya enterd in my life i had no more wishes to ask for god. Bt now nothing left vth me again.

....he said staring blankly on the wall

Parvatamma : dnt say tht arjuu.. may be god has written some angel in ur lyf and i'm sure when she enters in ur life, ur life would be more intrstng to u again. Just dnt lose hope.

Arjun : those things seems good in stories snd movies, amma. Bt in reality, people find us intrstng only to sme extent and if u strted to change for them, thn they will leave u in dark roads....

.... he said feeling every word frm his heart.

Parvatamma : good things always happn only after facing the most biggest troubles. And u r in such

phase arjun. I can see lot of good on ur way. Just be patient.

.... said parvatamma and left to her room.

Just then Arjun heard some thundering sounds frm outside and it started raining.

He is now looking outside of his glass doors and opned it and went outside stood raising his hands sideways and closed his eyes making every drop fall on him and feeling every drop on his heart.

.....

Tanmaya in a rush went outside and reached the terrace and started facing up and closed her eyes. She want to feel the rain, drench her thoughts in the rain.

.....

Arjun : i cant fall weak infront of tanmaya anymore. From nowonwards i wanna erase ur memories frm all my heart. I just wanna forget u tanmaya.

.... he confessed in the first rain.

Tanmaya : i'm falling weak infrrt of u Arjun, and ur eyes are saying a lot and after the close moment we shared yesterday, i dont think i can able to forget you.. i just cant erase you frm i heart even if i try. I can't forget u Arjun.

..... she confessed in the first rain.

.....

God knows, for whose confession he hears....!!!

Part 12

Arjun and Tnmaya

3 weeks had passed...

Mumbai city is all busy in welcoming new people and embracing native people in it.

...

Arjun is trying his level best to do more and more events and focus only on his career. he had went to Ahmadebad , kolkatta and few more cities and performed there. meanwhile, Riya called him few tymes to make things right between them and wanted to continue their friendship again.

But arjun is in no such mood to entertain any girl in his lyf and make things worse again. He boldly ignored her calls and messages.. He wants to start his lyf all over again vth any girl in in it.

.....

Mona grabbed few oppertunies in fashion world and started designing elite wedding dresses for brides and grooms.

Tanmayas project was successfully appreciated by her authorities and she got a promotion recently.. She also visited their home town last week and brought all eatable stuff and lot more vth her. Mona and tanmaya used to enjoyed home made food these days.

Everything seems perfect for both Arjun and Tanmaya as they dnt knw what god had planned for them in the next phase.

.....

Shravan is now in touch vth mona frequently and they had became good friends. He even consulted her for any suggestns in the fashion world so as to make Arjuns wardrobe filled vth the latest outfits wenever he does any event.

....

one fine day, parvatamma informed Arjun that 'Sneha foundation' members has came to the villa this mrng and askd Arjun to do a show at their place.

Arjun is the main trust member of 'Sneha foundation' and he donates his 10% of his every event remuneration to it.

....

Arjun quickly called their land no. and confirmed that he will definately do a show at the orphanage and said he will nt charge anything for it and asked to nt to inform this news to media before as it may cause sme trouble to the people there.

.....

Sneha foundation mostly concentrates on people who are blind , mentally and physically disabled,deaf and dumb and people who are abandoned by their family members. they offers free facilities for such people.

Though the orphanage is located in mumbai it has the recrd abt all such people through out the country and admit people there in many no.s every month in the orphanage.

.....

Arjun has fixed the next day to perform in the orphanage and informed shravan to cancel all the interviews scheduled on that day.

.....

The day had arrived and arjun got alll ready vth his stuff and he kept his lyric paper safe vth him and took bleesings of Parvatamma before leaving to the orphanage.

the drive to the orphanage frm his villa was abt 1 and half hour as the traffic was more that day.

.....

When he reached there he alrdy saw people gathered at the hall and applauding for him. All ages of people had gathered there. children in their teenages who are mentally annd physically challenged , people who are visual impaired and so on.

Arjun for a second had tears in his eyes seeing them happy for his arrival.. he felt proud of himself for a second.

.....

Just then the warden Mrs. lakshmi arrived there and thanked him for being so kind.

Arjun : i must thankyou , mrs. lakshmi. bcz of u, i can able to spnd my day vth such good hearted people. iam overwhelmed to perform here.

... he said vth tears of joy filled in his eyes.

mrs. Lakshmi took his to her cabin as the time is still left for the show to start.

she then said

Mrs. Lakshmi : we had left few people to enter this gathering. people vth both hearing and speaking imparity are nt gathered here bcz they cant hear anythng and it makes them feel bad abt it.

..Arjun felt sad for a while and asked her " i can understand it, but where are they present now.?! " he asked curiously

.....

Mrs. Lakshmi continued " abt 2 weeks before, we have given an advertisemnt that we need some teachers who can speak by making hand gestures fo these people.

Many people attended for the intrview bt are askng for big amount of money for each class and are askng to take the classes in their own 4 days shifts. soo we cant agree vth any of them and we had lost hope for finding a mentor to them..

...

Just then a girl came here and admitted a old woman who has been living in bandra traffic signal by begging. the old woman has both hearing and speaking disability.

she then enquired abt the facilities here and she agreed to be their mentor every eveng and from their shez coming here and spending tym vth them. she even stays here frm mrng to eveng in holdays.

When we organised a medical examination yestrday, we found that their mental health is getting well these days.. they had started to feel good in our place.

I must say God has sent her here. She is an Angel for them.

.....

She is here today as today is day-off for her. You can meet her if u insist.

....

arjun is listning every word vth a heartfelt smile on his face, frm mrs. lakshmi and had thought that " there are even these people who are making others lyf happy. I wonder such girls do exist now a days. "

... and immediatly agrred to meet her.

.....

she is now in the next floor. i have to make few arrangements. u pls go n meet her..

.. she said and smiled.

.....

Arjun started heading towards the stairs to meet her, the angel by the way mrs. lakshmi explained.

.....

Part 13

Arjun and tanmaya .

Arjun is now heading towards the steps to reach the next floor. His heart unknowingly started beating fast. And he finally reached the hall.

....

Arjun is now standing at the doorstep and his eyes started searching for that Angel.

He then heard a girl laughing at the corner of the hall.

He saw that there are a group of people making gestures to the girl and are expressing their words by those gestures.

..

A girl is sitting in front of them and she is facing towards them and so Arjun. can only see her from back.

...

Tanmaya had come here today as she has a scheduled leave this day. She suggested all the people there to make some paper crafts and had given required color sheets and sketches yesterday during her visit.

So today she's checking everyone's crafts.

People of different ages had started showing their crafts to her and they are feeling so excited when Tanmaya appreciated them.

...

An old man in his middle age, has approached her and showed her, his hand made flower crown. It is so beautifully made and looked perfect.

Tanmaya: wow, sir you have made a good crown. Will you give it to me sir,

... she asked pleasingly.

The old man without any warning kept the crown on her head and started clapping.

"You look like an angel", he gestured smiling.

.....

Arjun is watching all this from the doorstep.

He wanted to look at her but she is not turning towards him.

Just then the old man got up and went inside his room and came back with a big mirror in his hands to make tanmaya see her image in it.

He then kept the mirror in front of her. She smiled at him for once and looked at her image in it and smiled.

...

Arjun till now trying to look at her face has now seen her image in the mirror and was spellbound for a minute.

...

He was surprised for two reasons.

"What am I seeing.. is this the same girl who I always wanted to distance myself.

And "how can she be the angel. And why this girl is always making me fall in such such situations where I can't head back. How can she look so beautiful and innocent with just a small crown. "

....

He started staring at her now with lots of unanswered questions but unknowingly smiling and admiring at her expressions and the way she's interacting with the people in such simple gestures.

At this moment, he felt it's perfect and without any delay he took his camera from his bag and captured her at that perfect moment.

He had even forgotten about the motive he came there for.

.....

He then heard Mrs. Lakshmi's voice from behind and quickly kept his camera and went to her.

"I was just looking at the surroundings here and yes, let's go down. It's already time for the event, I guess"

.... said Arjun and went downstairs.

.....

He arranged his guitar and greeted all the people there and closed his eyes to remember tanmaya.

... yes he has started accepting that he can only see tanmaya whenever he closes his eyes during the start of an event. This time is no different.

...

He remembered her smiling face which he saw just now, in the mirror with a flower crown and smiled.

He then started singing with the same added passion but the lyrics are different now. He is just singing his mind now.

....

People started enjoying his performance and some had even tears in their eyes by the feel which his song is making them feel.

.....

He finished the song with such an ease and he felt that he had never felt any song so real till now.

Shravan, who is watching all this is surprised to see Arjun all smiling during the entire song. He felt like he saw a new Arjun this day.

.....

Part 14

Arjun and tanmaya .

Its alrdy 5 pm that evening.

Arjun took the leave of people in the orphanage and gave his autograph to few intrsted people. He then went to Mrs. Lakshmi and thanked her, heartfully for inviting him and giving him such a precious memory, he thought remembering everythng that happened since mrng and nt frgetting the most important person, "Tanmaya".

...

Arjun drove his car along vth shravan and shravan started asking abt him being soo happy.

Arjun looked at shravan for once and smiled as the answer.

Shravan , now loojed even more confused snd said, " whatever it is, I'm soo happy seeing u all happy after many days"

.... he said vth a genuine concern.

.....

Tanmaya is now abt to leave, just then mrs. Lakshmi thanked her for making the people engrossed in crafts, bcz they will surely feel bad abt missing the event of Arjun, if tanmaya had nt cared thm.

....

Hearing Arjuns name after 3 long weeks, tanmaya jst cant control her curiosity and asked the warden abt him.

...

Mrs. Lakshmi said everything abt him being the main trustee of sneha foundation and his event which took place that mornng and his denial abt takng money for the show.

....

Tanmaya jst listened every word frm her and asked her, y the media was nt present, if it's his show. Mrs. Lakshmi said that Arjun had nt wanted to bother the people here by making media step into this place.

....

"I heard news abt him being rude n egoistic bt what i saw abt him today is the real him", said mrs. Lakshmi smiling.

...

"Real Him" - the word, made tanmaya to remember abt their secnd meet where she saw being very soft vth her and their passionate Kiss.

Mrs. Lakshmi, called tanmaya, seeing her, lost in her thoughts and had arranged a cab for her to the hostel.

Tanmaya then said " since teenage iam a huge fan of Arjun and his songs " and thought " frm past three weeks iam a big of the real Arjun"

... and then left feeling all happy.

....

Arjun is now laying on his bed vth his eyes closed. Jst then he got a call, and vthout looking at it he jst pickd the call.

Arjun : hello

"Hii arjun, how are u? "

Arjun: riyaa...??

Riya: yess.. i heard that u did a shw in the orphanage. Hwz it gone?

Arjun : yaaa.. its gud. Infact damn good

.....and remembered tanmaya in flower crown.

Riya : Arjun, can v meet tomorrw?

Arjun : what for?

Riya : u will know, arjun. But just meet me.

Arjun : ok. Fine. Snd me the adress.

Riya : u knw it. I have a meeting at mr. Kapoor at his office. And there's a cafe there. Will meet u there.

Arjun : ok fine. See u tomorrow. Bye.

... and he cut the call.

... the phone startd ringing again. He is noww pissed off and lift the call and said

"What now..??!"

" I'm sorry to disturb you, sir. " said mrs. Lakshmi

Arjun got and said " oh im sorry, mrs. Lakshmi. I thought its some others call..

Mrs. Lakshmi : hmm.. i jst called bcz people here wanted to wish gud night to u, or lse they are nt sleeping. So i had to disturb you.

... she said feeling sad

Arjun : oh.. i would love to talk to them. Pls pass it on.

... and stood up smiling and reachd this window.

People all together shouting : Arjun, gud nite. You are too good and charming. We love you arjun. Stay blessed...

... said all in chorus...

" arjun is smiling now and vth same intensity, he too said in liyd tone, "thank you...!!" And laughed.

Mrs. Lakshmi : gud nite sir., and tanmaya said that shez a huge fan of u frm her teenage. Soo u have made huge fans over here.

She said., and people took the phn frm her again.

He talked to thm for a while and he felt his heart soo light and happy after long tym.

He then thought " frm today, iam ur biggest fan, tanmaya." and then went to sleep.

.....

The next mrng, Arjun got up and got ready as he has to meet riya at kapoors office.

He did his breakfast and drove to the place.

When he reached there by 11 am he saw riya in a meeting in kapoors chamber in 2nd floor .he then started to wait for her in the cafe in the same floor.

....

Tanmaya had finished her work by 10 and reached the hostel. She saw that mona is nt feeling well. She is suffering frm high fever.

Tanmaya quickly went to the store and bought sme medicines n made soup for her.

Mona : tannu, i had cracked a huge deal yesterday. My designes had got selectd for the elite wedding of mr. Kapoors daughter. He wanted to meet me today in his office.

I have to leave now tannu. U jst take me to the washroom. I will get ready and i will leave.

Tanmaya : are u nuts, mona. Look at u. U cant even walk to the washroom and u want to go out huhh.. No. Shut up and sit here. I will do ur work. Jst tell me what i have to do.

Mona : u jst have to give him my designes. And give my card to him. His daughter will contact me this evng.

Tanmaya : ok. Fine mona. Iam starting now. U jst take her and lock the door. Will be back in couple of hours.

... and huggrd her.

Tanmaya is feeling bad for mona for falling sick in her most imp tym.

.....

Tanmaya reached kapoors office by 11.15 and started waiting for him as the receptionist said that he is in a meeting.

She then started too look at the interior of the office in the ground floor., and then she saw a cute little girl at apprx 5 years of age is playing there in a corner vth her toy car. She guessed that the girl is the daughter of the canteen lady and she is smiling at her daughter.

...

Just then the girls toy car strted movng at stopped near a flower vase at the other corner.

The girl quickly ran to get her car and slipped mid away which accidently broke the vase by the girls hand.

....

As the hall is silent till now that sound grabbed everyone's attention. The girl strted cryng and her mother quickly went to her and strted consoling her. Tanmaya too went to the girl and started

consoling her by giving her a chocklate.

..

Arjun till now was reading a magazine present at the cafe heard the sound of the vase and started searching in the ground floor to find out. He saw tanmaya there consoling the girl who just broke the vase accidentally and was surprised by her presense there.

....

A voice frm behind made arjun to turn around and its riya, whoz smiling at him and thanking him for coming there. She then went to order for both them and arjun started to watch wats happng in the ground floor again.

...

Mr. Kapoor is now heading towards his receptionist to knw his nxt meetings and just then he saw the broken vase and his anger reached to the peaks. He has bought that vase in an auction last time spending 7 lakhs.

...

He shouted at the reeptionist that who had did that..!!

The little girl is now hiding behind her mother out of fear and her mother was abt to say thay its her fault in breaking the vase.

...

As she was abt to say, tanmaya stopped her and said,

Tanmaya: iam sorry sir. Its my fault. I had accidently bumped into it and it fell down

.... said in a shivering voice.

Kapoor : how dare u, stupid girl.and who the hell are u. Dnt u evn have any manners that wen u cme to an unknwn place u must sit sme where. Y r u roaming all around. Do u want to steal something.

....he said fuming in anger.

Tanmaya is now in tears.

Tanmaya : i came here to give u this designs vch ur daughter selected. These were designed by my friend mona, and here is her card.

Kapoor : i jst dnt want ur stupid designs. Jst get them vth u back and dumo them in a drainage.

... and tore the card into pieces.

Tanmaya is now angered bcz he inslted mona.

Tanmaya : sir, u jst cant say lyk thst. I will pay for the vase. Pls tell me hw much it costs.

Kapoor : ohh.. u are showing ur attitude now. Oky fine. Its 7 lakhs. And i want it in a single pay. Can u even afford.

...

He said laughing in an evil manner.

Tanmaya was shockd hearing the amount. It her annual income and he is asking in a single pay.

She surely cant afford it.

....

She looked all lost.

Kapoor: now, i dnt want any more drama here. Jst get lost frm my office

.... he said and headed towards his cabin.

Tanmaya was abt to go and the little girls mother stopped her and hugged her. "Pls dnt dnt this for us. Its our fault. U pls dnt involve in it." She said vth tears in her eyes.

Tanmaya : u can even loss ur job if u said him abt u. And think of ur daughters future. Where will she study tomorrow.

...

Some day i can evn arrange the money and give it to him.. bt what will u do vthout ur job.

.... pls dnt bother much and keep it as a secret.

.... tanmaya said and headed out of the office fully blank abt what will she say to mona.

.....

arjun is impressed by the maturity vth vch tanmaya handled the situatn and even impressed by her kindness.. his respect for her is increasing day by day.

.....

His angry egoistic attitude look is back in him again.

.....

he strted going towars mr. Kappors office in a quick steps planning smething evil in his mind.

He even ignored riya whoz calling him frm behind and just went inside kapoors chamber....

Part 15

Arjun and tanmaya .

Tanmaya was all sad now and is now silently walking on the road vth monas designer dressess in her hands .. shez just walking vthout knwng wer shez gng.

All of a sudden, she got a call frm mona. She picked up unknwn of wat she would say to her.

Mona : hey tanmaya, did u reached?

Tanmaya : ha mona. Iam jst sittimg in the lobby now. Waiting for his meeting to end up.soon..!
....she lied.

Mona : ok fine.take care. If it gets late thn jst come home. I will talk to his daughtr directly.

Tanmaya : ok fine. Take care. Bye

.. she cut the call and placed her hands on her head.

" wat am i gng to do now. Is there any otherway possible to make things right again", she thought sitting on a bench in a park.

.....

Arjun is now heading towards mr. Kapoors cabin. Riya is calling him frm behind to stop.

But arjun gave a damn to all other things and gng towards the cabin fuming in anger.

He enterd the cabin vthout evn knockng the door.

Kappor : Arjun varma, what are u dng here?

Oh i guess ur dad has snt u here. I must agree .., ur dad is soo punctual.

... he said smiling at him

Arjun is nt understanding anythng now.

Arjun : y r u waiting for me?

Kapoor : soo u dnt knw it till nw..? Ok fine. The thing is iam throwing a success party for the huge transactions our company had made in this year. And many foreign deligates are coming to that party.

And they had specially asked for ur performance as the event of the night.

I wanted to contact u.. bt thn ur dad had agreed vn i said to him abt this.

....said mr. Kapoor in a proud tone

Arjun : ohh.. ok.. but how do u knw my dad..? Is he somehow connected vth your business..??

Kapoor : dnt u know, ur father is the main and the important share holder of our business and and vthout him this success cant be happened this soon.

.....

Arjun os now with full of evil thoughts in his brain.

Arjun: ok mr. Kapoor. But what if i told u that i cant do this event and if i also told u that i can able to make my dad quit ur business forever..!!

....said arjun looking straight in his eyes.

Kapoor was shocked for a second and said

" do u often joke around..!! But its realy nt funny, Arjun...

...said Mr.kapoor.

Arjun : do i look lyk iam joking??

...he Said in a harsh tone.

Kapoor : no, arjun, u cant do it.

Arjun immediatly took his mobile and dailed his father'sno. And said " dad can we just back off frm mr. Kapoors business share holds. Bcz i dnt think he is tht capable of being our partner....!!

What do u say..??

Mr. Varma was shockd by this sudden confession of his son.. but then agreed immediatly bcz Arjun had never involved in his business. N if he is pointing smeone, thn there would be definately such an issue to focus on.

Arjun had now kept the phone in speaker mode whete mr. Varma agreed for wat Arjun had jst said.

...

All this tym kapoor is standing still and has no clue abt wat is happening..!!
His rude ego is now no where seen in him, and kappor had started to plead Arjun to nt nt to tame such a huge step as his entire business vl be affcted vth that decision.

Arjun still had his egoistic attitude look in his eyes and he said

" though iam nt willing to continue any sought of business relations vth u, but i can still give u a chance to make all the things get back to normal again.."

"Jst tell me wat i have to do.." said kapoor in a pleading tone.

....

Arjun had still nt got off vth the sad and crying tanmaya leaving his office jst an hour ago.

He angrily looked for smething in his cabin and finally took a big iron rod in his hands.

He then said to kappor that " jst dnt mind snything of what i will do in the next 2 minutes. Or lse i cant give to the 2nd chance too.." ... said Arjun in a warning tone and broke every single vase in his cabin vch costs more than 20 lakhs.

....

Kapoor just stood in the corner vthout uttering a word or lse his chance would be lost.

.....

After breaking every single vase angrily in his cabin he head headed towards kappor whoz standing in the corner and said..

" Apologize the girl, who u had jst insulted and take the designing contract frm miss. Mona., nt only for ur daughter bt to the entire family of yours.

"U have just an hour left. Jst do the task i had given to u or lse i will make sire u wont be able to organise any success parties frm now on... Quickly..."

..he said in a dangerously warning tone that had made mr. Kapoor to panic.

.....

Its alrdy been 2 hours since tanmaya had nt reachd the hostel and is still sitting in the park thinking of a possible excuse to make for mona.

Just then, she got a call frm mona.

Tanmaya reluctantly lifted the call and thought that mona would shout on her for nt being home till now.

Tanmaya : hello mona. Iam sorry.. actually todays traffic is bery high.. soo...

Mona : hold on yaar.. tannu.. what have u did..??

Tanmaya thought that mr. Kapoors daughter had scolded mona for sending her stupid friend to her fathers office.

Tanmaya : sorry mona. I didnt wanted all this to hsppen but.

Mona : stop it yaar. Jst listn to me. Mr. Kapoor, himself said that iam going to be their family's ethnic ware designer for his daughters wedding. Tannuu.. i jst love u. U had made me soo popular. Love you loads darling...

Tanmaya was shocked listning to wat mona is saying and then said

" what are u saying..!! Is this in real or u are jst dreaming in ur sleep..??!"

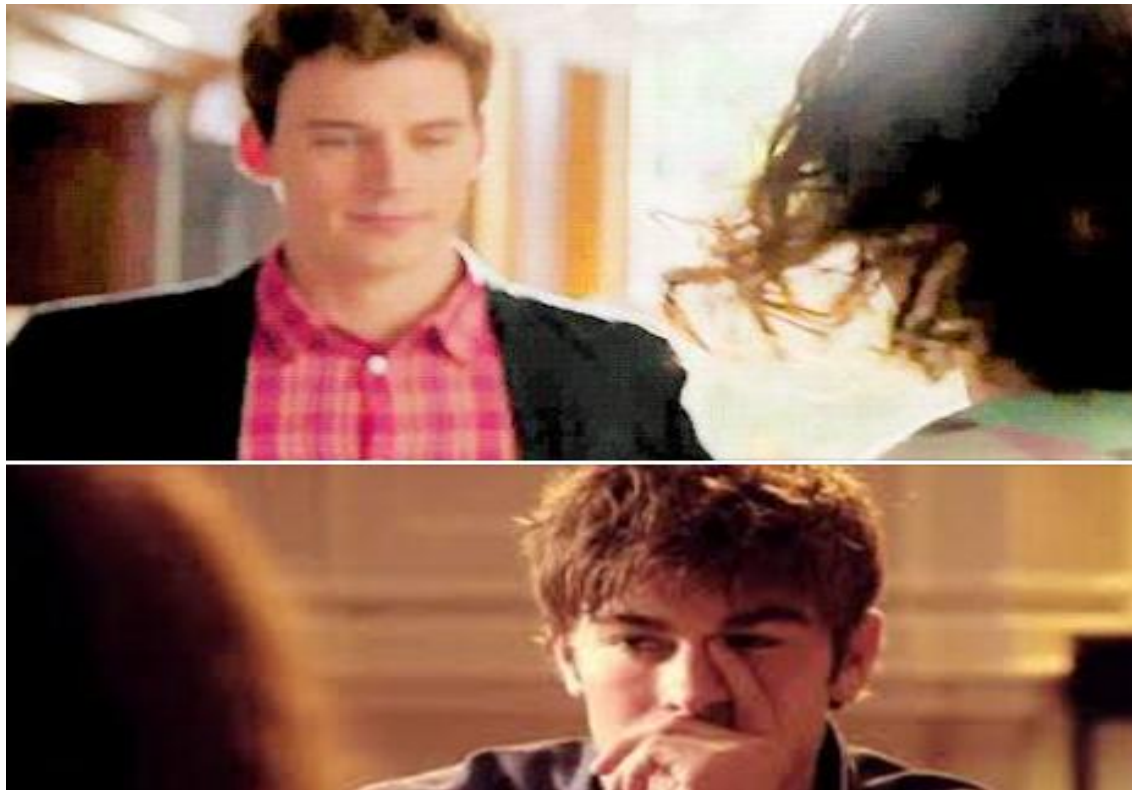

No yaar he is now in our room. And hez praising u a lot.and he also wants to meet you. Soo when are u coming home.

N haa hez sayng that he has only 1 hr left and he had an another meeting later. Soo pls come home soon.

....

Tanmaya was abt to faint listning to all this. But thn she controlled herself and sat thanked god thousand times for showing such an unexpected miracle..

Her face is now seeming lyk 1000 watts bulbs. She thn happily startedgoing toward his hostel to meet mr. Kapoor and she really wanted to this suddn cjang in him with in an hour...

Part 16

Arjun and tanmaya .

Tanmaya knocked the door to find mona opening it happily and hugging her.

Mona : tannu, u r my lucky charm. See wat have u done.

...and welcmcd her inside

Tanmaya is all surprised by these sudden changes in her lyf.

She is how facing mr.kapoor whoz sitting on a couch inside and checking his phn.

....

Mr. Kapoor, got up frm his place after seeing tanmaya coming and said,

Kapoor : ohh. Tanmaya.. im glad u r here soon. Actually i only have an hour left.. i mean i had another meeting arranged earlier. N im sorry for what had happened. Please forgive me.. and ur friend is an amazing designer. She has lots of talent in her. I would definately love to offer her this chance.

.....

Said kapoor, as he had byhearted those lines.

Tanmaya : im soo happy that u had offered my friend, this big oppertunity. N please dnt sorry me. Past is past and im soo glad that u came to our house. Just wait for a minute, i will make u a good 'adrak wali chai'

... and was jst going to the kitchen bt then kapoor stopped her and said he is fine n he has to rush. He took leave frm them n quickly went out.

.....

He then called arjun and said thst he has apologized tanmaya n pleaded him to keep his word. Arjun, then agreed that he will ask his dad to patch up again and also afreed to do a shw for his project success event.

.....

It was evening now and Tanmaya and mona had alrdy started celebrating the moment. Tanmaya had prepared delicious food items and they both strt eating and laughing at their jokes. Mona's fever had far gone now after listning to Mr. Kapoor's words that mrng.

....

Just then the door bell rang again.

Mona : yaar, i can't handle another surprise now. Its too much for today

.... and asked tannu to opn the door.

Tanmaya opened the door and saw shravan infrrt of her vth a bouquet of Lillie flowers in his hand ...

Shravan : umm. I heard that mona is nt well. So i jst came up to check her

....said shyly.

Tanmaya : ohh. Pls cme on. By the way she is fine now.

Shravan entrd the room and saw mona sitting n eating lyk an elephant.

He smiled and coughed to make her alert.

Mona turned back and saw shravan staring at her. She didnt xpcted him at this hour.

Mona : ohh.. shravan.. pls sit.. iam just eating.

..said awkwardly.

Tanmaya : umm... i have to buy milk packets for tomorrw. U guys plscarry on. I will be back

....said tanmaya and winked at mona showing thumbs up sign to her, making sure shravan is nt looking at her.

Mona angrily looked and tanmaya and smiled at shravan.

Shravan was also surprised as he thought mona would nt accept easily.

Shravan : ohh.. great.. thanku soo much. See u tomorrw. Bye take care

Mona was again shockd by this sudden gesture.

Shravan too felt little awkward and broje the hug and took a leave frm her.

Tanmaya returned just then and said bye to shravan.

Tanmaya thn askd whats the matter..

Tanmaya took mona to shriram bazaar where people sell all types of clothes at a whole sale rate..

The place is soo full of people as most people buy stuffs there at cheap prices.

Mona: tanmaya.. where the hell u got me into.. what is this place yaar.. i thought u would take me to sme mall and dnt tell me that we are buying frm here..

Tanmaya : just calm down mona.. jst trust me. I wont make u regret for cmng vth me here. Jst calm down

Tanmaya went to a shop at a corner vich has very good dresses displayed there and were selling by a old man.

Tanmaya selected a peach colour floor length dress vth mild work and looking beautiful.

She then asked its rate.. and the man said its 3500 rps..

Tanmaya loooked the dress frm frnt to back n top to bottom..

Mean while mona is seeing its fabric and checking for any tores in it.. as she didnt liked that shop.

Tanmaya: bhayya.. fix 1200 final and give us..

Mona was shockd by the price tanmaya is askng for. She is just staring at tannu

Old man: pls go to sme other shop. U dnt even knw the wrth of the dress..

Tanmaya : bhayya.. ok thn 1500 final thn..

Old man : no 2000 final.

Tanmaya : no.. 1800.. final. And took money and gave him..

Old man thn made a face and gave the dress to her.

Old man : this is nt done. Madam..

Tanmaya: sir.. jst wait.

... and called her colleagues in conference mode and said the shop adress to thm and said dressess are very pretty here and they should try here..

She also sent thm the dress picture and askd thm to buy here as prices are reasonble here.. and they agreed quickly as there is a wedding party of one of the colleagues in office and they have to buy for the party..

Tanmaya : problem solved bhayya..

... and smiled at him

Mona is now all shocked by the way tanmaya had handled the situatn making evry one happy and smiled at her..

Tanmaya : i said na mona.. y to fear when Tanmaya is here....

.....

Arjun took shravan to the best designing outfits store for men

Salesmen : what do u want sir..

Arjun : shw us smethng stylish n mainly impressing a girl

... he said and saw shravan.

They both had selectd few outfits and arjun made shravan to try every outfit and then finalised one among it.

Arjun : how much it costs

Salesman : sir just 18000 rps only.

Arjun looked at shravan and smiled.

Arjun : its soo reasonable.. ok make 20000 final as i liked ur hospitality the most..

... he said and smiled at him

Shravan was soo happy.. that arjun is soo much friendly vth him and is overwhelmed by his nature towards him.

.....

Its 1pm the afternoon and mona asked tanmaya to come vth her as shez feeling shy and nervous..

Tanmaya : but what will i do there.., mona.

Mona : jst sit on other table and yea.. shravan said that arjun is also coming vth him..soo u both can talk and u wont feel boring

Listening Arjuns name, tanmaya felt butterflies in her stomach.

" ok.. if u r askng this much.. i will come vth u.." said tanmaya

.....

Its alrdy 2.15 and still mona and tanmaya are in a cab on the way to the "heavenland" restaurnt, the meeting place..

Shravan is alrdy waiting inside and arjun is waiting in his car and he dnt knw that tanmaya is also cmng there. He would wait until the dinner in his car.. he thought..

Jst then mona got down frm the can vth her peach dress and looking lyk an angel.

Shravan saw her frm inside and was all lost in her.

.....

Tanmaya too got down and gave money to the cab driver and is walkng slowly as she thought tht arjun would be inside and she dnt knw how would she face them.

Arjun saw her from inside the car and was like "what is she doing here..? Is she having another date or what..??"

He thought and got down and followed her.

.....

Mona and Shravan greeted each other and sat there.

Tanmaya took the corner table and found that Arjun is nowhere seen in the restaurant.

....

Arjun then called the restaurant manager and asked him to make the restaurant free from people other than the two tables where Mona and Shravan took and the one which Tanmaya took.

....

Manager agreed with him as Arjun paid for the entire day and made everyone leave the place by telling them that they will be offered free meals the next day.

Arjun had to do all this because if he enters there then people would mob him and that will disturb Shravan and Mona and he didn't want to do that.. so he has to empty the restaurant.

.....

And then Arjun entered inside and took the chair in front of Tanmaya.. still wanting to know about whom she was waiting for...!!!!

.....

Part 18

Arjun and Tanmaya .

Tanmaya was holding a menu card up and checking it, that she didn't realize that Arjun is sitting in front of her.

She then kept down the card and saw him, staring at her questioningly.

Tanmaya chuckled a little by this sudden surprise but then calmed down not to make things awkward.

Tanmaya : umm.. you.. i mean when did you come??

Arjun : first tell me why you are here and for whom you are waiting?

Tanmaya : whom what.. its You...

.....She then thought it was too bold and said

" i mean mona wanted me to cme vth her.

Soo ism here. N i was told tht u r also cmng. Soo i thought that... ummm (%&\$@% %%)

Arjun: ohh.. ok.. soo u r waiting for me then..

... and smiled cutely at her

Tanmaya was jst watchng him vthout blinking..

Arjun : oky. Thn.. would u like to order smethng..

... he said looking into the menu card.

Tanmaya : yes.. a pastry.... chocolate almond pastry..

Arjun: what was that.. i never knw it before..??

... he said looking into her.

Tanmaya : ok fine. Jst order 2. U would love it for sure..

.... she smiled.

.....

He then ordered 2 pastries and they arrived.

Mean while mona and shravan were talking abt each others outfits and praising them.

.....

Tanmaya took a bite of pastry and closed her eyes while eatng it and shez jst enjyng the taste of it.

Arjun took his good time to watch her cute xpressions and was lyk

" i never know, a girl eating a pastry can look soo cuter than any hot model"

Tanmaya : y r u nt eating.. jst took a bite and enjoy its taste.. chocolate and almond blast is jst wow.. its just heaven.

.... she said and continued eating vth her cute xpressions.

Arjun too ate it but nt by closing his eyes.. he is jst enjyng its taste by watching smethng more cute pastry girl infnt of him.

.....

Shravan : mona.. i wanna say smething.

Mona was xpctng that he he will propose her.

Mona: yea..shravan.. tell me..

Shravan : im in love vth a girl.. but im soo shy to evn say that to her.. n mona, u r my only friend in opposite gender.. soo i think i can ask u few suggestns na..

Soo will u pls suggest me sme ideas to propose my girl.. please...!

Mona was shocked. She thought sbravan was going to prose her. Bt he thinks her as his friend and askng her suggestions..

" i think i was over expectng the relatnship between us.. thats y shravan said its a lunch meet and i thought its a date.. how stupid i was " she thought.

Mona : ohh.. sure shravan. I would definately help you.. n no one will reject you.. u r too good to say no, shravan..

Jst call her and say that u love her.. if its nt now, its never.

Iam here to help u out. Jst call her.

.....

The waiter came to arjun and tanmaya and said that the entite city is visible frm the terrace point of the restaurnt and if they wish they can go and see the view.

Tanmaya : woww.. the entire city.. thats soo cool.. i would love to watch it.

Arjun : where is the lift point..?

... he askd the waiter

Waiter guided thm till the lift point.

.....

Both went to the lift and pushed the 17th floor (terrace point) of the place.

Arjun : i dnt think shravan and mona date will end that soon.. seeing them, i think they will take couple of hours here more.

Tanmaya : yess.. bt they are soo cute.. i never thought thst these guys would hook up.

Arjun : well bcz of thm, we met here again...

... he said and looked at her

Tanmaya : yess.. we met again and iam glad..

Arjun was surprised by what tanmaya had just said..

Arjun : u are glad to meet me here again???

Tanmaya : i mean (\$&&#@\$) the pastry is soo good.. (%&*\$@) i m glad..

...she said cursing her for being soo honest.

.....

The door opnd and they r now in the terrace point facing the entire city.

.....

Tanmaya : woww.. this is soo beautiful and said moving further.

... and jst slipped by hitting a small rock there..

Arjun held her quickly frm falling..

" careful tanmaya.. "

..... said arjun, still holding her in his arms.

Tanmaya : look at that place.. that lake point.. its very serene place.. when i feel bad ... i would go to that place.. its lyk a natures gifted place..

.... she said and pointed a lake frm there.

Arjun : i never know, there was this place before.. its looking beautiful frm here too..

... he said honestly.

" no matter how high u reach, jst dnt frget the roots arjun"

And no matter how many states u visit " jst dnt frget ur native land "

..... she said and smiled at him.

Arjun then thought of words once riya said..

" ohh.. arjun.. jst damn this mumbai.. jst go on and travel and u shld nt stick to one place ... jst move on and frget about the rest... "

And here is This girl.. whoz sayng to stick to the roots.. may be thats the differnce between riya and tanmaya..."

..... he thought.

.....

Arjun then askd her to move down as they have to check on shravn n mona.

...

Tanmaya : yess.. iam coming... and cluckd pics of few views frm there and also askd to take a pic vth arjun..

Arjun just smiled and went to her..

He then grabbed her waist and pulled her close towards him and without breaking his eyelock he kissed her cheecks and took his mobile and captured a perfect selfie of both of them which seems lyk they r a couple frm long long years..

(*a happy couple)

...

Arjun : come on now.. we have to go.. h

... and headed towards the lif all smiling seeing tanmayas expression.

Tanmaya was still in shock of what had happned jst nw.

She too followed him without saying a word.

.....

In the lift.

Tanmaya was jst staring at the door vth still shock expression and arjun caught her soon.

Arjun : are u ok, tanmaya.!

.... he askd teasingly.

Tanmaya : yea.. (\$@%%&) good.

Arjun : ohh.. but now iam glad that we visited the terrace point.

Tanmaya : Whatt.. ?? y soo glad....??

Arjun showed her the selfie and said

" its a perfect selfie"... he said and smiled and came close to her again.

Tanmaya stood still vthout moving.. she is breathing heavy now...

.....

Jst then there was a huge sound *thuddd* and the lift stopped working....

.....

Part 19

Arjun and tanmaya .

Arjun : iam glad that we went to terrace..

Tanmaya : whatt.. ?? glad..?? Bt y??

Arjun is still smiling at her vth breaking the eye contact.

Arjun : look at this pic.. its looks soo perfect right...

Tanmaya has ntng to say.. shez jst staring at smiling arjun.

Tanmaya : yess.. its perfect.. (%##@) no.. noo. I mean its good.. bt..(\$@\$&&@)

Arjun cant handle her cuteness anymore.. he is stepping closer towards tanmaya.., god knws what his mind is saying to do next...

Tanmaya jst stood there.. vthout moving an inch.. she parted her lips and closed her eyes as if she knws what would hapn next. .

.....

thud a huge sound broke their moment and the lift suddenly stopped working and they are in 14th floor now.

....

There was a powercut too as an added assert and both arjun and tanmaya were left in that dark lift..

thankfully the emergency fan started working and hence they can breathe.

....

Tanmaya : what is happening here..?? Helloo ... anybody there.. helloo... v r inside. Pls help us....
... tanmaya started shouting and pushing the doors..

All this time arjun is just watching the drama by folding his hands.

Arjun : are u done.., tanmaya.. or u wanna kick the doors ??

Tanmaya was breathing heavily now.. what will v do now.. i heard that one guy died in the lift when it got stopped..

I just don't wanna die..

Hellooo.. helloo.. we are inside.. help us.. helloooo..

Arjun meanwhile took his phn and wanted to dial shravan but then thought.. it would disturb their date..
It's not a big issue for arjun that the lift has stopped suddenly. It's common in most places and will start before 15 minutes he thought.

Tanmaya had now doing her oscar level performance.. she is so panicked.. and started kicking the lift door..

Arjun can't handle this anywhere..

He just grabbed her hand and pulled her towards him.

Tanmaya : arjun.. we howw.... we will die... hellooo....

Arjun grabbed her even more tightly and kept his finger on her lips.

Arjun : shhhh.. calm down.... we won't die.. i will not make that happen.. the lift will start within 15 minutes and there is a fan above.. so we can breathe and we can survive.. u just calm down..

Tanmaya can't help but had to listen him because she is totally in his hefty shoulders now.. she is totally in his arms and she can't move an inch.

Tanmaya : okay... let's sit.

Arjun smiled by her immediate response.

Arjun : good girl.. yea.. let's sit

... and then they sat next to each other..

.....

Mona : just call her shravan and say that u love her.. i bet that she won't say no to u... well i will definitely help u to get her if she says no.

Shravan smiled at mona and asked " will this work mona..!!?? "

Mona : absolutely.. just be a man and call her.

Shravan Dialed a no. In his phn and mona is looking at him anxiously....

Just then mona's phn rang..

Mona : yaar who's calling at this important time

... thought mona and saw the displayed name in her phn.

It's SHRAVAN...

Mona's jaw dropped and looked at shravan,

Shravan : pick up the call mona.

... he said smiling.

Mona has no clue what's happenng and she picked the call, looking shravan...

Shravan : mona, u r the first girl in my life after my mom.. and i had never felt soo happy and relieved before..

I thought saying 'i love you' is the biggest task in lyf but i donno y, iam feeling lyk i had left my forever burden somewhere by saying u these 3 magical words...

Yes mona.. iam madly and deeply in love vth u... and vth u in my life i feel that iam complete.. u make me complete mona..

" will you marry Me...??"

.....he said vthout breaking eyecontact vth mona.

Mona is now in tears... happy tears.., they say.. she always thought of her dream proposal.. but at this moment she felt that "he is one for me"...

Mona on call : can u please hug me shravan.. i can't resist myself here.

Shravan stood up in a go and hugged her as if they were one person.. as if their souls are meeting... as if there is no tomorrrw.. a hug thats showing their life long commitment.

If some one would define a best hug then this hug would definately top the chart..

.....

Arjun : did u ever loved a guy?

Tanmaya was taken aback by this sudden question.

Tanmaya : No.. and u?

Arjun : i dnt knw.. what this love is.. bt frm last two years i felt that i cant live vthout riya.... shez our family friends daughter.. but then she wanted a sefety life which she thought i cant give her and she left...

Tanmaya : ohh.. iam so sorry.

Arjun : no.. i must be sorry to u.. bcz of my stupid ego, i used u that day and announced u as my gf.. so that i cn make her jealous.. n i evn kissed u forcibly..

Tanmaya : if people regret their mistakes then they are good... soo u r good arjun and i knw it.. u are no harm..

... and held his hand and smiled at him though they cant see each others faces.

Tanmaya : i always thought and dreamed abt how my first kiss should be.. but then it was a nightmare that day..

And the 2nd kiss was such that.., my dreams were no longer can compete vth it..

I never thought a kiss would be soo demanding and passionate.. i felt lyk a feather in ur arms.. all thanks to you....

..... tanmaya is saying all this remebering her 2nd kiss vth arjun.. and she totally forgot abt whom shez sharing vth..

.....

She then came to her senses and boit her tongue.. " what am i dng.. did he heard everything.." she is jst looking on the other side..

Arjun, all this while, looking at her and was totallyy spell bound by her utter honesty... by her simple confession.., she made him feel proud.

" shez soo amazing.. i never heard such a heartfelt confession and that too frm a girl lyk tanmaya... does she like me too..?? "

Arjun made tanmaya look into him.

Arjun : tanmaya.. i have never seen a girl lyk you.. ur admired eyes ,raged eyes, ur self respect, ur kindness...

Trust me..., u have everything that a man fantasizes.... u are a prized possession for any man...., including Me..

..... he said and kept her hand on his heart...

.... and he leaned closer to her.

Arjun slwly whisperd in his ears...

Arjun : let me kiss u again..

.... and leaned closer to her and kissed her cheeks.

.....

The power came suddenly and the lift too strtred working.

Both arjun and tanmaya are sitting close to each other and lost in each others eyes... they are saying a lot of things through eyes.

.....

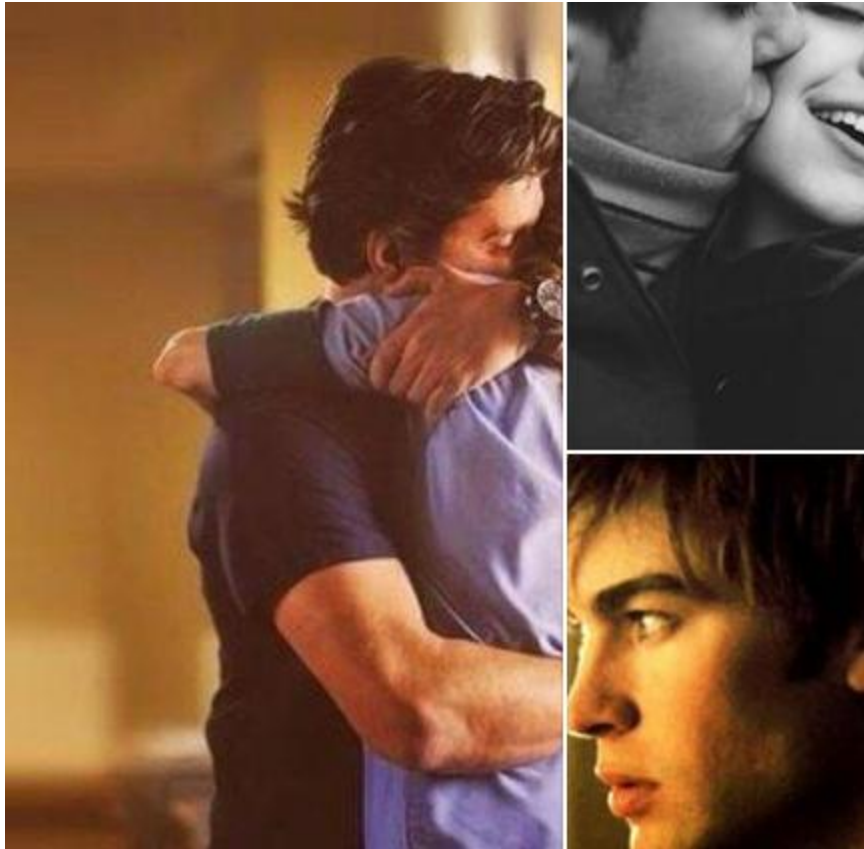

It stopped at ground floor and opned slwly, making the manager and the waiter see this couple in the lift.

Tanmaya came to her senses and left the lift vthout looking back at arjun and she took a cab and left to the hostel msgng mona that she has got sme urgebt work and so she left frm there.

.....

Arjun stood up and came out of the lift smiling like a kid a whistling his own song and saw tanmaya frm the window whoz leaving the place intensely...

.....

Part 20

Arjun and tanmaya .

Shravan : soo.. miss mona.. hwz my proposal.. rate it out of 10

Mona : shravan, you made my heart stop for a second.. i literally thought u r in love in another girl and then thae phn convo.. aww.. its soo cute

... and she started pinching his cheeks and smiling.

I will give an 8/10 rate..

Shravan : u r such a critic typ mona..

...said laughing..

Mona : Ok fine.. i think its too late.. arjun is alrdy waiting.. will meet u tomorrw arjun.. take care.. love you..

Shravan : love you too.. mona

... and hugged her tightly..

....

Arjun is still staring outside the window and smiling lyk a kid.

Shravan came to him and said

" shall we leave.. or u want to still smile more.."

... he askd teasingly.

Arjun thn looked at shravan and they both headed towards their car.

Mona too took a cab and left.

....

In the car.

Shravan : finally, ur plan worjed arjun..

Arjun was lil confused now.

"What plan, shravan?? "

Shravan : that phn call prank and proposal.. she is soo shocked and was later excited to knw that it's her whom i lve.

Arjun now remembered. He gave sme tips to shravan before the date and this is one of his tips.

Arjun : soo finally u r now engaged.. congrats shravan.

.... he said heartfully.

.....

Mona reached the room and found tanmaya alrdy sleeping ..

Mona got panicked and checked her temparature.. it was normal.

Mona : tannu, r u ok.. u said u r havng sme work. Thn y r u sleeping..

Tanmaya : mona.. u came. Oh yea.. its nt that important and yea.. hwz ur date?

... she askd as if she dint wanted to make mona tease her by saying all the things thats happened in the restaurnt

Mona : he proposed me yaar.. and in such a cute way that i cant say no..

... and detailed her abt the proposal.

Tanmaya body was present there bt shez totally lost in that lift.. lost in arjun.

The way he saw her.. he touched her. He kissed her is making restless..

Mona: u remember. I bought a new branded shirt last mnth wich i liked a lot.. and then i dnt have anyone to gift that.

But today i gifted him.. he looks damn sexy in that shirt.. i can see him in my views..

....she said smiling and blushing.

Tanmaya : woww.. finally u found a guy for the shirt huh..

.. she laughed.

...

Mona was all laughing thinking abt the dream date ans she slipped while moving towards her cupboard. She fell down.

Mona: tanmayaa.. look at me yaar.. i fell down.. oh god.. my ankle....

... she shouted in pain

Tanmaya rushed to her in a secnd n held her ankle in her hands.. oh my god.. mona.. its a sprain.. jst dnt move.. i will bring the first aid kit.

Mona is still screaming in pain and tanmaya came back vh the kit and bandaged her properly. She made her sit on the couch.

Mona : god always sends bad things followed by good memories.. look at me .. i had a great day today and see now iam lying here vth this sprain.

... she said holding her head.

....

Just then she saw a wrapped pack beside her and opened it.
She was totally dumbstruck by looking at it.

Mona shouted again.., "tanmayaa"

Tanmaya : haa yaar...im here and what has come up now..

Mona : look at this.. its the same shirt which i wanted to gift shravan.

Tanmaya : what is it doing here.. did you forget it here or what..

Wait mona.. then what did you gift him today if it's not the shirt.

Mona : now i remember.. i have bought 3 bras on the same day and its also packed the same..

Yaarrrr.. i am a idiot.. i mistakenly gifted him that one.. OMGGGG

..... she said putting her hands on her mouth.

Tanmaya : don't tell me that you gifted him those things saying that you have bought them for him and he looks sexy in it..

..... said tanmaya laughing and rolling on the floor.

Mona is still has no idea about what to say..

"What will i do now.. what will he think of me if he opened and saw those things which i said that was specially for him....

....she sat on the floor placing both her hands on her head.

Mona's face was worth watching now..

.....

Part 21

Arjun and tanmaya .

Mona : tannu.. yaar.. pls help me.. its my first love and first date and i don't wanna spoil it by this stupid thing..

.... i hope shravan didn't open it till now.

Tanmaya : ok yaar. Fine. I will help you. But i just relax a bit. Just call shravan and ask him what is he doing and confirm whether he opened the pack or not.

Mona: ok ok.. fine.. fingers crossed.

.... and dialed shravan's no.

....

Shravan : hey.. dear.. u started missing me or what?

Mona : umm.. yea shravan.. jst called to cnfrm tht u reachd home safely or nt.

Shravan : ohh.. being caring gf huhh... soo cute..

Mona : umm shravan.. did u opned the pack tht i gifted u this evng.

Shravan : oh u want me to opn now.. yea.. its in my hand.. and hold a sec m opng.

Mona : Noooo..Noo.Nooo.. shravan..

Shravan was taken aback by her screaming and said.

... he laughed

Mona : noo.. bt its lyk.. its my first gift na. Soo opn it tomrw.. this is nt gud tym to opn. Opn tomorww na shravan. Plsss

.... she literally started begging.

Shravan: ok dear.. dnt plead lyk that. I kept it in the cupboard..

Mona : shravan.. where is ur room located... i mean is it on the left side or the right side.

Shravan : ooh ohhh.. wait.. do u wanna cme tonight or wat.. well its on left side.

... he askd teasingly.

Mona : what.. noo noo. Im jst askng in genral. Ok shravan. Take care gud nyt.and opn it tomorw..

....

Tanmaya : why did u askd abt his room locstion..

Mona : so that you can go to arjuns house this night and exchange the packs vth the right one there.

Tanmaya : what.. u want me to go there at this tym.. have u lost it mona.

Mona: pls tannu.. hlp me vth this.. if i had nt got this sprain, i would nt have bothered you.. pls do this tanmaya.

... she started holding her chin and pleading.

.....

Tanmaya cant say no to mona bcz its a serious issue for her and what is bothering her is that she has to go to Arjuns house and after that lift incident its bcme soo hard for her to even face him.

.....

" ok fine. I will jst to arjun house.. n vthout his notice i will exchange the packs in shravns room and run back."

... she thought.

.....

Mona : thanku soo much yaar.. u r the savior of my love life

.... and hugged her.

.....

its 10.30 that nite and tanmaya made her mind as strong as possible and started for arjuns house in a cab.. mona prayed for her and covered her face vth a scarf.

.....

The cab stopped right before arjuns house and she saw that there were no security guards that day.. she thanked god for being kind and slowly opened the gate and went inside.

.....

She remembered monas words that she saw a ladder last tym wen they went there for her chain. As mona said she took the ladder there and prayed god for the millionth tym and strtd climbing it.

.....

She has now reachd the balcany of tge 1st floor and then headed into the house thru the door. Surprisingly the door was nt lockd as if they knew tht she would cme that night.

....

Tanmaya prayed god once again for making things very easy for her and strtd searchng for shravans room in the left side...

....

Just then she felt a hand grabbing her n pulling her and the next secnd she was abt to scream.

Another hand frm behind coverd her mouth frm shouting and the person holded her frm back firmly..

He then held her both hands tightly by conforming that she wont scream now.

Tanmaya is showing all shivering.. she has no clue abt what is happening.

....

Tanmaya then felt a soft yet sexy voice whispering in her ears sayng smething...

She closed her eyes to concentrate on the voice.

" Tanmayaaa.. you always surprise me by doing unexpected things....."

Tanmaya can now relate the voice and its very familiar to her...

Yess its Arjun.. who iz holdng her now...

.....

Part 22

Arjun and tanmaya .

.....

Same night an hour ago

Arjun is rplyng his fans qstns in twitter in his ipad. and jst then it got a low battery warning in it.. he then checkd for the charger bt didnt find it anywhere..

He wanted to ask parvatamma, bt remembered that she went to her relatvs house in kolkatta that mrng...

He then went to shravans room and askd his ipad charger.

Shravan: its in the cupboard arjun. Pls take it

...he said as he is busy in a call.

Arjun opned the cupbosrd to find tge chrgr bt while searchng a packet has fall down frm cupboard and opnd.

Arjun was abt to keep it at the placeand jst glanced at it.

He was shockd to see ladies wear and that too their inner wear in it.

He didnt wanted to interfere n soo he kept it at the place.

Arjun : thanks shravan i got the charger n by the way i found a gift in it.. do u wanna gift smethng to mona or wat..

.... he askd actng lyk he didnt saw anythng.

Shravan : oh yeaa.. thats a gift for me by mona.. she said that i will look sexy by that gift.. jst dnt knw wat it is..

... he said smiling shyly..

Arjun has now lost it.. he is jst looking at him wierdly...

Arjun : whattt.... u serious... i mean u didnt opnd it till nw??

.... he askd vth such a diff expression.

Shravan: i was abt to opn it but mona calld jst a few min back and screamed nt to opn it nw.. infact she pleaded me to not to opn it as today is nt that gud in her view. Soo will opn tomorw.. Arjun, literally im soo xcited for the gift...

... he said thinking of mona and smiling.

.....

Arjun had now joined the things and understood that its the wrong packet that mona gave to shravan and soo she said nt to opn it by now..

"But what will she do tomorrw... i jst dnt u d what is it vth tomorww.. will the gift changes itself or what"

.... arjun thought and left frm there laughing at thinking of shravans reactn when he opns it tomorrw.

.....

Tanmaya was serching for shravans room in the darkness..

Just then she felt a gaint pull frm back and the next secnd, she is in his arms, which held her firmly.

Arjun whispered in soft yet sexy voice

" Tanmayaa.. you always make me surprised by doing unexpected things..."

Tanmaya opned her eyes in a sudden urge nt knwing whats going on vth her.

...

Arjun set her free and made her turn towards himself..

" did u wondered y the doors were nt lockd ?? "

... he asked folding his hands and smiling at her.

Seeing tanmayas puzzled exprssn he continued saying..

" it's becoz i saw u entering the house frm the cc camera footage and u knw wat i had opnd the main door too.. bt u being you..., took that old ladder and climbed up.

I must agree u r very strong..."

... he said smiling and showing her the footage in his mobile..

" my mobile iz connectd to the cc cam.. soo i can see every inch of ur detail in it "

... and strtcd rewinding the footage and watching again and laughing at her.

....

All this time tanmaya has no strength in her feet.. she felt soo embarrassed that she was caught by arjun.

And is now laughing at her.

...

Arjun : relax tanmaya.. i felt it soo cute.. but i never thought a girl lyk you will do all this.

Tanmaya : no.. i didnt came here for you.. i came for the pack.... eeww.. (%##%@%)

I mean.. i just (&*%#@%%)

...she is finding an xcuse bt ntng striked her mind then.

.....

Arjun was just mesmerised by the girl in frnt of him.. the way she is stammering and thinking of excuses made her even more cute.

He saw her at the gate itself vth the packet which she is holding and then got the clear view abt her being here in his house at this odd tym.

" So She wanted to make things right by exchanging the packts in shravans room"

.... he thought and smiled thinking of smethng.

" bt she can exchange the packet at any tym and the whole nite is in frnt of her. Its been long since i had an entertainment and vth tanmaya its more than jst entertainment.. i will nt let her go that easily..."

..... he thought seeing her climbing the ladder in his mobile.

.....

Arjun: tanmayaa.. iam still waiting.. why did u came here. Jst accept that you were missing me after the kiss in the lift...

..... he said moving close to her and winking at her.

Tanmaya : arjun i cant say y i came here bt its definately nt the reason that im missing you..

Arjun : ok fine.. then... i wont let u do tge work vch u came here and i will also wakeup shravan and u can say him the readon u came here for. Is that ok vth you...

..... he said faking his anger and vth attitude look.

He was abt to shout shravan name loud and in all of a sudden tanmaya jst pulled him close and closed his mouth vth her hands and made her eyes even more wider.

Tanmaya : pls.. plss.. dnt shout arjun. I beg u.. ok fine.. what do u want me to do to nt to shout again

..... she asked in a cute yet innocent tone.

Arjun smiled again and its difernt frm his original one.. his added charm attitude are clearly seen in his smile.

.....

He circled his hands against tanmaya and made her face close to his face and slowly whispered in her ears..

"Stay with ME this night "

.....

Part 23

Arjun and tanmaya .

Tanmaya closed arjuns mouth so that he will not shout and made her eyes much wider and asked what she has to do to make him shut.

All this while arjun is just staring and enjoying her expressions and then he circled his hands around her and made her face closer to his face and whispered in her ears in a soft yet sexy tone.

"Stay with ME, this night tanmayaa "

.....

Tanmaya for a second just can't figure out what Arjun meant.. but then she was able to say something

Tanmaya : but.. how.. can...

...and her words were cut short by arjun as he placed his finger on her lips

Arjun : you have no other option, tanmaya.. you just have to listen to me

...he said looking deep into her eyes.

Tanmaya thought it's a waste of energy to argue with arjun and so she had agreed with him

....

Arjun without any delay held tanmaya's hand and took her to his room..

...

Tanmaya entered his room and looked around his big master bedroom which she has never seen before of that kind.

Its in the size of her 5hostel rooms joined.

She is looking all around with her jaws dropped.. even though its dark inside the radium painted wall decor and the french glass doors and windows from where we can view every detail in outside world and mostly his kingsized mushy bed ... its lyk a dream bedroom.. for a second tanmaya thought that shez in a high budget movie set...

....

Arjun all this while is watching her expressions and he can see whats gng on in her mind.. soo he jst didnt disturbed and folded his hands and watching her enjoy his room view.

....

For arjun too, the view is soo appealing but the difference is its nt bcz of his posh room decor bt its becz of this girl who visited here and for him all these posh things looks faded in front of this unpredictable beauty.

....

Arjun : umm.. have u done admiring my room or u still need much time...!!

... he asked looking straight into her

Tanmaya all this while forgot that a pair of eyes is stuck on her and so she composed herself n said " iam just seeing the decors.. its lyk heaven to live here "

...she said smiling

" yes.. its lyk heaven with u here in my room" thought Arjun and smiled.

.....

Arjun : one more thing.. dont ask me any qstns abt y i made u stay here or lse i will shout again..

... he said in a warning tone.

Tanmaya : ok.. fine.. bt pls dont shout..

... and saw his guitar stuck on the wall and she jumped to it like a kid and said

" arjun... its ur guitar.. woww.. u know i jst love the way u play it.. its the same guitar vch u used in ur first concert na.."

.... she said with sparkling eyes.

Arjun was surprised abt how she knws abt his first concert becz he did it ven he was 19 years old and then he has no such following and this girl is saying abt his first guitar.

Arjun: how do u knw abt it..? I mean i was nt a known face then n i hardly had 30 followers then, i guess.

Tanmaya : u knw what i am jst crazy abt u that tym... well its a long story.. bt lemme tell u..

I was 17 years old then n my friend once accidentally downloaded ur sng searching for an other sng and i listened to it.. trust me arjun, i became a huge fan for you from ur first sng itself. And then i saw this video.. the way u played the guitar was jst woww.. since then i had a huge crush on you.

.... she said without giving a pause and smiling..

Arjun sat beside her and listened her everyword and the last line made him proud.
" so this girl is hsving crush on me since her teenage and since i was in teenage too.."
..... he thought of how she looked lyk in her teenage and smiled shyly.

.....

Arjun : so do u wanna play my guitar??

Tanmaya : u must be joking arjun.. u knw wat, i once tried playing guitar jst the way u played.. bt it was soo bad that my neighbours daughter cried for 2 hours vthout stopping thinking that she heard smethng very bad. Soo pls dnt make it worse again..

... she said confidently of her talent in playng in worse way..

Arjun cant control his laugh any longer. He laughed hard by the way she xplained her talent.

Arjun : u wont be that bad tanmaya. I will make play it. Soo jst relax

.. he said and took his guitar and stood behind her and made her play his guitar.

...

Everything seemed perfect at this moment. Both were lost in each other and were involved in playng the guitar.

All thanks to the sound proof glass doors of his room that the sound csnt reach the other side and shravan is sleeping soundly in his room.

....

Arjun and tanmaya had now reached their comfort zone and were sitting beside each other and talking abt anything and evrything.. their family.. their awkward moments.. best things and abt shravan and monas love track.. etc etc.

They also started playing video games and enjoying it thoroughly.

Its alrdy three hours passed since she left her hostel snd mona has now went to sleep as she felt so tired.

....

Its 2.30, the night

And tanmaya had startwd yawning n she thn slowly felt asleep on arjuns shoulder.

.....

Arjun saw her sleeping and he just smiled thinking that everything seemed perfect nd he didnt wanted to end this night forever.

He slowly took his mobile frm the bed without waking her up and capturedthe pic of them...
(tanmaya lying on arjuns shoulder and he is smiling and posing for the pic)

.....

He then slowly got up frm there by holding her head in his arms and lifted her up and placed het on his bed.

Tanmaya felt cozy on his bed and adjusted hrself in her sleep and slept again.

....

Arjun looked at her one more tym and caressed her hair and kissed her forehead.

...

He then went to his french glass doors and stood there seeing the view outside and thinking of the things that happened today..

The selfie at the terrace, their heartfelt confessions in the lift and the kiss and then looked at her sleeping peacefully on her bed. He then smiled and said

" what have u done to me, tanmaya.. i just cant think of my life vthout you now a days.. i never felt this extent of madness for any girl before, even for riya too.. is this love??"

.... he asked himself

.....

Arjun then took the packet and saw a shirt in it and it was soo appealing shirt

... he thought and went to shravan room in slw steps and exchanged it.

....

Tanmaya was still in sound sleep and arjun came to her.. its alrdy 3 and it wont be good if she woke up in his room he tought and lifted her in his arms and headed towards his car.

All the while he took care that he didnt disturb her sleep and started driving to her hostel.

.....

Tanmaya woke up in all of a sudden when they finally halted at her hostel gate. She was about to leave bt arjun being "Arjun" lifted and in his arms sgain and carried her thrugh out the 2nd floor of her hostel and placed her at her doorstep.

Tanmaya : Arjun.. u r nt supposed to be here in this tym. Please leave..

... she said by conforming no one had seen them.

....

She went inside and saw mona sleeping peacefully.. she didnt wanted to disturb her and hence she too lyed beside her and slept.

.....

Its 6 am the next mrng and tanmaya was the first one to woke up.

She jst rubbed her head thinking of the events that happend 1st night vth arjun and smiled

She got up and reachd the balcony to water the plants and jst glanced on the road and was shocked....

.....

Arjun was watching her by leaning on his car and by placing his both hands in his trouser pockets.

He took his mobile and called a no. Without breaking his eyelock vth tanmaya.

Tanmayas phn vibrated in her hand and she lifted it vthout seeing who it is as she alrdy guessed its Arjun.

.....

Arjun on call

" good mrng...."

..... he said in his branded husky voice and when tanmaya was abt to say smethng, he cut the call and winked at her and left frm there in his car, leqving tamaya with many unanswerd questions.

....

Part 24

Arjun and tanmaya .

Tanmaya was still standing at the balcony staring on the road and smiling.
She is blushing too..

Just then mona came frm behind and called her.

Mona : tannu.. wen did u csme? I was soo sleepy that i didnt noticed anythng.. i just slept lyk a pig.

Tanmaya : its ok mona... i didnt wanted to disturb you and hwz ur sprain now. ?

Mona : its getting ok now.. but tell me.. did u xchanged the packets?

....she asked widening her eyes.

Tanmaya then remembered the main motive and she has nt done it.

She is now panicked.

Tanmaya : monaa.. i.. (@\$\$#)

Monas phn rang jst thn and she quickly picked up seeing shravans name in it.

Shravan : hii.. dear.. i didnt knw that u r soo damn good at selection.... the shirt is tooo good.. I'm just loving it...

..... he said in a sleepy tone as hez waiting to opn the gift since yestrday and did it jst aftr opng his eyes.

Mona is literally jumping vth happiness now.

Mona : ur girl friend is damn good at everything shravan.. jst wait and watch

... she said in a proud tone.

Shravan : ok then.. let's meet this evening in the park.. i will be cming vth ur gifted outfit.

... he said snd kissed her thru phn.

Mona became conscious and blushed.

Mona : ok.. then.. see u in the eveng.. bye.. love you..
...snd she cut the call..

.....

Tanmaya all this while was watching monas expressions and was confused abt how it all had happened.

Mona just jumped again and hugged tanmsya tightly..

"You are my angel tanmaya... u make everything perfect... love you darling.. muahhh.. "
..... she kissed her cheeks.

Tanmaya : stop it yaar.. store sme of ur kisses for eveng or lse shravan would feel bad..
.... she said and hugged her again.

Mona : ok fine.. i have sme designs thst i had to show to mr. Kapoors daughter.
.... and left to freshen up.

.....

Tanmaya watered all the plants still thinking how did miracle had happened
and thought arjun must have did tht..

She then went out of the room and watched at the doorstep..

There is a packet present there which she opned and found its monas packet which got xchanged in shravans room...

" soo arjun must have kept it here.. bt did he saw what is in it "
.... she thought and smiled awkwardly.

.....

Arjun had just now reachd his villa and went straight inside to kitchen

Shravan had msgd him tht parvatamma has jst came and soo he went to kitchen to take her blessings.

Arjun took her blessings and hugged her.

Parvatama : what happend arjun.. you sre looking soo happy today.. whats the reason she asked caressing his hair.

Arjun broke his hug and took her to the dining hall and made he sit on the chair.

Arjun too sat beside her.

.....

Arjun : amma..can i ask u a qstn?

Partavamma : u dnt need any permission arjuu.. jst ask anythng..

Arjun : what is love in your opinion?

Parvatamma looked atarjun and smiled for his innocence.

Parvatamma : if u ask me thn i will give a diff answer .. nt like people of these days would define it.
" they say that when love happens you just frget abt all your things and jst go around of them.. bt that's nt it.

For me love is a forever commitment. Bcz u cant say what tomorrw can be or v cant predict our life for tomorrw. Bt still this emotion makes us give a life long forever commitment to the one we love.
Love is wen u think of their problems and celebrate their happiness before ours.

Love is nt defined only wen v spend lot of tym together... it can grow even by simple eye signs... if you ask me i say that eyes can say a lot vch we cant xpress..

And arjun.. if u are asking this then i will advise you that

" if u get a girl who sees the real you, nt the 'YOU' whoz a popular rockstar then dnt miss the girl.. bcz popularity is like a day. And u need a girl who can be vth u even in the dark nights of your life... A girl who can talk vth u daringly, vthout gvng any damn to ur popularity... Look for a girl who sees just 'Arjun' in you, nt the 'rockstar Arjun' in you... "

..... she said.

Arjun all this while listening to every word of parvatamma and he has only one image in his heart running through out the convo and its his 'Tanmaya'..

" she likes me frm her teenage itself and i was nothing then. She liked my song first and then me.. that means she is connected vth my words first.. and the way she slapped me and warned me during our first meet, no other girl can do that that"

..... he thought and touched his cheek once tanmaya slapped and smiled.

.....

Arjun : thanku soo much amma.. u cleared my confusion once again.. love you sooo much..

.... he said honestly and hugged her once again

" thats ok. Bt you look soo tired.. i think u hadn't slept properly last night.. jst go and then take a nap"

..... she said.

.....

Arjun agreed vth her and went to his room vch is now filled vth his and her fragrance and combiningly it felt divine for him..

He jst laid on bed and slept for a good 2 hours.

.....

Arjun got up at 11 all smiling thinking of the dream that just woke him up which he dreamt of tanmaya in his room again as his wife.

..... he rubbed his head and thought

" i will make this come in real "

He then called tanmaya still sitting on his bed and her phn asked to leave a voice message as shez in her office.

" hii. Tanmaya . Its me Arjun... i wanna meet you this evening.. venue will be the lake point which u said yestrday..

I wanna confess you something important... be on time @6 this evening. "

He said and cut the call waiting for the evening

.....

Part 25

Arjun and tanmaya .

Tanmaya was in her office and was very busy as she has to attend a seminars and kept her phn in voice mail mode.

She has to attend 3 seminars in a single day.. soo it was a hectic day for her and she didnt got a single secnd to check her phn.

....

Arjun jst laid down for another 3 hours n checked few fan msgs asking abt his next event.. he rplyd them that his nxt evnt would b vthin a week.

Its 4pm alrdy and arjun took a long relaxed shower as its his big day today..

He thn selected his best outfit in black and made a trendy yet good looking hair style and applied sme hair gel. He wanted everythng to be perfect today. He thn sprayed a gifted deo by his foreigner fan once in an event.

Its "Just different" deo by "hugos" and it is known to be the costliest deo ever.

He took another hlf n hour for grooming himself and he looked dangerously handsome . Any girl would have a crush on him in split second if they see them now.

But for him the only girl that matters is "his tanmaya"...

....

He was about to start to the lake point as it will take at least an hour for him to be there on time.

He was abt to leave and just then his phn rang on the bed. He thought its tanmaya and rushed there to pick it up. Bt seeing the name on the display his smile faded.

.....

Its riya....

He picked up the call.

Riya : hello.. arjun... u der.. pls save me.. amit.. amit.. is... plss.. hellooo..

Arjun was panicked after listening her voice.

Arjun : riya.. u fine.. ?? Heloo.. riya... can u listen to me.. just... just relax and say what has happened..

.... he asked vth a genuine concern.

Riya: arjun pls come to me.. i need you badly.. see me at my home.. pls.. arjun...

Arjun was really concerned now. He wanted to know why riya has become soo terrified.

Arjun : riya.. riya.. u pls calm down.. iam coming.. u just wait.. im coming..

.....

Arjun looked his watch and its 4.45pm. He thought he would call tanmaya if he gets late in riyas place and drove to her place.

.....

When arjun reached riyas aptment, he found that the door is unlocked and arjun called riyas name loudly.. bt there was no responce. He was feared to even enter into the house as his brain alrdy had strted figuring bad guesses abt riya in danger.

He jst composed himself qnd went inside. He was then shocked to see riya siiting down at the corner and crying lyk a kid.

He quickly went to her.

Arjun: riya.. what had happened to you.. y are u crying? Did amit had anything to do vth ur situation now... tell me riya, for god sake.. speak up.

.... he asked shaking her.

Riya : arjun.. iam an idiot to fall for a guy lyk amit. He is a creep in the disguise of a gentle man.

..... she said still crying.

Arjun : whatt....!! What did he do vth you..

.... he askd vth his raging angered tone.

Riya : he is 2 tyming me arjun... he alrdy had a girlfriend and she is pregnant now with his baby...

Arjun: riya.. what the hell are u saying.. r u sure abt it?

Riya : yess arjun.. i had nt believed it before bt then i saw both of them together in his flat.. i still had a feel that this is nt true.. bt then i got the DNA reports and its proved now.. he is a cheater, arjun.

Arjun was now lost and his anger reacjed its peaks.

Arjun : u just dnt worry ria. I will handle that basterd.. he said fuming in anger.

Riya: arjun, i called him few hours before and asked abt all this.. and y he had spoiled my life being alrdy committed vth another girl... bt... bt.. he said....

Arjun : speak up riya.. what did that basterd told you... jst say it.

Riya : he said that i was also the same lyk him.. he said that we both were hooked before and i accepted amit becoz u lost interst in me...

.... she said still crying...

Arjun has now lost his last bits of patience now.. he just cant tolerate it anymore.. he was abt to go frm there to amits place bt riya stopped him.

Riya : arjun.. amit had left to kolkatta...i jst conformed abt it by his assistant.

.... she said crying again.

.....

Arjun just cant see riya soo broken lyk this.. he just made her sit on the couch and got some water frm the kitchen and made her drink it.

Riya had now calmed down..

Riya : arjun.. iam jst soo stupid to ignore a guy lyk you.. u were always available to me whenever i needed you and so i dint cared of your worth in my life. Bt thats it.. i just dnt wanna be stupid anymore..

I know u still love me.. bt this tym i wont be soo dumb to ignore you again..

"I LOVE YOU Arjun... i love you soo much...pls forgive me this tym arjun"

..... she said and hugged arjun without waiting anylonger..

.....

Arjun was shocked to hear all this.. if the same riya had said these lines before 2 months then it would be a lot differnt to arjun and he would be the happiest prson in the world then...

But they say that " time changes everything..." and Arjuns life is the best example for it...

He is alrdy taken by tanmaya long tym back and now he is feeling that he is cheating on tanmaya.. he wanted to say loudly to riya that.....

" iam no the same arjun whom you rejected back then.. and this hug doesnt mean anything to me now.. my heart, my soul, everything is now conected with only one girl and she is "My Tanmaya" "

..... but he didnt said any of these lines.. he just remained quiet without reciprocating the hug and was just looking at the wall clock blankly...

.....

It's alrdy 5.30 pm

Part 26

Arjun and tanmaya .

Tanmayas day was too long today and she took exactly 2 saridon tablets since mrng.. it was peaks today.. the seminars that stock analysing.., etc etc.. she was literally loooking irritating..

Its 5.30 in the eveng ... as she got some tym for her ownself, she jst went to washroom to fresh up and checked her phn on her way back.

....

There were 3 voice mail msgs in it and she listened to all of them one by one.

1st one was frm her father asking her to visit home as soon as possible in the coming 2days as her mom had a nightmare that tanmaya would be in danger in the cmng days..

The next one was frm mona sayng thst she will be late to home as she had to meet shravan.

She then opned the last message and was surprised bcz its frm Arjun.

Her lips curved into a little smile and she opned it..

" hii.. tanmaya.. its me arjun.. i wanna meet you this evening.. venue will be the lake point which u said yesterday..

I wanna confess you something important... be on time... @6 this evening. "

.....

As tanmaya completed listening to it, she lialaly had goosebumps all over her body.. she is blushing and now became lyk a red tomato...

...

She anticipated abt what arjun will be going to confess.. and smiled shyly and looked at her watch.. its alrdy 5.40and shez still in her office.

Though the lake point is a 10 min distance frm her office.. she didnt wanted to be late by any chance..

....

Tanmaya now went to her colleague aparna and said

" appu, pls handle the nxt seminar vthout me.. bcz im having something very important to attend and i jst cant be late.. pls handle yaar..

Aparna was a sweet girl and agreed her and said to rush.

...

Tanmaya went to washroom again and looked herself in the mirror and then left to the lake point by taking a cab...

All the whike she kept listening to arjuns message for abt 50 tymes in the whole journey.. and was smiling everytime, thinking of the next moment.

.....

She reached the lake point exactly at 6 and cursed herself for being on time and said to herself, " whst will arjun think of me.. im being soo desperate ... bt i should nt show it on my face infrrt of arjun"

And said on a bench there waiting and praying for the time to pass soon,as her heart reached its heights and racing fast..

....

Arjun made riya to sleep on her couch as she looked soo weak... he called parvatamma frm his mobile and asked her to come here and take care of riya and said his driver knows the place and he will drop her here....he then went to washroom to wash his face as his head had now started aching and he didnt wanted to show it tanmaya...

Riya opned her eyes and thought to herself

" i will not let arjun to leave me lyk this just becuz of thst soo called middle class girl.

Few days back i asked arjun to meet me at kapoors place.. i would have said to arjun then itself that amit is cheating on me.. bt bcz of that girl tanmaya, he left me there without even listening to me...

Iam glad that i enquired abt arjun and tanmayas growing fondness from my assistant or lse i could nt have stopped him today frm proposing tanmaya... if that happens then i wont have anybody in my life.. amit had alrdy cheated me and i wont let arjun, leave lyk this "

..... she thought and throwed his mobile down n it breaked.

.....

Arjun now came back frm washroom as he wanted to take leave frm riya as its alrdy 6.10 and tanmaya would be waiting for him..

....

When he came out he saw his mobile in broken state and riya sat down and tryng to attach thr parts...

...

Arjun: riya.. y did u got up frm the bed.. u jst lsy back.. n leve it.. i will manage it..

.. and made her sit back on the couch.

Riya : iam soo stupid arjun.. iam good at nothing.. i had alrdy spoiled my life and now i accidentalky spoiled ur phn too.. iam soo stupid arjun..

... she said and startd crying again and strtred coughing.

Arjun ran to kitchen to bring some water to her and wen he returned back
He was shocked to see the view before him...

.....

Riya holdef a knife in her hand and had cut her left hand veins and there is blood all over oozing around her...

Arjun jst stood there as his brain had stopped working....

.....

Part 27

Arjun and tanmaya .

Tanmaya has been waiting there at the lake point for abt an hour hour now.. its alrdy 6.45 but still she cant find any sign of arjun.. infact she tried his mobile several tymes.. bt everytym she gets switchoff message and literally she is tired now..

But then she thought that he may got busy vth smetng n soo he cant reach her and calmed down her anxiety..

She then started remembering every memory she had vth arjun frm the past 2 months..

" if some one would say me before that arjun starts loving me.. then i would have never believed in them...infact i would have laughed harder then...

But vthin a short span.. he had became soo close to me that i jst cant take him off frm my thoughts.. he gave a reason to smile in my teenage by his beautiful songs and now he had became a reason for me to live the next hoping to see him and be vth him...

I feeling soo free now lyk a feather...u have taken my heart and soul vth u n im left vth nothing.. the way u look at me.., make me speak my heart to you.. sometymes i forget to even talk by seeing u smile at me.. if this is what love is.., then yes.. iam in Love vth you... painfully in love vth you Arjun.."

.... she said to herself and strted listening the voice mail message once again...

.....

Arjun had lost it now... he has a hemophobia (extreme fear of blood)...

And soo he cant move an inch evenafter lot of trails.. jst thn parvatamma came there and saw the scene before her and she responded immediately...

She called the driver whose waitng on the ground floor and asked him to drive to the nearest hospital as soon as possible.. riya is now in unconscious satate as so much of blood is lost frm her body..

....

Driver and parvatamma together carried riya to the car and arjun stood all numb as he jst cant focus on anythung now.. he just sat beside the driver and they reachd to the hospital vthin 5 minutes..

.....

Seeing arjun in the hospital people alrdy strted mobbing him bt then the doctrs there made him to sit in vip room.. seeing arjuns condition parvatama just hugged him and consoled him and took him to the vip room.

....

Doctors immediately responded to riyas case and took her to the ward as she needs blood... they then made sure that everything is going fine vth riya and she is now shifted to normal ward..

.....

Arjun looked into his watch.. its 7.30 pm and he just sat there by resting his head on his hands..

" its the wrst day in my life till nw.... how can riya take such a stupid step.. and what would be tanmaya doing now.. she must have thought that iam a loser and i cant even reach her now."

..... he thought.

....

Tanmaya was now feeling restless there.. she has now called arjuns no. Several tymes bt there is no response and so she dialed shravans no. Bt then cut the call as she didnt wanted to disturb mona and shravans date.

She then reached home praying for arjuns safety...

.....

Part 28

Arjun and tanmaya .

Arjun was still sitting in the vip room and was thinking abt how the past hoysr had been so worse to him.. his hands are trembling thinking of the blood oozing frm riyas hands..

He then opened his eyes all of s sudden and started walking towards the ward in which riya is treated.. he is trying all his best to walk as his complete figure is shaking and he has no strength left in his legs anymore.. by taking support of the walls and reached the ward.

....

Arjun saw riya laying on the bed in unconscious state..

Seeing the view infnt of him made him soo weak that he suddenly had a urge to throw up.. he then covered his face and went again to the vip washroom and vomited every last bit he had since that day.

He is feeling all dizzy there.. just then parvatamma entered the room and offered him a glass of milk.
Arjun : amma.. i had lost my appetite.. and tell me what did doctrs said abt riyas condition.. is she ok now.. can we take her home. Bcz i jst cant handle this environment anymore..

... he said vth teared eyes and vth trembling hands.

Parvatamma : she is fine arjun.. doctrs had cnfrmed that there is ntng to worry and i had nt infirmed her parents till nw,

As her parents were in abroad now..
....and finally msde him drink the milk..

Arjun : amma.. i had to leave now.. i need to meet tan..
.... he had nt continued his lines and went to sleep in parvatammas lap.

Parvatamma: u badly need rest arjun.. im sorry that i mixed a sleeping pill in your milk bt u need it..
.forgive me arjuuu..

... she said and kissed his forehead and caressed his hair...

Arjun is now in deep sleep...

.....

Its 9.30 already

Tanmaya is now walking in the balcony hoping that arjun would come there again
And was still feeling restless.. her heart is now beating fast and at present she cant focus on
anythng..

.....

Just then she heard the doorbell and jumped vth happiness thinking that its arjun and opned the
door...

"Hii tannuu.. sorry yaar.. i was soo late today.. bt shravan had nt allowed me to leave till now..

.... said mona and hugged tanmaya..

Tanmayas face became pale and she thought that if she would say abt all this then mona would
definatly get into her issues...

" i cant disturb her this day by saying abt everythng.. lemme wait for tomorrw.. may be arjun got busy
vth smeone.. yess.. thats right.. he had soo much followng these days and he might be stuck on sme
intrview or anythng.. "

.... she thought to herself and comforted herself..

.....

Tanmaya : mona.. u look so tired.. just go, fresh up..., n take n sme rest.. dnt frgt that u r havng a
meet vth kapoors daughter and their family.

.... she said and adjusted the bed..

Mona: haa yaa.. i totally forgot abt it. I had to leave early tomorrw.. thanks tannu..

.... she said and smiled at her and went to fresh up herself..

.....

That nite tanmaya cant sleep for a secnd thinking what must have happnd to arjun bt then she
prayed god for his safety and slept very late that nite.

.....

When she woke up nxt morning, its alrdy 10.30 and as it is an off day for her she relaxed and
thanked god..

She then looked for mona and found a note beside her vch said

" hey tannu got to leave early na.. n i dnt want to wake u up.. anyways gud mrng . "

Tanmaya smiled for this cute note by mona Nd smiled thinking of her relatnshp vth mona as shez lyk
her partner in crime..

.....

She then went to the doorstep to collect that days newspaper and started seeing the msin issues..

.....

When she was abt to put it aside, she then found the last page heading a little familiar and started reading it

...

When she completed reading the article which said

" the youth icon himself, mr.Arjun varma is going to tie a knot vth the famous business woman very soon and our sources said that they are going to get engaged on the cmng week..."

....

For a second tanmaya felt that her world had shattered... she had no clue abt what going on vth her and nerves started to pump blood more bcz of tge sudden stress and she had became very pale now.. she just collapsed there itself and sat there lyk a dead person.... no more tears and nothing.. its jst lyk a shock to her.. she jst sat there for 2 hours doing nothing...

.....

Part 29

Arjun and tanmaya .

"Gud mrng miss. Riya.... u r recoverng very well.. and pls dnt commit these ttm of suicide attempts again..its a crime actually.. "

... said Dr. Prasanth datta, checking riyas reports..

Riya : i know doctr..i will make sure that things will get btr vth me frm now on.

.... said riya thinking of her next step..

The doctor suggested the nurse to give, some injections that are to be given to Riya in the next hours.
.... and he left from there..

....

Riya : umm.. nurse, can u pls call my assistant, who is waiting outside.. i need to talk to him urgently..
... she said adjusting herself in the bed and sat on it.

Nurse : yaaa.. sure.. but pls avoid talking anything that will increase ur stress levels again..
.... she said and went out and her assistant kumar came to the ward now.

Riya : kumar.. jst dial tanmaya's no. From ur mobile and give it to me
...she said in an ordering tone.

Kumar: yes mam.. jst a second

... he said and checked his mobile and dialed tanmaya's no., As he had all the info abt tanmaya whereabouts from past 3 weeks..

.....

Tanmaya is now leaning over the wall and reading the article for the 100th time again as she still can't figure out anything by the news.

Listening to her mobile ring, she wiped her tears and took it in her hands to see who's calling.. for a second she thought it's arjun calling her to clarify abt the article and tell her it's all fake.

.....She picked up the call.

.....

Riya : hii.. tanmaya.. this is Riya..i don't think u know me by person.. but u must have read the news today

.... she said as it's a casual thing to her.

Tanmaya: ri..riyaa mehra..

.... stammered tanmaya as it's an unexpected call by the most unexpected person

Riya : ok.. u know my surname too.. glad that u read the article..

But lemme tell u smthng.. it's not fake or anything.. bcz arjun is mine and u r jst a passing cloud in his life.

I came to know abt you being often seen with him these days.. and i think u misunderstood his friendship as love or smthng.. i mean jst look at u tanmaya.. what are u.. jst a middle class girl who gets paid a lil amount of money for her job.. n u r dreaming abt being with the most desirable icon arjun..... come on tanmaya.. jst get into reality and stop day dreaming... and never come back to arjun's life again

..... she said with an authorized tone, suppressing her anger.

Tanmaya was already in pain seeing the article and by listening to Riya's words is an added pain to her and she said

Tanmaya : you know what Riya.. few days before when arjun told me about you in the lift, i literally thought that he may be judging you bcz he is hurt.... but now I'm thinking that u r even worse than what arjun described me abt you..

And yes i am a middle class girl and that doesn't define my character.. bcz i know what i am.. and arjun liked me for what i am.. do u think i get depressed or lose hope by this stupid news article or what...

!! Jst get this in your mind.. if arjun himself confesses that he loves me, then i am not going to leave him no matter who comes on my way..

Bt till then u jst count ur days...

..... she bursted out..

Riya was now short of words.. she never expected this huge answer frm tanmaya bt then she thought of nt to give up and said...

Riya : ohh.. u r warning me tanmaya.. I'm nt completed till nw.. listen carefully.

Arjun is now in his peak state of popularity nd it will continue in future only if v both get hooked eachother. both our families are business partners since long tym and if there exists any prblm between me and arjun, it will surely affct our business and his career too..

And u better know how people become lyk drug addicts and evn worse wen they lise their stardom all of a sudden..

I dnt think u would want that to happen vth arjun... am i right...!!

..... she said in a wicked tone.

Tanmaya is getting images of once popula singrs who now had became addicts of drugs..

....

She is no trembling in fear..

Tanmaya : how can u even think lyk that riya.... for god sake its arjun ... wbom ur talking abt now... dnt u even have lil feelings abt him..

..... she said vth shivering voice.

Riya : i know darling..... it's in your hands now..... bcz u still dnt knw me enough.. i can do a lot much of what i say... sooo jst stay away frm arjun.. and i know how to handle him.. u jst stop stalking him again and jst bother abt him again.....gud bye

..... she said and cut the call..

.....

Tanmaya is feeling soo weak now.. inside and outside too.. she then closed her eyes and thought of how her lyf would be vth out arjun...

She felt lyk falling into a deep sea where she cant able to see any hope for life again..

" No.. i cant let that true.. what riya is said is even worse to think... i cant let arjuns life spoil by being in his life.. ri.. riyaa can do anythng.. i cant let him suffer because of me.."

.... she thought.

.....

Once again her mobile vibrated and she saw that it's her father calling now.

Tanmaya was in noo mood to answer any call bt that will make her parents worry abt her. Soo she cleared her throat and picked the call..

" hlo tanmaya.. u r having 3off days na.. soo y dnt u come home once.. ur mother is worring abt u as she is having bad dreams abt u since 2 days.."

....her dad said in a caring tone.

Tanmaya then thought how her mother is soo good at knowing her current situatn bt then vthout giving her any doubted sign she said

" everything is fine here, dad.. and u r right.. i need to soend some tym vth mom... will be coming to vizag this eveng.. "

... she said and cut the call.

She then booked the next flight tickets for vizag as she badly needs to get out of this environment.

"i need to keep distance frm you arjun..... i dnt want to spoil your career.. and may be iam overthinking on this.. may be u r jst being friendly vth me and i thought its love... what ever it maybe, it would be better, only if i remain as ur crazy fan.."

Part 30

Arjun and tanmaya .

Its 1pm that afternoon...and tanmaya is busy in packing her belongings as her flight is in the nxt 2 hrs..

She msgd mona that smethng urgent had came up to her and she has to leave her home town, vizag urgently..

....

She packed her bags vthin hlf n hr reached the airport in a cab.. thrugh out the journey she tried to fade the memories which she thought she would remember as her best memories.

But she failed.. the more she tried, the strong became the memories and Arjun in them.

...

Its 4.30 pm now and she is in her home as her dad picked her frm the airport...

....

Tanmayas mom sushila is very excited for her visit as shez having bad dreams of her daughter frm couple of days.

Sushila : tannuu.. iam soo happy to see you and look at you dear, u have lost weight vn compared to ur last visit.. r u skipping your meals or what..

.... she asked vth genuine concern towards her daughter..

Tanmaya was now trying her level best to nt to show her sadness in her eyes and she thought " not only weight i had lost the best part of my life and i have ntng to cherish now other than mom and dad"

.... but smiled and said

" i have lot of work pressure these days.. soo it's obvious that i may lose some weight and amma, im here infnt of you now.. soo feed me as much as u want and i vill never stop you"

.... she said and hugged his mother

Her dad : if u r done vth ur mom and daughter part, thn lemme talk to my daughter too.. she is my daughter too..

.... he said and made a face.

" aww.. daddy.. I'm sure that u look too handsome when u were young that mom immediately agreed you during the first meet itself"

... she teased her mom and hugged her dad too..

Tanmaya : ok fine.. for the next 3 days treat me lyk a princess....

... she said and ordered her mom dad actng lyk a queen of sme land.

" ok.. ur highness.. anything u want will reach you and you jst stay happy"

...said both her mom and dad and laughed.

.....

That day had passed vth cute talkings, and her parents startd remembering tanmayas childhood memories, her naughty pranks and tanmaya is slwly tried to get off her void ness in her lyf...

.....

That night when she was abt to sleep, she checkd her phn as she thought mona would contact her and somewhere in her heart she felt that arjun too would have called her..

...

She was right.. bt only vth monas call.. there is no call or msg frm arjun..

" what am i thinking.. i need to distance myself frm his thoughts too"

...she said to herself and jst then she got a call frm mona..

.....

Tanmaya : heyy monaa.. sry yaar.. i have nt checkd my ph...

Mona : tannuu... jst listen.. have u reached home? And when r u coming here

... she asked as if she is desperately wanting to knw abt tanmaya

Tanmaya was lil surprised by her desperateness and said

" haa will be back in 2 days.. n r u ok mona..?"

Mona : haa yaar.. I'm ok.. ok thn bye.

... she said and cut the call leaving tanmsya confused..

" what happened vth this girl today.. uff.. lyf is soo unpredictable these days"

....she thought and went to sleep..

.....

The next mornng when she got up, she smelled smetng delicious and mouth watering smell of halwa frm kitchen..

" my mom is the best cook.. i really am missing this kind of food these days"

She said to herself and clapped her hands as shez gng to taste it soon..

...

Tanmaya quickly got and fresh up herself and greeted her parents..

Sushila : tannu.. frm now inwards u r nt saying no to snythng.. jst eat watever i give u and put on sme weight or else no one will marr you..

Listening to that "marriage" word tanmaya remembered abt the news article and was again lost in her thoughts..

.....

Her mom and dad strtd serving her all her fav items as shez their princess for the lifetime...

Everything seemed prfct for tanmaya..

" people really need a caring family so thst everything becomes less affected by their love"

.....she felt..

.....

3 days had passed in the same way and this aftrnun she had to catch mumbai flight again and this tym she is feeling all diffrent...

Everytime she felt happy thinking abt going to mumbai again and this tym she felt emptiness filling in her again...

.....

Both her parents send offed her to the airport and then she hugged her parents this tym even more tight...

And started heading towards her routine lyf again.. bt vthout one person in her life who once means a lot to her...

Part 31

Arjun and tanmaya .

"Mam.. please put on ur seat belt.. "

...said the air hostess.,

Which made tanmaya to cme to the existing world around her as shez till lost now abt how to handle things over there in mumbai...

" iam always a brave girl since childhood but y am i being soo being soo coward abt my future.. tanmayaa.. jst pick up again.. you need to make ur parents happy and there is lot on lyf.. i knw its difficult to move on, when u planned your perfect future with that special person.. but in reality.. nothing lyk perfect exists.. n yes.. riya is right at some level.. bcz i cant help arjun in his career in anylevel bt i can jst encourage him.. and riya being the same level vth him can understand lot of things about his career and in fact Arjun can have lot of growth in future if he is vth riya... soo for your sake and mostly for Arjuns sake u have to be strong and concentrate on your lyf again..."

..... tanmaya calmed her her inner turmoil

And then she smiled at the air hostness...

She is jst staring at the view outside the window and for every passing.g second, she is getting closer to the reality which she has to accept and live again...

.....

It was a 2 hrs journey to mumbai and she felt lyk ot had passed in jst 2 minutes ..may be bcz of her unwillingness to accept the reality there..

.....

Tanmaya quickly changed her mobile frm flight mode to norml and dialed monas no. To ensure that shez present at the new flat or not..

For tanmaya this whole thing seemed lil awkward... changing to the new flat and all..

Bt then she thought " may be god is giving me an another fair chance to start all over again and the first step is this new flat thing"

....she smiled.

.....

Mona on call

"*heyy tannu, you reached... im glad yaar.. and i jst msgd u the adress and also sndng u the pictures of the street and the apartment to ur whatsapp.. jst have a look and go there..

.....she said in an exciting tone..

Tamaya : wat do u mean by 'go there..' mona..? R u nt there in that flat at present?? I mean where are u now..

Mona : sorry yaar.. shravan wanted to finalise some outfits for arjun for his next event.. soo i have to leave... and u dnt worry.. ir new rom mate is waiting for you.. jst go there n have fun in meeting ur new room mate..

..... said mona in a teasing tone.

Tanmaya was now totally confused abt thus 'new room mate thing'

....and she cut the call and picked a cab to reach the adress..

.....

" what is vth this mona.., today.. she is getting busy day by day.. bt how will i accept this new room mate ... may be god has planned something new for me to start all over again... fine.. tanmaya.. jst be patient and accept everythng that is cmng in ur way frm now on.."

..... she said to herself for one last tym

.....

her thoughts got a break wen the cab halted at the adress vch he said to the driver before and she breathed heavy for one more tym and headed towards the new flat no. 24

....

She placed her luggage down and rang the calling bell and thinking what to speak wen her new room mate opened the door..

.....

After 3 long rings the door finally opned..

" seeing the new room mate infrnt of her her smile faded and she stood there vth no expressions in her face..."

.....

After two minutes of her expression less face she finally uttered..

" What the hell....!!! WHat are YOU doing here...?"

.....

Part 32

Arjun and tanmaya .

Tanmaya was standing in front of the closed door now and getting ready to meet the new room mate and rang the calling bell...

She was abt to knock the door , but listening to the footsteps frm inside.. , she just stood there vth a smile...

....

The door is opened now and seeing the person infront of her, tanmaya smile faded..

...

After few silent minutes of staring vth expressionless eyes, she finally said,

" what the hell..What are YOU doing here..?"

.....

There was no response frm the other side..

The person is jst smiling, revealing his most sexy lip curve and looking deep into tanmaya eyes..

"Welcome back my new room mate..."

....said ARJUN vth sparling eyes..

Tanmaya being shocked by this sudden jolted surprise...,but still managed to check out this person infront of her...

.....

"His casual t-shirt n lazy looking hair, fresh masculine scent of him, mostly his eyes and his lip curve when he smiled... He is looking lyk complete package of awesomeness in person... Just lyk a Greek god..."

..... Thought tanmaya n imprinting his every detail..

.....

Seeing tanmaya all lost in him, Arjun jst smiled effortlessly and waved his hands to distract tanmaya..

.....

Tanmaya ,now came to her sense that brokeed her thoughts...

Tanmaya: what are you doing here Arjun..?

....she asked in a confusing tone..

Arjun jst ignored her and picked her luggage and took them inside..

Tanmaya jst stood there vthout coming inside.

Arjun : if u want me to pick up and take you inside, U can stand there or else jst come in..

...he shouted frm inside while placing her luggage in the living room..

Tanmaya quickly came inside as she is well aware of arjuns capability by now,that he keeps his word.

Tanmaya : iam asking you something Arjun.. Y R U here...??

Arjun : that's becz iam your new room mate..

Tanmaya : What.. How can u be my room mate.. Answer me Arjun.. What is happening here.. I was jst out for 3 days and what is all happening here.. ???!!

....she asked blankly as nothing is making sense to her now.

Arjun again ignored her and started whistling some song and combing his hair.

.....

" OK.. I get it now.. Even if I break my head , U will not say anything right... Fine then.. I will ask the main person who got me into all this.."

....she said angrily and dialed Monas number..

....

Tanmaya : hello.. Mona.. What the hell is happening here... What this Arjun is doing here... ??

....she asked vthout giving any pause.

Mona: ohh dear.. How was your journey.. I totally forgot to ask U before..

....she said in a cool tone..

Tanmaya is now getting mad and she said,

" Monaaa.. Jst tell me what U guys are up to..?? I know U people are doing some stupid prank and trust me I'm not in a mood to take all this.. Jst tell me y Arjun is here..!!!"

Mona: the person you are trying to get answers frm is currently unavailable for 2days.. Please try after 2 days...

....said mona in computerised voice and cut the call before tanmaya would shout on her..

.....

Arjun : if u R done vth ur phn, jst come over the kitchen and taste this upma.. I jst now tried for the first time...

....said arjun and smiled at her as if nothing had happened.

....

" no one is going to tell me anything.. I need to find it out by Arjun slowly.. Just be patient tanmaya..

Arjun is the tough part to deal vth.. Jst be patient"

....she calmed herself and went to kitchen..

.....

Tanmaya tasted the thing vch Arjun made and named it upma.., BuT that thing is running lyk a liquid in plate..

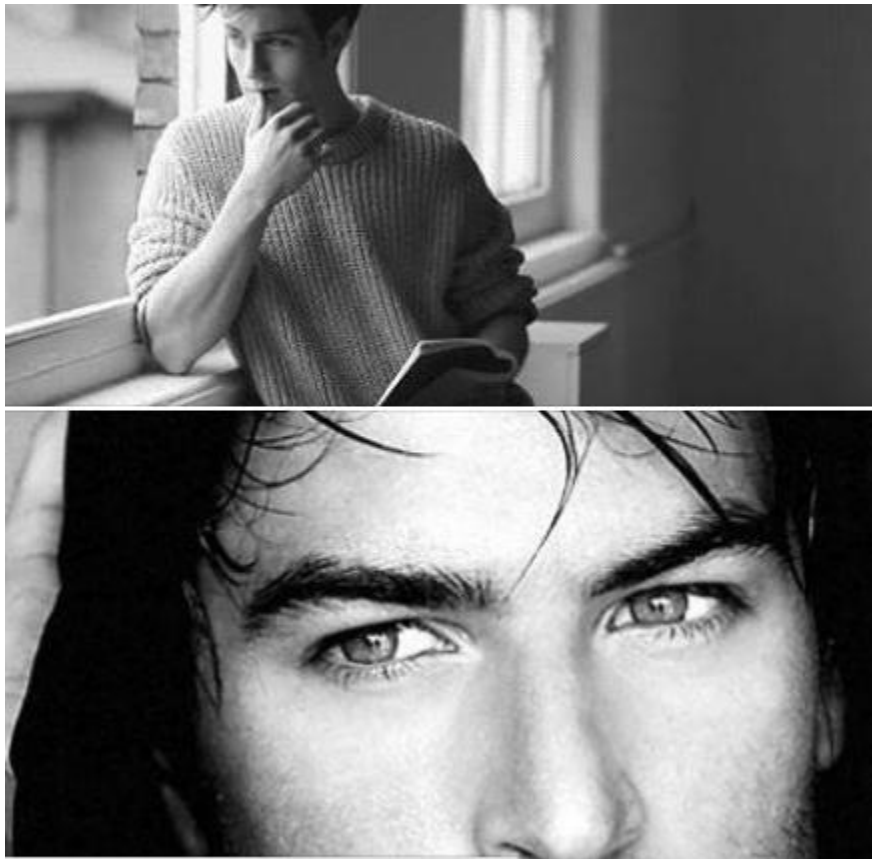

" it's good Arjun.. But I wonder y U named it upma... It should be named some "upma shake" lyk we say milk shake..."

...she said and laughed hard.., forgetting abt every issue that bothered her before..

.

Arjun too was laughing and admiring the girl infnt of her who always looks beautiful no matter what comes in her way..

.....

Part 33

Arjun and tanmaya .

" Tanmaya, can u pls get me the salt sprinkler frm the kitchen.. the 'upma shake' is soo awful vthout salt i feel"

....shouted arjun frm the living room, sitting on a couch watching some music channel.

Tanmaya is still in kitchen thinking of her next plan to make arjun say everything that happnd in her absence.

She heard arjuns voice and straightened herself and managed to smile so that arjun cant find whats running in her mind..

She then came vth the salt sprinkler and gave it to arjun and was abt to leave, but then she felt a sudden pull which made her fall on the coych beside arjun..

Tanmaya : what arjun.. y did u pull me..

.... she askd irritatingly.

Arjun has no effect of her tone.. he jst made her sit closer to him and said

" sit with me, for a while.. I'm getting bored.. "

He said and placed his plate on the other side and now looking straight into her eyes..

Tanmaya, seriously is effected by arjuns proximity by now and she is getting weaker by his soft gestures..

"How can a guy look soo appealing by jst in his casuals.. the 'just woke up' face, the messy hair and his drooling appearance.. what sought of a guy is he..?? I wonder, how can i forget this charming person ever in my life "

....she thought ..

But then she remembered abt riyas words again and distanced herself frm arjun and said,

Tanmaya : Arjun, this is nt fun anymore.. u cant be vth me here and jst tell me y are you here..?

Arjun vthout breaking his eyelock managed to smile again and said,

Arjun : becoz, this is my flat.

....said in one go.

Tanmaya was now shocked..

"Whatt...??!! Then y am i here...?

Arjun : becoz i want you to be here..,

.....he said and came close to her

And whispered

"With me..."

.....and moved back..

Tanmaya : but why..?

....she asked confusingly...

Arjun : u will know in 2 days...

...he said and got up frm the couch and went to the fridge to get sme water..

.....

Tanmaya is now totally impatient... she is nt getting anything.. what is it vth 2 days..

.....

She followed arjun and is now standing behind him..

Tanmaya : arjun.... i am nt waiting for 2 days.. jst tell me everything..

....she asked angrily..

Arjun is still in teasing mood... he is nt even effected by her angry tone..

" i have answerd your 3 questions.. and that's it.. u will know everything after 2 days.. jst be patient tanmaya... u r soo good in that, i guess.."

..... said arjun and folded his hands and smiling.

.....

" you are wrong arjun..... u can't ignore my questions.. lyk this.. and if u wanna play vth me..., then lemme tell you, iam.nt in a mood for all this.. go for some one else.. iam leaving your place now....
..... she said and strted heading towards the room where arjun placed her luggage..

.....

But Arjun being 'Arjun', can't let her leave lyk this..
He jst stopped her in the midway by grabbing her hand tightly and pulled her towards himself swiftly..
This was an unexpected move for tanmaya and she jst landed on his strong hefty arms..., which held her Supportingly..

.....

Arjuns serious look is back now..

Arjun : tanmayaaa... just...listen...to.. Me...

.....he said pausing at every word..

"If i can make u stay vth me lyk this then i can do a lot of things too... "

..... he said and made her face closer to him and said again...,

" you know what i mean.. jst calm down for 2 days.. or else i have to use my other techniques to make you stay vth me..."

..... he said and tightend his grip around her which made her come even closer to him...

.....

He is now staring at her lovingly and his breath strted tickling her face vch made her heart beat uneven...

Tanmaya cant take this closeness anymore.. she gripped arjuns shirt tightly vth both her hands so as to balance herself frm falling.. she lost her strength to stand straight..

Literally, she gave in her full 49 kgs of weight to arjun and now he is balancing her frm falling..
Both were now looking into each others eyes...

.....

Tanmaya strated shivering a lil feeling this new sensations in her and her lips too started trembling...

.....

Arjun, now placed his one hand on her face and started touching her innocent face..

Tanmaya just closed her eyes feeling arjuns touch on her... she has now forgot abt every issue thats been bothering her and started giving into her inner soul....

Arjun stopped at her trembling lips and touched them soo lightly as if hez touching a lil flower bud...

.....

With the sudden ring of arjuns mobile..., the eternal moment between them got a break and tanmaya is the first one to come to her senses...

She jst pushed arjun a little and ran to her room as fast as she can and locked the door, leaving arjun all lost in her and making him want her even more frm that moment....

.....

Part 34

Arjun and tanmaya .

Its been 2 hours since tanmaya locked herself in the room.. and she dnt have enough courage to face arjun after that 'just missed intimate moment.' She kept on walking inside the room which is as big as Arjuns room which she saw during her 'night visit' few days ago..

All this while her thoughts stopped at only one point..

..." this has to end here itself.. i can't be agsin all weak before him.. but i jst can't understand what happens to me when arjun comes closer to me... literally, i frget abt everything....

His Eyes.....!! My God.... his eyes takes me to such deeper, that makes me give into him Alwaysss.... and His Lips.... and that curve, which appears when he smile.....uffff.... "

.....she thought of him again and again and this is nt going to help her anymore....

His thoughts itself made her sweat and she can feel hot vapours frm her body ..., even though the AC temperature is at 16 degrees...

.....

She then thought to ask mona itself as she felt she cant get a single word frm arjun again after the incident before...

She then started searching for her mobile..

But she couldn't find it anymore..

Tanmaya, then remembered that she left her phn in the kitchen itself and now she has to go out at any cost to get her mobile..

....

She breathed for a while until she reached to her normal level and prayed God to nt let her bump into arjun, again... and finally opned the door...

.....

Tanmaya, stepped out of the room and was glad that arjun is nt present on the couch and is walking now in slow steps to the kitchen..

She then heard shower sound frm another room on her way to kitchen..

" thankgod.. he is on shower... i can breathe now "

...she said to herself and took her mobile and checked it for any call logs..

.....

Her mobile started ringing and its her father calling her, to conform she has reached safe and all..

She quickly picked up the call and sat on the kitchen slab.

" daddy, iam fine and i reached around 2 hours back and tell mom that iam nt skipping any meal frm now on..."

..... she said and smiled thinking about her mom...

" i will tell her tannu.. bt u jst take care and dnt stress much.. u look soo weak.. and dnt frget to call me if u feel any need.. "

.....her dad said as if shez a kid gng to her school for the first tym..

" ok.. daddy.. u r the best dad.. ever.. love you a lot.. i wish i get a hubby who pampers me lyk u do.... "

..... she said vth a broad smile on her face and cut the call...

.....

She totally forgot abt where she is and jst thanked god for giving her such a cute family In her heart...

.....

But she is totally unaware of the person whoz watching her intensely....

.....

Tanmaya started to leave frm the kitchen, but jst stood there seeing the person in frnt of her....

.....

The " just bathed" wet hair... his totally framed body opaquely visible frm his t-shirt and the fresh smell of his shower gel is now filled throughout the kitchen...

.....

Tanmaya, though tried hard nt to stare him.. but failed miserably... she is jst checking him out again...

Arjun vthout any delay came to her and stood before her folding his hands...

Arjun : what are saying in phn.. i just heard something... 'wish u can get a hubby' lyk whom...???

.....he asked looking straight into her vth questioning eyes..

Tanmaya felt his tone a lil possessive now...

" y do u care.... !!! Pls move aside .. i need to go to my room..."

.....she said in a demanding tone..

But seeing arjun not at all moving aside... she just gave a look to him and started going on the other side..

.....

Arjun blocked her way again

" who is the one.. you are talking to till now...

.....asked arjun and he looked a little angered now and held her hand tightly....

Tanmaya can't ignore him.. bcz she very well knows arjun's anger...

Tanmaya : its...it's... my Dad...

.....she stammered in a very low voice....

.....

Arjun was now taken aback by the answer...

" oh my god.. what am I thinking... I should have been a little soft with her..."

.... he said and looked at her with guilt-filled eyes..

....

His grip is now soft on her hand again and all this while tanmaya is staring at arjun in surprise..

Arjun took her hand and placed it on his heart and said

" I am really sorry.. tanmayaa.... but I can't help it.... I don't want you to look for any guy other than me.. but I am sorry for being rude with you..."

.....he said and looked at tanmaya with affection-filled eyes....

.....

Arjun then tilted his head a little and smiled showing his "signature curved lips" again and said....

" is your dad, that much caring...?? I mean I wonder how he handled a girl like you for 22 long years..."

..... he said to distract the mood and make it normal again....

.....

Tanmaya was shocked by this sudden statement and she can't help but smiled in answer...

.....

" you can't say that Arjun.... you're so mean..."

....she said in her faking angered tone and raised her hand to pinch arjun...

Arjun quickly grabbed her hand in rescue and hugged her tightly....

.... and thought...

" I would love to be with you for the next 60 years... dear...."

..... and smiled pulling tanmaya even more close to him....

.....

Part 35

Arjun and tanmaya .

Arjun and tanmaya are now sharing their cute moment by hugging each other...

.... If the passion is to be considered, then its Arjun who is being soo passionate in hugging and he had no plans to break the hug that early..

...

He is just enjoying the moment by resting his head deep on her shoulder and closed his eyes..

....

Someone really said the truth...

That the most beautiful and blissful moments in lyf are felt bt nt seen..

..... Arjun is just proving it right...

.....

After being so close to each other for a gud 5 minutes, tanmaya broke the hug as she felt she is falling for him again and if she didnt controlled her this tym, then they would end up being in same bed the next morning...

.....that was all going on in her mind...

.....

Tanmaya quickly distanced herself from arjun and started touching her hair locks without looking into Arjuns eyes bcz his eyes has that charm and has the same effect of black magic, which people say...

.....

Arjun was now looking at her condition and thought to lighten up the moment...and said
Arjun : tanmaya, iam really hungry.. pls do smethng.. that upma shake is soo awful and i think i need to stay out of this cooking thing.... it's such a disaster...

.....he said and made a sad face.

Tanmaya laughed hard thinking abt the upma shake and said,

Tanmaya : its ok arjun.. atleast u tried and discovered that we can make upma shake too..

And jst wait.. i will make some poha for you... you will love it..

....she said and smiled as if nothing had happend before couple of minutes..

Arjun : ohh.. woww.. i jst love it... iam soo hungry...and please do fast or else i may end up eating these curry leaves...

.....he said pointing out the curry leaves...

.....

During the entire cooking session, arjun jst sat on the kitchen slab and admiring tanmaya, whoz now busy in making poha for him...

.....

It took her jst 10 minutes for cooking and the smell is making arjun restless....

Arjun : tanmayaaa.. how long i have to wait...??! And wait i dnt need any plate.. jst give that utensil which u cooked.. i will eat from it...

...he said and stretched his hand to get the utensil...

Tanmaya stopped him and said

Tanmaya : arjun, it's for both of us.. and what would i do if i give this whole thing... should i watch you and fill my stomach or wat...?

....she said and looked into his eyes questioningly...

Arjun jst smiled for her answer and said,

Arjun : oh.. i won't bother if u watch me eatng... infact i would love it...

.....he said and winked at her..

.....

Tanmaya made a face and went to the dining table and served the poha in two plates and turned towards kitchen to call arjun bt then she saw arjun had alrdy sat in a chair beside her and is now looking at her...

....

Tanmaya : arjun.. you are just unpredictable..

....she said and sat beside him and thought,

"How can a person act all childish at one second and manage to look lyk greek god, the other second itself.."

....and smiled..

.....

Arjun : tanmayaa... jst cme back to reality... i know u were fantasizing abt me... bt look at me in real.. i will be vth u always... soo stop dreaming...

.....he said while eating and placed his fork on his mouth..looking at her teasingly... though he is

busy vth eating ..., his eyes showed that smile again.. He jst smirked again...

.....

Tanmaya is now watching him lovingly... she has now freed herself frm all the thoughts that chained her till now and is now smiling at arjun reciprocating the love which he is showering towards her...

.....

Its 9 'o clock that night

Arjun was asleep till now after the lunch as he felt lil tired and tanmaya was busy in watching some tv show vch she strted following when she went to home before....

.....

Tanmaya wanted to make some coffee for her and thought of making for arjun too as she thought he would feel good after the tiring sleep..

.....

As she is damn good in making the best coffee vch once mona said her that she can even opn a coffee cafe as shez that best in it..., it took her jst 5 minutes to make the best smelling hot coffee...

.....

" should i jst go to his room.... what if he didnt wake up till now.. its alrdy 9.15.., i dnt think he would be still asleep"

.....thought tanmaya and went to arjuns room carrying steaming coffee mug in her hands...

.....

Arjuns room was as big as tanmayas room and the interior is soo appealing that it is nt less an five star hotel suit room....

.....

Tanmaya was just watching the wall decor and finally she saw arjun still lying on the bed and sleeping vth his shirt off...

Tanmaya jst felt a prick on her her and her heart skipped a beat... her cheecks became red unknowingly...

....

She just closed her eyes and was about to leave frm there bt heard arjun saying in his sleepy voice.....

" ummm.... tanmayaa.....is that coffee for me...??.... hmmm.. just bring it to me... i would love to have coffee after my sleep...."

.....he said in sleepy yet husky tone vth his eyes half opned and still lying on bed...

.....

Tanmaya now turned towards him bt she cant move an inch frm there... she felt its too much for her to near him at this moment..., as he is looking dangerously sexy and she has no words to describe him at that moment....

.....

Seeing Tanmaya nt moving, arjun jst got up frm his bed and started walking towards her vtout caring to put his shirt on...

.....

Arjun took the coffee mug frm her hands and started having it there itself...

He is now standing infrnt of her showing his bare muscles and looking straight into her eyes and

having the coffee..

.....

" umm... wowww..... its sooo good... i really love it..."

.....said arjun and smiled at tanmaya..

Tanmayas brain stopped working long ago seeing shirtless arjun soo close to her...

But she still composed herself and said...,

" umm... yeaa.. its...just...came...(&#@&#) thankyou..."

.....said tanmaya pausing at every word..

Arjun now was staring at her total figure and smiled thinking of his effect on her...

" tanmayaa... you are blushing..."

.....he said teasingly and placed the mug on the table beside him..

Tanmaya : what... No.. arjun.. (&#%@) why.. would.... i..... blush...??!!(%@#&)

.....she said and touched her cheeks and felt lil awkward for being caught by arjun..

.....

Tanmaya cant able to hide her blush any longer and she quicked picked the mug frm the table and started to leave arjuns room...,

But arjun grabbed her hand and made her turn towards him..., and folded his hands...

" tanmayaa.... jst tell me one thing... i mean ...,

How many kids you want....??!!"

.....asked arjun, as if he is being casual and raised his eyebrows..

Tanmaya was totally shocked listening to this question... sge widened her eyes and said...,

" Whatt...??!! (%##@%&)... kids.....??!! (%@\$)"

..... and was now looking into his eyes vth her mouth opn...

.....

Part 36

Arjun and tanmaya .

Seeing arjun shirtless in front of her, tanmaya has started to build some strange weird thoughts in her.., and she felt all butterflies in her belly...

.....

Arjun is still staring at her tomato red cheeks and smiling, thinking of what she must be dreaming of him, being bare in front of her..

.....

Tanmaya just then came back to her senses again and took the coffee mug on the table and was about to leave..

Arjun held tanmaya's hand from behind to stop her from leaving and turned her towards himself..

.....

Arjun : ummm.. tanmaya.... i was just thinking... i mean.... how many kids you want...??
....he asked with his general casual tone raising his eyebrows...

Tanmaya was shocked yet widened her eyes for such an unexpected question...

Tanmaya : whaatt...!!?? (#&#@%&) Kids....???!!! (%#%#)

.....said tanmaya and her jaws dropped...

Arjun : yaaa.. i mean.... 1 or 2 or even more...??!

..... he asked her and folded his hands again..

Tanmaya : yess.. i mean.. i never thought abt this thing..... bt then iam a single child for my parents.. and i always wished for a sibling..i mean.. it would be soo cute if i had an elder brother who will fight vth me n pamper me jst lyk my parents did... i always thought of that... soo 2 kids are good and enough too..

.....she said thinking abt her childhood and totally forgot abt whom shez sharing all this with..

Arjun, all this while was listening to her vth much attention and was thinking something...

Arjun : ohh.. that's soo cool.... bt i always wished for 3 baby girls.... i mean i dnt knw how it feels to grw up vth a girl (sister). Having Girl child is a bless, i feel... bt then thinking of ur point.., it seems ryt.... bro and sis relatnshp is such a cute one... well, i missed it too as iam also the only child for my parents..... ok then.... good night... I'm getting sleep again...

.....he said wearing his shirt and all smiling at tanmaya for her genuine answer.

.....

Tanmaya can't figure out what was his motive to put her such a personal question.

Arjun : Arjun.. bt.. how does my answer relate ur thoughts... i mean.....its both our personal choices., right...??!!

.....she asked looking at him confusingly...

Arjun, now kept all his shirt buttons and is now folding his sleeves...

Arjun : Good night tanmaya.... and thanks for the coffee

.....he said folding his sleeves and vthout looking at her...

.....

Tanmaya : oky.. fine.. good night....

.....she said in an irritating tone as arjun is nt even bothered to listen to her.., and left frm there..

.....

Arjun is now sitting on his bed and rplying his fans mails and answering their questions in twitter....

He felt something and tweeted..,

" There is an unknown pleasure in teasing that special person in your life... "

..... and then closed the tab vthout waiting to rply the commnts for his tweet..,and slept peacefully...

.....

It was 9.30, the next mrng and the inclined hot sun rays are making their way into Arjuns bed room, disturbing his sleep..

Arjun looked at his watch and then remembered tht he is living there vth tanmaya and he has to check on her...

....

He washed his face to get off his sleepy look and wnt out of his room to see tanmaya..

Arjun checked her room first and then kitchen, living room and even at the swim pool side too... but he cant find her anywhere..

....

His heart is racing now vth bad images of her leaving him forever.. bt then he quickly went to her room to find her luggage and felt a relief seeing her luggage untouched...

.....

" what the hell is wrong with this girl...!!? Don't she have any common sense to inform me before disappearing lyk this... ??! This girl is unpredictable..."

....he said to himself and took his phn and dialed her no., just to listen the 'nt reachable' tone... he kept on trying for a while bt it was no help..

.....

Arjun then dialed monas no. And asked her abt tanmaya..

Mona : hey...arjun... is everythng ok.. i mean .. tanmaya has nt called me again after yesterday....

arjun.. u jst relax.... tanmaya is nt that sought of careless girl... u jst wait for a while.. she will return soon..

.....said mona to calm arjun.., as sbe felt his breathe uneven..

.....

Arjun just cut the call and rested his head on the couch 'head rest', and closed his eyes to fade away his bad thoughts and tried to be calm...

.....

But he can't do it for more than 2 minutes... he jst tried her no. Again and by gods grace, it's connected now and tanmaya lifted on the other side....

.....

Tanmaya : hii.. Arjun.. u got up...!!

....she said in a casual tone.

Arjun : helloo.. Tanmayaa.... for god sake... where the hell have u been??

.....he literally shouted being restless..

Tanmaya was nt xpectng such answer and was panicked now..

Tanmaya : arjun.... what happened.. i jst went to the nearby grocery mall to buy sme stuff... Arjun... is everything ok there..??

....she asked sensing smetng..

Arjun : just tell me the mall name.. iam coming to pick u there.. n next tym don't u dare, step outside vthout infrming me....

.....he said showing all his possessiveness in his tone itself..

Tanmaya : Arjun.. iam on the way and its a 3 minutes walk to the apartment... soo pls dnt shout on me lyk this.. and my phn battery is also running down.. soo jst calm down please..

.....she said smiling, so as to cool him down

.....

But before arjun was about to say smethng.., the call has now cut itself and arjun wen dailed again, it said 'switch off' tone now....

.....

Arjun has become all restless again and thought abt the ' threat call', he got 3days back.....

Arjun just closed him eyes and started to remember it again

.....

3 days before...mrng @10.30

Arjun was on his way to shift his things frm his villa to the flat, and was all thinking abt to get tanmaya back into his lyf again...

Arjun just halted his SUV in the apartment lobby and was abt to get down of the car....,bt thn he stopped as he got a call frm an unknwn number...., and picked it up vthout thinking...

Arjun : hello..!!

Unkwn male voice : well done Mr. Arjun varma.. u r gaining immense popularity day by day... to be honest, i envy u the most..

....the voice was dark and bulk

Arjuns smile faded now and his aggressive look is back again in him

Arjun : who the hell are you...??

Unkwn male voice : ohh.... u guessed right.. if u dnt listen to me i can make ur lyf as bad as hell..

well iam that popular ever desired knwn voice 'Sameer Dhiwan ', whose place u took frm the past 3 years...

And day by day u are getting high vth ur fans and u have evn reachd the foreign base too... u took my place Arjun... u have left me no where now... i envy you the most...

..... he said adding a wicked smile at the end.

.....

Arjun was jst listening to him and he is short of words now..

Arjun : look sameer.., i really respect u... bt its just our time zone, that everythng depends on... i literally dont have any hard feelings for you.. n u urself spoiled ur career by taking drugs and caught in the public shows using abusive words...

n in future sme one else may take my place again.. soo it just goes on.. u should nt have to be jealous on me...

.....he said in an honest tone as he feels sad for sameer.

Sameer : jst stop gvng lectures, arjun... i dnt knw how u recoverd frm that injuries last tym, ... yes arjun.. it was me, who had send those goons to break ur bones bt then u brokek their bones... n this tym... i wont leave any chance.....!

..... he said evilly....

Arjuns face became red vth anger and he said..,

Arjun : ohh.. soo u r that creep whoz behind all that..... sameer, i really pity you now.. and dnt evn think to mess vth me again... nxt tym i dnt jst stp vth breaking the bones.....!!!

.....he said vth raging anger...

Sameer : cool arjun.. i came to knw that u were seeing a girl these days...ohh.... i forgot her name.... its sometng lyk.. tan...maya... oh.. i forgot... her name...

Arjun has lost it now... he jst shouted on phn..

Arjun : Stay away frm tanmaya..... did u get that... dnt be such a creep coward... u have a prblm vth me.. thn jst deal vth me..... dont u dare, even think of her.....!!!!

.....he said vth his utmost aggression...

Sameer : ohhh... i think u r damn serious abt her.... 'Tanmaya..' - that's a nyc name... see u soon

Arjun... try to protect her frm now on....

.....said sameer and cut the call...

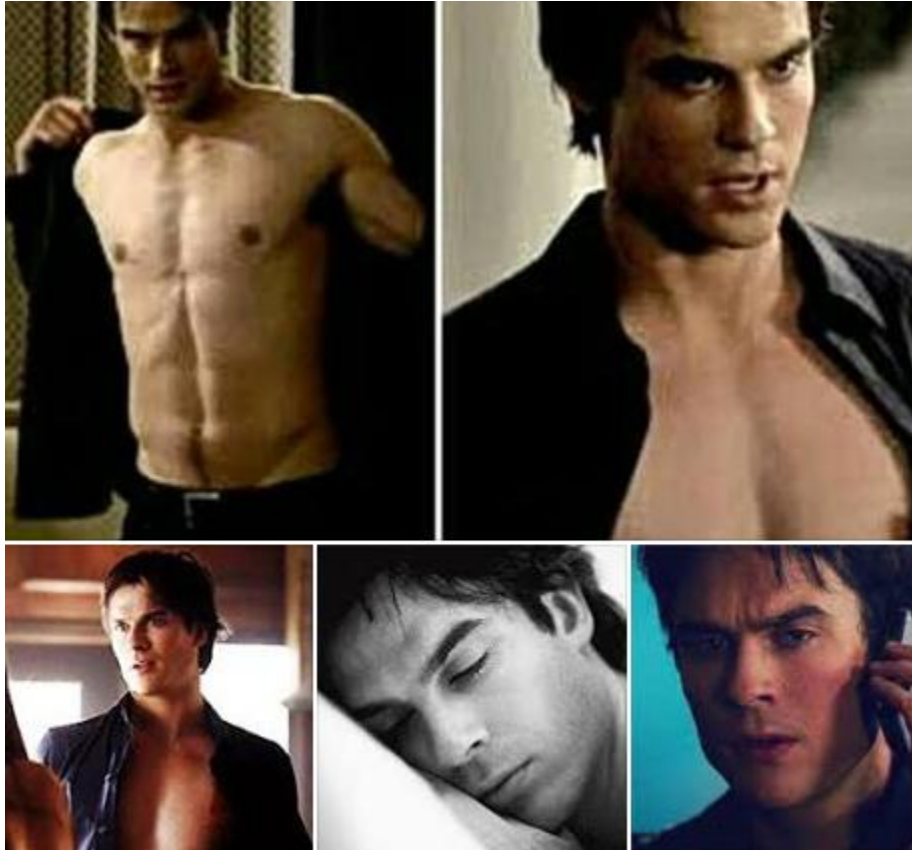

.....

Arjun just opned his eyes all of a sudden,

Shouting 'Tanmayaaa..' and started to breathe heavily...

remembering that threat call again....

"No... i just cant let him succeed in his wicked plans..... i need to protect tanmaya... at any cost.."
....he said to himself and took took his coat and covered his face vth it to avoid people frm
recognising him and left in his SUV..

Part 37

Arjun and tanmaya .

Arjun quickly started to head towards the nearest grocery store by the help of the nearest GPS map shown in his SUV..

He was just staring at every familiar face on his way to the mall, thinking it would be 'his tanmaya'..... bt then he didnt find her anywhere..

He dialed her no. Many times hoping for a miracle that she would jst lift his call bt then it always got 'switched off' tone..

.....

After 5minutes drive, he finally saw a grocery mall and he quickly parked his car and stepped outside of it by covering his face vth his 'over jacket' and went inside the grocery praying to find tanmaya there...

.....

Arjun, now had a gut feeling that tanmaya is in some trouble.. and by every passing second his heart is racing and signalling him something...

.....

He then went to the cash counter and showed his phn to the man there which is having tanmayas pic in it and asked him abt her..

" have u seen this girl here, before.. its jst 15 minits back.. i guess..!!"

....he asked the counter man covering his face a lil.

As its jst 9.45, the grocery is vth lil less people and its nt soo difficult for the man to recognise tanmaya..

Counter man : yess.. she had jst left...its been couple of minutes... u can find her in the midway...

....said the man, trying to see arjuns face as he felt it very familiar..

But before he would recognise him..., arjun had alrdy left the store and sat in his car trying to focus...

....

" No.. i can't let her face any trouble... tanmayaa.....!! Where are YOU damnit....."

....he shouted in a frustrated tone and rested his head on the steering wheel.., to think straight...

.....

After resting for 2 minutes, he then thought of smethng and dialed shravans no.

Shravan picked the call in the 2nd ring itself and before he would say anythng.., arjun was lyk..,

" shravan.., jst listen.... jst know abt sameer.. sameer dhiwan.. and find out his whereabouts now..be fast... i need all details abt him.. including his car colour and no., vthin minutes... quick shravan..."

....said Arjun vthout pausing and cut the call the call vthout caring to listen shravans answer..

.....

Arjun is now counting every single second wishing for tanmayas safety.., and hez fiddling with his emotions.... his brain started giving both negative and positive thoughts all over and he is feeling all the pain....!!

.....

After 8 minutes and 28 seconds, he got a call frm shravan, and he jst picked it up..

Shravan : arjun..... frm my nearest source i tracked his mobile status and now it is showng at 'plaza street' which is near the grocery mall near ur flat.. and its heading towards the left side of the street.., now.."

....said shravan holding the track detail list of sameer which he got frm his nearest source and forwarded him..

Arjun all this while kept his mobile in speaker mode and started to drive towards the 'plaza street' as per shravans instructions...

Arjun : shravan.., jst tell me the colour of his vehicle... and if possible.., the no. Too..

Shravan quickly checkd the details and said

"Its silver colour volkswagon, and the no. Is

MHx8 903 .."

....said shravan, without delaying...

Arjun : Thanku soo much shravan.. i will get back to u again...

.....said arjun and raised his engine as fast as he can to find the silver colured Volkswagen car in

the street...

.....

After driving for about a minute towards the street Arjun finally found the car and without making any delay he just raised the speed and is trying his best to overtake the car...

.....

Just like Arjun, who is now being so aggressive his SUV too is a beast in overtaking any car and it took him 30 seconds to overtake Sameer's car...

.....

Arjun, now just turned his steering wheel against Sameer's car with massive force, and halted his beast SUV just in front of the Sameer's car making a screech sound.., due to the unexpected halt...

.....

Both the cars are now stopped..., facing each other in that deserted street and Arjun just dialed a no. Before getting down from his car..

.....

All this while.., Sameer's face was worth watching... he had not expected such an entry by Arjun even in his wild dreams... he is now trying his best to think of ways to escape from there seeing Arjun coming towards him who is carrying his most wild look ever which he had not thought of before...

.....

Arjun then cleared his view from dust which has appeared due to the unexpected halt and then he finally found Tanmaya, beside Sameer.., in unconscious state...

He started walking towards Sameer's car with raging eyes now... Arjun is just looking like an injured lion... As people say that injured lion is the most dangerous thing to deal with...

.....

Sameer quickly locked the door and started to back off his car but it was already too late...

Arjun just broke the window glass with his hand, in one blow making sure that Tanmaya won't get hurt by the glass panes and unlocked his car... it all happened in a fraction of seconds and Sameer just sat there in his seat without moving..

.....

Arjun then pulled him out of the car in one go and slapped him hard which made Sameer fall on the floor bleeding at his lips..

.....

Arjun : I have already warned you, to not to mess with my people... See.. I am here in front of you.. be a man and deal with me..,

.....he said with such aggression and kicked him hard in his face..

Sameer is now wincing in pain.. he can't able to take such stormy punches...

Arjun : what have to do to my Tanmaya... why is she lying like that..

.....he asked getting mad again and rushed towards Tanmaya..

" Tanmayaa... what happened to you.. wake up Tanmayaa... please... I beg you..."

.....pleaded Arjun trying to wake her but it is of no help....

....

Arjun then went to his car getting frustrated and took his knuckle duster and headed towards Sameer looking dangerously evil.

He then pulled sameer towards him and made him stand in frnt of him...., holding his knuckleduster and getting ready to punch him hard on face...

And asked him...

" what have you done to tanmaya... jst speak up u basterd... i will not spare you today..."

.....he literally shouted making sameer shiver...

Sameer was terrified by the thought of his punch by that sharp knuckleduster and pleaded in high voice...

" pleasee...arjun.. dnt punch me.. i will say... ple....please.. dnt punch me..."

.....he pleaded..

" jst tell me.. what have u given to her.."

....asked arjun looked straight into his eyes holding sameers shirt.."

" she.. she.. will jst remain unconscious for abt 3 hours.. i have given her mild chlorofrm by making her inhale it.. i placed it at my car Ac side and she...she... inhaled it.. i... i... covered my face vth the mask..soo.. soo iam nt affected..."

.....he said stammering at sme point and is now totally shivering..

.....

Arjun has lost all his patience and humanity levels now...

" how DARE you... to do such thing to 'MY girl'....."

.....he said and raised his fist again to punch him..., bt was stopped by someone.....

.....

"Mr. Arjun varma.... dnt do that... we will handle him frm now.. and thanks for informing us before taking any major step.."

.....said mr.pathak, the superintendent of police (SP) of the town..

.....

It was him, whom Arjun had called before stepping out of his car before..

.....

The SP then arrested sameer and ordered the constables to get him inside the jeep..

.....

Arjun : sir.., just make sure that he wont come out again and i will help u in getting the proofs against him

..... he said and gave a look to sameer .., and said

" You're finished sameer.. jst count ur days... and never think to mess vth any girl again in your lyf... jst remember.., behind every girl there can be a saviour lyk me... "

..... he said and the jeep left frm there...

.....

Arjun, went back again and lifted Tanmaya in his arms who is lying unconscious and placed her in his car beside his seat and kept the seat belt to support her frm falling....

.....

He is now looking at her lovingly.... and then caressed her hair and kissed her forehead...

" I promise you tanmaya... i promise you that i will never let you face any trouble becZ of me and my enemies..."

..... and wiped his tear drop which unknowingly fell on his cheeks..... He never felt soo weak before as he is feeling now...

.....

For Arjun... Tanmaya is his strength as well as his weakness...

.....

Arjun then silently drove his car towards the flat again...

.....

Part 38 (a)

Arjun and tanmaya .

Its 11 'o clock now, that mrng...

Arjun has now reached the flat driving as slow as possible, checkng Tanmaya every minute...

....

During the entire drive, he was jst thinking of how aggressive and how mad he is abt tanmaya..

.....

Arjun lifted her and managed to get her into the lift to reach his flat no. 24 (6th floor)

.....

There was a man in his middle age, whoz sharing the lift vth arjun and is now watching these duo (Arjun holding tanmaya in his arms and he is jst watching her vth all love).

...

Man : (*coughed to divert arjun)

Umm.. wat happend to her...? Is she oky?

Arjun got diverted now and is looking at the man..

Arjun : she is sick..

....said in one go vthout thinking twice...

Man : ohh... sick... ok.. i can understand... these days girls have became soo fast... i think she had enough of alcohol last night...

That's y she is in such state... am i right... ??

.....said the man, as if he had done some ph.d on girls these days...

Arjun was alrdy in bad mood due to all that mess and this man is now checkng patience levels of arjun

Arjun : do u ever thought that you have very less lyf and felt worried before....

Man : wat are u saying.. y would i have less lyf... and y would i think lyk dt..??

.....he asked making a puzzled face..

Arjun : it is because.., nxt tym if u tried to give out ur knowledge on any girl, jst think that i also have some knowledge in killing people vthout leavng any proofs...

.....he said looking straight into the mans eyes..

The man now understood what arjun meant and jst then arjun reached his floor and left frm there carrying tanmaya firmly in his arms and gave 'his signature' evil look to him...

The man is now sweatng and quickly pressed floor 8 button and the lift closed...

.....

Arjun reached his flat and went straight to his room... He then placed tanmaya, on his bed making sure shez fine and went out...

.....

Its 2 pm now...

Tanmaya slowly startd moving on the bed in her sleep state and opned her eyes, feeling all weak n dizzy..., trying to figure out how she had reached there...

.....

Her thoughts suddenly got a break by Arjuns smiling yet husky voice wishing her

"Gud aftrnun dear.. you are up this early..? How are you feeling now "

....asked arjun all at a tym leaving tanmaya, just stare him for the care he is showing towards her...

Tanmaya : arjunn.., y am i here..? What's wrng vth me.. iam feeling all dizzy right now..

I just remember that ur friend sameer approached me on my way and said that u were soo worried abt me that u had sent him to drop me home safely... i thing its sameer dhiwan... ryt..??

Then i dnt remember anythng...

.....she said touching her head..

" so that coward has used my name to trap you.. !! Now i understand how u have got into his car that easily... you are such a creep sameer.. i will nt let u go tht easily "

..... thought Arjun remembering everythng again....

Arjun : oh.. yea.. its sameer.. and u have nt eaten anythng since mrng.. soo u felt lil weak and i made you sleep in my room till now... soo u can breathe now tanmaya...!! I have nt done anythng to u....

.....said arjun raising his hands in air and winked at her...

Tanmaya made an 'O' face again and said..,

" arjun.. you are so shameless.... n u have to learn somethng frm ur friend sameer.. he is soo dignified and behaved in a polite way...

....she just said all smiling.., vthout havng any clue abt what had hapened before...

.....

Arjun now gave a look to her widening his eyebrows and sat on the bed carrying a plate of boiled eggs and said..,

" ohh... really... !! U want me to learn frm him... !!??

You know what tanmaya.., now i understood y people say that 'Girls are soo dumb sometymes'....

..... and before tanmaya was able to scold him again, arjun just kept a piece of boiled egg in her mouth and made her shut....

" you have enough tym left to scold me.. bt for now jst eat..."

..... he said and started feeding her..

.....

Part 38 (b)

Arjun and tanmaya .

Kapoors villa, same day at 3 pm

Mona : miss. Ananya, iam glad that u like my every design n here it goes our new website...

And jst pass it on to all ur acquaintances...

N i wish u all the best for ur marriage... ..

....said mona smiling at mr. Kapoor's daughter.

.

Miss. Kapoor : aww.. thanku soo much dear.. iam really loving ur all designs... n my special mention to that floral lehenga... it is soo awesome and all thanks to u dear..

.....said ananya and hugged mona.

.....

Mona was abt to say smethng.., bt was interrupted by her mobile ring and quickly saw, whoz calling her at that tym..

It's Shravan obviously....

Seeing shravan's name on the display, a simple smile escaped her lips and it was caught by ananya..

Ananya : omg.... i think smone special is calling u ryt...?? I can find it by ur changed expressions... anyways mona.., jst go on and enjoy ur day.. u have given me the best outfits for all ceremony's... n i will make sure to recommend u to my friends too....

....said miss. Kapoor and smiled at her.

Mona all this was blushing thinking abt shravan and her sharing same room in arjun's villa... (bt living in their limits though :p)

.....

Mona picked the call and talked t shrqvan for a good 15 minutes talking all that sweet nothings...

She, now came out and took a cab to reach the villa again... feeling happy that her lyf has now come to such a position and got a caring and loving guy like shravan...

.....

Here Arjun, after feeding 2 boiled eggs to tanmaya, made her lay down again.., as she still has sme bit of chloroform affect in her..

He then sat on the couch in his room itself and strtd rplying his fan messages who are now curious abt what he meant of 'special person' which he tweeted last nite...

Arjun felt smethng and smiled shyly and then tweeted again lyk

" its even more cute, to feed that [#special_person](#)....,

PS - will reveal to u people.., abt her tomorrow... stay blessed.. [#fans](#) "

And unknowly laid there itself on that cozy couch..

.....

"Arjunn.... Arjun... be careful.... arju....Arjunn... i dnt.... want.. you to get hurt... pls... ri... riyaa... i beg.. i beg u.... dnt make him.. suffer.. ple..please...."

.....tanmaya strtd to say all these during her deep sleep state and it felt lyk as if shez dreaming smethng really bad about Arjun....

.....

"...Shhh... tanmayaa..... calm down... iam.. right here infrrnt of you.... iam all safe.. calm down.. dear... just relax..."

..... arjun just rushed towards her seeing tanmaya, dreaming and stammering those lines and leaned towards her on the bed placing his one hand on her cheek and holded her hand tightly to

assure her that he is beside her....

.....

Tanmaya calmed down after hearing arjuns soft voice feeling his presence very close to her....

....

She just opned her eyes in a very slw motion and shez all sweating now...

....

Arjun has still nt moved frm there and his grip tightened on her hand now.. he is now wtching her very close to him..

.....

" Arjun... I have seen a vry bad dream.... i dnt.. dnt ... want to see u hurt... bcz of me.... i can't be vth you Arjun.. my presence in your lyf can make ur career spoil and i dnt want to see you hurt... arjunn.. pls let me go... please... i cant let this happen to you....

.... she said breathing uneven now and tryng to push arjun awy frm her as she is literally shivering by the dream in vch she saw arjun in a helpless state....

.....

Arjun, though tried his level best to calm her down... bt tanmaya is giving him a hard tym now...

.....

" jst listen tanmaya.. iam nt leaving u at any cost... "

....he said in his raised pitch and gripped her hard now....

" Arjun...u.. u dnt knw anythng..... please let me go... i can't....

.....she had nt even completed , wt shez sayng n her words were cut short as

Arjun lowered a little and kissed her vthout giving her any hint.....

.....

Arjun held her very tight in his arms and he jst adjusted himself above her and is now kissing her wildly and passionately....

He is showing her.., his utmost possessiveness by the kiss itself....

Tanmaya is now trying her best to push him away.., bt the stronger she pushed the wilder became his kiss...

....

Tanmaya was fiddling vth her emotions now bt atlast she gave in..she gave in to that passion and gave in to his love and gave in to her feelings too...

.....

Both are now giving their best to win on that passion and tanmaya pulled arjun even more close to her now and giving herself to him more..... it was a war against all that negative thoughts that were build in tanmaya and arjun is winning it vth every passing second by making tanmaya comfortable to that intimate kiss they are sharing.....

.....

Part 39

Arjun and tanmaya .

It's mid june month in Mumbai and the night climate is worth watching on these days... Very pleasant to great extent.., cool breeze there is an added assert to it and its the best time for couples to spend their special moments together...

.....

Arjun and tanmaya are still lost in each other and arjun is now being all soft vth her.. and enjoying the feel which kept him more focussed on her.., only her.. 'his tanmaya'..

He can now say to the world that

' this girl is mine.. i have now marked her as mine the third tym..'

And for tanmaya....,it is as if her all longings, all her dreams and sweet desires, all her secrets that slept deep within her came awake...

Everything was transformed and enchanted, everything made sense to her now...

.....

But then tanmaya sensed something..., that Arjun is getting more involved .., by every passing second.., and it would be difficult for her to stop him later as she understood what he is wanting frm her...

.....

She pushed him vth al her last bits of force and this sudden unexpected push made arjun fall on the bed beside tanmaya..., breaking their first ever 'two biased kiss'.....

.....

Tanmaya then got up from the bed and is now sitting on it facing his back to arjun... and trying to breathe normal..

Arjun too understood, that if tanmaya has not stopped him then..., god knows what happens that night...!!

.....

Without making things more awkward between them.. arjun stood up and left the room .., without saying anything...

.....

An hour passed in the same way.., and it's 8.30 pm now..,

....

With the sudden sound of the calling bell.., arjun who's till now watering the plants at the pool side..., started heading towards the main door and opened it..

.....

Mona : surprise.....!!!!

.....shouted mona all smiling...

Arjun : mona.., what are you doing here at this time.. is everything ok between u and shravan..?

...asked arjun frowning his eyebrows a little..

Mona : yess.. arjun.. shravan is a darling.. n wait.., u sounded worried in the call na... so i thought to check the things out.. and tell me where is my partner in crime...??

.....asked mona on entering into the house and looking for tanmaya..

Arjun : ohh.. she is in her room..

.....said arjun thinking about the *kiss again...

Mona : ohh... u had a fight or what..

.... she asked and was about to go to tanmaya's room but then listened mona's high pitched voice.., tanmaya came out from her room to see her.

.....

Seeing each other after such a gap.., they both hugged each other and arjun is watching their bond now showing his 'signature' curved smile..

Arjun then thought...

" girls can be so childish sometimes.."

.....he smiled and admired tanmaya, who's looking all happy now..

.....

Mona : yaar.. tannu.. i'm hungry yaar.. i have not eaten from past 1 hr.. pls make smthng for me...

.....pleaded mona and made a sad face..

Tanmaya : ohh mona.. u just sit here.. i will make some lassi for you.. desi lassi....

....she said and rushed towards the kitchen leaving arjun and mona on the couch..

.....

Arjun : have u brought them with you...??

...he asked looking at mona

mona : yaaa.. everything is set.. n just call the no. I have given to u 1st time.. they will set up everything....

.....said mona and gave arjun a shopping bag which arjun hid down the couch without making

tanmaya notice all this.

Arjun : good.. mona... thanks a lot.... iam just waiting for this night frm past 4 days...

....said arjun smiling, and thn saw tanmaya.., whos now cmng vth 2 glasses of lassi...

.....

Tanmaya handed 1 glass to mona and other one to arjun vthout looking at him, bt arjun took the glass making sure that he touched her fingers....

.....

All the 3 of them sat there and talked abt all that stupid random stuff and tanmaya.. had finally came out of that awkward zone and smiling.. talking to mona and arjun...

.....

Part 40 (a)

Arjun and tanmaya .

Mona : tanmayaa... i missed ur food soo much... see i have lost 1 kg of weight in these 4 days... n i must say.., u are awesme in cooking dear...

.....she started praising tanmaya.., who is now smiling at her and then mona turned towards arjun and said..,

"Arjun....you are damn lucky yaar... I'm jealous of you..."

....she said and bit her tongue.., for saying that..

Arjun gave a look to mona .., to which mona shut her mouth immediately bt it was too late...!!
Tanmaya : mona.. y would u jealous of arjun.. i mean after that kapoors wedding.. u would be shifting here right....!! So u dnt have to feel lyk dt dear..
....said tanmaya and placed her hand on mona to assure her..

.....
Arjun : yes... u r right.. i think she had enough of lassi.., monaa..!! We must have contrl on wat we say.., right..!!
....said arjun and stared at mona.., widening his eyebrows..

.....
Mona : yaaa.. yess.. i mean.. yess.. i think i should leave now... shravan must be waiting for me..
.....said mona and hugged tanmaya before leaving and wished arjun.., 'all the best..'

.....
Arjun and tanmaya are again left alone in the house and this tym.., tanmaya quickly cleaned the things in the kitchen.., and without saying any word and without looking at arjun.., She started heading towards her room praying that arjun should remain silent ...

.....
" umm...tanmayaa..."
...called arjun frm behind and this made her stop in the mid way...
She has no courage to turn towards him and look in his eyes.. soo she jst remained there without moving facing her back to arjun..

....
" the lassi is good... can u make an other glass for me.., ??! I mean.. if u dnt mind...."
.....he asked very softly, that its hard to put him down...

.....
Vthout saying a word.., tanmaya just went to the kitchen to make an other glass of lassi for him...

.....
All this while.., arjun was watching her every move vthout blinking and admiring her for her shyness...

.....
She became busy in preparing lassi.., that she didnt observe that arjun is now in kitchen and stood beside her and drinking water., frm a bottle..

.....
Arjun : dnt u think.., todays climate is soo good and chilling...?
Tanmaya jerked by his sudden voice beside her and looked at him who is standing on his side now..
" yaaa.. ye... its good.."
....she managed saying this and turned her face away frm him.

Arjun : do u know how to enjoy this climate..??
...he asked again moving a bit close to her..

Tanmaya : i... i donno...
....she said trying to move away frm him...

Arjun without breaking his eyelock frm tanmaya.., started moving towards her and raised his hand towards tanmaya which made her feel all butterflies in her belly..

He then picked the lassi glass which is on the kitchen slab beside tanmaya and said..,
" just drink lassi and enjoy the climate..."

....he said and laughed...

.....arjun then went out of the kitchen and turned back again and said...,

" tanmayaa... jst get ready in a hour... we have to go somewhere...!!! "

.....he said and raised his lassi glass saying " cheers..."

and left frm there leaving tanmaya in a puzzled state...

.....

Part 40 (b)

Arjun and tanmaya .

Its been 45 minutes, since arjun had asked tanmaya to get ready....

But tanmaya is still in her room sitting infront of the dressing table mirror and thinking of the reasons, for the sudden plan of arjun...

(Bcz she is still unaware.., that she being in this flat vth arjun and this night plan.., all these are preplanned before 4 days itself)

.....

Her thoughts got a break by her phn vibrating on the bed.., which she picked quickly without seeing

whoz calling her...

....

Tanmaya : helloo..!!

She heard a loud horn sound sound frm the other side..

....and then spoke the other person...

" i know that girls take lot of tym in getting ready... soo as a safe side..im here in my car waiting for you down... i want u right beside me.., within 5 minutes tanmayaa.. or lse.. i wil come there and carry you sgain in my arms..."

.....said arjun...,pressing his car horn to make her alert...

Tanmaya has no words to say for her rescue..

Tanmaya : yea..i.. I'm coming... u pls dnt cme here.. iam.. on.. the way...

....she said and started stepping down...

.....

Tanmaya has finally reached his car pwrked in the left side of the lobby and quickly sat beside him panting heavily...

Arjun : wooo..wooww.. 3minutes 43 seconds..

Good score tanmaya... i thought u would be late.. bt u surprise me everytym by proving me wrong.... n this tym too..

....he said smiling at tanmaya and started driving towards the planned destination...

.....

Its 11.30 pm that night and the mumbai roads are still sleepless bt the traffic is lil less now and it was a pleasant drive...

....

Tanmaya : arjun.. bt u have nt told me still... i mean where are we going now..??

....she asked by lowering the window glasses and feeling the cool breeze now...

Arjun : you will know tanmaya.. just keep quiet for a while....

....he said vthout looking at her and concentrating on his drive.

.....

Tanmaya was nt feeling good vth that cold reply by arjun and she wanted to break the silence between them.. n switched on the FM radio of the car.

.....

" hello.. hii..shabbaker... to all the listeners.... i know u r waiting to listen ur fav RJ Pritham..., n here iam... just dial the no. And get connected vth me..

And yess.. listeners.. today its a big day as tge eveng is very pleasant and look at the climate now.. its getting to rain... i personally loveee this climate...

Ok.. okk fine... now let's get into the subject of this night... bt befoe that just listen to this awesome song and one of my fav song.., frm the movie 'Azhar' - 'Bol do na zara '

....and i will get back to you again"

..... the song is now playing making the climate even more appealing

.....

" tanmayaa... do u think its necessary to put that FM on... i mean u have got a great chance now.. iam in a good mood now and u can ask me anythng.., n i will answer you...

....he said decreasing the fm volume and looked at tanmaya.., who just closed her eyes and enjoying her fav song..

Tanmaya : ohh.. really arjun... then tell me where are we going..?

...she asked without opening her eyes...

Arjun : except that one question.., ask me anything...

....he said and turned the steering wheel towards a street....

.....

Tanmaya just gave a look to arjun ...,and raised the fm volume...

.....

" okk.. listeners... actually i have not prepared any topic for today.. bt yess... thanks to 'Imraan hashmi'...

U wonder y...?? Ok guys.. let me ask you.. what Imraan hashmi is famous for... ??!

Heheyy.. ofcourse you guessed right.. He is a 'kissing star'...

Today's topic is.. : kiss is not just the way people think... if u r in love with someone and u have no words to describe how madly u love them..., then just hold them kiss them.. the intensity of the kiss defines ur longing love to them...

Soo my question for today is

"have u ever kissed ur love unexpectedly and then it became something more intensive and then a fascinating memory,

that u will always cherish in your life..??"

I understand listeners.. ur RJ pritham is now in a romantic mood and just call me and share ur moment with us...

They say that sharing leads to happiness right..!! Soo im waiting listeners

and here goes the next song.....

.....the 2nd song is playing now....

.....

This time both tanmaya and arjun started stealing glances in between .. through out the entire topic and tanmaya was trying her best to hide her blush from arjun but it was already too late.

.....

She quickly turned off the fm.., feeling shy not to listen that convo any longer...

.....

" tanmaya..... keep it on na..... i mean.., it's so interesting.... r u feeling shy or something...??

.....he said still driving and looking at her from the car mirror in front of him..

.....

" Noo.. noo..... iam not shy... it's ur car and u have all rights to do whatever u wish....

....she said and is now staring outside the window...

" you are right..., tanmaya.... it's my car and i have all the rights on everything present in it... Including you...."

.....he said a low voice which is difficult for her to understand...

" did u said something arjun....??"

....she asked looking at him questioningly..

.....

"Noo... its ntng... "

....he smiled and finally halted his car at the entrance of the lake point....

.....

For a second tanmayas jaw dropped seeing the decoration and lighting there....

That place seemed lyk the most beautiful place she had seen till now and the lighting is such that it felt ltk the stars have falled on the earth... all sparkling.....

.....

Arjun and tanmaya are still in the car seeing the best view infrnt of them.....

.....

Part 41

Arjun and tanmaya .

Tanmaya was feeling it as a dream.. the view was such captivating that she has no words to describe it....

Seeing tanmaya all lost in wonder..., arjun can't help bt smiled and took his phn frm his pocket and captured the pic of tanmaya..., who is still unaware of it....

.....

"Tanmayaa.... can u get down now... bcz there is lot much waiting for you there..."

.....he said smiling at her., which made tanmaya come to her senses and is now looking at arjun in all surprise...

.....

Arjun checked his watch again..

Its 11.45 pm now..

He quickly got down and so did tanmaya... bt the difference is arjun is soo excited to go further bt tanmaya has now forgot how to walk....she just got down and stood there and looking around her surroundings....

.....

There were all lights decorated everywhere mostly white lights and the lake is filled with candle floatings which are making it worth watching....

She is totally living in a dream....

.....

Arjun looked at her for a minute and then went to her and held her hand....

" you have this full night left to admire each and every corner dear.... bt for now.., just come with me..."

.....he said and walked with her feeling all happy and smiling like never before showing his flaunting dimple...

.....

Tanmaya was confused now.... she is confused of whom she has to admire now...

Her surroundings which are making her live her dream or this person.. who is even more handsome and cute at the same time... that he had never before.....

.....

Finally she chooses the 2nd option and now staring at this person with such affection..., which she had never shown before....

.....

Arjun took her to a place which is in the shape of a domed tent like thing which is all decorated with lights.... and candles...

.....

There was a screen present at the centre of it connected with a projector...

Arjun made her stand in front of it and he took the remote from the corner and switched the projector on..

.....

Tanmaya was now looking at Arjun questionly...

"Arjun... what is all this..."

"...shhh... tanmaya... u will know everything... just watch it... i am here with you.. "

.....he said and hugged her from back...

.....

The video started playing and it's riya on the video now sitting on a couch and recording her own video..

.....

" hii... tanmaya.... i know.. u would be shocked to see me after all that mess i have created between you and arjun..."

.....

Tanmaya stopped to breathe seeing riya in that video... she is sweating now..

Arjun knows that she would react in such way and so he gripped her even more tight by her waist.., and is hugging her from back firmly..., resting his shoulder on her neck and said....

" calm down dear... just watch it.. iam here vth you... "

.....and placed a soft kiss on her ear lobe...

.....

" iam such a witch tanmaya.... i thought that u were taking my Arjun away frm me... bt the thing is Arjun was never mine...

You both met just before 2and half months bt the intensity and that bond between you is jst eternal.... i have seen it in Arjuns eyes...

Trust me tanmaya... he is totally mad about you.... he can go to any extent to make you stay vth him forever...

Tanmayaa.. u r the lucky girl yaar.. iam jealous of now... (*laughing)

N iam sorry for what i have done to you...

I now believe that soulmates do exist... yes.. you both are destined to be together..

And Arjun.... never make her cry and dnt be 'arrogant egoistic ' vth her... or lse i will make sure that ur dad takes a good class on you....

I know it's your moment now.....

and i have to visit london for my next business inauguration...

And tanmayaa... listen... it's arjuns plan to record this thing and iam glad that i got a chance to apologize u....

Both of you take care and my best wishes are always vth you guys... Arjun and tanmaya.... you have became a brand now.....

Love you guys... bye... i wish u all the best for your love life.... "

.....

Tanmaya is now in tears.... its nt just tears... they are happy tears.... her last bits of tears...

Bcz frm then.., Arjun will never let her cry again...

She leaned her head on arjuns heart...whoz she still hugging her frm behind...

.....

They remained lyk that for a while enjoying that serene moment between them...

.....

They say that silent moments are always blissful in between a couple...

.....arjun and tanmaya are proving it right now...

.....

Arjun now broke the hug and turned her towards himself...

Now both of them are facing each other.... looking into each other vth equal love and passion....

.....

Arjun just checked his watch one more time and its exactly

12 ' O clock - 24th june.

"Happy birthday.., tanmayaa.... "

.....said arjun and vthout making any delay.. he just kissed her on her forehead....

"Arr...Arjunn... i.. totally forgot about it... it's... my..."

..... arjun calmed her again and said...

" i know.. tanmaya... you were totally lost frm the past few days.... its all bcz of me and its my responsibility frm now to make ur every birthday special frm now onwards.... and today is the start...."

.....he smiled at her flaunting his sexy dimple again...

.....

Tanmaya cant resist his cuteness anylonger....

She leaned further and started kissing him vthout giving him any hint....

Due to that sudden forceful kiss by tanmaya..., arjun just stepped back a lil and resisted himself again and holded her tightly reciprocating her surprise kiss...

.....

it was an equally passioate kiss wen compared to their third one..., bt the difference its tanmaya now..., whoz kissing him wildly...

.....

Arjun..., just gave into her and was smiling at her innocence in between the kiss....

.....

After countless minutes, they broke the kiss and arjun was lyk...,

" tanmayaa... u will always leave me surprised... u r soo wild yaar.. look what u have done.... u bited my lips... its bleeding yaar..."

.....he said and laughed at her.. showing his bleeding lips.....

" i... iam soo sorry arjun....i didn't wanted that to happn...but...."

.....she said lowering her eyes feeling embarrassed....

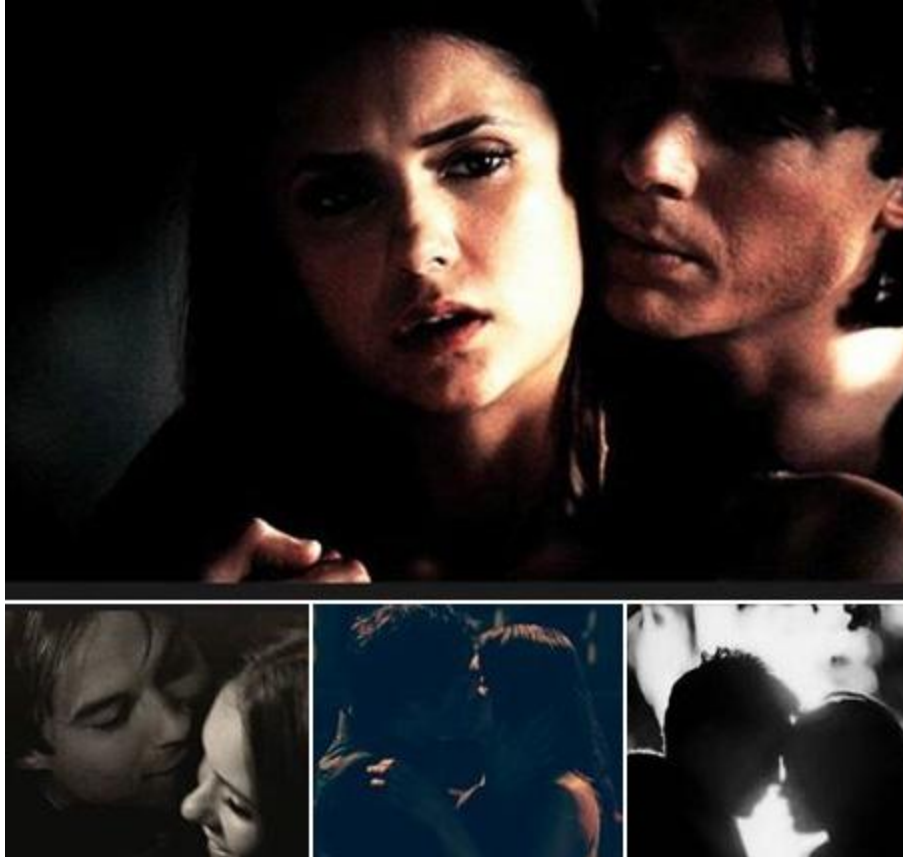

.....

Arjun is now laughing hard.....

" I just...Love you tanmaya.... you are tooo cutee....."

.....he said and pulled her cheeks.... and hugged her tightly...

.....

Part 42

Arjun and tanmaya .

"Look tanmaya.. what have u done..? My lower lip is bleeding.."

.....said arjun and showed his bled lip to tanmaya.., all laughing..

" ohh.. i..iam.. soo sorry arjun... i didnt..want to do that ..."

.....she said and lowered her face feeling embarrassed...

.....

Arjun jst cant take her cuteness anylonger.. he hugged her just the way and said..,

"You are tooo cute... tanmaya.... i just.. love you..dammit..."

.....he said smiling..., feeling her evn more by pulling her close to him..

.....

Tanmaya too reciprocated the hug and they remained lyk that as they had found their new life at that moment.....

.....

"Tanmayaaa... dnt u think its too much now.. i mean.., i had planned few more things too.. soo let's just break this hug and i need to give u smethng..."

.....said arjun and broke the hug..

" arjun... i cant able to take any more surprises... this is a lot for me... trust me arjun.. iam.....iam overwhelmed and satisfied..."

.....said tanmaya and took arjuns hands in her hands and kissed them gently...

.....

" bt tanmayaa.. this is nt for you.. i mean the next thing is for my pleasure.. i .. mean... ok.. just wait here.. i will be back..."

....said arjun and rushed out of that doomed tent and came back after a minute vth a shopping bag in his hand...

.....

Tanmaya was looking at arjun and the bag vth surprise now...

"Arjun...what's in the bag "

....she asked arjun as he neared her.

"Tanmaya... just take it and its for you... the dress i have selected.. i mean.. i know iam nt good in all this stuff bt yeaa .., mona too helped me in this... soo will you please wear it for me..."

.....he asked smiling childishly and touched his hair innocently...

"Arjun.... now u r making me evn more surprised... was mona too invoved in all this..?" "

....she asked looking at arjun confusingly...

" uff.. tanmaya.. u talk too much these days.. just wear it and come..."

....said arjun and started to leave the tent bt then Tanmaya stopped him...

" Arjun.... iam nt shy now.. u dnt have to go out.. i will change herw before you.. u just turn around"

.....said tanmaya in a very low voice.

Now it's arjuns turn to become all red...

He is feeling shy now...

" tanmayaa... dnt u think u r putting urself in a risk.. i mean i dnt knw how long i stay here vthout looking at you knowing that u were changing..."

.....he said and winked at her...

" ohhhh.. really... ok that's fine.. i have no problem then.. "

...said tanmaya and pulled his cheeks...

.....

"Ohh godd... girls are too fast these days.. tanmayaa.. u just change here and see iam turning around now... u can trust me..."

....said arjun and turned to other side and closed his eyes...

"When you are done just signal me "

...he said

.....

Though he is closed his eyes..., he can listen to her unhooking the dress and wearing the new one... he is relating every sound and he can guess that she is done afr 5minutes bt he didnt heard any signal frm her and so he stil stood there vthout opng his eyes.....

.....

"Arjun... u may opn ur eyes now..."

....said tanmaya standing infrnt of arjun in that gifted dress..

.....

Arjun had now forgot to blink.... he is seeing the prettiest girl in front of him now with that long white gown... her every curve is perfectly contouring and making her even more desirable in that gown...

.....

"Wowww... tanmaya... u r...just... just....!!!"

What have you done to me dear... for the first time Arjun varma is short of words now..."

....he said and is now staring at her.....

....

Tanmaya is shyly smiling and touching her hair locks...

.....

The next second..., arjun got down on his knees and stood before her raising his both arms in horizontal direction....

"Miss.. tanmaya... will you marry this guy in front of you and would u lyk to be mrs. Tanmaya arjun varma..., "

.....he asked dramatically pausing at certain words as in movies...

Tanmaya is laughing at his stupid yet cute proposal.....

" i will think of it mr. Arjun varma..."

.....she said and raised her eyebrows..

.....

"I don't wanna give u any option tanmayaa...."

....said arjun and took a ring from his pocket and kept it on her ring finger...

" Now.....u r mine.... forever...."

.....he said and stood up showing his sparkling eyes...

Tanmaya was not expecting this.... and she just closed her face with her face and is looking at him all surprised....

" Arjun..... I love you..... i love you sooo much...."

..... and jumped on him hugging him tightly once again....

.....

" arjun... but how did all this happen... i heard and even saw an article about u and riya getting engaged... then how did all this happen... why is riya changed all of a sudden..."

.....asked tanmaya and looked into arjun questioningly....

.....

"Hmm..... its because of our love... actually riya is not that bad girl.. but i still can't figure out .. how can she even think of getting me by creating all that mess.... anyways u wanna know what had happened on your absence right...!!?"

It's not that complicated too. But i must say shravan had did a great part in this....

" that day i was sooo worried about riya being in such state and somewhere i felt its all because of me.. riya had broken her relationship with amit as she found that he is betraying her.., and the other girl is pregnant by his baby...

Sooo that evening when i messaged u to meet at this lake point., i prepared myself to propose you...

And the same evening riya had called me and then she broke my phone there saying it by mistake... sooo i cannot able to contact you too... and she finally ended up cutting her nerves and there by making me

to stay vth her that nite in the hospital..."

.....

"O my god... she cut her nerves too... bt she had called me the next morning... i mean...."

.....she paused and looked at arjun...

.....

" i know... tanmaya... i came to know abt it by shravan...actualyy the night before i was soo asleep that i woke up late the next mrng... its actually afternun then... then shravan came to me knowing everything frm parvatamma and he felt soo guilty for nt being present vth me at that critical time.... i was sooo lost and weak at that time..

It was shravan who took me to the villa again made me lay there.... i went to mild depression state at that tym..."

.....said arjun and then he made tanmaya sat on the chair beside her and then he too sat beside her...

.....

" iam soo sorry arjun.. i left you alone.. when u needed me the most...."

.....said tanmaya and tears rolled in her eyes....

" Noo.. dear... you were nt on fault... u were forced to leave to ur home town and trust me... u r the best tanmayaa.... i mean... u were soo worried abt my career and u were left vth no chance then...."

.....said arjun trying to console her...

.....

" hellooo.... guys.... i think we came here at wrong tym..."

.....a voice frm behind made both arjun and tanmaya look in that direction and it's monas voice....

.....

Mona and shravan too came there as arjun had msgd them abt an hour before.

.....

" Arjun...!!? is everything ok between you??"

.....shravan asked as he saw tanmaya in tears....

" shravan..... u came at the right tym... and u mona... just tell ur friend to stop crying... "

.....said arjun and looked ay tanmaya making a sad face..

Shravan and mona too took their seats beside arjun and tanmaya and are now looking at both of them vth smiling faces.....

.....

" shravan.....!! Arjun just told me that you are behind everything in clearing the issue... what is it... ??!
What have you done....???"

.....asked tanmaya wiping her tears

.....

shravan was abt to say somethng bt then mona stopped him in the middle and said...,

"Shravan... wait na... i will continue the next part.. i mean u will end up gvng ur boring version and i will add some crispiness in it...."

....she said and smiled at him....

" tannuu... actually... when u left to vizag vthout any planning before and just msgng me that u have a work or so there.... that tym i got lil doubt abt all this... n when i reachd the room that evng around 5.., i saw the article abt arjun and riyas engagement.....

Then i called shravan to find out whether its true or a fake article... as shravan had nt told me before abt this engagement thing...

Shravan was more shocked than me and i then said iam alone in that room as u had left to vizag all of a sudden...."

.....she paused for a second and looked at shravan.....

.....

" mona... now let me continue.. and its my part now... so let me narrate it.."

....said shravan and mona kept shut now.

" tanmayaa... i was soo shocked then..., and contacted the news paper office and frm them i found that they got the news frm their trusted source and after bribing them to reveal the source name..., they said that its kumar... i mean.. kumar is riyas personal assistant....

Then i went to the hospital again to get the facts frm this soo called personal assistant...

But wat was more shockng is that i secretly heard riya askng this kumar abt some girl...

I still remember that she said...,

" i dnt want that girl to enter into arjuns lyf again.. make sure that she Reaches vizag by this evng...n dnt let anyone knw abt we are behind all this...."

.....

Thats when my brain strtcd to thing frm the other side and i stopped this kumar in the midway out the hospital to get the clear issue frm him.....

U know what mona..., i had to use my boxing skills on him to get the facts as he is nt bending for money.... "

.....

Tanmaya was all curious to know what had happened next.....

" what happened then... shravan...??"

.....

" i then called to mona and said everythng to her and i must say tanmaya..., ur friend's brain works lyk a rocket.....let her narrate the next part..."

.....he said and gave a proceed look to mona..

.....

" i reachd the villa by the next hour itself and tanmayaa... i was soo angry on you then... how can u hide this thing frm me... ok fine... i will talk on this to u later.. bt let me tell u what had happened next.....

We have got that kumars mobile vth us and checked the call recrds and were shocked to see ur no. In that list... we then checked his phn further and then... u know wat.. he made our work even more easy....

That stupid had downloaded a call recrder app in it and we listened to ur conversation vth riya and then understood everything.....

But we didnt saw that arjun is present behind us and was listening to the conversion too...

Arjun... now its ur turn to narrate the last part....."

.....said mona and all the three of them are now looking at arjun who is resting his head peacefully on his chair and sleeping....

Part 43

Arjun and tanmaya .

Mona : Now Arjun will narrate the next part bcz it's his part now and the most important one...
Soo let him narrate it..

.....said mona and all the three of them turned towards arjun now., whoz resting his head on the chair and sleeping peacefully without giving a damn abt the interesting conversation thats happening there..

.....

" What the helll Arjun.... uffooo... how could u sleep lyk this in between... "

.....shouted tanmaya and pinched Arjun.

Arjun then came again to the real existing world around and he is lyk
" tanmayaaa... lemme sleep yaar... i haven't slept properly the last night..."
.....said Arjun yawning in between and rubbed his eyes..

Mona : what.. i mean.. y haven't u got enough sleep?!! Tannu.... what are u guys dng in that flat, that arjun can't sleep properly..??!

.....asked mona and winked at tanmaya.

Tanmaya: shut up mona... u r soo shameless...

.....said tanmaya tried to hide her blush..

.....

" arjunn.... what have u did after listening to that convesation... iam curious arjun.. pls dnt keep any suspense now...."

.....pleaded tanmaya.

.....

" tanmayaa... i dnt know y riya had taken that stupid step bt for a second it was hard for me to believe everythng....

I was having a bad day and that call recording had pushed me in deep sea of betrayal....

Though riya had left me givng sme silly reasons before..., somewhere i can still connect her vth my life as an important person..

Shravan then came to me and consoled me...

It was all a nightmare that i cant forger that easily... bt then i remembered you... i remembered you and i can really feel how weak u must have felt during all this...

N trust me tanmaya..!!! Then i got up and just picked up myself and went to hospital to get things clear vth riya....

Vthout making any delay i went to her and played that call recording infrnt of her...

That tym i was hoping and praying that riya would nt know abt all this and someone else is trapping her into this... bt seeing her changing expressions ..., i understood that i was soo wrong in examining people...

I just said her one thing.....

.....

" riya.. if i was that same arjun whom u had left months before.., then i would never stand here before you lyk this.., and talking to you after that cheap thing u have done..

But i have changed a lot .., infact vthout my notice.., i have changed to this extent...

" A lady is a woman..., who makes her man behave lyk a gentle man..."

And tanmaya is my lady.... i hope u have got the thing now.....

N riya.... just look at yourself..... u r just a witch now..., n ur actions reflect ur heart.... u have lost me forever riya..... i know my ways to get my lady back... gud bye.."

.....

Tanmaya can feel her heart flying... the way arjun described her made her feel even more proud abt herself....

Arjun just paused for few seconds and continued again

.....

Shravan then met me again outside the hospital along vth mona... it was late thn.. around 10.30 that night....

I then planned to convince you again by making u stay vth me in these 2 days after mona had said abt ur birthday today...

Tanmayaa.. do u remember... that night mona had called you and asked abt wen r u returning to mumbai..!!? Becoz it's just to make sure our plan would work and then mona had shifted to my villa n u were forced to live vth me in my flat...."

.....

O my god... u guys are tooo much... i mean the three days which i spent in my home was lyk an emotional roller coaster ride... i was fiddling between riyas threats and my feelings towards arjun.... N you guys are planning to make me surprised till this point...!!!???

Whatever it may be... now i just love surprises of this kind

.....said tanmaya and all three of them laughed and had their dinner which was alrdy arranged there talking abt their partners nd praising them..

The entire night was an unforgettable memory to this 2 sizzling couples....

.....

Part 44

Arjun and tanmaya .

Monsoon nights in mumbai is the best ever experience one should never miss... the clouded climate vth simple yet touching flow of cool breeze of air can awake the romance in people..

And these couples are making the best use of the night by such a sweet date vth surprising revelations....

Its already 4.30 am now.., and it seems lyk the passing time has ntng to do vth them as they had forgot about everythng and are just making their best memories to cherish for the lyf time...

.....

"Arjun...i think we should leave now... its almost dawn now and people would be coming here for their mrng walk in no tym..."

.....said tanmaya checking her watch...

" tannnu.. yaar.. i totally forgot abt it.. i have to visit kapoors house today by 8 to finalize the outfits for one last tym and before that i have to sleep yaar..,or else i will end up sleeping on their cozy couch..."

.....said mona and rubbed her eyes and holded shravans hand.

" its right arjun... we should leave now and lets plan something lyk this very soon... its such an awesome time to be together vth no disturbance of people around "

.....said shravan and made mona lay on his shoulder.

.....

"But before leaving.... i want to know somethng..."

I mean... tanmayaa...., how do you want our marriage to happen? As if a big destination wedding or u do have any other ideas or wat? I just wanna know how u wish it to be...!!"

.....asked arjun by adjusting his chair close to tanmaya and looking straight into her eyes.

.....

Tanmaya smiled for the thought of marriage and said..,

" Arjun..., i have alrdy dreamed u as my husband long back... and i jst dnt know abt this concept of destination weddings and all that..."

If u ask my wish.., then i jst want a simple register marriage and vth the money we can organise a huge lunch for all the orphans present over here.... "

..... said tanmaya looking at three of them...

.....

After a minute pause.., arjun composed himself and touched tanmayas face lovingly and said..,

" tanmayaa..... how do u always make me fall for you head over heels every tym i talk to you... seriously its getting hard for me to resist you these days... iam soo glad.., that i have you in my life...."

.....said arjun and kissed her forehead.

.....

Mona : (*cough) now its getting hard for us resist you.... n tannu..., you are soo sweet yaar... bt let us all marry on the same date...."

.....said mona and kissed shravan on his cheeks.., which is unexpected for him.

.....

" mona... i have some work today and i can meet you this night may be n arjun..., u too have a photoshoot to attend.., right...??"

.....said shravan and looked at arjun widening his eyes ...

Arjun understood his gesture and said..,

" yess.. tanmayaa.. i have a shhot today and may we all can meet tomorrow.... let's go now.. its alrdy 5.., n me and shravan are going to villa as it would be difficult for me to to live vth tanmaya there in the flat..."

.....said arjun and tried to nt look at tanmaya whoz blushing now...

.....

All of them started to leave that place feeling all good abt the meet and arjun dropped tanmaya and mona to the flat and he along with shravan went to villa discussing abt their plan for the next day....

.....

Both tanmaya and mona cant sleep for a second thinking of their dream date and they started discussing abt their partners.....

.....

When two girls are in love then it's soo obvious that they have only one topic to discuss about..

About their guys. . What they like.. wat they dislike...

This is all they talk about.. n these girls are no different from others..

After getting tired of praising their partners., they finally slept..

.....

Its 9 the next mornng...

Tanmaya got up late and mona had already left to kapoor's house by then....

She was alone in the flat and she took time to get ready and then realized that she has not much work left in the office.. as she had already submitted the project details to her teammates and so she wanted to cook smethng good for her and enjoy her alone time..

Meanwhile she tried to call arjun but it was busy all the time and she thought he must be busy in the shoot which shravan had said the night before..

.....

Mona had called her in between to check on tanmaya and make sure that she is fine there and told her that she would return by the evng..

.....

Tanmaya now got the best time to check the flat interior and it was all a posh interior with perfectly walled colours and decors and she remembered the memories with arjun in the flat feeling all shy and checked arjun's closet and even tried wearing arjun's long sleeved shirts..., imitating arjun in front of the mirror...

Sometimes alone time is the best time to be what you are and try some crazy stuff... .

.....

It was 7 that evng and mona had now come back to the flat feeling all tired...

But smelling the delicious pakodas made my tanmaya... her tiredness had gone for a long time and she started eating them without even caring to fresh up..

Tanmaya too stood there and watched her eating as she is very well aware that no force on this world can stop mona now....

.....

Part 45 (a)

Arjun and tanmaya .

"Mona.. calm down... n eat slowly..... i will nt eat frm ur plate.. its all yours... n look at you... you are looking soo funny.. if shravan would see you lyk this.., then iam sure u have to look for some one else.."

Said tanmaya in a teasing manner.

"Stop it na tannu... i had told shravan abt my weakness to food.. and u cook so well that i cant stop myself frm eating desperately...."

....said mona still eating....

Tanmaya : u continue vth ur eating.., n i will be back after changing into casuals...

....and she headed to her room..

.... ..

She then saw that her mobile is ringing on the bed and she quickly picked up seeing arjun name on the display...

Tanmaya : Arjun... what is all this.. u started taking me for granted frm the first day itself... n ok.. this is your tym.. soo iam forgivng you...

What have u done till nw?

Arjun : tanmayaa..... u speak a lot... by i started liking it too.. now just listen to me.. tomorrow... at 9, in the mrng iam going to pick up frm the flat and u wil recieve a parcel at 8 tomorrw... just wear it.. n i have specially selected that saree for you... i have nt seen you in saree this now.. soo take ur best

tym and be ready lyk a pretty doll.. "

..... said arjun in his tired yet husky tone.

Tanmaya : arjun... woww.. u have ordered me a saree.. and now what is all this for.. i have alrdy falen for you.., and are u planning for another dream date or wat..?

....asked tanmaya touching her ring vch arjun had kept the night before..

Arjun : nt a date... bt we are getting married tomorrw.. lyk the way u wished... a simple register marriage... n dnt make me wait tanmaya... iam dying to see you in the saree...

.....said arjun laying on his bed and smiling.

Tanmaya was shocked to hear that 'marriage' word...

Tanmaya : whatt... arjun... we are getting married tomorrw..... hwz it possible.. i mean vthout informing ur parents and my parents...??!

Arjun... i think u r tired now and u r nt in tour senses now.. take sme rest arjun...

.....said tanmaya walking in her room ...

Arjun : tanmayaaa... everything is set and your parents will be present at the register office by tomorrw around 8.30.. n i have talked to my parents and parvatamma too.. you dnt have to worry abt anything wen ur boyfriend is here to settle everything....

U just think of our lyf after marriage...

Tanmaya : arjun..... what are you saying... u talkd to my parents and they agreed too??

Arjun : yess miss. Tanmaya.. my would be in laws are very pleasing to talk vth.. and dnt try to call thm now.. they are in the flight nw and u just sleep for today...

And tanmaya..... happyy birthday dear... love you soo much...

.....said arjun and cut the call.

.....

Tanmaya just can't believe all this this.. she rushed out of her room to say all this to mona bt instead she found mona jumping vth joy in the living room.

Mona : tannuu.... jst nw shravan called me and said that we are going to marry tomorrow... he even asked my parents vth the help of my brother akhil and yaar.., they all agreed too..

I think by now my parents came to know that i take perfect decisionsin everything and yaar who would say no to such sweet guy shravan....

Awwww... iam soo happy tannuu...

.....shouted mona and hugged tanmaya tightly.

Tanmaya : mona... wait... actualyy we both sre getting matried on the same day... actually arjun too called me just now....

..... said tanmaya in between the hug.

Mona : whattt....! Ok ok... now i get it... i mean these guys fooled us last night that they are having a busy schedule.... omg.... infact they are planning for the marriage....

.....said tanmaya and started eating pakodas again.

Tanmaya : monaa... i think u r right..... bcz my parents will never agree that easily if arjun had nt convinced him... bt what did he say that they agreed this easily.... now my brain is burning vth all these thoughts..

.....said tanmaya and joined mona in eating pakodas.

.....

After being tired thinking abt all this...,they both went to sleep to wake up early on their wedding day.

It was 7, the next morning...

Both are still madly asleep and all thanks to the alarm vch they set the night before to wake up early on their wedding day..

.....

Tanmaya was the first to opn her eyes and she saw mona still sleeping vth her mouth opn...

" mona... get up na... its our wedding day... u cant be late on this day atleast"

.....said tanmaya to wake her up..

" yaa... yaa.. wedding day..... my wedding day...."

..... shouted mona still in her sleep wnd got up in just one go.

.....

They both freshned up and tanmsya prepsred some bread sandwich which both are vth feeling hungry at all as they are curious to know how it all happened frm their partners.

The door bell rang and its the same parcel which Arjun said before...

Tanmaya quickly opened the saree... it was a dark red sareee vth matching jewellery and it was soo simple and at the same tym elegant.....

" wowww... tannu... it's soo beautiful.... did arjun send this too...?"

....asked mona looking at the elegant saree and its simple work.

" yess.... he told me last night... mona... is this all real... i mean i never felt sooo happy before and iam worried now..... this hapiness itself is making me worried...."

.....said tanmaya vth tears rolling in her eyes....

" shut up tannu... dnt say that... till now god had tested ur love and u have topped in his test n its his reward for ur achievemnt... and arjun is ur reward... soo just believe in god and accept everything that comes your way..

.....

Both of them took their tym to get ready for the important day in their lyf and are now sitting on the couch waiting for their would be s to call thm.

.....

Soo here is the end part of ur lovely pair

Arjun and tanmaya ..

Part 45 (b)

" Arjun.. i just talked to tanmayas parents... they have reachd the hotel by 3 am today and they are ready to go for the register office..."

....said parvatamma.., looking at arjun who is all busy in grooming himself...

"Arjun.., i still remember that when u were around 6 years old.. u always wanted to get married..., as u felt very lonely here...

U never asked for a sister.., arjun... u were too fast since childhood..."

.....said parvatamma and tied a 'rakha thread' in his hand.

" amma... now y r u dng all this... u knw that i dnt believe in god and u r right amma... i always wanted a wife bt nt a sister.. i too remember those days wen u used to say me that i have to wait for few years as my future wife is getting herself ready to marry me.."

..... said arjun and adjusted his coat collar..

" its alrdy 8.30 arjun.. u go n pick tanmayafm the flat and i will be there in the register office after picking up tanmayas parents on the way

And shravan had alrdy left to the flat.., to pick mona frm there.. hurry up arjun.. u must reach on time "

....said parvatamma and then left in the car to the hotel where tanmayas parents were waiting.

.....

Arjun too came down vth in few minutes and drove to the flat in his SUV., and he reachd the flat in exactly 10 minutes.

.....

He got down frm his car and dialed tanmaya no. Waiting on the road before the flat.

"Heloo... arjun... "

"Hii dear..... I'm waiting for you here infrrt of the apartmnt... just come over... I'm dying to see u in our wedding saree.."

....said arjun and smiled thinking of tanmaya..

" arjunn.. just turn around... iam here behind you.. 20 steps away.."

....she said smiling shyly..

Arjun in a very slw pace turned around holding his phn and his jaw dropped seeing her in that elegant red saree...

His view got blurred for few secnds as he can focus only on the girl whoz walking towards him shyly in that saree...

.....

Tanmaya waved her hands before arjun to get him back in his senses and it worked this tym..

" Arjun..... u have ur entire life left to check me out..., and infact even more closely... but it won't be good if we be late on our wedding day itself.."

....said tanmaya and started adjusting her hair.

Arjuns focus is still on tanmaya..., and he just touched her face and her eyes gently..., making her feel warm inside....

He then shifted his hands on her left cheek and placed a black dot vth his fingers... (he touched her eyes to get her kajal in his fingers)

"Now you look perfect... "

.....said arjun and opned the door for her to step inside the car..

Tanmaya just smiled in response and they both reached the register office by 8.50

.....

They went inside to see tanmayas parents waiting for their her and seeing in that fascinsting bridal attire., tears rolled in her mother eyes and she quickly hugged her...

.....

" tannuu.... u r soo lucky to have arjun in ur lyf..."

....said her mother and they broke the hug..

" how it all happed amma... i know that its fun for arjun to surprise me all the tym.. bt how did he managed to convince you...??!!"

....asked tanmaya sitting beside her parents...

.....

Meanwhile arjun along vth shravan went out to buy garlands... and mona is busy in talking to her parents as they were still shocked that how did their lazy daughter got such caring guy lyk shravan..

.....

" yesterday arjun had visited our house along vth his amma (parvatama) and ur mom couldnt recognise him..., but seeing arjun varma here in our house.., i was taken aback for few minutes....

He then said everythng that happend in mumbai in the past months...

I found u all lost during ur last visit to vizag...

Arjun convinced us that he loves you a lot and he wants to hold u forever...

I cant say him anythng because i was worried how ur mom will react... bcz i knew that u always had a crush on arjun since u were 17.., but ur mom is unaware of all this...

And tannu.. u knw wat.., to my utmost surprise ur mom agreed for his proposal to marry you today.. n i had left vth nothing to argue because if ur mother whoz soo possessive abt u can agree to this.., thn she must have thought abt all the things... soo i have to agree tooo..."

....said tanmayas father smiling at her mother..

" yes... dear... iam soo possessive abt you... but i can see honesty in his eyes... the way he holded my hands and asked me to marry you..,it all showd his caring and his utmost devotion to have you in his life.., gave me tge confidence about how happy u will be vth him...

And i have no other option left other than to agree...

"For any girl..., the best ever hapiness comes wen she gets a partner who loves her and trusts her unconditionally..."

And arjun is such person in ur lyf... we wish u all the happiness ahead in ur lyf dear..."

.....said her mother and kissed her forehead..

.....

Tanmaya was left vth no words.. at that moment.. she felt lyk she is the most luckiest and happiest person in the world.

They say that wen v get utmost happiness or unbearable sadness.., then we are left vth no words....

.....

The clock striked 9 exactly and its their turn now....

The office boy called the names

"Arjun varma and tanmaya chowdary" and " shravan acharya and mona pandit "

.....

Without making any delay all of them teachd that small room and stood infrent of the register officer...

The officer smiled at all of them and started the process...

Shravan and mona are the first pair on the list and are followed by arjun and tanmaya..

....

Officer : mr. Shravan.., and miss. Mona.., pls sign the register agreeing that u both are willing to marry each other..

Shravan and mona gave a soft look to each other and signed in the register...

Mona's parents signed as the witness for the marrige and they were very happy for their daughter whom tgey thought that she would never marry in lyf bt then surprised thm by choosing a guy lyk shravan..

Both of them exchanges garlands and shravan and mona hugged him tightly making everyone surprised...

Officer : we only do marriages here.. the next phase should be in ur respective houses and nt here...

.....said the officer adjusting his glasses and scribbling somethng on the register...

.....

" monaa..... people are watching... n lets continue it later in our home."
.....said shravan and broke the hug.

.....

Officer : mr. Arjun varma and miss. Tanmaya chowdary... its ur turn now. Pls be quick...

The awaited moment is happening now...

Both arjun and tanmaya are looking into each other and are saying a lot of things which only they can understand...

They signed the register vch is then signed by tanmayas parents as arjuns parents cant make up their visit bcz of this unxpctd plan and hence they wanted to organise a big reception after their visit...

Arjuns parents were nt easy to convince for the marriage and it's riya who convinced thm for the marriage.

.....

Both of them exchanged garlands on them and arjun had one more thing left to do.

He placed his hand in his pocket and took a 'mangalsutra' and knotted around her neck 3 times..

.....

He then came closer to her and said

" now... You are mine... officially and traditionally too..."

.....and kissed her forehead.

For a girl 'Mangalsutra' is her praised possession which gives her a lyf long trusted commitment and arjun knotted it 3 tymes to make their commitment even more stronger.....

.....

Its 10 am that morning..

The 2 newly wed couples are now in the airport to bid bye to tanmayas parents as her father had only a day leave and he has to report in his office by 3pm that day..

.....

Tanmayas parents blessed their daughter and son in law... feeling all confident abt her happy future vth arjun and they left inside the checkin...

.....

Shravan and mona then left to their new house which shravan had bought years before to live vth his wife.... Monas parents wanted to see her daughters new house and so shravan took them along vth him.....

But before leaving... mona holded tanmayas hand and took her aside.....

" tannu..... iam soo happy today.... and haa dnt think that i will get busy vth my husband... i will always bother you wenever i feel bored and wenever i feel lyk eating the pakodas you make... soo ours is a long long bond darling..."

.....said mona and winked at tanmaya...

" ofcourse mona... u are my partner in crime and u have all the rights to bother me at any time... bt pls carry some dog biscuits wenever u visit arjuns villa nxt tym... bcz we are going to pet 3 dogs very soon...."

..... said tanmaya and pulled monas cheeks teasingly...

" tannuu... this is nt fair..."

..... said mona and they both hugged each other and then she left vth shravan to start her new life vth him.

.....

Arjun and tanmaya waited in the airport until her parents flight has aired and they too started to leave to their villa to start their new lyk as husband and wife along vth parvatamma.....

.....

But before that he captured the pic of him vth tanmayya and parvatamma and tweeted for his fans...., saying.....

" vth my 2 special ladies.., My Amma and the one whom till now i hided frm u all....

Correction to it : Mrs. Tanmaya Arjun varma....., my wife since 9.20 am this day... "

.....

Arjun along vth his 2 beautiful ladies drove to his villa and welcomed them to their villa and in his lyf too....

.....

After 5 years

" Arjunn.... iam in the kitchen... please take care of Arya....."

....shouted tanmaya frm kitchen..

" tannuu... get his milk bottle ready... i think he is hungry and i have to prepare for my concert..., this evng..."

.....replyd arjun.... carrying Arya in his arms and looking at lyric paper on other hand....

Tanmaya is now in their room holding a milk bottle in her hand....

" these days arya is becoming more naughty... he wants to shw his father that his mother is careless towards him... look at his smile now... Naughty Aryaa..."

.....she said checking the temparature of the milk and took arya frm arjun..

"Only parvatamma can deal vth him.... i think she will be back by tomorrw.. and he got his naughtyness frm me... look at him... he s too cute just lyk you"

.....said arjun touching aryas cheeks and smiling at him

.....

Arya is 6 months old now... when he was born... everyone had differnt names to give him...

But arjun and tanmaya decided to name him as arya as it has both their names in it.

ARjun + tanmaYa = ARYA .

Vth arya in their lyf their relation has became evn more strong and arjuns popularity has increased to its peaks now.... he is now an a icon among youth and girls are desiring and fantasizing to get a loving husband lyk him.

.....

" arjun... just now mona msgd me and she wanted to see us in skype...
After they had shifted to California.., it's became hard to be in touch vth thm"
....she said switching arjuns laptop on.

" yes... i mean its been a year since they had shifted bt shravan and me were always in touch vth each other thru calls... i too wanna see him in skype.."
....he said and holded Arya in his arms and sat beside tanmaya facing the front camera...

.....

" hii tannuu... and arjun... is ur duty to look after Arya today???!!"
....said mona whoz sitting on a sofa carrying 'varun' in her arms...

" monaa.. leave abt us now.. look at u once... you dnt evn knw how to hold a baby and god has given u twins... and by the way where is 'vrushali'..?"
.....asked tanmaya adjusting the laptop

" oh my god.. she is just unpredictable... varun is soo calm... just lyk shravan... he never messes vth anything... n vrushali is jst mad... if she wants smthng she will cry for it until we give it to her..."

..... said mona adjusting varun in her arms....

Just then shravan sits beside mona carrying vrushali who is holding a toy..

" hii arjun and tanmayaa... good to see u..

Hiii aryaa.. iam ur shravan uncle..."

....said shravan and meanwhile vrushali started crying.

" i know u vrushali... now u need a new toy or wat... "

....she said looking at her daughter....

" tannuu..... god is crazy sometymes... i mean how can he give a lazy girl lyk me vth twins at a tym.... anyways... i cant do anythng vth it now....

I called u to say smthng... shravan has now enlargrd his business in paris too... he is one of the top most paid charted accountant now....

N now i need to start my designing work all over again... since when i got conceived.. .. i had stopped evrythng and concentrated on my health.. now i need to focus on my career...

And tanmayaa... iam soo proud of you... u are looking after 12 NGO s under ur control and thats a great thing.. if u ever need any help frm me.. iam just a call away frm you..."

..... said mona and cut the call.

.....

" Arjun.... this is all becoz of you....

I was just a normal girl dreaming abt my career wen i came to mumbai.....

But u have changed me.... the girl who always worried abt little things is now able to look after 12 NGO s in the city.....

Every girl has thst potential to deal vth the toughest challenges in their lyf if they have a partner to support them and trust them.....

You always said abt ur feelings to me bt i never said these things to you.....

iam lucky to have you in my life arjun.....

Infact every girl would be lucky if they get a husband lyk you in their life....

I love you arjun... love you soo much....."

.....she said and sealed his a lips lovingly... arjun too kissed her vth the same passion..., holding Arya in one hand and gripping his Tanmaya vth other hand...
