

Artillery Course Program

It is a design of kingdom college ministry towards; the conversion, crossing and the connection of the man born again to the spirit of Christ, the spirit of our age.

We need to be converted from carnality unto spirituality, because this is a spiritual age where Allen born again must become spiritual to be able to connect and receive from Jesus, because He is spirit and only a spirit can connect to God. Even as some of us bare born again, there are works that's needed to be done in order to crush and subdue the flesh so we can become spiritual. The holy spirit is waiting to be made manifest, but the carnality of man stands as a great hindrance.

Therefore a conversion is to take place, both in the physical and in the spiritual;

In physical; to suffer the flesh and deny it of it's satisfaction which causes the spirit man to be heavy when it comes to spiritual things.

In spiritual conversion; to give our life time to God, abiding in His presence to build the holy spirit in us into a giant in order for him to break out of this shell of flesh that encroaches. Then we can become spiritual enough to cross over to Jesus, because the tunnel is a spiritual tunnel where only spirits can cross with an ID of purity and no flesh can enter. The slightest fat or load of flesh will stand as a hindrance which will cause limitations in God's kingdom government. Note that this flesh is also a spirit.

Crossing the tunnel is on sanctification, it's like a snake crawling through tight crevices to scratch it's old skin away to reveal the new. The course of sanctification is fifty : fifty, man has to pay the price by involving himself with God, which is his righteousness, to yield to the holy spirit. It is the holy spirit in a man they sanctifies and purges all that hinders to become a holy and sanctified vessel before God.

God is holy and He wants to make His home in our heart and unless we're purges of all impurity He cannot come in. But when the cleaning is done; we are not the one cleaning the holy spirit is our cleaner. And the Lord is the one who knows when the cleaning will be over, not us, our job is just to wait and when He comes in, we'll be restored back to the original position he ordained us for, to be used as his vessel to establish his kingdom here on earth in the hearts of men.
