Assessment 3: Teaching and learning environment

INSTRUCTIONS

1. Engage with different readings to answer the assignment question.
2. Read the following abstract and watch the video about the quality of the school in South Africa.
3. Read and understand the assignment question
4. Words should be between 350 to 400 words

In all aspects of the school and its surrounding education community, the rights of the whole child, and all children, to survival, protection, development and participation are at the centre. This means that the focus is on learning which strengthens the capacities of children to act progressively on their own behalf through the acquisition of relevant knowledge, useful skills and appropriate attitudes; and which creates for children, and helps them create for themselves and others, places of safety, security and healthy interaction.
