DEPARTMENT OF CURRICULUM AND INSTRUCTIONAL STUDIES
COLLEGE OF EDUCATION
UNIVERSITY OF SOUTH AFRICA

You need to include a completed and signed copy of this form when you submit your Assignments for this module.
Assignments without the form will be cancelled and returned unmarked

The Department of Curriculum and Instructional Studies places specific emphasis on integrity and ethical behaviour with regard to the preparation of all written work submitted for academic assessment

Although your lecturers can provide you with Information about reference techniques and guidelines to avoid plagiarism, you also have a responsibility to fulfil in this regard. Should you at any time feel unsure about the requirements, you must consult your lecturers before you submit any assignment

You are guilty of plagiarism when you extract information from a book, article, web page or fellow student without acknowledging the source and submit it as your own work. In truth, you are stealing someone else's property. You may not use another student's work. You may not allow anyone to copy or use your work with the intention to submit it as his/her. Students who are guilty of plagiarism will forfeit all credit for the work concerned. Plagiarism is a serious violation of the University's regulations and may lead to expulsion.
The under-mentioned declaration must accompany written assignments. **Your assignment will be cancelled and returned unmarked if you do not include a fully completed and signed declaration form.**

I (full names and surname):

Student number: Module: BPT1501

Declare that...

1. I understand what plagiarism entails and am aware of the University's policy in this regard.
2. I declare that this assignment is my own, original work. Where I used someone else's work, whether a printed source, the internet or any other source, I give the proper acknowledgement and include a complete reference list.
3. I did not use another current or previous student's work, submitting it as my own.
4. I did not allow and will not allow anyone to copy my work with the intention of submitting it as his or her own work.

Read the following passage and then respond to the questions based on the given passage.

The parents at Progress full service primary school were concerned about lack of technological resources in their school. They went all out to fundraise to get their learners the technological tools. Luck was on their side. They got a huge donation from the richest person in the whole world. The donation consisted of 150 personal computers installed in three classrooms, 200 laptop computers stored in one big strongroom, 400 tablets and uncapped Wi-Fi connection for the next three year. The school security system was also upgraded to top of the range for safe keeping of the technological devices.

Most of the teachers at the school were so excited and had high plans on how to use these tools in teaching and learning. Ms Explorer was one of those teachers who was keen to use technology in teaching and learning. She attended the training that was provided and resolved to start teaching her learners using the technology right away.

She created chat groups and initiated conversations in those groups. Very few learners were participating in those groups. Ms Explorer was disappointed and frustrated.

1. Give some advice to Ms Explorer on what she must do to try to involve all her learners in the chat groups. Your advice should consist of six strategies that Ms Explorer can use and an example of how Ms Explorer will use each strategy to improve the situation. (30)
   Marks allocation: 2 marks for each strategy and 3 marks for the correct example and showing how the example will be used.
2. Ms Explorer has deaf and blind learners in her class. How can she accommodate these learners in the chat group? Give one strategy for accommodating blind learners and one strategy for accommodating deaf learners and an example of how Ms Explorer will use each strategy **(NB. Do not repeat the strategies mention in 1 above)** (10)
   Marks allocation: 2 marks for each strategy and 3 marks for the correct example and showing how the example will be used.
   TOTAL 40
