ASSIGNMENT 6: CREATIVITY AND INNOVATION

1. BLOG ACTIVITIES**:**

In Learning Unit 5, please complete the following activities in the blog area of your personal group site on MyUnisa:

-Activity 5.1 (Relevant technologies for teaching and Learning) **(1 5)**
-Activity 5.3 (Integrating technology into learning) **(1 5)**

You should then paste a copy of the screenshot of your blog entries at the end of the assignment below as evidence of having completed them. (and for marking purposes).

2. ASSIGNMENT TASKS:

There are a variety of technology tools that can be used to enhance teaching and learning.
You want to teach learners in your class to appreciate a poem or a song.
The song /poem must be meaningful and thought-provoking to your learners.

You need to do the following:

Compose a poem/song appropriate for the learners you plan to teach (any phase/grade).

2.1 The poem/song can be written in any language but translated in **English**. Indicate the **title** of your song/poem, intended **grade** as well as an **introduction explaining** what your song/poem is about. **(20)**

2.2 Your song/poem must have an **appropriate message** for learners in the grade to enjoy it. **(20)**

2.3 **Record** the poem/song and **publish** it on YouTube. Ensure good sound effects. **(20)**

2.4 Create a **link** where to find it and listen to the poem/song. **(5)**

2.5 The **duration** of the poem/song should be: **(5)**

- 5 minutes long for FET
- 4 minutes long for Senior Phase.
- 3 minutes long for Intermediate Phase
- 2 minutes long for Foundation Phase

TOTAL MARKS: 100
