

Authority In The Name Jesus

The name Jesus is a name given to represent authority over all authorities. At the mention of the name " Jesus " every knee must bow and every tongue must confess Jesus is Lord. The name " Jesus " is not actually His real name, it was given for our sake to secure our faith and to manifest the authority of God on earth. It is a mantle given into those who believes, without it, we as children of God won't be clothed spiritually.

However, just as the name " Jesus " has authority over all, we cannot operate and function in the fullness of that authority, unless we climb higher. It's not enough to have the name " Jesus," yes, you can call on His name out of faith and He'll respond immediately to save you by His grace and mercies, but there are times when you call on His name and nothing's happens.

Let's be honest, how many time have you called the name " Jesus " and nothing happened? But someone else did and something happened. How many times have you really needed Him and you call on His name, still nothing happened? Even if something does happen, you might have prayed and prayed long enough before you break the barrier to reach that level where His authority over that situation in your life lies.

We born again children of God are limited to the flesh, although having the spirit of God in us, we cannot resonate with God's spirit fully to operate in His dimension, because we are been limited. Our limitations are birthed from sin, man fell from the highest authority God designed him for, a position, ranking even higher than Lucifer Himself. We are like God in his likeness not just image, but in His likeness. However, sin has reduced us to the lowest, even lower than the animals and this is why Jesus came, not only for salvation, but to restore man from his fallen state and the name " Jesus " was given to enable us climb back to the original position God made us for.

Wherever there is a downfall, there should be a rising up, we have lost all authority, in order for us to recover our true nature of authority in God, we must accept Jesus to become bearers of His name of authority as He lives in us and us in Him. Without Him we cannot cross the gates of higher authorities as we bear His name as mantle of authority.

We must strive to meet the requirements to function in our level of authority in His name in order for the gate keepers to let us through into a new dimension of authority in Christ Jesus. However, you cannot function in the authority of the name " Jesus " if you don't carry His life, a dead man can't say anything, and a man who's not fully healthy spiritually can't function fully in His authority.

There's no other name like the name "Jesus," the name gives expression and glory unto God. Well, we don't know His real name until we shall be with Him (Revelation 19:12), but we do know Him as Lord. Our lives lived as a sacrifice is our true act of worship, still we give glory to God through the name Jesus, His name is an avenue for Him to find more expression both in the spiritual and physical aspect of men.

It is the life of Jesus that saves, not just His name, believing on His name activates this life in us that rules out the death process of man, sin is death and except we receive life, we gradually die spiritually. That's why you see the generation of old, although they haven't heard the name Jesus, but their names are written in the book of life, because it is the life of God given in obedience to man that saves, if you don't believe and obey, it won't be given. The name Jesus was given as an authorization unto Jesus for men to function in, to be restored back to his original position.

Life and authority are interwoven, there is authority in the name Jesus, but where there is no life. Authority in Jesus can't function through man, unless we grow to harness more of God's life through His word, only then can we walk in His life to manifest the authority in the name Jesus. That's why we spend time in the word, devouring it, we don't do it for knowledge of the history, neither do we do it to preach the gospel, no, we devour God's word daily, God's word, to be filled with His life.

The one who spends more time on God's word, the one who gives his life time to feed on the word and in prayers to activate the fire of the holy ghost to ignite his offering unto God, will be filled more of the holy spirit. We'll exercise the authority in the name "Jesus " in accordance to the degree we're being filled and immersed in His life to become dominated by the holy ghost. Unless you're filled with the holy spirit, you cannot be filled with the life of Jesus to walk in the fullness of His authority, because it is the holy spirit that propels us to be filled with God's life

We won't manifest the authority in the name Jesus in greater dimensions if we don't have excess life in us, It is the life that carries us, but it is the authority that breaks the limit to journey further through the gates of the spiritual to get to God. In summary, it's all about a relationship. You can't become more intimate with God if you have little life and less authority because, there are spirits that'll block you from getting closer to God and if we don't get closer to God, we cannot be restored.

It is His relationship that restores us back to the original position He made us for; to walk the dimensions of His kingdom on earth. You know, we born of God, are glorious beings, but our glorious nature is being sealed in heaven, that's why we are of the world but not a part of it. It is so, because we born again children, our spirit man has been restored to his original seat in heaven, but we have to walk the earth to invest more in the spiritual to transform our heavenly being into a more glorious nature, for us to do that we have to wear the flesh.

However, wearing the flesh has restricted us from accessing that dimension unless work on our relationship with God, it is our relationship that births life and life gives us access to higher authority in the name Jesus to access and utilize the dimension of heaven on earth to the fullest, then we can live and work for God to invest in eternity.

As long as we are on earth, we'll continue to rely on the name " Jesus " as a gate way to break through borderlines of territories in order to connect to the heavens, but the level of our authorization to use that name matters and it differs.

Only those who subscribe to live the life of Jesus as a sacrifice unto God can. Our lives lived as a sacrifice ushers us into higher authority in the name Jesus. The worth of your sacrifice will determine how much authority you'll operate under.

It is the life of Jesus in you that'll manifest His authority when you call His name, at times you don't even need to call His name, still He manifest His authority, because you are clothed in his name like a mantle. The name seems to work different for us because of our relationship, it's one thing to be saved it's another to have a deep level of intimacy with God.

Life is birthed from intimacy with God, men are judged by life in the spirit realm, the worth of how much life you weigh will determine your ranking in the spirit and your ranking in the spirit will determine your level of authority in the name Jesus, you can't operate above your level.

In order for unbelievers to unlock authority in the name Jesus, they must first harness life which comes from the word of God, and you can't harness God's life from His word if you've not accepted Jesus to unlock that life, God's word are packed with life, they're life carriers. This is the first level of authority in the name Jesus.

Let's be honest, the Lord is always with us but, why is it that when demons have influence over the lives of some of us, we feel suppressed? No, let's not use demons as they are of higher rank, let's use witches. When a child of God is filled with life, even a Witch can't come close to his radar, and as he grows more, the fire of God that engulfs him will burn even fiercely as a pillar of fire. The presence of God in him expands, making it impossible for evil to trespass his barrier, if you're living under such a man and you're an unbeliever give glory to God, don't just step out of his covering.

However, even as witches are low ranking entities, why do they still have dominion in the lives of some children of God? It's because, of their low level of authority through the life they've harnessed in Jesus. You can't deny the authority of Jesus, but the spirit realm function based on authority and they function with you based on how level of authority you choose to have, it is your decision, no one will force it on you, they can only help you fan it by telling you what to do as you yield to their government

Even occult use the name Jesus, the devil suppress demons with the name Jesus, why because the name does not necessarily carry life, unless the one who functions on that name carries the life of God. For the realm of darkness, it's just like a camouflage, to manifest the powers of darkness on earth to sway men, to keep men in check from having access to the true source of life, " Jesus."

In the end it's all about God's kingdom, restoration to manifest the kingdom of God on earth and we can't do that without being restored to our original nature of authority. The name " Jesus " gives us access to function and utilize this God given authority on earth.
