WHY I WROTE THIS BOOK

God Wants You To Succeed!

You decide the successes and miracles of your own life. Yet, many are failing to obtain the achievements that others experience daily. That is why I felt so stirred to show you the obstacles you must overcome to obtain the success—the goals you are setting.

That is why I wrote this book.

AN UNTEACHABLE SPIRIT

Learning Is Always A Choice.

An unteachable spirit is an unwillingness to change. Millions refuse to implement new and vital information as it becomes available.

Imagine a *lawyer* who refused to read new laws and update his understanding. Would you choose a *surgeon* who was unfamiliar with the latest discoveries?

The most successful businesses are those who *adapt* to new policies, produce new products and keep informed. They consult with experts. They analyze their own procedures. Growing means changing. It's a part of prospering.

Books are crammed with information from years of research. Tapes

are made available for the price of a simple meal. Magazines are mailed free of charge. God placed Seeds of greatness within us at birth. You and I are responsible for growing those Seeds.

► You Are What You Have
Decided To *Become*.

Are you unhappy with yourself? Dare to reach for new information, new teaching and new truths that will elevate you and build your relationship with God. If there is a sin in your life, repent and rededicate your life to Jesus Christ. Allow His precious blood to cleanse you, and He will restore that fellowship you need with Him.

Invest in literature and teaching tapes. If your car is worth \$60 of gas, surely your mind is worth growing! Do not bankrupt your mind! Do not starve your heart. Feed it what it desperately needs.

“My people are destroyed for lack of knowledge,” (Hosea 4:6).

“A wise man will hear, and will increase learning,” (Proverbs 1:5).

“...if thou criest after knowledge

...if thou seekest her as silver, and searchest for her as for hid treasures; Then shalt thou understand the fear of the Lord, and find the knowledge of God,” (Proverbs 2:3-5).

There are two types of knowledge:

1. Wisdom—learning from the mistakes of *others*; and

2. Experience—learning from *your own mistakes*.

Knowledge is exploding all around us. Mighty men of God are sharing with us their expertise on faith, financial blessings, the power of God, and teaching us many principles of success for marriage, purity and every part of our lives.

► *Dare to accept change!*

► *Dare to listen to new ideas and concepts.* God may want you on a new job, in a new city. Your best days are just ahead! You can make it!

► *There are reasons for failure.*

It is crucial that we locate the “bottleneck” in our lives and activate the success and happiness that belongs to us.

What God
Did Not Give You-
He Will Take Back
Something He Gave You.
