Dear Sir / Madam,

RE: THE KENYA HIGH SCHOOL ANNUAL BIOLOGY NATIONAL WORKSHOP ON 11th MARCH 2023.

Following the emerging issues in content delivery, revision, setting and marking of **Biology**, we have organized a one day workshop for Biology teachers on the date indicated above. The event will start at 8.30am at The Kenya high school old dining hall.
The following concerns will be addressed during the seminar;

i) **Marking techniques and emerging issues in Biology KCSE Papers 231/1; 231/2 and 231/3.**
ii) **In-depth trend analysis and projections for 2023 KCSE.**
iii) **Interactive session on the new setting trends with dummy questions with respect to alternative approach to syllabus coverage.**
iv) **Effective preparation of candidates and what it takes to produce outstanding results in Biology during the course of four years.**
v) **Chief examiners report**

There will be speakers in paper 1, 2 and 3 and the workshop will be graced by the Chief Examiner paper 231/1, Mr. Samuel Muluka

There will be a facilitation fee of **Ksh. 2,500** per participant to cater for certificates, meals, stationery and other facilitation logistics.

Yours faithfully,

Mr WALTER NDEGE
