

Thank you for your interest in joining Ethiopia Intake 2 of the Bloomberg Media Initiative Africa Financial Journalism Training Program!

The Bloomberg Media Initiative Africa Financial Journalism Training Program is a comprehensive and integrated curriculum comprising eight modules: Financial Journalism, Media Landscape, Public Policy, Data Analysis and Interpretation, Accounting and Finance, Financial Markets, Environment, and Economics. Structured for part-time study, the program is delivered in seven compulsory study blocks, each lasting 3 to 4 lecture days. Delegates are required to attend 22 in-person classroom days over seven months, beginning in September 2025 and ending in April 2026.

This prestigious executive program is designed for mid-career journalists, finance professionals interested in business journalism, government professionals responsible for public policy, communications, banking/finance portfolios, development practitioners, and civil society professionals interested in African development and financial and economic data.

Before starting the application process, please [click here](#) to review the entry and application requirements. When you are ready, click "Start Application" to begin or "Continue Application" if you have already started.
