Beauty Of Knowing God

“"The fear of the Lord is the beginning of wisdom, And the knowledge of the Holy One is understanding.”
[Proverbs 9:10]

No one knows God unless such Journeys in God, walks with God. And no one understands the ways [Heart] of God unless such has known [become] Love [God].

The Heart of God will remain hidden only to the prideful, those whom have rejected Love. And as one born of God, the first basis of rejecting love is; rejecting even one smallest letter or the least stroke of pen of the written Word. Rejecting Love is exalting self [darkness] above God and to one whom exalts self, to such shall be taken over by darkness. Every rejection of the Word becomes the gradual destruction of our spirit being as we're being filled with a great and terrifying darkness. God is Light in whom there's no darkness [lesser light], you want to see [become] God? Become as He Is on the basis of your love for Him.

There's nothing new under the sun, the difference amongst men here and Eternity is their love for God. We all chose to love differently. If we can reject the written word of God, how much more then will we not reject the Voice of God in our Heart which constantly speaks to us not only to obey, but as Light to correct from darkness to light.

This is plain for the simple minded; every debate in your heart, every decision made in your heart through your mind, from your waking up to your going back to sleep, it is a battle between Light and darkness. Your very decisions will become either your destruction or restoration to the fullness of God. Hundred Billions of Christians, born of God, yet destroyed; I mean, a failure before God, a very poor shadow reflection of God, because they have willingly chosen self [darkness] over the Word and the Spirit [God Himself].

Your every decision, will either be a minus or a plus in your spiritual progress. Your decision as a Christian, and what you do with every breath, how you live every breath will either subtract or increase

God in you. We have will to do as we do, but the Examiner, the True Judge who is "Just" is there at the finish to give to every born of God according to their works [love].

How do you live? Are you abiding always in God, constantly in relationship with Him in your heart by;

- Hearing God's word to heart or by meditating, feeding on His written word slowly, attentively and repeatedly not for anything else but to know Him, [His will, His Heart] to become more of Him as you He builds Himself in you by taking in His very Life.
- And also constantly talking to Him in your heart in; Hymns, psalms, spiritual songs, making melodies in your heart, acknowledgement, thanks...

These are Anointed words for you;

- Take more of me and give me more of You
- Locate me in your mercy, Lord Jesus
- In the name of Jesus, the blood of Jesus Or Just the name “Jesus”

Constantly saying these in your heart. You're not bound by these, Just talk to Him in your heart as a person. Relationship with God is simply knowing [becoming] God.

Apart from these, I often Repent whenever darkness [nature less of God] is revealed in my heart and I do talk to Him often as a person, involving Him in everything; to see what He sees, to know what He knows, His opinions. Just talk to Him, He is a person.

Are you always hearing and obeying the Voice of God? God speaks more with a still small voice than audible or visions. Will you love Him enough to seek Him in that still, small voice or will you reject Him? That still small voice in your conscience is not one of your thoughts. Whenever it seems as though two people talking in your mind, it is either God or satan, then you are the one standing by waiting to decide whose side to take on. Our human minds is always influenced by spirits [God's spirit or satan's], there's no neutral.

People of God, for the salvation [restoration] of your soul, we'll keep repeating words given you already. And the servant find it hard to resist the spirit of God to say of these plain basis... We are free to break commands of God, but This is Voice of God;

Do not paint your lips, do not paint your face, your body, do not expose your knees, chest, tummy, back... Do not wear trousers as a girl or a lady, do not use the swimming pool as an excuse to bath naked with others. You cannot walk with bikinis, bloomers or underwear on the streets but you have the boldness to do so In a swimming pools, can't you see that there is a demonic influence behind it. It is like a pastor who dresses decent in the pulpit but wears shorts outside the church. You wear shorts in the streets but you cannot wear underwear in the streets.

What is the difference between a short and an underwear? They are but the same thing, satan only changed the name just as he changed open bath to swimming pools. You cannot see because you have been blinded by demons and your heart darkened. The reason you are not yet wearing underwear in the public, just as you do in the swimming pool is because there is not yet enough darkness for satan to authorized it and veiled the hearts of men more with darkness. The moment he does, you too will suddenly find it normal to wear in the public the underwear you wear underneath your shorts, if you wear any that is.

Man did not become naked in a day, it took processing, but many have been so filled with darkness they cannot see they're under demonic influence filling their heart with darkness, limiting God in them as they live in rebellion to the government of God. Ask yourself, why does every woman find it normal to properly cover their body from neck to feet in the early 1900s? Why do they suddenly began to lust after trousers and clothes revealing their body?

Why has anyone in the church not given a testimony of being Inspired by the holy ghost to invent such nonsense. The church often Imitates the world which never copies the church. A woman ought not to wear trousers and cloth exposing her knees. Take this Revelation from God;

When Adam and Eve sinned, they covered themselves with fig leaves, In other words; they were literally putting on shorts and revealing their nakedness because of darkness in them. But God in His

love sacrificed an animal and made a fine clothing for them, properly covering their nakedness. An exposed knee is nakedness before God, how much more revealing your chest or below your chest. It would be foolishness also for one to expose his body in that world of mosquitos and thorn bushes or branches, or cold.

Why does some of the Asians who don't have access to bibles, or Muslim, or traditionalist or religion who do not know God, yet they cover their body properly and some of their women refuse to wear trousers? It is because; since Christians have willingly chosen darkness, the government of God has moved from them and come upon even the unsaved to represent His Heart, even though yet unsaved. This only is not about us, This brings balance to the world and also erases darkness. Because even if an unsaved willingly cover the body properly, the heart to represent God unconsciously then becomes incense to Life to destroy thick cloud of darkness in the world.

The more people dress naked to represent satan, the more people live contrary to the word, the more darkness increases also, because it is an incense of darkness. The heart of every man is an altar and what we do especially in the flesh, our motives also becomes the sacrifice to raise incense of either life or death. If the Christians will live contrary to the word, then God will use even the unsaved to represent His Heart in other to destroy, erase darkness. You can question this but you cannot questions why sexual immorality is more increased in certain places, because it is the Spirit of sexual immorality they represented the most there, by their dressing and by their actions. Every drop of water forms an ocean.

When the rapture happens, many Christians will go by the Mercy of God because they are saved by grace not because they loved God. Jesus is coming for His bride not His church, the bride are those whom have chosen the path of death to live for God. The bride is part of the church, yet separated. Jesus is preparing His bride, those who lived for self yet born of God, they'll be saved but like a guest in a marriage they will be. A guest does not enjoy the life benefit of the bride, he is but a guest. Like unto this it shall be for all Eternity. Let's not get far; The church, those born of God yet didn't live for God, it is by mercy of God they will be taken. They'll go by God's Mercy because they too are the cause of great wickedness in the world.

Your every action contrary to the Heart of God also is like a drop of water in an ocean giving satan more power over men do evil. Of course man has will, Yet you're part of it. You accuse the world of being wicked, yet you also are a contribution to darkness by living for self rather than God.

This is mystery of God, Christians who represents the Heart of God, they are Throne of God, Government of God influencing and dominating the earth with the nature of God and allowing God to interfere with the affairs of the earth and to bring His Heart into being.

Those who Live the Heart of God, whenever Christians lives for self, these Christians whose heart has become Throne of God begins to influence even the unsaved to live the Heart of God, this is why you see some of the ungodly dressing properly and even trying to be good. Normally a man who is not saved will live completely for darkness because satan never want anything of God and anything of darkness will live completely opposite of light, why then does the Hindus, Muslims dress properly and try being good? It is not because they are religious, but because a Christian whom has become a Throne of God.

A Christian whom has become Love [the Heart of God] in a distant country, the spirit of God in him or her has covered the earth to influence the whole world to live the Heart, Government of God even though yet unsaved. And they are the only reason why some of the unsaved who have heart to repent are still alive, including Christians who lives for self, because they are the preservers of the earth and God's Hands of restoration to the world. Through them, God gains legal access to regulate the affairs or the earth which man has given to satan, and also through they whom have become Love, He destroys all that is darkness, else darkness would have completely make this earth and man himself to self destruct.

Christianity is not a religion, Christianity is becoming Love [God]. This is plain purpose why God created man; to replicate Himself. You're the one who fail to see you're living in a world of darkness ruled by Lucifer [the god of this world]. You're either living the government of God here, bearing fruits of Life Eternal or you live in darkness and reap destruction within. The government of God always will give life, but the government of Satan, death within, without.

Parents do not force it upon your little ones to dress like the world and to feed them with that which is not God's. Your judgement will be severe for destroying these little ones by forcing darkness into their heart if you don't repent.

Do not change or replace the nature of God with surgery or manipulation for beauty or fashion sake, do not replace your eyebrows with crayons, no artificial nails and paint, no contact lenses, do not lust after artificial hair or eyelashes, body piercings, do not wear jewellery for prideful reasons [self], take care of yourself but no changing of personality with make up, a made up personality… ask jezebel and she will tell you she only uses make up when she wants to seduce and destroy. And as Christians, your make up might not necessarily destroy others but it destroys you, the very person who does it, because all disobedience Is darkness. These properties of the world are but means of disobedience, rebellion to God.

Do not tattoo your body, do not wear high heels to walk seductively as a woman. If you want to truly know high heels are demonic, let Jesus heal a woman who has been paralyzed for years wearing only flat shoes, and you'll see the first thing she buys is a pair[s] of high heels. Did Jesus heal you to imitate the world so you can walk seductively? And also you have not seen how the demonic queen of the coast walks; a lady who wears high heels and a lady who always pridefully flips her hair with her hands or tilt her head backwards because of her hair... that's how this demon pridefully display her royalty and power. If you cannot see, you're the one who is carnal without eyes to see.

Do not wear tight clothing revealing the curves of your body, do not wear transparent clothing, do not wear transparent clothing even though it is covering your chest or thigh, no sagging of trousers, no designer's boxer short, no torn and tattered clothing, do not willingly see and hear that which is not inspired by the Spirit of God or that which you can never find in heaven... If all you do cannot be found in God or in heaven, stop it immediately and Repent. From your thoughts, words, actions, if you cannot find God do doing the same, Repent!

Worldliness is a spirit like a tree which continues to bear fruit as men will continue to invent new ways to live contrary to the word [Heart] of God. That's the duty of the Holy spirit to reveal. This is

command from God, we'll not say more than that neither will we give in-depth revelation on these.

Little things such as these, yet has created the greatest damages in the body of Christ apart from sex before or outside marriage. Little things such as these, yet has caused greatest darkness in the spirit being of many including servants of God, because many have willingly become Imitators of the world rather than God, lovers of the world, self [darkness] rather than God, an Adulterous generation, born of God yet married to Babylon, Jezebel [the world] by lusting after and having regard, or not having detest for her properties, merchandise which are designed, invented and inspired by satan for men to become filled with great darkness by their disobedience to God through that which are contrary to the Heart of God.

Disobedient generation, without eyes to see that the reward for disobedience to the Word [God] is great darkness in the soul [the real self], limiting the fullness of God. Repent! You'll not listen. The spirit of God is crying out, Repent! Repent for night cometh when no man can.

Majority of Christians causes Jesus great grief than even the wickedest of the ungodly. You do not know the heart of God because you do not love. Jesus is grieved not because He is at loss, no He is grieved because you are the one at loss. Your Obedience to God, your love for God does not change who God is but rather changes who you are, because you are given the Word as grace to become Love. We're given grace to love, in other to become Love [God].

Those who have heart for God, yet this is new to you even though there's nothing new under the sun, the word of God is our standard, Here;

- [Leviticus 19:1,2,28], [Deuteronomy 22:5]
- [2 Kings 9:30], [Jeremiah 4:30]
- [Proverbs 31:30], [Isaiah 3:16-23]
- [1 Timothy 2:9-10], [1 Peter 3:3-5]
- [2 Timothy 2:4], [Matthew 4:4]

- This is separate message, yet the same. Give your Heart attention;…….

For everything contrary to the word we willingly give attention to, it becomes darkness in us. If seeing the word of God in our heart can fill us with Life when we genuinely give our heart's attention. Then more also, willingly giving our attention to shorts, women on trousers and even admiring that which is not of God or anything contrary to the word fills us with darkness. This is hard to accept but it is Truth. Because giving attention willingly to that which is created, invented contrary to the word, to represent darkness or giving attention willingly to one who is reflecting darkness becomes darkness in us.

As spirit beings, we become what we give our attention to [darkness or Light]. It is not necessarily what is seen or perceived physically, but the darkness behind it. You don't necessarily need to touch a perfume to smell and inhale it's substance, neither do you need to eat an orange fruit to know it's taste because of the aroma. The one who eats is destroyed more than the one who inhales.

The only remedy to survive being filled with darkness of worldliness in this world is to constantly abide in God by praying without ceasing, detesting that which is contrary to God and the blood of Jesus which erases every darkness replacing with more of God, [A Journey of repentance]. If we know this, if we live this revelation we'll be surprised how fast we'll be changed increasingly and speedily into the likeness of God, Holy as God Is. And we'll have heart of joy like the Apostle Paul, knowing that the thorns of the flesh, the beatings of the flesh, the stings of death are but tools to make us become more of God and not to destroy us.

This is Truth, the more we become Holy as God is, the more our heart becomes uncomfortable with any thoughts, words, actions and anything contrary to God. The more we become Holy as God is, the more our flesh feels weak and prone to sin whenever darkness is presented before us. This, God allows as grace, not to destroy us, but as a red light that we should turn our attention immediately away from darkness to God. This kind of life is quite impossible for one who is not living for God because, it takes genuine willingness and the spirit of God for one who is living for God to constantly think thoughts of Jesus and keeps the Heart constantly, engaged, fixed on God.

Take this Parable; the one whose nose is more sensitive to poisonous gas will be more healthy than the one who is less sensitive, because he has awareness to turn to safety immediately than the other who becomes gradually destroyed before he becomes aware.

This is what happens as we become more of God. The more we become more of God, the more we feel the weakness of the flesh or disturbed in our heart even by the slightest darkness. There is grace to withstand darkness when we are there for God's purpose, but if that same Christian see darkness... An evangelist can witnesses to a prostitutes without his heart being breached by darkness, but if that same evangelist at the given time without a heart of evangelism, without heart of compassion for restoration, without purpose of God sees that same prostitute dressing naked, his heart will become breached by darkness if he willingly gives his attention.

Why is it that when we were once sinners we could watch on television that which is immoral and even far worse "beyond that" without being bothered. Why then is it as we became born of God, the very thing we once saw as normal in the past [although destroying greatly our heart without us knowing], we now find it difficult to see? We now feel as worse sinners than we were while in sin? Because as we become more of Light which exposes darkness, we begin to be more aware of darkness within, without to keep us from being destroyed.

This servant will speak of himself; giving attention to a woman on short or in trousers without seeing through the eyes of Love is enough disturbance in his heart, not because he has fallen, no, but as a red light to get his heart's attention away from being defiled. Not only what we see, but also our thoughts. The slightest perversion of the Word in terms of how to present our body is enough for the servant to perceive spirit of lust emanating from the object or the person….

And definitely also, if God does not allow this, he will not be a suitable vessel to reveal these Truth, because the prideful will say it is because they are strong and others are weak not knowing their pride is the very thing which has hardened their heart from being sensitive to the Heart of God. If God must use a person, he must break and humble the heart.

The only way for God to make man turn his attention away from darkness is for the flesh to be disturbed, else like a paralyzed hand In a fire, we'll remain in darkness. This gives grace of Humility to become more of God by Repentance and to be entrusted more of God's divine nature.

The more we become Love, Holy as God is, the more God becomes jealous of our Heart, I mean; the more He doesn't want our heart to be defiled even by the slightest darkness and the only way for Him to do so is to allow our flesh to become very weakened or our hearts becomes disturbed to presentation, reflection of darkness, so He can get us to give our attention to Him who is Light and also as grace of repentance to be entrusted more of Him even though we know we're standing strong. Without darkness, there can be no repentance, just as without the word, there can be no Obedience.

This is benefits of darkness to a Christian. People of God, the flesh is not the real you but the spirit being where Jesus dwells. Every darkness or external forces ends in the flesh and cannot get to the spirit unless we allow it. God allows our fallen nature as a gift to become more of Him. Your heart as one born of God is perfect, but yet not the fullness of God. The flesh then, is used as a tool to reveal how far off we are from God, how less of God we are, giving grace of humility and love to seek to become perfect as God is.

We do not detest the people, but the darkness reflected through them. We have love to see Jesus in them who is their future and compassion for their restoration. Darkness comes mainly from within not without. Darkness which comes from without is merely a spark to increase darkness within if we let it. And darkness within can also increase darkness within if we reject Jesus.

What do you do whenever darkness is presented? Does It make you more of God, does it make you involve God to know what He would do about it? [Like, How to destroy darkness?] Or does it destroy you?

Those of us who bear greater cross, who always having heart of God for the restoration of others; at times God will willingly allow satan to present darkness to you to get you to involve Him, then He'll use that very darkness to teach you, build you and give you revelation how to be used by Him to destroy the darkness for the sake of others.

And you servants of God who give seductive clothing or cloth contrary to the Heart of God to your little ones of five years of age or whatever, just because it seems normal to you that doesn't mean you're not filled with darkness. You become filled with darkness not only because you approve of it, but because you don't detest it and every time you see them and you don't bother about it, you take a cup full of darkness. The one who is not bothered by darkness is the same as darkness, because God is always grieved whenever He sees darkness, Impurities, why aren't you?

God is Love enough not to reveal His detest for darkness unless we genuinely desire to know Him better, because Jesus will not reveal to you what He knows you have chosen not to bear. Jesus will not reveal to us more than our love for Him. Jesus loves even the darkest of the unsaved, because He is compassion, but Love also is not darkness. Meditate over it.

God the son is compassion, else no one would be saved, but Love [God] Almighty, God in His fullness is a consuming Fire, consuming all that is darkness, else no one will have grace to become Love [the fullness of God]

Salvation lies at the end not the beginning, salvation [restoration] is a process, a Journey and the reward; “How much of God you've become.” And all that is needed is given; The Word and the Spirit of God. Your relationship with God the Word and the Spirit of God will determine how much you'll be merged into Oness with God.

If you truly fear God, you'll know the Word is God Himself.

- Disobedience to God becomes darkness in us, gradually destroying our spirit being
- Obedience is Life Eternal, grace to become more of God

The Word of God is our standard, our Government and any who lives contrary to it definitely will reap destruction. He who removes or add to it by living contrary or twisting it for self, and he who teaches others to do the same by being a reflection of darkness, their share shall be removed from the Tree [Source] of Life. Such has denied himself the fullness of God and will never return back to God as Love [God] unless such repents.

The heart that fears God is not heart of man, it is heart of God given to those who genuinely desire to live only the Heart of God. And the very basis of living the Heart of God is to obey every word of God as it is plainly given before Journeying into greater depths in God. If we fail to obey plain word of God as many have rejected the old covenant, we deceive ourselves, our future in God is questionable; running after, walking with God, yet without becoming Love [fullness of God].

The word is given not for God, but for us as grace to become Love [God]. The Obedient and Repentant, they alone shall see [become] God in measure of their love for Him. In other words, God gave Himself through the spoken, written Word and then as Spirit in the heart of those whom have built God in them by their relationship with the Word. Blessed is he whom has the Word become reality [Spirit] in the Heart, for the written or spoken word is not always with the man, However, the Spirit always is within and with the man. This is grace to breathe, to live, to step with [as] God's in other to get to the finish.

All who truly Love, like Abraham, must come to God with a Heart of Love; obeying, Living for God without yet having revelation or understanding why He has given His word. All who truly love will fear [love] God, then as it was with the disciples of Jesus In [Matthew 19:27-30] when they ask what their reward is for following Jesus, they'll begin to have revelation, understanding of the purpose of God, the Heart of God.

This is lesson from the early disciples of Jesus; they followed Jesus even though he was a man, they followed Him without knowing the future, they followed Him even though His ways and His words were painful and difficult to the flesh. They followed Jesus because they love. Do you love Jesus?

Everyone who lives for God, loves God differently. However, everyone who walks closely with God fears [Loves] God, this is a depth of love only few have willingly chosen; a narrow path, the eye of the needle...where all is erased for God alone to exist.

Those who have understanding of the Heart of God, they shall not be discouraged or faint under the weight of the cross, because they see plainly as God sees just as Jesus in the garden of Gethsemane. They know the purpose of suffering, they know the purpose of being here, they know the Heart of God.

And as we said; to have understanding is to know God and to know God is to Journey into becoming Love.

Little children, I mean to those who are babies in Christ Jesus; The heart that fears God is the heart willing to do anything for God. The one who fears God is the one who obeys every Word of God. The one who fears God is the one who's conscious of the Heart of God; what God feels, what He sees... [such Lives from God's perspective, such lives in God and through God].

“The fear of God is the beginning of wisdom.”

To the extent you Fear [love] God, to that extent you'll know [become] God. To the extent you become God, to that extent you'll experience God

To the extent you fear God, to that extent you'll walk the path [Spirit] of wisdom. I mean, to that extent you'll partner with the spirit of God to open every doors, every processing needed to complete God's building [your very Life]

If we truly have Revelation of who God is; The Holy spirit will take it upon Himself to bring us into knowing God in measure of our love for Him

“None of them shall teach his neighbor, and none his brother, saying, 'Know the Lord,' for all shall know Me, from the least of them to the greatest of them.”
[Hebrews 8:11]

This scripture shall become reality in our lives only when we genuinely fear God. It is not our duty, it is the spirit of God, the Helper, the Architect of our God's building [our very Lives] to Journey us into perfection. Our duty, ours is to Love.

“"The fear of the Lord is the beginning of wisdom, And the knowledge of the Holy One is understanding.”
[Proverbs 9:10]

To the extent you fear God, to that extent you'll walk the path [Spirit] of wisdom. The path of wisdom is progressive steps with God, it is partnership with the Architect [Spirit of God], bringing into being the blueprint of God [our true identity], restoring us into perfection, the fullness of Love [God]

"And the knowledge of the Holy One is understanding."

That is; as we take steps of Faith and Love to become perfected, more of God, then we'll begin to understand His ways [Heart] more plainly, making the cross more lighter and a thing or joy to bear for the Beauty of the Future God is building In us and creating through us.

Fear God, Become Love
Shalom
