

Becoming A Friend Of God

Sin is a reflection of lacking in the Divine nature of God. Sin is a reflection of lack of God in a man. Sin is a reflection of lack of love [God].

A man who's overcome by sin is a man who has given his attention to the flesh and not to the spirit of God. We give our attention to the spirit of God by; giving our attention to God's word to become filled with His very Life and by constant relationship in our heart with the Holy spirit. If sin revealed in us is a reflection of lack of God in us, then it is grace of repentance to become more of God

When sin is always revealed in our heart, we should always give our attention to God by abiding constantly in His presence, then that very sin [darkness] revealed becomes grace [more of Jesus] to overcome by repentance. Repentance also is giving our attention to God, for it is choosing to turn our hearts attention from darkness to Light. Sin revealed in our hearts can either destroy us by giving our hearts attention to the flesh [death] or makes us more of God by giving our attention to God. In other words; sin revealed in our heart can either destroy us or makes us more of God.

The body [the flesh] is created by God, yet fallen. Giving our attention to the body [what is seen] without a heart of Love or without a heart of compassion for restoration works in us Lust, pride... Works in us great darkness

If I give my attention to the body of a lady without seeing through the eyes of love, then I destroy my heart and eventually hers by bringing her in lust in my heart. Jesus said so, not I. If I give my attention to the pride revealed through the flesh of men, then I too also destroy my heart and if possible theirs. If I give my attention to the disease or affliction of a man without having compassion for his restoration, I also destroy by releasing darkness of hatred or self-centredness [lack of Love] out of my heart.

People of God, we're aliens in this world, placed in this earthen vessel for our eternal glory. We're not placed here for "here," we're placed here in preparation for our eternal future. We're sent here to represent light and not darkness. We're sent here to restore and not destroy. We're sent here to reflect God, to represent God as we're being Increasingly restored from death to life, becoming more of Him.

If our lives reflect darkness then we are enemy of God. If there's no darkness in us, we'll not give our attention to darkness. I.e. If there's no darkness in us, we'll not have grace of Repentance to become more of God. This is benefit of darkness [lack of God in us], to make us more of God by earnestly seeking to know Him. However, should we walk in darkness, knowing that darkness is in us. As God said;

"This is the message which we have heard from Him and declare to you, that God is light and in Him is no darkness at all.

If we say that we have fellowship with Him, and walk in darkness, we lie and do not practice the truth.

But if we walk in the light as He is in the light, we have fellowship with one another, and the blood of Jesus Christ His Son cleanses us from all sin.

If we say that we have no sin, we deceive ourselves, and the truth is not in us.

If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness.

If we say that we have not sinned, we make Him a liar, and His word is not in us."

[1 John 1:5-10]

Verse 5

We must journey to become more of God who is Light.

Verse 6

If we say we have relationship with Jesus, if we say we abide in Love and yet when darkness is revealed in us for our restoration, we refuse to repent, then we are rejecting God by rejecting His spirit of Truth. And if we reject God then we don't have love for Him, we are then liars if we testify in our heart that we still love God. Rejecting God is rejecting your original position in Him

Abiding in God presence of Light reveals constantly darkness in our heart for our correction from darkness to light to become more of him. And if for instance pride is revealed in my heart and I refuse

to repent to be given more of God's spirit of humility, then I reject the Truth and I am a liar, because Truth reveals to correct and if I reject it then truly I'm not abiding in Love. And the consequence of Rejecting God remains; Rejecting our original position in Him.

Verse 7

But if darkness is revealed In us and we repent then we are walking in light i.e. we're given more of Him who is Light. However, if darkness is revealed and we refuse to repent were no longer walking in the light but in darkness i.e. we have limited our restoration by walking in that sin [darkness] unless it is erased by the blood through repentance, then we can have more of Jesus. Sin [darkness] is our hindrance to God. And if sin is revealed and yet we fail to repent then we walk in darkness. We become hindered from journey further in God. The greatest hindrance before man and God is;

- Man's will and,
- Sin.

God is Almighty, God is God, yet the will of man and the sin is man is greater than the power of God over that man. But if we repent, were cleansed by His blood and restored.

Verse 8

If we say we have no sin, if we say we're not lacking in the Divine nature of God, if we say we're not lacking in Love [God] then we're all liars

Verse 10

"The word is not in us"

That is; if we refuse to repent, darkness then limits more of God [the word] in us.

Do meditate on every scripture by the holy spirit, He'll reveal to you according to we're you are spiritually for your spiritual progress.

If doubts is revealed in my heart, then i should repent. If immorality, lust is revealed in me, then I should repent. If unfaithfulness, greed, selfishness, self-conscious, pride, hatred, lack of love. If these

darkness are revealed in me, then I should repent of my sins to be erased by the blood of Jesus and be entrusted more of God

For this reason we desire to become more of Jesus in whom there's no darkness.

Let's not say about the ungodly; we Christians often reveal darkness by the way we dress, the way we strive to beautify flesh lustfully and pridefully by imitating the world, the way we speak, act and even think, if your thoughts is constantly dwelling in darkness, you too also are giving out darkness through the flesh. A man who is more of Jesus will release less darkness even if he does than another who is far off.

As long as we're in the flesh, we're constantly against the kingdom of God. Anyone who's in the flesh is constantly against the kingdom of God. Such is an enemy of God, because the flesh [death] always releases darkness. Whether we see it or not, the flesh always releases darkness. And darkness is against God's. Darkness destroys God's building. The only grace given to escape being an enemy of God is to abide always in Love [God] by relationship. When we abide always in Love [God], then we release the Light of God, the Life of God, we give out God [Love] to restore creation.

We should not be too quick to judge. The sinner who is smoking, the sinner who is masturbating, fornicating, the sinner bound by sin... Of course he has will to choose light rather than darkness, but we also should not become prideful, because if we're living outside the presence of God... I mean; if we're not abiding always in God's presence, we too also are contributing in their bondage to sin, we too also are contributing in their destruction by release darkness through the flesh rather than Light by the spirit from God's presence out of our hearts.

Many of them want to change, but they don't yet know how to go about it, many of them are waiting for our surrendering to God because they have been given to us as sheep under a shepherd. Don't become prideful because you repented and you were saved immediately. There are many who's salvation took processing. God allows this, because of the future is preparing them for. If my salvation process wasn't difficult and took long processing, I won't be made fit by God to be used of Him to reveal His heart of relationship. God sometimes uses our iniquity to prepare us for the future, He often

brings beauty out of the destruction satan has caused in our lives. This is not licence to continue in sin. Seek God. Hearing this message also is deliverance, because you're clean already by hearing the word, you then accept Jesus and maintain that salvation by relationship.

The problem of the world today is not satan, it is Christians who have failed to abide always in Love [God]. If God always gives out darkness from Himself, how then can we survive. Same way, we're Christians yet, releasing darkness to the world by living outside of God's presence where there's life. People of God, don't be an enemy of God.

People of God, when we give our attention to what is seen, what exactly is our heart's attention, is pride, lust, is it the darkness revealed in or through them or is it for their restoration from darkness to Light?

Is it Light or darkness?

What is it that made me turn my attention to the body [what is seen] when I do not do so through the eyes love or with a heart of compassion for restoration. Then it is lust or pride in me, it is darkness in me. If my heart is always drawn to the flesh, then how great is that darkness in my me.

- Cleanse me Lord Jesus with your cleansing blood
- Rid my heart of this great evil within that I shall be holy as your are Holy.
- Rid my heart of this great darkness within that is shall become more of you who is Light.
- Restore my heart Lord Jesus of this wretched state. Take more of me and give me more of You."

If darkness is revealed in me, then by the grace of God through the blood of Jesus my sins are erased. And the darkness revealed is replaced with more Grace [Jesus Himself]. This then makes more of God. And so Paul said he rejoiced in his weakness.

"And He said to me, "My grace is sufficient for you, for My strength is made perfect in weakness."
Therefore most gladly I will rather boast in my infirmities, that the power of Christ may rest upon me.

Therefore I take pleasure in infirmities, in reproaches, in needs, in persecutions, in distresses, for Christ's sake. For when I am weak, then I am strong."

[2 Corinthians 12:9-10]

His weakness is grace for Him to depend more on Jesus, to work on his relationship. The reward for our relationship is power [more of God]. This is Paul's testimony. If we know this, if we know this...

If my weaknesses, if sin [darkness] is constantly being revealed in me, then I'll boast in it, I'll rejoice in it because it is working in me a greater weight of eternal glory. I'll rejoice in it, because sin [darkness] revealed in me is grace to become more of God. This is Love of God for us. Sin is a curse, yet it is a gift.

A man can be poor or afflicted yet, God allows it to work in Him an eternal weight of glory. A man can experience set-back as part of God's processing to keep him, to prepare and equip him, to beauty his future. Be certain to know the mind of God in everything. Learn to see God in everything, to know what God is saying concerning your present and your future. If your negative situation is allowed by God, don't fight against God by fighting against it, but rather go through the course and pass the exam.

What is weakness? Weakness is sin, fallen nature [darkness]. Darkness is not necessary iniquity or sin, but rather all that is not of God including; sicknesses, affliction, poverty, failure. Darkness in us is meant to restore us and not destroy; This is the mind of God.

This fallen nature is gift to us, to make us become like God, for if darkness is not revealed, there can be no Light given by Grace. Whenever darkness is revealed in us, it is grace of repentance to become more of God

It is the fleshly nature to give our attention to the body or flesh [what is seen] lustfully. However, it is the spirit of God to give our attention to love, to see through the eyes of love

- Forgive me Lord Jesus for giving my attention to what is seen without seeing through your eyes of Love.

- Forgive me for giving my attention to what is seen when it does not bear any fruits of your spirit
- Forgive me for destroying my heart and that of others by giving my attention to darkness revealed in my heart. Forgive me for causing your spirit much grief.
- Thank you for your grace to stand even in darkness
- Thank you for your grace of Repentance.”

This is Heart of God. The heart of God is Holiness. As we're in this fallen nature, we must constantly invite the Holiness of God in our heart by abiding always in His Presence in prayer without ceasing. Constantly praying, abiding in God cleanses us of all impurities and darkness by the blood of Jesus through repentance. It sanctifies our heart into the Holiness of God as we take in more of Himself [Holiness], erasing our impurities to become Holy as God is.

Praying without ceasing keeps us in God's Presence where there's light, revealing every darkness in our heart. This gives grace of repentance to become more of Jesus who is Light. Repentance is simply Jesus entrusting more of Himself to us.

Praying without ceasing keeps us from sin and errors as our hearts are being bound and subjected to the holy spirit to think, speak and to act as God.

Our flesh is constantly at war with our heart. This war however, is good for our glory, because it gives us grace to overcome. I mean; for every darkness revealed in our heart, it is grace of Repentance to become more of Jesus. If we're not abiding in God, we'll constantly destroy our heart by giving our attention to darkness. If abiding always in God's presence, yet we do often give our heart to darkness how much more then will we not destroy our heart when we're not abiding always in Him. Abiding in Him is our restoration.

People of God, pray without ceasing by; taking in His very Life through His word or by talking to Him in our heart in; hymns, Psalms, spiritual songs, thanks, acknowledgment, thinking thoughts of Jesus...

“Thank you Jesus”

or just the name

“Jesus!”

Is enough. Just talk to Him.

This is relationship. Everything big starts little. At beginning it might seems difficult, but if you're faithful enough to start and you ask the holy spirit to help you continue in what you've started, definitely He will, and in due time it will become as natural as breathing.

The fallen nature is gift [grace of God] to overcome in order to receive the Reward “God.”

Our Reward is God Himself.

Love and humility [Dependence on His Spirit] is key.

- Thank you Lord Jesus for this revelation.
- Give us grace to obey your word. Your word is Life [restoration].
- Give us grace to live this revelation.

Our revelation of God is what we are. Revelation is; becoming the manifold reflection of God. This is personal. Salvation is relationship, relationship is personal.

“If I had cherished sin in my heart, the Lord would not have listened;”

[Psalm 66:18]

If I refuse to repent, I cannot approach God, I'll remain far off from God. A Christian who cannot hear God is one who's far off from God. Only love can take us to God.

Sin [darkness] In us, is our only hindrance from becoming a friend of God. Repentance is key.

God is Holy, I'm i?

God is Love, am I?

Become a friend of God

Shalom
