

Becoming Love

As Christians we're not faced with a problem, but an exam for our spiritual progress. We only need to depend on the Holy spirit to see what God sees and then pass the course. The problems faced by the unsaved are but means to their salvation. This is humility [dependence on God]. That is believing

Without humility there can be no salvation. Without humility, no one can see God. Without humility, no one can walk with God. However, humility of man's heart varies in depth in accordance to his Love for God. Humility and then Faith; all are but branches of the Tree "Love."

Without Love there's no Faith, without Love there's no patience... Where love is lacking, all other attributes of God also are lacking.

The only problem of a Christian is lack of Love. If we find ourselves in a exam [spiritual] it is because God desires of us to become more of Love. Each day is grace to become like Jesus and every second, every moment of it are tests or rather grace to become Love.

A Christian who has become Love is Christian who has become One with God. Oneness with God also is a journey as God is Eternal. For love is never satisfied to become Love. A Christian who has become Love cannot be resisted by darkness. A Christian whom has become Love cannot be cut off before God's appointed time. A Christian who has become Love cannot be hindered or stopped, because God is Love.

Relationship with the Word and the Holy spirit brings us to the Father where we become One with Him. A Christian who has become Love is as God "Here." And when Love acts, He can never be hindered from bringing restoration. When Love acts, He can never be hindered from bringing Life, it can never be hindered from bringing Light, because Love is the Word [Jesus]. And the Word cannot return back to God without it being fulfilled.

People of God;

Become Love

Shalom
