should hold his peace: but he cried the more a great deal, **THOU SON OF DAVID, HAVE MERCY ON ME** . [49] And Jesus stood still, and commanded him to be called. And they call the blind man, saying unto him, Be of good comfort, rise; he calleth thee. [50] And he, casting away his garment, rose, and came to Jesus. [51] And Jesus answered and said unto him, What wilt thou that I should do unto thee? The blind man said unto him, Lord, that I might receive my sight. [52] And Jesus said unto him, Go thy way; thy faith hath made thee whole. And immediately he received his sight, and followed Jesus in the way.

Short Message

The theme of this month's fasting and prayer program is breaking root curses. Some people might be wondering that is there root curses??, Or is it possible for someone who is in Christ to be still held under curses, well your thoughts would be answered by the Holy Spirit as we go on tonight's study.

Bible text : Proverbs 26:2

As the bird by wandering, as the swallow by flying, so the curse causeless shall not come.

We all know what a swallow is, and if we do not we have all seen a bird before and sees how it fly's about in the sky, the major means of transportation of birds are its wings, but there is something certain about the birds, no matter how high and how far they fly, they must seek rest on the land or on a tree. That is how a curse is described here, a curse that does not have a reason will not find a place to rest in one's life, this simply tells us that it is only curse that have genuine reason or foundation that would affect a person. This is also saying that it is possible to be affected by a curse.

Let's look at what happen during the time of Paul the Apostle, now we have seen that a curse without a cause will not come to pass. Acts 23:12. Now when day came, the Jews formed a conspiracy and bound themselves under an oath (curse), saying that they would not eat or drink until they had killed Paul. 13. There were more than forty [men] who formed this plot [and swore this oath].

Please, read the above passage carefully... The Jews form a conspiracy and bound themselves under an oath which is also a **curse** saying they would not eat nor drink until they kill Paul. They were how many forty of them. But in the next verse we came to realize that their plans was not fulfilled but let's now ask ourselves a question, since their plans was not fulfilled what becomes of the curse they had made??

What have they said when they were making the oath that if we did not succeed in killing Paul and we eat this and this should happen to us, who knows if they had sworn with their generation?? When the people wanted to kill the innocent Jesus hear what they said Matthew 27:25 KJV Then answered all the people, and said, His blood be on us, and on our children. **On our children** what an heavy statement to be made, but due to

the hardness of their hearts they laid a curse on themselves and on their children.

Let's ask ourselves now, would these curse come to pass or not, why because the curses has a reason, but if someone just come to you and begin to curse you without you offending him now we know that such curse shall not come to stay.

1 Chronicles 4:9-10 KJV And Jabez was more honourable than his brethren: and his mother called his name Jabez, saying, Because I bare him with sorrow. [10] And Jabez called on the God of Israel, saying, Oh that thou wouldest bless me indeed, and enlarge my coast, and that thine hand might be with me, and that thou wouldest keep me from evil, that it may not grieve me! And God granted him that which he requested.

You see that, Jabez was more honorable than his brethren yet a curse was still following him up and down, just because of what his mother said about him. But verse 10 makes us to understand that Jabez called on the name of the Lord and prayed. For Jabez to have called on the name of the Lord this makes us to know that he knows who the Lord is, he is not just knowing God, but not until when He prayed that is situation changed. When Christ came to die for us we then receive the power to break any foundational curse because His blood is greater than any covenant, curse nor oaths that could have ever been made.

Therefore there are foundational covenants that requires conscious efforts to break, some of our forefather had done serious evil things which as brought serious damage to our lives, we have heard of those whom their forefathers buried a pregnant woman alive to get rich and she laid a curse in their generation because of that can we say such curse will not come to stay?. it will certainly continue to fight that general because he God Himself said that he is going to fight the cause of the helpless. But many people have been made to believe that the moment they gave their lives to Christ, all curses are automatically removed, yes they have been removed in the sense that you now possess an higher power to break such curses through serious prayers from continuing to manifest

Let's decide not to be ignorant, root covenants and curses exists, that is one of the reasons why some people always experience failures at the edge of break through, some are barren because of this reason, some are living meaningless lives, while some can never receive good news, prayer has been given we Christians to combat these spiritual terrors that is why I always pity those who do not pray, the devil can easily play table tennis with their lives.

This evening, I would just call only three prayer point for those who feel it is necessary to pray it, It is a choice. You can still sit to believe that all your curses has been taken away on the cross without you opening your mouth to make full and powerful use of the name and blood of Jesus to break yourself loose from that covenant and curses that has been jumping form one generation to another, some family have been cursed with

abject poverty, if people are prospering in a business if they go into that same business the will begin to fall into debts, some are ancestral or generational demonic sicknesses.

Hmm this is the time to take charge and hijack your yourself and also save your family and coming generations from the evil curses and covenants of your preceding generations.

We have been praying since morning for mercy thank God for the lives of those whom the Lord have been using to call deep prayer points for us. This is another opportunity to open your mouth and cry out like Jabez.

Prayer Point One

Say, Ancestral curses and covenants that has been placed on my generation, I break you right now in the name of Jesus!!!! Take this prayer seriously and pray it more than Jabez, for a divine turn around, open your mouth and prayyyyyyyyyyyyyy

Prayer Point Two

Cry out and say!!!! JESUS CHRIST THE COVENANT BREAKER, BREAK ALL CURSES ON MY LINEAGE BY YOUR RIGHT HAND!!!!

Prayer Point Three

OUR Sovereign God and my Spiritual Father, my refuge and my fortress, my deliverer and hope, my holiness and my salvation, my joy and my eternity, I am on my knees O God pleading for you to help me to destroy my evil foundation in my paternal and my maternal families and correct the errors in my birth capable of taking me to hell fire in JESUS CHRIST NAME I pray.

Lord I pray for everyone here, who have participated in this fasting and prayer program in one way or the other that you would destroy all faulty foundations and deliver them from every kind of curses, covenants and oaths that have been holding them down from making people to see your light in their lives in Jesus name, all stubborn issues I set ablaze by the power in the name of Jesus, you shall testify. In Jesus Christ Mighty name we have prayed. Amen
