Study

Our topic for today is; building your Faith.

According to "Merriam Webster "dictionary the word building is the act or process of making structures by putting together materials Our anchor scripture will be from

Hebrews 4:1-2

[1]Let us therefore fear, lest, a promise being left us of entering into his rest, any of you should seem to come short of it. [2]For unto us was the gospel preached, as well as unto them: but the word preached did not profit them, not being mixed with faith in them that heard it.

I wanted us to look into the whole verse but because of time I will be considering on verse. Brethren answers to prayers come base on the level of our faith in God. The word faith has been misinterpreted to mean just believing God .faith is the personal conviction you get from the written,spoken and living word of God. Thank God our topic is on building and not build your faith. It then means it is a continuous process. When

your talk about building something you have to know what you are building on .the foundations of faith must be known before proper building can take place. What is the foundation of faith what makes faith in God different from the faith in other religions. What makes a believer in Christ different from a believer in Hinduism Buddhism or Islam etc

It called the foundation of their believe system. Please wherever you are lift your hands and speak in tongues, something is about to happen to us. Now talking about what makes the difference between us and other religions. Any believe system that is not coded in the Bible has effect when it comes to communicating with God. No effect please. So when talk about building our faith, first question I should ask myself is what faith am I having hmmm. For anything to grow it must have the capacity of growth in it

A baby develops in the womb of a woman because the womb has the capacity

To accommodate

To nourish

And feed the baby

So when am building on my faith what capacity do I have to build on

I will be talking on these capacity shortly When you see a believer different with results from divinity is not magic it called capacity level. Vessels can be borrowed but anointing can't be borrowed I stand to be corrected please, with all humility permit me to use Bro. Tobi as example, when he writes you could literally see God speaking why you may it is called capacity level.the bigger your capacity the bigger the anointing flows. Faith is beyond just hoping God will do the best.fait h is seeing light with your heart when all your eyes sees is darkness. Hebrews 11 talks about faith and the custodians of faith .most of them saw darkness with their eyes but in their heart they saw light. Back to the question, building your Faith starts from the foundation of sonship in colony of God's kingdom. Because faith is not motivational quotes. Alot of people quote motivational write up and think they are exercising faith. Remember I said any believe system that is not coded in the constitution of God is empty words

So what are these capacity levels

I started with sonship Romans 8 said those that are led by the spirit are called the sons of God.to be led means you come to agreement with what the kingdom of God says you agree with what God agrees with and disagree with what God disagrees with. No more who should I follow no more how people feel but how God feels because if God agrees with you and 10 million or more disagrees with you it doesn't matter. I remembered when a young walked to me and said Bro Enenu you to hard on this youth .I smiled and told him God will hold me responsible for not saying the truth. It is better you don't know the truth than to know the truth and not say it. The second capacity level or foundation we are to build on is **Trusting in God's word** Matt 6:25-27 fully trusting in God is hard to

be sincere but not with the help of the Holy spirit. Focus on God's word. sometimes that means setting aside our own plans and expectations. Building our Faith can't be without the word of God. I remembered when I was so little I always get scared with there is no power supply.

I run when no one is chasing me why you may ask? no word of God. because the word of God can never be scared rather the word of God is bold always. We must deliberately study the word of God God's word is very important. PS 119:105 talks about the efficacy of God's word. it serve as lamp and light. This another mystery entirely, Lamp and light, Praise God brethren

I want us to go back to this verse again

Hebrews 4:1-2, [1]Let us therefore fear, lest, a promise being left us of entering into his rest, any of you should seem to come short of it. [2]For unto us was the gospel preached, as well as unto them: but the word preached did not profit them, not being mixed with faith in them that heard it. Verse 2 ; faith comes by studying the word of God. nothing just exist...only God has the potency to call forth something from nothing. The word preached the word preached in church can not yield results when faith is not applied. even if you deep somebody inside a gallon of anointing oil is a waste of time without Faith

The word preached must be applied by faith when you pray believe it is settled. worrying will not settle it but believing in the word of God gives God confidence to act glory.

2. The number 2 capacity level or foundation to help build our faith is prayer, Daily prayer. Mk 11:23 I agree that prayer is communication with God. this is how we should see prayer prayer is relationship building with God. God wants us to have a relationship with him. anybody can pray and shout but few have a relationship with God. Prayer shouldn't be seen as only asking God. prayer should be seen as a relationship between a father and son, Thanks beloved. Prayer is a mechanism we shouldn't with prayer opens portals for God's children to know the activities of heaven. When you see a child of God smiling in times of challenges a carnal man won't understand

Hallelujah

Once again thanks for the time, God bless this family. Wherever you are keep shining the light, I look forward to seeing all of us one day. I love this family.
