INTRODUCTION

Before many people got born again, they have placed the ladder of their businesses on the wrong wall and the enemy began to use that against them

WHAT GOD WILL DO THROUGH THIS BOOK

The effective use of this book will produce the following:

1. Multiple millionaires.
2. Businesses shall experience mysterious financial favour.
3. The powers that have swallowed up the businesses of God's children shall vomit them.
4. The evil feet that have converted many businesses to desert land shall flee out of their close places.
5. The anointing of uncommon success shall come upon many.
6. God will inject wealth-creating ideas into His people.
7. All businesses in coma shall receive resurrection power.
8. Long-term yokes of poverty shall be broken.
9. The Lord will raise men and women who will pull down the stronghold of communal poverty.
10. He will cause men and women who do not know you to arise and begin to fight for you.

Deuteronomy 28:7 says, **"The Lord shall cause thine enemies that rise up against thee to be smitten before thy face: they shall come out against thee one way, and flee before thee seven ways."**

This book will teach you how to deal with the enemies that come against your business. There is somebody in the Scriptures who taught us what to do when we are being disturbed in our business. This man was doing God's business and somebody was trying to disturb him.

In Acts 13:6-12, we see the stand he took. It says, **''And when they had gone through the Isle unto Paphos, they found a certain sorcerer, a false prophet, a Jew, whose name was Bar-jesus** (I pray that any sorcerer working against your business shall be disgraced, in the name of Jesus) **which was with the deputy of the country, Sergius Paulus, a prudent man, who called for Barnabas and Saul, and desired to hear the word of God. But Elymas the sorcerer (for so is his name by interpretation) withstood them, seeking to turn away the deputy from the faith. Then Saul, (who also is called Paul), I filled with the Holy Ghost, set his eyes on him, And said, O full of all subtilty and all mischief, thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord? And now, behold, the hand of the Lord is upon thee, and thou shalt be blind, not seeing the sun for a season. And immediately there fell on him a mist and a darkness; and he went about seeking some to lead him by the hand. Then the deputy, when he saw what was done, believed, being astonished at the doctrine of the Lord."**

These days in many places, believers are being thrown to the bottom of the ladder. Many Christians are even getting used to that tail region now. It would appear as if they are getting used to the dark. Many people have invested so much into so many things and the result is absolute failure. Unfortunately, the regular music of many Christians is, "The struggle continues." Many people are oscillating everyday between victory and defeat. Many believers are being harassed and pushed down. It is also very sad to know that some people are already losing what they have. And there are many who are yet to find out what they have let alone possessing it.

Before many people got born again, they have placed the ladder of their businesses on the wrong wall and the enemy began to use that against them. Many are struggling everyday, climbing and working, but they are climbing from nothing to nothing. Many people started some businesses but now, they have no voice in those businesses because other people have taken over.

Many have become experts at writing quotations for this and that but these

quotations receive no favour. In many cases, it would appear as if their unbelieving contemporaries are doing better. Unfortunately, too, it would appear as if the strange prophecy of Jesus which says, "From he who has none, even that which he has shall be taken away from him and given to the person who has," is coming to pass. These situations arise because there are many things we do not understand. This is really the main focus of this book.

Chapter One

The Business World

The world has become mad, so, a mad approach is required. If not, one will be wasted

The Bible says, **"In the last days, perilous times shall come for men shall be lovers of their own selves, covetous boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, without natural affection, truce breakers, false accusers incontinent, fierce, despisers of those that are good, traitor, heady, highminded**, **lovers of pleasures more than lovers of God. Having the appearance of godliness but denying the power thereof, from such turn away"** (1Timothy 3: 1-5).

These are all the signs of the last days. We can see all these happening now. So, we are in a mad situation. But the truth is this, if you are living in a violent world, and you are not violent, you will be wasted. If you are living in a crazy world, a little bit of insanity is needed for you to survive. In fact, in the world of the insane, it is the normal people, who are regarded as crazy. If you are living in a mysterious world, you too need to become mysterious in order to survive. If you are living in a strange world, you need to be strange in order to survive, You do not expect to survive in a mysterious world without a mysterious approach. Likewise, when you have deep problems, you need to pray deep prayers. If you have mysterious problems, you need to pray mysterious prayers. If you have problems that are dodging your prayer bullets, you need to look for prayers that will locate them.

The truth which many preachers may not tell you is that you cannot pacify a witch. You cannot beg a witch to leave you alone. Witches have gone beyond the

realm of divine reconciliation. They have decided to wage war against the Almighty. The only language they understand is violence. If you do not understand violence, you will be in trouble. You must also understand that it is only in the physical that people make noise about themselves. The spiritual realm is where power is. If you get power in the spiritual realm, then you use it in the physical. But if you are powerless spiritually, you will be powerless physically. So, we are living in a mad situation and we need a mad approach to it. Unfortunately, there is no gentle method of arresting anything that is evil. All methods of arresting evil things are violent. This is the truth. The kingdom of God suffers violence and the violent takes it by force. The world has become mad, so, a mad approach is required. If not, one will be wasted. Because men can see that the world is a mad place, they run to all kinds of places for power. They run to all kinds of places to look for protection and they are amazed when they find that even those who have the Bible and access to the real power are not using it, therefore, evil is reigning.

Many years ago in the month of December, I prayed for a man who said that he made twenty-six million naira in July, but as at the time he came in December, he had only six thousand naira left. He did not know what was happening to the money that was why he came for prayers. I said**,** "Let us pray," and closed my eyes. As I said, "Father, in the name of Jesus," I heard the voice of the Holy Spirit say, "Son, don't pray for this man. Ask him to go and bring all his charms and fetish at home." So, I opened my eyes and told him that we could not continue with the prayers because the Lord said should tell him to go and bring all his charms at home.

When he heard that, he started laughing. He laughed so much that he fell off the chair and right there on the floor, he continued laughing. I was wondering why he was laughing so much. After the laughing exercise, he got up and said, "Man of God, I would need a trailer to bring all the charms I have at home." So, I said he should go and bring the most powerful one. He left and came back a few hours later with a bottle filled with concoction and inside it was a cobra snake. I asked him what he did with that and he told me that he used to drink the concoction because he was a contractor. And after drinking the snake water, any office or company he went for contract, they quickly gave it to him. It means that he was speaking to them with the serpent anointing. If such a man goes to compete with a Christian, who does not pray well and does not understand spiritual warfare, he will win the contract. The Christian has the power but he is

not using it.

TEN CHARACTERISTICS OF THE BUSINESS WORLD

The ten things that characterise the world of business or career are as follows:

1. **Risk:** Some people do not want to take any risk so, they do not get far. Even faith in Christ is a holy risk.
2. **Intricate deception:** There is a lot of deception going on.
3. **Cruelty:** It is a world of cruelty. A lot of wicked things are going on in the business world.
4. **Survival of the fittest:** If you are not fit, you will not survive.
5. **The crab spirit:** It is a world of the crab spirit. "Pull him down" syndrome is the work of the crab spirit, and it is very common with black people.
6. **Unrighteous diplomacy:** It is a world of unrighteous diplomacy.
7. **Compromise:** It is a world of compromise.
8. **Self-abuse:** It is a world of self-abuse; people abuse themselves. Women surrender themselves because they want contracts.
   People do all kinds of things they should not do because they want to get ahead.
9. **Setbacks:** It is a world of setbacks. What you see run contrary to what you expect.
10. **Spiritual warfare:** It is a world of spiritual warfare; people go to the devil because they want promotion or solution.

In one of our universities, a department got allocation for only one professor. However, three of the lecturers were qualified. I had a friend in that department, who was one of those that were qualified. He wanted to become a professor. One day, as he was teaching in front of the classroom and in the full glare of the students, he fell down and began to convulse. It had never happened to him before. The students rose up from their seats and started making fun of him. They did all kinds of things to ridicule him. They even poured cold water from the gutter on him and it was the coldness of that water that brought him to consciousness. He told me that when he regained consciousness and saw what the students had done to him and the stinking gutter water, which they had poured on him, he felt highly humiliated and embarrassed. He wished that the ground would open up and swallow him. He decided that such a thing would not

happen to him again so, he ran to his father in the village for help. His father took him to the chief native doctor, who assured him that he would help him.

The solution was that he would carry a she-goat on his back like a woman backing a baby and walk to the major market in the town on the market day and walk around the market seven times with the goat on his back. He protested and asked the native doctor for something more decent than that. The native doctor asked him to hold on while he consulted the oracle. After sometime, he said, "Take seven pieces of coconuts to the crossroad at night, naked and break the coconuts into pieces to remove the problem." The man protested again. All the methods proposed by the native doctor repelled him, and that was how he ran to Jesus.

He came to the Lord and the evil arrow fired against him disappeared, and he was made a professor. He became a professor simply because he ran to Jesus. But if he had continued along the negative line, there would have been problems. The business world is a world of intensive spiritual warfare. The devil knows the importance of having control over wealth, money and the economy. Even in the Bible, when he came to tempt Jesus, he told Him to bow to him and all the wealth of this world would be given to Him. Jesus did not contest it because He knew the truth.

Matthew 4:8-9 says, **"Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them. And saith unto him, All these things will I give thee, if thou wilt fall down and worship me."**

We observe here that Jesus did not contest that statement. So many things in this world are under the control of the dark kingdom. The devil has used witchcraft to capture wealth and to trouble those that he knows will use the wealth to serve the Lord.

It would amaze you to know the kind of terrible things that business people do. They swallow terrible things and cut incisions on their bodies because they want to succeed. They do all kinds of things to get their hands on money. However, Christians who have better facilities do not use them and they are suffering because of that. This is the reason why we all need a breakthrough or breakthroughs.

Chapter Two

The Secrets Of Breakthroughs

Many people want to occupy conquered territories but they do not want to conquer territories and stay there

Breakthroughs do not come easily; the Bible says, there are antagonists at the door of breakthroughs.

I Corinthians 16:9 says, **"For a great door and effectual is opened unto me and there are many adversaries."**

The door is open but there are many enemies there fighting to prevent you from getting in. I pray that the breakthrough that will make you to be celebrated shall manifest in your life, in the name of Jesus.

WHAT IS BREAKTHROUGH?

Breakthrough means meaningful progress, advancement and life-changing increase. It means betterment, enrichment, promotion; radical expansion and creative ideas that others do not have that will put you on top. Without a breakthrough, you will remain stagnant. Everyone needs one breakthrough or another. A single breakthrough can change your life completely. This is why you need to know the master secrets of breakthrough.

MASTER SECRETS OF BREAKTHROUGH

1. **You must be a friend of God:** You must surrender your life to God. God is under no obligation to bless a rebellious person, who does not want to surrender to Him. This is non-negotiable. The Bible says that Abraham was a

friend of God. Lot's wife looked back against God's warning and became a pillar of salt. But Abraham stood and watched how fire and brimstone destroyed Sodom and Gomorrah and nothing happened to him because he was a friend of God. You too must become a friend of God. Let no one deceive you and make you to believe that God has no favourites. He sure has favourites; you can decide to be His favourite or not. You are as close to God as you personally want to be. If you want to be close to God, you need to increase your prayer life, Bible-reading and consecration.

2. **You must possess a fighting spirit:** Sometimes, we sing, "I am born to win." I am born to win means I am born to fight. Nobody wins without fighting. And there is no way somebody will be declared a winner when he has fought no battle. Many times, we are too passive; we just allow the status quo to remain. The song of a lot of people has become:
   "What's gonna be, gonna be. What goes *up must* come *down. What's gonna be gonna be. There's nothing you can do about it."*
   But if what goes up goes high enough, it will not come down.

Any time things do not go the way we plan, many people give up. It should not be so. Jacob did not give up when he found that things were not going as he planned. He had a fighting spirit. He prayed violently and God changed his name to Israel and we are reading about him in the Bible today. Blind Bartimaeus did not give up. He fought and got his sight back. God loves fighters. God will never abandon fighters. The Bible says, "The Lord is a man of war, the Lord is His name." So, any believer who is not a fighter does not resemble his Father, who is called the Lord of hosts, the King of kings and the Lord of lords. Many people want to occupy conquered territories but they do not want to conquer territories and stay there.

CHARACTERISTICS OF FIGHTERS

Fighters will till the ground where there is no ground. Fighters will fight it out. Fighters will declare to the enemy that they are untouchable. Fighters launch warfare against the oppressors, and fighters put the enemy to flight. Fighters understand what is written in the book of Matthew 11:12 which says, **"As from the days of John the Baptist until now, the kingdom of heaven suffereth violence, and the violent taketh it by force."**

The violent has to take it by force. Heaven does not recognise gentlemen

because they do not take things by force. You either have it or you do not. The enemy has x-ray and telescopic eyes. He can tell those who are violent and those who are not. He knows who to catch and who not to catch. He knows those who are doing things they should not do. But when you have it, the enemy knows that you have it, and he will run away from you.

One of the most intelligent men that ever lived is Albert Einstein. He was a very intelligent person. He used to go about giving lectures as a professor of Mathematics and Science. One day, as he was going for one of his lectures, his driver said, "Professor, all these lectures you are giving, I can give them too." Albert Einstein was surprised and asked if he was serious and he said yes. Albert said, "Okay no problem. I am going to one now but before we get there, I will take over the driving while you pretend to be me since they don't know me."

Albert Einstein did not know that the driver had a photographic memory. He had memorised everything he had been saying. When they arrived, Albert Einstein was on the steering while the driver was at the back. So, the driver was ushered in as Albert Einstein and he began to speak. He posted a very good performance. Everything had gone so well until it got to the time for questions. One professor stood up and asked a question. The driver did not understand the question. It is when you understand a question that you can answer it. The driver said. "Excuse me, what is your name?" The professor mentioned his name and the , driver, who was posing as Albert Einstein said, "You call yourself a professor and you are asking me this foolish kindergarten question. This question is so cheap that I consider it dishonourable for me to answer. Let my driver answer it." He pointed to the correct Albert Einstein and Albert stood up and dealt properly with the question and sat down. The driver asked again if anyone had questions but nobody responded. It was not that they did not have questions but they did not like a situation where the "driver" would be called upon to answer their questions. The bottom line is this; Albert Einstein was Albert Einstein whether he dressed like a professor or as a driver. So, you need to get it right.

Chapter Three

Symptoms And Activities Of Business Bewitchment

The blessing of God cannot come upon a business where one person is calling God into it and another person is calling the enemy of God into it

1. **Wrong profession**: The enemy pushes people into wrong professions and they are busy struggling with what is completely outside their calling.
2. **Polluted locations:** He makes people to put their businesses in polluted buildings and environment. He makes them to be spiritually blind so that they will put their money in the wrong places.
3. **Constant mistakes:** He makes people to make constant mistakes so they never do the right things or get it right. He plagues people with anti-harvest forces.
4. **Laziness:** He makes people lazy and while they are being lazy, others will take over what they should have.
5. **Vagabond spirits:** He introduces vagabond spirits, and somebody, who is supposed to do business "A", will go to business "B." The person never finishes or concludes one thing before he switches to another.
6. **Strange money:** He brings strange money into people's businesses. This strange money enters and takes away the good money, and the business begins to go down.
7. **Infirmity:** Sometimes, he introduces the arrows of infirmity. The person will make the money and end up spending it on drugs and hospitals to take care of infirmities either on himself, relatives, or loved ones.
8. **Evil transfer:** He organizes evil transfer of blessings.

9. **Rats:** Sometimes, he allows a person to employ people who are possessed by the rat spirit in his place of business and they steal everything that is supposed to make that business to prosper.
10. **Debt:** Sometimes, when the enemy is really fighting a person, he will push the person into debt. He pushes people into wrong investments, and afterwards, they enter into more debts.
11. **Failure at the edge of breakthroughs:** He causes failure at the edge of' serious financial breakthroughs.
12. **Poor patronage:** He causes poor patronage; and the victim's wares will not sell. He causes profit starvation, or makes customers to become poor, so they buy on credit and will not pay.
13. **Witchcraft hanging:** He directly causes what is known as, "witchcraft hanging," whereby the person's business and money get stolen and taken to evil meetings.
14. **Wrong business partners:** Sometimes, the enemy pushes the wrong business partners to the person. So, the person is calling Jesus while his business partner is calling the name of a demon thereby preventing the blessing of God from coming upon that business. The blessing of God cannot come upon a business where one person is calling God into it and another person is calling the enemy of God into it. You cannot bless whom God has cursed. The Bible says, "Say ye to the wicked, it shall be ill with him." So, if your business partner is wicked by the Bible's definition and you are praying that God should bless the business, it will not work because you have broken a law. There has to be restitution first before anything can happen.
15. **Tithe evasion:** It is the enemy that pushes believers into what is known as tithe evasion. So, when they do not pay their tithes, the devourers will move in, and when this happens, they start going for deliverance. And these devourers eat more than the tithes they should have paid.

These are symptoms and activities of business bewitchment.

Chapter Four

How to Deliver your Business from Bewitchment

Anyone who serves the God of the suddenly expects Him to do anything at anytime not minding whether the situations are favourable or not

1. SURRENDER YOUR LIFE TO JESUS

If you are already in a business, or you plan to start one, or you have started one but it has gone down, and you are not born again, the first thing you need to do is to surrender your life to Jesus. There is nothing you can without this. You must become a friend of God because the first thing God wants is you and not the business. The Bible says, "Son, give me your heart" (Proverbs 23: 26). It also says, "Seek ye first the kingdom of God and his righteousness, and all these other things shall be added unto you" (Matthew 6: 33). If you are not a child of God, that is, you are not born again, although you come to church, the power of God has not touched your life. God is not under obligation to bless you because you are a rebellious person. This is the first key

2. ACCEPT THE LIMITATION OF HUMAN EFFORT

You must accept the limitation of your human effort and plans, and believe that the Lord God can give you sweatless victory.

3. TRUST THE WORD OF GOD

You must trust the word of God even if it does not make sense.

4. EXERCISE VIOLENT FAITH

You must be ready to exercise violent faith and to take holy risks. Be willing to take holy risks using violent faith. The Lord has done many supernatural

things for people and the testimonies are fantastic. Anyone who serves the God of the suddenly expects Him to do anything at anytime not minding whether the situations are favourable or not.

5. KNOW THAT GOD CAN GIVE YOU MORE THAN YOU ASK

You must remember that God can give you more than you ask or imagine.

6. WAGE WAR AGAINST SPIRITUAL ROBBERS

There are different kinds or levels of thieves. An enemy that steals your bed is a wicked enemy indeed but a more wicked enemy will steal your sleep. An enemy that steals your books is a wicked enemy indeed but he is not as wicked as the one that steals your brain. The enemy that steals your materials or wares is a terrible enemy indeed, but the one that steals your virtue is a more horrible enemy. So, you need to wage war against these spiritual robbers.

7. PRAY DELIVERANCE PRAYERS ON THE LOCATION OF YOUR BUSINESS

When you pray these prayers, you will be pleasantly amazed at what you will begin to experience.

8. PAY YOUR TITHE AND OFFERING

You must pay your tithe and offering. If you don't, you will open the door for the enemy that has gone to come back.

Chapter Five

Conclusion:
THE TWO IMPORTANT DAYS IN THE LIFE OF A MAN

Heaven is certainly producing blessings but there is a problem between the time of pronouncement and that of manifestation

THE TWO IMPORTANT DAYS IN THE LIFE OF A MAN

It is often said that there are two days in the life of a man: the day in heaven and the day on earth. The day in heaven is the day a decision was taken about his destiny and the day on earth is the day of the manifestation. Anything can happen between these two days.

The Lord has His own promise for us. He said, "My thoughts towards you are of peace and not of evil, to give you an expected end." The fact that heaven pronounces a blessing upon a person does not mean that the person will get it. This is where the trouble lies.

Heaven is certainly producing blessings but there is a problem between the time of pronouncement and that of manifestation. God makes a promise and after the promise, there should be a performance. But between that promise and performance, there is trouble within. That gap between promise and performance must be thoroughly dealt with therefore, the prayer points below must be done with violence and aggression if you want to experience uncommon business

breakthroughs.

The Mountain of Fire and Miracles Ministries' Headquarters is the largest single Christian congregation in Africa with attendance of over 120,000 in single meetings.

MFM is a full gospel ministry devoted to the revival of Apostolic signs, Holy Ghost fireworks, miracles and the unlimited demonstration of the power of God to deliver to the uttermost. Absolute holiness within and without as spiritual insecticide and prerequisite for heaven is openly taught. MFM is a do- it-yourself Gospel Ministry, where your hands are trained to wage war and your fingers to do battle.
