

A colorful illustration of ten diverse children of various ages and ethnicities. They are positioned around a large, open book that is the central focus. Some children are standing behind the book, while others are peeking out from behind its pages. They are all smiling and appear to be excited about reading. The book is open to two blank, cream-colored pages. The entire scene is framed by a decorative border consisting of a solid black line with a series of small circles along its top and bottom edges.
