Matthew 6:33 is the Jackpot of life!
I engaged passionately in soul winning in buses, around Okada riders' parks and also engaged in Kingdom advancement prayers. So far, by the grace of God, I have led 49 souls to Christ and 20 of them are established in the church. I also support the Zonal transportation of new converts with fifty thousand naira monthly. Moreover, my wife went on soul winning to various supermarkets, salons and offices within and outside our Estate and won 15 souls, out of which 9 are full members of the church. She also engaged in Kingdom advancement prayers.
Miraculously, God overturned the plan of the wicked against me in my office. I, who was directed to be sacked by the Board, was commended as the outstanding staff of the year by a new Board after God disbanded the former one. I am now second on the Company's hierarchy. Thirdly, our daughter, who was denied admission was miraculously admitted with scholarship in US.
Moreover, God supernaturally healed our daughter of sickness which we had spent over 5 million naira to no avail. In addition, we experienced supernatural financial blessings. Furthermore, we have since taken possession of our new house. Now, I have joined the league of those paying tithe in 7 digits! Also, while sleeping, God miraculously performed a surgical operation on my knee that was scheduled for a surgery abroad. We got a three-bedroom apartment in a highbrow area in America, . I give all the glory to our God, the Caller of the Prophet over this great Commission! – Daniel, F.O.

10-Year Death Plague Destroyed!
I joined this Commission in 2006. Before then, there was a plague of death in my family that killed my four siblings. When I joined this Commission, the plague had almost killed me too. On several occasions, I coughed blood and knew that I was next in line. So, I cried and prayed daily to God, to stop the plague.
In one of the services, I heard Bishop David Oyedepo talk about soul winning, from that day, I became committed rigorously to soul winning. Sometimes, I shut down my business to engage in soul winning. While I was busy winning souls for Christ, God was busy taking care of my family.
To the glory of God, June 2015 made it ten years that we neither recorded death nor went to the hospital for treatment. Behold, the God of this Commission has terminated the plague of death in my family! – Martins Onyinyechukwu

1. Supernatural Advancement!
In 2014, I dreamt that my best friend cut my hair and few months later, my business crumbled. I lost everything; my car, money and was evicted from the house I lived.
When my mother invited me for the Covenant Hour of Prayer, I attended to see what the programme was about. When I got to church, I got hooked, just like metal to magnet. Then, the Holy Spirit revealed to me that He sent Bishop David Oyedepo with wine to deliver to people during a morning service. So, I attended the prayer hour regularly. Even when I had no money. After a while, my faith skyrocketed. So, I stopped wasting my time praying for food, money and the way out of my family's numerous debts; I focused on Kingdom advancement prayers as instructed by the Bishop.
During outreach was announced, I dropped my problems at home and participated. I used the last amount of money I had, which was just 150 naira for transport and managed my worn-out shoe. I also wore my best outfit and put on best Jesus smile, knowing that I would be representing Jesus during the outreach. Behold, after the outreach, one of the members who heard about what I do for a living told me that her organisation needed a professional in my

field to award some contracts. By divine favour, I got the contract few days later. I also got several huge contracts during the week worth millions of naira. Indeed, God fulfilled the word of His prophet in my life which says, 'Strange doors of favour shall be opening to me by my engagement in this prophetic season. I give God all the glory! – Abby S.

2. Miracle Marriage!
Bishop David Oyedepo emphatically said that the Midst of the Year is our season of getting every everlasting mountain on our path levelled. He further said that if we were unable to get anything out of that season, it is our fault. So, I keyed in and partook of the Midst of the Year outreaches.
Before then, I asked God to show me where He wanted me to have my outreach for maximum impact and He showed me a particular place in my dream. The impact was massive as nine souls came to church.
During that period, I went to the ATM in church to get some money to give to my new converts; then I met my God-ordained husband. We got wedded on June 13, 2015, in the midst of the year. I give all the glory to God who says what He means and means what He says! – Badmus A.

1. A Miracle House!
Bishop David Oyedepo said that some of us would build Zonal Centres for God. I believed and claimed it because the Bishop also said that if it was in our hearts, God would place it in our hands. That month, God blessed my family and we invested in the building of a Zonal Centre, believing that God would advance us from tenants to house owners in Lagos.
During Shiloh 2014, I tied my sacrifice to my desired house. Also, during one of the One Night with the King services in the Midst Of The Year season, the Holy Spirit instructed us to pay the transport fare of every member of our Zone to that service and we obeyed. Furthermore, we shared food items and paid the school fees of some children in our Zone.
During the Winners' Satellite Fellowship (WSF) operators' meeting in February 2015, the Bishop said that following Abraham's steps is what guarantees the rising of the giant in us.
In the first outreach of the Midst Of The Year season, God gave us a family of four as souls for the Kingdom. The following week, He gave me a family of five as souls and in the sixth week, He gave me one person.
Amazingly, God moved us from a one-bedroom flat to a massive five-bedroom bungalow in Lagos, where a plot of land is worth thirteen million naira. Miraculously, God enabled us to build the house within a month and two weeks in the Midst Of The Year; June and July. In addition, God added a year to my life today! Praise the Lord! – Chukwu Emmanuel

2. Surgery Cancelled via Soul Winning!
"I joined this Commission in 2016 and ever since, I have been engaging in soul winning. From January 2018 till now I have won 700 souls. Recently, I felt sick and was scheduled for a surgical operation. But I stood on God's Word in Exodus 23:25. I called on the God of Bishop David Oyedepo for my rescue and He showed up according to His Word, since I am engaging in soul winning, I am entitled to sound health. To the glory of God, right at the theatre, the surgery was cancelled, because I was supernaturally made whole and discharged. I am here to return all glory to God!"--Johnny Uzowum

1. Code M-6:33, A Potent Key to Unexplainable Turnaround!
"I craved earnestly for the grace to work zealously with excitement in total obedience to all the instructions that I can catch whenever God's Servant is ministering.
I attended an assessment interview in my office, during the interview, while my colleagues were lodged in a 5-star hotel, I joined a soul winning partnership distributing fliers, leaving the comfort of the hotel. Thereafter, I left the harvest field for the interview. The objective of this assessment is to promote or relieve anyone of his or her position. When the result was

released, I was told I did not pass.
I returned to my location and I kept engaging in Kingdom Advancement Prayers every day. I would leave my office to spend an hour in praying for the kingdom. A colleague of mine who took notice of the time I used to go for my hourly prayer, sneaked to follow me one day and since then, it became a daily affair that we engaged in excitedly. Bishop declared that for the next 7 weeks, God would visit us with outstanding testimonies. Meanwhile, I kept engaging in Kingdom Advancement prayers for 1 hour every night.
On Thursday, February 3, I received a message from my direct boss congratulating me that he has received my letter of promotion. To the glory of God, when I read through the letter, my package somersaulted forward in tens of millions, effective from 1st of February, to the envy of my colleagues even though I did not pass the exam. When they asked me how come, I simply tell them: 'My case is Different; Access Code is Matthew 6:33.'
As for my colleague that we normally pray together, that same week, his wife conceived after several years of waiting. I give God all the glory!" ---Babafemi Olatunde Michael

2. Miracle Conception Through Soul Winning
I have been married for 18 years and was not able to conceive. Doctors said that everything was normal and nothing was wrong with me, and I was living under serious oppression coming both from my family and my in law, telling me to go to meet with traditional practitioner for solution, but I refused. I kept on reminding them that Christians do not attend native doctor's houses.
When Wonder Double Agenda was announced with 7 weeks of harvest of souls, I engaged fully in praying for the lost, reaching out to them and bringing them to church.
God surprised me at the time I did not expect, I conceived after 15 years of waiting. I thank the God of Wonder Double for visiting me. Florence Nsimba

1. Supernatural Conception Via Kingdom Advancement
After I got married last year, I conceived immediately but lost the baby and since then, conception has become a challenge. There were several suggestions from friends and well-wishers which were not productive. Then I heard God's servant said 'children are either a gift or reward for divine service'. Then during the all night before the commencement of Operation 615, I heard Papa say 'It is foolishness to be doing the same thing over again and expect different result'. He said there is no devil anywhere but there is ignorance everywhere, take responsibility over your challenges and see yourself emerging victorious'. I settled down with the word and bought a lot of literatures written by Papa and started devouring them. Then during the Operation 615, I engaged fervently, going out for soul winning, I prayed till I lost my voice. Then during the 'Covenant Day of Fruitfulness, I wrote the name of my children and danced like never before, believing it has been done. Immediately after the enthronement service, I felt ill; I did not know I was pregnant. I stood up, took my bath and rushed to hospital to undergo a pregnancy test and it came out positive - Mrs Joy Chidi.

2. Financial Breakthrough via Soul-Winning!
"When Bishop Oyedepo instructed us to win souls for Christ during the seven weeks of divine visitation, I asked God while praying how much He would pay per soul won and established. The Holy Spirit told me to name my price and I said ₦1million per soul.
After the first soul was won and established, I made ₦1million from a business venture after one year of stagnation. I immediately won and established another soul, and God responded with ₦1.1million business breakthrough. I won and established the third and fourth souls and God gave me ₦1.2 million and ₦950, 000 profits from my business ventures. Also, I quoted for a contract but was offered an amount less than what I asked for. Later, I was invited to the organization to negotiate but I insisted on my initial cost. Miraculously, the contract that was worth millions of Naira was awarded to me at my own cost. I give God all the glory"---Jide, S.

1. Unusual Blessings
In the first phase of the Double Wonder Prophetic Agenda, GOD visited me when I switched to Kingdom focused prayers from the “Light shared in Matthew 6:33.
When the second phase was declared, I told my Heavenly Father that I want extraordinary blessings. I heard in my spirit that I must do extraordinary things for the extraordinary blessings. I immediately decided to wait upon the LORD beyond the 7 days of prayer & fasting which was declared in preparation of the second phase Double Wonder Prophetic Agenda and be more dedicated in tireless pursuit of lost Souls and ensure they are established in the church. On the 23rd day of my Kingdom Focused Prayer & fasting, I received a call and SMS from a preventative of a Foreign company I met in 2013, that the MD/CEO wants to see me urgently. The MD/CEO was highly impressed at the Business plan presentation of my small company which I run as a part-time business. On the 13th October, 2015 I received a mail from the MD/CEO of the foreign company that their company Board of Directors have approved the sum of $148,000 (N29.6m) as an investment package to expand my part-time business. This divine visitation has indeed fulfilled word of the prophet in my life. Serving GOD tirelessly is a life time Big Business with a life time Mega Rewards. I return all the Glory and Honor to my Heavenly Father who indeed sees in secrets and rewards quickly and openly. ---- Henry L. Adigwe

2. Supernatural Opened Doors from engaging in Operation 615
I started Operation 615 squatting in someone's apartment, indebted to several people, sad and broke. I engaged in Operation 615, went out to share tracts and fliers. I engaged in morning and evenings raid. I soaked Garri on countless occasions, yet I still continued engaging undeterred.
I also shared whatever little I had with others in need whenever I had. I made sure people ate and even shared my clothes with those who didn't have any. I also keyed into every word from the altar. I that used to beg people for help and considered a nuisance to most people, decided not to beg again and suddenly, God showed up for me using someone to help without any prompting! I got the sum of 600,000 naira within 10 days. I have paid my debts and will move into my own apartment and start a business as well. Indeed, I have been enthroned!
I trust God to do all that is left to be done in my life in Jesus name. Amen! Sis. Omo Momoh
