Remain blessed as you read it.

WHAT IS YOUR DEFINITION OF CHRISTIAN DRESSING?

A Christian must always be dressed modestly (decently). Whether male or female, Jesus Christ must be revealed in your dressing.

Modest means not extravagant, moderate or restrained in amount, extent, etc

Decency means correct, honorable or modest.

Decent means conforming to standards of decency, avoiding obscenity, respectable, acceptable or good enough.

Our DRESSING must not be revealing our private body parts.

The Christian dressing can be said to be a decent wears that portray Christ-like appearance of an individual.

How we dress our bodies is so much important to God because the body is God's temple; it is the dwelling place of God.

HISTORY BEHIND CHRISTIAN DRESSING?

In some Christian communities, the term "Sunday best" refers to the tradition of saving one's finest clothing for Sunday services. In some communities, churches served as the main social center for local residents. As such, dressing in fine clothing for religious services was often dictated by a need to project status and influence among peers. Many modern Christians reject this practice and instead encourage modest, respectful dress not only for Sunday worship, but in everyday life.

The Clothes for the High Priest

The Lord said to Moses:

28 Send for your brother Aaron and his sons Nadab, Abihu, Eleazar, and Ithamar. They are the ones I have chosen from Israel to serve as my priests. 2 Make Aaron some beautiful clothes that are worthy of a high priest. 3 Aaron is to be dedicated

as my high priest, and his clothes must be made only by persons who possess skills that I have given them. 4 Here are the items that need to be made: a breastpiece, a priestly vest, a robe, an embroidered shirt, a turban, and a sash. These sacred clothes are to be made for your brother Aaron and his sons who will be my priests. 5 Only gold and fine linen, woven with blue, purple, and red wool, are to be used for making these clothes.

The Vest for the High Priest

The Lord said:

6-8 The entire priestly vest must be made of fine linen skillfully woven with blue, purple, and red wool, and decorated with gold. It is to have two shoulder straps to support it and a sash that fastens around the waist.

9-12 Put two onyx[a] stones in gold settings, then attach one to each of the shoulder straps. On one of these stones engrave the names of Israel's first six sons in the order of their birth. And do the same with his remaining six sons on the other stone. In this way Aaron will always carry the names of the tribes of Israel when he enters the holy place, and I will never forget my people.

13-14 Attach two gold settings to the shoulder straps and fasten them with two braided chains of pure gold.

The Breastpiece for the High Priest

The Lord said:

15 From the same costly material make a breastpiece for the high priest to use in learning what I want my people to do. 16 It is to be nine inches square and folded double 17 with four rows of three precious stones: In the first row put a carnelian, a chrysolite, and an emerald; 18 in the second row a turquoise, a sapphire, and a diamond; 19 in the third row a jacinth, an agate, and an amethyst; 20 and in the fourth row a beryl, an onyx, and a jasper.[b] Mount the stones in delicate gold

settings 21 and engrave on each of them the name of one of the twelve tribes of Israel.

22-25 Attach two gold rings to the upper front corners of the breastpiece and fasten them with two braided gold chains to gold settings on the shoulder straps. 26 Attach two other gold rings to the lower inside corners next to the vest 27 and two more near the bottom of the shoulder straps right above the sash. 28 Then take a blue cord and tie the two lower rings on the breastpiece to those on the vest. This will keep the breastpiece in place.

To know the history of Christian dressing, we have to go back to the book of the beginning.

Right from the book of Genesis chapter 3:20, we see how God cover the nakedness of both Adam and Eve by clothing them with coats of skin.

The essence of clothing is to cover nakedness. Therefore, since God has not changed, today His will for His children is to cover their nakedness.

WHAT ARE THE BIBLICAL SCRIPTURES THAT TALK ABOUT CHRISTIAN DRESSING?

First Timothy 2:9-10 “Likewise also that women should adorn themselves in respectable apparel, with modesty and self-control, not with braided hair and gold or pearls or costly attire, but with what is proper for women who profess godliness—with good works.”

Proverbs 31:30 “Charm is deceitful, and beauty is vain, but a woman who fears the Lord is to be praised.”

First Corinthians 6:19-20 “Or do you not know that your body is a temple of the Holy Spirit within you, whom you have from God? You are not your own, for you were bought with a price. So glorify God in your body.”

1Pe 3:2-5 KJV 2 While they behold your chaste conversation coupled with fear. 3 Whose adorning let it not be that outward adorning of plaiting the hair, and of wearing of gold, or of putting on of apparel; 4 But let it be the hidden man of the heart, in that which is not corruptible, even the ornament of a meek and quiet spirit, which is in the sight of God of great price. 5 For after this manner in the old time the holy women also, who trusted in God, adorned themselves, being in subjection unto their own husbands:

Pro 11:22 KJV As a jewel of gold in a swine's snout, so is a fair woman which is without discretion.

Pro 31:25 KJV Strength and honour are her clothing; and she shall rejoice in time to come.

Gen 3:7 KJV And the eyes of them both were opened, and they knew that they were naked; and they sewed fig leaves together, and made themselves aprons.

Gen 3:21 KJV Unto Adam also and to his wife did the LORD God make coats of skins, and clothed them.

2Sa 13:18 KJV And she had a garment of divers colours upon her: for with such robes were the king's daughters that were virgins apparelled. Then his servant brought her out, and bolted the door after her.

DOES CHRISTIANS HAVE A DRESSING PATTERN?

Yes! If not, people will not be referring to brethren as dressing like S.U.

WHAT IS THE DRESS PATTERN?

Modesty and honourable DRESSING. Not revealing our private body parts.

Many Christians have totally identify with the world system of dressing as such wearing dangerous dresses that can cause the man of God on the pulpit to lose concentration. This I referred to as Jezebelic wears.

Benefits of Dressing Modestly

1. You're Obeying God

Obeying God? Great! ... but how does that benefit us?

Deuteronomy 28:2 kicks off a powerful chapter with this: ***"You will experience all these blessings if you obey the Lord your God:"*** Then it launches into the next fourteen verses of incredible blessings for the children of God. Those blessings are made available to us today through Jesus.

The benefits of obeying the Lord are endless and too much to go into for now, but rest assured, obeying God is never something done in vain. God is a faithful rewarder of those who diligently seek Him and obey His Word!

2. You're Honoring God

1 Samuel 2:30 states, ***"I will honor those who honor Me."*** That is God's promise to you! Instead of honoring society's mold and their lies, you're putting God and His commands first. You can bet your bottom dollar God sees that and will turn around and do the same for you.

3. You're Representing the Kingdom of Heaven Well

2 Corinthians 5:20 says, "... We are Christ's ambassadors."

No matter what we do, as children of the Most High, we're representing Him. We're the only Bible most people will ever read.

We can check our hearts to find out whether we're representing the Kingdom of Heaven well or poorly with our outfit choices. Dressing both nicely and modestly is an excellent way to represent the God we serve and Who provides our needs.

Modesty quote

4. You're Treating Yourself With Respect

How much do you truly value yourself? Do you clothe yourself like the priceless blood-bought child of God you are, or do you need the world's / friends' / a boy's approval to determine your worth? It shows through your clothing choices.

5. You're Setting a Godly Example

The last thing I would want to do is take advice from another believer who didn't dress themselves with dignity and respect. Dressing modestly shows we know Whose we are and that we can help fellow believers along in this area.

6. You Don't Look Like a Hobo

I don't care how fashionable it seems or what the price tag is. Dressing without dignity just looks shabby, like you can't afford a piece of clothing with enough fabric to properly cover yourself. For example, I've never seen a modestly-dressed person who looked like a hobo in need of dignified clothing.

Modesty is...

7. Modesty is Comfy

For instance, I just love wearing a T-shirt as opposed to a squeezing spaghetti-strap shirt. Similarly, pulling on a modest pair of jeans feels way more comfy than sporting Daisy Dukes would. And who wants to walk around all day wearing a short dress so tight it's constricting your lungs?

8. Modesty is Freeing

Don't you feel your greatest in outfits you can move around freely in without fear of flashing anyone?

I do a lot of photography for my blogs, so being able to bend or crouch down for different angles without being indecent is one less thing to worry about. Even when I took dance and gymnastics, wearing modest dance clothing allowed more freedom and moment than anything immodest stores had to offer.

9. Modesty is Sophisticated

It feels great to be able to look like a sophisticated, educated person just by respectful clothing choices instead of someone struggling to survive in the wild or someone with no self-respect.

Standing out

10. Other People Respect You

Not only are you respecting yourself when you dress with dignity, but others respect you, too. 67% of guys ages 18-22 when polled said they felt uncomfortable when speaking to a woman dressed immodestly, and all of them from another survey said they had more respect for girls who respected themselves with their clothing choices.

11. You Glow in the Dark

In a world where only 31% of the population considers themselves Christians, what fun is it to fit in when we were born to stand out?

Dressing modestly takes a stand. In addition, it sets you apart as a beloved child of God. It draws a clear line between the way ambassadors of the Kingdom of Heaven do things and the way the world does things. We're called to be lights in the darkness! (1 Peter 2:9)

Yes! Christians are to dress in a way that bring glory to God and not to make another person fall through their dressing.

For example, it was not the disciples of Jesus that called themselves Christian rather it was the people that saw them that called them Christian. I believe they would have taken notice of so many things including their mode of dressing before arriving at that conclusion.

Consider this scripture:

Pro 7:10 KJV And, behold, there met him a woman with the attire of an harlot, and subtil of heart.

From the above scripture we can deduced that the woman was originally not an harlot but by putting on an harlot's attire she became one of them.

The way we dress tell people who we are.

MENTION THE IMPORTANCE OF MODERATE CHRISTIAN DRESSING?

There is always a witness even from the worldly people testifying to modest dressing of brethren that this person is a child of God.

Your dressing tells alot about an individual.

Clothes and appearance are most powerful nonverbal communicators not only of our socioeconomic status, but also of our moral

values. We are what we wear. This means that our outward appearance is a visible and silent testimony of our Christian values. As Christians we cannot say, "What I look like is no one's business!" because what we look like reflects on our Lord. Our house, car, personal appearance, our use of time and money, all must reflect how Christ has changed our lives from inside out. When Jesus comes into our lives, He does not cover our blemishes with cosmetic powder, but He cleanses us wholly by working from within. This inner renewal is reflected in the outward appearance.

WHICH GENDER DOES MODERATE DRESSING AFFECT MORE? (MALE OR FEMALE)

Female

WHY DOES IT AFFECT THAT GENDER?

LOVING the world and its pleasure.

Peer pressure.

Fashion crazy

By their creation, they have attractive body parts.

Wearing dresses that will expose their cleavages makes the male go crazy.

Decently and modestly.

It affects female more than male because from the way God created them, from neck down the knees are so sensitive to the extent that if any of those part is reveal to opposite sex, it can trigger lust.

OUR PATRIARCH OF OLD, HOW DO THEY DRESS?

Decently n modestly.

The little knowledge I have on this is that they always wore robes. Joseph put on robe of many colours. There was no instance of indecency in their attaires.

They dress to cover their nakedness not revealing it.

BECAUSE OF DIFFERENT WEATHER CONDITIONS CAN WE CHOOSE A PARTICULAR WAY OF DRESSING.

No. All concerns CHRISTIANITY is dignify DRESSING. Some country because of cold weather they need to cover their body. While some because of heat needs light cloth that will not reveal their nakedness

Whatever particular way of dressing we may decide to choose, we should not trade our private part's so cheaply. These days you don't need to struggle to watch nudity secretly because even in churches, they advertise their wares freely.

May God save his church.

Yes! But we must be very careful not to use it as occasion for others to fall.

IS DRESSING PART OF OUR IDENTITY IN CHRIST?

Dressing is not explicitly stated as parts of our identity in Christ but it suffices to say that there ought to be a self regulated dressing mode as a christian. This is because what is obtainable in our society today as a dress style is very disheartening, even among we christian. The bible say we should not be unequally yoke with unbelievers, this is not on relationship alone but in words, dress and many things. Love not the world nor the things in the world... Why should we take after their dresses in the name of socialization? Youth sag their trousers, ladies wearing half naked cloth the way the unregenerated wear. Why?

Although not stated but the Holy spirit would guide us against indecent dress. You can have the Holy spirit leading you and dress to kill.

The Bible says if eating neat would make my brother fall, I should do away with meat.

New birth is authenticated by new lifestyle....dress, words, actions, friendship... etc

Let us not shy away from the truth a child of God must dress moderately. Let Jesus be seen in you and me. Thank you

OUR NEW GENERATION IN RAGS, CALLING IT MODERN DAY DRESSING, HOW DO WE HELP THEM?

Exposing them to the true word of God on proper Christian dressing

Church must stand up and make statement condemning such wears whether at home or church.

2Ti 2:19 KJV Nevertheless the foundation of God standeth sure, having this seal, The Lord knoweth them that are his. And, Let every one that nameth the name of Christ depart from iniquity.

God has not changed and His dealing with man has equally not changed.

They must remember that modern day is not an excuse to expose what God covered at the beginning.

MUSLIMS AND HIJAB CAN NOT BE MISIDENTIFIED EVEN WHEN THEY OCCUPY HIGH POSITIONS. HOW DO WE DIFFERENTIATE CHRISTIANS FROM THE HARLOTS EVEN IN THE CHURCHES OR THE STREETS?

Nowadays its difficult to differentiate so-called Christians from harlots.

They all dress the same

Honestly speaking it is difficult. Our dressing in churches has drastically changed from the old age church.

Yes, but we need to start from somewhere.

If we are not supporting these dresses, we should discourage it among brethren. Teach Biblical doctrine that will help many to retrace their steps and make amends.

We have seen ministers wives wearing see through in church therefore making it difficult for one to differentiate. Between a harlot and a Christian.

The change would have to start from the top, that is from the church leadership... they have to be very firm in condemning indecent dressing among their members.

Though dressing alone must not be use as a yardstick to determine who Christian is, because we still have in churches today those that dressed as "Christian" but in reality the opposite is the case.

My point is, whether church or streets, our characters and dressing should tell people who we are Christian by producing a godly fruits.

HOW DO WE TEACH AND TRAIN OUR CHILDREN IN A GODLY WAYS AND MANNERS?

There is a teaching that which says teach a child while he is

Still young and in the way that you want the to become.

Today's children are swift to learn either good or bad.

Hence, we need to be close to them. Be their friends. Have meditations together. Be accessible.

Be their confidant.

Train up in the way of God and don't train down in the way of the world.

But you cannot teach what you don't do. Children are good at imitating what they see on, from brothers, sisters, peers.

So first lead by example dress right, control everyone trying to dress inappropriate at home, teach them the right dress code.

Some parents are fond of buying inappropriate cloths for their children.

Pray for your children.

Do not let your friend stumble in the way you dress.

It shows the level of respect and reverence one has for God...no woman dresses that way when they are going to meet the president or a very important person in society.

The way to teach and train them is that we must be example of what we are teaching them. This is because children copy from their parents. Whatever they sees us do is what they will do.

You can not tell them not to dress in a particular dress whereas you yourself is guilty of it, it will not work.

Some parents even buy these ungodly dress for their children. This must stopped if we want them to dress in a way that bring glory to God.

Pro 22:6 KJV Train up a child in the way he should go: and when he is old, he will not depart from it.

EXPOSING THE BREAST AND THE BUM, HOW DO WE EXPLAIN THAT IN OUR SERVICES?

It's ungodly, and those that are doing that are casting stumbling blocks on their BRETHREN.

Do not let your friend stumble in the way you dress.

It shows the level of respect and reverence one has for God...no woman dresses that way when they are going to meet the president or a very important person in society

Dangerous.

Unheard.

Whatever is not good has no two other names than it is not good.

This is why you find out that some churches will not allow women to seat at the front seat so that they will not derail the minister.

Some lady or women do not know how to sit.

In case we have such people in our services, we must correct them in love.

EXPLAIN THE HAVOC THAT IMMORAL DRESSING CAUSES IN THE LIVES OF MINISTERS?

A lot of ministers have fallen because of Jezebelic kind of dressing.

It is a major source of distraction and can cause them to backslide

Is the new trend in the church. And that is what the young people are going after. Most of the Churches allows this immoral appearances in their services.

As I said above, it has caused many to fall. Every minister must discipline himself in this aspect so as not to be a victim because the daughters of Jezebel are everywhere.

Bible speaking in 1Co 10:12 KJV Wherefore let him that thinketh he standeth take heed lest he fall.

Therefore, we must not be too overconfident in this area. May God help us.

WHAT'S THE BODY OF CHRIST DOING OR SAYING CONCERNING THIS ISSUE?

Most people are silent about it...the ones who are speaking about it are not very straightforward about it because some of them have relatives or friends who are guilty.

Most churches are quiet about this issue. Especially if the people involved are church leaders.

Most people have termed decent dressing as old fashioned.

It is a mixed multitude of a thing.

Deviation from the salvation messages to the lost soul to dancing to the dictates of the world.

We must not shy away in teaching about Christian dress.

I have a particular case in our church some years back. The sister was in ushering department and anytime she come to Church she will wear gown like blouse. Different cloth that reveals her nakedness. I called her asking her to change her way of dressing but she told me she does not have any cloth other than what she was wearing. As a church we volunteered to buy her some decent dresses but she refused the offer. Because of this, I stopped her from that department.

Most time when I see anyone dressing in ungodly way, I can ask my wife to speak with her or myself.

The church must wake up to their responsibilities.

SILENCE CAN BE MISINTERPRETED AS YES OR NO?

Yes. It is taken as consent.

AS THE ONE WHO IS KNOWLEDGEABLE, WHAT CAN YOU SAY, OR WHAT'S YOUR ADVICE?

That we should return to the old rugged cross. Old path.

The Faith of our fathers LIVING still

Silence cannot change the trend of fashion except we all start condemning of bad fashion in our society.

*Give me that Old time religion,
Give me that Old time religion,
Give me that Old time religion,
It is good and enough for me.*

We should not shy away from the teaching. From home to church, we must constantly reminding ourselves who we are.

HOW SHOULD MINISTERS WIVES DRESS AND ADDRESS THE YOUTHS?

By showing Godly examples in DRESSING, in speeches, characters and conduct. They should be Godly roll models not Jezebelic LIFE'S style.

God will ask for the blood of many youths they have used their life styles to mislead.

Seriously, the ministers wives should know that by extension, they are a support for their husbands (ministers). Hence, their dressing should reflect Christ in me the hope of glory.

Be good examples to the youths.

They must lead by example. In most of our churches, we see the trend where the members dress the same way as their Pastors wives and speak as they speak.

Bible says we are the epistles that people read.

Once some members see their Pastor's wives dress in a particular way they never ask or think whether it is right or wrong.

The key word is MODERATION. There is no need to dress shabbily because we are Christian. As much as we can afford it, we should dress to bring glory to God.

HOW CAN WE DRESS FASHIONABLY AND NOT BEING WORDLY OR IMMORAL?

If we really relied on HOLY SPIRIT, even he will be the one design our clothes for us.

Cover every part of your body, that will give you dignity in the sight of all.

Let people see Christ in you.

First and foremost, I will admonish us that: let the mind of Christ be in us. At this stage, whatever we do or wear will give glory to God.

The key word is MODERATION. There is no need to dress shabbily because we are Christians. As much as we can afford it, we should dress to bring glory to God.

DYING OF HAIR- SHOULD THIS OCCUR AMONG MINISTERS' WIVES?

No! Absolutely. You are recreating yourself. And you are telling your creator that His design is inferior.

It depend on the colour one chose. There are different types of dying.

But you know our people will not dye their hair black instead different colours.

WHAT ROLE DOES THE YOUTH PASTORS OF NOWADAYS PLAY IN CHRISTIAN DRESSING?

Great roles. They easily influence young believers. If youth pastor dress well, his congregations shall also do same.

2Ti 2:19 KJV Nevertheless the foundation of God standeth sure, having this seal, The Lord knoweth them that are his. And, Let every one that nameth the name of Christ depart from iniquity.

May God help this generation.

WHAT CAUSED THE DRASTIC DOWNTURN OF CHRISTIAN DRESSING IN THIS MODERN AGE?

Imported GOSPEL. We want to dress like westerner. Come to think about it how many time have seen them dress like us wearing "Agbada and sokoto". That is why I love the Indians despite being colonised by British like us, they never abandon their mode of dressing. If you see Pastor preaching in Agbada today, some we say it is pride that they are showing up.

It's true. But if a pastor will wear agbada rather than fitted suit that will reveal his private parts, it is better.

It is three piece. There is Buba, Agbada and sokoto. With Buba inside, it will not reveal any private parts.

Unfortunately, most of the youth pastors nowadays want to show that they blend with occurrences around them. Instead of portraying the biblical doctrines that will change and turn people's heart to God, they prefer telling people what is pleasing to their congregations.

The gate of hell have let loose their agents. If you look at most of the materials in the markets today, you will see that they the type that are transparent and the way the worldly tailors sew the dresses reveals the nudity of the one wearing it.

They are wolves in sheep's clothing.

WHAT DO YOU THINK OF MINISTERS WHO TACKLE CHRISTIAN DRESSING BASED IN THEIR PERSONAL PREFERENCES AND NOT WHAT THE BIBLE SAYS?

They don't know the Lord neither do they love the Lord.

By their fruits you shall know them.

We can not successfully tackle Christian dressing based on personal preferences. It must be based on the word of God. If not, it is man ideology not God.

ARE YOU POSITIVE EXAMPLES TO YOUR CHILDREN, FAMILY OR NEIGHBOURHOOD IN DRESSING?

Yes! By His Grace

DON'T YOU THINK WE SHOULD START CORRECTION FROM OUR HOMES?

Charity begins at home so also correction. Everything start from home. That is why we are having a lot of challenges this day. Because, if we have a stable homes, it will result to stable society and stable society lead to a stable nation. But most often, we want a better country when we can not successfully govern our homes. The day we rise up and take responsibilities, things will turn out better for us not only as a family but as a nation.
