

(1) CHAPTER ONE

- (a) Introduction of your topic
- (b) Statement of the problem
- (c) Objective of the study
- (d) Proposed research questions
- (e) Research hypothesis
- (f) Significance of the study
- (g) Justification and scope of the study
- (h) Definition of terms used in your work

(2) CHAPTER TWO

Literature Review: This section deals with various literatures written by various authors on this topic. Theories ^{or} theory used in your work.

(3) CHAPTER THREE

This section gets indebt study of research
Methodology: Research design

- (a) Area of the study
- (b) Sources of data
- (c) Sample size and techniques, questionnaires
- (d) Method of data collection and analysis
- (e) Limitation of the study

(4) CHAPTER FOUR

Data presentation, Analysis and Discussion

- (a) Data Presentation and Analysis
- (b) Testing of Hypothesis
- (c) Discussion of findings

(5) CHAPTER FIVE

Summary, Conclusion and Recommendations

- (a) Summary of findings
- (b) Conclusion
- (c) Recommendations
