

CONTINUOUS PROFESSIONAL DEVELOPMENT (CPD), SUPPORT & MENTORSHIP PROGRAM FOR TEACHERS

iEARN wishes to propose a continuing Professional Development, Mentorship, Orientation and Support program that aims to develop the capacity of the existing and prospective educators – focusing on enhancing and sustaining a **technology-driven creative teaching**, Service or **Project-based Transformative Learning**, **Emotional Intelligence** and effectively management of **Teacher Burnout**. **Registration link:** <https://bit.ly/2koktTw>

<u>Month</u>	<u>Date</u>	<u>Time</u>	<u>Title of the Workshop</u>	<u>Participants</u>
September 2019	9 th & 13 th	9:00am - 3:00pm	HOW TO START AND RUN A CODING CLUB - the curriculum will introduce young adults to a wide range of technology careers through learning experiences in Coding, Blogging, Digital visual Arts, Virtual Reality, Game design, Photography, Animation, Robotics, Web design, Tech-preneurship & Power skills	Code-club Leaders, teachers, HODs, Head Teachers.
October 2019	5 th	9:00am - 3:00pm	EDUCATIONAL GAME DESIGN USING MINECRAFT: Gamification is an underutilized element in instructional design, but it's crucial to engaging today's learners and enabling content mastery. In this workshop, we lay the foundations of the theory, providing examples of gamification in three real-world learning scenarios, and breaking down the dynamics of gamification	Code-club Leaders, teachers, HODs, Head Teachers.

	11 th & 12 th	9:00am - 3:00pm	INTRODUCTION TO 3D: 3D Models, animation and printing has become very useful technology in all the aspect of today's world. It has become very affordable. Find out how our teachers are helping students transform from tech consumers to tech creators with a curriculum based on 3D modeling and printing.	Code-club Leaders, teachers, HODs, Head Teachers.
November 2019	9 th	9:00am - 3:00pm	CAPTURE YOUR CREATIVITY - PHOTOGRAPHY WORKSHOP – ADOBE PHOTOSHOP- Teachers will learn basic photography and photo editing skills using Adobe Photoshop. Teachers can guide students to utilize these skills to create school print and promotional materials, like newspapers, school magazines, event flyers, brochures, reports, digital portfolios etc. with more creativity and professional touch.	Code-club Leaders, teachers, HODs, Head Teachers.
	16 th	9:00am - 3:00pm	INTRODUCTION TO INSTRUCTIONAL DESIGN: Instructional designers create engaging, effective learning experiences that help people gain the skills needed for success. Participants will be taken through the foundational models of instructional design to storyboarding and screencasting, to be able to build a solid foundation for a career in eLearning, online training, or corporate learning and development	Code-club Leaders, teachers, HODs, Head Teachers.

December 2019	7 th	9:00am - 3:00pm	BUILD A REAL-TIME STRATEGY GAME WITH UNITY 5: Great games create compelling experiences and transport us to worlds strikingly different from our own. It's no wonder that many gamers—sparked by their passion for the games they love—dream of creating their own games.	Code-club Leaders, teachers, HODs, Head Teachers.
	10 th - 12 th	9:00am - 3:00pm	MANAGING TEACHER BURNOUT: For many teachers, the constant demand for grades and column expectations has made them feel like it is a requirement for success. Long hours and chronic exhaustion are normalized—if not celebrated—in many schools. But a lack of boundaries between work and life can cause even the hardest working teachers among us to wind up resentful and unhappy—even in assignments that once fulfilled them. In this workshop, iEARN coach breaks down what burnout is, what causes it, and how to take back your power and energy. Discover how to identify your burnout triggers...	Code-club Leaders, teachers, HODs, Head Teachers.
