## **Call for Abstracts**

**Invitation to Doctoral Students of the College of Social Sciences (CSS)**  
**to Submit Their Article Manuscripts to EJOSSAH**

EJOSSAH, a peer-reviewed and reputable journal of the College of Social Sciences, plans to dedicate one of its forthcoming issues to the publication of article manuscripts developed by doctoral students enrolled in the PhD programmes of the CSS. We will include articles in the planned issue developed by doctoral students who have completed their fieldwork and are in the stage of writing their dissertations and article manuscripts. We particularly encourage articles that analyze empirical data.

**Submission Process:** Those who are interested in submitting their articles need to submit their abstracts (not more than 500 words detailing background, problem statement, methods, results and discussion) first to the following email address [[ejossahme@aau.edu.et](mailto:ejossahme@aau.edu.et)]. The Editorial team of EJOSSAH will select submissions based on the merits of the proposed papers. Authors of the selected abstracts will be given a short introduction by the editorial team on how to prepare their article manuscripts. The articles will then be submitted using the EJOSSAH portal <http://ejol.aau.edu.et/index.php/EJSSH>. The submitted articles will, however, undergo a peer review process. But the editorial team will make sure an expedited peer-review process.

Deadline for the submission of articles: **December 19, 2024**

**For Further Inquiries:** Please contact Mr. Aman Mohammedsaid Adem, Managing Editor of EJOSSAH at [ejossahme@aau.edu.et](mailto:ejossahme@aau.edu.et) or during office hours at EJOSSAH's office on the second floor of the CSS building.
