How is Jainism different from Buddhism?

God
Varna
Transmigration of soul
middle path vs Austarity

- Jainism **recognised** the **existence of god** while Buddhism did not. but God is placed lower than Jina
- Jainism does **not condemn** the varna system while Buddhism does.
- Jainism believed in the **transmigration of soul i.e. reincarnation** while Buddhism does not.
- Buddhism prescribes a **middle path** while Jainism advocates its followers to live the life of complete austerity.
