Anthropological Study of Patnagarhi

Participants

Anthropological understand of Patnagarh

① Fredrik Barth's ethnicity concept

↳ Sasangiri, adopted practice of Munda, adopted by tribes of Odisha, Jharkhand, Chattisgarh therefore associating themselves with larger tribal identity.

② Analysis as ethnic movement of persons

↳ Pluralist approach

multi-ethnic society

Concept: Local tribes have outsiders influence on their culture as threat.

↳ education } therefore closed
↳ language } school

↓

Started teaching separate curriculum to children

↳ outsiders access closed w/o permission

↳ Modernistic & dev approach

Concept: Imposed dev & exploitation lead to ethnic consciousness

Reasons taken:

① ↳ land alienation, fallen water table,

↳ Villages need declared ownership of natural resources, water bodies. including

② ↳ demand for application of PESA Act 1996 & 5th schedule in true spirit.

↳ Marxist & neo marxist approach

Concept: Cultural division of labor & subjugation of ethnic group leads to ethnic conflicts

↳ Whole tribal belt is highly underdeveloped
