OF THE SONG OF SONGS

That is Solomon's, more song than songs, it means that the mascot is in order. Solomon's means the Son's. the church says he kisses me with his mouth, the kiss of his mouth is the blessing of Gabriel. Your breasts that he Saied are beautiful are his flesh and blood. Instead of wine, it means more than the sacrifice of the Torah. The fragrance of your myrrh that he Saied is the most beautiful of all myrrh is meron wich is the best of all fragrance of Torah. The fragrance that bears hour name means the divine incarnation. The virgins who love this thing are the souls of the Righteous. The pull you back, because, they are attracted to you by their love until you die. To run the fragrance of your dieas is to the church to receive his flesh blood. The king Solomon brought me into his house, because he was raised by the son and brought in to heaven in the same way as God. It is the church that claims to black before the coming of the son. She says she is more beautiful than the girls in Jerusalem, because she is better than the synagogues. They are the Gentiles who have the shelter of kedar. Shelters are churchs. Solomon is the son. Tents are churchs. It is the church that says; ``Do not see me, for I am black and the sun does not see me``. For she did not appear before the coming of the son. She that said my mother's children fought for me, they are apostles who are not afraid of the wrath of the nobles and kings. She says they made me the keeper of the vineyard, because they made her the keeper of the Christian people. Israel says I did not keep my own vineyard to the son tell me who who my body Loves. where do you sleep at noon is because he was crucified at noon. When I wondered about in the company of your neighbors, she said that I're not worshiping any deity other than you. If you don't know yourself, you are more beautiful than women, it is about synagogues. The cost to you is the church that was called after the apostles were called. The keepers of your young goats are the offspring of the nations. In the pasture of the shepherds, the shepherds are the officers. Their pastures are the churches. Adam is my hors. For pharaoh's cars are his idols. For the son is come to destroy the idols to seek and to save Adam that which was lost. My brother in law, who claims to have a flower, is a Christian who believes in the God the son. The one who rests between my breasts is God the son who came after the old testament and before the new testament. To the vineyard of Gadi in the desert was Mary, Gadi is Jerusalem. What looks good to me is his body. Your eyes are doves means the Apostles. My brother the is now a beautiful man, Adam. Our fragrant bed is Golgotha. For there is the grave of Adam. for there is the tomb of the Son. The walls of our house are the prophets. The Apostles are said to be our perfumes. Christ who claims to be the flower of the desert is the one who blossomed in the womb of Mary. Desert flower is a new law. Desert flower is the son of Mary. Among the thorns, like a flower is Mary, a sower from among the thrones. That which is with me in the midst of the maidens is like the soul of the righteous. like an apple in the desert, it is the most revered gospel. This how I am loved by the brethren, this God the Son between the Apostles and the prophets. To sit in the shadows is to fall under the cross of religion. The fruit is sweet to my test, it is his flesh and blood. It is the church where the blood of the one who took me the vineyard is shed. It was Adam who said they had made love to me. It is because the son descended to love him died to him, by the will of his Father, himself, the holy spirit. The disease has strengthened me, it has strengthened me in meron. Encourage me with Enclosure, Encourage me with words of the Gospel Encourage me. It is well known that I was pierced by his love. The left is below my head and the right is embracing me means the left is soul, the right is divine. The maid servants of Jerusalem are the souls of the righteous. He who is in the power is the father. He who presses is in holy spirit, he is the son who fasted in the desert. :: :: ::

My brother, the son came to mean the son. By jumping between mountains means prophets. To walk on hills means, hills are Apostles. My brother the son looks like a deer means about his body. What walia look like is about divinity. They are prophets in the mountains of Bethel. Now standing behind the wall means that he is in heaven. Visiting through the widows means preaching by the prophets. Leaning from side to side means his coming down from heaven. It is the church that says my brother the son returns to me. He is the son that said, Get up and Get up, my nephew is my beautiful love. Winter is a time of old Testament. It is the curse of the torah that has passed away and gone back. The flower that appeared on our earth was the one who appeared in the flesh raised from Mary. The time of the harvest is the time of the New Testament. The voice of the turtle is heard in our land; means

the Gospel heard in the church. The fig tree that bore the sprouts was the house of Israel. Their sprouts are also the Apostles. The vines are the Apostles, with the flowers perfume means that they taught religion. My nephew is the son who said my nearest, my friend and the beautiful dove rises and come to shadow of a rock near the wall. The Rock is himself (Jesus Christ). The tower is also the power of the cross. And the church said to him show me your face and tell me your word for your word is beautiful, your face is beautiful. This word is the word the Gospel. Your complexion is about the body. And David said, there is none like that: The catch foxes that destroy our vineyard is to condemn the Apostles who destroy the church. These includes Arius, Lyon, Nestorius, Macedonia, the council of Chalcedon and the like. The vine that blooms in our place is the church that blossoms religion. It is the church that said there is my brother the son for me, and I am for my brother the son. Engaging in flowers means staying in the church. until the day, the soul the shadow moves, it means the end of the world. Your brother the son of God come back and imitate the deer is his coming again. The deer is about his flesh, like a cult, it is about divinity. My bed is the cross. What I have in my nights is the world that darkened on the cross. It was Adam who said that my body wanted what it wanted. I looked for him, but did not find him, I called him and he did not answer me, it is because he wanted Adam in the torah and was not found by the prophets. Because the time has not come. He Who says I will rise is the son himself. I walk around the countryside, in the markets, It means to travel the world. I wanted to find what my soul wanted, but could not find it. I called him, but he not answer. This is as we have said before. The patriarchs found me and the scribes of the synagogue were Pharisees. The soul that who have loved is Adam. The least I can say is that the son of God came out of his soul. It was about Adam that he said I have found that my soul desires and did not give up at that moment. As far as my mother's house is concerned, it is to the heavenly Jerusalem for Mary's house is there. She raised me in the father's sanctuary which is side near to the father who raised me. ::

This is the church that claims to be out of the desert, desert means gentiles. The smell of perfume is like a pillar of smoke believing father. The perfume is to believe in the son. The essence of the perfume is believing in the Holy spirit. Behold, the bed of Solomon is Mary, Solomon is the son. Sixty powerful are sixty patriarchs. Secondly, Solomon's bed means the cross. Among the mighty men of Israel were the weak and mighty Apostles. There are four attributes of an Apostle. The fifth is the soul. When you add all this

Your two breasts are flesh and blood which are like twins when they are born. Until the shadows move and the day blows, it is will be in the midst of the flowers it is as we said before. It was the Son who said that I would ascend the Mount of olives. The Mount of Olives is Mary. It was the Apostles who said that I would go up to the mountain of incense. You all beautiful, you are Mary, you have no shame in you. The bride is the church from Lebanon. Our lord Jesus Christ said the Apostles, when you shall baptizes, eat of the name of the father, and of the son, and of the Holy Gost. He said this to them after the resurrection. I ate my bread with honey when they caught me at that night, He had already eaten Passover bread in old testament. He then took the bread and showed the sacrifice of the Gospel. But Honey is an old testament law. This like first one I said I drank my wine with my milk. Wine is an Old Testament law. Milk is the law of New Testament. My brother the son has passed away because he had already fled from heaven. I called him, but he did not answer, I looked for it but I did not find him, this is as we have said before. The patriotic guards found me, this is as we have said before. The one who they beat me, they lapped him on the back. The one who beat me up is the one who beat his head. They look my cover off means they stripped him naked. I beseech you, o you daughters of Jerusalem, by the power and might of the wilderness. If You find my brother the son that you explain, I was pierced by his love. It is the response of the church. :: :: :: ::
