Bible Text: Romans 12:1-2

Teacher: Adewuyi S. Oluwatobi

Heavenly father, we thank for your blood, for Life and your grace upon us and our loved ones we give you the praise and thanks, even as we listen to your word, please let's see you behind your words tonight in Jesus name we pray Amen

I welcome you all in the name of the Lord Jesus Christ.

Tonight's topic is a very sensitive one that requires great attention to treat, I would like everyone to know that many things would be said tonight, and it is majorly mature Christians that will be able to digest these things because most of the things you will read now, are what I learned for years, and they might sound strange to you. so I know that it might be very hard to really receive all at once because they carry spiritual weight, but I know that the Lord in His mercy will meet everyone under tonight's teaching and bring them into conviction.

I would be very raw tonight, and will say the truth how it should be said. For those who know me here or have gone through my teachings, would have noticed that they are based on true Holiness and Righteousness. Many would be offended tonight because of the believes that they have held. But I do not fear anyone and do not care if any is offended for saying the truth, perhaps if you do not want to hear the undiluted words of God you will not be here in the first place.

Romans 12:1-2 KJV

I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. [2] And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

This verse is simply referring to a specific set of people, and who are they? they are the brethren in Christ Jesus, this means that if you are a brethren and are sure you are, then you have to follow these simple instructions that you have to present your body as living sacrifice to God. It is an heresy to say that God is not concerned about your body because we are being told in this verse to keep it Holy and acceptable, this also means that there are ways we can present our bodies in unholy and unacceptable manners, but many do not still understand this things, they have chosen to remain ignorant and there will not be an excuse on Judgment day. 1 Corinthians 3:2. **I fed you with milk, not solid food; for you were not yet able to receive it. Even now you are still not ready.** I pray that we will be able to receive tonight's meats(not milk) in Jesus Christ name. We all know what dressing is, it has to do with our appearance. The first thing I would like us to know is that the moment we receive Christ everything about us must change because a new government has taken over. When a president begins to rule a country, he comes up with new mandates/agenda, and when another comes in he also brings in new policies.

That is the same way it is when you receive Christ, there is now a king that controls your life. Which means that the policies of the old man should no longer be effective in your life. This has to do with your inner part and the outward parts.

Therefore you cannot say that, there is now a new personality ruling your life and still retain the old policies. The flesh was in control before you were saved, but now that you are saved the Spirit takes over. And each of them rules over the inner and outward. Galatians 5:17 KJV **For the flesh lusteth against the Spirit, and the Spirit against the flesh: and these are contrary the one to the other: so that ye cannot do the things that ye would.** Which means that one cannot be in charge of one side and another in charge of the other. They are two opposing forces that do not agree and can never agree no matter what.

It is the decision of the person involved to choose which one that is to take over, no sitting on the fence. That is why it's an heresy to say that God is only concerned about the inside but is not concerned about the outward. It is just like you saying that the Spirit can take charge of the inward while the flesh can take charge of the outward, you see how untrue that is now? Because we have seen from the above verse that it is not possible. 2 Corinthians 6:14 **...for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?** None at all.

Is someone with me?

Some people usually quote 1 Samuel 16:7 **But the Lord said unto Samuel, Look not on**

his countenance, or on the height of his stature; because I have refused him: for the Lord seeth not as man seeth; for man looketh on the outward appearance, but the Lord looketh on the heart. They say that God does not care about our looks, whereas they did not study that verse carefully to really know what the Lord is saying. What that verse is simply talking about is **his countenance, and the height of his stature;** we see that in the first sentence **But the Lord said unto Samuel, Look not on his countenance, or on the height of his stature;** Samuel wanted to anoint a king through physical attributes, you know that back then, kings do go for war and it is assumed that anyone who would be a king should be strong, bold, even tall and etc. That was what Saul wanted to use to choose the person he would anoint. But God said come, see, I don't look at physical attributes to choose those I will anoint, it is you men who cannot see and does not know the hearts of men that do things that way. I look into the heart of men to see if they are qualified, if they fear me, and love me, If they will be obedient.

That was why David was chosen, and to confirm this, we could later hear what God said about him, he called him a man after His own heart, you see now that God had already seen the heart of David that he would do all it will take him to please Him(God) hence God did not look at his appearance but his heart.

Some people are already dozing off

I guess we have understood that verses better now that it is not talking about dressing. And it did not in anyway approve anyhow dressing for Christians. I want you to understand that you were in an old kingdom when you were transformed at Salvation, that was the kingdom of darkness into the kingdom light. Colossians 1:13 KJV **Who hath delivered us from the power of darkness, and hath translated us into the kingdom of his dear Son:** You see that now? This simply tells you that the way of life of the old kingdom should go with the old kingdom. The dressing of the old kingdom should go with it. How they talk in the old kingdom should go with it. If we still retain the culture of the old kingdom in this new light(kingdom) then there is a problem somewhere because they are both parallel lines that can never meet.

That is why, if you see someone who still retains the appearance of his old life, it will not be a mistake if you question such fellow because if I was a soldier and I decide not to be a soldier any more, then I resign but after I have resigned I now still go ahead to put on full army uniform, you know that if any army officer sees me he has the right to question me and request for my ID card. That is the same way it is in the spiritual realm, there are different ways the devil identifies his own people and dressing is among. You cannot say that you have resigned from following the devil and you keep on wearing his uniform about, demons will question you. The moment we surrender our lives to Christ every old ways must be stopped, bad characters and habits, insane way of dressing and others. We have many so called Christians these days, I mean Christian brothers/sisters who are still entangled with immodest dressing, they hate to be corrected and also find it difficult to annul worldliness.

Refusing to do away with worldly dressing can get one possessed by evil spirits, there are many things ladies make use of and as a result of these defiling materials they have used which have possessed them, because the spirit of Jezebel is behind many of those materials they used. And they had ignorantly entered into a covenant with Jezebel. Jezebel is not a human being but demon, who only came to setup immorality and false doctrines.

Let's get to know who Jezebel was

Jezebel the daughter of Ethbaal king of the Zidonians, is just a priestess who came to introduce Jezebel, but the real Jezebel is a demon, not human.

Now read this part;

“whenever the children of Israel want to worship in the temple of Baal, after their normal sacrifice, they began to worship Baal, through adultery and fornication, sleeping with each other in the temple and everyone of them will be naked. This is the food offer to Baal because immorality is the system used in worshiping such god. That was why Jesus said in book of Revelation 2:20 that Jezebel teaches and seduce my servants to commit fornication, and eat foods offered to idols. The people they always commit immorality with might not necessarily be someone they know, but that is the system of worshiping Baal, picking anyone they found in the temple, and start committing immorality with him/her. This kind of doctrine looks good in eyes of Israel when Jezebel introduced it, and that was also the tactics Balak the son of Zippor / Balaam used against them. These same Jezebel is known as Venus worshiped by the Rome, those of you who have watched the Movies, Rome and Spartacus, you will found out that, this same goddess rule over the city of Rome, and they see adultery and fornication as nothing. (I'm not saying that you should go and watch it). It may looks like ordinary movies, but that is exactly what is going on in that country.

Many time Paul talked so much about the Romans, such that they even applause those who practice such immoral acts, for they see it as nothing. For it's a normal ways of worshiping Venus / Diana This same goddess is also behind gays and Lesbians, (Romans 1:26-27) So how does these relate to secret behind worldly dressing in life of Christian? If you still dress like Jezebel, believe it or not, you are a follower of this same goddess called Jezebel, and either you like it or not, you must worship her through immorality, fornication and adultery directly or indirectly. That is why many people find it hard to stop lust, masturbation, lesbianism, fornication, adultery, they invited the spirit of Jezebel into their lives by themselves.

These days, many Christians cannot do without committing fornication. They are addicted and found it difficult to control their bodies, many of them cannot do without masturbating, many constantly have sexual intercourse in dreams with unknown Man/women at times with image of their wife, husband or boy/girl friend, not knowing they are demons, all these are foods offer to this same spirit —Jezebel. Though it's not their own will to commit sexual immoralities or lustfulness but it's due to the sacrifice

they must offer unto Baal because of the deep blood covenant they have entered into unknowingly with the spirit of Jezebel and could not find a way out. When the Lord said, love not the world or anything in it, he has already seen the strategized plans of Satan against Christians. That was why he said; do not love things that are in the world, because Satan controls the things of this world. Satan is the prince of this world and entangling yourself in worldly or immodesty dressing will defile you and chase-off the Spirit of God that dwells with you. Genesis 6:3 **My spirit shall not always strive with man** and in Ezekiel 7:22 **My face will I turn also from them, and they shall pollute my secret place (your body): for the robbers (unclean spirit) shall enter into it (your body), and defile it.**

Many want to dress beautiful and classic and not mindful of it's consequences. What are inscribed on the clothes you buy and put on and also the logo and brand are very very important to be considered. You can invite demons to yourself through them. There was a particular ladies cloth that came out some time ago called SEX ME ON. Do you know the meaning and its effect? Don't be ignorant of the devises of the devil. Many also enter into covenant with Jezebel with the help of *Medusa*, because they want to use hair attachments. Don't you know *medusa* was cursed because of her seduction and end up committing adultery even in the temple of her superior? Many men desire to have her and through her immoral way of life, she became cursed, but I tell you, using her items, will not only make men desire you but also demons will desire to have you.

Now, without wasting much of our time, I will mention all what are for the devil that Christians are not to have anything to do with. If we do not want to have anything to do with demons, and also for us not to be smelly to God. Also note that those who refuse to stop these things before death will not make heaven, you can not have the devil's property on you and enter heaven with them. Revelation 21:27 KJV **And there shall in no wise enter into it any thing that defileth, neither whatsoever worketh abomination, or maketh a lie: but they which are written in the Lamb's book of life.** Please know that if you use these things for your children, dress for your children, or encourage them in these things I will be mentioning now, you will not escape God's judgement unless you repent. It's good we tell one another the truth now. So that we will not miss it at last.

The following things are demonic and many has gotten initiated into the worshiping of Jezebel through them, and they are Jewelries, eye pencil, demonic perfumes, attachments (including wool and thread, rubber) seductive clothes, Bleaching creams, women trouser (pant), Artificial Eye lashes/eye balls, Make up, Powder, Fake bums, Tights, Plaiting, Hand bands (even those with church names, or Jesus name, bible verses too) Barbing worldly hairstyles, (including shaping, and blending, your hairs must be on the same level.) False fingernails, Waist bead, Nose rings, Wedding rings, Eye shadow, Transparent clothes, Short skirts, Tight fitted clothes, Armless, Bum shots, Men tying wrapper, Jeans, Perming, Spotting waves, High heels, chains, clothes with demonic logos and inscriptions, and other things that are used on your body, aside creams that do not change the color of the skin, your decent clothes and shoes, and hair bands. Some people might be asking that, how will they now look if they stop using

these things, your body has to look exactly how you were at birth, just for your decent clothes and shoes that's all, let's show you the pictures of how God's children should look like.

Note that this standard stands throughout the whole world, it is not only in your country, or only in Africa. We do not have African version of the bible, the authority of the bible is universal. If you see anyone doing against the things that are listed here, the person is not yet ready to make heaven no matter where the person might come from.

You see the hand of make up? It creates false beauty that deceives, and the Lord does not want his children to have anything to do with any form of deception because no deceiver will make heaven. It is also a way of telling lies, no liar will make heaven, it is also covetousness, coveting the beauty that is not yours. No covetous person will make heaven.

This is a typical example of how a Christian woman should look like. If truly we want to make heaven. This is 100% different from the world.

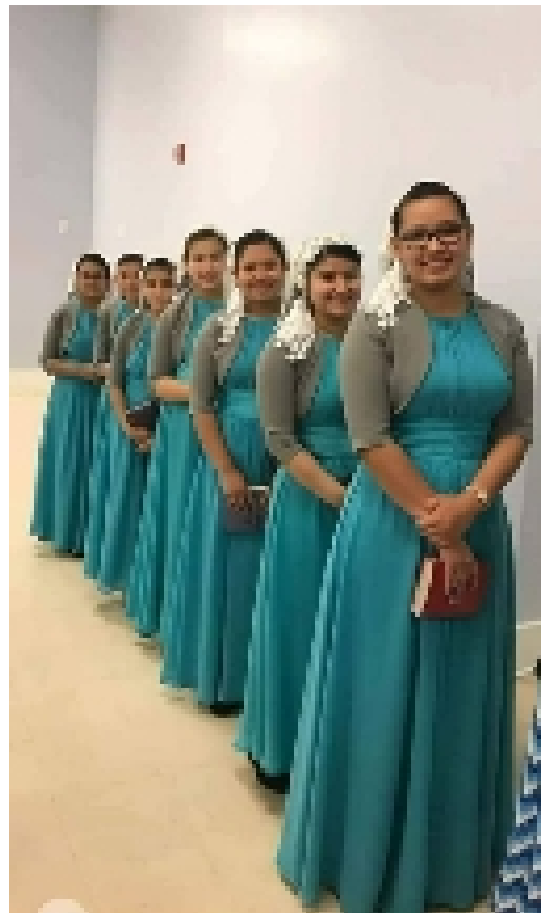

There must be no exposure of the breast or the lines of the brazier showing, no plaiting of the hair at all.

You see this white woman here now, I told you that the standard is the same through out all the world, don't let any pastor deceive you into ungodly dressing again. They have successfully deceived millions into hell fire. Don't fall into their hands

Please tell me if this lady here does not look beautiful this way, can anybody call her sexy this way? You're sexy is not a compliment meant for a child of God.

Here are sisters who also understand that the kingdom's appearance is different from that of the world

Here are the white people we Africans are copying, look at them dressing to please God. Look exactly how God created you, and cover your nakedness fully. Just as simple as that.

Now let's move to those who lived in the world before and changed when Christ took over, and the evidences are now clearly seen.

You see now, that there must be difference from the way you appeared when you were in the world and the way you appear now that you have known Christ. If no difference, it means that your salvation is faulty. You have to make adjustments.

In this same way, if truly you have been saved and you are a child of God, there should be visible transformation even in your appearance, if there is none, quickly go back to Christ and make amends.

Dress Holy, Dress godly!. Because of our time. I will stop here

You can ask your questions now

QUESTION 1

We have many well known general overseers using Christian hand bands. What do we say about this sir?

ANSWER

Concerning this sir. That is why we personally need to study the word of God, I'm not sorry to say this. Many G.O's and G.O's wives will not make heaven because they fail to do what God wants and they have misled many people. If there is anyway we can get across to them to tell them about it too, it's OK, some might be ignorant of the truth. We have to follow what the scriptures says irrespective of whatever thing anybody may say.

QUESTION 2

What of the weaving of the natural hair sir?

ANSWER

It is not right, the Bible says it in 1 Peter 3:3 KJV that "Whose adorning **let it not be that outward adorning of plaiting the hair**, and of wearing of gold, or of putting on of apparel;" although those who choose to remain ignorant about this would be ignorant, but there is no excuse for ignorance on judgement day. The apparel mentioned here, talks about expensive clothing and Christians are not to put on expensive clothes, we have to look simple.

QUESTION 3

Also wearing of these clothes does It include in the closet of your house.

ANSWER

If you are in your bedroom with your husband, it's okay, but the sittingroom where people can easily come in contact, it's not right. Men too should understand that it is wrong to wear short nickers, singlets, body hugs outside your home.

QUESTION 4

What if a women puts on the gold etc and she is pure in heart concerning them and worshipping God, is she also condemned to hell.

ANSWER

Using of gold on human bodies had been banned by God since the Israelites used it to make an idol. Exodus 33:5. For the LORD had said to Moses, "Say to the sons of Israel,

'You are a stiff-necked (stubborn, rebellious) people! If I should come among you for one moment, I would destroy you. **Now therefore, [penitently] take off your ornaments,** so that I may know what to do with you.'" 6. So the Israelites **left off all their ornaments [in repentance]**, from Mount Horeb (Sinai) onward. When you repent, you have to take off your ornaments. Including all those clothes with sequence, I mean those clothes that do shine, whenever they come in contact with lights, because they do not make one look simple and they are most times made from the kingdom of darkness.

QUESTION 5

But what of judging from the place of the heart when the heart isn't stuck to what is on the flesh but within the things of God?

ANSWER

These things do not have to do with if our hearts are pure or not. They are demonic, God did not create them for us to put on our bodies because we are good the way He created us. When He finished creating man, He said that we are good. Meaning that we are complete, using these things to beauty ourselves is like telling God that He did not create us well. We are to remain natural the way He created us.

QUESTION 6

Why does the Holy Spirit use a man who uses gold? Why does the Spirit enter a lady wearing a golden necklace?

ANSWER

Great, If the Lord has given you any gift, the gift will keep on working even if you fall out of faith, for example the gift of healing, the moment God gives a man such gift, and the persons backslides the gift keeps on working, Romans 11:29. **For the gifts and the calling of God are irrevocable [for He does not withdraw what He has given, nor does He change His mind about those to whom He gives His grace or to whom He sends His call].** that is why most people do not know that they have backslided and even those looking up to them will keep on using them as examples. These are the set of people Jesus talked about in Matthew 7:22-23 KJV **Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? [23] And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.** Because they thought because the gifts of God still works in them then they are still on track which is not true. *Listen to me*, the tiniest earrings(gold) will lead anybody to hell, God is no respecter of any man, of such let everyone that names the name of Christ depart from iniquity.
