

Vacancy Announcement

Organization: AYA-Innovation

Position: Clinical Psychologist

Website: <https://www.aya-innovation.com>

Position Type: Full-Time

Deadline: February 20, 2026

Introduction

AYA-Innovation is seeking compassionate, motivated Clinical Psychologists to join our team. This role is part of AYA's transformative, whole-person, trauma-informed model, designed to support women in rehabilitation, empowerment, and recovery.

Prior clinical training is required. Selected candidates will participate in an intensive training program in trauma-informed care, qualifying them to serve within AYA's integrated care system. This position is at the new and pioneering **Lenegewa Women's Rehabilitation & Skill Development Center**.

Ideal Candidate Profile

AYA-Innovation seeks a Clinical Psychologist who exemplifies maturity, integrity, and a commitment to holistic care. The ideal candidate:

- Is a clinical psychologist who graduated from an accredited medical school. 🎓
- Is fluent in English — mandatory for training, communication, and documentation.
- Has a background or strong interest in trauma-informed care and digital health. 💻
- Is highly self-directed, reflective, and motivated to grow personally and professionally. 📈
- Demonstrates emotional intelligence, empathy, and strong interpersonal skills. 🤝
- Values collaborative, community-centered care and seeks to support vulnerable populations. 🌱

Key Responsibilities 📋

- Participate in an intensive paid training program, including experiential learning and supervised practice. 🎯
- Provide digital screening, biopsychosocial assessment, group and individual therapy at the Lenegewa Women's Rehabilitation & Skill Development Center. 📄
- Offer trauma-informed, culturally responsive support within AYAs' whole-person care model. 🌍
- Collaborate with AYA's multidisciplinary team of Psychiatrists and Physician-Coach-Counselors. 👥
- Work with the center's interdisciplinary team, including the Social Work and Medical Team. 🏥
- Engage in continuous learning, reflective supervision, and skill-building. 📖

Why Join AYA-Innovation? ✨

- Attractive salary and balanced work environment 🧳
 - Be part of a pioneering model transforming trauma-related care in Ethiopia, including an AI-enabled digital mental health care 🤖🧠
 - Receive high-quality training in a growing field of practice 🎓
 - Work in a mission-driven environment focused on empowerment and wellness 🌱
 - Help change the lives of women rebuilding stability after trauma ❤️
 - Join a supportive team grounded in compassion, accountability, and growth 🤝
-

Application Requirements 📄

Applicants must submit:

- A CV/Resume
-
